Select Board
Executive Session
January 2, 2024
Town Administrator Office, 17 Common St, Southborough, MA

Present: Andrew Dennington, Chair; Kathy Cook, Vice-Chair; Marguerite Landry; Sam Stivers; Al Hamilton; Town Administrator Mark Purple

Executive Session Minutes – December 5, 2023: The Board reviewed the minutes from the December 5, 2023 Executive Session. They discussed scrivener's revisions and changes to multiple lines. Mr. Stivers made a motion to approve the December 5, 2023 Executive Session minutes as amended. Ms. Cook seconded. The motion passed all in favor (5-0-0) by roll call vote: Cook, aye; Landry, Aye; Hamilton, aye; Stivers, aye; Dennington, aye.

Mr. Dennington made a motion to adjourn the meeting at 7:52 A.M. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote: Cook, aye; Landry, Aye; Hamilton, aye; Stivers, aye; Dennington, aye.

Respectfully submitted,

Mark Purple, Town Administrator

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, January 2, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers and Town Administrator Mark Purple

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:33 PM.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. Interview for committee appointments

i. Parul Sharma to the PILOT Committee; term to expire 6/30/2024

Ms. Sharma introduced herself to the Board and discussed her interest in the position. The Board interviewed Ms. Sharma. Mr. Stivers moved to appoint Parul Sharma to the PILOT Committee, term to expire 6/30/2024. Mr. Hamilton seconded the motion. The motion was unanimously approved (5-0-0).

ii. Khoi Nguyen to the Economic Development Committee; term to expire 6/30/2025

Mr. Nguyen introduced himself to the Board and discussed his interest in the position. The Board interviewed Mr. Nguyen. Mr. Dennington moved to appoint Khoi Nguyen to the Economic Development Committee, term to expire 6/30/2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Leah Emerson, Economic Development Coordinator – EDC Update

Ms. Emerson did not appear before the Board due to illness.

IV. Reports

Mr. Dennington resumed the Agenda after Other Matters "e."

a. Chair's Report

Mr. Dennington reported that work on the St. Mark's Street Park has concluded for the season and will resume in the spring. He also stated that Belko has assumed liability for any plantings done in December that fail to thrive and will replant in the spring, if necessary. Mr. Dennington also reported that RZND has left the business location and the property is for lease.

b. Member's Report

There were no Member's Reports.

c. Town Administrator's Report

i. Update on Fire Chief search

Mr. Purple stated that the formal bid process has resulted in two quotes for services and he expects to have a third quote by the end of the week. He stated that he would move forward once he has reviewed all bids.

V. Consent Agenda

a. Approve Open Session meeting minutes: December 19, 2023

Mr. Dennington requested to hold Consent Agenda item "a." Mr. Dennington requested the following changes: Line 14: after provider, add "who accepts Aetna"; Line 27 after $1,000,000, add "in the slides presented." Mr. Stivers requested the following change: Line 104: change to DPW. Mr. Dennington moved to approve Consent Agenda item "a", as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Appoint Tony Schoener to the PILOT Committee (CIPC's representative)

c. Approve new Building Department fee schedule

Mr. Stivers requested to hold Consent Agenda item "c." The Board discussed the $50 fee to re-open permits and discussed that the Building Department would need to reach out to homeowners and contractors to inform them about the new process and corresponding fees. They also discussed that, going forward, the Building Department would inform homeowners and contractors about the process, fees and enforcement prior to issuing permits. Mr. Tim Litt, 146 Woodland Road, stated that the Building Department should not be concerned with the cost of fees in surrounding communities and that fees should be determined on a cost recovery basis, not as a revenue source. Ms. Cook stated that the Town has not determined fees on a cost recovery basis. Mr. Jim Colleary, Town Wiring Inspector, stated that, if a permit has lapsed for more than 365 days, a new permit must be issued and the project must come into compliance with current State code. He stated he is supportive of the new process, including fees, and feels the $50 fee would act as an incentive to contractors to complete the permit process. He also stated the revised permitting process benefits residents. He stated he is supportive of the Building Department's efforts towards compliance and stated it is a matter of public safety. The Board discussed the fees. Mr. Dennington moved to approve Consent Agenda item "c." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. Accept Stephen Achilles' resignation from the Cultural Arts Council

e. Approve reduction in EDC membership from 7 to 5 seats

f. Fayville Athletic Association – Change of Manager approval

Mr. Dennington moved to approve Consent Agenda items "b", "d", "e" and "f." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

a. Review of draft 3/23/2024 Town Meeting warrant

The Board reviewed the draft warrant. The Board discussed creating an article to transfer CPC affordable housing funds directly to the Affordable Housing Trust Fund (AHTF) and agreed to further investigate. The Board agreed to investigate former Select Board member Lisa Braccio's suggestion to reorganize the AHTF Committee. Mr. Stivers suggested reviewing and amending the charter of the AHTF Committee to include the management of projects. Ms. Cook suggested reviewing the appointment of members. The Board agreed any changes would likely be addressed in an article at a potential Fall Town Meeting. The Board agreed to hear citizen petitions prior to Town Meeting to consider potential support and to work collaboratively with sponsors to resolve any potential issues prior to Town Meeting.

b. Discussion of potential Select Board warrant article for Annual Town Meeting

i. Community Preservation Committee; potential super-majority requirement for expenditures involving improvements to private property

Mr. Stivers suggested that this matter deserves discussion and that voters should decide the following: 1) should there be a higher threshold for approvals of expenditures on private property? and, if so, 2) what should that threshold be? Ms. Cook stated that she is not supportive of this article and is not in favor of the Board's sponsorship of it. Mr. Hamilton stated he is supportive of a higher threshold for approval of the use of public funds on private property. All Board members stated

support for having voters weigh in on this matter at Town Meeting. Mr. Dennington stated that, in a discussion with Community Preservation Committee (CPC) chair Ben Smith, he learned that the CPC requires preservation restrictions before there is any use of public funds on private property. The Board discussed the matter. Ms. Patricia Burns-Fiore, 10 Winter Street, stated that she is in support of this potential article and urged Board support of it. She stated that spending public funds on private property is very concerning to her. Mr. Kevin Miller, 18 Latisquama Road and chair of the Historical Commission, stated the Historical Commission has not discussed this matter. He stated he is inclined to support a higher threshold for the use of public funds on private property but is not certain of the right number for approval and welcomes discussion on the matter. The Board agreed to discuss this matter with the CPC.

c. Budget Summit with Advisory Committee on January 6, 2024

Mr. Dennington reviewed the schedule for the Budget Summit.

d. Naming of St. Mark's Street park

Ms. Landry stated that the St. Mark's Street Park Working Group voted to recommend naming the park Heritage Park. Mr. Miller, member of the Working Group, suggested adding Southborough to the name. Ms. Landry moved that the Board support the name Southborough Heritage Park for the new park in the center of Town. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0).

e. Request for use of engineering funds for Atwood Street site (old water tank) investigation

The Board discussed this matter after Scheduled Appointment a.ii. DPW Superintendent William Cundiff appeared before the Board on the matter. Superintendent Cundiff explained that he reached out to Pare Engineering to seek professional advice on the past use of lead paint in sandblasting/repainting the water tower. He also learned that paint and/or construction materials used at the water tower might have contained Polychlorinated biphenyls (PCBs). He reported that Pare Engineering has submitted a proposal for $3,000 for soil collection and lead analysis and $1,200 for PCB analysis. He stated that this request is for preliminary review and that, if lead or PCBs were found, a more comprehensive review would need to be done. Ms. Landry asked where samples would be taken from. Superintendent Cundiff stated that samples would be collected in areas where the construction and repainting processes occurred. Mr. Dennington moved to approve an expenditure not to exceed $4,200 from the Engineering Services Article to perform testing for lead paint and PCBs on the Atwood Street site of the former water tank. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

f. Consideration of IMA for Algonquin Athletic Complex Project

Ms. Cook stated that approval of this language is necessary because Southborough funded approximately $218,000 for the construction of the basketball courts, tennis courts and pickleball courts at the Algonquin Athletic Complex through Community Preservation Act (CPA) funds and Northborough funded their portion in a different manner. Ms. Cook moved to approve the proposed Intermunicipal Agreement (IMA) that deals with the issue of the funding of the Algonquin tennis courts, pickleball courts and basketball courts. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Public Comment

There was no public comment.

VIII. Executive Session

Mr. Dennington moved to enter the Board into Executive Session, per M.G.L. Chapter 30A, Section 21, at 7:45 PM and not return to Open Session for the following purpose: (1) to review and approve Executive Session minutes from December 5, 2023. Mr. Stivers seconded the motion. The motion

was approved by roll call vote: Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye. (5-0-0).

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, December 19, 2023 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers and Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.

II. Public Comment

Ms. Cynthia Foster (3 Aspenwood Lane) stated that Silver Sneaker is not accepted by the Town's new health plan for retirees and expressed her frustration that currently she has no primary care provider and no Silver Sneakers option.

Ms. Bonnie Phaneuf, 179 Middle Road, stated she is unclear whether she is covered by Aetna even though she has paid the premium. She stated that she is covered by Tufts until December 31, 2023.

III. Scheduled Appointments *(Board may vote)*

a. Interview/appoint Parul Sharma to the PILOT Committee; term to expire 6/30/2024

Ms. Sharma had not yet arrived so the Board agreed to table this matter until its January 2, 2024 meeting. Should Ms. Sharma arrive during this meeting, the Board will interview her at that time.

b. Update on RECC

i. Al Hamilton presentation

Mr. Hamilton stated that he and Select Board member Sam Stivers have been working with Town Administrator Purple, Police Chief Newell, and Fire Chief Achilles on this matter. Mr. Hamilton presented the Regional Emergency Communication Center (RECC) update to the Board and public. Mr. Dennington asked about the figure of $1,000,000. Mr. Hamilton stated total operating costs for Southborough's enhanced dispatch operations would be approximately $1,000,000 per year.

i. ii. Chief Achilles & Chief Newell recommendation for maintaining current model

Chief Newell and Chief Achilles shared their findings on enhancing the current dispatch operation system. The Chiefs stated that whether or not the Town chooses to regionalize, the immediate need is to add four full-time dispatchers to provide coverage 24/7. They suggested an interim solution would be to begin collaborating with a close neighbor (Westborough). Mr. Stivers stated he is interested in exploring the relationship with our mutual aid partner, Westborough and the potential to create a RECC with our other mutual aid partners. Ms. Landry asked questions related to call volume and asked if it is difficult to fill the role of dispatcher. Chief Newell responded that it is challenging to staff dispatchers. Ms. Cook stated it is important to understand if the Westborough RECC would be relocated. She asked Chief Newell and Chief Achilles to share the path they believe would be best for the Town. Both Chief Newell and Chief Achilles stated that it is important to bolster the local dispatch operation but continue to explore regionalization, particularly with our mutual aid partners, as the RECC landscape is very fluid at this time. The Board discussed the best approach to take at this time. Ms. Bonnie Phaneuf requested that the Board share at Annual Town Meeting the financial data of adding four full-time positions. She also stated that because there is a great deal of flux in the area with police and fire chiefs retiring, it is best to pause any action on regionalization. She stated she believes the day-to-day operations for dispatchers should remain in

Southborough. She stated she would have a warrant article to support public safety at Annual Town Meeting and will withdraw it should the Board have their own warrant article in support of public safety. The Board agreed that something must be done at this time and an interim approach is called for. They stated that they would fully discuss adding positions to the FY2025 budget at the Budget Summit on January 6th. They also are supportive of the recommendation from Chief Newell and Chief Achilles to pursue regionalization, particularly the Westborough RECC.

c. Renewal of 2024 Class II license for RZND Motors, Inc., 264 Cordaville Road

Mr. Purple updated the Board as to the history with the license. Attorney John McAuliffe appeared before the Board on behalf of the Applicant. Atty. McAuliffe asked that the Board exercise discretion to issue an interim permit until the matter is resolved with the Zoning Board of Appeals and Planning Board. Town Counsel Talerman recommended that the Board allow the zoning process to proceed to a conclusion before issuing the license but acknowledged that the Board can issue the license if it chooses. Mr. Dennington asked if the Planning Board could determine whether another number of cars is appropriate on the site. Town Counsel Talerman stated that the Planning Board would review the matter appropriate to their jurisdiction regarding the screening, traffic, etc. Atty. McAuliffe stated that it is important to consider the past history where the license has been granted, even though there was an error dating back to 1982. Atty. McAuliffe stated that the Planning Board at its January 8, 2024 meeting would hear the matter. The Board asked clarifying questions of Town Counsel Talerman and discussed the best path forward. Lara Carrizo, owner of RZND Motors, Inc. appeared before the Board to answer questions. She stated that when they began operating the business, their understanding was that they had approval for eight vehicles. She also stated that their intention is to be a good neighbor and responsive to neighborhood concerns. Ms. Laura Vaughn, 198 Woodland Road, stated that the business has been a problem since it opened and expressed frustration that the owners did not file for Site Plan approval with the Planning Board until yesterday, despite the ruling, with conditions, by the ZBA in August. Board members noted past complaints and requested that the applicant be mindful of the impacts of their business on neighbors. Mr. Dennington moved to approve the issuance of a temporary Class II license for RZND Motors, Inc. for 90 days under the current conditions with no Sunday operations. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

The Board recessed at 9:09 PM and resumed meeting at 9:22 PM.

IV. Reports

a. Chair's Report

Mr. Dennington offered his thanks to Chief Achilles for his service and commitment to the Town. The other Board members and Mr. Purple thanked Chief Achilles for his service and wished him well in his new future.

i. Office Hours

Mr. Dennington reported that he and Ms. Landry recently held office hours. He reported that they spoke with Town Clerk Hegarty and EDC Coordinator Ms. Leah Emerson.

b. Member's Report

i. Golf Corse finances

Mr. Stivers reported that the Golf Course had its best year yet, with revenues of approximately $680,000 of which $91,000 was returned to the Town. He shared improvements over the year and stated the Golf Course Committee is working with the Recreation Dept. to expand winter use of the golf course. He stated that upcoming improvements include course irrigation.

Ms. Cook reported that, today, the Massachusetts School Building Authority (MSBA) met and selected Arrowstreet as the project designer for the Neary Building Committee.

c. Town Administrator's Report

i. Tricentennial Committee

Ms. Hale reported that the Committee is fully seated and gathering information on other community celebrations. She reported they are drafting a letter to send to Town departments/boards/committees and businesses to invite any suggestions or ideas for the celebration. She also reported the Committee is considering two warrant articles for Annual Town Meeting: 1) to receive funds raised by the Committee; and 2) to request seed money for future activities.

Mr. Purple reported that he was part of the designer selection process with the MSBA and stated the Town will be well served by Arrowstreet. Mr. Purple acknowledged Public Safety officials and the DWP for their work over the last 24 hours with the significant weather event. Mr. Stivers stated that he drove by the Library yesterday and noticed no pooling of water in the parking lot. Ms. Cook commented that this effect is likely due to the recent stormwater improvements in the area. Mr. Purple thanked Ms. Katie Barry, Ms. Melanie Otsuka and Ms. Hale for their efforts with today's Holiday Party for Town employees.

V. Consent Agenda

a. Approve Open Session meeting minutes: December 5, 2023

Mr. Stivers requested to hold Consent Agenda item "a." Mr. Stivers had a scrivener's change to the minutes. Mr. Dennington moved to approve Consent Agenda item "a", as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Open Warrant for March 23, 2024 Annual Town Meeting

c. Approve $25.00 donation from Barbara Distefano to the Ambulance Fund

d. Accept resignation of Fire Chief Steve Achilles, effective February 7, 2024

e. Award contract for Breakneck Hill Farm remediation

Mr. Hamilton requested to hold Consent Agenda item "e." Attorney Drew Hoyt, representing Cape Cod builders appeared before the Board and stated his client was the low bidder on the project and he was surprised to learn that Mr. Purple had recommended the project be awarded to another firm with a higher bid. He asked that the Board not act on this matter this evening, give his client some time to respond to the concerns of the Town and place this matter on the agenda for the Board's next meeting. Atty. Hoyt stated that, if the Board votes to award the contract to someone other than the low bidder, he has been directed to file a lawsuit and request an injunction. The Board expressed confidence in the Conservation Department's review of bids and subsequent recommendation. Mr. Dennington moved to award the contract for Breakneck Hill Farm remediation to Strategic Environmental Services in the amount presented in the packet. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

f. Approve tasks for LSP for Breakneck Hill remediation

Mr. Hamilton requested to hold Consent Agenda item "f." Mr. Purple explained that, because the project is entering the construction phase, additional tasks must be approved. Mr. Stivers clarified that LSP manages the contractor as part of the Department of Environmental Protection (DEP) requirements. Mr. Hamilton moved to approve Consent Agenda item "f." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

g. Approve extension of Community Center Exploration Committee charge through January 31, 2024

h. Approve Executive Session minutes: December 5, 2023

Mr. Dennington requested to hold Consent Agenda item "h." Mr. Dennington stated this matter would be addressed at a later date in Executive Session.

i. Appoint Sam Stivers to Cable Television Committee, term to expire June 30, 2024

j. Approve dates and hours for In-Person Early Voting for the March 5, 2024 Presidential Primary Election

Mr. Dennington moved to approve Consent Agenda items "b", "c", "d", "g", "i" and "j." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

a. Approve new Building Department fee schedule

The Board thanked Building Commissioner Burlingame for his efforts regarding the fee schedule. The Board agreed to table this matter and add it to its January 2, 2024 meeting agenda for discussion.

b. Discussion of recruitment process for Fire Chief position

The Board discussed this matter after Scheduled Appointments b. ii. The Board discussed whether to form a search committee or to engage the services of a recruiter. Fire Chief Achilles offered his assistance in any way the Board sees fit. He recommended the Board move forward with hiring an Interim Chief as quickly as possible. Mr. Hamilton moved to authorize Town Administrator Purple to engage Community Paradigm Associates for up to $20,000 for the position of both Interim and Permanent Fire Chiefs. Mr. Stivers seconded the motion. The motion of was unanimously approved (5-0-0). The Board agreed to withhold action on forming a committee to review applicants until the services of Community Paradigm have been engaged. Ms. Phaneuf stated she had been involved in the last hiring process for the Fire Chief and recommended that the Board not form a committee to review applicants. Ms. Patricia Burns-Fiore, 10 Winter Street, stated that Mr. Hamilton's motion cited the incorrect name of the consultant. Ms. Cook revised the motion to include the correct name of the consulting firm. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. Discussion of Planning Board request for Special Counsel

Ms. Meme Luttrell, Planning Board Chair, and Mr. Jesse Stein, Planning Board member, appeared before the Board on the matter. Mr. Stein stated that the Board's early support for the 120 Turnpike Road 40-B project presents a conflict of interest for Town Counsel because the Planning Board believes a determination should be made as to whether the project is on a legally existing lot. Ms. Luttrell stated that, should a subdivision be created, there would be issues with the non-40B lot, due to its non-compliance. Mr. Dennington stated that the Board's support of the project was, in part, due to the Board's commitment to the creation of affordable housing. Mr. Hamilton stated that the Board's support of the project was not an attempt to circumvent Town Code. Ms. Landry expressed frustration at the situation and urged that there be greater collaboration between all Town boards/committees and Town Counsel. The Board discussed the role of Town Counsel and the Planning Board's request. Mr. Dennington moved to deny the Planning Board's request for Special Counsel. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

Mr. Dennington returned to the Agenda, IV Reports.

d. Discussion of South Union School Committee charge; next steps

Mr. Dennington recommended that the Committee conduct its work while other opportunities are also being explored. The Board discussed Mr. Dennington's recommendation and the charge. The Board edited the charge to issue an interim report by March 15, 2024 and a summary with recommendations by June 30, 2024. Ms. Phaea Crede, 32 Highland Street and appearing via ZOOM, thanked the Board for this decision and stated she is excited to begin work. Mr. Dennington moved to amend the South Union School Committee charge to include an interim report by March 15, 2024 and a final report no later than June 30, 2024. Mr. Stivers seconded the motion. The motion was approved (4-0-1). Ms. Cook abstained.

e. Discussion of potential Select Board warrant articles for Annual Town Meeting

Mr. Purple stated he would have a draft warrant available for the Board to review at its January 2nd meeting.

i. Public Works Planning Board article

Mr. Stivers reported that the draft articles for Town Meeting are in this evening's packet for review. Ms. Cook asked when the Tree Warden position language would be finalized. Mr. Stivers stated that he expects that matter to be resolved within the next few weeks. Mr. Tim Litt (148 Woodland Road) stated that resolving the Tree Warden position language does not directly impact either of the articles, although there are FY25 budget implications that need to be addressed.

ii. Community Preservation Committee; potential super-majority requirement for expenditures involving improvement to private property

The Board agreed to table this matter.

f. Review of departmental accomplishments for 2023

Mr. Dennington read the list of accomplishments for Administration and DPW. Ms. Cook read the list of the accomplishments for the Finance Team, including the Accounting Dept. and Police Department. Mr. Hamilton read the list of accomplishments for the Building Department and Health Department. Ms. Landry read the list of accomplishments for the Council on Aging, Youth and Family Services and the Library. Mr. Stivers read the list of accomplishments for the Planning Department, Recreation Department and Conservation Department.

Ms. Cook thanked Ms. Hale, Ms. Otsuka, Ms. Barry and Mr. Purple for their support of the Board.

VII. Public Comment

There was no public comment.

VIII. Adjournment

Mr. Dennington moved to adjourn the meeting at 10:56 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

Subject: FW: CIPC Appointment to PILOT Committee

From: Jason W. Malinowski <jmalinowski@southboroughma.com>
Sent: Tuesday, December 12, 2023 2:16 PM
To: Mark Purple <mpurple@southboroughma.com>
Cc: Melanie Otsuka <motsuka@southboroughma.com>; Kathy Cook <kcook@southboroughma.com>; Patricia Fiore <pfiore@southboroughma.com>; Tony Schoener <tschoener@southboroughma.com>
Subject: CIPC Appointment to PILOT Committee

Mark,

CIPC voted unanimously at last night's meeting to recommend appointment of Tony Schoener as CIPC's representative to the PILOT Committee.

Please let me know if you need anything else.

Jason Malinowski
Chair, CIPC

TOWN OF SOUTHBOROUGH

BUILDING DEPARTMENT
9 CORDAVILLE ROAD · SOUTHBOROUGH, MASSACHUSETTS 01772-1662
(508) 485-0710

To: Select Board
From: Casey Burlingame, Building Commissioner
Date: December 12, 2023
Subject: Building Department schedule of fees

To ensure that Southborough is in alignment with fees being charged in its surrounding communities, the Building Department undertook a review of its current fee schedule for building, electrical, plumbing and gas permits. The current fees for the Building Department were compared to other Massachusetts towns with similar Population, Per Capita Income, Median Household Income, and Residential Taxes:

	Leicester	Maynard	Medfield	Millis	Norfolk	Sutton	Southborough	Weston
Population	11,077	10,702	12,775	8,481	11,631	9,334	10,380	11,806
Per Capita Income	$37,653	$55,372	$88,348	$55,889	$52,240	$56,695	$82,164	$107,793
Median Household Income	$83,016	$112,432	$196,820	$131,138	$168,281	$124,354	$170,223	$220,815
Residential Taxes	12.86%	18.97%	15.43%	17.49%	16.41%	13.85%	14.76%	11.84%
Building Inspectional Fees (base)	$289.00 + $0.15	$80.00	$75.00 + $15.00	$90.00	$100.00	$100.00	$70.00 + 4%	$50.00
Gas Inspectional Fees	$53.00	$75.00	$80.00 + $10.00	$100 + 10 per fixture	$100.00 + $10.00	$75.00 + $10.00	$60.00 + 4%	$50.00 + $10.00
Plumbing Inspectional Fees	$53.00	$75.00	$80.00 + $10.00	$100 + 10 per fixture	$100.00 + $10.00	$75.00 + $10.00	$60.00 + 4%	$50.00 + $10.00
Wiring Inspectional Fees	$53.00	$50.00	$100.00		$50.00	$75.00	$60.00 + 4%	
Doing work without a permit	$250.00	x2	x3	x2	x3	x2		x2
Emergency Calls				$50.00		$200.00		$150.00
Reinspection Fee	(B)$50.00	(B)$35.00 (G)$50.00 (P)$50.00 (W)$50.00	(ALL)$75.00	(ALL)$50.00	(W) $75.00	(ALL)$50.00		(B)$50.00 (W)$50.00

The comparison posed questions on where fees should be decreased, increased, or added; also adding notations on the fee schedule so there is no confusion with permit holders.

On the attached draft schedule of fees, please note the following:

1. The base fee for Building Inspections (both residential and commercial), was decreased from $70.00 to $60.00 to align with all the minimum fees throughout the fee schedule.
2. Notification of *"Doing work without a permit is subject to a x3 permit fee plus license complaint filed with the State Licensure Board."* This fee is common practice in municipalities. It also deters contractors from doing work without the proper permits.
3. Notification of *"No fee will fall below the minimum"* as outlined in each permit-type.
4. Notification of *"Expired permits will be subject to a reopening fee of $50.00."*

Reopening fees are a way for projects with lapsed permits to be restarted and completed. It is also more cost-efficient for the permit holder, rather than having to apply and pay for a new permit.

Permit terms

Plumbing, Gas, and electrical permits are valid for one year, and Building permits are valid for six months; unless an extension is requested and granted by the Building Department. Since January 1, 2022, there are a total of 595 permits that remain open. Building staff will immediately commence reaching out to each individual permit holder to determine the status of the permit and whether a reopening fee is applicable. Most permit holders are contractors and not individual homeowners.

Attached is the current fee schedule for the Department, as well as the newly proposed fee schedule. I am recommending the Select Board approve the revised fee schedule, effective January 1, 2024.

I remain available to answer any questions from the Select Board.

Proposed Permit Fees – Building Department

Proposed Permit Fees – Building Department

- *Doing work without a permit is subject to a x3 permit fee plus a license complaint filed with the State Licensure Board*
- *All rates listed below are subject to a 4% technology fee*
- *No fee will fall below the minimum*
- *No credits or refunds*
- *Expired permits will be subject to a reopening fee of $50.00*

Building Permits

PROPERTY TYPE	TYPE OF WORK	RATE
Residential	New construction, additions, alterations	$12/$1000 total cost of construction
Residential	Minimum Fee	$60.00
Commercial	New construction, additions, alterations	$12/$1000 total cost of construction
Commercial	Minimum fee	$100.00
Commercial	Annual Certificates of Inspection	$60.00
Commercial/Residential	Reinspection fee	$60.00 per inspection
Commercial/Residential	Emergency Inspection	$150.00

Plumbing and Gas

PROPERTY TYPE	TYPE OF WORK	RATE
Residential	New construction, additions, alterations	$80.00 plus $15.00 per fixture
Residential	Single fixture	$60.00
Residential	Minimum Fee	$60.00
Commercial	New construction, additions, alterations	$150.00 plus $10.00 per fixture
Commercial	Single fixture	$150.00
Commercial	Minimum Fee	$150.00
Commercial/Residential	Reinspection fee	$60.00 per inspection
Commercial/Residential	Emergency Inspection	$150.00

Electrical

PROPERTY TYPE	TYPE OF WORK	RATE
Residential	New construction, additions, alterations	$20.00 per $1000.00 of total cost of electrical construction
Residential	Minimum Fee	$60.00
Residential	Each additional inspection	$60.00
Residential	Solar	$150.00
Commercial	New construction, additions, alterations	$20.00 per $1000 of total cost of electrical construction
Commercial	Inspections (3 minimum)	$150.00
Commercial	Each additional Inspection	$60.00
Commercial	Minimum Fee	$150.00
Commercial	Solar	$20.00 per $1000 of total cost of electrical construction
Commercial/Residential	Reinspection fee	$60.00 per inspection
Commercial/Residential	Emergency Inspection	$150.00

BUILDING PERMIT FEES

These fees include all Building permits, Swimming Pool permits, Shed permits, Sheet Metal permits, Mechanical permits, Demolition permits, Mass Save Insulation permits, Roofing, Windows, Siding, and Door permits:

PROPERTY TYPE	TYPE OF WORK	RATE
Residential	New construction, additions, alterations	$12/$1,000 total cost of construction plus 4% technology fee
Residential	Minimum Fee	$70 plus 4% technology fee
Commercial	New construction, additions, alterations	$12/$1,000 total cost of construction plus 4% technology fee
Commercial	Minimum	$100 plus 4% technology fee

PLUMBING AND GAS PERMIT FEES

Please note that separate gas and plumbing permits are required for gas fueled fixtures like water heaters, boilers, etc. If only one permit application is submitted without the other, the permit submitted will not be approved until its' accompanying permit is pulled.

PROPERTY TYPE	TYPE OF WORK	RATE
Residential	New construction, additions, alterations	$80 plus $15 per fixture plus 4% technology fee
Residential	Single Fixture	$60 plus 4% technology fee
Commercial	New construction, additions, alterations	$150 plus $10 per fixture plus 4% technology fee
Commercial	Single Fixture	$150 plus 4% technology fee

ELECTRICAL PERMIT FEES

PROPERTY TYPE	TYPE OF WORK	RATE
Residential	New construction, additions, alterations	$20/$1,000 of total cost of electrical labor and materials plus 4% technology fee
Residential	Single Fixture	$60 plus 4% technology fee
Residential	Solar	$150 plus 4% technology fee
Commercial	New construction, additions, alterations	$20/$1,000 of total cost of electrical labor and materials plus 4% technology fee
Commercial	Single Fixture	$150 plus 4% technology fee
Commercial	Solar	$20/$1,000 of total cost of electrical labor and materials plus 4% technology fee

Subject: Committee Reduction

Hi Andrew,

I wanted to let you know that the EDC voted to reduce the committee size from 7 to 5 last night in order to maintain a more flexible 3-person quorum. I also understand you may have a potential EDC candidate before you on an upcoming agenda.

I'm cc'ing Sam who was able to join us via Zoom, as well as Town Administration. Can I count on you all at the Select Board level to carry this through?

Let me know if you have any concerns or questions.

Thanks,

Leah Emerson

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a non-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

DRAFT

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Select Board. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

DRAFT

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

Introduction to the Rules of Town Meeting (continued)

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless its substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

DRAFT

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none

19. Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

DRAFT

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

DRAFT

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

ANNUAL TOWN MEETING

Worcester, ss. February 20, 2023

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the Trottier School Auditorium, 49 Parkerville Road, in Southborough, MA, on

Saturday, March 23, 2023

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to accept any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in Estimated Receipts Account, and determine what disposition shall be made of the same, if accepted, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *To allow the Select Board to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Select Board, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2024 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 3: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Select Board or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, but no longer than seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Select Board or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Board Recommendation:
Summary: *This article allows the Select Board and/or the School Committee to enter into contracts in excess of three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.*

DRAFT

ARTICLE 4: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

, or do or act anything in relation thereto.

Proposed by: PERSONNEL BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The Personnel By-Law governs policies and pay structures for non-union employees.*

ARTICLE XX: To see if the Town will vote to raise a sum of money as may be necessary for the Town's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

SEE BUDGETS ON THE FOLLOWING PAGES

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The article includes recommendations from both the Select Board and the Advisory Committee for the FY25 budget. Funding recommendations are noted in the individual recommendation columns for each department.*

ARTICLE XX: To see if the Town will vote to raise a sum of money as may be necessary for the Water Enterprise Fund's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

ENTER BUDGET EXCEL

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates and the fund's retained earnings, which supports all aspects of the department's operation. The funding for those capital items that are being leased/purchased for use by the Water Department, in whole or in part, are included in this budget.*

ARTICLE XX: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	Request	Levy	Receipts Reserved Ambulance/Other
A.		$	$	
B.		$	$	
C.		$	$	
D.		$	$	
E.		$		$
F.		$		$
G.		$		$

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (Unanimous)
Advisory Committee Recommendation: Support (Unanimous)

Summary:
A.

ARTICLE XX: Capital requiring borrowing

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE XX: To see if the Town will vote to appropriate a sum of money for the payments of the capital lease agreements as described below:

	Equipment	Authorized Department	Source of Appropriation	FY25 Amount
A.	1 - Horton Type Ambulance	Fire Department	FY25 Capital Budget - Ambulance Fund	$
B.	1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY25 Capital Budget - General Fund	$
C.	1 - Pick Up Diesel F-350	Dept. of Public Works	FY25 Capital Budget - General Fund	$
D.	1 - Fire Dept Chief Vehicle	Fire Department	FY25 Capital Budget - Ambulance Fund	$
E.	Police Taser Program	Police Department	FY25 Capital Budget - General Fund	$19,455

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The lease agreements for these vehicles were authorized by Town Meeting in 2021, and these are the third year of the lease payments. With the exception of the Fire Ambulance (5-year lease), all of the leases are for 7 years.*

ARTICLE XX: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the purpose of hiring consultants, engineers, water quality specialists, and/or environmental consultants by various Town departments, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article allows town departments, with the approval of the Select Board, to hire outside expertise when the need arises.*

DRAFT

ARTICLE XX: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article.*

ARTICLE XX: To see if the Town will vote to raise and appropriate the sum of $10,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE XX: To see if the Town will vote to raise and appropriate or transfer from any available funds the sum of $XX,XXX for the purpose of paying to retirees the amount due for accrued vacation and sick time, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article will fund any vacation and sick pay due to employees upon their retirement.*

ARTICLE XX: To see if the Town will vote to raise and appropriate, or transfer from available funds the sum of $100,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Capital Improvement and Planning Committee as requested, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE XX: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for Fiscal Year 2025:

1. Immunization/Emergency Dispensing Clinic; $15,000.
2. Inspectional Services; $140,000.
3. 9-11 Field Maintenance; $100,000.
4. Wetland Protection; $30,000.
5. Hazardous Materials; $75,000.

DRAFT

6. CPR Classes; $6,500.
7. Community Garden; $3,000.
8. Recreation Programs; $500,000.
9. Tobacco Control Program; $4,000.
10. Golf Course Maintenance; $75,000.

, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH, SELECT BOARD, RECREATION COMMISSION, AND CONSERVATION COMMISSION
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article approves the annual spending limits for revolving funds that are now authorized by Town by-law.*

ARTICLE 22: To see if the Town will vote to accept the report of the Community Preservation Committee for the FY 2025 Community Preservation Projected Receipts and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as follows:

Estimated Surcharge Receipts (based on Town Treasurer's projections) $429,329
State Match (projected FY2024 State Match) ..... $ 82,561
FY23 State Match Adjustment..... $ 16,922
Total Projected Revenue..... $528,812

Set Aside- Open Space
$XX,XXX to be set aside, held in the Community Preservation Fund, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Set Aside – Historic Preservation
$XX,XXX to be set aside, held in the Community Preservation Fund, and spent in FY2025 or later years for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Set Aside – Community Housing
$XX,XXX to be set aside, held in the Community Preservation Fund, and spent in FY2025 or later years for the creation, preservation, and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act.

Administrative Costs – Community Preservation Committee
$XX,XXX to defray the administrative and operating expenses of the Community Preservation Committee in FY2025 for the Community Preservation Fund

Set Aside - Budgeted Reserve/Discretionary
$XXX,XXX Reserved for FY2025 CPF (Budgeted Reserve/Discretionary)

, or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The budget and set-asides are an annual requirement under the Community Preservation Act.*

ARTICLE XX: To see if the Town will vote to appropriate $77,937.50 to be applied towards the bond for the Perpetual Preservation Restriction on 84 Main Street also known as the Burnett House for the purpose of Historic Preservation. $52,881.00 from the CPA Historic Preservation Reserve Fund FY2024 and $25,056.50 from the CPA FY2023 Fund Balance. Said funds to be expended under the direction of the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article is the Community Preservation Fund payment towards the FY2025 debt funding for the Preservation Restriction of 84 Main Street as approved at ATM 2016.*

ARTICLE XX: To see if the Town will vote to appropriate a total of $66,075.00 to be applied towards the bond for the renovation and restoration of the Historic Southborough Library building for the purpose of Historic Preservation. $66,075.00 from the CPA FY2023 Fund Balance. Said funds to be expended under the direction of the Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation:

Advisory Committee Recommendation:
Summary:

ARTICLE XX: To see if the Town will vote to accept the provisions of M.G.L. c. 59 §5, Clause Twenty-two H (inserted by Chapter 218 of the Acts of 2018, known as An Act Relative to Veterans' Benefits, Rights, Appreciation, Validation, and Enforcement ("BRAVE Act")), signed into law August 28, 2018, which provides for a property tax exemption for real estate as follows: to the full amount of the taxable valuation of the real property of the surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who: (i) during active duty service, suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death; (ii) are missing in action with a presumptive finding of death as a result of active duty service as members of the Armed Forces of the United States; provided, however, that the real estate shall be occupied by the surviving parents or guardians as the surviving parents' or guardians' domicile; and provided further that the surviving parents or guardians shall have been domiciled in the Commonwealth for the 5 consecutive years immediately before the date of filing for an exemption pursuant to this clause or the soldier or sailor, member of the National Guard or veteran was domiciled in the Commonwealth for not less than 6 months before entering service. Surviving parents or guardians eligible for an exemption pursuant to this clause shall be eligible regardless of when the soldier or sailor, member of the National Guard or veteran died or became missing in action with a presumptive finding of death; provided, however, that the exemption shall only apply to tax years beginning on or after January 1, 2019. Such exemption shall be available until such time as the surviving parents or guardians are deceased. No real estate shall be so exempt which has been conveyed to the surviving parents or guardians to evade taxation. To be effective for exemptions granted for any fiscal year beginning on or after, July 1, 2024; or do or act anything in relation thereto.

Proposed by: BOARD of ASSESSORS
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: ***The local adoption of clause 22H will expand the real estate exemption benefits for Gold Star parents or guardians.***

DRAFT

ARTICLE XX: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale of the 21 Highland St. property until January 1, 2028. It is agreed that the sale or transference of the property could be detrimental to the town until the following factors are resolved: There is currently a new school project being contemplated with an unspecified school price tag that could range as high as 60-100 Million dollars at his moment. The process of planning and building a new school could take another 3 or more years to complete. There is currently 300 408 housing units likely to be built in the next 3-5 years, and the MBTA community Act currently threatens the town with another potential 750 units of multifamily zoning by right, so in the next 3+ years to come the town could lose control of housing development in many areas of the town (there are 3800 housing units in the town currently, the total new burden could add a possible 26% population increase). Although it is unrealistic to expect the full number of units, the current school estimates do not take all of these factors into account, nor can we accurately project numbers with confidence having no control over the zoning, unit type, or building process. There is no current organizational model or plan to mitigate the possible cost or space need effects upon town departments, and no current plan for town space needs if this rapid population growth occurs. The current space need plans are dependent upon the premise of building a new school, a historically neutral residential development plan, and turning over one of the current schools to general town use for multiple departments currently inhabiting other buildings, including Recreation, Family and Youth services (both in the 21 Highland property), Building Permit departments, senior center, and Facilities (all in the Cordaville hall building), who have all have been recommended in the space needs plan to vacate their current locations (and to move to Finn currently). If there is a problem with the plan (example: No new school, or other factors as high population growth), selling the 21 Highland St. property could leave the town with little recourse except to sign commercial leases for homeless departments, potentially making the town long term dependent upon the private real estate market fluctuations, and/or possibly build space, adding to town costs. A new school is currently not approved, but selling these properties could be used as financial incentive and space need leverage to coerce support for one, knowing the sale could instigate leases and costs created by a premature property sale and vacating actions by those departments. There is minimal financial risk to delaying a sale of the property for several years. There is a greater financial risk to selling the property prematurely if the building could better serve the short, middle, or long term interests of the town given the current factors facing the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

ARTICLE XX: To see if the Town will vote that the Town hereby resolves to own and rehab the current 21 Highland St. property for town, community, and/or rental use, using CPC and other bond allocations to fund the project when needed. The surrounding property will remain open for community use regardless of building use. It is required that the Select Board carry out the will of this resolution, and have a plan in place by the next town Meeting with the understanding that the citizenry will not entertain a proposal to dispose of the property till the year 2033. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

ARTICLE XX: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale the 21Highland St. property until January 1, 2030. It is agreed that the citizenry prefers to tastefully retire use of the building at 21 Highland St., and keep the building at 21 Highland St. property owned by the town if or when departments housed wherein should move to other locations and there is no reason to keep the building in use. At such

time, the 21 Highland St. building interior will be "Mothballed", the exterior of the windows protected with tasteful covers, the roof and exterior sealed, so the building will keep in a relatively preserved state til it should be desired for future use again, remodeling or demolition by the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

TO: Select Board
FROM: Mark J. Purple, Town Administrator
DATE: December 28, 2023
SUBJECT: Request to use funds from Engineering Services article

At the December 27, 2023 meeting, the Affordable Housing Trust Fund Committee (AHTFC) discussed the possibility of purchasing from the Town the former water tank site on Atwood Street. In conversations with the DPW Superintendent and the Town's water engineer, the old tower, since demolished and removed, likely contained lead paint. There remains some uncertainty as to whether or not the property was contaminated by this prior use.

Through our DPW Superintendent, the Town has received a proposal from our current water engineer, Pare Corporation, to do 4-8 hours of field work, including collecting samples from the site around the base of the old water tank for laboratory testing. The cost of the field work and testing of samples is estimated not to exceed $3,000. Should the results prove negative, then the AHTFC could move forward with their efforts to acquire the property. Positive test results may require further remediation efforts that will likely put any plans of siting affordable housing on the property on hold.

The Town has appropriated funds for engineering services at the discretion of the Select Board. The article currently has a balance of $25,814. I would request that the Board approve an amount not to exceed $3,000 for the purposes of this work at the Atwood Street parcel.

Please let me know if you have any questions. Thank you.

MEMORANDUM

To: Mark J. Purple, Southborough Town Administrator
Tim McInerney, Northborough Town Administrator

Cc: Kathleen Potlutchko, Regional School Committee Chairperson

From: Gregory L. Martineau, Superintendent of Schools

Date: December 23, 2023

RE: Algonquin Regional High School (ARHS) Athletic Complex Project Intermunicipal Agreement (IMA)

As part of the ARHS Athletic Complex Project funding plan, in the fall and early winter of 2023, the District presented proposals to the Town of Southborough's and Town of Northborough's Community Preservation Committees to fund the construction of the tennis courts, pickleball courts, and basketball court. The Northborough Community Preservation Committee declined the proposal and the Southborough Community Preservation Committee accepted the proposal to fund Southboorugh's portion of the construction of the tennis courts, pickleball courts, and basketball court.

As a result of Southboorugh's decision, the District worked with its bond counsel to best determine how to assess Northborough's portion, due to the fact that *Section IV of the*

Northborough-Southborough Regional School Integrated Agreement does not address the scenario.

Bond Counsel developed an IMA that finances the construction of the tennis courts, pickleball courts, and basketball court with a $220,016.53 lump-sum payment from the Town of Southborough and borrowing by the District. The portion financed by the District is $360,729.89 and will be assessed entirely to the Town of Northborough.

I've attached the IMA for your review, which requires approval by the Select Boards in each community. Please reach out if you have any questions.

TOWNS OF NORTHBOROUGH AND SOUTHBOROUGH AND THE NORTHBOROUGH-SOUTHBOROUGH REGIONAL SCHOOL DISTRICT

INTERMUNICIPAL AGREEMENT

This Intermunicipal Agreement (the "Agreement") is entered into under and pursuant to Section 4A of Chapter 40 of the Massachusetts General Laws, by and among the Towns of Northborough and Southborough, Massachusetts (each a "Member Town"), acting through their respective Select Boards, and the Northborough-Southborough Regional School District (the "District"), acting by and through its Regional District School Committee (the "School Committee"). In consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Member Town and the District hereby agree as follows:

1. RECITALS.

a. That each Member Town is generally authorized by the Massachusetts General Laws to finance, acquire land for, construct, remodel, make extraordinary repairs to, and originally equip and furnish recreational facilities.

b. The District was duly established in 1954 pursuant to Chapter 71, Sections 16 to 16I, inclusive of the General Laws by the Member Towns.

c. Pursuant to Chapter 71, Sections 16(c) and (d), of the General Laws, the District is authorized to construct, reconstruct, add to, remodel, make extraordinary repairs to, equip, organize and operate school facilities, including school athletic facilities, for the benefit of its Member Towns, and to incur indebtedness for these purposes.

d. The District has authorized the borrowing of $7,960,393 to pay the costs of renovating and making extraordinary repairs and other improvements to the District's athletic facilities, including, but not limited to: replacing the current football field and junior varsity practice field with turf fields, replacing the existing track, replacing the existing tennis courts, replacing the existing bleachers and press box to ensure compliance with the Americans with Disabilities Act, construction of a new outdoor amphitheater, renovations to the amenities building, and for the payment of all other costs incidental and related thereto (the "Project").

e. In order to reduce interest costs allocable to it, the Town of Southborough desires to pay its share of the costs of replacing the existing tennis courts in cash, thereby reducing its allocable share of debt issued by the District for the Project by a like amount.

f. At its 2023 Annual Town Meeting, the Town of Southborough appropriated $220,016.53 from available Community Preservation Act funds to pay its allocable share of replacing the existing tennis courts.

g. That in accordance with Chapter 71, Section 16(d) of the General Laws, the assessment of principal and interest on bonds or notes issued by the District to finance capital

costs, including costs of the Project, is governed by the District Agreement, which does not presently provide for alternative means for the Member Towns to pay their allocable shares of such costs.

h. Chapter 40, Section 4A of the General Laws permits a governmental entity, including regional school districts and their member towns, to contract to perform jointly, or for such other governmental entity or entities, any services, activities, or undertakings which any of the contracting governmental entities are otherwise authorized by law to perform.

2. PROJECT COST AND ALLOCATION. The parties hereto acknowledge and agree that the total amount authorized to be borrowed by the District to pay the costs of replacing the existing tennis courts shall be reduced to the extent of funds appropriated by and contributed to the District by the Town of Southborough to pay its allocable share of the costs of replacing the existing tennis courts, and that all amounts borrowed by the District to pay costs of replacing the existing tennis courts, including all interest costs associated therewith, shall be allocable to the Town of Northborough, notwithstanding any provision of the District Agreement to the contrary. The allocation of all other costs associated with the Project shall be allocated between the Member Towns in accordance with the District Agreement.

3. RECORD KEEPING. As required by Chapter 40, Section 4A of the General Laws, the Member Towns and the District shall maintain accurate and comprehensive records of services performed, costs incurred, and reimbursements and contributions received on account of the Town of Southborough's contribution to the Project; shall provide for the performance of regular audits of such records; and shall provide periodic financial statements with respect to Expanded Project expenditures.

4. TERM. The term of this Agreement shall be as long as debt for the Project is outstanding, but in no event shall such term exceed 25 years from the effective date of this agreement in accordance with Chapter 40, Section 4A of the General Laws.

5. AMENDMENTS. Any provision of this Agreement may be amended by an amendment approved by votes duly adopted by each of the Member Towns acting through their respective Select Boards, and by vote duly adopted by the Regional District School Committee. No modification or waiver of any provision of this Agreement shall be valid unless duly authorized as an amendment hereof and duly executed by each Member Town and the District.

6. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of The Commonwealth of Massachusetts.

7. COUNTERPARTS. This Agreement may be signed in any number of counterparts, all of which taken together, shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing one or more counterparts.

8. EFFECTIVENESS. The effective date of this Agreement shall be the date set forth below.

IN WITNESS WHEREOF, the Member Towns by votes of their respective Select Boards, and the District by vote of its Regional District School Committee, have executed this Agreement under their respective seals as of the ___ day of _____, 2023.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Saturday, January 6, 2023 9:00 AM – Joint Meeting with Advisory Committee
Location: Public Safety Meeting Room, 32 Cordaville Road, Southborough, MA
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers For Select Board; Andrew Pfaff, Howard Rose, Tim Martel, Adam Nodiff, Larry Samberg, and Marci Jones-Salow for Advisory, and Town Administrator Mark Purple

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

Chair Dennington called the meeting to order for the Select Board at 9:01 AM. Chair Pfaff called the Advisory Committee meeting to order at 9:01 AM.

Review of FY2025 Departmental budgets

Capital Budget – Capital Committee Chair Jason Malinowski

Mr. Malinowski walked the boards through his presentation as attached in the packet which included the process the Capital Committee took to come to their recommendations, DPW projects, cosmetic work on the South Union building, Fire and Police capital projects, and the rest of the Committee recommendations. The boards discussed major projects for the fiscal years 2026 – 2029. Mr. Dennington reviewed the process the Select Board has taken regarding the potential disposition of the South Union School. The citizen petitions on the 2024 Warrant regarding this property were summarized as requests to delay decisions for various years.

Department of Public Works – DPW Superintendent Bill Cundiff

Mr. Cundiff went through his budget with Select Board liaisons Ms. Cook and Mr. Hamilton and Advisory liaisons Mr. Pfaff and Ms. Jones-Salow. The group discussed a proposed town engineer position with a budget for an $80K salary, the tree warden position, the previously discussed FY25 DPW capital projects, TIP projects, and the status of the Cordaville and Framingham Road projects.

Information Technology – IT Manager Jason Montijo

Mr. Montijo reviewed his budget with Ms. Cook and Mr. Stivers as Select Board liaisons, Mr. Samberg as the Advisory liaison, and Mr. Matt Probst from the Municipal Technology Committee. Mr. Probst stated that the MTC supports the full IT budget which includes moving the phone system to the Cloud and multi-year contractual increases with vendors. Mr. Montijo stated he would investigate other options that may exist at a lower cost. The group also discussed the IT infrastructure and security measures implemented, the current status and plans for the Cloud, and the town's redundant ISP services. Ms. Cook gave accolades to the IT staff for all the improvements made to the town's technology infrastructure and security.

Both Boards recessed for lunch at 12:05 PM.

The joint meeting resumed at 12:34 PM.

Treasurer/Collector Brian Ballantine reviewed the first recap for the FY25 budget which included a significant decrease in excess levy capacity and an increase in the Assabet Regional Technical School budget due to an anticipated increase in Southborough enrollment. He added that the budgets included

from K-8 and regional schools are rough estimates and the regional capital budget has not yet been submitted. Mr. Ballantine concluded that a 1% increase in the tax rate will equal $500K.

Police Department – Chief Ryan Newell

Chief Newell reviewed his three budgets which included keeping the 9-1-1 Grant in the budget, adding a second Lieutenant, an additional officer, and four new communication officers.

[*Mr. Nodiff left at 12:44 PM; and continued to participate virtually.*]

Chief Newell explained the need for each of these positions which included assistance with public records requests which are usually very time-consuming and the need for dispatch coverage. Mr. Hamilton suggested separating the Police and Dispatch budgets and Chief Newell requested the time to review alternate paths for his requested new positions before committing to this change. The boards discussed the new hiring requests and the urgency of those requests, and Mr. Pfaff suggested conducting a staffing study to validate Chief Newell's requests.

Fire Department – Chief Steven Achilles

Chief Achilles reviewed his proposed budget and outlined that the staffing budget is at a 3.8% increase mostly due to contracts. The boards discussed the recommendation for a Deputy Chief and Chief Achilles outlined the benefits of the role within the Department. Chief Achilles provided a draft information piece on a replacement tower truck and outlined the current condition of the vehicle and the recommended path forward for a new vehicle. The group discussed these options which included a new truck with the capability to carry and pump water. There was a discussion about the gaps in radio coverage and the lack of a contract with EMC for the tower where the repeaters are located. Chief Achilles suggested the town wait to understand the requirements of regional dispatch before spending funds on upgrades. The Advisory Committee thanked the Chief for his service to the community as Fire Chief and as a resident.

Mr. Dennington moved to adjourn the meeting at 2:37 PM. Ms. Landry seconded the motion. The motion was unanimously approved (5-0-0).

Mr. Pfaff made a motion to adjourn the meeting at 2:37 PM. Mr. Rose seconded the motion. The motion was unanimously approved (5-0-0).

Documents used in the meeting:

- Presentation of recommended FY25 capital from CIPC;
- FY25 requested budgets from IT, Police, Fire, and DPW;
- Fire Chief handout on Capital Purchase Request – Aerial Replacement
- FY25 budget recap from Finance Director, dated January 5, 2024

Respectfully submitted

Mark Purple, Town Administrator

Reflects current approved projects only

Process

- All department heads were asked to update 10-year capital plan for projects, cost, timing.
  - For items proposed in next two fiscal years, capital request forms and bids were required
- All department heads joined a public meeting to explain their requests and answer questions from Committee
- Some articles were pulled by department heads or adjusted through the deliberation process
- Per Capital Policy, all capital items were vetted, regardless of funding source
- Regularly changing cost estimates provided by vendors were a true hassle and very time consuming for the Committee and Dept. Heads
  - Consideration should be given to total capital budget versus individual line items

FY25 Recommended Capital Summary of Funding Sources

Total General Fund	1,567,134
Total Free Cash	334,500
Total Ambulance Fund	100,000
Total Water Fund	18,550
Total Bonding/General Fund	1,300,000
Total Bonding/Ambulance Fund	551,000
	3,871,184

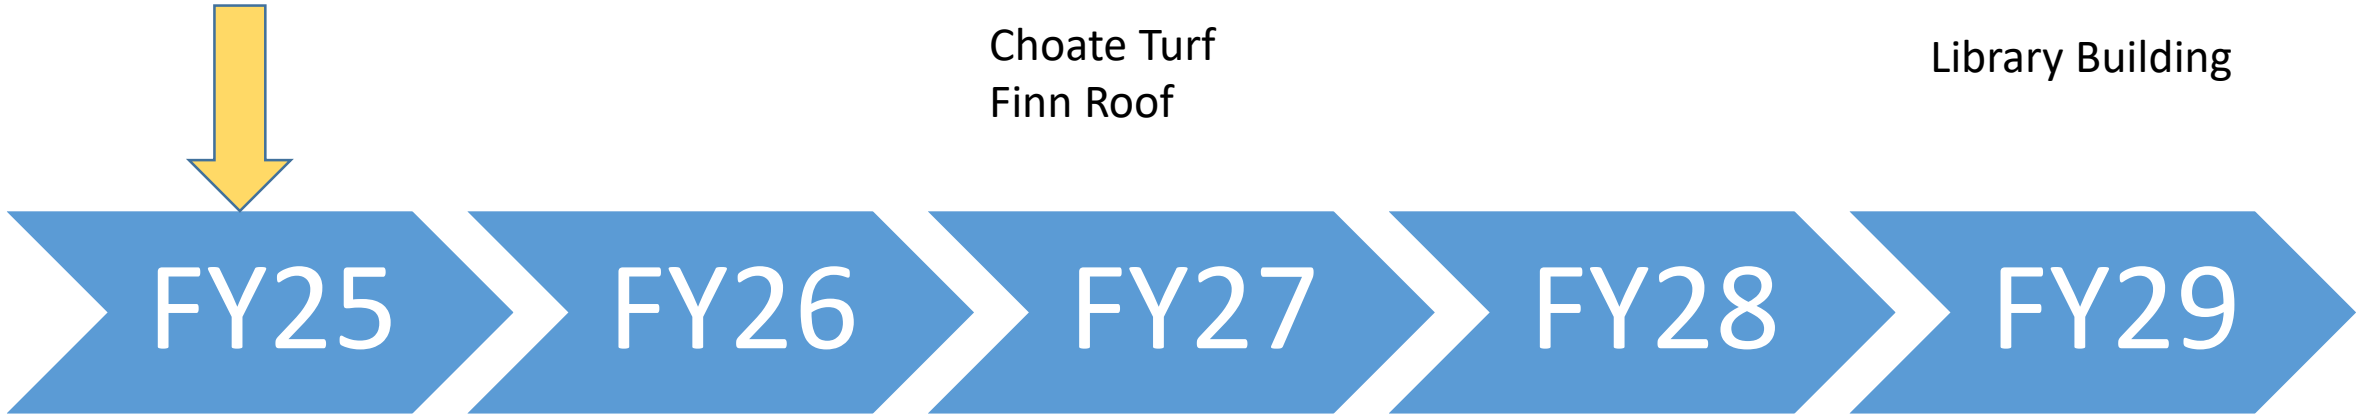
Various Main Improvements	250,000	Water Fund



Additional Items for Consideration Before Town Meeting

Cordaville Road Project – Is this ready? What are the next steps?

Road Budget – Is it enough given our road and culvert needs?

How do we deal with long lead time items moving forward?

What's on the horizon?

Neary Building
Community Center ?
Trottier Roof
Town House HVAC
Mooney/Finn Soccer
Continued Algonquin investment

Choate Turf
Finn Roof

Trottier Track

Library Building

Capital Project Oversight

- Working on formal quarterly update process to be connected with your regular updates
- Anticipate a regular annual process per the capital policy on turnbacks

Requests of Select Board

- Commit to a Fall Town Meeting where capital can be considered on a regular basis, even if there are no “hot topic” items
- Use free cash as a funding source to fight inflationary pressures and allow immediate purchases upon town meeting approval
- Require department heads with large capital purchases to be ready to make purchases upon Town Meeting approval
- South Union – confirm building will be in town's inventory in FY25
- Former Station 2 – determine current/future use
- Support reduction of CIPC membership from 7 to 5 – separate article
- Coordination with Capital as PILOT Committee discussions occur to allow for clean warrant article to be presented to Town Meeting

Thank You!

CAPITAL PURCHASE REQUEST – AERIAL REPLACEMENT

Project Description and Budget

The Southborough Fire Department is seeking favorable consideration for funding to replace Tower 21; a 2010 Aerial Platform Truck with a new Aerial Ladder Truck. The amount requested for this project is $1,300,000.00 and will cover the vehicle and all required equipment to meet the qualifications of a Type 1 Aerial. No facility modifications will be required to properly house the new aerial fire truck.

Representation of an Aerial Ladder Truck

This request is consistent with the department's mission to "provide prompt and highly effective public safety and prevention services to our citizens, businesses and visitors" and the goal to "strengthen reliable delivery of essential emergency and non-emergency services". The request will also support risk reduction measures to areas identified in the department's 2020 Community Risk Analysis / Standard of Cover Report.

Operations and Safety Cost Benefit

The department has scheduled the replacement of the 2010 Aerial Platform Truck (Tower 21) in FY29. This would be after twenty years of service. The estimated cost of the replacement with a similar vehicle is conservatively $1.9 million dollars. In 2022 an evaluation of Tower 21 revealed the need for preventative repairs to extend the in-service life of the vehicle. An evaluation was performed by a recognized fire apparatus repair facility in 2022 and again in 2023. It was recommended that the chassis and body be repaired as the vehicle has numerous areas of rust and oxidation on the body, as well as the chassis and frame. Upon completion, the department

expects to reduce further, more costly repairs and ensure the vehicle's expected service life of 20 years. The most recent estimate for such work is $200,000.00.

After careful consideration and discussions with the Capital Committee, the department proposed three options related to the repair or replacement of Tower 21. These included:

1) Do not repair the vehicle and hope that no structural or safety issues arise placing the vehicle out of service for an extended period or permanently, or
2) Move forward with the recommended repairs at a cost of $200,000.00 to ensure 5-6 years of operations, or
3) Move up the replacement with the purchase of a single-axle, aerial ladder truck, capable of pumping water to FY25 at an estimated cost of $1.3 million.

The department does not recommend or support option 1.

Statement of Effect on Operations

The department maintains an apparatus fleet of (2) Fire Engines, (1) Aerial Platform Truck, (2) Ambulances, and (1) Forestry Truck. The current aerial platform truck, known as Tower 21, is equipped with an elevating platform and fire pump. It is designed and equipped to support firefighting and rescue operations by positioning personnel, handling materials, providing continuous egress, or discharging water at positions elevated from the ground. Tower 21 responds to structure fires, chimney fires, and technical rescue incidents in support of other apparatus. It is also an important resource used regionally within our mutual aid district. Maintaining an appropriate aerial ladder truck is critical to maintaining not only operational readiness, but also the community's current ISO (fire insurance) rating of 4/4X.

The current aerial platform truck has some operational limitations that a shorter wheel-based aerial could reduce or eliminate. These are related to travel restrictions, residential driveway access, and topography. Based on Southborough's Street configurations, an aerial apparatus with a shorter wheelbase, tighter turning radius, and shorter rear overhang could improve access and reduce response times. An aerial with a short jack feature or a narrower outrigger spread would also improve deployment and set-up in a narrow street or driveway. Lastly, the community's hilly topography requires a lighter truck with more horsepower to improve safe and timely responses.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, January 16, 2024 6:30 PM
Location: Via Zoom, due to weather
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers and Assistant Town Administrator Vanessa Hale. Absent: Town Administrator Mark Purple

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. Leah Emerson, Economic Development Coordinator – EDC Update

Ms. Emerson appeared before the Board, via Zoom, and shared an update on EDC activities since she assumed her position of Economic Development Committee (EDC) Coordinator in July of 2023. She also included figures of note since EDC's creation in 2016. She stated that EDC priorities center around Route 9 development, which includes mixed-use by right and some multi-family units, but they are waiting to see the outcome of the MBTA Communities initiative. Ms. Emerson stated that zoning bylaws are a challenge to business development and added the EDC is advocating for an analysis of the zoning districts along the Route 9 corridor to determine ways to encourage development. She stated she has met with the Planning Board on this matter. Ms. Emerson stated she is also focusing her efforts on business retention and relationship building. All Board members stated they are available for meetings with Town businesses at Ms. Emerson's request. Mr. Hamilton asked what the Board could do to assist Ms. Emerson's efforts. Ms. Emerson stated that creating a unified effort among all boards and committees would be helpful. She also stated she has met with Westborough's EDC Coordinator, Mark Zepf, and he is interested in collaborating with Southborough regarding wastewater issues relative to Route 9. Ms. Landry, Ms. Emerson and Mr. Hamilton will schedule a tour of the Westborough Wastewater Treatment Plant. The Board discussed whether the position of EDC Coordinator should be a full-time position. Ms. Emerson stated that the National Grid site and CSX are potential areas for Board support. Mr. Dennington asked Ms. Emerson about her thoughts regarding maximizing the Town's One Stop Grant opportunities. Ms. Emerson stated she feels the Board can provide leadership for a comprehensive approach among all Town boards/committees/departments to submit the most successful One Stop Grant application and stated the process should be driven by the Board and Town Administration. She stated that she would also make her assistance available to individuals who might need it, if possible. The Board discussed the One Stop Grant application process and timing. The Board agreed to continue discussions to submit a successful One Stop Grant application, including a potential collaborative grant application with Westborough regarding wastewater, and focus on a May grant submission date.

IV. Reports

a. Chair's Report

i. Status of report from Community Center Exploration Committee

Mr. Dennington stated that there would be a report from the Community Center Exploration Committee at the Board's February 6th meeting. Mr. Dennington noted that Consent Agenda item "i" allows for the Community Center Exploration Committee to make their report.

ii. Office Hours schedule

Ms. Hale confirmed the following Office Hours schedule: February 13th – Ms. Cook and Mr. Dennington; March 12th – Mr. Stivers and Ms. Landry; April 9th – Ms. Cook and Mr. Dennington.

b. Member's Report

i. Update on Neary School Building Committee

Ms. Cook reported that the Neary School Building Committee would present one specific recommendation at a Special Town Meeting in April 2025. She stated the feasibility study has begun and described six scenarios that the architect will investigate to arrive at one recommendation for the Town.

c. Town Administrator's Report

i. Update on Fire Chief search

Ms. Hale reported that Mr. Dennington and Ms. Hale would interview an interim Fire Chief candidate and will make a recommendation to the entire Board after that has occurred. She also asked the Board to review the draft job posting and provide comments/feedback. Ms. Hale also stated that she and Mr. Dennington would attend the Massachusetts Municipal Association Annual Meeting this week and hope to circulate the final job description at that time. Ms. Cook reported that she spoke with the Hopkinton Select Board Chair and learned that they had eleven strong candidates for their recent Fire Chief search.

V. Consent Agenda

a. Approve Open Session meeting minutes: January 2, 2024; January 6, 2024

Mr. Stivers requested to hold Consent Agenda item "a." Ms. Cook and Mr. Stivers requested that the minutes from January 6, 2024 be held. Mr. Stivers had scrivener's changes to the January 2, 2024 meeting on Line 31. Ms. Cook requested the following changes: Line 28: "Ms. Emerson was not able to attend due to illness"; Line 34: change to Belko; and Line 119: "$3,000 for soil collection." Mr. Dennington moved to approve the Open Session meeting minutes for January 2, 2024, as amended. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Dennington, aye; Ms. Landry, aye, Mr. Stivers, aye; Ms. Cook, aye; Mr. Hamilton, aye.

b. Accept $500.00 donation from Pilgrim Congregational Church to Youth and Family Services

c. Accept $50.00 donation from St. Anne Church to Ambulance Fund

d. Accept donation from Harvard in the amount of $26,227

Ms. Cook requested to hold Consent Agenda item "d." Ms. Cook stated this is an annual PILOT payment, increased for inflation. She stated that the Town is seeking clarification as to whether Harvard intended to direct this money equally to Police and Fire, as it has done in previous years.

e. Accept donation from NECC in the amount of $52,036

Ms. Cook requested to hold Consent Agenda item "e." Ms. Cook reported that this is the first of two equal payments and she expects the Town will receive the second equal payment in May of this year. Mr. Dennington moved to approve Consent Agenda item "d" and "e", subject to clarification from Harvard as to whether they intend to have their donation directed to Police and Fire, as they have historically done. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Dennington, aye; Ms. Landry, aye; Mr. Stivers, aye; Ms. Cook, aye; Mr. Hamilton, aye.

f. Approve request to increase Ambulance fee schedule

Ms. Cook requested to hold Consent Agenda item "f." Chief Achilles stated that these increases are incrementally small. Mr. Dennington moved to approve Consent Agenda item "f." Mr. Stivers

seconded the motion. The motion was approved by roll call vote: Mr. Dennington, aye; Mr. Hamilton, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye.

g. Appoint Gene Novak as Alternate Building Commissioner

h. Appoint Program Coordinator for Recreation Department

Ms. Cook requested to hold Consent Agenda item "h." Ms. Cook stated that Christina McCarthy has previously worked for Southborough Youth and Family Services. Mr. Tim Davis, Recreation Director, stated that the Department is excited to appoint Ms. McCarthy to the position of Program Coordinator. Mr. Dennington moved to appoint Christina McCarthy to the position of Program Coordinator for the Recreation Department. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Dennington, aye; Ms. Landry, aye; Mr. Stivers, aye; Ms. Cook, aye; Mr. Hamilton, aye.

i. Approve extension of charge for Community Center Exploration Committee to 2/16/24

j. Approval of job description for Business Administrator II in Facilities Dept.

Ms. Cook requested to hold Consent Agenda item "j." Ms. Hale clarified that, as appointing authority, this position requires a Board vote. Mr. Dennington moved to approve Consent Agenda item "j." Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Dennington, aye; Mr. Hamilton, aye; Ms. Cook, aye; Ms. Landry, aye; Mr. Stivers, aye.

k. Accept resignation of Officer James Gallagher

Mr. Dennington requested to hold Consent Agenda item "k." Mr. Dennington recognized Officer Gallagher and thanked him for his years of service to the Police Department and Town. Board members wished Officer Gallagher well in his future. Mr. Dennington moved to approve Consent Agenda item "k." Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Dennington, aye; Mr. Hamilton, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye.

Mr. Dennington moved to approve Consent Agenda items "b", "c", "g" and "i." Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Dennington, aye; Mr. Stivers, aye; Mr. Hamilton, aye; Ms. Cook, aye; Ms. Landry, aye.

VI. Other Matters *(Board may vote)*

a. Recap of the 1/6/24 budget meeting with Advisory Committee

Mr. Dennington moved to this part of the Agenda after Scheduled Appointment "a." Mr. Brian Ballantine appeared before the Board on the matter. Mr. Ballantine stated there are two preliminary budgets in tonight's packet and they are relatively the same. He stated the major difference between the two budgets is that one utilizes all of Free Cash and the other sets aside an amount of Free Cash based on historical use. He stated there are outstanding questions with the biggest Town budgets that impact the overall budget and information will become available in the next few weeks that allow greater clarity. Mr. Ballantine suggested a meeting with the Board and Advisory Committee to finalize the budget in three or four weeks. The Board discussed the current budget, including expenses and revenues. Ms. Hale stated that the Board is scheduled to sign the warrant at its February 27th meeting. Mr. Dennington asked about the draft warrant to petition the General Court to enable the Town to bond its unfunded pension liabilities. Mr. Ballantine stated that Bond Counsel has approved the language in the warrant and stated this warrant article offers the Finance Department a tool for future use, if necessary.

b. Review of proposed 2024 Annual Town Meeting warrant articles

The Board agreed to remove the Affordable Housing Trust Fund restructuring article and discussed presenting it at a potential Fall Town Meeting. Mr. Paul Cimino, Town Moderator, appeared before the Board to discuss two articles, one allowing the Town Moderator to serve on ad hoc committees and one allowing the Town Moderator to serve on the Tricentennial Committee. Mr. Cimino explained that the current bylaw does not allow for the Town Moderator to serve on boards and

committees and he would like to serve on the Tricentennial Committee. The Board and Mr. Cimino discussed the language of the two articles. The Board agreed to keep the articles on the warrant and Mr. Cimino will provide revised language within the next two weeks. The Board and Mr. Cimino discussed citizens' petitions and agreed to ask Town Counsel Talerman about disposition of citizens' petitions prior to and at Town Meeting. The Board discussed the warrant and agreed to take as many positions as possible so they would be printed in the warrant. The Board added the tax work off article to the warrant. The Board agreed to allow current funds to remain in the engineering article and add language that funds it up to $25,000 each year. The Board discussed increasing the Golf Revolving Fund from $75,000 to $100,000. Mr. Dennington announced that the Community Center Exploration Committee and the Community Preservation Committee would appear at the Board's January 27th meeting. The Board discussed the MBTA Communities article. Ms. Colleen Stansfield, Planning Board Administrator, stated that the Planning Board would have maps and bylaw language within the next week for the Board to review. Ms. Stansfield stated that the purpose of the second Planning Board article is to add the Downtown District language to bylaws that reference the Business Village District for consistency. The Board agreed to have the Planning Board hold public hearings on the two bylaws discussed above and asked Ms. Stansfield and the Planning Board to keep the Board apprised when their feedback on the MBTA Communities bylaw is needed. The Board agreed to have Town Clerk Hegarty appear before the Board to discuss the articles he is offering for Town Meeting. Mr. Tim Litt, 146 Woodland Road, clarified that one of Mr. Hegarty's articles addresses the Board's ability to continue to hold meetings via Zoom, similar to this evening's meeting. The Board discussed sunset clauses for boards and committees. Mr. Litt recommended a global approach to sunset provisions. Ms. Kristin LaVault, 12 Southwood Drive, stated that her concerns were addressed during the discussion of Mr. Cimino's service on the Tricentennial Committee and the Public Works Planning Board (PWPB). With regard to the Opioid Settlement article, Ms. Cook stated that Southborough Youth and Family Services should be added to the article, as they will participate in the disposition of the funds. The Board discussed the three articles related to the Town's upcoming Tricentennial. The Board agreed to request that the Recreation Commission appear before the Board to discuss their warrant articles. The Board agreed to remove the article addressing the format/timing/frequency of Town Meeting, unless they learn information why it should appear on the warrant. Ms. LaVault asked that the Board be specific and clear in its request for information from the Recreation Commission regarding the proposed articles, as well as, greater clarity on agenda items for the public. The Board agreed to request that the Assabet Valley Regional Vocational Technical School Committee Superintendent and Finance Director appear before the Board to discuss Southborough's assessment and their request for a stabilization fund. The Board agreed to request Town Assessor Paul Cibelli and Veteran's Agent Brian Stearns appear before the Board to discuss the Assessor's article.

c. Set Select Board Meeting schedule through March 31, 2024

The Board agreed to change their March 5th meeting, which is Primary Election Day, to another day. The Board also agreed to tentatively meet with the Advisory Committee and Finance team on Tuesday, February 13th to review outstanding matters on the budget.

VII. Public Comment

Mr. Litt stated that the Assessor's article addresses a State law that can be either accepted or rejected by the Town and offered edits of form to simplify for Town Meeting. Ms. LaVault expressed her frustration when the Board would not recognize her as a representative of the Recreation Commission for discussion purposes. She also called for greater agenda transparency.

VIII. Adjournment

Mr. Dennington moved to adjourn the meeting at 9:10 PM. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Ms. Cook, aye; Mr. Stivers, aye; Mr. Hamilton, aye; Ms. Landry, aye; Mr. Dennington, aye.

Upcoming Meetings	
February 6, 2024	*February 27, 2024*

UPCOMING MEETINGS

February 6, 2024 *February 27, 2024*

Southborough Police Department
32 Cordaville Road
Southborough, Massachusetts 01772
508-485-2121 Fax 508-485-4634

Ryan M. Newell
Chief of Police

Sean P. McCarthy
Lieutenant

January 2, 2024

Mr. Jeremy McClosky
[redacted]

Dear Mr. McClosky,

Congratulations on your Conditional Offer as a Student Officer for the Town of Southborough. We are happy that you have accepted our verbal offer of employment, contingent upon the successful results of a comprehensive background check (including POST requirements), physical exam, drug screening, psychological evaluations, MPTC Full-Time Certification (the cost of which is borne by the Town), and confirmation by the Select Board. After we receive successful results for these preemployment conditions, we will determine a mutually agreeable date for you to begin as a Southborough Police Officer. The Town's Police Officers are unionized. Compensation, benefits, and conditions of employment available to Police Officers are set forth in the Collective Bargaining Agreement (CBA), which is subject to change. This is a full-time, benefits eligible position starting at Step One Pay Rate of the Union Contract. You may be eligible for additional forms of compensation in accordance with the CBA. Your schedule is based on 40 hours per week. Your immediate supervisor will be the department's training supervisor, Sergeant Tom Rock.

As an employee of the Town of Southborough, you are an at-will employee, which means you or the Town of Southborough may terminate your employment at any time for any lawful reason (per Union Contract). This position classifies you as a non-exempt employee. This means that you will be eligible for overtime under the regulations of the Fair Labor Standard Act (FLSA).

The Town of Southborough will be providing you with additional paperwork and will be happy to assist you with the onboarding process. To confirm your acceptance of this position, please sign and return the enclosed copy of this offer letter to the Chief of Police as soon as possible; retaining the original for your files.

Once again, congratulations on your Conditional Offer. We hope you will have a wonderful employment experience with the Town of Southborough, and very much look forward to having you staff with the Town. Please do not hesitate to contact Chief Ryan M. Newell, Assistant Town Administrator Vanessa Hale, or myself if you have any questions. We wish you success on successful completion of all the above conditions. The Town of Southborough and the Police Department look forward to your contributions.

Mark Purple
Town Administrator
Cc: Ryan M. Newell, Chief of Police
Vanessa Hale, Assistant Town Administrator

Acceptance: _____ Date: 01/02/2024
Mr. Jeremy McClosky

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, January 2, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers and Town Administrator Mark Purple

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:33 PM.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. Interview for committee appointments

i. Parul Sharma to the PILOT Committee; term to expire 6/30/2024

Ms. Sharma introduced herself to the Board and discussed her interest in the position. The Board interviewed Ms. Sharma. Mr. Stivers moved to appoint Parul Sharma to the PILOT Committee, term to expire 6/30/2024. Mr. Hamilton seconded the motion. The motion was unanimously approved (5-0-0).

ii. Khoi Nguyen to the Economic Development Committee; term to expire 6/30/2025

Mr. Nguyen introduced himself to the Board and discussed his interest in the position. The Board interviewed Mr. Nguyen. Mr. Dennington moved to appoint Khoi Nguyen to the Economic Development Committee, term to expire 6/30/2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Leah Emerson, Economic Development Coordinator – EDC Update

The Board did not address this agenda item.

IV. Reports

Mr. Dennington resumed the Agenda after Other Matters e.

a. Chair's Report

Mr. Dennington reported that work on the St. Mark's Street Park has concluded for the season and will resume in the spring. He also stated that Belco has assumed liability for any plantings done in December that fail to thrive and will replant in the spring, if necessary. Mr. Dennington also reported that RZND has left the business location and the property is for lease.

b. Member's Report

There were no Member's Reports.

c. Town Administrator's Report

i. Update on Fire Chief search

Mr. Purple stated that the formal bid process has resulted in two quotes for services and he expects to have a third quote by the end of the week. He stated that he would move forward once he has reviewed all bids.

V. Consent Agenda

a. Approve Open Session meeting minutes: December 19, 2023

Mr. Dennington requested to hold Consent Agenda item "a." Mr. Dennington requested the following changes: Line 14: after provider, add "who accepts Aetna"; Line 27 after $1,000,000, add "in the slides presented." Mr. Stivers requested the following change: Line 104: change to DPW. Mr. Dennington moved to approve Consent Agenda item "a", as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Appoint Tony Schoener to the PILOT Committee (CIPC's representative)

c. Approve new Building Department fee schedule

Mr. Stivers requested to hold Consent Agenda item "c." The Board discussed the $50 fee to re-open permits and discussed that the Building Department would need to reach out to homeowners and contractors to inform them about the new process and corresponding fees. They also discussed that, going forward, the Building Department would inform homeowners and contractors about the process, fees and enforcement prior to issuing permits. Mr. Tim Litt, 146 Woodland Road, stated that the Building Department should not be concerned with the cost of fees in surrounding communities and that fees should be determined on a cost recovery basis, not as a revenue source. Ms. Cook stated that the Town has not determined fees on a cost recovery basis. Mr. Jim Colleary, Town Wiring Inspector, stated that, if a permit has lapsed for more than 365 days, a new permit must be issued and the project must come into compliance with current State code. He stated he is supportive of the new process, including fees, and feels the $50 fee would act as an incentive to contractors to complete the permit process. He also stated the revised permitting process benefits residents. He stated he is supportive of the Building Department's efforts towards compliance and stated it is a matter of public safety. The Board discussed the fees. Mr. Dennington moved to approve Consent Agenda item "c." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. Accept Stephen Achilles' resignation from the Cultural Arts Council

e. Approve reduction in EDC membership from 7 to 5 seats

f. Fayville Athletic Association – Change of Manager approval

Mr. Dennington moved to approve Consent Agenda items "b", "d", "e" and "f." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

a. Review of draft 3/23/2024 Town Meeting warrant

The Board reviewed the draft warrant. The Board discussed creating an article to transfer CPC affordable housing funds directly to the Affordable Housing Trust Fund (AHTF) and agreed to further investigate. The Board agreed to investigate former Select Board member Lisa Braccio's suggestion to reorganize the AHTF Committee. Mr. Stivers suggested reviewing and amending the charter of the AHTF Committee to include the management of projects. Ms. Cook suggested reviewing the appointment of members. The Board agreed any changes would likely be addressed in an article at a potential Fall Town Meeting. The Board agreed to hear citizen petitions prior to Town Meeting to consider potential support and to work collaboratively with sponsors to resolve any potential issues prior to Town Meeting.

b. Discussion of potential Select Board warrant article for Annual Town Meeting

i. Community Preservation Committee; potential super-majority requirement for expenditures involving improvements to private property

Mr. Stivers suggested that this matter deserves discussion and that voters should decide the following: 1) should there be a higher threshold for approvals of expenditures on private property? and, if so, 2) what should that threshold be? Ms. Cook stated that she is not supportive of this article and is not in favor of the Board's sponsorship of it. Mr. Hamilton stated he is supportive of a higher threshold for approval of the use of public funds on private property. All Board members stated

support for having voters weigh in on this matter at Town Meeting. Mr. Dennington stated that, in a discussion with Community Preservation Committee (CPC) chair Ben Smith, he learned that the CPC requires preservation restrictions before there is any use of public funds on private property. The Board discussed the matter. Ms. Patricia Burns-Fiore, 10 Winter Street, stated that she is in support of this potential article and urged Board support of it. She stated that spending public funds on private property is very concerning to her. Mr. Kevin Miller, 18 Latisquama Road and chair of the Historical Commission, stated the Historical Commission has not discussed this matter. He stated he is inclined to support a higher threshold for the use of public funds on private property but is not certain of the right number for approval and welcomes discussion on the matter. The Board agreed to discuss this matter with the CPC.

c. Budget Summit with Advisory Committee on January 6, 2024

Mr. Dennington reviewed the schedule for the Budget Summit.

d. Naming of St. Mark's Street park

Ms. Landry stated that the St. Mark's Street Park Working Group voted to recommend naming the park "Heritage Park." Mr. Miller, member of the Working Group, suggested adding Southborough to the name. Ms. Landry moved that the Board support the name Southborough Heritage Park for the new park in the center of Town. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0).

e. Request for use of engineering funds for Atwood Street site (old water tank) investigation

The Board discussed this matter after Scheduled Appointment a.ii. DPW Superintendent William Cundiff appeared before the Board on the matter. Superintendent Cundiff explained that he reached out to Pare Engineering to seek professional advice on the past use of lead paint in sandblasting/repainting the water tower. He also learned that paint and/or construction materials used at the water tower might have contained Polychlorinated biphenyls (PCBs). He reported that Pare Engineering has submitted a proposal for $3,000 - $4,200for soil collection and lead analysis and $1,200 for PCB analysis. He stated that this request is for preliminary review and that, if lead or PCBs were found, a more comprehensive review would need to be done. Ms. Landry asked where samples would be taken from. Superintendent Cundiff stated that samples would be collected in areas where the construction and repainting processes occurred. Mr. Dennington moved to approve an expenditure not to exceed $4,200 from the Engineering Services Article to perform testing for lead paint and PCBs on the Atwood Street site of the former water tank. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

f. Consideration of IMA for Algonquin Athletic Complex Project

Ms. Cook stated that approval of this language is necessary because Southborough funded approximately $218,000 for the construction of the basketball courts, tennis courts and pickleball courts at the Algonquin Athletic Complex through Community Preservation Act (CPA) funds and Northborough funded their portion in a different manner. Ms. Cook moved to approve the proposed Intermunicipal Agreement (IMA) that deals with the issue of the funding of the Algonquin tennis courts, pickleball courts and basketball courts. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Public Comment

There was no public comment.

VIII. Executive Session

Mr. Dennington moved to enter the Board into Executive Session, per M.G.L. Chapter 30A, Section 21, at 7:45 PM and not return to Open Session for the following purpose: (1) to review and approve Executive Session minutes from December 5, 2023. Mr. Stivers seconded the motion. The motion

was approved by roll call vote: Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye. (5-0-0).

Upcoming Meetings

DRAFT

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Saturday, January 6, 2023 9:00 AM – Joint Meeting with Advisory Committee
Location: Public Safety Meeting Room, 32 Cordaville Road, Southborough, MA
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers For Select Board; Andrew Pfaff, Howard Rose, Tim Martel, Adam Nodiff, Larry Samberg, and Marci Jones-Salow for Advisory, and Town Administrator Mark Purple

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

Chair Dennington called the meeting to order for the Select Board at 9:01 AM. Chair Pfaff called the Advisory Committee meeting to order at 9:01 AM.

Review of FY2025 Departmental budgets

Capital Budget – Capital Committee Chair Jason Malinowski

Mr. Malinowski walked the boards through his presentation as attached in the packet which included the process the Capital Committee took to come to their recommendations, DPW projects, cosmetic work on the South Union building, Fire and Police capital projects, and the rest of the Committee recommendations. The boards discussed major projects for the fiscal years 2026 – 2029. Mr. Dennington reviewed the process the Select Board has taken regarding the disposition of the South Union School. The citizen petitions on the 2024 Warrant regarding this property were summarized as requests to delay decisions for various years.

Department of Public Works – DPW Superintendent Bill Cundiff

Mr. Cundiff went through his budget with Select Board liaisons Ms. Cook and Mr. Hamilton and Advisory liaisons Mr. Pfaff and Ms. Jones-Salow. The group discussed a proposed town engineer position with a budget for an $80K salary, the tree warden position, the previously discussed FY25 DPW capital projects, TIP projects, and the status of the Cordaville and Framingham Road projects.

Information Technology – IT Manager Jason Montijo

Mr. Montijo reviewed his budget with Ms. Cook and Mr. Stivers as Select Board liaisons, Mr. Samberg as the Advisory liaison, and Mr. Matt Probst from the Municipal Technology Committee. Mr. Probst stated that the MTC supports the full IT budget which includes moving the phone system to the Cloud and multi-year contractual increases with vendors. Mr. Montijo stated he would investigate other options that may exist at a lower cost. The group also discussed the IT infrastructure and security measures implemented, the current status and plans for the Cloud, and the town's redundant ISP services. Ms. Cook gave accolades to the IT staff for all the improvements made to the town's technology infrastructure and security.

Both Boards recessed for lunch at 12:05 PM.

The joint meeting resumed at 12:34 PM.

Treasurer/Collector Brian Ballantine reviewed the first recap for the FY25 budget which included a significant decrease in excess levy capacity and an increase in the Assabet Regional Technical School budget due to an anticipated increase in Southborough enrollment. He added that the budgets included

from K-8 and regional schools are rough estimates and the regional capital budget has not yet been submitted. Mr. Ballantine concluded that a 1% increase in the tax rate will equal $500K.

Police Department – Chief Ryan Newell

Chief Newell reviewed his three budgets which included keeping the 9-1-1 Grant in the budget, adding a second Lieutenant, an additional officer, and four new communication officers.

[*Mr. Nodiff left at 12:44 PM; and continued to participate virtually.*]

Chief Newell explained the need for each of these positions which included assistance with public records requests which are usually very time-consuming and the need for dispatch coverage. Mr. Hamilton suggested separating the Police and Dispatch budgets and Chief Newell requested the time to review alternate paths for his requested new positions before committing to this change. The boards discussed the new hiring requests and the urgency of those requests, and Mr. Pfaff suggested conducting a staffing study to validate Chief Newell's requests.

Fire Department – Chief Steven Achilles

Chief Achilles reviewed his proposed budget and outlined that the staffing budget is at a 3.8% increase mostly due to contracts. The boards discussed the recommendation for a Deputy Chief and Chief Achilles outlined the benefits of the role within the Department. Chief Achilles provided a draft information piece on a replacement tower truck and outlined the current condition of the vehicle and the recommended path forward for a new vehicle. The group discussed these options which included a new truck with the capability to carry and pump water. There was a discussion about the gaps in radio coverage and the lack of a contract with EMC for the tower where the repeaters are located. Chief Achilles suggested the town wait to understand the requirements of regional dispatch before spending funds on upgrades. The Advisory Committee thanked the Chief for his service to the community as Fire Chief and as a resident.

Mr. Dennington moved to adjourn the meeting at 2:37 PM. Ms. Landry seconded the motion. The motion was unanimously approved (5-0-0).

Mr. Pfaff made a motion to adjourn the meeting at 2:37 PM. Mr. Rose seconded the motion. The motion was unanimously approved (5-0-0).

Documents used in the meeting:

- Presentation of recommended FY25 capital from CIPC;
- FY25 requested budgets from IT, Police, Fire, and DPW;
- Fire Chief handout on Capital Purchase Request – Aerial Replacement
- FY25 budget recap from Finance Director, dated January 5, 2024

Respectfully submitted

Mark Purple, Town Administrator

DATE: January 4, 2024

TO: Andrew Dennington, Selectboard Chair
Mark Purple, Town Administrator

FROM: Steven Achilles, Fire Chief

RE: Revisions to Fire Department Ambulance Fees

The fire department is seeking the Board's support and approval to revise our current Ambulance Fee Schedule. If possible, I would request the change take effect on February 1, 2024.

Charges	Current Rates	Requested Rates	Increase
BLS EMERGENCY	$1,619.00	$1,694.00	$75.00
ALS1 EMERGENCY	$2,419.00	$2,464.00	$45.00
ALS2 EMERGENCY	$3,551.00	$3,571.00	$20.00
MILEAGE	$38.00	$39.00	$1.00

The rate increases requested are based on increases in operating costs and are consistent with the average rates for our ambulance billing company's highest 50 clients.

I am prepared to discuss the requested revisions at your earliest convenience.

MEMO

To: Mark Purple, Town Administrator

From: Casey Burlingame, Building Commissioner CB.

Date: January 11, 2024

Re: Alternate Building Commissioner

Memo:

I am requesting that Eugene Novak be appointed as the Alternate Building Commissioner. This would allow Mr. Novak to act on matters as the Building Commissioner in my absence due to vacations, illness, etc. Mr. Novak has already been appointed as the Local Building Inspector by the Selectboard and is willing to take on the role of Alternate Building Commissioner in my absence. Mr. Novak has over 30 years of experience as a Certified Building Official and is certified as a Building Commissioner/Inspector of Buildings with the Commonwealth of Massachusetts.

WWW.SOUTHBOROUGHREC.COM

To: Southborough Select Board
From: Tim Davis, Recreation Director
Date: January 11, 2023
RE: Request for appointment of FT Program Coordinator – Christina McCarthy
CC: Recreation Commission; Vanessa Hale, Assistant Town Administrator

It is with great enthusiasm that I write to you with the recommendation of Christina McCarthy to fill the vacant position of Program Coordinator for the Southborough Recreation Department.

Following the resignation of Joe Durant; Vanessa Hale and Recreation worked quickly to post the position as our department was rapidly approaching the Spring and Summer seasons. At the conclusion of the posting period, we received 34 applicants. Ms Hale and I offered interviews to seven (7), three (3) were conducted, with a final interview was offered to Mrs. McCarthy guided by Mark Purple and Brian Ballantine. All were in support of Christina's appointment to the position.

Christina comes to us with a master's degree in Sport Management with a focus in Recreation from Lasell University. Over the last 2+ years she has worked with the Recreation Department on many occasions through her current role as Business Administrator for the Southborough Youth and Family Services Department. These include multiple joint programming initiatives, event and program management at the South Union Building, volunteering for recreation events, and serving, as a resident, with the Friends of Southborough Recreation Board to help run the 2023 Gobble Wobble. Additionally, Mrs. McCarthy sits on the Boards of Southborough Youth Soccer and Southborough Youth Basketball, while coaching for both associations.

The Recreation Department, and Recreation Commission, are thrilled to welcome Christina to our team, with your vote of approval, and we look forward to the positive impact she will have on our community.

From: Jason W. Malinowski
To: Melanie Otsuka
Subject: Community Center Exploration Committee Term Extension
Date: Thursday, January 11, 2024 3:51:51 PM

Hi Melanie,

Please accept this email as our formal request of the Select Board to extend the term of the Community Center Exploration Committee to February 15, 2024. Due to scheduling conflicts for some of our committee members, we needed to push our final presentation to the Select Board back to February 6, 2024. This will allow our Committee to finalize minutes after this presentation in order to then be dissolved.

Please let me know if you have any questions.

Thanks,

Jason

TITLE: Business Administrator II

Department: Facilities

SAP Grade: 4

Bi-weekly Hours: 80

Reports to: Director of Facilities

Approved by Personnel Board:

Approved by Appointing Authority:

Position Purpose: This position provides administrative support and day-to-day office management. This position is responsible for maintaining and improving upon the efficiency and effectiveness of all areas under his/her direction and control; performs all other related work as required.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Performs general office work: answers phones, distributes mail, drafts correspondence, orders supplies, and acts as a go-to for general inquiries;
- Maintains workflow and streamlines office procedures; implements new procedures as assigned;
- Creates and revises systems and procedures by analyzing practices, recordkeeping systems, and budgetary and personnel requirements; implements changes as needed;
- Resolves administrative problems by coordinating the preparation of reports, analyzing data, and identifying solutions;
- Ensures operation of equipment by completing preventive maintenance requirements; calling for repairs; maintaining equipment inventories; evaluating new equipment and techniques;
- Provides information to the public and town employees/officials by answering questions and researching requests;
- Maintains supplies inventory by checking inventory level and processing orders;

- Maintains professional and technical knowledge by attending educational workshops; reviewing professional publications; establishing personal networks and seeking professional development;
- May lead the work of others and coordinate with volunteers or other peers;
- Performs similar or related work as required, directed or as situation dictates.

Recommended Minimum Qualifications:

Education, Training and Experience:

Associate's or Bachelor's Degree preferred; Three to five (3-5) years of progressive administrative experience or related field preferred; experience working with government, the public and responding to customer service requests desired. Any equivalent combination of education and experience will be considered.

Special Requirements/Licenses:

Knowledge, Ability and Skill:

Knowledge: Advanced knowledge of the municipal administration process, knowledge of the functions of municipal government, understanding of the interaction between local government, state government, and federal government, basic working knowledge of business administration, general office procedures, and applicable local, state, and federal laws.

Ability: Ability to lead, plan, organize and collaborate with others, ability to communicate effectively, ability to establish and maintain effective working relationships with all town employees, board/committee members, officials and the general public, ability to recognize town-wide priorities and work cooperatively to support their accomplishment, ability to prioritize multiple tasks and deal effectively with interruptions, often under considerable time pressure, ability to operate a computer and proficient in the use of MS Office applications and database applications.

Skill: Excellent customer service and organization skills, excellent written and verbal communication skills, excellent computer skills including MS Office applications.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

This position is frequently required to walk, sit, communicate, or hear; required to handle, or feel objects, tools, or controls; and reach with hands and arms. The employee must occasionally lift and/or move objects weighing up to 20 pounds. Vision and hearing at or correctable to normal ranges. This position requires the ability to operate a keyboard and calculator at an efficient speed.

Supervision:

Supervision Scope: Performs routine duties that are clearly defined by protocol and standard operating procedures. This role requires basic knowledge of departmental operations.

Supervision Received: Works under the direct supervision of the Department Head or Manager.

Supervision Given: May supervise volunteers or senior tax work off participants on occasion.

Job Environment:

- Work performed under typical office conditions; work environment is at times moderately noisy
- Operates a computer, calculator, telephone, copier, fax, and other standard office equipment
- Interacts with other town departments, vendors, the general public, and town officials
- Has access to department-related confidential and/or sensitive information including financial records, the disclosure of which would cause a significant breach of trust and seriously damage the reputation of the department
- Errors in judgment could result in department errors, lower standards of service to the community, monetary loss or legal repercussions and possible negative public relations for both the department and the town

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

**External and internal applicants, as well as position incumbents who become disabled as defined under the Americans With Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis.*

This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

Pay Equity/Equal Opportunity/Americans with Disabilities Act Employer

DRAFT

ADDENDUM

Tasks and responsibilities which are assigned specifically to this position:

- Maintains a detailed spreadsheet of recurring maintenance and inspection items pertaining to properties; schedules and coordinates related work items with in-house staff and outside vendors.
- Prepares payroll; verifies that all corresponding payroll documentation is accurate. Performs detailed analyses for the department head, as requested;
- Processes payables and prepares accompanying reports for the accounting and finance departments. Compiles necessary data to create and maintain vendor accounts;
- Assists Director with budget preparation; tracks and balances budgets and articles to ensure effective and efficient use of budgetary funds;
- Procures goods and services by preparing quotes and bid documents in accordance with M.G.L. c. 30B, M.G.L. c. 149 and other applicable statutes. Performs required advertising, and produces appropriate related procurement documentation for submission to the Select Board, Town Accountant and Town Clerk;
- Conducts inventory and tracks custodial supply distribution to town buildings. Maintains up-to-date detailed records in regard to hazmat/chemical products;
- Manages the Town's wireless communications accounts; negotiates hardware costs and upgrades; responsible for tracking expenditures and remedying any related billing issues;
- Uses Que Centre software to create, track, update, and close out work orders; enters and maintains data within the Town's Mass Energy Insight account;
- Conducts CORI background checks on potential new hires;
- Manages and maintains the department's website.
- Organizes informational sessions and clinics aimed at providing department employees with beneficial information geared toward creating and maintaining a safe work environment;
- Prepares required personal injury and automobile accident reports for the Town's insurer;
- Schedules meetings and coordinates room set ups for various boards and committees;
- Prepares and maintains departmental project folders;
- Serves as a member of the Town's Emergency Operation Center (E.O.C.).

TOWN OF SOUTHBOROUGH
POLICE DEPARTMENT
32 Cordaville Road
Southborough, Massachusetts 01772

RYAN NEWELL
CHIEF OF POLICE

Emergency: 9-1-1
All Other: (508) 485-2121
Business: (508) 485-2147
Fax: (508) 485-4634

To: Chief Ryan Newell
From: Officer James Gallagher #64
Date: January 7, 2024
Re: Letter of Resignation

Dear Chief Newell,

After a long and thoughtful process, personal reflection, and conversations with co-workers and family members, I have come to the extremely difficult decision to formally resign from my position as a Police Officer with the Southborough Police Department. My last shift will be on January 20, 2024.

I have learned invaluably as a Police Officer and as a person over the last twelve years during my career in Southborough.

The members of this department have become more than just co-workers; I truly consider each and every one of them family. What we have at the Southborough Police Department is a very rare occurrence in this line of work. I consider myself very lucky to have been part of something so special.

Furthermore, I want to personally thank you for your guidance, support, and friendship. I began my career in Southborough working midnights with you and I have tried to emulate your style of leadership. You have been a role model both personally and professionally. I am confident that you will continue to do great things going forward.

I would also like to express my gratitude to the members of rank, past and present, for their knowledge and guidance throughout my career in Southborough. They have developed my skills as a Police Officer and they are lessons that I will continue to use going forward.

I truly appreciate all of the opportunities, friendships, and memories I have made during my tenure at the Southborough Police Department. I wish you and the department continued success in the future. Despite my departure, I am confident that I will remain close with all of you. Please let me know how I can be of assistance to ensure an easy transition. Thank you again for everything.

Respectfully Submitted,

Officer James Gallagher
Badge #64

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a non-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

DRAFT

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Select Board. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

DRAFT

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

Introduction to the Rules of Town Meeting (continued)

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless its substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

DRAFT

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

Introduction to the Rules of Town Meeting (continued)

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply

19.	Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other “point of order” is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

DRAFT

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

ANNUAL TOWN MEETING

Worcester, ss. February 27, 2024

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the Trottier School Auditorium, 49 Parkerville Road, in Southborough, MA, on

Saturday, March 23, 2023

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to accept any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in Estimated Receipts Account, and determine what disposition shall be made of the same, if accepted, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *To allow the Select Board to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Select Board, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2024 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 3: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Select Board or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, but no longer than seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Select Board or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Board Recommendation:
Summary: *This article allows the Select Board and/or the School Committee to enter into contracts in excess of three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.*

DRAFT

ARTICLE 4: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

, or do or act anything in relation thereto.

Proposed by: PERSONNEL BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The Personnel By-Law governs policies and pay structures for non-union employees.*

ARTICLE XX: To see if the Town will vote to raise a sum of money as may be necessary for the Town's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

SEE BUDGETS ON THE FOLLOWING PAGES

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The article includes recommendations from both the Select Board and the Advisory Committee for the FY25 budget. Funding recommendations are noted in the individual recommendation columns for each department.*

ARTICLE XX: To see if the Town will vote to raise a sum of money as may be necessary for the Water Enterprise Fund's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

ENTER BUDGET EXCEL

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates and the fund's retained earnings, which supports all aspects of the department's operation. The funding for those capital items that are being leased/purchased for use by the Water Department, in whole or in part, are included in this budget.*

ARTICLE XX: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	**Request**	**Levy**	**Receipts Reserved Ambulance/Other**
A.	ROAD MAINT. & MISC STREET REPAIR	$650,000	$650,000	
B.	RECREATION FIELD MAINTENANCE	$ 25,000	$ 25,000	
C.	DPW TRASH TRAILER	$125,000	$125,000	
D.	DPW SIDEWALK TRACTOR W/ ATTACHMENT	$210,000		$210,000
E.	MOWER ATTACHMENT J DEER TRACTOR	$ 20,000	$ 20,000	
F.	DPW CREW CAB SERVICE DUMP SUPERVISOR	$ 95,000	$ 45,000	$ 50,000

E.	Police Taser Program	Police Department	FY25 Capital Budget - General Fund	$19,455

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The lease agreements for these vehicles were authorized by Town Meeting in 2021, and these are the third year of the lease payments. With the exception of the Fire Ambulance (5-year lease), all of the leases are for 7 years.*

DRAFT

ARTICLE XX: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the purpose of hiring consultants, engineers, water quality specialists, and/or environmental consultants by various Town departments, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article allows town departments, with the approval of the Select Board, to hire outside expertise when the need arises.*

ARTICLE XX: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article.*

ARTICLE XX: To see if the Town will vote to raise and appropriate the sum of $10,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE XX*:* To see if the Town will vote to raise and appropriate or transfer from any available funds the sum of $56,634 for the purpose of paying to scan Town Clerk documents, or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article will fund for preparation and scanning of Town Clerk documents..*

ARTICLE XX: To see if the Town will vote to raise and appropriate, or transfer from available funds the sum of $150,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Capital Improvement and Planning Committee as requested, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

DRAFT

ARTICLE XX: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for Fiscal Year 2025:

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary*:*

ARTICLE XX: To see if the Town will vote to accept the provisions of M.G.L. c. 59 §5, Clause Twenty-two H (inserted by Chapter 218 of the Acts of 2018, known as An Act Relative to Veterans' Benefits, Rights, Appreciation, Validation, and Enforcement ("BRAVE Act")), signed into law August 28, 2018, which provides for a property tax exemption for real estate as follows: to the full amount of the taxable valuation of the real property of the surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who: (i) during active duty service, suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death; (ii) are missing in action with a presumptive finding of death as a result of active duty service as members of the Armed Forces of the United States; provided, however, that the real estate shall be occupied by the surviving parents or guardians as the surviving parents' or guardians' domicile; and provided further that the surviving parents or guardians shall have been domiciled in the Commonwealth for the 5 consecutive years immediately before the date of filing for an exemption pursuant to this clause or the soldier or sailor, member of the National Guard or veteran was domiciled in the Commonwealth for not less than 6 months before entering service. Surviving parents or guardians eligible for an exemption pursuant to this clause shall be eligible regardless of when the soldier or sailor, member of the National Guard or veteran died or became missing in action with a presumptive finding of death; provided, however, that the exemption shall only apply to tax years beginning on or after January 1, 2019. Such exemption shall be available until such time as the surviving parents or guardians are deceased. No real estate shall be so exempt which has been conveyed to the surviving parents or guardians to evade taxation. To be effective for exemptions granted for any fiscal year beginning on or after, July 1, 2024; or do or act anything in relation thereto.

Proposed by: BOARD of ASSESSORS
Select Board Recommendation:
Advisory Committee Recommendation:
Summary*:* ***The local adoption of clause 22H will expand the real estate exemption benefits for Gold Star parents or guardians.***

ARTICLE XX: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale of the 21 Highland St. property until January 1, 2028. It is agreed that the sale or transference of the property could be detrimental to the town until the following factors are resolved: There is currently a new school project being contemplated with an unspecified school price tag that could range as high as 60-100 Million dollars at his moment. The process of planning and building a new school could take another 3 or more years to complete. There is currently 300 408 housing units likely to be built in the next 3-5 years, and the MBTA community Act currently threatens the town with another potential 750 units of multifamily zoning by right, so in the next 3+ years to come the town could lose control of housing development in many areas of the town (there are 3800 housing units in the town currently, the total new burden could add a possible 26% population increase). Although it is unrealistic to expect the full number of units, the current school estimates do not take all of these factors into account, nor can we accurately project numbers with confidence having no control over the zoning, unit type, or building process. There is no current organizational model or plan to mitigate the possible cost or space need effects upon town departments, and no current plan for town

DRAFT

space needs if this rapid population growth occurs. The current space need plans are dependent upon the premise of building a new school, a historically neutral residential development plan, and turning over one of the current schools to general town use for multiple departments currently inhabiting other buildings, including Recreation, Family and Youth services (both in the 21 Highland property), Building Permit departments, senior center, and Facilities (all in the Cordaville hall building), who have all have been recommended in the space needs plan to vacate their current locations (and to move to Finn currently). If there is a problem with the plan (example: No new school, or other factors as high population growth), selling the 21 Highland St. property could leave the town with little recourse except to sign commercial leases for homeless departments, potentially making the town long term dependent upon the private real estate market fluctuations, and/or possibly build space, adding to town costs. A new school is currently not approved, but selling these properties could be used as financial incentive and space need leverage to coerce support for one, knowing the sale could instigate leases and costs created by a premature property sale and vacating actions by those departments. There is minimal financial risk to delaying a sale of the property for several years. There is a greater financial risk to selling the property prematurely if the building could better serve the short, middle, or long term interests of the town given the current factors facing the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation:
Advisory Committee Recommendation:
Summary*: This is a citizen's petition.*

ARTICLE XX: To see if the Town will vote that the Town hereby resolves to own and rehab the current 21 Highland St. property for town, community, and/or rental use, using CPC and other bond allocations to fund the project when needed. The surrounding property will remain open for community use regardless of building use. It is required that the Select Board carry out the will of this resolution, and have a plan in place by the next town Meeting with the understanding that the citizenry will not entertain a proposal to dispose of the property till the year 2033. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation:
Advisory Committee Recommendation:
Summary*: This is a citizen's petition.*

ARTICLE XX: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale the 21Highland St. property until January 1, 2030. It is agreed that the citizenry prefers to tastefully retire use of the building at 21 Highland St., and keep the building at 21 Highland St. property owned by the town if or when departments housed wherein should move to other locations and there is no reason to keep the building in use. At such time, the 21 Highland St. building interior will be "Mothballed", the exterior of the windows protected with tasteful covers, the roof and exterior sealed, so the building will keep in a relatively preserved state til it should be desired for future use again, remodeling or demolition by the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

SELECT BOARD OF THE TOWN OF SOUTHBOROUGH

DRAFT

MEMORANDUM

DATE: January 11, 2024

TO: Select Board

FROM: Melanie Otsuka, Executive Assistant

SUBJECT: PROPOSED SELECT BOARD MEETING DATES

Below are the proposed dates for Select Board meetings through March 31, 2024:

- January 30
- February 6
- February 27
- March 5
- March 19
- March 23- Town Meeting

This schedule maintains the typical 1st and 3rd Tuesday meeting schedule, except February 27, so as not to conflict with school vacation dates; special or workshop meetings, in addition to regular meetings, can be added as needed. This schedule reflects the Annual Town Meeting on March 23, 2024.

RECEIVED
By Town Clerk/ksb at 9:03 am, Feb 02, 2024

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, January 23, 2024 9:00 A.M.
Location: Via Zoom
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers, Assistant Town Administrator Vanessa Hale, and Town Administrator Mark Purple

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Chair Dennington Called the meeting to order at 9:00 A.M.

II. Public Comment

None

III. Scheduled Appointments

Introduce and appoint Paul Fillebrown, Interim Fire Chief

Mr. Dennington explained that Community Paradigm recommends Mr. Paul Fillebrown to bridge between Chief Achilles' departure and the appointment of a new permanent Fire Chief. He stated that he met Chief Fillebrown with Ms. Hale and Mr. Purple and he supports this appointment. Mr. Fillebrown gave a background of his experience which included over 38 years of fire services and retiring as Fire Chief from the Town of Boxboro. He added that he has worked with Chief Achilles as they are in the same Fire District and felt the Southborough Fire Department was strong. He hopes to make a smooth transition, and he looks forward to working with the community.

Ms. Cook thanked Mr. Fillebrown for being willing to take on this role so soon after retirement. His having the endorsement of Mr. Jason Malinowski, which means a lot to her. She asked about his experience with transitioning a public safety dispatch function to a regional model and he explained his experience and ability to keep that goal moving forward. Mr. Stivers and Mr. Hamilton both spoke about their appreciation for him and his recommendations and willingness to discuss and work towards regional dispatch. Mr. Dennington made a motion to appoint Paul Fillebrown to the position of Interim Fire Chief subject to him reaching a contractual agreement with the Town of Southborough. Mr. Stivers seconded. The motion passed all in favor (5-0-0) by roll call vote: Cook, aye; Landry; aye; Hamilton, aye; Stivers, aye; Dennington, aye. Mr. Hamilton made a motion to authorize the Chair to execute the contract. Ms. Cook seconded. The motion passed all in favor (5-0-0) by roll call vote: Cook, aye; Landry; aye; Hamilton, aye; Stivers, aye; Dennington, aye.

Ms. Landry left the meeting at 9:09 A.M.

Update on Fire Chief recruitment

Ms. Hale informed the Board that the Fire Chief job description and ad are on the Community Paradigm website, the town website, the Massachusetts Municipal Association website, and has been distributed to other communities as well.

Mr. Dennington moved to adjourn the meeting at 9:11 A.M. Mr. Stivers seconded the motion. The motion was approved (4-0-0) by roll call vote: Ms. Cook, aye; Mr. Stivers, aye; Mr. Hamilton, aye; Mr. Dennington, aye.

Upcoming Meetings	
January 30, 2024	*February 27, 2024*

Respectfully submitted,

Katie Barry, Business Administrator

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, January 30, 2024 6:30 PM
Location: Training Room; Public Safety Building; 32 Cordaville Road, Southborough, MA
Present: Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers and Town Administrator Mark Purple, Assistant Town Administrator Vanessa Hale. Kathryn Cook appeared via ZOOM.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:33 PM.

II. Public Comment

Susan and John Pomfred, 7 Cottage Street, appeared before the Board to request that the Board address drainage issues caused by the recent road reconstruction near their home. They shared two videos and Mrs. Pomfred read a prepared statement for the Board and public.

III. Scheduled Appointments *(Board may vote)*

a. Continued discussion of Warrant articles

Mr. Dennington shared his approach to the review of the Warrant with the Board.

i. Barry Rubenstein, Personnel Board Chair

Mr. Dennington stated that Mr. Rubenstein is unable to attend tonight's meeting and the Board will discuss Article 4 at its February 6th meeting.

ii. Jen Hansen and Tim Davis, Recreation Commission Chair and Recreation Director

Ms. Hansen appeared via ZOOM and Mr. Davis appeared in person before the Board to discuss Articles 14, 17 and 18. Mr. Davis provided background on efforts to construct a dog park at Lundblad Field. He stated Article 14 seeks to repurpose engineering funds to be used as the Town's 10% construction grant match. Mr. Hamilton asked what the original purpose of the funds was. Ms. Hansen stated that the original purpose of the funds was to investigate the feasibility of future use. Ms. Cook asked what is the plan for the field. Mr. Davis stated that 40% of the field would be used for the dog park with the remaining area used as a full-sized field for Town use. Mr. Davis stated that the grant is time-sensitive, as it is no longer available in one year. Mr. Cundiff stated that the Massachusetts Department of Environmental Protection (DEP) contacted him to inform him there are documents missing for the proper closure of the landfill under Lundblad Field and he is working to locate those documents. Mr. Hamilton asked about the balance in the engineering fund. Mr. Davis stated the balance in the account is $46,411. Mr. Dennington suggested a brief summary would be helpful to attendees at Town Meeting for clarity. Mr. Davis stated that Article 17 seeks to establish a Recreation Maintenance Fund of $25,000 for FY 25 for preventative maintenance and resting of fields outside of general maintenance costs.

iii. Paul Cibelli, Principal Assessor

Mr. Cibelli appeared before the Board to discuss Article 44. Mr. Cibelli stated this article relates to the local adoption of a State real estate exemption for Gold Star families. The Board discussed Article 44.

iv. Jim Hegarty, Town Clerk

Mr. Hegarty appeared before the Board to present Articles 15, 33, 34 and 35. Mr. Hegarty stated that Article 15 authorizes funds to be spent to copy documents that cannot be done in house. He

stated the amount of the request had been reduced and he will know that number next week. Mr. Hegarty stated that Article 33 allows for meetings to take place virtually if there is inclement weather or an emergency. Mr. Hegarty stated that Article 34 allows for a stipend for Town Clerks who obtain a certificate from the Massachusetts Town Clerks Association. Mr. Hegarty stated that Article 35 deals with the Town deadline for minutes and a requirement to include a document list. Mr. Tim Litt (148 Woodland Road) commented that speech to text might be useful for minute takers.

v. Authorize ZBA article for extension of special permits to be sent to Planning Board

The Board discussed the article. Mr. Stivers requested language that describes granting of extensions for Special Permits be changed from "shall" to "may." Mr. Dennington moved that the Select Board send the ZBA Article (**Article 32**) providing for extensions for Special Permits to the Planning Board with the recommendation that the word "shall" in the current draft be changed to "may." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye; Mr. Dennington, aye (5-0-0).

vi. Don Morris, Tricentennial Committee Chair

The Board heard Scheduled Appointments vi. after Scheduled Appointments iii. Mr. Morris and Ms. Hale appeared before the Board to discuss Articles 37 and 38. Ms. Hale stated Article 37 seeks to create a fund to receive monies for the Tricentennial Celebration and Article 38 seeks $30,000 in seed money for the Tricentennial Celebration. Mr. Morris stated the Tricentennial Committee has done extensive research to determine the amount needed for seed money and described various events the Committee is considering. Ms. Cook asked if the Tricentennial Committee would be soliciting funds. Mr. Morris stated that they would. Ms. Cook offered to work with the three private schools to coordinate efforts. Mr. Stivers stated the School Dept. expressed an interest in participating in the Tricentennial Committee. Mr. Litt advised the Board and public that if public art is considered, it is an undertaking that requires considerable time and money.

The Board took a recess at 8:10 PM and resumed meeting at 8:24 PM.

Mr. Dennington moved that the Board support **Articles 1, 2, 3, 9, 10, 11, 13, 16 and 27** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye; Mr. Dennington, aye (5-0-0).

Mr. Dennington moved that the Board support **Article 14** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved that the Board support **Article 44** at Town Meeting. Mr. Hamilton seconded the motion. The motion was approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, no; Ms. Landry, aye; Hamilton, aye (4-1-0).

Mr. Dennington moved to support **Article 34** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 35** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 37** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 36** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 31** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 28** at Town Meeting. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, abstain; Mr. Hamilton, aye (4-0-1).

The Board discussed Article 29 and decided to include a sunset clause. Mr. Litt stated that he is not supportive of adding a sunset clause for the newly created Public Works Advisory Committee (PWAC). The Board discussed the matter. Mr. Dennington moved to add a 10-year sunset provision to the draft Article 29. Mr. Hamilton seconded the motion. The motion was approved by roll call vote: Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye; Ms. Cook, no (4-1-0).

The Board discussed Mr. Palmer's Citizens' Petitions, Articles 45, 46 and 47. Mr. Dennington stated that Town Counsel's position is that these articles should not be removed from the Warrant, as other individuals have signed the petitions. Mr. Dennington moved to support **Articles 45, 46 and 47** at Town Meeting. Mr. Stivers seconded the motion. The motion unanimously failed by roll call vote: Mr. Dennington, no; Mr. Stivers, no; Ms. Landry, no; Mr. Hamilton, no, Ms. Cook, no (0-5-0).

The Board discussed Articles 48 and 49. The Board agreed to address these articles further at their joint meeting with the Advisory Committee on February 13th. The Board also agreed to send any typographical errors on the Warrant to Mr. Purple for editing the draft Warrant.

IV. Reports

a. Chair's Report

i. Report of MMA Annual Meeting

Mr. Dennington reported that he recently attended the Massachusetts Municipal Association's Annual Meeting. He stated that the proposed Municipal Empowerment Act would provide efficiencies for municipalities. Mr. Purple stated that State Aid has increased approximately $30,000 over FY24. He also stated that he spoke with a representative from Massachusetts Housing Partnership who suggested that having a committee solely focused on affordable housing issues might be a more effective structure for achieving the Town's goals. He also stated he spoke with an arborist who provided timely information regarding tree issues in municipalities.

b. Member's Report

i. Atwood Update

Mr. Hamilton stated that samples have not yet been taken from the site, due to weather conditions, and he expects a decision to be made on the article for Town Meeting within the next two weeks.

ii. Alternative affordable housing sites

Mr. Hamilton stated he is exploring other sites for affordable housing. He stated he remains committed to increasing the Town's affordable housing stock.

c. Town Administrator's Report

i. Regional Dispatch: Update on Westborough RECC

Mr. Purple reported that the Westborough Select Board has chosen the old Harvey Building as the new site for the Regional Emergency Communications Center. He stated they have offered to give a tour of the site and engage with Southborough if the Town is interested. Mr. Hamilton stated it makes sense to explore this new avenue. Mr. Stivers suggested communicating with Hopkinton for informational purposes.

V. Consent Agenda

a. Approve Open Session meeting minutes: January 16, 2024; January 23, 2024

Mr. Stivers requested to hold Consent Agenda item "a." **January 16, 2024 minutes:** Mr. Stivers had scrivener's changes to Lines 134 and 204. Mr. Dennington moved to approve the January 16, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0). **January 23, 2024 minutes:** Mr. Stivers had ten edits to the minutes and sent a written copy to Ms. Hale detailing the edits. Mr. Dennington had an edit to Line 24. Mr. Dennington moved to approve the January 23, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

b. Approve Job Description for Junior Civil Engineer

c. Appoint Johanna Sheyner as Recreation Commission representative to 21 Highland Committee, term to expire 6/30/24

d. Appoint Kevin Miller as Historical Commission representative to 21 Highland Committee, term to expire 6/30/24

e. Approval of 2024 Warrant for Presidential Primary; March 5, 2024

f. Accept donation in the amount of $25 to the Library from Bonnie and Brian Rennell

Mr. Dennington moved to approve Consent Agenda items "b", "c", "d", "e" and "f." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

VI. Other Matters *(Board may vote)*

VII. Public Comment

There was no public comment.

VIII. Executive Session

Mr. Dennington moved to enter the Board into Executive Session, per M.G.L. Chapter 30A, Section 21, at 9:15 PM and did not return to Open Session to consider the purchase, exchange, lease or value of National Grid parcel 54-60, as the Chair determined that an open meeting may have a detrimental effect on the Town's position (Exemption 6). Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a non-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Select Board. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless its substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

Introduction to the Rules of Town Meeting (continued)

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none
2. To adjourn	no	yes	limited	majority	amend
3. Point of no quorum	no	no	no	none	none
4. Recess	no	yes	limited	majority	amend

18. Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19. Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

ANNUAL TOWN MEETING

Worcester, ss. February 27, 2024

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the Trottier School Auditorium, 49 Parkerville Road, in Southborough, MA, on

Saturday, March 23, 2023

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to accept any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in Estimated Receipts Account, and determine what disposition shall be made of the same, if accepted, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *To allow the Select Board to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Select Board, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2024 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 3: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Select Board or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, but no longer than seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Select Board or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Board Recommendation:
Summary: *This article allows the Select Board and/or the School Committee to enter into contracts in excess of three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.*

ARTICLE 4: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

PERSONNEL BYLAW
ENTITLED "THE SALARY ADMINISTRATION PLAN"

Effective July 1, 2024, this bylaw establishes a Salary Administration Plan for the Town of Southborough that (i) groups position classifications in Town services, (ii) establishes salary schedules and employee benefits and (iii) establishes and authorizes the Personnel Board to administer the bylaw to provide oversight and guidance to the Town Administrator in the development and maintenance of personnel policies and regulations. and to represent the interest of both the taxpayers and the Town employees.

This Salary Administration Plan applies to the positions of all officers and employees in the service of the Town, whether full-time, part-time, temporary, seasonal, special or any other, except those positions filled by popular election, under the direction and control of the School Committee, performed pursuant to a contract approved by the Town, encompassed in any officially recognized labor union and/or association, or exempted by statute. The positions covered by this Salary Administration Plan are hereby classified by titles in the groups listed in Schedule A through E ("Classification Schedule") as set forth in Section 20 of this bylaw.

The classification of positions subject to the Massachusetts Welfare Compensation Plan (as amended) and the scheduled rates therefor, as well as the applicable provisions of the Massachusetts General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

SECTION 1. DEFINITIONS

As used in this bylaw, the following words and phrases shall have the following meanings:

"Administrative Authority" means the elected or appointed official or board having jurisdiction over a function or activity.

"Base Pay" means the compensation paid by the Town of Southborough for the purposes of determining retirement credits and contributions for Town employees.

The Town shall contribute funds as required for each eligible employee in accordance with the procedures and formula established by the Worcester Regional Retirement System and the bylaws of the Town of Southborough. Contributions shall include (i) wages earned during the first eight hours worked in any one day (no contributions shall be made for hours worked in excess of 40 per week,) (ii) any lump sum bonus that is guaranteed by the Salary Administration Plan or the Bylaws of the Town, (e.g., longevity pay); (iii) vacation pay, except when paid in lieu of taking vacation; (iv) sick pay; and (v) holiday pay.

"Class" means a group of positions in the Town service sufficiently similar with respect to duties and responsibilities such that for each position the same (i) descriptive title may be used, (ii) qualifications shall be required, (iii) tests of fitness may be used to choose qualified employees and (iv) scale of compensation can be equitably applied.

"Classification Schedule" means any of Schedules A, B, C, D and E of Section 20 hereof.

"Compensation Grade" means a range of salary/wage rates as may appear in the Classification Schedules.

"Continuous Full-Time Service" means employment requiring a predetermined minimum work period that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Continuous Employment" means full-time or part-time employment that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Department" means a functional unit of Town government.

"Department Head" means the person appointed and responsible to carry out the duties of a Department.

"Exempt employee" means an employee who is not entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"Full-Time Employment" means employment for not less than 20 hours per week for fifty-two weeks per annum, excepting authorized holidays and leave periods.

"Group" means a group of classes as may appear in the Classification Schedules.

"Maximum Rate" means the highest compensation rate to which an Employee is entitled.

"Minimum Rate" means the lowest rate in a Range, and is normally the hiring rate of a new employee.

"Non-exempt employee" means an employee who is entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"On-Call Compensation" refers to additional money paid to an employee who is available to work when the need requires oftentimes in an evening or weekend capacity.

"Part-Time Employment" means employment less than 20 hours per week.

"Position" means an office or post of employment in the Town service with duties and responsibilities calling for the Full-Time or Part-Time employment of one person in the performance and exercise thereof (or of more than one person sharing the same position).

"Position Class" means the same as "Class" (note that a class may include only one position, in which event it is defined as a "single position class").

"Probationary Employee" means a first-time Town employee within his/her first six months of employment, or longer if extended.

"Promotion" means a change from one position to another position in a higher class and/or compensation grade.

"Range" means the difference between minimum and maximum rates of an assigned grade.

"Rate" means the measure of compensation for personal services on an hourly, weekly, monthly, annual or other basis.

"Salary Administration Plan" means the Personnel Bylaw Entitled "The Salary Administration Plan."

"Single Rate" means a rate for a specific position class that is not in a designated range

"Start Date" means the first day of employment with the Town.

SECTION 2. POSITION TITLES

No person shall be appointed, employed or paid in any position under any title other than those of the Classification Schedule for which the duties are actually performed. The position title in the Classification Schedule shall be the official title for all purposes, including payrolls, budgeting and official reports.

SECTION 3. NEW OR CHANGED POSITIONS

No new position shall be established, nor the duties of an existing position so changed that a new level or work demand exists, unless upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall (a) approve an appropriate job description, (b) rate such new or changed position, and (c) allocate it to its appropriate classification grade and establish the rate thereof.

SECTION 4. RECLASSIFICATION OF EMPLOYEES

No position may be reclassified to another grade, whether higher or lower, unless the Personnel Board shall have determined such reclassification is consistent with this Salary Administration Plan.

SECTION 5. JOB DESCRIPTIONS

The Personnel Board shall maintain such criteria as it deems appropriate for the positions and classes in the schedules. Each department or public body (board, committee, commission) with SAP employees shall maintain current job descriptions for such employees. All such job descriptions and any revisions thereto must be submitted to the Personnel Board for approval following review and approval by the Select Board or appropriate public body. The criteria for any class shall not be deemed to limit the duties or responsibilities of any position as set forth in the job description, nor to affect in any way the power of any administrative authority to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 6. COMPENSATION

a. The bi-weekly pay period shall begin at 12:00 a.m. Thursday and shall end at 11:59 p.m. on the following second Wednesday.

b. Non-exempt employees subject to this Salary Administration Plan shall be paid for one and one-half hours worked for any hour worked in the excess of forty in their weekly pay period, provided such extra hours were authorized by the Department Head.

c. The salary schedules set forth in Schedules A, B, C, D and E of Section 20 hereof reflect the maximum and minimum salaries for each grade.

d. The annual salary set forth in Schedule A represents a 40-hour work week and in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated annual salary is pro-rated reflective of the posted salary schedule in Schedule A.

e. Amounts paid to employees in reimbursement for expenses incurred in the performance of their duties (e.g., mileage, meals, dues, etc.) shall be paid in addition to their compensation. Reimbursement shall be based upon the actual documented expenditure made by the employee, or at rates established by the Internal Revenue Service, supported by that agency's requirements for documentation.

f. On-Call Compensation: The on-call member of the Facilities Department shall be eligible to earn a weekly stipend for on-call service if the department head has required them to be available to respond to situations outside of their normal work schedule. This weekly stipend shall be equal to a set rate of $300 per week. If the on-call staff member must report to work outside of their normal work schedule, compensation for this time shall be based on the standard SAP overtime practices. Additionally, if the on-call staff member is faced with a situation that renders them unable to serve as the on-call individual on a particular day that they are scheduled to be on call, said employee may request that another eligible staff member cover their on-call time, with the approval of the department head. In such an event, the regularly scheduled employee's weekly stipend will be reduced by $45.00 per day that they are unable to be on call; this stipend amount will instead be paid to the covering employee per day of coverage. There is no provision to accrue compensation time in lieu of payment for on-call time.

SECTION 7. SALARY ADJUSTMENT & COMPENSATION POLICIES

a. Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible for consideration of a salary increase annually on July 1. Employees hired between April 1 and June 30 will be eligible for a salary increase the July 1st following their twelve-month anniversary. Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Select Board or their designated appointee in the case of departments within the jurisdiction of the Select Board, or the appropriate Commissioners or Trustees in the case of departments outside the jurisdiction of the Select Board.

Retroactive salary increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism.

Unless specifically exempted by Personnel Board policy, requests for salary increases must be accompanied by a certification from an employee's manager that the employee's performance has been "satisfactory" or better and that a written employee performance appraisal, on a form approved by the Personnel Board, has been completed. The

form of this certification will be prescribed by Personnel Board policy promulgated hereunder. Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments.

An employee may appear before the Personnel Board prior to its action on any request for an increase. Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

b. Special Non-Continuous Part-Time employees and employees in Schedule B classifications shall be eligible for consideration for salary increases upon the recommendation of the appropriate department manager or Board and approval of the Personnel Board.

c. Probationary Employees

1. During the probationary period, benefit eligible employee(s) will earn vacation, sick and personal time in accordance with Section 11(b-d) hereof.

2. During the probationary period, paid leave accruals shall be based on the Start Date.

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board, provided the maximum for the job is not exceeded. This is contingent upon the Department Head's recommendation that qualifications and performance warrant it.

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the Personnel Board approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL HIRING; DEPARTURES

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. Probationary period: For new hires, the first six months of employment shall be a probationary period. The probationary period does not apply to Town employees who change positions within the Town. The probationary period is a time during which an employee will be evaluated to ensure that the employee has the requisite knowledge, skills, and abilities to perform the position (with or without reasonable accommodations). Completing the probationary period does not change the employee's relationship with the Town, which will remain one in which either the employee or the Town may terminate the relationship at will. The probationary period may be extended by a Department Head [or Appointing Authority] when deemed necessary.

c. A new employee's hiring rate shall be the minimum of the rate range of the job, unless otherwise authorized by the Personnel Board or Personnel Director. The Personnel Board is cognizant of the need to make timely decisions during the recruitment process, therefore, the Personnel Director is empowered to set starting salaries for new employees with comparable experience up to Step 8 for the appropriate job grade as set forth in Schedule A of the Salary Administration Plan.

d. The Personnel Director or his/her delegatee shall notify the Personnel Board in writing of the hiring of all personnel and their hiring rates. The Personnel Director or his/her delegatee shall also notify the Personnel Board in writing of the departure of any employee.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i(1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees. The benefits listed below are not intended to supersede what State or Federal law may otherwise require. The benefits set forth in this section are applicable to Full-Time employees only, except where noted.

All forms of paid leave set forth in this section are based on a 40 hour work week; in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a. Holidays with Pay

Full-Time employees shall receive one day's pay at their regular rate for the following:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veteran's Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	Day before or after Christmas Day (as set by the Town annually

To be eligible for holiday pay, an employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday. Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval. Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years.

All administrative policies and practices relative to holidays with pay shall be prepared and established under the direction of the Personnel Board.

b. Vacations with Pay

(1) Full-Time employees who have been in the continuous employ of the Town shall earn paid vacation in accordance with the following schedule:

Years of Employment	Hours Earned Per Month	Vacation Earned Per Year (Pro-rata)
0 - 2	6.666	Two weeks
2+ - 7	10.0	Three weeks
7+ - 15	13.333	Four weeks
15+ - or more	16.666	Five weeks

Employees hired prior to July 1, 2005, shall be eligible to earn twenty hours per month after serving twenty years of full-time employment with the Town.

(2) At the recommendation of the hiring authority and upon the approval of the Personnel Board, new employees entering into a position with the Town of Southborough from a similar position will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of four weeks' vacation [pro-rated] for the first year of employment with the Town.

Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the Department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. Employees hired on or after July 1, 2023, shall be permitted to carry over a maximum of two weeks to the following fiscal year. The employee must have the Department Head's approval to take any portion of a prior year's unused vacation in addition to the days earned in the current fiscal year. Employees commencing employment with three weeks per year will be required to complete two years of service before ascending to the next band (four weeks) in the vacation schedule chart and seven years of service before ascending to the following band. Awarding four weeks should be the exception based on evidence that the employee is leaving another position that already provides this benefit. Employees commencing employment with four weeks per year will be required to complete five years of service before ascending to the next band (five weeks).

(3) If in the opinion of the Department Head there are unusual work-related circumstances that warrant it, a department head may seek approval from the Town Administrator or his/her delegatee to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(4) In the event of termination of employment the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

(5) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

c. Sick Leave

(1) Full-Time employees shall be entitled to accrue 10 sick hours per month, equaling 120 hours annually (15 sick days); employees working less than 40 hours in a weekly pay period will accrue ratably based on hours worked per week. Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave. Employees of the Town of Southborough hired on or after July 1, 2023, will not be subject to any payout of accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

(5) Sick Leave administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

d. Personal Days

Full-Time employees shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's Start Date. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the Department Head. Personal days shall not accumulate from year to year.

e. Military Leave

(1) Reserve Duty: An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(2) Active Duty: Pursuant to Article 8 of the April 11, 2005 Annual Town Meeting, an employee in the federal military reserve or a state National Guard who is called to active service shall be entitled to their regular base salary and shall not lose any seniority or paid leave benefits while on military leave; *provided*, however, that such base pay shall be reduced by any amount received from the United States as pay or allowance for military service performed.

f. Jury Duty

Any employee who is called to jury duty shall be paid the difference between their normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

g. Miscellaneous Paid Time Off

Working time lost from regularly scheduled work days for reasons listed below shall be without loss of pay, provided such lost time is authorized by the Department Head. Sections (1) – (3) are applicable to Full-Time employees only; Section (4) is applicable to both Full-Time and Part-Time employees.

(1) Bereavement leave – In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the employee, such employee shall be entitled to receive three days' leave for the purpose of the funeral and services of the deceased. If out-of-state travel is required, the Department Head may authorize up to two additional days of travel time.

(2) Medical examination or inoculation required by the Town.

(3) Blood donation authorized by the Department Head.

(4) Attendance at professional and/or educational programs authorized by the Department Head.

h. Court Time Pay

If the Town requires that an employee appear in Court as a witness or in any other capacity arising from the performance of the employee's duty, or on behalf of the Commonwealth or the Town in any civil or criminal case pending in any Court or other official governmental board or agency, such appearance and related travel time shall constitute work time for purposes of calculating weekly hours worked. If such appearance or related travel time causes a non-exempt employee to exceed forty hours of work in any given work week, the employee shall be eligible for overtime pay in accordance with Section 6(b). This section does not apply to exempt employees.

i. Employee Educational Support/Professional Development

(1) Degree Bonus: All Part-Time and Full-Time employees who, while an employee of the Town, earns a degree in a field applicable to their position from an accredited college or university, shall receive a one-time bonus subject to appropriation, according to the following schedule:

Associates Degree ...$ 800.00
Bachelors Degree ..$1,200.00
Masters Degree $1,500.00

A copy of the completed transcript, diploma or other appropriate evidence of the completed degree must be presented to the Department Head and the Personnel Board, and shall be submitted as documentation for accounts payable.

(2) Tuition reimbursement: the Town may offer tuition reimbursement to eligible Full-Time and Part-Time employees as prescribed by Personnel Board policy enacted under this Bylaw.

j. Group Medical Insurance

Starting July 1, 2009, the Town will contribute fifty percent (50%) of the cost of a medical indemnity plan or seventy-five percent [75%] of the cost of a Health Maintenance Organization plan for Full-Time employees only.

SECTION 12. UNPAID LEAVES OF ABSENCE

a. A leave of absence without compensation may be granted by the Personnel Board.

b. Leaves of absence of over three months' duration (except Military Leave) shall be deemed a break in employment, and on return to work the employee shall have the status of a new employee unless an extension of leave beyond three months was authorized by the Personnel Board.

SECTION 13. PART-TIME EMPLOYEES WORKING FULL-TIME HOURS TEMPORARILY

a. A Part-Time employee may work 20 hours or more per week for no longer than two bi-weekly pay periods, or four bi-weekly pay periods in the case of an Election Worker during an election cycle, if requested by their Department Head due to exigent circumstances, or for longer if recommended by the appointing authority or the Personnel Director, with the authorization of the Finance Director and approval of the Personnel Board. In such cases, the employee will remain a Part-Time employee with no change in status.

b. Department Heads may submit requests for additional compensation for Part-Time employees temporarily working Full-Time hours, subject to available funding as authorized by the Finance Director and approved by the Personnel Board.

SECTION 14. APPOINTMENT OF "ACTING" DEPARTMENT HEADS

a. In the absence or retirement of a Department Head for three consecutive weeks, the Select Board or appropriate board or commission may appoint an "Acting" Department Head to serve for a period ofnot more than three months. Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Select Board or other appropriate board or commission for each such extension. In no case shall an appointment of an "Acting" Department Head exceed one year.

b. Duly appointed "Acting" employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the "Acting" employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation.

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The

Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds therefor.

SECTION 16. DUTIES OF THE PERSONNEL BOARD

a. The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of the Plan.

b. The Town Administrator serves as the Town's Personnel Director under the Town Administrator Bylaw [Ch. 27, Art. IX]. As such, the Personnel Director is invested with personnel authority and responsibilities as set forth therein. From time to time, and as may be necessary, the Personnel Board will consult and/or act in concert with the Personnel Director or his/her delegatee on matters of joint responsibility and concern. The Personnel Board shall provide oversight and guidance to the Personnel Director in the development and maintenance of personnel policies and regulations.

c. The Board shall meet annually in July and organize by the choice of a Chair and Vice-Chair. The Board shall meet at least monthly, except when there is no business before the Board. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

d. The Personnel Board shall maintain records of all employees subject to this Plan as it deems desirable, including personnel evaluations. Such records are to be kept by the Personnel Director or his/her delegatee, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the Board.

e. The Personnel Board shall from time to time, but no less often than every federal Election Year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

f. The Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information. Approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.

g. Matters of concern by SAP employees that are communicated in writing to the Chair of the Personnel Board will be scheduled on an agenda at the next available meeting providing all necessary and requested information has been submitted in time to be part of the meeting packet. In addition, notice in writing shall be forwarded to the concerned employee and respective Department Head within seven days of the Board's decision. Notwithstanding the foregoing, if the Personnel Board shall so request and the concerned employee and Department Head shall agree, a reasonable extension of these time periods may be granted.

h. Upon recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, the Board may authorize variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the Town, and to effectuate the basic intent of the Plan.

SECTION 17. EMPLOYEES AND THE PERSONNEL BOARD

a. All employees covered by this Salary Administration Plan shall have the right to request an appointment to confer with the Personnel Board on any matter of interest or concern to them that is covered by the Salary Administration Plan. The employee shall notify the Department Head in writing in advance of the desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

The Salary Administration Plan may be amended in the same manner that Town Bylaws may be amended. However, no amendment to the Plan shall be made until it has been presented to the Personnel Board and the Personnel Board has the opportunity to act on it. The Board of its own motion may propose an amendment to the Plan.

SECTION 19. SEVERABILITY PROVISION

In the event that any provision of this bylaw, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this bylaw.

SCHEDULE D: SPECIAL ADMINISTRATIVE AND SUPERVISORY POSITIONS

Police Lieutenant:

In addition to all the benefits provided employees under the SAP, he/she would be eligible for some additional benefits as provided members of Mass COP Local 167, the police union collective bargaining agreement.

As a result, a separate policy is adopted by the Southborough Select Board and enforced by the Southborough Police Department subject to change in conjunction with future collective bargaining agreements.

*Increases in salary for long term employees will be considered case by case by Personnel Board.

SCHEDULE E: LONGEVITY SCHEDULE: Full-Time Employees of Town of Southborough – Compensated annually on the anniversary of the employee's Start Date

After 5 years $400
After 10 years $600
After 15 years $700
After 20 years $850
After 25 years $1,000
After 30 years $1,200
After 40 years $1,500

, or do or act anything in relation thereto.

Proposed by: PERSONNEL BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The Personnel By-Law governs policies and pay structures for non-union employees.*

ARTICLE 5: To see if the Town will vote to raise a sum of money as may be necessary for the Town's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

SEE BUDGETS ON THE FOLLOWING PAGES

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:

Summary: *The article includes recommendations from both the Select Board and the Advisory Committee for the FY25 budget. Funding recommendations are noted in the individual recommendation columns for each department.*

ARTICLE 6: To see if the Town will vote to raise a sum of money as may be necessary for the Water Enterprise Fund's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

ENTER BUDGET EXCEL

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates and the fund's retained earnings, which supports all aspects of the department's operation. The funding for those capital items that are being leased/purchased for use by the Water Department, in whole or in part, are included in this budget.*

ARTICLE 7: To see if the Town will vote to transfer a sum of money from Water Retained Earnings for use in the FY24 Water Enterprise Fund budget, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article is intended to supplement the water revenue for the current fiscal year in the Water Enterprise Fund. FY24 has seen lower than expected water usage, and the use of retained earnings will complement the revenue from water rates and provide sufficient support for the Water Enterprise Fund.*

ARTICLE 8: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	Request	Levy	Receipts Reserved Ambulance/Other
A.	ROAD MAINT. & MISC STREET REPAIR	$650,000	$650,000

Summary:

ARTICLE 11: To see if the Town will vote to appropriate a sum of money for the payments of the capital lease agreements as described below:

	Equipment	Authorized Department	Source of Appropriation	FY25 Amount
A.	1 - Horton Type Ambulance	Fire Department	FY25 Capital Budget - Ambulance Fund	$57,191
B.	1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY25 Capital Budget - General Fund	$25,037
C.	1 - Pick Up Diesel F-350	Dept. of Public Works	FY25 Capital Budget - General Fund	$10,622
D.	1 - Fire Dept Chief Vehicle	Fire Department	FY25 Capital Budget - Ambulance Fund	$8,422
E.	Police Taser Program	Police Department	FY25 Capital Budget - General Fund	$19,455

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *The lease agreements for these vehicles were authorized by Town Meeting in 2021, and these are the third year of the lease payments. With the exception of the Fire Ambulance (5-year lease), all of the leases are for 7 years.*

ARTICLE 12: To see if the Town will vote to authorize payment from Fund 2261 – 9-11 Field Maintenance Revolving the sum of $45,000 for the FY24 principal and interest payment, and $45,000 for the FY25 principal and interest payment, for the May 2018 bond issuance for the resurfacing of 9-11 Field; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary:

ARTICLE 13: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $5,000 for the purpose of hiring consultants, engineers, water quality specialists, and/or environmental consultants by various Town departments, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article allows town departments, with the approval of the Select Board, to hire outside expertise when the need arises.*

ARTICLE 14: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article.*

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of $10,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE 16: To see if the Town will modify the intent of Article 18 passed at the Annual Town Meeting on April 9th 2018 which stated "Lundblad Field design & specialty consultant" to re-purpose to "Lundblad Field construction and upgrades", or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *The original article was to "fund research and design work including investigation of the membrane and other aspects of the property." As a balance of $46,411.00 remains the Town would like to utilize the residual funds for the construction of facility improvements, including, but not limited to, a community dog park.*

ARTICLE 17: To see if the Town will vote to raise and appropriate or transfer from any available funds a sum of money for the purpose of scanning historical Town Clerk documents, or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This Article funds the scanning of historically significant documents in the Town Clerk's office that cannot be scanned using in-house scanners due to the size of the documents and/or how they are housed. Community Preservation Act ("CPA") funds cannot be used for this expense because of a recent Department of Revenue ruling prohibiting use of CPA funds to scan documents unless the documents themselves are also physically preserved, and the relatively good physical condition of these documents does not warrant the extra expense of preservation. Examples of the types of documents to be scanned are records from the 1700s including minutes of the town's first town meeting in 1727 and all of the town's Revolutionary War and Militia related documents, records from the 1800s including Civil War Records, school, land and legal records, and records from the early 1900s including Citizen's Caucus, Cemetery records, and Jury and Voter lists. Additionally, approximately 55,000 pages of historically significant documents are currently being scanned at no cost through the Massachusetts Digital Commonwealth and we anticipate sending an additional 60,000 pages later in the year. These documents are being uploaded to the new website 01772history.org, along with a description of the historical significance of the document.*

ARTICLE 18: To see if the Town will vote to raise and appropriate, or transfer from available funds the sum of $150,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Capital Improvement and Planning Committee as requested, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE 19: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the ongoing maintenance of capital investments associated with outdoor recreational facilities. The Town's Director of Recreation shall recommend appropriate projects to the Recreation Commission. The Recreation Commission shall approve all expenditures under this article, or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 20: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for Fiscal Year 2025:

1. Immunization/Emergency Dispensing Clinic; $15,000.
2. Inspectional Services; $140,000.
3. 9-11 Field Maintenance; $100,000.

Advisory Committee Recommendation:
Summary:

ARTICLE 34: To see if the Town will vote to authorize the Select Board under Clause (1) of Section 8 of Article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts to submit to the General Court a Home Rule Petition, accompanied by a bill for a special law relating to the Town of Southborough, to the end that legislation be adopted precisely as submitted. The General Court may make clerical or editorial changes of form only to the bill, unless after a public hearing the Select Board approves amendments to the bill before enactment by the General Court. The Select Board is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition. Said submission shall be accompanied by an attested copy of the motion and vote of the Town Meeting on this article.

Said bill shall make the following modifications to Ch. 447 of the acts of 1991: (a) Re-establish the office of Tree Warden as an appointee of the Select Board, supervised by the DPW superintendent; (b) dissolve the Public Works Planning Board of the town of Southborough; (c) replace "board of selectmen" with "select board" throughout.
The form and wording of said submission shall be determined by the Select Board in consultation with Town Counsel and the Town's representatives to General court.

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (4-0-1)
Advisory Committee Recommendation:
Summary: *The Public Works Planning Board was created in 1991, and does not meet current expectations. The Select Board is officially the town's Tree Warden by the Special Act which has proven inefficient. The office of Tree Warden would be reinstated as an appointed officer of the Town.*

ARTICLE 35: To see if the Town will vote to establish a Public Works Advisory Committee by deleting Article I ("Solid Waste Disposal Committee") of the Town Code in its entirety and inserting the following into the Town Code:

Article XIII Public Works Advisory Committee

§9-52 Purpose

Because the Department of Public Works ("DPW") is a complex organization that consumes a significant portion of the Town's budget and directly impacts the life of every resident: planning, prioritization, coordination and communications with the residents is essential. The PWAC provides a focal point for and assistance with this complex function.

§9-52-A Establishment; Membership; Qualifications

Effective upon the dissolution of the Southborough Public Works Planning Board, there shall be a Public Works Advisory Committee ("PWAC"), which shall consist of five voting members and the non-voting ex-officio members identified below.

Each voting member shall be a resident of the Town and shall not be a Town officer or employee. Preferably at least 3 voting members should have significant relevant work experience and knowledge of activities undertaken by the DPW.

The voting members shall be appointed by the Select Board.

§9-52-B Appointments; Terms; Vacancies; Removal

Voting members shall be appointed for three-year terms. The initial appointments shall be two members for three years, two members for two years, and one member for one year, so as to establish overlapping terms.

Any voting member who shall remove from the Town, resign, or die shall cease to be a member. When notified that any voting member has failed to faithfully discharge his duties, or has failed without good cause to attend at least three quarters of the PWAC meetings held in any six-month interval: the Select Board shall promptly give notice, hold a hearing and determine whether such member shall be removed from the PWAC. In any case of a vacancy in the voting membership, the Select Board shall make every effort to, within thirty days, appoint a replacement for the balance of the unexpired term.

The ex-officio (non-voting) members have terms coincident with their employment and shall be: the Superintendent of Public Works and the Town Planner.

§9-52-C Organization; Meetings

The members shall select, from among themselves, a Chair, vice-Chair, and a Secretary.

The PWAC shall establish a regular schedule of meetings sufficient to complete its duties, but shall meet at least quarterly.

The PWAC shall ordinarily and preferentially meet in the Town, but may conduct meetings, investigations or inspections within the scope of its duties and authority anywhere, subject to standard Town travel budgets and policies.

The PWAC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.

All reports and recommendations of the PWAC made to the Town shall be voted by a majority of the voting members of the PWAC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the non-voting members.

§9-52-D Funding

The PWAC may incur expenses for consultants, communications, minute-takers and other purposes. Such expenses shall be from a separate line item under the DPW's budget, established by the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the PWAC, and be subject to the Town's policies for such expenditures.

§9-53 Functions and Definitions

The duty of the PWAC shall be to respond to requests for support from the Superintendent of Public Works, the Select Board, the Planning Board, the Advisory Committee, the Capital Improvement Planning Committee, and such other Town Entities as may be appropriate.

Further, PWAC shall also proactively evaluate, study, recommend, propose, and/or report on significant projects to be undertaken by the DPW.

The PWAC shall assume the functions of the former Green Technology and Recycling Committee that were assigned to the former Public Works Planning Board.

In this Article XIII, the phase "Town Entities" includes any Town board, committee, or agency of Town government, or subsidiary organization of any of these, whether statutory, elected or appointed.

In this Article XIII, the phase "Public Works Projects" includes projects conducted or planned to be conducted by the DPW, including but not limited to: road and sidewalk construction and maintenance; solid waste disposal (including operation of the transfer station, recycling and fees); cemetery operation; construction and maintenance of the water system (including conservation and fees); tree maintenance, removal, and replacement; public stormwater, and traffic management.

§9-54 Mission and Authority

The PWAC shall assist with establishing priorities and long-term planning for significant Public Works Projects. The PWAC may evaluate and/or develop options to be considered for Public Works Projects that significantly deviate from their plans in scope, expense, and/or schedule. The PWAC may assist in locating and/or evaluating the desirability of external (e.g., grant) funding for Public Works Projects.
The PWAC shall coordinate its work with the Advisory Committee, Capital Improvement Planning Committee, Planning Board, Trails Committee, and Recreation Commission as reasonably necessary.
The PWAC shall not manage or direct the Superintendent of Public Works, DPW employees, or projects.
The PWAC shall assist the Superintendent of Public Works to communicate plans for Public Works Projects and the status of such projects to residents (especially neighbors) at the earliest feasible time. It shall serve as a focal point for citizen concerns with Public Works Projects, and may conduct public hearings.

§9-54-A Other Agencies

The PWAC may meet with other governmental agencies to discuss opportunities for interoperation, efficiencies or other synergies. However, the PWAC does not have the authority to commit the Town to pursue such opportunities, which authority rests with the Superintendent of Public Works, other Town Entities, and/or their designees.

§9-55 Reporting

From time to time, as may be necessary, the PWAC shall report to the Superintendent of Public Works and/or the Select Board on its activities and such reports, studies, evaluations, recommendations, and/or proposals as it has initiated or have been requested of it.
From time to time, as may be necessary, the PWAC shall report to the Town Meeting.

§9-56 Interpretation

The section headings and numbering of this Article XIII are for convenience and shall not be construed to modify the interpretation of the article.
In this Article XIII, the masculine forms (including "his", "he", and "him") are used inclusively to refer to any person regardless of gender or sexual orientation.
In this Article XIII, terms are defined in quotation marks within parenthesis, and their uses are indicated by capitalization. The definition of each such term applies to its use in the entirety of this Article XIII, whether or not the definition appears before such use.
In this Article XIII, the word "will" is to be interpreted as descriptive of an outcome or process and not as an imperative; the word "shall" is to be interpreted in the imperative sense of "must" or "is required to"; while the word "may" is to be interpreted in the permissive sense of "optionally", or "has discretion whether or not to". ADD SUNSET PROVISION?

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *Replaces the Special Act-chartered Public Works Planning Board with a Town standing committee when the PWPB dissolves as initiated by Article 28.*

ARTICLE 36: To see if the Town will vote to add a new **§ 174-10.3** to the Town of Southborough's Zoning Bylaws, amend the zoning map, amend certain other sections to integrate the new section into the current zoning bylaw, and make any minor modifications to the text required for consistency with the existing format of the bylaws.

Add the following definitions to § 174-2. Definitions.
B. Definitions
Add definitions here if the Town would prefer them to be in the main section rather than the MCMOD zoning. The current definition of Lot is similar, so I retained the Town's. The Town's definitions of Dwelling, Multifamily, Dwelling Unit, and Open Space were sufficiently different, so I left those in. See § 174-10.3.C.

Add the following text to: § 174-3. Districts enumerated.
N. MBTA Communities Multi-family Overlay District, referred to as MCMOD.

Add the following text to:§ 174-10. Site plan approval

A. The purpose of the site plan review procedure is to encourage a desirable and compatible character of development within the Town of Southborough and to assure safety, promote logic, imagination and innovation in the design process while complying with all zoning requirements. The requirements of this section shall be applicable to the following:

(6) All multi-family development with more than 10 units within the MCMOD (§174-10.3).

Add the following text to:§ 174-12.1. Outdoor illumination

(3) LZ-2: moderate ambient lighting

(a) Areas of human activity where the vision of human residents and users is adapted to moderate light levels. Lighting may typically be used for safety and convenience, but it is not necessarily uniform or continuous. After curfew, lighting may be extinguished or reduced as activity levels decline.

(b) Zoning District: Business Village, **MCMOD**

Add the following section:

§ 174-10.3: MBTA Communities Multi-family Overlay District

A. Purpose

The purpose of the MBTA Communities Multi-family Overlay District (MCMOD) is to allow multi- family housing as of right in accordance with Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A). This zoning provides for as of right multi-family housing to accomplish the following purposes:

(1) Encourage the production of a variety of housing sizes and typologies to provide equal access to new housing throughout the community for people with a variety of needs and income levels;

(2) Support vibrant neighborhoods by encouraging an appropriate mix and intensity of uses to support an active public space that provides equal access to housing, jobs, gathering spaces, recreational opportunities, goods, and services within a half-mile of a transit station.

(3) Locate housing within walking distance of public transit [and downtowns or town centers] to promote general public health, reduce the number of vehicular miles travelled, support economic development, and meet community-based environmental goals, including reducing greenhouse gases and improving air quality.

(4) Preserve open space in a community by locating new housing within or adjacent to existing developed areas and infrastructure.

(5) Support public investment in public transit and pedestrian- and bike-friendly infrastructure.

(6) Increase the municipal tax base through private investment in new residential developments.

B. Establishment and Applicability

This MCMOD is an overlay district having a land area of approximately 53.9 acres in size that is superimposed over the underlying zoning district (s) and is shown on the Zoning Map.

(1) **Applicability of MCMOD.** An applicant may develop multi-family housing located within a MCMOD in accordance with the provisions of this § 174-10.3.

(2) **Underlying Zoning.** The MCMOD is an overlay district superimposed on underlying zoning districts. The regulations for use, dimensions, and all other provisions of the Town of Southborough's Zoning Bylaw governing the respective underlying zoning district(s) shall remain in full force, except for uses allowed as of right or by special permit in the MCMOD. Uses that are not identified in § 174-10.3 are governed by the requirements of the underlying zoning district(s).

(a) The requirements of § 174-10.13.2 Major residential development do not apply to the MCMOD.

(b) The requirements of § 174-10.13.3 Lower impact development may be used as a component of site plan review under § 174-10.3.J, but the Planning Board may not require a separate special permit for a multifamily use within the MCMOD.

(c) The requirements of § 174-10.13.4 Water resource protection may be used as a component of site plan review under § 174-10.3.J, but the Planning Board may not require a separate special permit for a multifamily use within the MCMOD.

(3) **Sub-districts.** The MCMOD contains the following sub-districts, all of which are shown on the MCMOD Boundary Map: Subdistrict A and Subdistrict B.

C. **Definitions.**
For purposes of this § 174-10.3, the following definitions shall apply.
(1) **Affordable unit.** A multi-family housing unit that is subject to a use restriction recorded in its chain of title limiting the sale price or rent or limiting occupancy to an individual or household of a specified income, or both.

(2) **Affordable housing.** Housing that contains Affordable Units as defined by this § 174-10.3.

(3) **Applicant.** A person, business, or organization that applies for a building permit, Site Plan Review, or Special Permit.

(4) **Area Median Income (AMI).** The median family income for the metropolitan statistical region that includes the Town] of Southborough, as defined by the U.S. Department of Housing and Urban Development (HUD).

(5) **As of right.** Development that may proceed under the Zoning in place at time of application without the need for a special permit, variance, zoning amendment, waiver, or other discretionary zoning approval.

(6) **Development standards.** Provisions of § 174-10.3: G. General Development Standards made applicable to projects within the MCMOD.

(7) **EOHLC.** The Massachusetts Executive Office of Housing and Livable Communities, DHCD's successor agency.
(8) **Multi-family housing.** A building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building.

(9) **Multi-family zoning district.** A zoning district, either a base district or an overlay district, in which multi-family housing is allowed as of right.

(10) **Open space.** Contiguous undeveloped land within a parcel boundary.

(11) **Parking, structured.** A structure in which vehicle parking is accommodated on multiple stories; a vehicle parking area that is underneath all or part of any story of a structure; or a vehicle parking area that is not underneath a structure, but is entirely covered, and has a parking surface at least eight feet below grade. Structured Parking does not include surface parking or carports, including solar carports.
(12) **Parking, surface.** One or more parking spaces without a built structure above the space. A solar panel designed to be installed above a surface parking space does not count as a built structure for the purposes of this definition.
(13) **Residential dwelling unit.** A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking. and sanitation.

(14) **Site plan review authority.** Town of Southborough Planning Board.

(15) **Sub-district.** An area within the MCMOD that is geographically smaller than the MCMOD district and differentiated from the rest of the district by use, dimensional standards, or development standards.

(16) **Subsidized Housing Inventory (SHI).** A list of qualified Affordable Housing Units maintained by EOHLC used to measure a community's stock of low-or moderate- income housing for the purposes of M.G.L. Chapter 40B, the Comprehensive Permit Law.

D. Permitted Uses
(1) **Permitted Uses are as follows:** The following uses are permitted as of right within the MCMOD. (a) Multi-family housing.

(2) **Accessory Uses.** The following uses are considered accessory as of right to any of the permitted uses in Section D.1. (a) Parking, including surface parking and parking within a structure such as an above ground or underground parking garage or other building on the same lot as the principal use.

(b) Customary home occupation.

(3) **Prohibited uses.** All uses which are not listed above, legally nonconforming or otherwise allowable by the provisions of the zoning regulations, are prohibited.

E. Development standards are as follows:

Table of Dimensional Standards. Notwithstanding anything to the contrary in this Zoning, the dimensional requirements applicable in the MCMOD are as follows:	**Subdistrict A** *Area 6A* *Area 6B* *Area 6C*	**Subdistrict B** *Area 7* *Area 21*
Standards		
(a) Minimum lot area	25,000	43,560
(b) Minimum frontage	125	200
(c) Minimum setbacks		
(i) Front	30	Area 7 75* Area 21 50*
(ii) Rear	35	50
(iii) Side	15	50
(d) Maximum height	2.5 stories or 35 feet	3 stories of 45 feet
(e) Maximum floor area ratio	0.3	0.6
(f) Maximum dwelling units per acre	15.0	15.0

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 37: To see if the Town will vote to amend the Town Code to add Downtown District to Chapter 174 - Zoning as follows:

- Schedule of use regulations – 174-8.C(5) after Business Village District.
- Signs – 174-11 (D) – sign regulations next to Business Village
- Signs-174-11.E [1] [a] after Business Village District.
- Signs-174-11.E [1] [b] after Business Village District.

Advisory Committee Recommendation:
Summary:

ARTICLE 38: To see if the Town will vote to amend Chapter 174 of the Town Code to include an expiration for special permits as required by MGL c. 40A Section 9 as follows:

In Chapter 174 Section 9 – Special Permit Requirements, to add after the sentence ending with "...or destructive of property values therein." the following clause: "Unless otherwise designated by this chapter, if the rights authorized by a special permit are not exercised within two years from the date of grant thereof, they shall lapse, and a new petition, notice, and hearing will be required for their reestablishment. The applicant shall be granted a single one-year extension by applying in writing to the special permit granting authority at least 30 days prior to the date when the special permit is due to lapse. An extension will only be granted for good cause and/or at the discretion of the special permit granting authority."

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article would amend the Zoning Bylaw to comply with MGL c. 40A Section 9, which requires bylaws to provide a specified period of time in which special permits will lapse.*

ARTICLE 39: To see if the Town will vote to delete in its entirety Chapter § 9-2 of the town code "Meetings prohibited on Election Day, or when Town offices are closed due to weather or other emergency" and replace it with:

§ 9-2 Meetings prohibited on Election Day, or when Town offices are closed due to a weather or other emergency

A. If the Select Board or their designee announce that all Town offices are closed due to a weather or other emergency, any scheduled public meeting shall be cancelled. However, public meetings may be held if the meeting is held in an online format where the public may observe the meeting. A previously scheduled in-person only meeting may be changed to an online format by submitting a revised agenda to the Town Clerk. If a meeting is cancelled, the Town Clerk shall post notice of the cancellation on the Town website.

B. This prohibition will not apply to emergency meetings held to address weather or other emergencies as defined by the Attorney General.

C. No board, committee or commission shall schedule a meeting on the day of any Town, state or federal election.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This Article modifies the existing town code to allow meetings to be held when town buildings are closed to the public due to a weather or other emergency, if the meeting is held in an online format where the public may observe the meeting*

ARTICLE 40: To see if the Town will vote to accept MGL Ch 41 S 19 K as follows:

"In any town, that accepts this section, a town clerk who has completed the necessary courses of study and training, and has been awarded a certificate by the Massachusetts Town Clerks' Association as a certified Massachusetts municipal clerk, shall receive as compensation from such town, in addition to the regular annual compensation paid by such town for services in such office, an amount equal to 10 per cent of such regular annual compensation, but not more than $1,000 per year. In order to qualify for such additional compensation, a town clerk shall submit to the board of selectmen of such town proof of the award of such certificate. The additional compensation provided in this section shall be prorated for any 12 month period in which an eligible person does not hold the office of town clerk for 12 consecutive months. Such additional compensation shall discontinue when certification is discontinued or withdrawn."

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This Article accepts the Massachusetts General Law that provides an annual $1,000 stipend to a town clerk who obtains certification as a Massachusetts Municipal Clerk. Only 31% of Massachusetts town clerks have the required experience, have taken the required continuing education courses and passed the 250 - question examination required to earn this certification.*

ARTICLE 41: To see if the Town will vote to amend Town Code § 9-25 Meeting minutes, by deleting it in its entirety and replacing it with:

Each board, committee, or commission shall provide minutes for each of its meetings to the Town Clerk within 45 days of the meeting. Minutes shall be kept by the Town Clerk for a period as required by applicable state law.

A. Minutes shall indicate whether they have or have not been approved by the board, committee or commission when submitted to the Town Clerk.
(1) Minutes that have not been approved at the time of their receipt shall be labeled "Draft."
(2) The Town Clerk shall log the receipt of all minutes and the Town Clerk shall post minutes on the Town website.

B. Minutes shall be submitted in a manner consistent with the Open Meeting Law (MGL c. 30A, § 22), and the Attorney General's Open Meeting Law Guide, and must include:
- the date, time and place of the meeting;
- the members present or absent;
- the decisions made and actions taken, including a record of all votes;
- a summary of the discussions on each subject;
- a list of all documents and exhibits used at the meeting; and
- the name of any member who participated in the meeting remotely.

C. Minutes submitted to the Town Clerk shall include, as reasonably possible, copies of all documents, exhibits, and electronic files of any audio or video presentations used at the meeting, including items created by the board members, or by others allowed to make presentations at the meeting.

(1) The term "used at the meeting" shall mean a document, exhibit, audio or video presentation that was (1) identified by name, (2) present at the meeting, and (3) discussed at the meeting.
(2) If copies of documents or other exhibits used at the meeting cannot be provided due to the physical nature of the exhibit (e.g., size of the exhibit, etc.), the specific filing location of the document or exhibit shall be identified.

D. The last page of the minutes shall include a section labelled Documents Used at This Meeting and shall list the names of each document that was used at the meeting.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This Article clarifies the existing requirements for board, committee, or commission ("the board') meetings to maintain minutes and documents used at meetings. This Article adds the requirement that any audio or video presentation that a board allows to be displayed at a meeting be retained, regardless of who created the presentation. This Article also adds the requirement that the last page of the minutes includes a section labelled "Documents Used at This Meeting" with a list the names of each document that was used at the meeting. A recent review of minutes submitted to the town clerk revealed several instances where no documents were submitted by the board.*

ARTICLE 42: To see if the Town will vote to petition the General Court for the passage of special enabling legislation authorizing the Town to authorize, issue and sell pension obligation bonds to finance the Town's unfunded pension liability to the Worcester Regional Retirement System, fund any necessary reserves, and all other costs associated therewith, which special enabling legislation shall be in such form as the Select Board shall approve; or do or act anything in relation thereto.

Proposed by: SELECT BOARD

Advisory Committee Recommendation:
Summary:

ARTICLE 43: To see if the Town will vote to establish a Tricentennial Committee Fund as provided for in MGL Ch. 44, §53I for the purpose of receiving funds appropriated by Town Meeting, generated from the sale of merchandise, tickets, or donations, and authorizing the Tricentennial Committee to expend said funds for the purpose of special events or other associated costs related to the 300th Anniversary of the Town of Southborough's incorporation, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *State law allows a Town to establish this type of special fund to offset expenses related to incorporation celebrations. This will ensure that the funds are properly accounted for and included in the Town's independent audit.*

ARTICLE 44: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Thirty Thousand Dollars ($30,000) or such other amount as Town Meeting may approve for the purpose of funding events [i.e. fireworks, parade, public art, etc.] as authorized by the Tricentennial Committee celebrating the Town of Southborough's incorporation, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:

Summary: *This funding will serve as seed money to support the work of the Tricentennial Committee. Expenditures will be approved by the Committee Chair [subject to approval by the Committee] and may include items like patriotic bunting, memorabilia, assistance with digital media or deposits on events such as fireworks, etc.*

ARTICLE 45: To see if the Town will vote to approve the Assabet Valley Regional Vocational Technical School Committee's vote on January 9, 2024, to establish a Stabilization Fund for the Assabet Valley Regional Vocational Technical School District, pursuant to Section 16G ½ of Chapter 71 of the Massachusetts General Laws, said Stabilization Fund to be invested and to retain its own interest earnings as provided by law and further set up an operational line item to be created to transfer available monies into said Stabilization Fundor do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 46: To see if the Town will vote to authorize the Select Board to transfer a certain parcel located at XX Atwood Street to the Southborough Affordable Housing Trust, said property to be used for affordable housing purposes, and to authorize the Select Board to execute any and all documents and agreements as may be necessary to effectuate such transfer; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 47: To see if the Town will vote to transfer the sum of $XX,XXX from the Community Housing account of the Community Preservation Fund to the Affordable Housing Trust Fund; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 48: To see if the Town will vote to accept the provisions of M.G.L. c. 59 §5, Clause Twenty-two H (inserted by Chapter 218 of the Acts of 2018, known as An Act Relative to Veterans' Benefits, Rights, Appreciation, Validation, and Enforcement ("BRAVE Act")), signed into law August 28, 2018, which provides for a property tax exemption for real estate as follows: to the full amount of the taxable valuation of the real property of the surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who: (i) during active duty service, suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death; (ii) are missing in action with a presumptive finding of death as a result of active duty service as members of the Armed Forces of the United States; provided, however, that the real estate shall be occupied by the surviving parents or guardians as the surviving parents' or guardians' domicile; and provided further that the surviving parents or guardians shall have been domiciled in the Commonwealth for the 5 consecutive years immediately before the date of filing for an exemption pursuant to this clause or the soldier or sailor, member of the National Guard or veteran was domiciled in the Commonwealth for not less than 6 months before entering service. Surviving parents or guardians eligible for an exemption pursuant to this clause shall be eligible regardless of when the soldier or sailor, member of the National Guard or veteran died or became missing in action with a presumptive finding of death; provided, however, that the exemption shall only apply to tax years beginning on or after January 1, 2019. Such exemption shall be available until such time as the surviving parents or guardians are deceased. No real estate shall be so exempt which has been conveyed to the surviving parents or guardians to evade

taxation. To be effective for exemptions granted for any fiscal year beginning on or after, July 1, 2024; or do or act anything in relation thereto.

Proposed by: BOARD of ASSESSORS
Select Board Recommendation: Support (4-1-0)
Advisory Committee Recommendation:
Summary: *The local adoption of clause 22H will expand the real estate exemption benefits for Gold Star parents or guardians. Gold Star families are those that have lost an immediate family member serving in the United States armed forces during any period of war or hostilities in which the armed forces of the United States were engaged.*

ARTICLE 49: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale of the 21 Highland St. property until January 1, 2028. It is agreed that the sale or transference of the property could be detrimental to the town until the following factors are resolved: There is currently a new school project being contemplated with an unspecified school price tag that could range as high as 60-100 Million dollars at his moment. The process of planning and building a new school could take another 3 or more years to complete. There is currently 300 408 housing units likely to be built in the next 3-5 years, and the MBTA community Act currently threatens the town with another potential 750 units of multifamily zoning by right, so in the next 3+ years to come the town could lose control of housing development in many areas of the town (there are 3800 housing units in the town currently, the total new burden could add a possible 26% population increase). Although it is unrealistic to expect the full number of units, the current school estimates do not take all of these factors into account, nor can we accurately project numbers with confidence having no control over the zoning, unit type, or building process. There is no current organizational model or plan to mitigate the possible cost or space need effects upon town departments, and no current plan for town space needs if this rapid population growth occurs. The current space need plans are dependent upon the premise of building a new school, a historically neutral residential development plan, and turning over one of the current schools to general town use for multiple departments currently inhabiting other buildings, including Recreation, Family and Youth services (both in the 21 Highland property), Building Permit departments, senior center, and Facilities (all in the Cordaville hall building), who have all have been recommended in the space needs plan to vacate their current locations (and to move to Finn currently). If there is a problem with the plan (example: No new school, or other factors as high population growth), selling the 21 Highland St. property could leave the town with little recourse except to sign commercial leases for homeless departments, potentially making the town long term dependent upon the private real estate market fluctuations, and/or possibly build space, adding to town costs. A new school is currently not approved, but selling these properties could be used as financial incentive and space need leverage to coerce support for one, knowing the sale could instigate leases and costs created by a premature property sale and vacating actions by those departments. There is minimal financial risk to delaying a sale of the property for several years. There is a greater financial risk to selling the property prematurely if the building could better serve the short, middle, or long term interests of the town given the current factors facing the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Support (0-5-0)
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

ARTICLE 50: To see if the Town will vote that the Town hereby resolves to own and rehab the current 21 Highland St. property for town, community, and/or rental use, using CPC and other bond allocations to fund the project when needed. The surrounding property will remain open for community use regardless of building use. It is required that the Select Board carry out the will of this resolution, and have a plan in place by the next town Meeting with the understanding that the citizenry will not entertain a proposal to dispose of the property till the year 2033. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Support (0-5-0)
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

ARTICLE 51: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale the 21 Highland St. property until January 1, 2030. It is agreed that the citizenry prefers to tastefully retire use of the building at 21 Highland St., and keep the building at 21 Highland St. property owned by the town if or when departments housed wherein should move to other locations and there is no reason to keep the building in use. At such time, the 21 Highland St. building interior will be "Mothballed", the exterior of the windows protected with tasteful covers, the roof and exterior sealed, so the building will keep in a relatively preserved state til it should be desired for future use again, remodeling or demolition by the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Support (0-5-0)
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

ARTICLE 52: To see if the Town of Southborough will vote to raise and appropriate or transfer from available funds a sum of $289,414.00 to the Police Department Budget, #210 for the purpose of hiring four full-time dispatchers to provide coverage 24/7, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *Over the past two and a half years the Town has been exploring joining a Regional Emergency Communications Center (RECC). Now is the time to address the immediate need. This is NOT a clerical job. Dispatchers provide critical emergency communication services to Police, Fire, EMS, Public Health, DPW, School Departments, Building Departments, Youth and Family Services, Senior Services, Recreation, State Police, Court, Commonwealth of Mass. Properties, Dam, MBTA Station,9-11 Field, Reservoir trails, Businesses and private non-profits.*Select Board Packet, March 7, 2023, Office of the Select Board, the original intent of looking at Regional Emergency Communications Center (RECC) was not for financial purposes for Southborough. There has been consensus that maintaining 1 dispatcher per shift is not acceptable. However, there have been questions raised about the costs. Three different scenarios of future dispatch costs with assumptions outlined in memo. * Select Board Meeting Minutes, December 19, 2023, III.i.ii. Chief Achilles & Chief Newell recommendation for maintaining current model Chief Newell and Chief Achilles shared their findings on enhancing the current dispatch operation system. "The Chiefs state that whether or not the Town chooses to regionalize, the immediate need is to add four full-time dispatchers to provide coverage 24/7."*

ARTICLE 53: To see if the Town of Southborough will vote to raise and appropriate, or transfer from available funds a sum of $119,372.00 for the purpose of covering the Employee Benefits for the additional four full-time dispatchers, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation:
Advisory Committee Recommendation:

Summary: *These Employee Benefits funds for the additional four full-time dispatchers will be applied to the Employee Benefits Budget, #910, as standard practice in Southborough.*

ARTICLE 54: The Citizens of Southborough hereby resolve that, any petition to the CPC for funding for a project, asset, or service on private land, or for private benefit and use, being not town owned or operated, should require a 2/3 majority passing vote tally for approval at Town Meeting; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

And you are to give notice hereby by posting true and attested copies of the Warrant on the Town website, the Southborough Town House, 17 Common Street, Southborough Senior Center, 9 Cordaville Road, Southborough Library, 25 Main Street, and Southborough Transfer Station, 147 Cordaville Road; seven (7) days at least before the time appointed for such meeting.

Article: Mold Mitigation Funds for Finn Elementary School
Proposed by: PreK-8 Southborough School Committee

To see if the Town will vote to appropriate the sum of $87,970.01 for the use of the K-8 Southborough School Committee to pay for mitigation related to mold at Finn Elementary School, said appropriation in the sum of $87,970.01 to be transferred from Free Cash.

Article: Lease and Power Purchasing Agreement
Proposed by: PreK-8 Southborough School Committee

To see if the Town will authorize the Select Board to lease all or a portion of the roof of Trottier Middle School located at 49 Parkerville Road for a term of 10-20 years, upon such terms and conditions as are acceptable to the Select Board, to a solar energy provider to construct, maintain, and operate a solar facility on the property and to enter into a power purchase agreement with the solar energy provider; and further, to authorize the Select Board to grant an easement to National Grid to install, maintain, operate, repair, reinstall, or replace any utilities required for interconnection to the solar facility project.

RE: FY25 Budget Status

Please see attached the current summary for FY25 recommended budgets.

The current model indicates a 7.45% estimated tax rate increase. In contrast to the prior two years, most of the residential value shift has run it's course and is no longer a material consideration. This current model carries all the Departmental requests at the high end, meaning any new staff are incorporated into the requests (4 FT Dispatchers, 1 new Lieutenant, 1 new Officer, 1 new DPW engineer).

Levy Capacity Used: $2,445,028 (54%)
Local Revenue Increased: $280,000 (6.7%)
Local Aid Increase: $37,374 (1.1%)

Please see items of note:

REVENUES

- Free cash: Designated to fund opioid aid expenses and an additional six capital and budget articles. The remaining amount is used as a source of funds for the operating budget.

- Ambulance Fund is now utilizing entire revenue capacity. With the recent rate change requested by the Fire Chief and subsequently approved next year there may be additional revenue available for appropriation.
- Projecting out to FY27, levy capacity is fully exhausted and FY27 indicates a shortfall of -$1,123,308

EXPENSES

- Benefits budget: Retirement assessment received and was within $3,040 of estimate. Additionally built into the budget are 4 new plans for additional new Town staff. If any combination of new staff exceeds or is less than four the budget will have to be adjusted. Final health renewal rates may not be available until possibly after Town Meeting.
- The Police Department has potential staffing requests on the table comprising 4 dispatchers, a new Lieutenant, and a new Officer. Additionally the Department of Public Works is seeking an engineer position. The Town had this in the past but through restructuring the position was contracted out.
- The debt service budget for FY25 is approximately $200,000 higher. This is due to some new permanent loans that came online for FY25 for projects previously approved.
- In general most Town Departments are requesting increases between 3-6% year over year. Much of this is salary increases however there has been a general rise in supply and material costs.
- Capital equipment requests did increase approximately one million this year. Although every effort is made to have the capital plan set up to avoid large swings, this year due to several reasons (for example ARPA FY24 funding of several items) the dollar increase was more pronounced.
- No capital items to date have been removed and re-positioned to ARPA funding, however this discussion will likely take place.
- Assabet FY25 Assessment: Southborough has added three additional students and the budget reflects the need to return to pre-COVID-19 staffing and educational service levels. It also brings two grant-funded positions back into the budget.
- K8 has a current increase of 5.18% and the Regional assessment has an increase of 3.97% however they are requesting some needed capital that totals approximately $149,000. Additional lull time equivalent staffing requests are 10.16 for K-8 and 3.36 for the Region. Challenges in this year's budgets are the phaseout of ESSER funding, materials costs, transportation costs, and expected insurance increases.

Should you have any further questions please do not hesitate to contact me by e-mail or phone.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, January 30, 2024 6:30 PM
Location: Training Room; Public Safety Building; 32 Cordaville Road, Southborough, MA
Present: Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers and Town Administrator Mark Purple, Assistant Town Administrator Vanessa Hale. Kathryn Cook appeared via ZOOM.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:33 PM.

II. Public Comment

Susan and John Crawford, 7 Cottage Street, appeared before the Board to request that the Board address drainage issues caused by the recent road reconstruction near their home. They shared two videos and Mrs. Crawford read a prepared statement for the Board and public.

III. Scheduled Appointments *(Board may vote)*

a. Continued discussion of Warrant articles

Mr. Dennington shared his approach to the review of the Warrant with the Board.

i. Barry Rubenstein, Personnel Board Chair

Mr. Dennington stated that Mr. Rubenstein is unable to attend tonight's meeting and the Board will discuss Article 4 at its February 6th meeting.

ii. Jen Hansen and Tim Davis, Recreation Commission Chair and Recreation Director

Ms. Hansen appeared via ZOOM and Mr. Davis appeared in person before the Board to discuss Articles 14, 17 and 18. Mr. Davis provided background on efforts to construct a dog park at Lundblad Field. He stated Article 14 seeks to repurpose engineering funds to be used as the Town's 10% construction grant match. Mr. Hamilton asked what the original purpose of the funds was. Ms. Hansen stated that the original purpose of the funds was to investigate the feasibility of future use. Ms. Cook asked what is the plan for the field. Mr. Davis stated that 40% of the field would be used for the dog park with the remaining area used as a full-sized field for Town use. Mr. Davis stated that the grant is time-sensitive, as it is no longer available in one year. Mr. Cundiff stated that the Massachusetts Department of Environmental Protection (DEP) contacted him to inform him there are documents missing for the proper closure of the landfill under Lundblad Field and he is working to locate those documents. Mr. Hamilton asked about the balance in the engineering fund. Mr. Davis stated the balance in the account is $46,411. Mr. Dennington suggested a brief summary would be helpful to attendees at Town Meeting for clarity. Mr. Davis stated that Article 17 seeks to establish a Recreation Maintenance Fund of $25,000 for FY 25 for preventative maintenance and resting of fields outside of general maintenance costs.

iii. Paul Cibelli, Principal Assessor

Mr. Cibelli appeared before the Board to discuss Article 44. Mr. Cibelli stated this article relates to the local adoption of a State real estate exemption for Gold Star families. The Board discussed Article 44.

iv. Jim Hegarty, Town Clerk

Mr. Hegarty appeared before the Board to present Articles 15, 33, 34 and 35. Mr. Hegarty stated that Article 15 authorizes funds to be spent to copy documents that cannot be done in house. He

stated the amount of the request had been reduced and he will know that number next week. Mr. Hegarty stated that Article 33 allows for meetings to take place virtually if there is inclement weather or an emergency. Mr. Hegarty stated that Article 34 allows for a stipend for Town Clerks who obtain a certificate from the Massachusetts Town Clerks Association. Mr. Hegarty stated that Article 35 deals withthe Town deadline for minutes and a requirement to include a document list. Mr. Tim Litt (148 Woodland Road) commented that speech to text might be useful for minute takers.

v. Authorize ZBA article for extension of special permits to be sent to Planning Board

The Board discussed the article. Mr. Stivers requested language that describes granting of extensions for Special Permits be changed from "shall" to "may." Mr. Dennington moved that the Select Board send the ZBA Article (**Article 32**) providing for extensions for Special Permits to the Planning Board with the recommendation that the word "shall" in the current draft be changed to "may." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye; Mr. Dennington, aye (5-0-0).

vi. Don Morris, Tricentennial Committee Chair

The Board heard Scheduled Appointments vi. after Scheduled Appointments iii. Mr. Morris and Ms. Hale appeared before the Board to discuss Articles 37 and 38. Ms. Hale stated Article 37 seeks to create a fund to receive monies for the Tricentennial Celebration and Article 38 seeks $30,000 in seed money for the Tricentennial Celebration. Mr. Morris stated the Tricentennial Committee has done extensive research to determine the amount needed for seed money and described various events the Committee is considering. Ms. Cook asked if the Tricentennial Committee would be soliciting funds. Mr. Morris stated that they would. Ms. Cook offered to work with the three private schools to coordinate efforts. Mr. Stivers stated the School Dept. expressed an interest in participating in the Tricentennial Committee. Mr. Litt advised the Board and public that if public art is considered, it is an undertaking that requires considerable time and money.

The Board took a recess at 8:10 PM and resumed meeting at 8:24 PM.

Mr. Dennington moved that the Board support **Articles 1, 2, 3, 9, 10, 11, 13, 16 and 27** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye; Mr. Dennington, aye (5-0-0).

Mr. Dennington moved that the Board support **Article 14** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved that the Board support **Article 44** at Town Meeting. Mr. Hamilton seconded the motion. The motion was approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, no; Ms. Landry, aye; Hamilton, aye (4-1-0).

Mr. Dennington moved to support **Article 34** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 35** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 37** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 36** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 31** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 28** at Town Meeting. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, abstain; Mr. Hamilton, aye (4-0-1).

The Board discussed Article 29 and decided to include a sunset clause. Mr. Litt stated that he is not supportive of adding a sunset clause for the newly created Public Works Advisory Committee (PWAC). The Board discussed the matter. Mr. Dennington moved to add a 10-year sunset provision to the draft Article 29. Mr. Hamilton seconded the motion. The motion was approved by roll call vote: Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye; Ms. Cook, no (4-1-0).

The Board discussed Mr. Palmer's Citizens' Petitions, Articles 45, 46 and 47. Mr. Dennington stated that Town Counsel's position is that these articles should not be removed from the Warrant, as other individuals have signed the petitions. Mr. Dennington moved to support **Articles 45, 46 and 47** at Town Meeting. Mr. Stivers seconded the motion. The motion unanimously failed by roll call vote: Mr. Dennington, no; Mr. Stivers, no; Ms. Landry, no; Mr. Hamilton, no, Ms. Cook, no (0-5-0).

The Board discussed Articles 48 and 49. The Board agreed to address these articles further at their joint meeting with the Advisory Committee on February 13th. The Board also agreed to send any typographical errors on the Warrant to Mr. Purple for editing the draft Warrant.

IV. Reports

a. Chair's Report

i. Report of MMA Annual Meeting

Mr. Dennington reported that he recently attended the Massachusetts Municipal Association's Annual Meeting. He stated that the proposed Municipal Empowerment Act would provide efficiencies for municipalities. Mr. Purple stated that State Aid has increased approximately $30,000 over FY24. He also stated that he spoke with a representative from Massachusetts Housing Partnership who suggested that having a committee solely focused on affordable housing issues might be a more effective structure for achieving the Town's goals. He also stated he spoke with an arborist who provided timely information regarding tree issues in municipalities.

b. Member's Report

i. Atwood Update

Mr. Hamilton stated that samples have not yet been taken from the site, due to weather conditions, and he expects a decision to be made on the article for Town Meeting within the next two weeks.

ii. Alternative affordable housing sites

Mr. Hamilton stated he is exploring other sites for affordable housing. He stated he remains committed to increasing the Town's affordable housing stock.

c. Town Administrator's Report

i. Regional Dispatch: Update on Westborough RECC

Mr. Purple reported that the Westborough Select Board has chosen the old Harvey Building as the new site for the Regional Emergency Communications Center. He stated they have offered to give a tour of the site and engage with Southborough if the Town is interested. Mr. Hamilton stated it makes sense to explore this new avenue. Mr. Stivers suggested communicating with Hopkinton for informational purposes.

V. Consent Agenda

a. Approve Open Session meeting minutes: January 16, 2024; January 23, 2024

Mr. Stivers requested to hold Consent Agenda item "a." **January 16, 2024 minutes:** Mr. Stivers had scrivener's changes to Lines 134 and 204. Mr. Dennington moved to approve the January 16, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0). **January 23, 2024 minutes:** Mr. Stivers had ten edits to the minutes and sent a written copy to Ms. Hale detailing the edits. Mr. Dennington had an edit to Line 24. Mr. Dennington moved to approve the January 23, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

b. Approve Job Description for Junior Civil Engineer

c. Appoint Johanna Sheyner as Recreation Commission representative to 21 Highland Committee, term to expire 6/30/24

d. Appoint Kevin Miller as Historical Commission representative to 21 Highland Committee, term to expire 6/30/24

e. Approval of 2024 Warrant for Presidential Primary; March 5, 2024

f. Accept donation in the amount of $25 to the Library from Bonnie and Brian Rennell

Mr. Dennington moved to approve Consent Agenda items "b", "c", "d", "e" and "f." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

VI. Other Matters *(Board may vote)*

VII. Public Comment

There was no public comment.

VIII. Executive Session

Mr. Dennington moved to enter the Board into Executive Session, per M.G.L. Chapter 30A, Section 21, at 9:15 PM and did not return to Open Session to consider the purchase, exchange, lease or value of National Grid parcel 54-60, as the Chair determined that an open meeting may have a detrimental effect on the Town's position (Exemption 6). Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Upcoming Meetings	
February 6, 2024	*February 13, 2024*

DRAFT

TOWN OF SOUTHBOROUGH
OPERATIONAL POLICIES AND PROCEDURES

Area of Concern: Senior Property Tax Work-Off Program

Policy: Senior Property Tax Work-Off Program

Date Approved: April 29, 2014
Modified: _____, 2024

Policy Statement

Since Fiscal Year 2000, the Town of Southborough has offered a program to senior homeowners to trade volunteer work hours in town departments for a reduction of their property tax bill. Effective July 1, 2024, the maximum amount of the reduction increased from $1,500 to $2,000 per fiscal year. The main purpose of this program is to assist seniors who are having difficulty with increasing property tax bills. The town benefits by providing various town departments with the ability to accomplish tasks for which they lack staff, or to free up full-time employees to focus on other tasks, or to provide needed office coverage. Given the popularity of the program over the past years and the limited number of spaces that can be accommodated, the Town gives preference to those applicants with household incomes under $45,000.

In the past, seniors have worked at the Senior Center, Library, Assessor's Office, Town Clerk's Office, Selectmen's Office, DPW, Building, Conservation, Planning, and in various schools. Examples of the types of work done in the past include: data entry, organizing the swap shop at the transfer station, receptionist at town hall, office assistant in various offices, assisting in classrooms at the schools, and building maintenance. The Town will also try to match any special areas of expertise that a senior might bring to the appropriate department.

Policy Description

1. Responsible Department

The Senior Center is the Town department that manages the Senior Property Tax Work-Off Program. The Senior Center Director coordinates with the Assessors Department to validate information provided by the resident to prove qualifications. Assessors are responsible for making sure there is adequate funding in the town's overlay reserve fund to support this program.

2. Qualifications for Participation

The program year runs from the first week of April to the end of the following February. The applicant may complete a set number of hours, not to exceed a net reduction of $2,000. The maximum number of hours to be worked is calculated by dividing $2,000 by the current Massachusetts minimum wage hourly rate. Each program year is considered separate and

distinct from the prior year, and therefore applicants repeating the program must re-apply annually.

To qualify for the program, an applicant must::

- Be 60 years of age or older at the time of application;
- Be a Southborough resident;
- Own and occupy the property to which the tax credit will be applied

3. Submission requirements and deadlines

Applications will be available in March at the Senior Center, the Assessor's Office, and on the Town of Southborough's website (www.southboroughma.gov). Applications will be accepted at the Senior Center beginning in early April. The individual who will perform the work must either submit his/her own application in person or have another individual who is not applying for the program bring in the application on their behalf.

In addition to a completed application, applicants must provide the following documents:

- a copy of the tax bill for the property to be abated
- *if total household income is under $45,000:* proof of income from Social Security, pensions, and investment income
- a completed W-4 form

This information should be placed in a sealed envelope which will be reviewed by the Assessor's Office for verification of income and residence and will be held in a locked file at that office in complete confidence. The Town urges all interested seniors to apply regardless of income. If less than 30 applications are received, the income requirement will be waived. All applications will be numbered in the order received, with those who have household incomes of under $45,000 being prioritized. Those with a household income of over $45,000 will be considered in the order in which they were received if all 30 slots have not been filled. Applicants must reapply each year in order to be considered. The application process will close two weeks after sign-up so participants can begin work. Applications received after that date will be considered to fill slots as available.

4. Filling of available positions

Several of the Southborough town departments will offer positions requiring varying skills. Participants will be accepted on a first come, first served basis provided the applicants are deemed qualified for the work by the department personnel. If you are placed in one of the 30 available slots, then you will be matched with an available position. If an available match is not found by June 1, then the applicant will be removed from the list and the Town will move to the next available qualified applicant.

If a participant is accepted, but unable to complete the number of hours within the required time period, the Town reserves the right to replace that participant with another applicant from the

waiting list to complete the remaining available hours. Participants will receive a tax reduction consistent with the number of hours they were able to complete.

5. Applicability of Payment/Tax Reduction

The $2,000 tax reduction will not be paid directly to the participant. The $2,000 *(less any federal taxes and Medicare taxes withheld)* will be applied to the last quarterly tax bill in April as a reduction to the real estate tax. This program is not considered regular employment and any work completed is not eligible for unemployment benefits.

Per Massachusetts Law Chapter 184, Section 52 of the Acts of 2002, the property tax reduction earned by the taxpayer under this program is not considered income or wages for the purpose of state tax. However, the amount is subject to federal and Medicare taxes. Upon completion of the program, a check will be issued by the town and applied to real estate taxes. Upon the end of the calendar year, this benefit will be transmitted to the IRS and a W-2 Form will be issued to the participant. It will be the participant's responsibility to report this on their annual tax filing.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, February 6, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers, Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.

II. Public Comment

Ms. Cynthia Foster, 3 Aspenwood Lane, commented that she had appeared before the Board on December 19th to discuss her concerns with the Town's new health plan for retirees. She asked about the status of her reimbursement, how often Mr. Lombardi's service contract is renewed for and shared a fellow retiree's negative experience with the Town's health plan.

III. Scheduled Appointments *(Board may vote)*

a. Continued discussion of Warrant articles

i. Personnel Board

Mr. Barry Rubenstein, chair of the Personnel Board, appeared before the Board and shared the Personnel Board's presentation. Mr. Rubenstein stated the Personnel Board is working on an employee handbook. He also stated the Personnel Board is recommending changes to make the Personnel Bylaw and the Town Administrator Bylaw consistent in describing the Personnel Board's authority to provide guidance and oversight to the Personnel Director in the development of all employee policies. He stated the Personnel Board is also recommending changes that allow for Southborough to offer appropriate benefits in a competitive municipal marketplace. He stated the Personnel Board has implemented a STEP system. Ms. Cook asked about the STEP grid and Mr. Rubenstein described how it functions. Mr. Stivers asked about merit-based pay. Mr. Rubenstein stated merit-based pay is not a part of the STEP system and the Personnel Board continues to discuss ways to encourage employee retention and reward. The Board, Mr. Purple and Mr. Rubenstein discussed merit-based pay and impacts of the STEP system on attracting new talent. Mr. Rubenstein noted there is an employee appeal process relative to classifications in the STEP program. He stated the Personnel Board would be discussing other changes at its meeting on February 14th and would have changes available for the Board's review prior to February 27th. Mr. Stivers suggested investigating a streamlined process for presenting the Salary Administration Plan (SAP) article at future Town Meetings.

ii. Community Preservation Committee

Mr. Ben Smith, chair of the Community Preservation Committee (CPC), appeared before the Board. He called the meeting of the CPC to order at 6:57 PM. Members present: Ben Smith, Brett Peters, Kristin LaVault and Grant Farrington. Members present via ZOOM: Ellen Marya and Lisa Braccio. Mr. Smith discussed Articles 23-29 and Article 44 in the draft Warrant. He stated that total receipts for FY25 are approximately $512,479, which includes the State match. Mr. Smith shared the amounts for the CPC warrant articles. **Article 23:** Mr. Smith stated that this article is a reconciliation article in the amount of $4,000. **Article 24:** Mr. Smith stated this is a bond article for 84 Main Street in the

amount of $75,438. **Article 25:** Mr. Smith stated this is a bond article for the Library in the amount of $61,000. **Article 26:** Mr. Smith stated this is a bond article for the Townhouse in the amount of $141,850. **Article 27:** Mr. Smith stated that CPC had allocated $211,232 for the completion of the Peninsula Trail. CPC member Brett Peters informed the Board that the Trails Committee expects the entire project to be completed by the end of 2024. Ms. Cook stated that the Board had allocated $140,000 in ARPA funds for the completion of the Peninsula Trail and any use of those funds must be under contract by December 2024. The Board discussed the project. Mr. Dennington summarized the discussion by stating the proposal is for ARPA funds to be used for the engineering study and Community Preservation Act (CPA) funds to be used to complete the remainder of the engineering study and the project. Mr. Hamilton wondered if this amount of money is a cost effective use, given the current budget climate. Mr. Smith stated that the CPA was established to provide a funding mechanism outside of the Town Budget to pursue projects that enhance the Town and that might otherwise be too costly. Mr. Tim Litt, 148 Woodland Road, suggested the Board ask Kathryn McKee, Chair of the Trails Committee, to appear at a future meeting to determine the status and costs of the Peninsula Trail project. **Article 28:** Mr. Smith and the Board discussed improvements to the Golf Course irrigation system. Mr. Smith stated that the total cost of the project, including a 15% contingency fee, is $603,750. The Board was supportive of a $50,000 contribution to the project by the Golf Revolving Fund, leaving the CPC-funded portion of the project at $553,750. Mr. Hamilton stated the that it must be clear at Town Meeting how the Town will see a return on its investment on the irrigation project and, at this time, he is not supportive of the project until there have been discussions with the golf management company. The Board acknowledged that the golf management company's current contract is up for renewal in 2026. Mr. Grant Farrington, CPC Member stated he voted against approval of funds for the golf course irrigation improvements because of the high cost and because he believed that when the golf course was purchased, it would be self-funding in nature. Mr. Dennington moved that the Board approve a contribution up to $50,000 from the Golf Revolving Fund to support the CPC article for the golf course irrigation system. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Article 44:** Mr. Dennington stated that the Board remains committed to finding solutions to move CPA monies, dedicated to affordable housing, to the Affordable Housing Trust Fund to achieve the Board's goals to build more affordable housing in Town. Mr. Smith stated that it is time to have the discussion between the Board and CPC regarding how to successfully move funds from the CPA for the purposes of increasing the Town's affordable housing stock. The Board and the Mr. Smith agreed to have the discussion after Town Meeting. Mr. Dennington stated the Board would need final language for the CPC articles in the near future in order to sign the Warrant on February 27th. Mr. Purple stated that today, a Citizen's Petition article has been filed with the Town Clerk that seeks to increase the approval threshold for CPC expenditures on non-municipal properties. Mr. Smith noted that most of the Town's history is in private hands and stated he would be addressing Town Meeting on this matter. Mr. Farrington moved to adjourn the CPC meeting at 7:53 PM. Mr. Peters seconded the motion. The motion was approved by roll call vote: Ms. Braccio, aye; Mr. Peters, aye; Ms. LaVault, aye; Mr. Farrington, aye, Mr. Smith, aye.

The Board took a brief recess at 7:54 PM and resumed meeting at 8:02 PM.

iii. Citizen Petitions: Bonnie Phaneuf, Articles 48 & 49

Ms. Phaneuf stated that she would like to understand the direction of the Board regarding the Town's need for dispatchers. She stated she would withdraw Articles 49 and 50 on the floor at Town Meeting if the Board has addressed the need for dispatchers. If the Board has not addressed the issue, Ms. Phaneuf stated she intends to hold the budget at Town Meeting. Mr. Dennington stated the Board would address this matter at its joint meeting with the Advisory Committee on February

13th. Mr. Hamilton stated that the Town's budget could be held and considered when Ms. Phaneuf's articles are considered. The Board discussed how to address Ms. Phaneuf's articles relative to the budget. Ms. Phaneuf asked that the entire summary she provided be included in the warrant.

iv. Select Board may take positions on warrant articles

b. Community Center Exploration Committee update

Mr. Malinowski called the meeting of the Community Center Exploration Committee to order at 8:20 PM. Members present: Jason Malinowski, Janet Maney, William Harrington and Tim Fling. Members present via ZOOM: Jennifer Hansen and Susan Heilman. Absent: Nikki Mauro. Mr. Malinowski delivered the Committee's report to the Board. Mr. Dennington asked about the use of Cordaville Hall, in the event the Community Center project moves forward. Mr. Malinowski described the decisions that would need to be made prior to a determination on Cordaville Hall. He stated that investigation of three potential capital projects is occurring at the same time (Neary, the Library and the Community Center) and will provide the Town with accurate cost information and the ability for public feedback. Mr. Malinowski stated that construction on the Community Center project would not begin before 2028. Ms. Hansen stated that, from a Recreation perspective, this option is preferable to 21 Highland Street. Mr. Dennington asked that a copy of the Committee's report be given to the 21 Highland Street Future Use Committee. Mr. Hamilton asked what would happen if school enrollment unexpectedly increased. Mr. Malinowski stated that question would be answered through the Neary process with the Massachusetts School Building Authority (MSBA). Mr. Hamilton stated he is in favor of selling Town properties to pay for other capital projects like the ones under discussion this evening. Ms. Maney stated the advantage of looking at three projects at once would allow the Town to examine its space needs and avoid over building. Mr. Malinowski stated that the next steps are to wait for more information on the Neary project. Mr. Malinowski moved to adjourn the Community Center Exploration Committee at 9:01 PM. Ms. Maney seconded the motion. The motion was approved by roll call vote: Ms. Maney, aye; Mr. Fling, aye; Mr. Harrington, aye; Ms. Heilman, aye; Ms. Hansen, aye; Mr. Malinowski, aye.

c. CIPC update on ARPA funding for sidewalks

Mr. Malinowski, Chair of the Capital Improvement and Planning Committee, stated that DPW Superintendent Cundiff is conducting a comprehensive review of the Town's sidewalk needs and will provide that information, including cost and available grants, to the Capital Improvement & Planning Committee (CIPC). Mr. Malinowski stated that the Town's residents have appreciated recent forecasting and the transparent review of projects. Mr. Malinowski stated that, today, he received information from DPW Superintendent Cundiff on three potential sidewalk projects that would utilize all of the ARPA funds and Mr. Malinowski stated he would call a meeting of the CIPC next week to review the projects. Mr. Hamilton requested that consideration be given to any potential sidewalk projects on the south side of Town. The Board and Mr. Malinowski discussed a long-term approach to paving and sidewalks, including financing methods.

IV. Reports

a. Chair's Report

Mr. Dennington reported that he, along with Mark Purple, Brian Ballantine, Carla McAuliffe, Paul Cibelli and Andrew Pfaff, participated in the interviews with Department of Revenue (DOR) for the financial management review of the Town. Mr. Dennington stated the DOR will provide recommendations for improvement to the Town's financial policies and may have additional structural recommendations for the Town to consider.

b. Member's Report

i. Neary School project

Ms. Cook stated that public forums would be held on February 29th and March 11th so residents can offer their input on the Neary School project. Ms. Cook also stated that by August, the Neary School Building Committee would make its recommendation to the MSBA.

c. Town Administrator's Report
    i. Early Voting reminder

Mr. Purple reported that he had received the 2024 Vegetation Management Plan from National Grid and that a meeting will be scheduled with the Board and Planning Board to review and approve. Mr. Purple also reported that DPW Superintendent Cundiff is working with Water Consultant Matt Abrams on new rate information. Mr. Purple stated that the Board will set rates in March and notify the public in April.

V. Consent Agenda

a. Approve Open Session meeting minutes: January 6, 2024

Mr. Dennington and Mr. Stivers requested to hold Consent Agenda item "a." Mr. Stivers had scrivener's changes to the minutes. Mr. Dennington requested the following change to Line 18: add "potential" in front of disposition. Mr. Dennington moved to approve Consent Agenda item "a", as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Accept $25.00 donation to be placed in the Library Donation account
c. Appoint Lisa Braccio as the Planning Board Representative to the 21 Highland Future Use Committee; term to expire 6/30/2024

Mr. Dennington moved to approve Consent Agenda items "b" and "c." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

There was no business under Other Matters.

VII. Public Comment

Mr. Tim Fling, 18 Main Street, asked that the Board consider using ARPA funds to purchase trashcans to place around Town. He also asked that the Board consider a way to reflect a tiered water rate system for multifamily uses.

Mr. Litt asked if the Board would reconsider its vote to include a sunset clause in the Town Meeting article that creates the Public Works Advisory Committee (PWAC). Mr. Dennington stated that matter would be considered at the Board's February 13th joint meeting with the Advisory Committee.

VIII. Adjournment

Mr. Dennington moved to adjourn the meeting at 9:20 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

Upcoming Meetings	
February 13, 2024 Joint Meeting with Advisory Committee	*March 4, 2024 (Monday meeting)*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a non-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

DRAFT

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Select Board. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

DRAFT

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

Introduction to the Rules of Town Meeting (continued)

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless its substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

DRAFT

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none
2. To adjourn	no	yes	limited	majority	amend
3. Point of no quorum	no	no	no	none	none
4. Recess	no	yes	limited	majority	amend
5. Question of privilege	yes	no	no	chair rules	none

18. Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19. Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

DRAFT

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

ANNUAL TOWN MEETING

Worcester, ss. February 27, 2024

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the Trottier School Auditorium, 49 Parkerville Road, in Southborough, MA, on

Saturday, March 23, 2023

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to accept any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in Estimated Receipts Account, and determine what disposition shall be made of the same, if accepted, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *To allow the Select Board to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Select Board, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2024 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 3: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Select Board or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, but no longer than seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Select Board or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Board Recommendation:
Summary: *This article allows the Select Board and/or the School Committee to enter into contracts in excess of three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.*

DRAFT

ARTICLE 4: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

, or do or act anything in relation thereto.

Proposed by: PERSONNEL BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The Personnel By-Law governs policies and pay structures for non-union employees.*

ARTICLE 5: To see if the Town will vote to raise a sum of money as may be necessary for the Town's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

SEE BUDGETS ON THE FOLLOWING PAGES

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The article includes recommendations from both the Select Board and the Advisory Committee for the FY25 budget. Funding recommendations are noted in the individual recommendation columns for each department.*

ARTICLE 6: To see if the Town will vote to raise a sum of money as may be necessary for the Water Enterprise Fund's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

ENTER BUDGET EXCEL

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates and the fund's retained earnings, which supports all aspects of the department's operation. The funding for those capital items that are being leased/purchased for use by the Water Department, in whole or in part, are included in this budget.*

ARTICLE 7: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	Request	Levy	Receipts Reserved Ambulance/Other
A.	ROAD MAINT. & MISC STREET REPAIR	$650,000	$650,000

E.	Police Taser Program	Police Department	FY25 Capital Budget - General Fund	$19,455

, or do or act anything in relation thereto.

DRAFT

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *The lease agreements for these vehicles were authorized by Town Meeting in 2021, and these are the third year of the lease payments. With the exception of the Fire Ambulance (5-year lease), all of the leases are for 7 years.*

ARTICLE 11: To see if the Town will vote to authorize payment from Fund 2261 – 9-11 Field Maintenance Revolving the sum of $45,000 for the FY24 principal and interest payment, and $45,000 for the FY25 principal and interest payment, for the May 2018 bond issuance for the resurfacing of 9-11 Field; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary:

ARTICLE 12: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $5,000 for the purpose of hiring consultants, engineers, water quality specialists, and/or environmental consultants by various Town departments, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article allows town departments, with the approval of the Select Board, to hire outside expertise when the need arises.*

ARTICLE 13: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article.*

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of $10,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE 15: To see if the Town will modify the intent of Article 18 passed at the Annual Town Meeting on April 9th 2018 which stated "Lundblad Field design & specialty consultant" to re-purpose to "Lundblad Field construction and upgrades", or do or act anything in relation thereto.

DRAFT

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *The original article was to "fund research and design work including investigation of the membrane and other aspects of the property." As a balance of $46,411.00 remains the Town would like to utilize the residual funds for the construction of facility improvements, including, but not limited to, a community dog park.*

ARTICLE 16: To see if the Town will vote to raise and appropriate or transfer from any available funds a sum of money for the purpose of scanning historical Town Clerk documents, or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This Article funds the scanning of historically significant documents in the Town Clerk's office that cannot be scanned using in-house scanners due to the size of the documents and/or how they are housed. Community Preservation Act ("CPA") funds cannot be used for this expense because of a recent Department of Revenue ruling prohibiting use of CPA funds to scan documents unless the documents themselves are also physically preserved, and the relatively good physical condition of these documents does not warrant the extra expense of preservation. Examples of the types of documents to be scanned are records from the 1700s including minutes of the town's first town meeting in 1727 and all of the town's Revolutionary War and Militia related documents, records from the 1800s including Civil War Records, school, land and legal records, and records from the early 1900s including Citizen's Caucus, Cemetery records, and Jury and Voter lists. Additionally, approximately 55,000 pages of historically significant documents are currently being scanned at no cost through the Massachusetts Digital Commonwealth and we anticipate sending an additional 60,000 pages later in the year. These documents are being uploaded to the new website 01772history.org, along with a description of the historical significance of the document.*

ARTICLE 17: To see if the Town will vote to raise and appropriate, or transfer from available funds the sum of $150,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Capital Improvement and Planning Committee as requested, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE 18: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the ongoing maintenance of capital investments associated with outdoor recreational facilities. The Town's Director of Recreation shall recommend appropriate projects to the Recreation Commission. The Recreation Commission shall approve all expenditures under this article, or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 19: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for Fiscal Year 2025:

1. Immunization/Emergency Dispensing Clinic; $15,000.
2. Inspectional Services; $140,000.
3. 9-11 Field Maintenance; $100,000.

4. Wetland Protection; $30,000.
5. Hazardous Materials; $75,000.
6. CPR Classes; $6,500.
7. Community Garden; $3,000.
8. Recreation Programs; $500,000.
9. Tobacco Control Program; $4,000.
10. Golf Course Maintenance; $75,000.

, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH, SELECT BOARD, RECREATION COMMISSION, AND CONSERVATION COMMISSION
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article approves the annual spending limits for revolving funds that are now authorized by Town by-law.*

ARTICLE 20: To see if the Town will vote to accept Massachusetts General Law Ch. 40, Section 3 to allow the Southborough School District to keep monies received from the rental of space in its schools. These monies may be expended by the Southborough School Committee for the purpose of upkeep and maintenance of any and all Southborough Public Schools with no further legislative body approval. The monies may accumulate from year to year, and shall not be considered to be part of the general funds unassigned balance, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE

Advisory Committee Recommendation:
Summary:

DRAFT

ARTICLE 31: To see if the Town will vote to authorize the Select Board under Clause (1) of Section 8 of Article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts to submit to the General Court a Home Rule Petition, accompanied by a bill for a special law relating to the Town of Southborough, to the end that legislation be adopted precisely as submitted. The General Court may make clerical or editorial changes of form only to the bill, unless after a public hearing the Select Board approves amendments to the bill before enactment by the General Court. The Select Board is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition. Said submission shall be accompanied by an attested copy of the motion and vote of the Town Meeting on this article.

Said bill shall make the following modifications to Ch. 447 of the acts of 1991: (a) Re-establish the office of Tree Warden as an appointee of the Select Board, supervised by the DPW superintendent; (b) dissolve the Public Works Planning Board of the town of Southborough; (c) replace "board of selectmen" with "select board" throughout.
The form and wording of said submission shall be determined by the Select Board in consultation with Town Counsel and the Town's representatives to General court.

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (4-0-1)
Advisory Committee Recommendation:
Summary: *The Public Works Planning Board was created in 1991, and does not meet current expectations. The Select Board is officially the town's Tree Warden by the Special Act which has proven inefficient. The office of Tree Warden would be reinstated as an appointed officer of the Town.*

ARTICLE 32: To see if the Town will vote to establish a Public Works Advisory Committee by deleting Article I ("Solid Waste Disposal Committee") of the Town Code in its entirety and inserting the following into the Town Code:

Article XIII Public Works Advisory Committee

§9-52 Purpose
Because the Department of Public Works ("DPW") is a complex organization that consumes a significant portion of the Town's budget and directly impacts the life of every resident: planning, prioritization, coordination and communications with the residents is essential. The PWAC provides a focal point for and assistance with this complex function.
§9-52-A Establishment; Membership; Qualifications
Effective upon the dissolution of the Southborough Public Works Planning Board, there shall be a Public Works Advisory Committee ("PWAC"), which shall consist of five voting members and the non-voting ex-officio members identified below.
Each voting member shall be a resident of the Town and shall not be a Town officer or employee. Preferably at least 3 voting members should have significant relevant work experience and knowledge of activities undertaken by the DPW.
The voting members shall be appointed by the Select Board.
§9-52-B Appointments; Terms; Vacancies; Removal
Voting members shall be appointed for three-year terms. The initial appointments shall be two members for three years, two members for two years, and one member for one year, so as to establish overlapping terms.
Any voting member who shall remove from the Town, resign, or die shall cease to be a member. When notified that any voting member has failed to faithfully discharge his duties, or has failed without good cause to attend at least three quarters of the PWAC meetings held in any six-month interval: the Select Board shall promptly give notice, hold a hearing and determine whether such member shall be removed from the PWAC. In any case of a vacancy in the voting membership, the Select Board shall make every effort to, within thirty days, appoint a replacement for the balance of the unexpired term.
The ex-officio (non-voting) members have terms coincident with their employment and shall be: the Superintendent of Public Works and the Town Planner.
§9-52-C Organization; Meetings
The members shall select, from among themselves, a Chair, vice-Chair, and a Secretary.

DRAFT

The PWAC shall establish a regular schedule of meetings sufficient to complete its duties, but shall meet at least quarterly.
The PWAC shall ordinarily and preferentially meet in the Town, but may conduct meetings, investigations or inspections within the scope of its duties and authority anywhere, subject to standard Town travel budgets and policies.
The PWAC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.
All reports and recommendations of the PWAC made to the Town shall be voted by a majority of the voting members of the PWAC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the non-voting members.

§9-52-D Funding

The PWAC may incur expenses for consultants, communications, minute-takers and other purposes. Such expenses shall be from a separate line item under the DPW's budget, established by the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the PWAC, and be subject to the Town's policies for such expenditures.

§9-53 Functions and Definitions

The duty of the PWAC shall be to respond to requests for support from the Superintendent of Public Works, the Select Board, the Planning Board, the Advisory Committee, the Capital Improvement Planning Committee, and such other Town Entities as may be appropriate.
Further, PWAC shall also proactively evaluate, study, recommend, propose, and/or report on significant projects to be undertaken by the DPW.
The PWAC shall assume the functions of the former Green Technology and Recycling Committee that were assigned to the former Public Works Planning Board.
In this Article XIII, the phase "Town Entities" includes any Town board, committee, or agency of Town government, or subsidiary organization of any of these, whether statutory, elected or appointed.
In this Article XIII, the phase "Public Works Projects" includes projects conducted or planned to be conducted by the DPW, including but not limited to: road and sidewalk construction and maintenance; solid waste disposal (including operation of the transfer station, recycling and fees); cemetery operation; construction and maintenance of the water system (including conservation and fees); tree maintenance, removal, and replacement; public stormwater, and traffic management.

§9-54 Mission and Authority

The PWAC shall assist with establishing priorities and long-term planning for significant Public Works Projects. The PWAC may evaluate and/or develop options to be considered for Public Works Projects that significantly deviate from their plans in scope, expense, and/or schedule. The PWAC may assist in locating and/or evaluating the desirability of external (e.g., grant) funding for Public Works Projects.
The PWAC shall coordinate its work with the Advisory Committee, Capital Improvement Planning Committee, Planning Board, Trails Committee, and Recreation Commission as reasonably necessary.
The PWAC shall not manage or direct the Superintendent of Public Works, DPW employees, or projects.
The PWAC shall assist the Superintendent of Public Works to communicate plans for Public Works Projects and the status of such projects to residents (especially neighbors) at the earliest feasible time. It shall serve as a focal point for citizen concerns with Public Works Projects, and may conduct public hearings.

§9-54-A Other Agencies

The PWAC may meet with other governmental agencies to discuss opportunities for interoperation, efficiencies or other synergies. However, the PWAC does not have the authority to commit the Town to pursue such opportunities, which authority rests with the Superintendent of Public Works, other Town Entities, and/or their designees.

§9-55 Reporting

From time to time, as may be necessary, the PWAC shall report to the Superintendent of Public Works and/or the Select Board on its activities and such reports, studies, evaluations, recommendations, and/or proposals as it has initiated or have been requested of it.
From time to time, as may be necessary, the PWAC shall report to the Town Meeting.

§9-56 Interpretation

The section headings and numbering of this Article XIII are for convenience and shall not be construed to modify the interpretation of the article.
In this Article XIII, the masculine forms (including "his", "he", and "him") are used inclusively to refer to any person regardless of gender or sexual orientation.
In this Article XIII, terms are defined in quotation marks within parenthesis, and their uses are indicated by capitalization. The definition of each such term applies to its use in the entirety of this Article XIII, whether or not the definition appears before such use.

DRAFT

In this Article XIII, the word "will" is to be interpreted as descriptive of an outcome or process and not as an imperative; the word "shall" is to be interpreted in the imperative sense of "must" or "is required to"; while the word "may" is to be interpreted in the permissive sense of "optionally", or "has discretion whether or not to". ADD SUNSET PROVISION?

; or do or act anything in relation thereto.

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 34: To see if the Town will vote to amend the Town Code to add Downtown District to Chapter 174 - Zoning as follows:

- Schedule of use regulations – 174-8.C(5) after Business Village District.
- Signs – 174-11 (D) – sign regulations next to Business Village
- Signs-174-11.E [1] [a] after Business Village District.
- Signs-174-11.E [1] [b] after Business Village District.
- Signs-174-11.E [2] [a] after Business Village District.
- Signs-174-11.E [2] [b] after Business Village District.
- Signs-174-11.E (d) [1] after Business Village District.
- Signs-174-11.E (d) [2] after Business Village District.
- Outdoor Illumination – 174-12.1.E (3) (b), and Table 1 under LZ-2 add Downtown District below Business Village
- Landscaping – 174-13.A(3) as follows:

  (3) Exceptions.
  The requirements of this section do not apply to developments or renovations in the Business Village District and the Downtown District. However, the Planning Board may require landscaping as part of the site plan or special permit application within the Business Village District and Downtown District.

And anywhere else in the code where the Business Village District is referenced and appropriate.

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary:

ARTICLE 35: To see if the Town will vote to amend Chapter 174 of the Town Code to include an expiration for special permits as required by MGL c. 40A Section 9 as follows:

In Chapter 174 Section 9 – Special Permit Requirements, to add after the sentence ending with "...or destructive of property values therein." the following clause: "Unless otherwise designated by this chapter, if the rights authorized by a special permit are not exercised within two years from the date of grant thereof, they shall lapse, and a new petition, notice, and hearing will be required for their reestablishment. The applicant shall be granted a single one-year extension by applying in writing to the special permit granting authority at least 30 days prior to the date when the special permit is due to lapse. An extension will only be granted for good cause and/or at the discretion of the special permit granting authority."

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article would amend the Zoning Bylaw to comply with MGL c. 40A Section 9, which requires bylaws to provide a specified period of time in which special permits will lapse.*

ARTICLE 36: To see if the Town will vote to delete in its entirety Chapter § 9-2 of the town code "Meetings prohibited on Election Day, or when Town offices are closed due to weather or other emergency" and replace it with:

§ 9-2 Meetings prohibited on Election Day, or when Town offices are closed due to a weather or other emergency

A. If the Select Board or their designee announce that all Town offices are closed due to a weather or other emergency, any scheduled public meeting shall be cancelled. However, public meetings may be held if the meeting is held in an online format where the public may observe the meeting. A previously scheduled in-person only meeting may be changed to an online format by submitting a revised agenda to the Town Clerk. If a meeting is cancelled, the Town Clerk shall post notice of the cancellation on the Town website.

B. This prohibition will not apply to emergency meetings held to address weather or other emergencies as defined by the Attorney General.

C. No board, committee or commission shall schedule a meeting on the day of any Town, state or federal election.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This Article modifies the existing town code to allow meetings to be held when town buildings are closed to the public due to a weather or other emergency, if the meeting is held in an online format where the public may observe the meeting*

ARTICLE 37: To see if the Town will vote to accept MGL Ch 41 S 19 K as follows:

"In any town, that accepts this section, a town clerk who has completed the necessary courses of study and training, and has been awarded a certificate by the Massachusetts Town Clerks' Association as a certified Massachusetts municipal clerk, shall receive as compensation from such town, in addition to the regular annual compensation paid by such town for services in such office, an amount equal to 10 per cent of such regular annual compensation, but not more than $1,000 per year. In order to qualify for such additional compensation, a town clerk shall submit to the board of selectmen of such town proof of the award of such certificate. The additional compensation provided in this section shall be prorated for any 12 month period in which an eligible person does not hold the office of town clerk for 12 consecutive months. Such additional compensation shall discontinue when certification is discontinued or withdrawn."

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK

DRAFT

Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This Article accepts the Massachusetts General Law that provides an annual $1,000 stipend to a town clerk who obtains certification as a Massachusetts Municipal Clerk. Only 31% of Massachusetts town clerks have the required experience, have taken the required continuing education courses and passed the 250 - question examination required to earn this certification.*

ARTICLE 38: To see if the Town will vote to amend Town Code § 9-25 Meeting minutes, by deleting it in its entirety and replacing it with:

Each board, committee, or commission shall provide minutes for each of its meetings to the Town Clerk within 45 days of the meeting. Minutes shall be kept by the Town Clerk for a period as required by applicable state law.

A. Minutes shall indicate whether they have or have not been approved by the board, committee or commission when submitted to the Town Clerk.
(1) Minutes that have not been approved at the time of their receipt shall be labeled "Draft."
(2) The Town Clerk shall log the receipt of all minutes and the Town Clerk shall post minutes on the Town website.

B. Minutes shall be submitted in a manner consistent with the Open Meeting Law (MGL c. 30A, § 22), and the Attorney General's Open Meeting Law Guide, and must include:
- the date, time and place of the meeting;
- the members present or absent;
- the decisions made and actions taken, including a record of all votes;
- a summary of the discussions on each subject;
- a list of all documents and exhibits used at the meeting; and
- the name of any member who participated in the meeting remotely.

C. Minutes submitted to the Town Clerk shall include, as reasonably possible, copies of all documents, exhibits, and electronic files of any audio or video presentations used at the meeting, including items created by the board members, or by others allowed to make presentations at the meeting.
(1) The term "used at the meeting" shall mean a document, exhibit, audio or video presentation that was (1) identified by name, (2) present at the meeting, and (3) discussed at the meeting.
(2) If copies of documents or other exhibits used at the meeting cannot be provided due to the physical nature of the exhibit (e.g., size of the exhibit, etc.), the specific filing location of the document or exhibit shall be identified.

D. The last page of the minutes shall include a section labelled Documents Used at This Meeting and shall list the names of each document that was used at the meeting.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This Article clarifies the existing requirements for board, committee, or commission ("the board') meetings to maintain minutes and documents used at meetings. This Article adds the requirement that any audio or video presentation that a board allows to be displayed at a meeting be retained, regardless of who created the presentation. This Article also adds the requirement that the last page of the minutes includes a section labelled "Documents Used at This Meeting" with a list the names of each document that was used at the meeting. A recent review of minutes submitted to the town clerk revealed several instances where no documents were submitted by the board.*

ARTICLE 39: To see if the Town will vote to petition the General Court for the passage of special enabling legislation authorizing the Town to authorize, issue and sell pension obligation bonds to finance the Town's unfunded pension liability to the Worcester Regional Retirement System, fund any necessary reserves, and all other costs associated

therewith, which special enabling legislation shall be in such form as the Select Board shall approve; or do or act anything in relation thereto.

Advisory Committee Recommendation:
Summary:

ARTICLE 45: To see if the Town will vote to accept the provisions of M.G.L. c. 59 §5, Clause Twenty-two H (inserted by Chapter 218 of the Acts of 2018, known as An Act Relative to Veterans' Benefits, Rights, Appreciation, Validation, and Enforcement ("BRAVE Act")), signed into law August 28, 2018, which provides for a property tax exemption for real estate as follows: to the full amount of the taxable valuation of the real property of the surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who: (i) during active duty service, suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death; (ii) are missing in action with a presumptive finding of death as a result of active duty service as members of the Armed Forces of the United States; provided, however, that the real estate shall be occupied by the surviving parents or guardians as the surviving parents' or guardians' domicile; and provided further that the surviving parents or guardians shall have been domiciled in the Commonwealth for the 5 consecutive years immediately before the date of filing for an exemption pursuant to this clause or the soldier or sailor, member of the National Guard or veteran was domiciled in the Commonwealth for not less than 6 months before entering service. Surviving parents or guardians eligible for an exemption pursuant to this clause shall be eligible regardless of when the soldier or sailor, member of the National Guard or veteran died or became missing in action with a presumptive finding of death; provided, however, that the exemption shall only apply to tax years beginning on or after January 1, 2019. Such exemption shall be available until such time as the surviving parents or guardians are deceased. No real estate shall be so exempt which has been conveyed to the surviving parents or guardians to evade taxation. To be effective for exemptions granted for any fiscal year beginning on or after, July 1, 2024; or do or act anything in relation thereto.

Proposed by: BOARD of ASSESSORS
Select Board Recommendation: Support (4-1-0)
Advisory Committee Recommendation:
Summary: *The local adoption of clause 22H will expand the real estate exemption benefits for Gold Star parents or guardians. Gold Star families are those that have lost an immediate family member serving in the United States armed forces during any period of war or hostilities in which the armed forces of the United States were engaged.*

ARTICLE 46: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale of the 21 Highland St. property until January 1, 2028. It is agreed that the sale or transference of the property could be detrimental to the town until the following factors are resolved: There is currently a new school project being contemplated with an unspecified school price tag that could range as high as 60-100 Million dollars at his moment. The process of planning and building a new school could take another 3 or more years to complete. There is currently 300 408 housing units likely to be built in the next 3-5 years, and the MBTA community Act currently threatens the town with another potential 750 units of multifamily zoning by right, so in the next 3+ years to come the town could lose control of housing development in many areas of the town (there are 3800 housing units in the town currently, the total new burden could add a possible 26% population increase). Although it is unrealistic to expect the full number of units, the current school estimates do not take all of these factors into account, nor can we accurately project numbers with confidence having no control over the zoning, unit type, or building process. There is no current organizational model or plan to mitigate the possible cost or space need effects upon town departments, and no current plan for town space needs if this rapid population growth occurs. The current space need plans are dependent upon the premise of building a new school, a historically neutral residential development plan, and turning over one of the current schools to general town use for multiple departments currently inhabiting other buildings, including Recreation, Family and Youth services (both in the 21 Highland property), Building Permit departments, senior center, and Facilities (all in the Cordaville hall building), who have all have been recommended in the space needs plan to vacate their current locations

(and to move to Finn currently). If there is a problem with the plan (example: No new school, or other factors as high population growth), selling the 21 Highland St. property could leave the town with little recourse except to sign commercial leases for homeless departments, potentially making the town long term dependent upon the private real estate market fluctuations, and/or possibly build space, adding to town costs. A new school is currently not approved, but selling these properties could be used as financial incentive and space need leverage to coerce support for one, knowing the sale could instigate leases and costs created by a premature property sale and vacating actions by those departments. There is minimal financial risk to delaying a sale of the property for several years. There is a greater financial risk to selling the property prematurely if the building could better serve the short, middle, or long term interests of the town given the current factors facing the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Support (0-5-0)
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

ARTICLE 47: To see if the Town will vote that the Town hereby resolves to own and rehab the current 21 Highland St. property for town, community, and/or rental use, using CPC and other bond allocations to fund the project when needed. The surrounding property will remain open for community use regardless of building use. It is required that the Select Board carry out the will of this resolution, and have a plan in place by the next town Meeting with the understanding that the citizenry will not entertain a proposal to dispose of the property till the year 2033. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Select Board Recommendation: Support (0-5-0)
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

ARTICLE 48: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale the 21 Highland St. property until January 1, 2030. It is agreed that the citizenry prefers to tastefully retire use of the building at 21 Highland St., and keep the building at 21 Highland St. property owned by the town if or when departments housed wherein should move to other locations and there is no reason to keep the building in use. At such time, the 21 Highland St. building interior will be "Mothballed", the exterior of the windows protected with tasteful covers, the roof and exterior sealed, so the building will keep in a relatively preserved state til it should be desired for future use again, remodeling or demolition by the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

SELECT BOARD OF THE TOWN OF SOUTHBOROUGH

DRAFT

PROPOSED AMENDMENTS TO THE FY25 SALARY ADMINISTRATION PLAN

1. In the first paragraph, change the effective date from "July 1, 2023" to "July 1, 2024".

2. In the first paragraph, insert the following after the words "administer the bylaw": ", to oversee the Town Administrator in the development and maintenance of personnel policies and regulations,".

3. In Section 1, "Probationary Employee" add the words "or longer, if extended".

4. In Section 3, delete everything after the words "the Board" and insert in their place the following: "(a) approve an appropriate job description, (b) rate such new or changed position, and (c) allocate it to its appropriate classification grade and establish the rate thereof."

5. In Section 9b, add the following sentence at the end thereof: "The probationary period may be extended by a Department Head [or an Appointing Authority] when deemed necessary."

6. In Section 9(c), delete the words "at a rate not exceeding the mid-point of the pay scale" from the second sentence thereof an insert instead the words "up to step 8 for the appropriate job grade".

7. In Section 11b(2), substitute the word "four" for the word "three" in the first sentence.

8. In Section 11b(2), delete the last sentence in its entirety and substitute the following: "Employees commencing employment with three weeks per year will be required to complete two years of service before ascending to the next band (four weeks) in the vacation schedule chart and seven years of service before ascending to the following band. Awarding four weeks should be the exception based on evidence that the employee is leaving another position that already provides this benefit. Employees commencing employment with four weeks per year will be required to complete five years of service before ascending to the next band (five weeks)."

9. In Section 16(b), add the following sentence at the end thereof: "The Personnel Board shall provide guidance to the Personnel Director in the development and maintenance of personnel policies and regulations."

10. In Section 20, Schedule A, add the job title "Library Associate" in pay grade 3.

11. In Section 20, Schedule A, substitute the Personnel Board approved salary grid for FY25 for the current Schedule A chart.

12. In Section 20, Schedule A, remove the double asterisk after the job title "Clinician".

13. In Section 20, Schedule A, amend the grade of Police Dispatcher from Grade 3 to Grade 4 and add a double asterisk after the job title "Police Dispatcher".

PERSONNEL BYLAW
ENTITLED "THE SALARY ADMINISTRATION PLAN"
[revised at March 23, 2024 Annual Town Meeting]

Effective July 1, 2024, this bylaw establishes a Salary Administration Plan for the Town of Southborough that (i) groups position classifications in Town services, (ii) establishes salary schedules and employee benefits and (iii) establishes and authorizes the Personnel Board to administer the bylaw to oversee the Town Administrator in the development and maintenance of personnel policies and regulations and to represent the interest of both the taxpayers and the Town employees.

This Salary Administration Plan applies to the positions of all officers and employees in the service of the Town, whether full-time, part-time, temporary, seasonal, special or any other, except those positions filled by popular election, under the direction and control of the School Committee, performed pursuant to a contract approved by the Town, encompassed in any officially recognized labor union and/or association, or exempted by statute The positions covered by this Salary Administration Plan are hereby classified by titles in the groups listed in Schedule A through E ("Classification Schedule") as set forth in Section 20 of this bylaw.

The classification of positions subject to the Massachusetts Welfare Compensation Plan (as amended) and the scheduled rates therefor, as well as the applicable provisions of the Massachusetts General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference

SECTION 1. DEFINITIONS

As used in this bylaw, the following words and phrases shall have the following meanings

"Administrative Authority" means the elected or appointed official or board having jurisdiction over a function or activity.

"Class" means a group of positions in the Town service sufficiently similar with respect to duties and responsibilities such that for each position the same (i) descriptive title may be used, (ii) qualifications shall be required, (iii) tests of fitness may be used to choose qualified employees and (iv) scale of compensation can be equitably applied

"Classification Schedule" means any of Schedules A, B, C, D and E of Section 20 hereof

"Compensation Grade" means a range of salary/wage rates as may appear in the Classification Schedules

"Continuous Full-Time Service" means employment requiring a predetermined minimum work period that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Continuous Employment" means full-time or part-time employment that is uninterrupted except for authorized leaves (e g , vacation, sick, etc.).

"Department" means a functional unit of Town government.

"Department Head" means the person appointed and responsible to carry out the duties of a Department

"Exempt employee" means an employee who is not entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"Full-Time Employment" means employment for not less than 20 hours per week for fifty-two weeks per annum, excepting authorized holidays and leave periods.

"Group" means a group of classes as may appear in the Classification Schedules.

"Maximum Rate" means the highest compensation rate to which an Employee is entitled.

"Minimum Rate" means the lowest rate in a Range, and is normally the hiring rate of a new employee

"Non-exempt employee" means an employee who is entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"On-Call Compensation" refers to additional money paid to an employee who is available to work when the need requires oftentimes in an evening or weekend capacity.

"Part-Time Employment" means employment less than 20 hours per week.

"Position" means an office or post of employment in the Town service with duties and responsibilities calling for the Full-Time or Part-Time employment of one person in the performance and exercise thereof (or of more than one person sharing the same position).

"Position Class" means the same as "Class" (note that a class may include only one position, in which event it is defined as a "single position class").

"Probationary Employee" means a first-time Town employee within his/her first six months of employment, or longer if extended.

"Promotion" means a change from one position to another position in a higher class and/or compensation grade.

"Range" means the difference between minimum and maximum rates of an assigned grade.

"Rate" means the measure of compensation for personal services on an hourly, weekly, monthly, annual or other basis.

"Salary Administration Plan" means the Personnel Bylaw Entitled "The Salary Administration Plan."

"Single Rate" means a rate for a specific position class that is not in a designated range.

"Start Date" means the first day of employment with the Town.

SECTION 2. POSITION TITLES

No person shall be appointed, employed or paid in any position under any title other than those of the Classification Schedule for which the duties are actually performed. The position title in the Classification Schedule shall be the official title for all purposes, including payrolls, budgeting and official reports.

SECTION 3. NEW OR CHANGED POSITIONS

~~No new position shall be established, nor the duties of an existing position so changed that a new level or work~~ demand exists, unless upon presentation of substantiating data satisfactory to the Personnel Board, (a) approve an appropriate job description, (b) rate such new or changed position, and (c) allocate it to its appropriate classification grade and establish the rate thereof.

SECTION 4. RECLASSIFICATION OF EMPLOYEES

No position may be reclassified to another grade, whether higher or lower, unless the Personnel Board shall have determined such reclassification is consistent with this Salary Administration Plan.

SECTION 5. JOB DESCRIPTIONS

The Personnel Board shall maintain such criteria as it deems appropriate for the positions and classes in the schedules. Each department or public body (board, committee, commission) with SAP employees shall maintain current job descriptions for such employees. All such job descriptions and any revisions thereto must be submitted to the Personnel Board for approval following review and approval by the Select Board or appropriate public body. The criteria for any class shall not be deemed to limit the duties or responsibilities of any position as set forth in the job description, nor to affect in any way the power of any administrative authority to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 6. COMPENSATION

a The bi-weekly pay period shall begin at 12:00 a.m. Thursday and shall end at 11 59 p m on the following second Wednesday.

b Non-exempt employees subject to this Salary Administration Plan shall be paid for one and one-half hours worked for any hour worked in the excess of forty in their weekly pay period, provided such extra hours were authorized by the Department Head.

c The salary schedules set forth in Schedules A, B, C, D and E of Section 20 hereof reflect the maximum and minimum salaries for each grade.

d The annual salary set forth in Schedule A represents a 40-hour work week and in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated annual salary is pro-rated reflective of the posted salary schedule in Schedule A.

e Amounts paid to employees in reimbursement for expenses incurred in the performance of their duties (e g , mileage, meals, dues, etc.) shall be paid in addition to their compensation Reimbursement shall be based upon the actual documented expenditure made by the employee, or at rates established by the Internal Revenue Service, supported by that agency's requirements for documentation.

f On-Call Compensation: The on-call member of the Facilities Department shall be eligible to earn a weekly stipend for on-call service if the department head has required them to be available to respond to situations outside of their normal work schedule. This weekly stipend shall be equal to a set rate of $300 per week If the on-call staff member must report to work outside of their normal work schedule, compensation for this time shall be based on the standard SAP overtime practices. Additionally, if the on-call staff member is faced with a situation that renders them unable to serve as the on-call individual on a particular day that they are scheduled to be on call, said employee may request that another eligible staff member cover their on-call time, with the approval of the department head. In such an event, the regularly scheduled employee's weekly stipend will be reduced by $45.00 per day that they are unable to be on call. this stipend amount will instead be paid to the covering employee per day of coverage There is no provision to accrue compensation time in lieu of payment for on-call time

SECTION 7 SALARY ADJUSTMENT & COMPENSATION POLICIES

a Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible for consideration of a salary increase annually on July 1 Employees hired between April 1 and June 30 will be eligible for a salary increase the July 1st following their twelve-month anniversary Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Select Board or their designated appointee in the case of departments within the jurisdiction of the Select Board, or the appropriate Commissioners or Trustees in the case of departments outside the jurisdiction of the Select Board.

Retroactive salary increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism

Unless specifically exempted by Personnel Board policy, requests for salary increases must be accompanied by a certification from an employee's manager that the employee's performance has been "satisfactory" or better and that a written employee performance appraisal, on a form approved by the Personnel Board, has been completed The form of this certification will be prescribed by Personnel Board policy promulgated hereunder Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments.

An employee may appear before the Personnel Board prior to its action on any request for an increase Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter

b. Special Non-Continuous Part-Time employees and employees in Schedule B classifications shall be eligible for consideration for salary increases upon the recommendation of the appropriate department manager or Board and approval of the Personnel Board.

c. Probationary Employees

1. During the probationary period, benefit eligible employee(s) will earn vacation, sick and personal time in accordance with Section 11(b-d) hereof

2. During the probationary period, paid leave accruals shall be based on the Start Date

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board, provided the maximum for the job is not exceeded. This is contingent upon the Department Head's recommendation that qualifications and performance warrant it.

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the Personnel Board approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL HIRING, DEPARTURES

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. Probationary period: For new hires, the first six months of employment shall be a probationary period. The probationary period does not apply to Town employees who change positions within the Town. The probationary period is a time during which an employee will be evaluated to ensure that the employee has the requisite knowledge, skills, and abilities to perform the position (with or without reasonable accommodations). Completing the probationary period does not change the employee's relationship with the Town, which will remain one in which either the employee or the Town may terminate the relationship at will. The probationary period may be extended by a Department Head [or Appointing Authority] when deemed necessary.

c. A new employee's hiring rate shall be the minimum of the rate range of the job, unless otherwise authorized by the Personnel Board or Personnel Director. The Personnel Board is cognizant of the need to make timely decisions during the recruitment process, therefore, the Personnel Director is empowered to set starting salaries for new employees with comparable experience up to Step 8 for the appropriate job grade as set forth in Schedule A of the Salary Administration Plan.

d. The Personnel Director or his/her delegatee shall notify the Personnel Board in writing of the hiring of all personnel and their hiring rates. The Personnel Director or his/her delegatee shall also notify the Personnel Board in writing of the departure of any employee.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i(1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees The benefits listed below are not intended to supersede what State or Federal law may otherwise require The benefits set forth in this section are applicable to Full-Time employees only, except where noted

All forms of paid leave set forth in this section are based on a 40 hour work week. In the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a Holidays with Pay

Full-Time employees shall receive one day's pay at their regular rate for the following.

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veteran's Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	Day before or after Christmas Day (as set by the Town annually

To be eligible for holiday pay, an employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval. Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years

All administrative policies and practices relative to holidays with pay shall be prepared and established under the direction of the Personnel Board.

b Vacations with Pay

(1) Full-Time employees who have been in the continuous employ of the Town shall earn paid vacation in accordance with the following schedule:

Years of Employment	Hours Earned Per Month	Vacation Earned Per Year (Pro-rata)
0 - 2	6.666	Two weeks
2+ - 7	10.0	Three weeks
7+ - 15	13.333	Four weeks
15+ - or more	16.666	Five weeks

Employees hired prior to July 1, 2005, shall be eligible to earn twenty hours per month after serving twenty years of full-time employment with the Town.

(2) At the recommendation of the hiring authority and upon the approval of the Personnel Board, new employees entering into a position with the Town of Southborough from a similar position will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of four weeks' vacation [pro-rated] for the first year of employment with the Town.

Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the

Department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. Employees hired on or after July 1, 2023, shall be permitted to carry over a maximum of two weeks to the following fiscal year. The employee must have the Department Head's approval to take any portion of a prior year's unused vacation in addition to the days earned in the current fiscal year. Employees commencing employment with three weeks per year will be required to complete two years of service before ascending to the next band (four weeks) in the vacation schedule chart and seven years of service before ascending to the following band. Awarding four weeks should be the exception based on evidence that the employee is leaving another position that already provides this benefit. Employees commencing employment with four weeks per year will be required to complete five years of service before ascending to the next band (five weeks).

(3) If in the opinion of the Department Head there are unusual work-related circumstances that warrant it, a department head may seek approval from the Town Administrator or his/her delegatee to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(4) In the event of termination of employment the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

(5) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

c. Sick Leave

(1) Full-Time employees shall be entitled to accrue 10 sick hours per month, equaling 120 hours annually (15 sick days), employees working less than 40 hours in a weekly pay period will accrue ratably based on hours worked per week. Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave. Employees of the Town of Southborough hired on or after July 1, 2023, will not be subject to any payout of accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

(5) Sick leave administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

d. Personal Days

Full-Time employees shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's Start Date. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the Department Head. Personal days shall not accumulate from year to year.

e Military Leave

(1) Reserve Duty: An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(2) Active Duty: Pursuant to Article 8 of the April 11, 2005 Annual Town Meeting, an employee in the federal military reserve or a state National Guard who is called to active service shall be entitled to their regular base salary and shall not lose any seniority or paid leave benefits while on military leave; *provided*, however, that such base pay shall be reduced by any amount received from the United States as pay or allowance for military service performed.

f. Jury Duty

Any employee who is called to jury duty shall be paid the difference between their normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

g. Miscellaneous Paid Time Off

Working time lost from regularly scheduled work days for reasons listed below shall be without loss of pay, provided such lost time is authorized by the Department Head. Sections (1) – (3) are applicable to Full-Time employees only; Section (4) is applicable to both Full-Time and Part-Time employees.

(1) Bereavement leave – In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the employee, such employee shall be entitled to receive three days' leave for the purpose of the funeral and services of the deceased. If out-of-state travel is required, the Department Head may authorize up to two additional days of travel time.

(2) Medical examination or inoculation required by the Town

(3) Blood donation authorized by the Department Head

(4) Attendance at professional and/or educational programs authorized by the Department Head

h. Court Time Pay

If the Town requires that an employee appear in Court as a witness or in any other capacity arising from the performance of the employee's duty, or on behalf of the Commonwealth or the Town in any civil or criminal case pending in any Court or other official governmental board or agency, such appearance and related travel time shall constitute work time for purposes of calculating weekly hours worked. If such appearance or related travel time causes a non-exempt employee to exceed forty hours of work in any given work week, the employee shall be eligible for overtime pay in accordance with Section 6(b). This section does not apply to exempt employees.

i Employee Educational Support/Professional Development

(1) Degree Bonus: All Part-Time and Full-Time employees who, while an employee of the Town, earns a degree in a field applicable to their position from an accredited college or university, shall receive a one-time bonus subject to appropriation, according to the following schedule:

Associates Degree ...$ 800.00
Bachelors Degree ..$1,200.00
Masters Degree $1,500.00

A copy of the completed transcript, diploma or other appropriate evidence of the completed degree must be presented to the Department Head and the Personnel Board, and shall be submitted as documentation for accounts payable.

(2) Tuition reimbursement: the Town may offer tuition reimbursement to eligible Full-Time and Part-Time employees as prescribed by Personnel Board policy enacted under this Bylaw

j Group Medical Insurance

Starting July 1, 2009, the Town will contribute fifty percent (50%) of the cost of a medical indemnity plan or seventy-five percent [75%] of the cost of a Health Maintenance Organization plan for Full-Time employees only

SECTION 12 UNPAID LEAVES OF ABSENCE

a A leave of absence without compensation may be granted by the Personnel Board

b Leaves of absence of over three months' duration (except Military Leave) shall be deemed a break in employment, and on return to work the employee shall have the status of a new employee unless an extension of leave beyond three months was authorized by the Personnel Board.

SECTION 13 PART-TIME EMPLOYEES WORKING FULL-TIME HOURS TEMPORARILY

a A Part-Time employee may work 20 hours or more per week for no longer than two bi-weekly pay periods, or four bi-weekly pay periods in the case of an Election Worker during an election cycle, if requested by their Department Head due to exigent circumstances, or for longer if recommended by the appointing authority or the Personnel Director, with the authorization of the Finance Director and approval of the Personnel Board. In such cases the employee will remain a Part-Time employee with no change in status.

b Department Heads may submit requests for additional compensation for Part-Time employees temporarily working Full-Time hours, subject to available funding as authorized by the Finance Director and approved by the Personnel Board

SECTION 14 APPOINTMENT OF "ACTING" DEPARTMENT HEADS

a. In the absence or retirement of a Department Head for three consecutive weeks, the Select Board or appropriate board or commission may appoint an "Acting" Department Head to serve for a period of not more than three months. Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Select Board or other appropriate board or commission for each such extension. In no case shall an appointment of an "Acting" Department Head exceed one year.

b. Duly appointed "Acting" employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the "Acting" employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds therefor.

SECTION 16. DUTIES OF THE PERSONNEL BOARD

a. The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of the Plan

b. The Town Administrator serves as the Town's Personnel Director under the Town Administrator Bylaw [Ch. 27, Art. IX]. As such, the Personnel Director is invested with personnel authority and responsibilities as set forth therein. From time to time, and as may be necessary, the Personnel Board will consult and/or act in concert with the Personnel Director or his/her delegatee on matters of joint responsibility and concern. The Personnel Board shall provide guidance to the Personnel Director in the development and maintenance of personnel policies and regulations.

c. The Board shall meet annually in July and organize by the choice of a Chair and Vice-Chair. The Board shall meet at least monthly, except when there is no business before the Board. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

d. The Personnel Board shall maintain records of all employees subject to this Plan as it deems desirable, including personnel evaluations. Such records are to be kept by the Personnel Director or his/her delegatee, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the Board.

e. The Personnel Board shall from time to time, but no less often than every federal Election Year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

f. The Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information. Approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.

g. Matters of concern by SAP employees that are communicated in writing to the Chair of the Personnel Board will be scheduled on an agenda at the next available meeting providing all necessary and requested information has been submitted in time to be part of the meeting packet. In addition, notice in writing shall be forwarded to the concerned employee and respective Department Head within seven days of the Board's decision. Notwithstanding the foregoing, if the Personnel Board shall so request and the concerned employee and Department Head shall agree, a reasonable extension of these time periods may be granted.

h. Upon recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, the Board may authorize variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the Town, and to effectuate the basic intent of the Plan.

SECTION 17. EMPLOYEES AND THE PERSONNEL BOARD

a. All employees covered by this Salary Administration Plan shall have the right to request an appointment to confer with the Personnel Board on any matter of interest or concern to them that is covered by the Salary Administration Plan. The employee shall notify the Department Head in writing in advance of the desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

The Salary Administration Plan may be amended in the same manner that Town Bylaws may be amended. However, no amendment to the Plan shall be made until it has been presented to the Personnel Board and the Personnel Board has the opportunity to act on it. The Board of its own motion may propose an amendment to the Plan.

SECTION 19. SEVERABILITY PROVISION

In the event that any provision of this bylaw, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this bylaw.

3	$ 23.00	$ 47,840.00	$ 24.00	$ 49,920.00	$ 25.00	$ 52,000.00
4	$ 30.00	$ 62,400.00	$ 31.00	$ 64,480.00	$ 32.00	$ 66,560.00

SCHEDULE D: SPECIAL ADMINISTRATIVE AND SUPERVISORY POSITIONS

Police Lieutenant:

In addition to all the benefits provided employees under the SAP, he/she would be eligible for some additional benefits as provided members of Mass COP Local 167, the police union collective bargaining agreement

As a result, a separate policy is adopted by the Southborough Select Board and enforced by the Southborough Police Department subject to change in conjunction with future collective bargaining agreements

*Increases in salary for long term employees will be considered case by case by Personnel Board

SCHEDULE E LONGEVITY SCHEDULE Full-Time Employees of Town of Southborough Compensated annually on the anniversary of the employee's Start Date

After 5 years	$400
After 10 years	$600
After 15 years	$700
After 20 years	$850
After 25 years	$1,000
After 30 years	$1,200
After 40 years	$1,500

Community Center Exploration Committee

Select Board Report

February 2024

Committee Members

- Jason Malinowski, Chair and CIPC Representative
- Tim Fling, Vice Chair and at large member
- Susan Heilman, Clerk and at large member
- Jen Hansen, Rec. Comm Representative
- Bill Harrington, COA Representative
- Janet Maney, Library Representative
- Nicky Mauro, at large member
- Tim Davis, ex-officio
- Ryan Donovan, ex-officio
- Pam LeFrancois, ex-officio

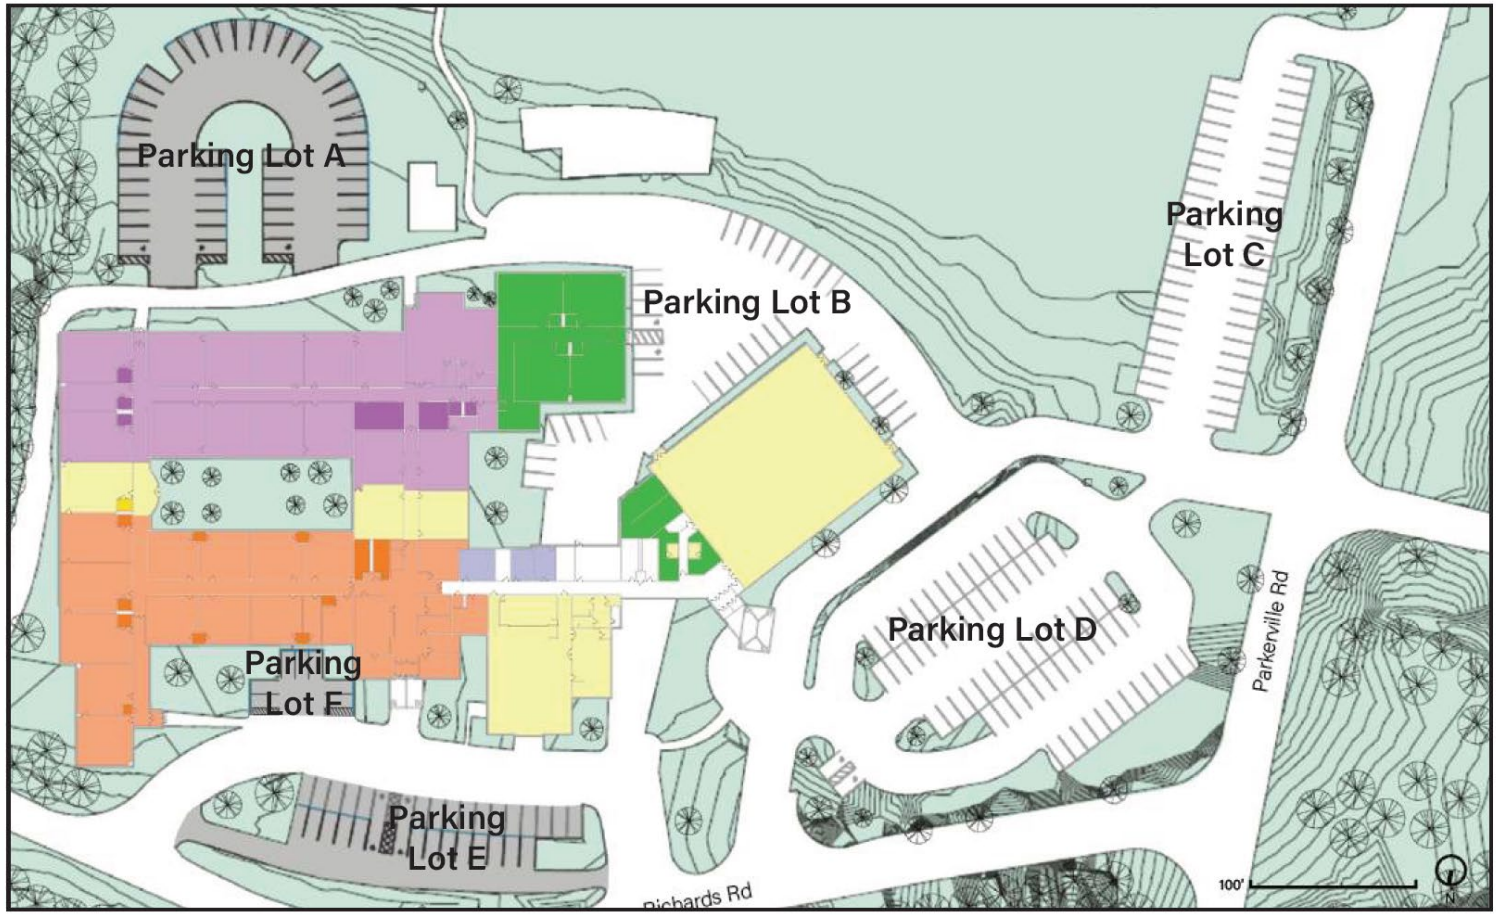
Introduction

- The Committee was unanimous in supporting the recommendations in this final report and wanted to express it's appreciation for some key elements in the plans:
  - Not only were the functional needs of each group included, but the appearances of the entrances and rooms will support each group's mission. It will not just be a modified school building.

- The establishment of a Community Center housing multiple groups will enhance the functionality of each group through use of shared space and resources as well as increased communication.

Process

- Spent a lot of time discussing the various space needs and issues facing each department as we move ahead.
- Once Finn was toured by stakeholder groups, decision was made to explore what possible option existed to potentially repurpose the building.
- Engaged DRA to continue their work from the prior space needs done for Capital to look at the Finn School, as well as new construction
- Public-Private Partnership – Explored preliminary the alternatives that were out there would not suit the needs of the various departments



Potential Finn Renderings (Building)

Programs:
- Senior Center
- Renovated Senior Center
- Library
- Recreation
- Common Area
- Renovated Common Area
- Unassigned Flex Space
- Youth and Family
- Renovated Youth and Family
- Facilities
- New Parking

Total Parking Spots: 237

Potential Finn Renderings (Parking)

Parking Zones Overview

Potential Cost Ranges

	New Senior Center	New Rec Center	New Library	Option 1d – Per Committee at Finn
Net Sq. Ft Subject to Construction	15,140	27,000	19,500	22,500
Total Expected Cost in 2027	$22.0 M	$48.9M	$28.6M	$14.7M
			Includes no consideration of grant matches	

All costs are high-level estimates subject to much further work. They are presented as continued illustration of the significant benefit of building re-use.

No land acquisition costs included for any new construction.

Conclusion

- Finn is well suited to serve as a Community Center with a focus on the following:
  - Recreation – Enable full access to the gym and all indoor programming, including camp
  - Council on Aging – Home to the Senior Center, requires full design to retrofit the space
  - Library – Potential annex or temporary space during Library construction, unlikely to be the permanent library, although it could fit
  - Storage – Significant amount of space will be needed to support all departments.
  - Youth & Family – Space would be available to support their programs, if desired
  - Flexible space is likely available in most options, but current recommendation is not to explore permanent town offices until further design is explored
- If Finn does not become available for municipal purposes, new construction is likely to be costly and isolated by department

Next Steps in this Process

- Monitor progress of Neary Building Committee and if Finn is going to be decommissioned, form a building committee to further build out the design and space needs
  - This will require design funding from Town Meeting
- Monitor progress of MBLC grant program for Library to determine exactly what needs they may have
- If Finn is going to be available for municipal needs, need to make a decision sooner rather than later of whether a Community Center construction project would go to town meeting with the Neary project or at a later date
  - Regardless, the committee recommends construction costs be available for purposes of discussion to enable broader long term capital planning for the Town

Thank You!

Appendix

Stakeholder Views and Next Steps

Appendix

Recreation

- If Finn 2 baseball/softball field is needed to provide additional parking, then a replacement option for a field needs to be identified elsewhere in town
  - Significant discussion that this could be worked into the plans for the overall Neary site plan
- Playground needs to remain, but also may be at its life expectancy by the time this project comes to be
  - Tied to decisions related to South Union to make sure there is always an accessible playground on the south side of town

Appendix

Council on Aging/Senior Center

- Additional discussion needs to occur around parking as part of any design process
- Any project needs to support a high level intensity of construction to make sure the space is warm and welcoming, and not just re-purposed school classrooms.

Appendix

Library

- Exact needs of the Library are tied to the outcome of the MBLC grant process which will be known before any design work is needed on the Community Center
- Storage is a known need that will likely be needed regardless of MBLC outcomes
- Ability to use the space as an annex or temporary space during construction at existing site is also a possibility that may be explored in future scenarios

Town of Southborough

Community Center Feasibility Study

Proposed Options for Addition/Renovation and New Construction

Drummey Rosane Anderson, Inc.

December 22, 2024

Updated February 2, 2024 to include Option 1d

Appendix C - Options Assessment

**Excel Document for Comparative Budget Estimates and Options Assessment Provided with Report*

Introduction - Project Scope

Our team was pleased to be able to take on an extension of the previous 2021 Town-Wide Space Needs Study for the Town of Southborough. This report contains information regarding findings and options that were explored as part of the study.
All work included in this report is for test fit and comparison cost purposes only. If favorable, we recommend further study of a preferred option to be continued with a higher level of detail and refinement.
The team met with the following key departments to review the scope of work during the study process:

- Key Library Staff and Board Members
- Southborough Senior Center Director and Key COA members
- Southborough Parks & Recreation Director
- Community Center Committee Members

Project Tasks and Goals

1. The team reviewed and looked at the options below:
   - Space Allocation at the existing Finn Elementary School for COA, Recreation and Library space needs; this may involve other town departments such as Youth and Family
   - Senior Center high level costs (site costs include an allowance only)
   - Recreation Center high level costs (site costs include an allowance only)
   - Library high level costs (site costs include an allowance only)
   - Library, Recreation, and Senior Center mixed use New Construction high level costs (site costs include an allowance only).
2. Our team reviewed existing conditions during a site visit at the Finn Elementary School & will gather all plans/data available.
3. Conceptual space plans will be provided for each of the three options outlined in item 1.
4. DRA provided high level costs for all three options identified in Item 1.
5. A Summary of Findings will be provided, outlining pros and cons associated with each of the options.

Review comments will be included in the final document and be provided electronically with all plans for Owner use.

Schedule

Work for this phase of the study started in late July 2023 and concluded in Fall 2023.

Collecting

The DRA team collected available plans for the existing Mary Finn Elementary School and walked the building with the head custodian and facilities director for the school district. Our team used this information, and the most recent AHERA report available as well as MASS GIS Information to help gain more knowledge about the existing conditions.

Due to the unknown site locations for any potential new construction options highlighted above, our team included site 'allowances' to acknowledge costs for development of the site but they are not representative of any design or specific site scope of work.

Exisiting Mary Finn Elementary School

The existing Mary Finn Elementary School was originally constructed in 1964 with a series of additions in 1998-1999. The plan below highlights the existing building as well as the areas of addition. Due to the age of the building, there are known abatement requirements for future renovation of the original portion of the building. Due to the 1998 renovations, necessary ADA improvements were made to the existing building which allows renovation for this project to focus on the renovation requirements themselves.

The interior and exterior finishes of the existing building are in fair to good condition.
If code upgrades are not required, the team would not anticipate that work would be needed for exterior improvements at this time. If Energy Code upgrades are required, the Owner would be required to improve the overall R-Value (value associated with the thermal insulation performance) of the building envelope. This could include removal of the existing masonry, abatement where required of existing mastic, reinsulating and providing a new rainscreen or veneer. Other options include providing additional continuous envelope insulation such as an insulated panel system over the existing building façade which minimizes impact and need for abatement of existing envelope materials.

Building Envelope

Although they are in fair to good condition,the windows in the existing building have not been replaced since the 1999 renovation-addition project. Any code upgrades that are triggered for the envelope would require window replacement. This, in turn will improve the energy efficiency of the building.

The existing roof has not been replaced since the 1999 renovation, therefore it will be required to be replaced during any code upgrades to meet Energy Code requirements.

Window replacement is not anticipated as the existing windows have been replaced. Roof replacement is not anticipated unless energy code upgrades are required due to the level of renovation.

Systems

The boiler was recently replaced in 2020 with an MSBA (Massachusetts School Building Authority) Accelerated Repair project and is in good condition.

HVAC controls were not replaced and/or upgraded with the accelerated repair project. Although this study will not include the cost of controls as part of our scope - it is recommended that a BMS system is studied and considered part of a future renovation project. This is important for energy management as well as the fact that this project would be a mixed-use building occupied by multiple departments and user types. An allowance for controls is included in this study within the design contingency.

The existing building and addition have an operational sprinkler system. The kitchen also includes an ansul fire suppression system.

Level of Renovation

Due to the value of the existing building and based on the alteration level of any future renovations, the Owner is advised to understand that code improvements may be required to ensure the building meets current standards.

Level 1 Alterations

Level 1 alterations to existing buildings or structures are permitted without requiring the entire building or structure to comply with the energy requirements of the International Energy Conservation Code or International Residential Code.

Level 2 Alterations

Level 2 Alterations – alterations include:

Reconfiguration of space
Installation of additional equipment that did not exist
Addition or elimination of doors and windows.

Alteration work that may occur - cascades. Level 1. existing condition exceed current code minimum.

Level 3 Alterations

As Level 3 alterations are those alterations where reconfiguration of space takes place in more than 50 percent of the building aggregate area, then any new element within the work area, as defined in Chapter 2, is required to meet the applicable energy provisions of the International Energy Conservation Code®(IECC®). Level 3 alterations apply where work area exceeds 50 percent of the building area.

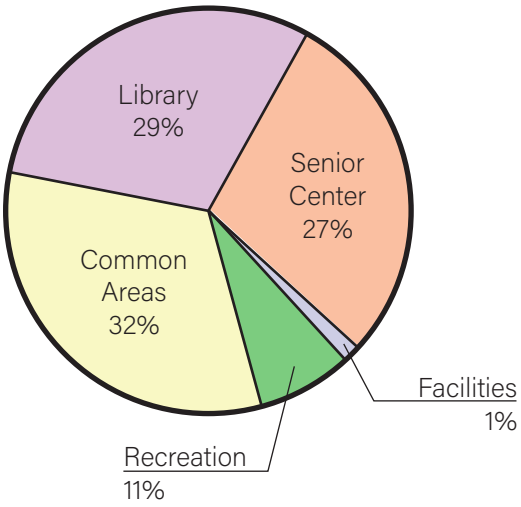
Current Mary E. Finn Elementary Floorplan

Current Floorplan (with Site Context)

Option 1a - Low Impact

This option considers the possibility of no major renovations being conducted (i.e., no wall construction or destruction, no major structural changes, only interior design renovations completed per room and program). This layout examines which existing classroom or public space would best accommodate each program within each department planned to be included in the Mary E. Finn Renovation.

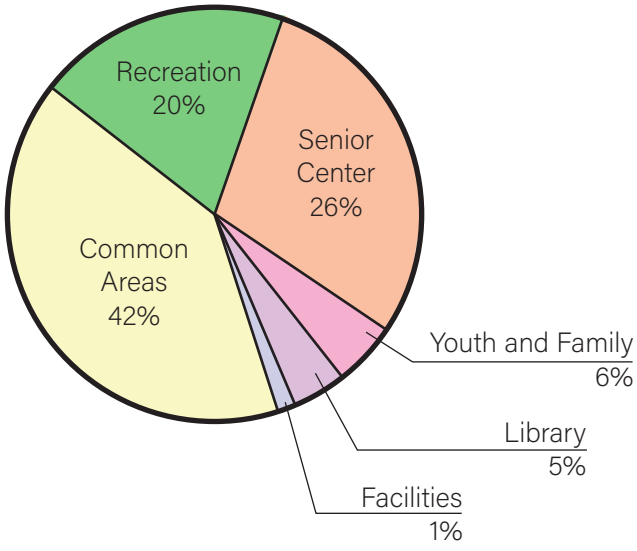
The proposed option would be considered a Level 1 Alteration, which requires no significant code upgrades, and therefore costs, in addition to the base scope Regulations for the interior renovation.



This option includes two (2) phases to allow for the option of library programs to utilize space if needed during an addition/renovation project at the current library site. If no temporary library space is needed, as shown in Phase 1, then Phase 2 can be utilized for this option. This allows for the maximum amount of square footage for community meeting space of all the options included in this report.

Phase 2 would occur once the Library program would move into their permanent location, while still accomodating for remote storage within the Mary E. Finn building. This layout allows for the Recreation department to expand, and allows the Youth and Family Department to take place into this building. This layout also accommodates for more Common Areas and Flex Space.

The square footage is divided as showcased in the following, shown in the following page.



PHASE 1

Program	*Area (sqft)*
Senior Center	18 271
Library	19 358
Recreation	7 411

OPTION 1A - PHASE 2

Town of Southborough
Community Center Feasibility Study

DRA

Senior Center - Low Impact

This option examines the possibility of the layout if there were no walls to be moved, torn down, or added. This layout accommodates for more storage space for wheelchairs, food deliveries, activity and fitness equipment, etc. Several programs have two rooms that are next to each other to give departments the opporunity to run activities consecutively. Programs with two rooms include the Pool/Game/Card Rooms, Activity Rooms, and Fitness Rooms. Quieter programs, such as the Computer Room and Activity Rooms, are placed near the Library and Youth and Family departments to create quieter areas for these neighbouring programs. Administration Offices are not placed in the Main Office (except for the Receptionist Office) but are instead placed on the other side of the main entrance for easier access to the Director and Assistant Director's Offices for visitors.

PHASE 1

Senior Center	*Net Square Footage*

Nurse's Office	489
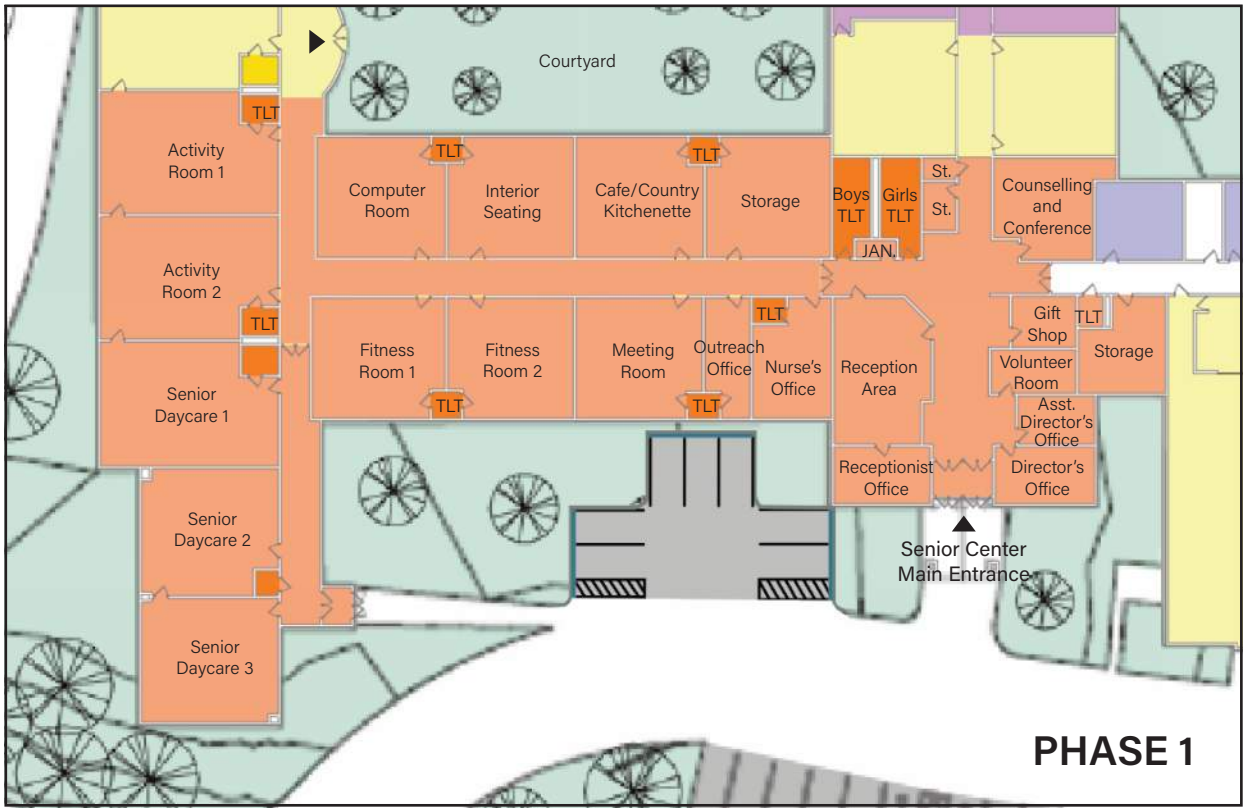
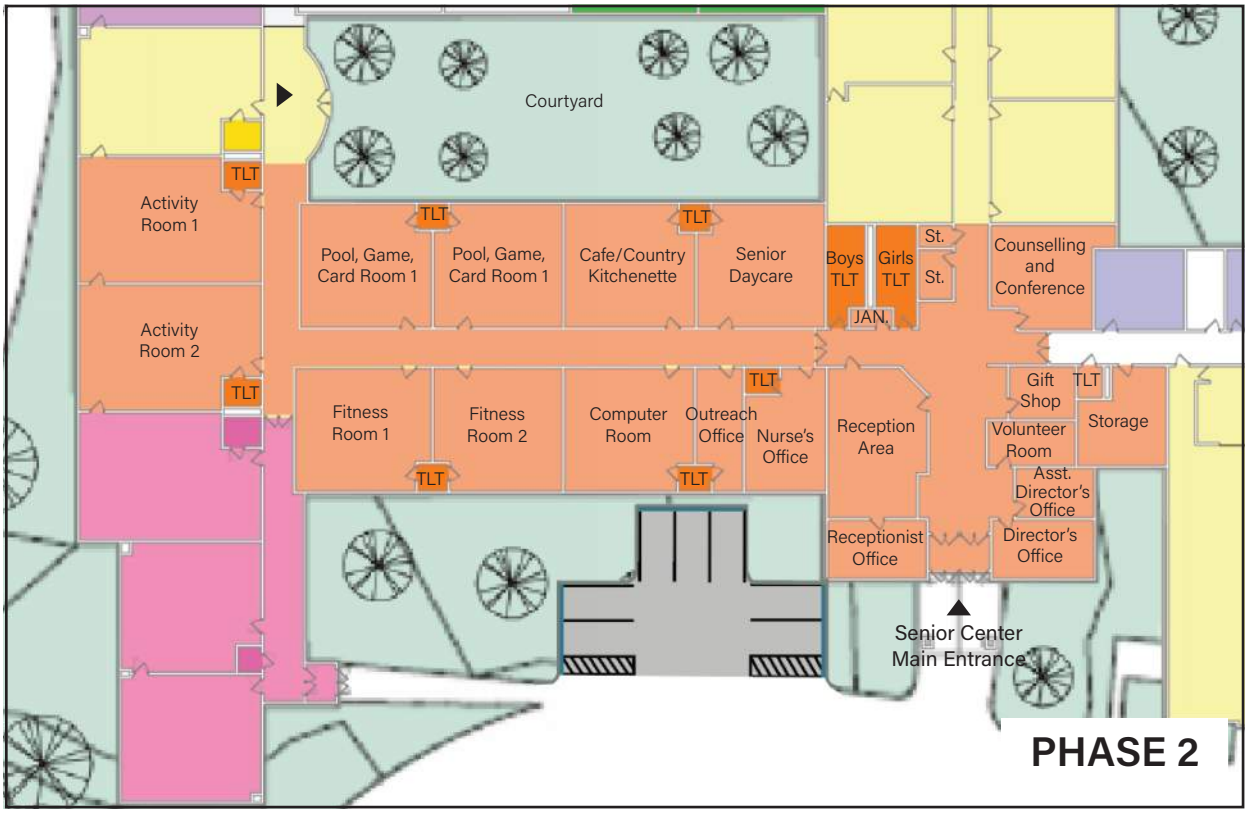
Senior Daycare	835
Activity Room	2 361
Fitness Room	1 734
Computer Room	1 021
Pool/Game/Card Room	1 706
Cafe/Country Kitchenette	853
Storage	550
Total	**12 420**



square footage above does not include bathrooms, circulation space or shared community space



Pros:

There is no need for major renovations. All needed programs are able to fit within the exisiting layout and are given more square footage than required by Senior Center council. Additionally, all needed plumbing is already within the building with only minor renovations (i.e. take out smaller toilets and vanities and replace them with regular sized toilets and vanities) are required to meet the needs of incoming seniors.

Cons:

The space resembles a school layout, not giving the Senior Center the warm and welcoming feeling that is preferred by the council. Additionally, with exisiting walls, circulation is more difficult for seniors to get around the building wing.

PHASE 2

Library

This option examines the possibility of the layout if there were no walls to be moved, torn down, or added, which would be appropriate for a temporary library location. Library employees, including receptionists, librarians, directors, etc., have a seperate entrance that is distanced from the Children's Section entrance on the left. This entrance can also be used for adults to access the Adult's Section if needed. As previously mentioned, there is a seperate entrance for the Children's Section, on the right, to which the Teen Section can also be easily accessed. Faculty has seven classroom spaces which includes various office spaces, administration, storage, dinning/rest area, etc. The Adult's Section has four classroom spaces, the Teen's Section has three classroom spaces, two of which are for stacks, reading areas and study spaces, and one of which is a Computer Room and Makerspace area, and the Children's Section is located where the current Mary Finn Library is found. There are two classroom spaces placed between the Adult and Teen/Children Sections that create a quieter environment for the Adult Areas. In these two classrooms, there are quiet reading pods and study areas that are open to everyone. When the project moves to Phase 2, the library will move back to its permanent location, and some space in Mary E. Finn can still be utilized for Library storage needs.

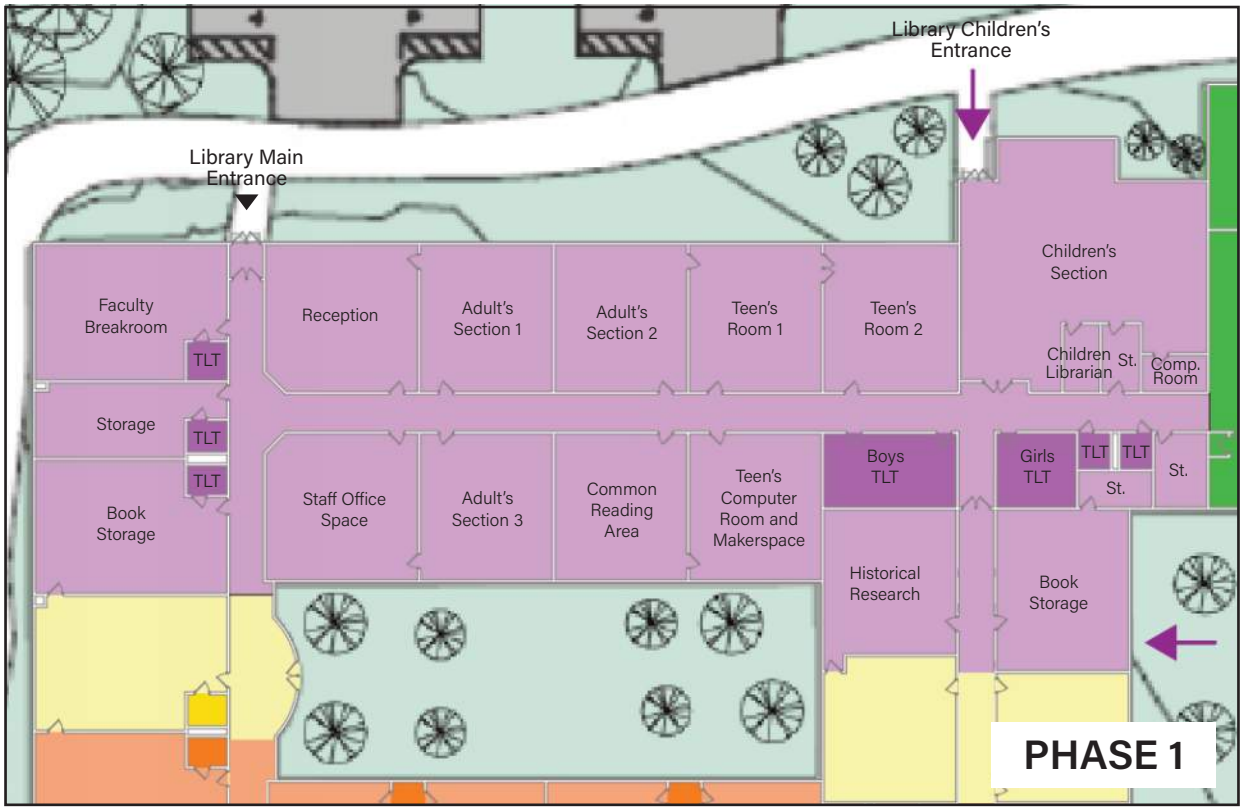
PHASE 1 - Temporary

Library	*Net Square Footage*
Adult's Section	2 860
Common Room	952
Teen's Section	1 929
Teen's Makerspace	952
Children's Section	2 354
Computer Room	115
Reception	1 095
Staff Office Space	1 088
Children's Librarian	124
Historical Research	959
Faculty Breakroom	1 197
Storage	3 294
Total	**16 919**

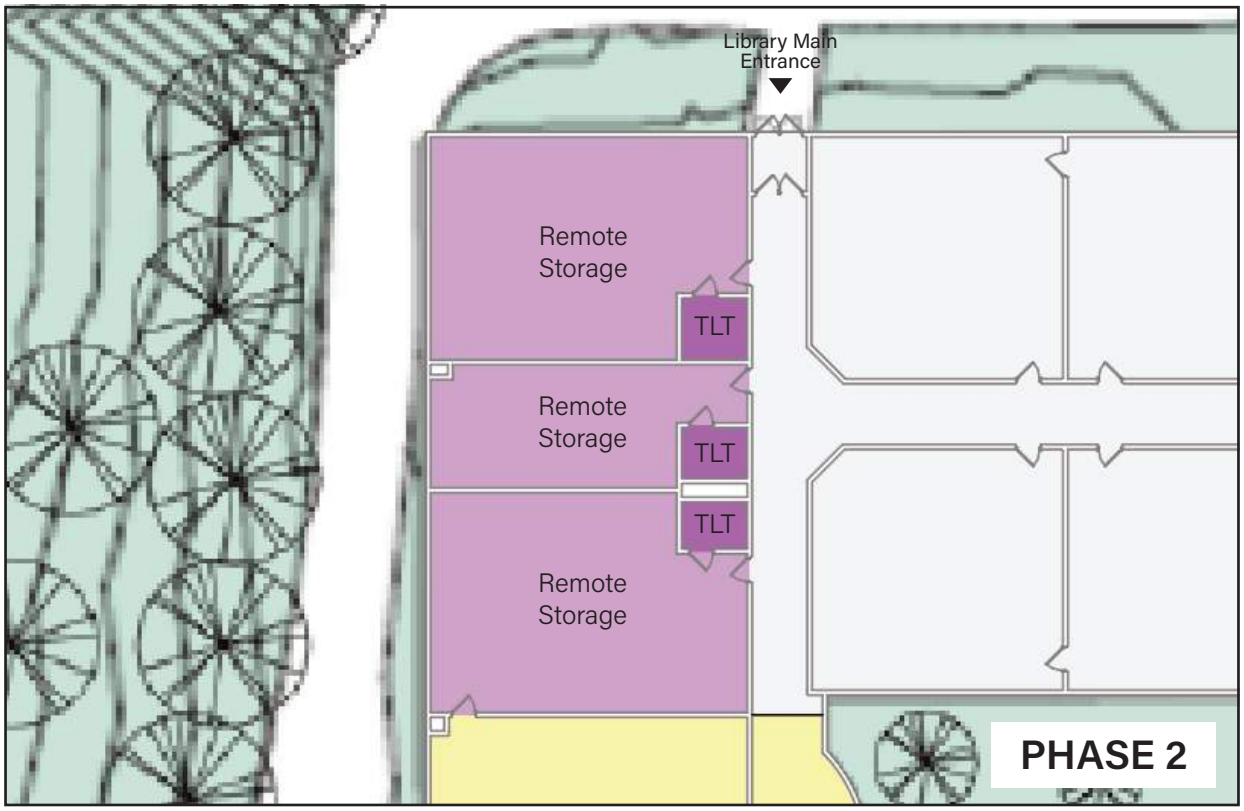
square footage above does not include bathrooms, circulation space or shared community space

PHASE 2 - Remote Storage

Library	*Net Square Footage*
Remote Storage	3 001
Total	**3 001**



square footage above does not include bathrooms, circulation space or shared community space



Pros:

There is no need for major renovations. All needed programs are able to fit within the exisiting layout. More programs are able to be included within this wing that is not included in the current Library wing.

Cons:

The space resembles a school layout and does not accomodate for open spaces within Sections. This makes circulation more difficult for some visitors and can be confusing to many.

PHASE 2

Recreation

This option examines the possibility of the layout if there were no walls that were moved, torn down, or added. The Phase 1 layout gives the Recreation Department four classroom spaces, an office space and storage space for both inside and outside activities. Three out of the four classrooms within this program are activity rooms to be used for after school programs, summer camps, etc. The remaining classroom is used as an office space which can accommodate up to six employees (full-time or part-time) which is located next to the Director's Office. There is an entrance to only be used by Recreation users. There is also an entrance to the Outdoor Recreation Storage directly connected to the outside playing areas and nearby the playing fields.

When the library program moves out to it's permanent home (Phase 2), the Recreation Department has space to expand into adjacent spaces and flex spaces required for their expanding program. It was noted by our team that the program hopes to expand up to 250 kids for their summer program and this additional space will make that goal achievable for their department.

PHASE 1

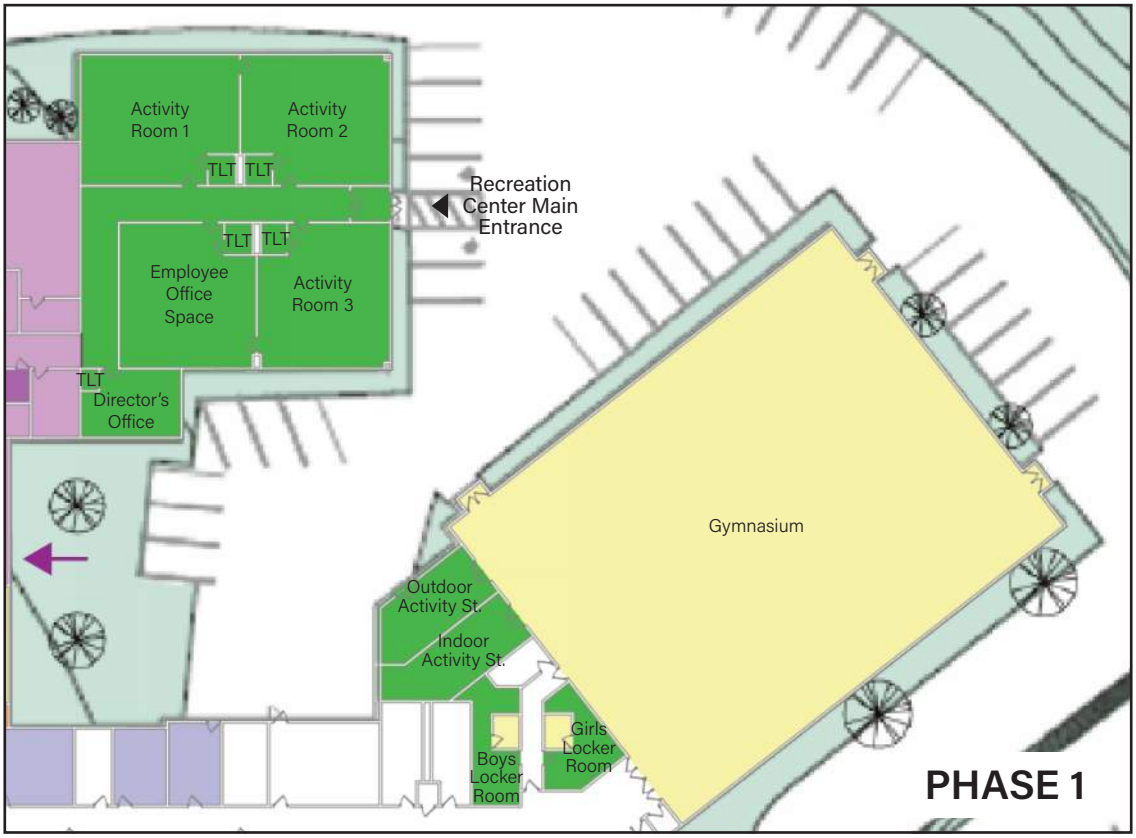
Recreation	*Net Square Footage*
Activity Rooms	3 337
Employee Office Space	1 110
Director's Office	372
Outdoor Activity Storage	417
Indoor Activity Storage	456
Boys Locker Room	279
Girls Locker Room	264
Total	**6 235**

square footage above does not include bathrooms, circulation space or shared community space

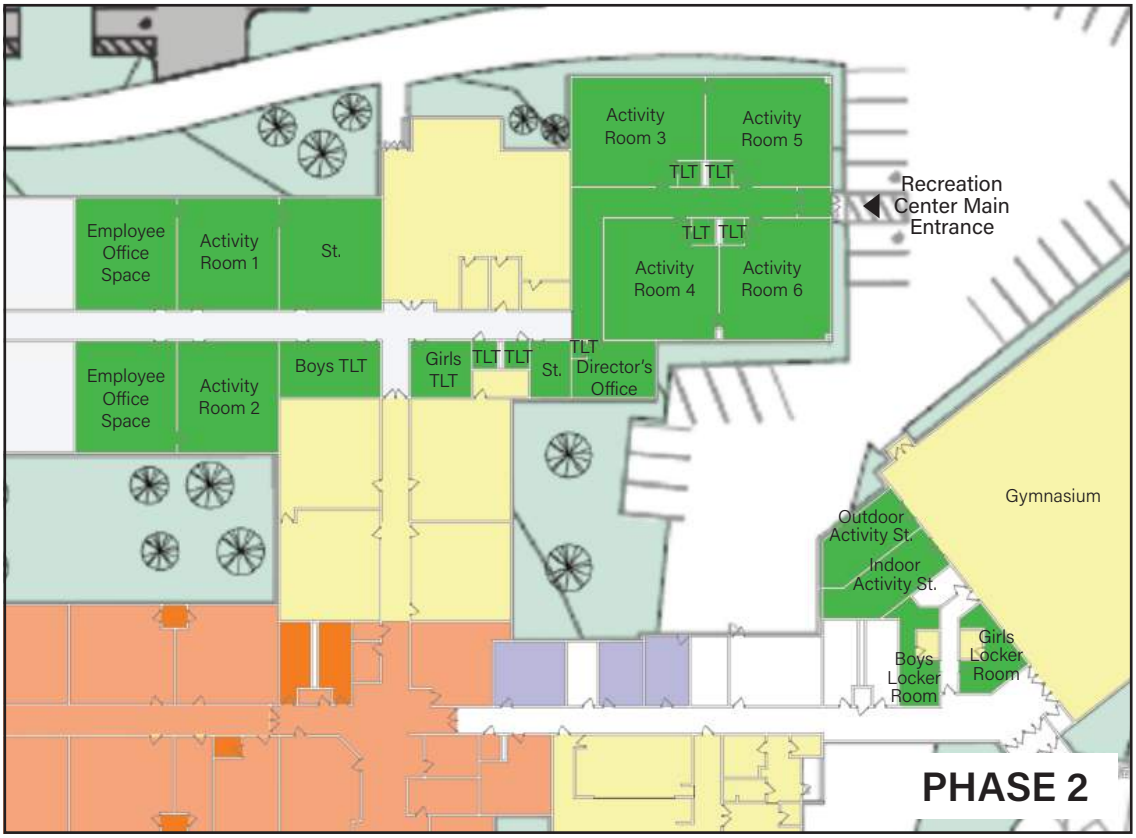
PHASE 2

Recreation	*Net Square Footage*
Activity Rooms	6 355
Employee Office Space	1 908
Director's Office	372
Outdoor Activity Storage	417
Indoor Activity Storage	2 118
Boys Locker Room	279
Girls Locker Room	264
Total	**11 668**

square footage above does not include bathrooms, circulation space or shared community space



Pros:



There is no need for major renovations. All needed programs are able to fit within the exising layout. Employees are given ample office space, including a seperate space for the Director of the Recreation Department. These spaces are very easily accessible from the outdoor courts that Mary Finn already includes (i.e. Softball, Baseball and Football fields).

Phased planning allows for expansion of remaining prorams and flexible meeting space in town when Mary Finn is no longer needed for the temporary library program.

Cons:

Classroom spaces can be restrictive and can limit the activities that are conducted. Activities can be difficult to hold due to the Gymnasium and Cafetorium being Common Areas, meaning the Recreation Department must plan their activities and programs around other Department's schedules.

PHASE 2

Common Spaces

This option examines the possibility of the layout if there were no walls that were moved, torn down, or added. These spaces are designated areas that every program can use, provided there is a schedule that suits all departments, and makes all departments content. Common areas include the gymnasium, the cafetorium, the stage, the kitchen, some bathrooms and changerooms, etc. There are two entrances attributed to these spaces: one of which is a gym entrance that can be used for guests if there are events in the gym, and the other being a staff entrance for kitchen employees.

In the event of Phase 2, vacated Library spaces are available for flexible programs (not associated with any programs) and meeting spaces. The total added square footage for common spaces in Phase 2 is 6 032sf. This signficantly increases the amount of shared space currently shown by Phase 1 of the program and provides much needed flexible meeting spaces for the Town of Southborough.

PHASE 1

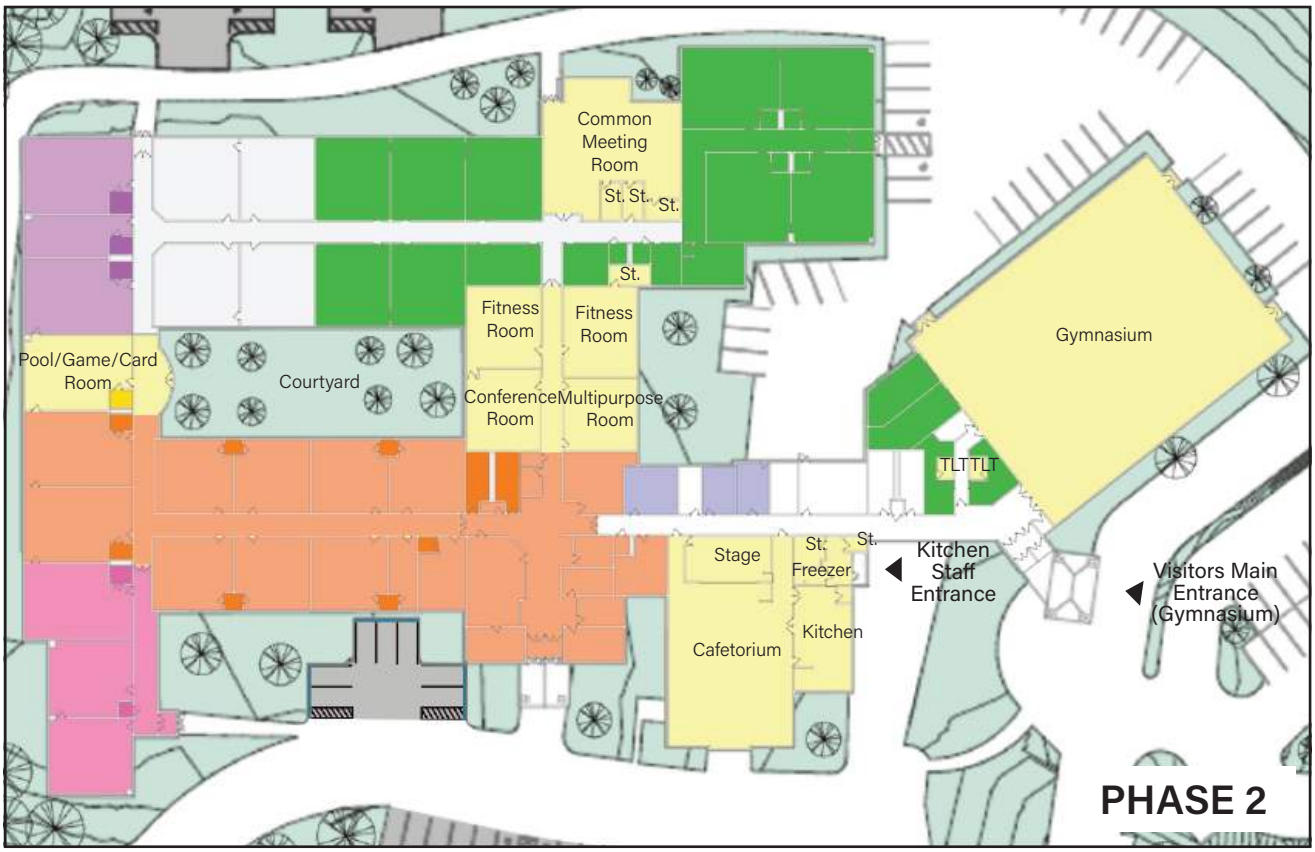
Common Spaces	*Net Square Footage*
Gymnasium	11 078
Cafetorium	3 470
Stage	612
Kitchen	892
Fridge/Freezer	77
Office Space	24
Storage	215
Pool/Game/Card Room	1 188
Conference Room	933
Multipurpose Room	841
Total	**18 142**

square footage above does not include bathrooms, circulation space or shared community space

PHASE 2

Common Spaces	*Net Square Footage*
Gymnasium	11 078
Cafetorium	3 470
Stage	612
Kitchen	892
Fridge/Freezer	77
Office Space	24
Storage	698
Pool/Game/Card Room	1 188
Conference Room	933
Multipurpose Room	841
Meeting Room	2 354
Fitness Room	2 007
Total	**24 174**

square footage above does not include bathrooms, circulation space or shared community space



Pros:

The Kitchen and Gymnasium spaces have a higher construction cost per square foot. Utilizing existing infrastructure minimizes the impact of these costs for the Community Center Departments to share.

Cons:

Common Spaces are meant to be shared, which can create conflict if multiple departments wish to use the same space at the same time.

PHASE 2

Youth and Family - Phase 2 Only

This option examines the possibility of the layout if there were no walls that were moved, torn down, or added. This department has three classroom spaces, two of which are designated office spaces for meetings and appointments with visitors, and the remaining classroom, a conference room, also to be used by the public for meetings, but can also be used for staff meetings or as a break room. There is a separate and private entrance for Youth and Family that does not intersect with other programs. There is also a set of doors that separates Youth and Family from other building programs and allows for more privacy.

Common Spaces	*Net Square Footage*
Conference Room	1 194
Office Space	1 919
Storage	32
Total	**3 145**

square footage above does not include bathrooms or circulation space

Pros:

There is no need for major renovations. All needed programs are able to fit within the exising layout. Additionally, Youth and Family has their own seperate and private entrance which isolates this department from others within the Community Center.

Cons:

There is not much privacy within the office space. Therefore, the space cannot accomodate private space for each employee for private meetings that are anticipated within this space.

Facilities - Phase 1 & 2

This option examines the possibility of the layout if there were no walls that were moved, torn down, or added. The facilities office space is centered around the electrical, garage and boiler rooms along with storage. This allows easy access to the technology they're monitoring in previously mentioned facility rooms. The Facilities Department has a classroom of space for employee offices. This classroom can accommodate four to six facilities employees. There are two entry points, one of which can be used as an employee entrance, through the garage.

Facilities	*Net Square Footage*
Office Space	389
Garage	256
Storage	240
Total	**885**

square footage above does not include bathrooms or circulation space

Pros:

There is no need for major renovations. All needed programs are able to fit within the exising layout. Additionally, utilities are placed near each other and do not interrupt other departments throughout the Community Center. Office space is placed near utilities for quick and easy access.

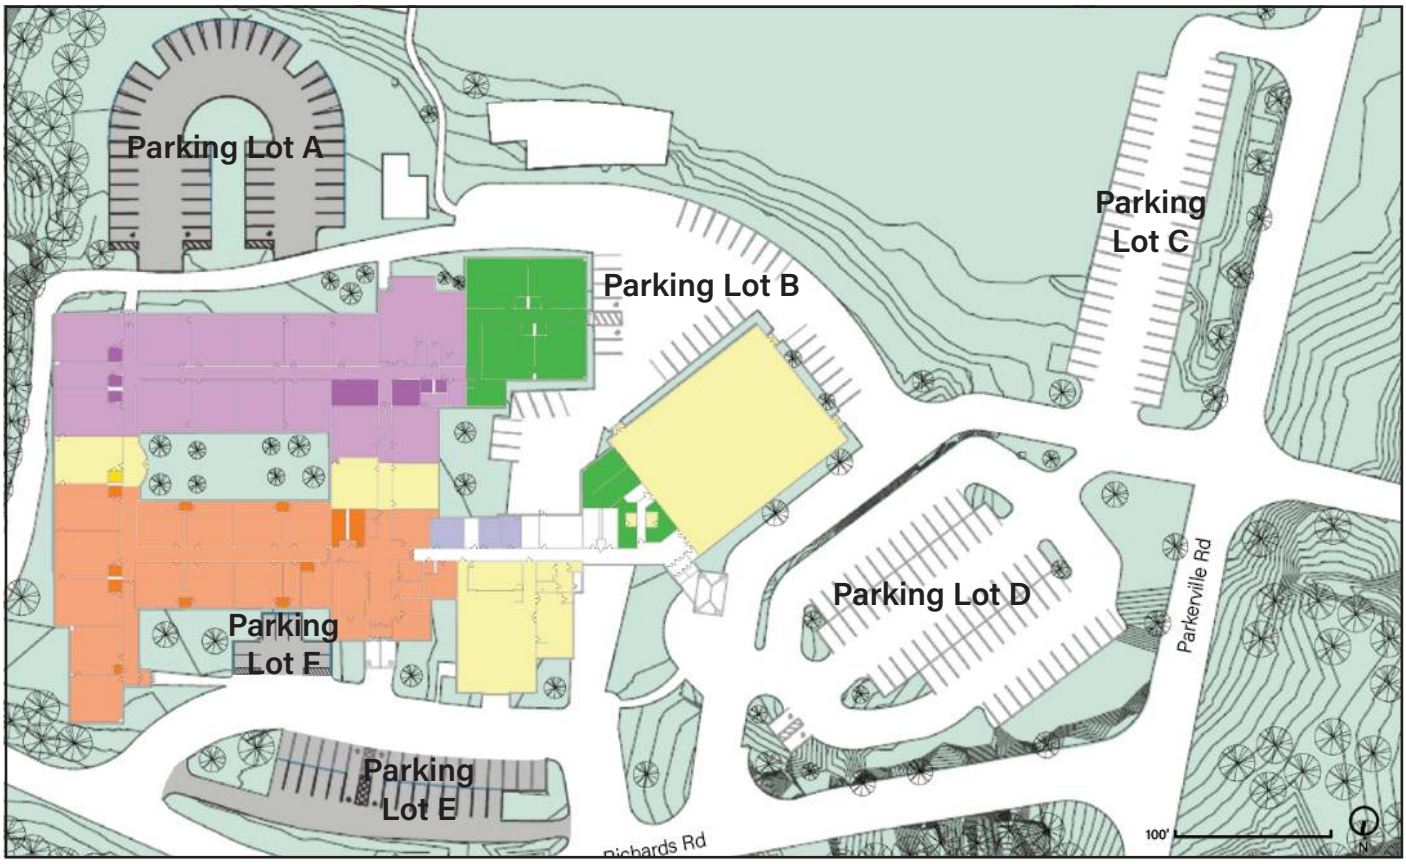
Cons:

There is not much office space, and no privacy within this space. Therefore, the space cannot accomodate many employees or accomodate private space for each employee.

Parking Needs - Phase 1 & 2

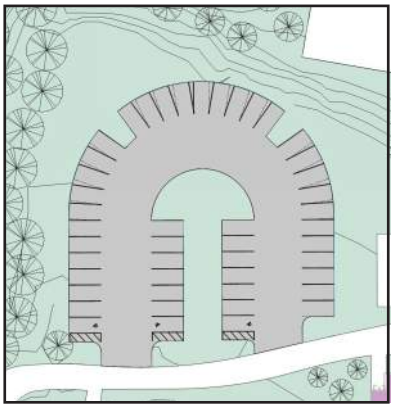
Based on the Town of Southborough's Parking and Loading Regulations (Code 174-12), the following parking spaces are required for each department within the building:

PHASE 1



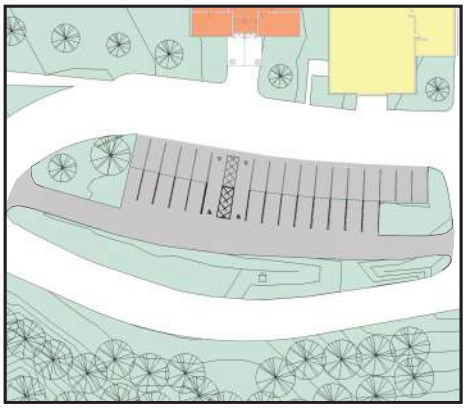
Program	*Parking Needs*
Senior Center	67
Public Library Use	63
Private Library Use	14
Recreation	58
Facilities	6
Total	**208**

PHASE 2

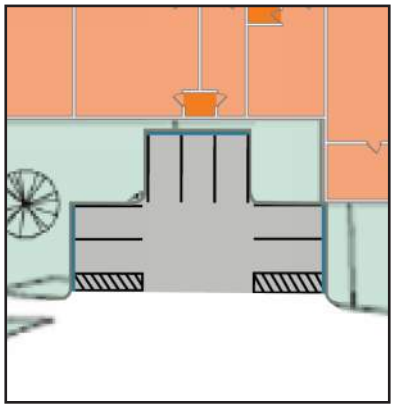


Program	*Parking Needs*
Senior Center	60
Youth and Family	11
Recreation	66
Facilities	6
Total	**143**

With the new proposed parking lots (Parking A: 46 spots, Parking C: 15 added spots. Parking F: 10), there will be an additional 62 parking spots which will count for a total of 237 parking spots, 13 of which are ADA parking spots.



Parking Lot	*Number of Parking Spots*
Parking Lot A	46
Parking Lot B	33
Parking Lot C	47
Parking Lot D	68
Parking Lot E	33
Parking Lot F	7
Total	**237**



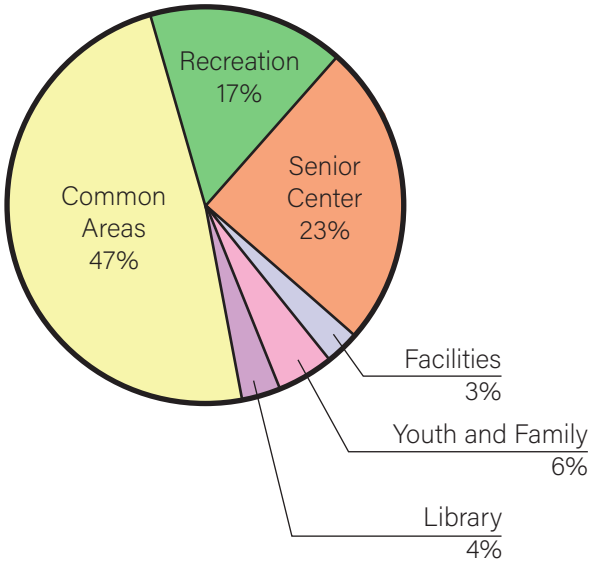
Parking Zones Overview

Parking Lot A

Parking Lot E

Parking Lot F

Note: Due to temporary nature of the library program for this option, Parking Lot A could be created as a gravel lot and returned to a field for Phase 2 of this option.



Option 1b - Medium Renovation

This option considers the possibility of replacing the library area specified in Option 1, with Flex Space while still maintaining all other programs: Senior Center, Youth and Family, Recreation and Facilities (with Common Spaces placed throughout the building). This layout considers the potential ability of building new walls and creating openings in walls to connect spaces more directly and create better connections within departments and programs.

The Youth and Family and Recreation departments do not need to be renovated, therefore avoiding code upgrades and adding to the cost of the project.

The area is distributed as showcased in the following:

Program	*Area (sqft)*
Senior Center	15 713
Library	3 001
Recreation	12 067
Common Areas	32 840
Facilities	2 295
Youth and Family	3 844
Total	**69 760**

Programs:

- *Senior Center*
- *Renovated Senior Center*
- *Library Storage*
- *Recreation*
- *Common Area*
- *Renovated Common Area*
- *Youth and Family*
- *Facilities*
- *Renovated Facilities*
- *New Parking*

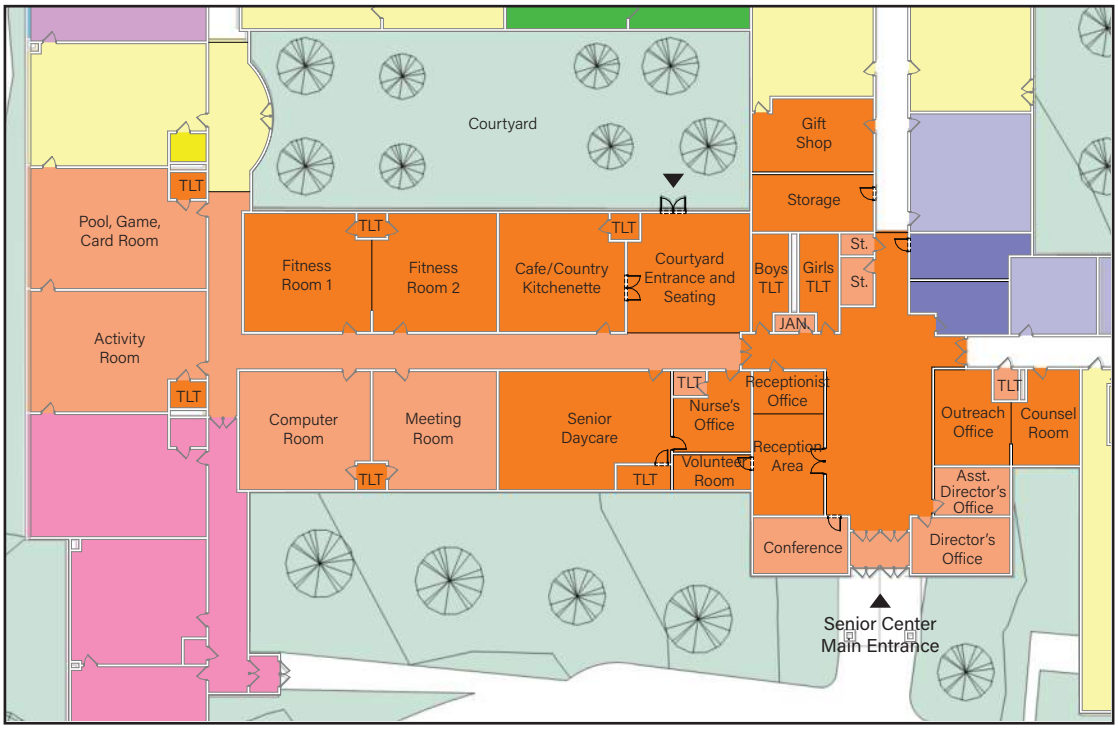
OPTION 1B

Town of Southborough
Community Center Feasibility Study



DRA

Senior Center - Medium Impact

The main entrance is altered with offices on either side to create a larger and more welcoming entrance for community members. Off the main entrance, all administrative offices are found, such as the Outreach Office, Director and Assistant Director's Office, etc. The Volunteer's Room is located off Reception so that all volunteers must go through reception upon arrival. Many rooms within the Senior Center have two rooms that have now been connected by creating an opening in walls that previously had separated them. Programs that take place in these newly created spaces are the Fitness Room, Senior Daycare (which is directly connected to the Nurse's Office) and the Café/Country Kitchenette (opened to each other by a double door which separates indoor seating and Courtyard Access from the serving area). The remaining programs only occupy one classroom space each but still provide more space than needed.

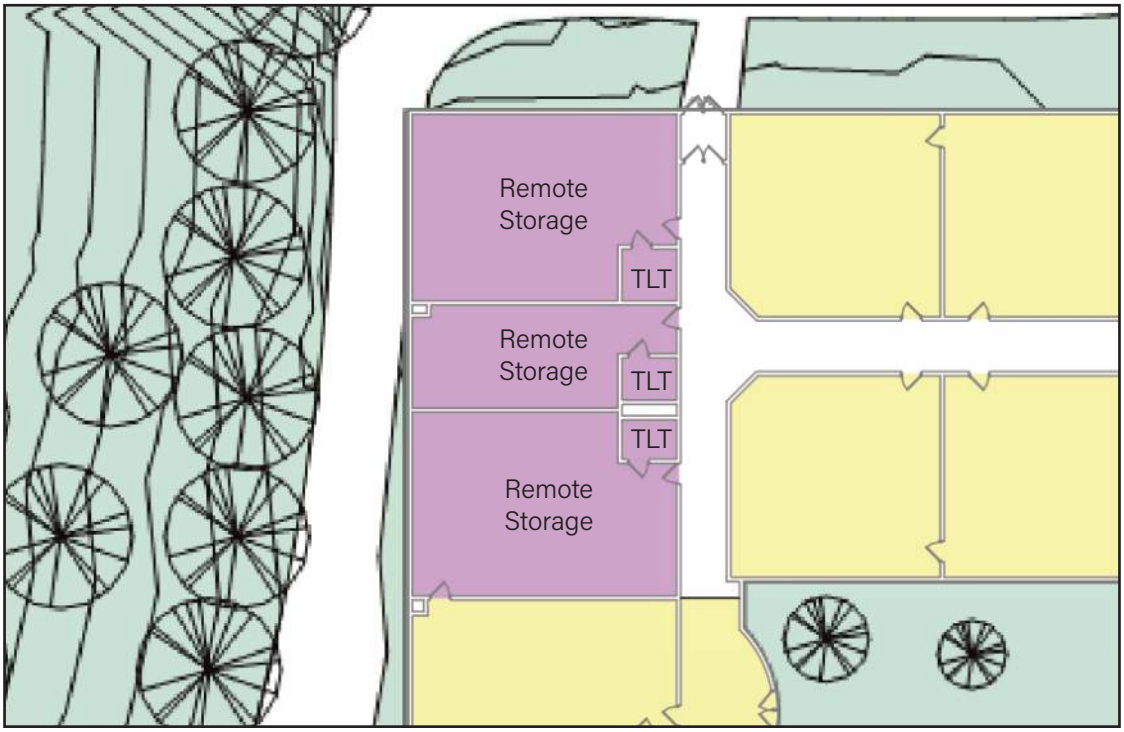
Senior Center	*Net Square Footage*
Reception Area	423
Receptionist	177
Director's Office	325
Asst. Director's Office	212
Outreach Office	394
Counselling/Conference	667
Gift Shop	507
Volunteer's Room	160
Nurse's Office	316
Senior Daycare	1 117
Activity Room	1 183
Fitness Room	1 717
Computer/Meeting Room	1 734
Pool/Game/Card Room	1 178
Cafe/Country Kitchenette	1 698
Storage	538
Total	**12 346**

square footage above does not include bathrooms or circulation space

Pros:

Administration offices are located at the main entrance for easy access. Programs used by seniors are located deeper into the Senior Center and are surrounded by Common Areas to prevent unwanted guests from wandering into their space. Despite not having access to the existing Courtyard entrance, there is a seperate entrance only for seniors which is accessed more easily.

Cons:



This department is located near quieter programs which limits the sound that can be created by the Senior Center and can create limits to some activities held within the department.

Library Storage

This option explores the possibilityof giving the Library extra remote storage, even though Mary E. Finn will not be where the Library resides. Library staff is able to access the Library storage from a private entrance, not interferring with other programs within the building.

Library	*Net Square Footage*
Remote Storage	3 001
Total	3 001

square footage above does not include bathrooms or circulation space

Pros:

Town Offices are to be placed based on preferences expressed in the table on the right, so their locations are helpful to each office. Additionally, this department has their own private entrance that avoids overlap with other departments.

Cons:

There is no privacy within every office space. Therefore, the space cannot accomodate many employees per town office or accomodate private space for each employee. There are no bathrooms within this department (except for a few offices), meaning that employees must use the bathrooms located within Common Areas.

Recreation

This layout gives the Recreation Department four classroom spaces, an office space and storage space for both inside and outside activities. The four classrooms within this program are activity rooms to be used for after school programs, summer camps, etc. There are also two office spaces that can also be further divided if required. This space can accommodate two to three employees. There is an entrance to only be used by Recreation visitors. There is also an entrance to the Outdoor Recreation Storage directly connected to the outside playing areas and nearby the playing fields.

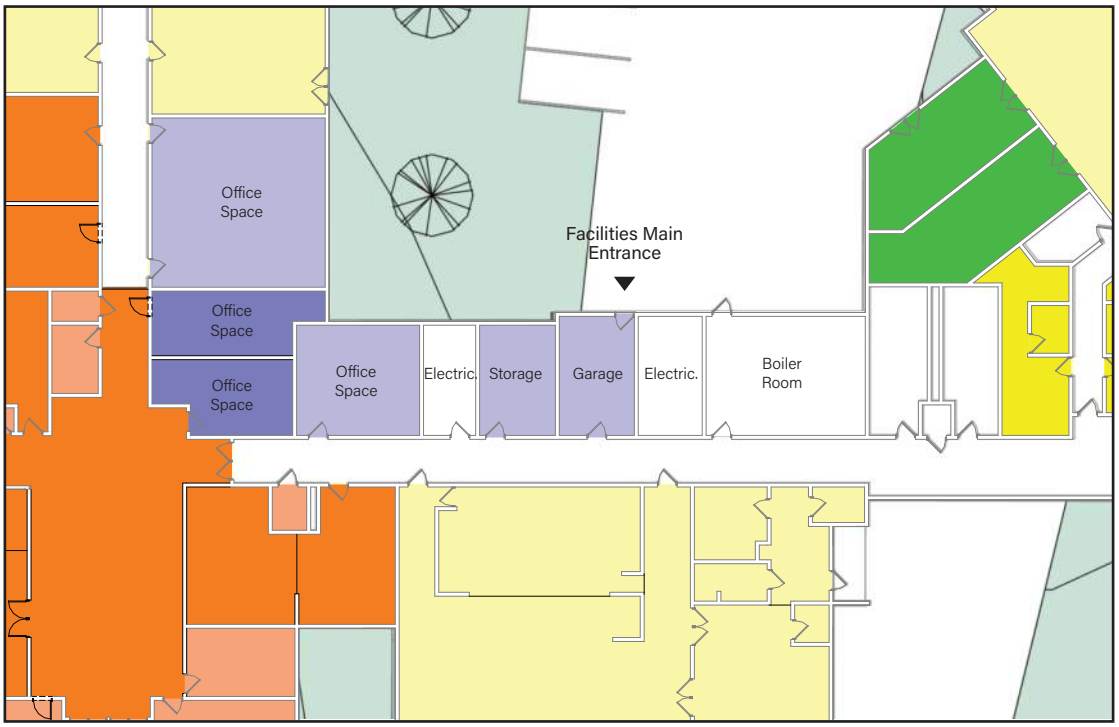
Recreation	*Net Square Footage*
Activity Rooms	8 263
Office Space	792
General Storage	1 097
Outdoor Activity Storage	417
Indoor Activity Storage	456
Total	**11 025**

square footage above does not include bathrooms or circulation space

Pros:

There is no need for major renovations. All needed programs are able to fit within the exising layout. There is private space for the Assistant Director and Director of the Recreation Department. These spaces are very easily accessible from the outdoor courts that Mary Finn includes (i.e. Softball, Baseball and Football fields).

Cons:



Classroom spaces can be restrictive and can limit the activities that are conducted. Activities can be difficult to hold due to the Gymnasium and Cafetorium being Common Areas, meaning the Recreation Department must plan their activities and programs around other Department's schedules. Additionally, there is no space for employees other than the Assistant Director and Director's.

Facilities

This layout considers the potential ability to create openings in walls to connect spaces more directly within each department. The facilities department office space is centered around the electrical, garage and boiler rooms along with storage. This allows easy access to the technology they're monitoring in these facility rooms. The Facilities Department has two classrooms of space for employee offices, one of which has been divided to accommodate more private offices if required, the other can be used as further storage. This classroom can accommodate six to ten facilities employees. There is an opportunity to further divide the classroom space if more separate and private office space is required or needed. There are two entry points, one of which can be used as an employee entrance, through the garage.

Facilities	*Net Square Footage*
Office Space	1 799
Garage	256
Storage	240
Total	**2 295**

square footage above does not include bathrooms or circulation space

Pros:

Utilities are placed near each other and do not interrupt other departments throughout the Community Center. Office space is placed near utilities for quick and easy access. Additionally, there are two office spaces that are smaller and private that can be used for the Facilities Director and Assistant Director.

Cons:

Besides the Director and Assistant Director, there is not much office space, and no privacy within this space. Therefore, the space cannot accomodate many employees or accomodate private space for each employee.

Youth and Family

This department has three classroom spaces, two of which are designated office spaces for meetings and appointments with visitors, and the remaining classroom, a conference room, also to be used by the public for meetings, but can also be used for staff meetings or as a break room. There is a separate and private entrance for Youth and Family that does not intersect with other programs. There is also a set of doors that separates Youth and Family from other building programs and allows for more privacy.

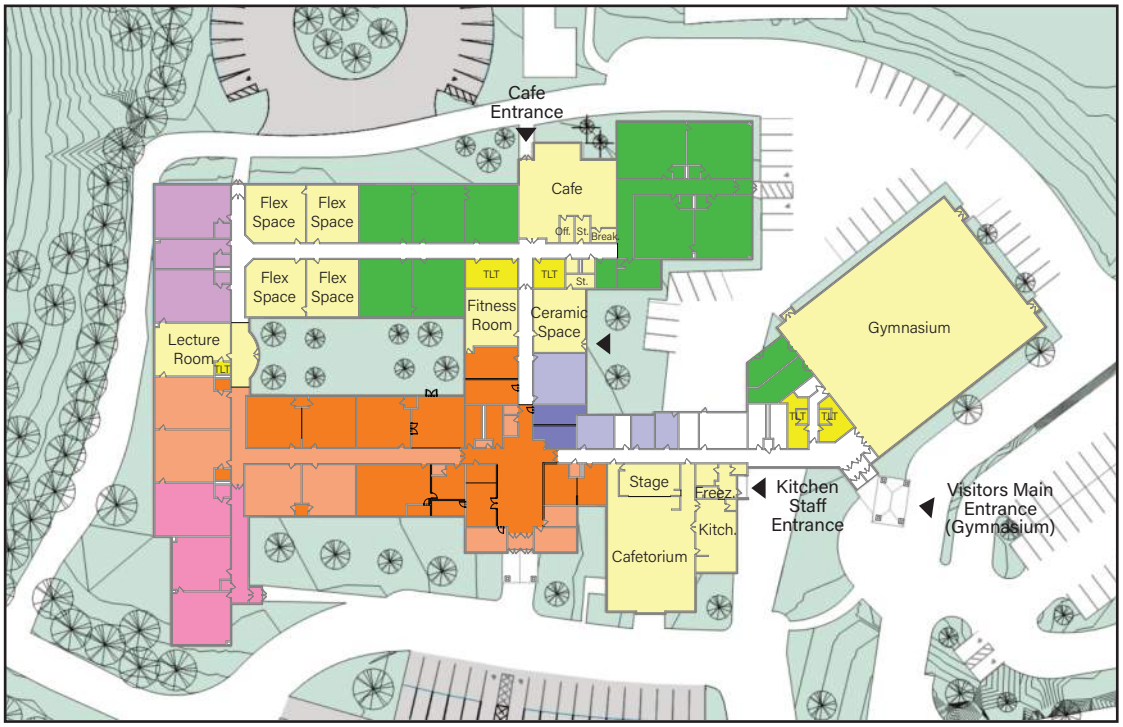
Common Spaces	*Net Square Footage*
Conference Room	1 194
Office Space	1 919
Storage	32
Total	**3 145**

square footage above does not include bathrooms or circulation space

Pros:

There is no need for major renovations. All needed programs are able to fit within the exising layout. Additionally, Youth and Family has their own seperate and private entrance which isolates this department from others within the Community Center.

Cons:



There is not much privacy within the office space. Therefore, the space cannot accomodate private space for each employee for private meetings that are anticipated within this space.

Common Spaces

These spaces are designated areas that every program can use, provided there is a schedule that suits all departments that makes all departments content. Common areas include the gymnasium, cafetorium, stage, kitchen, some bathrooms, all changerooms and flex space that can be used as an expansion area for the Recreation department that allows up to 260 kids for any overflow summer programs. In this option, the current Library space is instead a Café that can be used by all departments and other outside members of the community. This café can seat 70-80 people and has enough parking to accommodate (see parking needs to follow). This space includes storage, office space for the Café Manager and a breakroom for Café employees. In this layout, Common Spaces are also located between departments to create a buffer zone. These Common Spaces are designed to be used by all programs and create connections between departments.

Common Spaces	*Net Square Footage*
Gymnasium	11 078
Cafetorium	3 470
Stage	612
Kitchen	892
Fridge/Freezer	77
Office Space	140
Storage	397
Cafe	2 364
Breakroom	115
Meeting Room	1 188
Fitness Room	959
Ceramic Space	1 048
Flex Space	4 091
Total	**26 828**

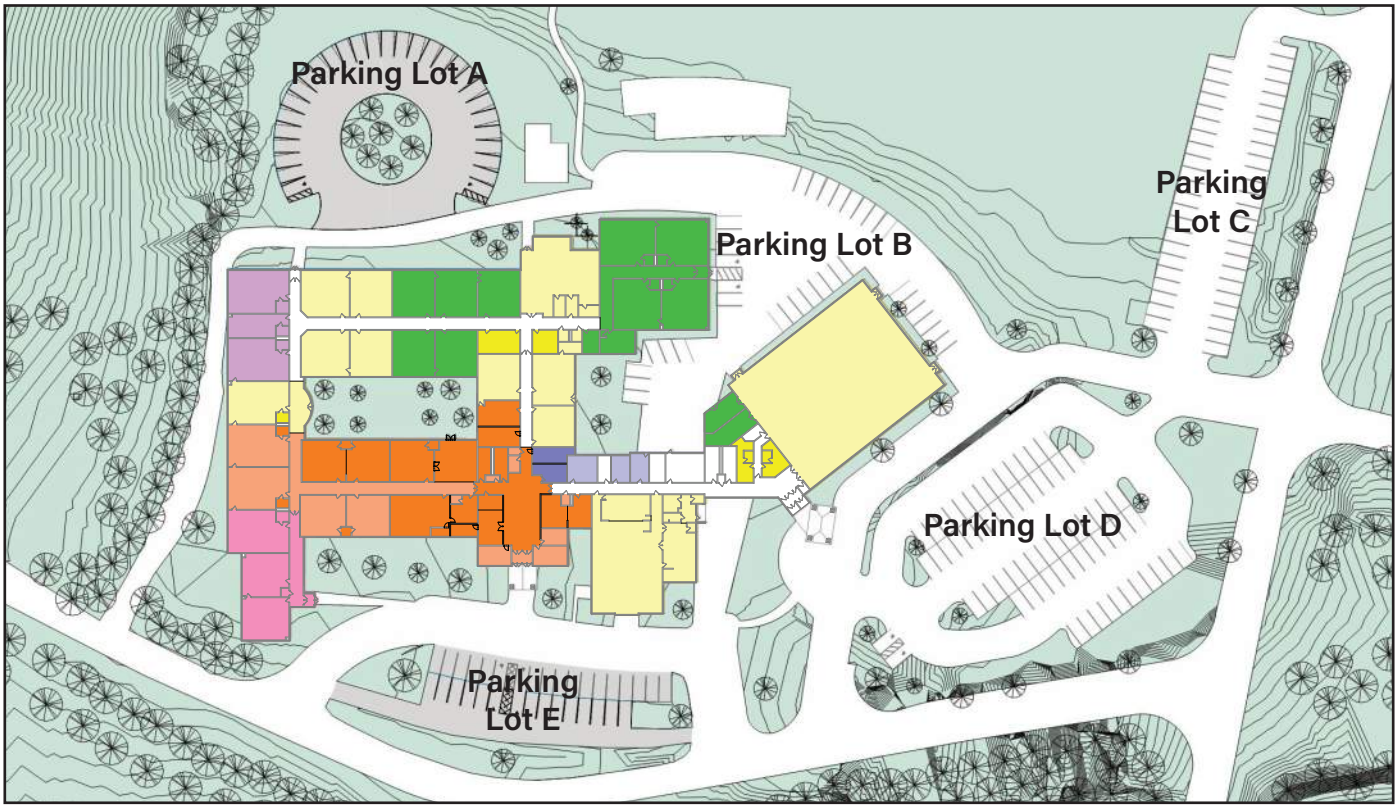
square footage above does not include bathrooms or circulation space

Pros:

The Kitchen and Gymnasium spaces have a higher construction cost per square foot. Utilizing existing infrastructure minimizes the impact of these costs for the Community Center Departments to share.

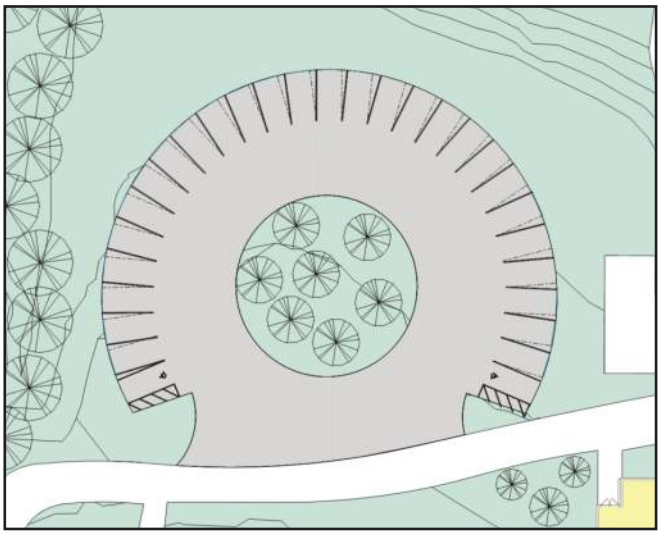
Cons:

Common Spaces are meant to be shared, which can create conflict if multiple departments wish to use the same space at the same time.



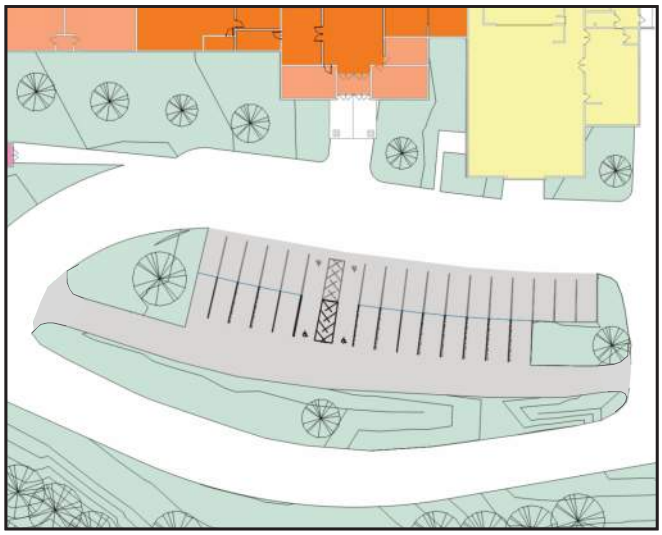
Parking Needs

Based on the Town of Southborough's Parking and Loading Regulations (Code 174-12), the following parking spaces are required for each department within the building:



Program	*Parking Needs*
Senior Center	58
Recreation	75
Facilities	8
Youth and Family	11
Cafe	28
Total	**178**

With the new proposed parking lots (Parking A: 29 spots, Parking C: 15 added spots), there will be an additional 62 parking spots which will count for a total of 210 parking spots, 11 of which are ADA parking spots.

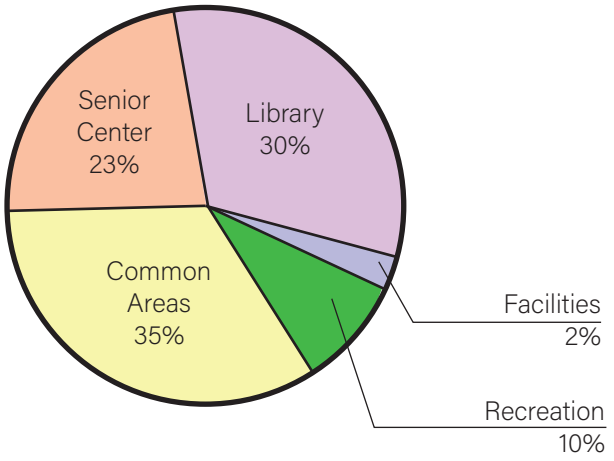


Parking Lot	*Number of Parking Spots*
Parking Lot A	29
Parking Lot B	33
Parking Lot C	47
Parking Lot D	68
Parking Lot E	33
Total	**210**

Parking Zones Overview

Parking Lot A
25-29 Spaces

Parking Lot E
30-33 Spaces



Option 1c - High Renovation

This option considers the possibility of demolishing the top right addition to create a direct and grand entrance to the Library of Southborough. This layout considers the potential ability of creating openings in walls to connect spaces more directly and create better connections within departments and programs.

The Youth and Family department does not need to be renovated, therefore avoiding code upgrades and adding to the cost of the project.

The area is distributed as showcased in the following:

Program	*Area (sqft)*
Senior Center	14 867
Library	19 164
Recreation	6 710
Common Areas	22 678
Facilities	1 442
Total	**64 861**

Programs:

- Senior Center
- Renovated Senior Center
- Library
- Renovated Library
- Recreation
- Renovated Recreation
- Common Area
- Renovated Common Area
- Facilities
- New Parking

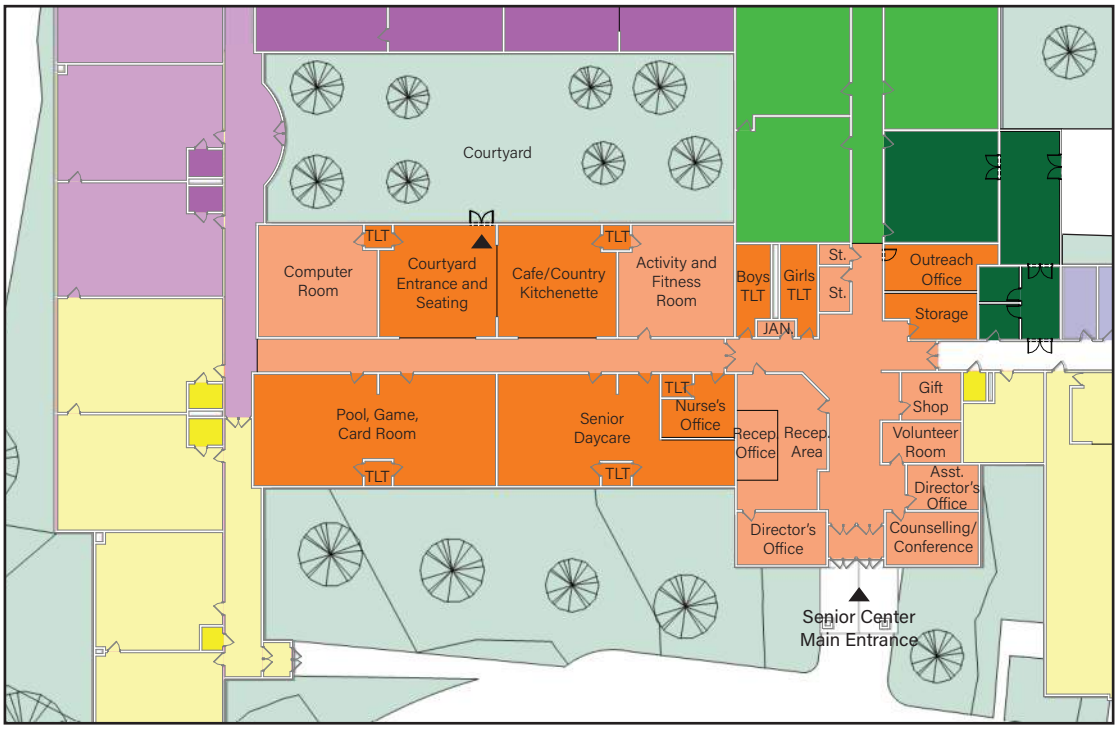
OPTION 1C

Town of Southborough
Community Center Feasibility Study



DRA

Senior Center - High Impact

The main administration area has not changed from its original design and Reception and Administration programs are placed where they fit best. Administration Offices are found off the main entrance, such as the Outreach Office, the Assistant Director's Office, etc. The Director's Office is located within the Main Office so that all seniors, community members and visitors must go through reception upon arrival. Not many walls are being built or torn down on account of the partial building demolition costs, but some programs do include partial wall demolition to create open space. Programs that have two classroom spaces (now one room) include: the Senior Daycare, the Café/Country Kitchenette and the Pool/Card/Game Room. The remaining programs within the Senior Center occupy one classroom space.

Senior Center	*Net Square Footage*
Reception Area	576
Receptionist	190
Director's Office	313
Asst. Director's Office	212
Outreach Office	313
Counselling/Conference	325
Gift Shop	188
Volunteer's Room	210
Nurse's Office	253
Senior Daycare	1 378
Activity/Fitness Room	836
Computer/Meeting Room	1 183
Pool/Game/Card Room	1 745
Cafe/Country Kitchenette	1 722
Storage	248
Total	**9 692**

square footage above does not include bathrooms or circulation space

Pros:

Administration offices are located at the main entrance for easy access. Programs used by seniors are located deeper into the Senior Center and are surrounded by Common Areas to prevent unwanted guests from wandering into their space. Despite not having access to the exisiting Courtyard entrance, there is a seperate entrance only for seniors which is accessed more easily.

Cons:

This department is located near quieter programs which limits the sound that can be created by the Senior Center and can create limits to some activities held within the department.

Library - Permanent Libray

Much like Option 1a, the same programs remain but are arranged in a different manner: the Teen Section has its own Selection Area on the left side of the library, occupying one and a half classroom spaces. The Teen's Makerspace occupies the adjoining room. The Adult's Section occupies four classrooms worth of space, three designated for stacks, and one for a quiet reading and studying area. The Children's Section, located in between the Teen's Section and the Adult's Section, occupies three classrooms worth of space, two of which are for the main selection and one of which for interior storytelling if they are unable to hold similar events outdoors due to the weather. There are two entrances to the library: one is the Teen and Children's Entrance, and the other, the main entrance, is for the Adult's Section. Located near both entrances are administration offices and checkout areas where community members can check out independently. There are offices for staff located throughout the library: the Children's Librarian is placed next to the Children's section, the Main Librarian is in a central location, and more staff offices are located near book storage and reading areas.

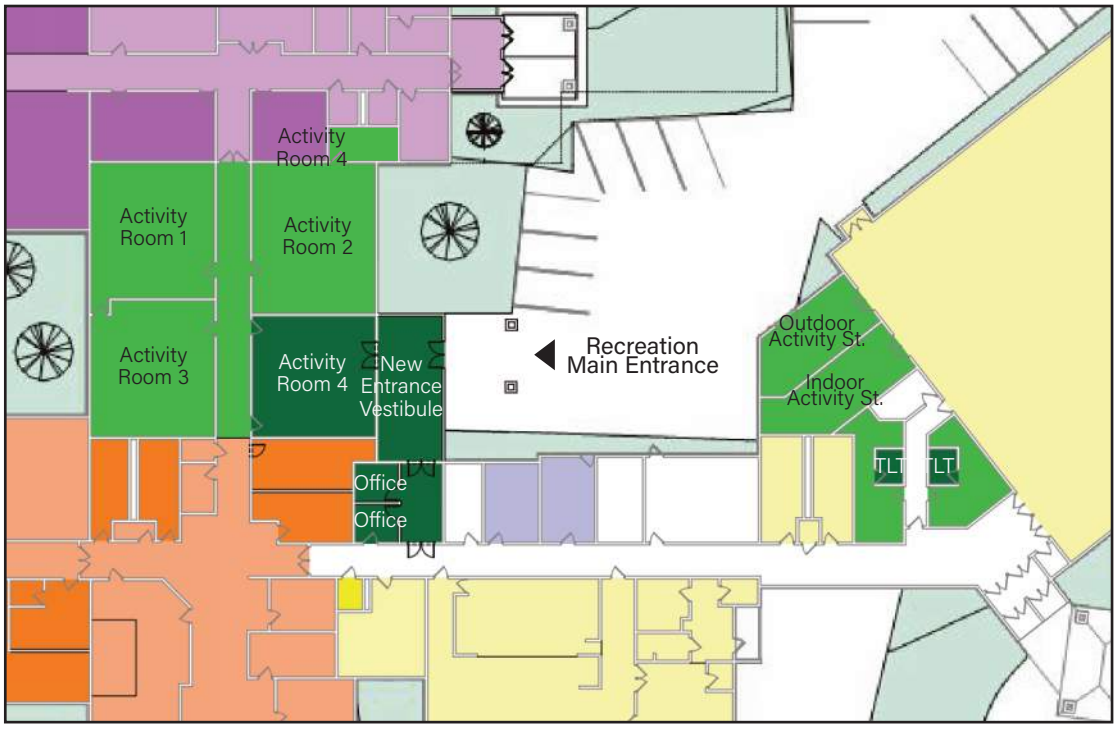
Library	*Net Square Footage*
Adult's Section	2 908
Adult's Reading Area	966
Teen's Section	1 837
Teen's Makerspace	1 186
Children's Section	1 920
Children's Storytime Area	1 094
Admin./Check Out	1 700
Children's Librarian	157
Main Librarian	150
Staff Offices	1 380
Storage	1 530
Total	**14 827**

square footage above does not include bathrooms or circulation space

Pros:

The Library has their own main entrance, allowing this department to feel like it's its own building. Additionally, there is better circulation due to the openings created in the walls, and both public and employee bathrooms located throughout the department.

Cons:



There is less office space and staff space throughout the Library. For instance, there is no breakroom, no conference room (not including Common Meeting Rooms) and no research areas such as a Historical Research Area.

Recreation

In this option, the Recreation Department is located between the Library and the Senior Center to create stronger connections with these surrounding programs. The Recreation Department has their own entrance next to the Library's Main Entrance. Additionally, the Recreation Department would have priority over exterior fields including the play structures, the Softball and Baseball fields, etc. Storage space is still accommodated for, both for interior and exterior activities, located near the Gymnasium inside, and near the Fields outside. The Recreation Department now has it's own designated entrance which leads right to the employee offices and Activity Rooms. This entrance also allows for quick and easy access to the Gymnasium.

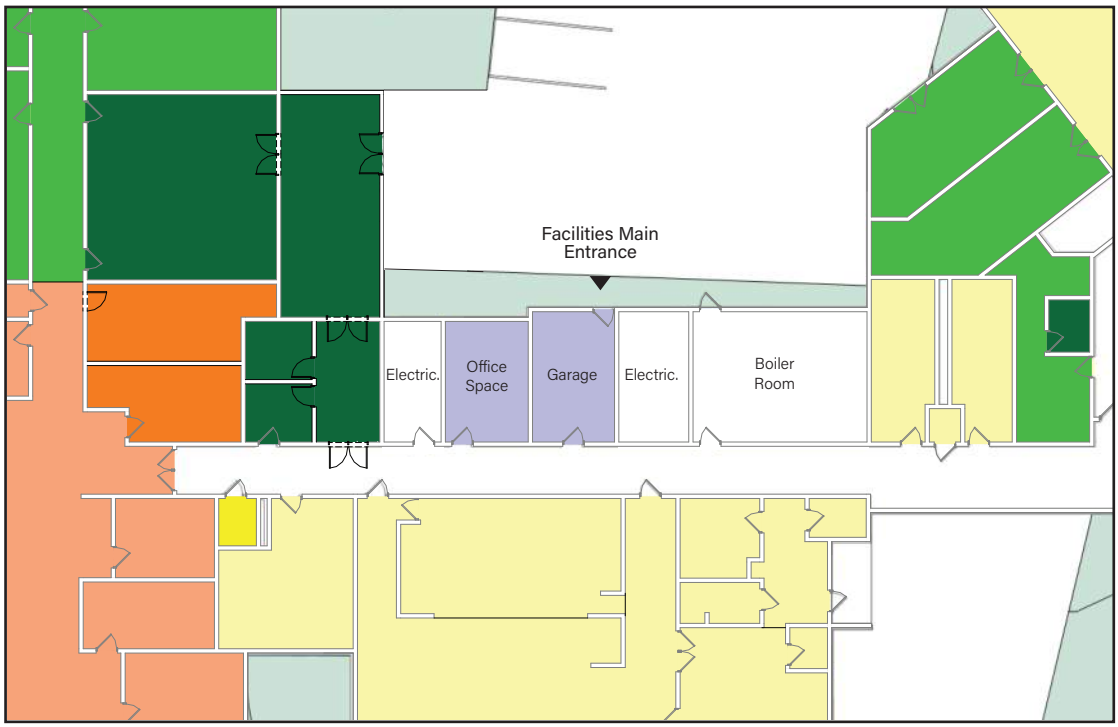
Recreation	*Net Square Footage*
Activity Rooms	3 781
Office Space	186
Storage	1 001
Total	**4 968**

square footage above does not include bathrooms or circulation space

Pros:

These spaces are very easily accessible from the outdoor courts that Mary Finn includes (i.e. Softball, Baseball and Football fields) and are also easily accessible from surrounding programs which encourages more people to use the department.

Cons:



This area will require more intense renovations to create a seperate and larger entrance for the Recreation Department, as well as build an extra hallway that connects outside space to Activity Rooms, employee offices and the Gymnasium.

Facilities

The facilities department office space is centered around the electrical, garage and boiler rooms. This allows easy access to the technology they're monitoring in previously mentioned facility rooms. The Facilities Department has one room of space for employee offices. This room can accommodate two to four facilities employees. There is one entry point which can be used as an employee entrance, through the garage.

Facilities	*Net Square Footage*
Office Space	240
Garage	256
Total	**496**

square footage above does not include bathrooms or circulation space

Pros:

There is no need for major renovations. All needed programs are able to fit within the exising layout. Additionally, utilities are placed near each other and do not interrupt other departments throughout the Community Center. Office space is placed near utilities for quick and easy access.

Cons:

There is not much office space, and no privacy within this space. Therefore, the space cannot accomodate many employees or accomodate private space for each employee.

Common Spaces

These spaces are designated areas that every program can use, provided there is a schedule that suits all departments. Common areas include the gymnasium, cafetorium, stage, kitchen, some bathrooms and all changerooms. There are two entrances attributed to these spaces: one of which is a gym entrance that can be used for guests if there are events in the gym animated by departments within the building, and the other being an employee entrance for kitchen employees. In this layout, meeting rooms are also located between departments to create a buffer zone. These Common Spaces are designed to be used by both departments and create connections and relationships between these departments.

Common Spaces	*Net Square Footage*
Meeting Room	1 602
Gymnasium	11 078
Cafetorium	3 470
Stage	612
Kitchen	892
Fridge/Freezer	77
Office Space	24
Flex Space	3 145
Storage	215
Total	**17 970**

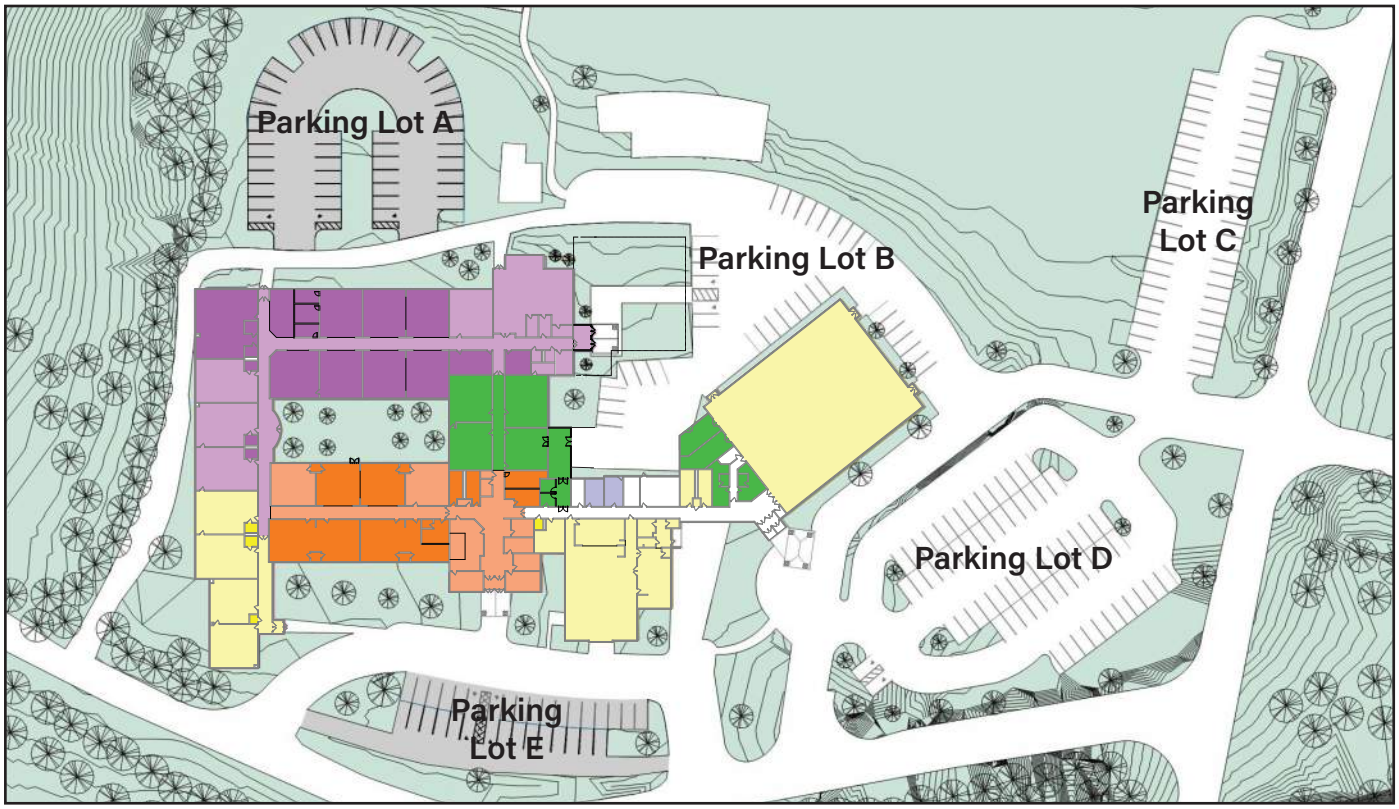
square footage above does not include bathrooms or circulation space

Pros:

The Kitchen and Gymnasium spaces have a higher construction cost per square foot. Utilizing existing infrastructure minimizes the impact of these costs for the Community Center Departments to share.

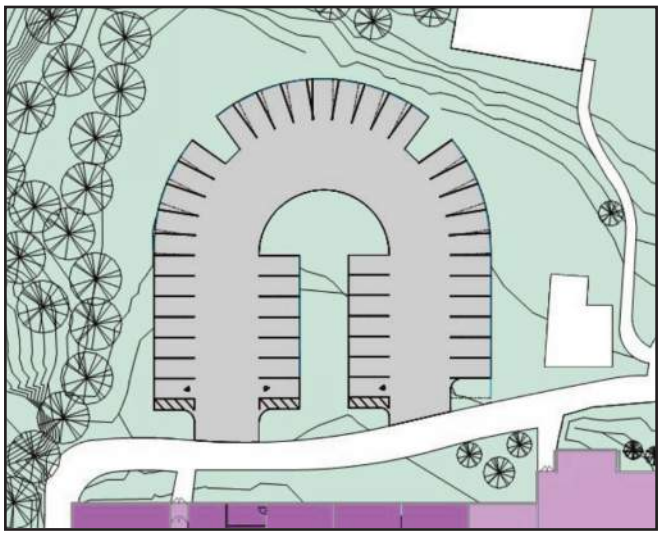
Cons:

Common Spaces are meant to be shared, which can create conflict if multiple departments wish to use the same space at the same time.



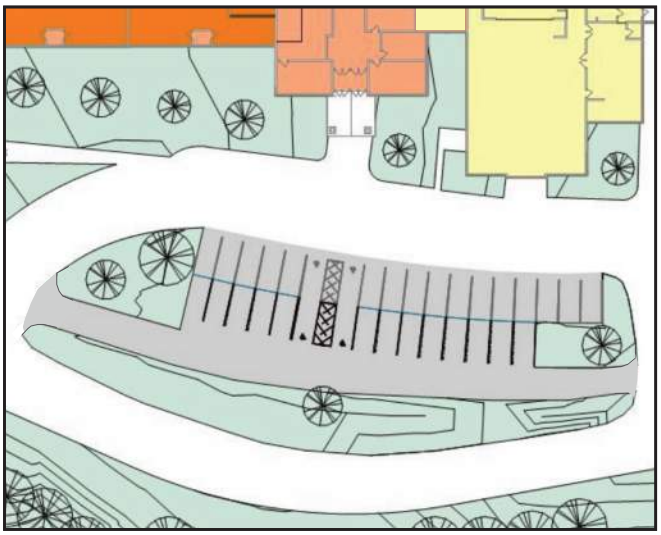
Parking Needs

Based on the Town of Southborough's Parking and Loading Regulations (Code 174-12), the following parking spaces are required for each department within the building:



Program	*Parking Needs*
Senior Center	56
Public Library Use	65
Private Library Use	7
Recreation	23
Facilities	6
Total	**157**

With the new proposed parking lots (Parking A: 46 spots, Parking C: 15 added spots), there will be an additional 62 parking spots which will count for a total of 227 parking spots, 11 of which are ADA parking spots.



Parking Lot	*Number of Parking Spots*
Parking Lot A	46
Parking Lot B	33
Parking Lot C	47
Parking Lot D	68
Parking Lot E	33
Total	**227**

Exisiting Conditions

The current Mary E. Finn Elementary School has several types of different spaces, inside and outside, including:

- Classrooms
- Library
- Gymnasium
- Cafetorium and Kitchen
- Teacher Areas and Offices
- Bathrooms and Changerooms
- Entrances and Exits
- Playgrounds and Play Structures

Massing Model

Option 1d - Senior Center High Intensity

This option considers a renovation including the Senior Center at a high intensity renovation level, which includes structural modifications as well as toilet room improvements and reconfiguration of walls and entrances to accommodate the needs of the Senior Center Program.

SENIOR CENTER
The option considers the same space requirements as Option 1a although it improves the Senior Center program through allowing appropriate structural requirements to address the concerns of the committee to ensure that the renovates space feels like a Senior Center and not an existing school building.

Note - Refer to Option 1a for space utilization requirements for this option.

RECREATION
The Recreation program can utilize existing spaces with little to no renovation required.

TEMPORARY LIBRARY
The library can utilize the existing classroom space, once vacated. This temporary condition will require minimal renovation for this temporary condition. The intent is for this space to be utilized during any renovation/addition and/or new construction project that may be ongoing at the existing Library site.

FACILITIES
Facilities offices and work space can easily be accommodated in this option; Refer to Option 1a.

COMMON SPACE
Shared and flex spaces can also easily be accommodated in this option; Refer to Option 1a. When the temporary library space is no longer required in this building, the building become even more flexible to allow expansion of the Recreation program, similar to Option 1a.

The Cafeteria/Multipurpose room would be renovated to improve the acoustics and flexibility of the space. This will allow multiple types of functions to happen in this room and prolong the life of the space for Recreation, Senior Center and other uses by the Town of Southborough.

SITE WORK & PARKING
The site allowance includes new parking for the permanent Senior Center location, a temporary gravel lot, and allowance to return the gravel lot to a loam and seed lawn area if desired after the temporary library location is no longer needed.

Programs:

- *Senior Center*
- *Renovated Senior Center*
- *Library*
- *Renovated Library*
- *Recreation*
- *Common Area*
- *Renovated Common Area*
- *Facilities*
- *New Parking*

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Saturday, January 6, 2023 9:00 AM – Joint Meeting with Advisory Committee
Location: Public Safety Meeting Room, 32 Cordaville Road, Southborough, MA
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers For Select Board; Andrew Pfaff, Howard Rose, Tim Martel, Adam Nodiff, Larry Samberg, and Marci Jones-Salow for Advisory, and Town Administrator Mark Purple

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

Chair Dennington called the meeting to order for the Select Board at 9:01 AM. Chair Pfaff called the Advisory Committee meeting to order at 9:01 AM.

Review of FY2025 Departmental budgets

Capital Budget – Capital Investment Planning Committee Chair Jason Malinowski

Mr. Malinowski walked the boards through his presentation as attached in the packet which included the process the CIPC took to come to their recommendations. Mr. Malinowski discussed each capital item that his Committee is recommending for the FY 25 budget using a Power Point presentation that is attached. For the benefit of Advisory and others listening, Mr. Dennington reviewed the process the Select Board has taken regarding the disposition of the town building located at 21 Highland Street.

Department of Public Works – DPW Superintendent Bill Cundiff

Mr. Cundiff went through his budget with Select Board liaisons Ms. Cook and Mr. Hamilton and Advisory liaisons Mr. Pfaff and Ms. Jones-Salow. The group discussed the proposed DPW FY 25 budget which includes adding the position of town engineer. Also discussed were the tree warden position, the FY25 DPW proposed capital projects, and potential TIP projects for Cordaville and Framingham Roads.

Information Technology – IT Manager Jason Montijo

Mr. Montijo reviewed his proposed budget with Ms. Cook and Mr. Stivers as Select Board liaisons and Mr. Samberg as the Advisory liaison. Mr. Montijo stated that the Municipal Technology Committee (MTC) had reviewed his proposed budget and that the MTC unanimously supported the proposed budget. Mr. Monijo stated that after consultations with the SB liaisons and the Advisory liaison all had agreed to postpone moving the townwide phone system to the cloud. Mr. Montijo stated that the proposed increase to his FY 25 budget YOY was due to the proposed increases from software vendors on packages whose contracts were expiring and needed renewing. Mr. Pfaff asked Mr. Montijo to pushback on current vendors and investigate alternatives to reduce cost.

The group also discussed the IT infrastructure and security measures currently implemented, the current status and plans for moving further to the cloud, and the town's redundant ISP services. Ms. Cook gave accolades to the IT staff for all the improvements made to the town's technology infrastructure and security.

The meeting recessed for lunch at 12:05 PM.

The meeting resumed at 12:34 PM.

After the lunch break Treasurer/Collector Brian Ballantine gave an overview of the overall proposed FY 25 budget. Mr. Ballentine told the group that the first pass of the FY 25 budget results in a significant decrease in the town's excess levy capacity and an approximate 9% increase in the average tax bill to homeowners. He added that the school budgets are rough estimates and the regional capital budget has not yet been submitted.

Police Department – Chief Ryan Newell

Chief Newell reviewed three proposed FY 25 police department budgets. The three budgets differed in the proposed staffing for FY 25. Chief Newell is proposing adding four new dispatchers, one lieutenant, and one new officer. Chief Newell spent the majority of his presentation explaining the need for each of the new positions.

[Mr. Nodiff left at 12:44 PM; and continued to participate virtually.]

Chief Newell explained that he needs an administrative lieutenant to handle the recent increase in administrative work including the new work caused by the addition of body cameras. The Chief also explained the need to double the size of the dispatch staff so that there are two dispatchers on 24/7 to cover simultaneous emergencies.

Mr. Hamilton suggested separating the Police and Dispatch operation into two separate budgets. Chief Newell requested time to review alternate paths for his requested new positions before committing to this change. The group discussed the new hiring requests including the urgency of those requests. Mr. Pfaff suggested conducting a staffing study to validate Chief Newell's requests.

Fire Department – Chief Steven Achilles

Chief Achilles reviewed his proposed FY 25 budget. The proposed fire department FY 25 budget includes an increase of 3.8% for payroll due to union contractual increases. The group also discussed Chief Achille's continued advocacy for a Deputy Chief.

Much time was spent on discussing the Fire Department's capital requests for FY 25. Chief Achilles provided a draft information piece on a replacement tower truck and outlined the current condition of the vehicle and the recommended path forward for a new vehicle. The group discussed these options which included the capability to carry and pump water.

There was a discussion about the gaps in radio coverage and the lack of a contract with EMC for the tower where half of the town's repeaters are located. Chief Achilles suggested the town wait to understand the requirements of regional dispatch before spending funds on improving the emergency communication system. The Advisory Committee thanked the Chief for his service to the community as Fire Chief and as a resident.

For the Select Board, Mr. Dennington moved to adjourn the meeting at 2:37 PM. Ms. Landry seconded the motion. The motion was unanimously approved (5-0-0).

For the Advisory Committee, Mr. Pfaff made a motion to adjourn the meeting at 2:37 PM. Mr. Rose seconded the motion. The motion was unanimously approved (5-0-0).

Documents used in the meeting:

DRAFT

- Presentation of recommended FY25 capital from CIPC;
- FY25 requested budgets from IT, Police, Fire, and DPW;
- Fire Chief handout on Capital Purchase Request – Aerial Replacement
- FY25 budget recap from Finance Director, dated January 5, 2024

Respectfully submitted

Mark Purple, Town Administrator

DRAFT

SOUTHBOROUGH LIBRARY

DATE: January 31, 2024

TO: The Select Board, Town of Southborough

FROM: Ryan Donovan, Library Director

SUBJ: Donation to the Library

To: The Select Board, Town of Southborough:

The Southborough Library has received a donation of $25.00 from former library volunteer Lois Seltzer of 8 Blueberry Lane in Southborough, MA.

At this time, the Library Board of Trustees and I wish to accept this donation to be placed in the "Library Donation" account, #2629-6-610-570-57820. We ask that you agree. Please contact library director Ryan Donovan with any questions or concerns. Thank you.

Ryan Donovan

RE: 21 Highland Street Future Use Committee
Planning Board recommendation of Appointment

Dear Select Board:

Please be advised that at its meeting on January 29, 2024, the Planning Board voted 5/0 (Luttrell, Stein, Hoolahan, DeMuria, and Braccio) to recommend the appointment of Lisa Braccio as the Planning Board Representative to 21 Highland Street Future Use Committee. Ms. Braccio's term will expire on June 30, 2024.

Sincerely,

Karina G. Quinn

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:33 PM.

II. Public Comment

Mr. John Butler, 4 Davis Road, stated he sent a letter to the Board this afternoon asking that the Board invite Town Meeting review prior to signing any Inter Municipal Agreement (IMA) for a Regional Emergency Communications Center (RECC). He stated that, if the Board agrees to hear Town Meeting's comments on the matter, there would be no need to entertain the Citizen's Petition on the Floor of Town Meeting.

Ms. Kristin LaVault, 12 Southwood Drive, asked that discussion of funding for the Peninsula Trail be moved up on the agenda, as it was unclear from the posted Agenda when this item would be discussed.

Mr. Dennington stated discussion of the Peninsula Trail funding would occur in discussion of the budget and warrant.

Mr. Dennington acknowledged and welcomed Interim Fire Chief Paul Fillebrown to tonight's meeting.

Mr. Andrew Pfaff, Chair of the Advisory Committee, called the Advisory Meeting to order at 6:37 PM. Member present: Andrew Pfaff, Marci Jones Salow and Larry Samberg. Members present via ZOOM: Tim Martel.

III. Scheduled Appointments *(Board may vote)*

a. Supt. Ernest Houle – Assabet Valley FY25 budget and warrant article

Mr. Dennington recused himself from this matter, as his law firm represents the Assabet Valley School District. He turned the matter over to Ms. Cook, Vice Chair. Mr. Houle and Mark Pietrewicz, Assabet Valley School District Member from Southborough, appeared before the Board on the matter. Mr. Houle presented the FY25 Assabet Budget. Mr. Houle stated that Southborough's portion of the Assabet FY25 budget is $517,861. Ms. Cook asked if the School Committee had voted on the town assessments. Mr. Houle stated that they had. The Board and Mr. Houle discussed the budget and the creation of a stabilization fund for FY25. Mr. Pfaff asked if accumulated funds in the proposed Stabilization Fund would be used to fund large capital projects and thus, bypass Town Meeting approval. Mr. Houle stated that they would not. He stated that any large capital projects would be funded separately and stated the proposed Stabilization Fund would be used for short to mid-term projects that are $25,000 or larger and have a life of 10 plus years. He also stated the proposed Stabilization Fund would not be used for operating expenses. Mr. Pietrewicz stated that the proposed Stabilization Fund is needed, in part, because the freshman class has no students outside the district and no outside funds to draw upon, as it has done in the past. He stated this

trend is expected to continue. Mr. Hamilton asked about the amount of the assessment for the proposed Stabilization Fund. Mr. Houle stated the School Committee had voted to set the assessment at $250,000. Mr. Butler stated that there is a statutory limit on stabilization fund maximums of 5% of the operating budget. Mr. Butler stated he is supportive of Southborough participating in the creation of this Stabilization Fund.

b. Joint Meeting with School Committee; Supt. Greg Martineau

Mr. Dennington resumed his duties as Chair. Ms. Rebecca Pellegrino, Finance Director for Southborough Public Schools, stated that the meeting of the Southborough School Committee had been called to order at 7:33 PM.

i. FY25 Budget (K-8, Regional); warrant articles 21, 22 and 23

Superintendent Greg Martineau and Ms. Pellegrino appeared before the Board and the Advisory Committee on the matter. **K-8 Budget:** Superintendent Martineau shared the Southborough Public Schools K-8 budget presentation with the Board and Advisory Committee. Superintendent Martineau stated that, last night, the Southborough School Committee voted to approve the budget for Southborough Public Schools K-8 at $24,258,964 million dollars, which represents a 5.18% increase over the FY24 budget. He stated the budget includes a request for one (1) full-time equivalent to maintain and enhance world language programming in grades K-3 and a .2 position for an adaptive physical education teacher. Superintendent Martineau stated that approximately 2.5% of the proposed 5.18% budget increase is due to the rise in special education transportation costs and out of district tuition costs. He noted this budget also includes a reduction in 2.4 full-time equivalents. Superintendent Martineau discussed the impact of inflation on the budget. Ms. Cook asked about the use of SEDP funds. Ms. Pellegrino stated approximately $60,000 of those funds have been used to offset operating expenses for affected categories. Superintendent Martineau stated the School Department may need to request more reserve fund transfers to fund unexpected, extraordinary repairs and capital projects. Mr. Hamilton stated that he would like to see one reserve fund instead of multiple reserve funds. The Board and the Advisory Committee discussed the proposed budget. The Board and Advisory Committee heard information on the School Department warrant articles. **Article 21:** Superintendent Martineau stated Article 21 allows the Southborough School Department to retain monies from space rentals at all Southborough public schools and utilize those funds for upkeep and maintenance at all Southborough public schools. **Article 23:** Superintendent Martineau stated that Article 23 allows the Southborough School Department to create a Special Education Stabilization Fund. He stated that the fund would allow the district to moderate and proactively manage Special Education costs that can be volatile in nature. He also stated that since 2016, Special Education costs have risen, on average, 4.21%. Ms. Cook asked what mechanism would be used to fund the Special Education Stabilization Fund. Superintendent Martineau stated that the School Department is still exploring funding mechanisms but the goal is to fund in a consistent pattern as part of the operational budget. He also stated that the maximum funding amount could be no more than 2% of the budget for each year and that expending funds would require a majority vote of the Select Board and Advisory Committee. Mr. Hamilton asked that the presentation for Town Meeting reflect actual dollars spent rather than percentages. The Board discussed logistics for utilizing proposed Special Education Stabilization Funds in future budgeting. **Reserve Fund Request:** Superintendent Martineau requested a Reserve Fund transfer of $87,970.01 to pay the remainder of costs for mold mitigation at the Finn School that occurred at the beginning of the school year. The Advisory Committee discussed the requested transfer. Mr. Samberg moved to approve a Reserve Fund transfer to the Schools in the amount of $87,970.01. Ms. Jones Salow seconded the motion. The motion was approved by roll call vote: Mr. Martel, aye; Mr. Samberg, aye; Ms. Jones Salow, aye; Mr. Pfaff, aye (4-0-0).

Regional Budget: Superintendent Martineau shared the Regional budget with the Board and Advisory Committee. He stated that the Regional School Committee would meet on February 28th to

consider approving a proposed FY25 budget of $27,871,426, which represents a 4.8% increase over the FY24 budget. **Article 22:** Ms. Pellegrino stated that the Regional District is proposing a Regional Stabilization Fund to fund capital items. She stated that yearly contributions to the proposed fund could not exceed 5% of the aggregate amount assessed to the member towns for the preceding year. She also stated the balance of the proposed fund cannot exceed 5% of the combined equalized valuations for the member municipalities. Ms. Cook asked what mechanism would be used to fund the Regional Stabilization Fund. Superintendent Martineau stated that Excess and Deficiency (E&D) funds would be used. Mr. Hamilton suggested the Regional School Committee consider other means to fund the proposed Regional Stabilization Fund and stated that before the Fund is created, he would like to see additional means of funding considered. The Board and the Advisory Committee discussed Article 22.

ii. Request for warrant articles for Finn School and Trottier School

Mr. Dennington stated the Southborough School Committee has proposed a warrant article that would authorize the Board to lease some or a portion of the Trottier School roof for 10-20 years. Superintendent Martineau stated that the Trottier School needs a new roof. He stated the Massachusetts School Building Authority (MSBA) is partnering with the Governor to create solar-ready projects and that the Southborough School Committee will submit a statement of interest to enter into the MSBA's accelerated repair program for roofs and windows. Mr. Hamilton asked who pays for the necessary roof reinforcement for solar readiness. Superintendent Martineau stated that the chosen partner performs the engineering studies and prepares the roof for readiness. He explained that the Town would lease the roof to the partner and purchase back energy from the grid. Mr. Purple thanked Superintendent Martineau and Ms. Pellegrino for working collaboratively to advance the goals of the Town.

The Board and the Advisory Committee recessed at 8:46 PM and resumed meeting at 8:58 PM.

c. Brian Ballantine, Finance Director – FY25 Budget update

Mr. Ballantine appeared before the Board and Advisory Committee. He shared his budget update, which adds the following staff: one new police lieutenant, one new officer and one new DPW engineer. Mr. Ballantine stated that the revenue side of the budget is set and that the proposed budget as it stands today, is at a 4.75% increase, year over year. He clarified that the present proposed budget does not include any dispatchers in the police department budget and, if they would be added to the budget, benefits would need to be added, as well.

d. Joint Meeting with the Advisory Committee

i. FY25 Budget

The Board, the Advisory Committee and Mr. Purple discussed Mr. Ballantine's presentation, potential issues related to using one-time monies as funding sources and related impacts in future budget cycles, including the potential need for future overrides. Ms. Cook detailed the changes to the budget that resulted in a reduction in the tax rate to its proposed 4.75% increase. Those changes included: 1) utilizing $500,000 worth of ARPA funds for one-time expenditures; 2) reducing the police budget to include adding the lieutenant only; and 3) making the following changes to the Capital budget: removing the stretchers from the list; bonding the trash trailer and the sidewalk tractor and using St. Mark's contribution of $96,467 to purchase PPE ($20,000) and half of the cost of the defibrillators over three years ($50,000). Ms. Cook stated that further achievable reductions in the proposed budget might come from the DPW Road Maintenance line item and the Regional School District budget. Ms. Cook stated that if the dispatchers are added to the budget, the tax rate rises to approximately 5.75%. The Board and Advisory Committee discussed adding dispatchers to the budget, consideration of the matter at Town Meeting and Fall Town Meeting and consideration of if/when to make a decision to join a Regional Emergency Communications Center (RECC). Mr. Pfaff

recommended Town Meeting consider the police budget separately, along with Ms. Phaneuf's citizen's petitions, for a complete overview of the dispatcher issue. Ms. Phaneuf stated that the need for dispatchers is now and is a matter of public safety. She recommended that the four dispatchers be added to the proposed budget and could be reduced at Town Meeting, if that is what Town Meeting votes to do. Mr. Butler suggested investigating the electronic rollover process as a gap filling measure while the Board determines how to move forward with regionalization. The Board and Advisory Committee discussed the added lieutenant position in the proposed budget. Mr. Pfaff moved that the Advisory Committee support the proposed police budget in the amount of $3,040,366 million dollars, which includes one position only for the lieutenant. Ms. Jones Salow seconded the motion. The motion failed by roll call vote: Mr. Martel, no; Mr. Samberg, no; Ms. Jones Salow, no; Mr. Pfaff, aye (1-3-0). Mr. Martel, Mr. Samberg and Ms. Jones indicated they voted "no" because they are not comfortable with the addition of the lieutenant position to the police budget. Mr. Dennington moved to support the proposed police budget in the amount of $3,040,366 million dollars, which includes one position only for the lieutenant. Mr. Hamilton seconded the motion. The motion was approved (3-2-0). Mr. Stivers and Mr. Hamilton voted against the motion. Police Chief Ryan Newell presented information on the lieutenant position to the Board and Advisory Committee. The Board and the Advisory Committee discussed Chief Newell's presentation. Ms. Kathryn McKee, Chair of the Trails Committee, appeared before the Board and Advisory Committee to discuss financing the completion of the Peninsula Trail project. The Board discussed alternative ways to fund the Peninsula Trail project. Mr. Dennington asked if the entire request in Article 31 could be funded by Community Preservation Act (CPA) funds, thus freeing up previously allocated ARPA funds for use in other areas of the proposed FY25 budget. Ms. McKee stated the Community Preservation Committee (CPC) would need to vote for this to occur. Ms. Cook asked Ms. Carla McAuliffe, Town Account appearing via ZOOM, if proposed Article 31 could be worded allowing funds for the Peninsula Trails project to be accessible immediately following Town Meeting, if the funds were allocated from existing CPA funds and not new surtax monies. Ms. McAuliffe stated that she did not know if that was possible but would investigate. Ms. Cook acknowledged that her request was contingent upon CPC approval of funding the entire request in Article 31. Ms. Kristin LaVault, Vice Chair of the CPC, stated that the CPC has not had an opportunity to review this budget development and expressed concern about the time needed to complete the necessary review prior to Town Meeting. Mr. Purple stated that the Capital Planning and Improvement Committee (CIPC) had voted to utilize approximately $350,000 in ARPA funds for the design and engineering of three sidewalk projects and return the remaining half of the ARPA sidewalk allocation. Ms. Cook moved to move all items from column M on the displayed ARPA spreadsheet to the real estate relief category, with the exception that $144,547 allocated for the Trails Committee be taken from the Sidewalks category. Mr. Dennington seconded the motion. The motion was approved (4-1-0). Mr. Hamilton voted against the motion. Ms. Phaneuf requested a copy of the budget worksheet discussed this evening. Mr. Purple stated he would forward that information. The Board and the Advisory Committee discussed approval of the proposed budget. Mr. Dennington moved to approve the budget, as described in Mr. Ballantine's rev/cap worksheet, dated February 13, 2024, excluding line items for Police and Assabet. Mr. Stivers seconded the motion. The motion was approved (5-0-0). Ms. Cook moved to approve the proposed assessment for Assabet, as printed in the rev/cap worksheet dated February 13, 2024, in the amount of $517,861. Mr. Stivers seconded the motion. The motion was approved (4-0-0). Mr. Dennington recused himself from this vote.

ii. March 23, 2024 Town Meeting warrant articles

Mr. Pfaff stated that the Advisory Committee would meet to discuss and vote on the budget. Mr. Pfaff moved to adjourn the Advisory Committee meeting at 10:35 PM. Ms. Jones Salow seconded the motion. The motion was unanimously approved by roll call vote: Mr. Martel, aye; Mr. Samberg, aye; Ms. Jones Salow, aye; Mr. Pfaff, aye (4-0-0).

IV. Reports

a. Chair's Report

Mr. Dennington stated there was no Chair's Report.

b. Member's Report

There were no Member's Reports

c. Town Administrator's Report

Mr. Purple reported that Southborough Youth and Family Services, Friends of the Youth Commission and the Recreation Department would sponsor the International Day of Unplugging with Costume Karaoke on Friday, March 1, at the Finn School. He stated all proceeds would go towards Southborough Recreation camp scholarships.

V. Consent Agenda

a. Approve Open Session meeting minutes: January 30, 2024

Mr. Stivers requested to hold Consent Agenda item "a." Mr. Stivers had scrivener changes to Lines 13 and 15. Mr. Stivers moved to approve Consent Agenda item "a", as amended. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0).

b. Approve updated Senior Tax Work Off Program policy

c. Approve Executive Session minutes: January 30, 2024

Mr. Dennington moved that the Board approved Consent Agenda items "b" and "c." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

Mr. Dennington heard discussion of Other Matters before the Consent Agenda.

a. Select Board positions on warrant articles

Mr. Dennington moved that the Board support the following articles at Town Meeting: Articles 4, 9, 14, 19, 20, 21, 23, 24, 25, 26, 27, 28, 29, 30, 39, 42, 44, 45 and 47. Ms. Cook seconded the motion. The motion was unanimously approved (5-0-0). Mr. Stivers moved that the Board support Article 22 at Town Meeting. Ms. Cook seconded the motion. The motion was approved (4-1-0). Mr. Hamilton voted against the motion. Mr. Dennington moved that the Board support Article 31 at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved that the Board support Article 32 at Town Meeting. Mr. Stivers seconded the motion. The motion was approved (3-2-0). Mr. Hamilton and Ms. Landry voted against the motion. The Board discussed Article 35. Mr. Hamilton moved that the Board support Article 35, as written without the sunset language, at Town Meeting. Mr. Stivers seconded the motion. The motion was approved (5-0-0). Mr. Butler stated he was not in support of the Regional Stabilization Fund or the Special Education Stabilization Fund. The Board discussed Article 54. Mr. Dennington moved that the Board support Article 54 at Town Meeting. Mr. Stivers seconded the motion. The motion failed (2-3-0). Mr. Dennington, Ms. Cook and Mr. Stivers voted against the motion. Mr. Purple stated another article would be added to the warrant that reduces the CIPC from seven members to five members. Mr. Hegarty stated that bylaws should not be created within Town Code because they are laborious to change. He also stated he is not in favor of Article 35 for the same reason and would speak against it at Town Meeting. Mr. Dennington moved that the Board support at Town Meeting a warrant article to reduce the membership size of the CIPC from seven to five. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved that the Board support at Town Meeting the Southborough School Committee's warrant article to authorize the Select Board to lease the roof of the Trottier Middle School based on the language in tonight's packet. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved that the Board support at Town Meeting advancing Citizen's Petition Articles 52

and 53 to immediately follow Article 5, the FY25 Town Budget. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Review of ARPA allocation

Ms. Cook moved to allocate ARPA funds for the following uses: 1) pay for the Town Clerk scanning project ($43,000); 2) to pay for the crew cab for the DPW ($95,000); 3) to pay for the Finn air conditioners ($134,500); 4) to pay for the Woodward air conditioners ($50,000); and 5) to reduce the Road Maintenance article ($177,500) totaling $500,000. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Public Comment

There was no public comment.

VII. Adjournment

Mr. Dennington moved to adjourn the meeting at 11:00 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

Upcoming Meetings	
February 27, 2024	*March 4, 2024 (Monday meeting)*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

List of Documents referred to at the February 13, 2024 SB Meeting:

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a non-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Select Board. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless its substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

Introduction to the Rules of Town Meeting (continued)

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none
2. To adjourn	no	yes	limited	majority	amend
3. Point of no quorum	no	no	no	none	none
4. Recess	no	yes	limited	majority	amend
5. Question of privilege	yes	no	no	chair rules	none
SUBSIDIARY MOTIONS					
6. To lay on the table	no	yes	no	2/3	none
7. Previous question	no	yes	no	2/3	none

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

ANNUAL TOWN MEETING

Worcester, ss. February 27, 2024

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the Trottier School Auditorium, 49 Parkerville Road, in Southborough, MA, on

Saturday, March 23, 2023

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to accept any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in Estimated Receipts Account, and determine what disposition shall be made of the same, if accepted, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *To allow the Select Board to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Select Board, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2024 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 3: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Select Board or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, but no longer than seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Select Board or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Board Recommendation:
Summary: *This article allows the Select Board and/or the School Committee to enter into contracts in excess of three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.*

ARTICLE 4: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

PERSONNEL BYLAW
ENTITLED "THE SALARY ADMINISTRATION PLAN"

Effective July 1, 2024, this bylaw establishes a Salary Administration Plan for the Town of Southborough that (i) groups position classifications in Town services, (ii) establishes salary schedules and employee benefits and (iii) establishes and authorizes the Personnel Board to administer the bylaw to provide oversight and guidance to the Town Administrator in the development and maintenance of personnel policies and regulations. and to represent the interest of both the taxpayers and the Town employees.

This Salary Administration Plan applies to the positions of all officers and employees in the service of the Town, whether full-time, part-time, temporary, seasonal, special or any other, except those positions filled by popular election, under the direction and control of the School Committee, performed pursuant to a contract approved by the Town, encompassed in any officially recognized labor union and/or association, or exempted by statute. The positions covered by this Salary Administration Plan are hereby classified by titles in the groups listed in Schedule A through E ("Classification Schedule") as set forth in Section 20 of this bylaw.

The classification of positions subject to the Massachusetts Welfare Compensation Plan (as amended) and the scheduled rates therefor, as well as the applicable provisions of the Massachusetts General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

SECTION 1. DEFINITIONS

As used in this bylaw, the following words and phrases shall have the following meanings:

"Administrative Authority" means the elected or appointed official or board having jurisdiction over a function or activity.

"Base Pay" means the compensation paid by the Town of Southborough for the purposes of determining retirement credits and contributions for Town employees.

The Town shall contribute funds as required for each eligible employee in accordance with the procedures and formula established by the Worcester Regional Retirement System and the bylaws of the Town of Southborough. Contributions shall include (i) wages earned during the first eight hours worked in any one day (no contributions shall be made for hours worked in excess of 40 per week,) (ii) any lump sum bonus that is guaranteed by the Salary Administration Plan or the Bylaws of the Town, (e.g., longevity pay); (iii) vacation pay, except when paid in lieu of taking vacation; (iv) sick pay; and (v) holiday pay.

"Class" means a group of positions in the Town service sufficiently similar with respect to duties and responsibilities such that for each position the same (i) descriptive title may be used, (ii) qualifications shall be required, (iii) tests of fitness may be used to choose qualified employees and (iv) scale of compensation can be equitably applied.

"Classification Schedule" means any of Schedules A, B, C, D and E of Section 20 hereof.

"Compensation Grade" means a range of salary/wage rates as may appear in the Classification Schedules.

"Continuous Full-Time Service" means employment requiring a predetermined minimum work period that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Continuous Employment" means full-time or part-time employment that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Department" means a functional unit of Town government.

"Department Head" means the person appointed and responsible to carry out the duties of a Department.

"Exempt employee" means an employee who is not entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"Full-Time Employment" means employment for not less than 20 hours per week for fifty-two weeks per annum, excepting authorized holidays and leave periods.

"Group" means a group of classes as may appear in the Classification Schedules.

"Maximum Rate" means the highest compensation rate to which an Employee is entitled.

"Minimum Rate" means the lowest rate in a Range, and is normally the hiring rate of a new employee.

"Non-exempt employee" means an employee who is entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"On-Call Compensation" refers to additional money paid to an employee who is available to work when the need requires oftentimes in an evening or weekend capacity.

"Part-Time Employment" means employment less than 20 hours per week.

"Position" means an office or post of employment in the Town service with duties and responsibilities calling for the Full-Time or Part-Time employment of one person in the performance and exercise thereof (or of more than one person sharing the same position).

"Position Class" means the same as "Class" (note that a class may include only one position, in which event it is defined as a "single position class").

"Probationary Employee" means a first-time Town employee within his/her first six months of employment, or longer if extended.

"Promotion" means a change from one position to another position in a higher class and/or compensation grade.

"Range" means the difference between minimum and maximum rates of an assigned grade.

"Rate" means the measure of compensation for personal services on an hourly, weekly, monthly, annual or other basis.

"Salary Administration Plan" means the Personnel Bylaw Entitled "The Salary Administration Plan."

"Single Rate" means a rate for a specific position class that is not in a designated range

"Start Date" means the first day of employment with the Town.

SECTION 2. POSITION TITLES

No person shall be appointed, employed or paid in any position under any title other than those of the Classification Schedule for which the duties are actually performed. The position title in the Classification Schedule shall be the official title for all purposes, including payrolls, budgeting and official reports.

SECTION 3. NEW OR CHANGED POSITIONS

No new position shall be established, nor the duties of an existing position so changed that a new level or work demand exists, unless upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall (a) approve an appropriate job description, (b) rate such new or changed position, and (c) allocate it to its appropriate classification grade and establish the rate thereof.

SECTION 4. RECLASSIFICATION OF EMPLOYEES

No position may be reclassified to another grade, whether higher or lower, unless the Personnel Board shall have determined such reclassification is consistent with this Salary Administration Plan.

SECTION 5. JOB DESCRIPTIONS

The Personnel Board shall maintain such criteria as it deems appropriate for the positions and classes in the schedules. Each department or public body (board, committee, commission) with SAP employees shall maintain current job descriptions for such employees. All such job descriptions and any revisions thereto must be submitted to the Personnel Board for approval following review and approval by the Select Board or appropriate public body. The criteria for any class shall not be deemed to limit the duties or responsibilities of any position as set forth in the job description, nor to affect in any way the power of any administrative authority to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 6. COMPENSATION

a. The bi-weekly pay period shall begin at 12:00 a.m. Thursday and shall end at 11:59 p.m. on the following second Wednesday.

b. Non-exempt employees subject to this Salary Administration Plan shall be paid for one and one-half hours worked for any hour worked in the excess of forty in their weekly pay period, provided such extra hours were authorized by the Department Head.

c. The salary schedules set forth in Schedules A, B, C, D and E of Section 20 hereof reflect the maximum and minimum salaries for each grade.

d. The annual salary set forth in Schedule A represents a 40-hour work week and in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated annual salary is pro-rated reflective of the posted salary schedule in Schedule A.

e. Amounts paid to employees in reimbursement for expenses incurred in the performance of their duties (e.g., mileage, meals, dues, etc.) shall be paid in addition to their compensation. Reimbursement shall be based upon the actual documented expenditure made by the employee, or at rates established by the Internal Revenue Service, supported by that agency's requirements for documentation.

f. On-Call Compensation: The on-call member of the Facilities Department shall be eligible to earn a weekly stipend for on-call service if the department head has required them to be available to respond to situations outside of their normal work schedule. This weekly stipend shall be equal to a set rate of $300 per week. If the on-call staff member must report to work outside of their normal work schedule, compensation for this time shall be based on the standard SAP overtime practices. Additionally, if the on-call staff member is faced with a situation that renders them unable to serve as the on-call individual on a particular day that they are scheduled to be on call, said employee may request that another eligible staff member cover their on-call time, with the approval of the department head. In such an event, the regularly scheduled employee's weekly stipend will be reduced by $45.00 per day that they are unable to be on call; this stipend amount will instead be paid to the covering employee per day of coverage. There is no provision to accrue compensation time in lieu of payment for on-call time.

SECTION 7. SALARY ADJUSTMENT & COMPENSATION POLICIES

a. Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible for consideration of a salary increase annually on July 1. Employees hired between April 1 and June 30 will be eligible for a salary increase the July 1st following their twelve-month anniversary. Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Select Board or their designated appointee in the case of departments within the jurisdiction of the Select Board, or the appropriate Commissioners or Trustees in the case of departments outside the jurisdiction of the Select Board.

Retroactive salary increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism.

Unless specifically exempted by Personnel Board policy, requests for salary increases must be accompanied by a certification from an employee's manager that the employee's performance has been "satisfactory" or better and that a written employee performance appraisal, on a form approved by the Personnel Board, has been completed. The

form of this certification will be prescribed by Personnel Board policy promulgated hereunder. Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments.

An employee may appear before the Personnel Board prior to its action on any request for an increase. Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

b. Special Non-Continuous Part-Time employees and employees in Schedule B classifications shall be eligible for consideration for salary increases upon the recommendation of the appropriate department manager or Board and approval of the Personnel Board.

c. Probationary Employees

1. During the probationary period, benefit eligible employee(s) will earn vacation, sick and personal time in accordance with Section 11(b-d) hereof.

2. During the probationary period, paid leave accruals shall be based on the Start Date.

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board, provided the maximum for the job is not exceeded. This is contingent upon the Department Head's recommendation that qualifications and performance warrant it.

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the Personnel Board approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL HIRING; DEPARTURES

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. Probationary period: For new hires, the first six months of employment shall be a probationary period. The probationary period does not apply to Town employees who change positions within the Town. The probationary period is a time during which an employee will be evaluated to ensure that the employee has the requisite knowledge, skills, and abilities to perform the position (with or without reasonable accommodations). Completing the probationary period does not change the employee's relationship with the Town, which will remain one in which either the employee or the Town may terminate the relationship at will. The probationary period may be extended by a Department Head [or Appointing Authority] when deemed necessary.

c. A new employee's hiring rate shall be the minimum of the rate range of the job, unless otherwise authorized by the Personnel Board or Personnel Director. The Personnel Board is cognizant of the need to make timely decisions during the recruitment process, therefore, the Personnel Director is empowered to set starting salaries for new employees with comparable experience up to Step 8 for the appropriate job grade as set forth in Schedule A of the Salary Administration Plan.

d. The Personnel Director or his/her delegatee shall notify the Personnel Board in writing of the hiring of all personnel and their hiring rates. The Personnel Director or his/her delegatee shall also notify the Personnel Board in writing of the departure of any employee.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i(1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees. The benefits listed below are not intended to supersede what State or Federal law may otherwise require. The benefits set forth in this section are applicable to Full-Time employees only, except where noted.

All forms of paid leave set forth in this section are based on a 40 hour work week; in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a. Holidays with Pay

Full-Time employees shall receive one day's pay at their regular rate for the following:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veteran's Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	Day before or after Christmas Day (as set by the Town annually

To be eligible for holiday pay, an employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday. Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval. Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years.

All administrative policies and practices relative to holidays with pay shall be prepared and established under the direction of the Personnel Board.

b. Vacations with Pay

(1) Full-Time employees who have been in the continuous employ of the Town shall earn paid vacation in accordance with the following schedule:

Years of Employment	Hours Earned Per Month	Vacation Earned Per Year (Pro-rata)
0 - 2	6.666	Two weeks
2+ - 7	10.0	Three weeks
7+ - 15	13.333	Four weeks
15+ - or more	16.666	Five weeks

Employees hired prior to July 1, 2005, shall be eligible to earn twenty hours per month after serving twenty years of full-time employment with the Town.

(2) At the recommendation of the hiring authority and upon the approval of the Personnel Board, new employees entering into a position with the Town of Southborough from a similar position will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of four weeks' vacation [pro-rated] for the first year of employment with the Town.

Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the Department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. Employees hired on or after July 1, 2023, shall be permitted to carry over a maximum of two weeks to the following fiscal year. The employee must have the Department Head's approval to take any portion of a prior year's unused vacation in addition to the days earned in the current fiscal year. Employees commencing employment with three weeks per year will be required to complete two years of service before ascending to the next band (four weeks) in the vacation schedule chart and seven years of service before ascending to the following band. Awarding four weeks should be the exception based on evidence that the employee is leaving another position that already provides this benefit. Employees commencing employment with four weeks per year will be required to complete five years of service before ascending to the next band (five weeks).

(3) If in the opinion of the Department Head there are unusual work-related circumstances that warrant it, a department head may seek approval from the Town Administrator or his/her delegatee to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(4) In the event of termination of employment the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

(5) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

c. Sick Leave

(1) Full-Time employees shall be entitled to accrue 10 sick hours per month, equaling 120 hours annually (15 sick days); employees working less than 40 hours in a weekly pay period will accrue ratably based on hours worked per week. Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave. Employees of the Town of Southborough hired on or after July 1, 2023, will not be subject to any payout of accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

(5) Sick Leave administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

d. Personal Days

Full-Time employees shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's Start Date. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the Department Head. Personal days shall not accumulate from year to year.

e. Military Leave

(1) Reserve Duty: An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(2) Active Duty: Pursuant to Article 8 of the April 11, 2005 Annual Town Meeting, an employee in the federal military reserve or a state National Guard who is called to active service shall be entitled to their regular base salary and shall not lose any seniority or paid leave benefits while on military leave; *provided*, however, that such base pay shall be reduced by any amount received from the United States as pay or allowance for military service performed.

f. Jury Duty

Any employee who is called to jury duty shall be paid the difference between their normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

g. Miscellaneous Paid Time Off

Working time lost from regularly scheduled work days for reasons listed below shall be without loss of pay, provided such lost time is authorized by the Department Head. Sections (1) – (3) are applicable to Full-Time employees only; Section (4) is applicable to both Full-Time and Part-Time employees.

(1) Bereavement leave – In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the employee, such employee shall be entitled to receive three days' leave for the purpose of the funeral and services of the deceased. If out-of-state travel is required, the Department Head may authorize up to two additional days of travel time.

(2) Medical examination or inoculation required by the Town.

(3) Blood donation authorized by the Department Head.

(4) Attendance at professional and/or educational programs authorized by the Department Head.

h. Court Time Pay

If the Town requires that an employee appear in Court as a witness or in any other capacity arising from the performance of the employee's duty, or on behalf of the Commonwealth or the Town in any civil or criminal case pending in any Court or other official governmental board or agency, such appearance and related travel time shall constitute work time for purposes of calculating weekly hours worked. If such appearance or related travel time causes a non-exempt employee to exceed forty hours of work in any given work week, the employee shall be eligible for overtime pay in accordance with Section 6(b). This section does not apply to exempt employees.

i. Employee Educational Support/Professional Development

(1) Degree Bonus: All Part-Time and Full-Time employees who, while an employee of the Town, earns a degree in a field applicable to their position from an accredited college or university, shall receive a one-time bonus subject to appropriation, according to the following schedule:

Associates Degree ...$ 800.00
Bachelors Degree ..$1,200.00
Masters Degree $1,500.00

A copy of the completed transcript, diploma or other appropriate evidence of the completed degree must be presented to the Department Head and the Personnel Board, and shall be submitted as documentation for accounts payable.

(2) Tuition reimbursement: the Town may offer tuition reimbursement to eligible Full-Time and Part-Time employees as prescribed by Personnel Board policy enacted under this Bylaw.

j. Group Medical Insurance

Starting July 1, 2009, the Town will contribute fifty percent (50%) of the cost of a medical indemnity plan or seventy-five percent [75%] of the cost of a Health Maintenance Organization plan for Full-Time employees only.

SECTION 12. UNPAID LEAVES OF ABSENCE

a. A leave of absence without compensation may be granted by the Personnel Board.

b. Leaves of absence of over three months' duration (except Military Leave) shall be deemed a break in employment, and on return to work the employee shall have the status of a new employee unless an extension of leave beyond three months was authorized by the Personnel Board.

SECTION 13. PART-TIME EMPLOYEES WORKING FULL-TIME HOURS TEMPORARILY

a. A Part-Time employee may work 20 hours or more per week for no longer than two bi-weekly pay periods, or four bi-weekly pay periods in the case of an Election Worker during an election cycle, if requested by their Department Head due to exigent circumstances, or for longer if recommended by the appointing authority or the Personnel Director, with the authorization of the Finance Director and approval of the Personnel Board. In such cases, the employee will remain a Part-Time employee with no change in status.

b. Department Heads may submit requests for additional compensation for Part-Time employees temporarily working Full-Time hours, subject to available funding as authorized by the Finance Director and approved by the Personnel Board.

SECTION 14. APPOINTMENT OF "ACTING" DEPARTMENT HEADS

a. In the absence or retirement of a Department Head for three consecutive weeks, the Select Board or appropriate board or commission may appoint an "Acting" Department Head to serve for a period ofnot more than three months. Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Select Board or other appropriate board or commission for each such extension. In no case shall an appointment of an "Acting" Department Head exceed one year.

b. Duly appointed "Acting" employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the "Acting" employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation.

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The

Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds therefor.

SECTION 16. DUTIES OF THE PERSONNEL BOARD

a. The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of the Plan.

b. The Town Administrator serves as the Town's Personnel Director under the Town Administrator Bylaw [Ch. 27, Art. IX]. As such, the Personnel Director is invested with personnel authority and responsibilities as set forth therein. From time to time, and as may be necessary, the Personnel Board will consult and/or act in concert with the Personnel Director or his/her delegatee on matters of joint responsibility and concern. The Personnel Board shall provide oversight and guidance to the Personnel Director in the development and maintenance of personnel policies and regulations.

c. The Board shall meet annually in July and organize by the choice of a Chair and Vice-Chair. The Board shall meet at least monthly, except when there is no business before the Board. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

d. The Personnel Board shall maintain records of all employees subject to this Plan as it deems desirable, including personnel evaluations. Such records are to be kept by the Personnel Director or his/her delegatee, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the Board.

e. The Personnel Board shall from time to time, but no less often than every federal Election Year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

f. The Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information. Approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.

g. Matters of concern by SAP employees that are communicated in writing to the Chair of the Personnel Board will be scheduled on an agenda at the next available meeting providing all necessary and requested information has been submitted in time to be part of the meeting packet. In addition, notice in writing shall be forwarded to the concerned employee and respective Department Head within seven days of the Board's decision. Notwithstanding the foregoing, if the Personnel Board shall so request and the concerned employee and Department Head shall agree, a reasonable extension of these time periods may be granted.

h. Upon recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, the Board may authorize variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the Town, and to effectuate the basic intent of the Plan.

SECTION 17. EMPLOYEES AND THE PERSONNEL BOARD

a. All employees covered by this Salary Administration Plan shall have the right to request an appointment to confer with the Personnel Board on any matter of interest or concern to them that is covered by the Salary Administration Plan. The employee shall notify the Department Head in writing in advance of the desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

The Salary Administration Plan may be amended in the same manner that Town Bylaws may be amended. However, no amendment to the Plan shall be made until it has been presented to the Personnel Board and the Personnel Board has the opportunity to act on it. The Board of its own motion may propose an amendment to the Plan.

SECTION 19. SEVERABILITY PROVISION

In the event that any provision of this bylaw, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this bylaw.

SECTION 20: CLASSIFICATION SCHEDULE

SCHEDULE A: GRADED POSITIONS

4	$ 30.00	$ 62,400.00	$ 31.00	$ 64,480.00	$ 32.00	$ 66,560.00

SCHEDULE D: SPECIAL ADMINISTRATIVE AND SUPERVISORY POSITIONS

Police Lieutenant:

In addition to all the benefits provided employees under the SAP, he/she would be eligible for some additional benefits as provided members of Mass COP Local 167, the police union collective bargaining agreement.

As a result, a separate policy is adopted by the Southborough Select Board and enforced by the Southborough Police Department subject to change in conjunction with future collective bargaining agreements.

*Increases in salary for long term employees will be considered case by case by Personnel Board.

SCHEDULE E: LONGEVITY SCHEDULE: Full-Time Employees of Town of Southborough – Compensated annually on the anniversary of the employee's Start Date

After 5 years $400
After 10 years $600
After 15 years $700
After 20 years $850
After 25 years $1,000
After 30 years $1,200
After 40 years $1,500

, or do or act anything in relation thereto.

Proposed by: PERSONNEL BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The Personnel By-Law governs policies and pay structures for non-union employees.*

ARTICLE 5: To see if the Town will vote to raise a sum of money as may be necessary for the Town's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

SEE BUDGETS ON THE FOLLOWING PAGES

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:

Summary: *The article includes recommendations from both the Select Board and the Advisory Committee for the FY25 budget. Funding recommendations are noted in the individual recommendation columns for each department.*

ARTICLE 6: To see if the Town will vote to raise a sum of money as may be necessary for the Water Enterprise Fund's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

ENTER BUDGET EXCEL

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates and the fund's retained earnings, which supports all aspects of the department's operation. The funding for those capital items that are being leased/purchased for use by the Water Department, in whole or in part, are included in this budget.*

ARTICLE 7: To see if the Town will vote to transfer a sum of money from Water Retained Earnings for use in the FY24 Water Enterprise Fund budget, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article is intended to supplement the water revenue for the current fiscal year in the Water Enterprise Fund. FY24 has seen lower than expected water usage, and the use of retained earnings will complement the revenue from water rates and provide sufficient support for the Water Enterprise Fund.*

ARTICLE 8: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	Request	Levy	Receipts Reserved Ambulance/Other
A.	ROAD MAINT. & MISC STREET REPAIR	$650,000	$650,000	
B.	DPW TRASH TRAILER	$125,000	$125,000	
C.	DPW SIDEWALK TRACTOR W/ ATTACHMENT	$210,000		$210,000
D.	MOWER ATTACHMENT J DEERE TRACTOR	$ 20,000	$ 20,000	
E.	DPW CREW CAB SERVICE DUMP SUPERVISOR	$ 95,000	$ 95,000	
F.	AMBULANCE POWER STRETCHERS	$ 65,500	$ 65,500	
G.	FIRE PERSONAL PROTECTIVE EQUIPMENT	$ 20,000	$ 20,000	
H.	POLICE CRUISERS (2)	$150,000		$150,000
I.	FINN SCHOOL AIR CONDITIONING	$134,500		$134,500
J.	WOODWARD AIR CONDITIONING	$ 50,000		$ 50,000
K.	DEFIBRILLATORS - PARAMEDIC	$ 100,000		$ 100,000

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 9: To see if the Town will vote to apply for, accept, and expend Massachusetts Public Library Construction Program ("MPLCP") grant funds if approved, and vote to raise and appropriate or transfer from available funds the sum of $150,000, or any other sum if said MPLCP grant is approved, said sum to be expended by the Town for library assessment, planning, feasibility and/or design, or act in any manner relating thereto, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 10: Capital requiring borrowing

A. FIRE TOWER DEMO TRUCK

B. AMBULANCE A28

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 11: To see if the Town will vote to appropriate a sum of money for the payments of the capital lease agreements as described below:

	Equipment	Authorized Department	Source of Appropriation	FY25 Amount
A.	1 - Horton Type Ambulance	Fire Department	FY25 Capital Budget - Ambulance Fund	$57,191
B.	1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY25 Capital Budget - General Fund	$25,037
C.	1 - Pick Up Diesel F-350	Dept. of Public Works	FY25 Capital Budget - General Fund	$10,622
D.	1 - Fire Dept Chief Vehicle	Fire Department	FY25 Capital Budget - Ambulance Fund	$8,422
E.	Police Taser Program	Police Department	FY25 Capital Budget - General Fund	$19,455

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *The lease agreements for these vehicles were authorized by Town Meeting in 2021, and these are the third year of the lease payments. With the exception of the Fire Ambulance (5-year lease), all of the leases are for 7 years.*

ARTICLE 12: To see if the Town will vote to authorize payment from Fund 2261 – 9-11 Field Maintenance Revolving the sum of $45,000 for the FY24 principal and interest payment, and $45,000 for the FY25 principal and interest payment, for the May 2018 bond issuance for the resurfacing of 9-11 Field; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary:

ARTICLE 13: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $5,000 for the purpose of hiring consultants, engineers, water quality specialists, and/or environmental consultants by various Town departments, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article allows town departments, with the approval of the Select Board, to hire outside expertise when the need arises.*

ARTICLE 14: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article.*

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of $10,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE 16: To see if the Town will modify the intent of Article 18 passed at the Annual Town Meeting on April 9th 2018 which stated "Lundblad Field design & specialty consultant" to re-purpose to "Lundblad Field construction and upgrades", or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *The original article was to "fund research and design work including investigation of the membrane and other aspects of the property." As a balance of $46,411.00 remains the Town would like to utilize the residual funds for the construction of facility improvements, including, but not limited to, a community dog park.*

ARTICLE 17: To see if the Town will vote to raise and appropriate or transfer from any available funds a sum of money for the purpose of scanning historical Town Clerk documents, or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This Article funds the scanning of historically significant documents in the Town Clerk's office that cannot be scanned using in-house scanners due to the size of the documents and/or how they are housed. Community Preservation Act ("CPA") funds cannot be used for this expense because of a recent Department of Revenue ruling prohibiting use of CPA funds to scan documents unless the documents themselves are also physically preserved, and the relatively good physical condition of these documents does not warrant the extra expense of preservation. Examples of the types of documents to be scanned are records from the 1700s including minutes of the town's first town meeting in 1727 and all of the town's Revolutionary War and Militia related documents, records from the 1800s including Civil War Records, school, land and legal records, and records from the early 1900s including Citizen's Caucus, Cemetery records, and Jury and Voter lists. Additionally, approximately 55,000 pages of historically significant documents are currently being scanned at no cost through the Massachusetts Digital Commonwealth and we anticipate sending an additional 60,000 pages later in the year. These documents are being uploaded to the new website 01772history.org, along with a description of the historical significance of the document.*

ARTICLE 18: To see if the Town will vote to raise and appropriate, or transfer from available funds the sum of $150,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Capital Improvement and Planning Committee as requested, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE 19: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the ongoing maintenance of capital investments associated with outdoor recreational facilities. The Town's Director of Recreation shall recommend appropriate projects to the Recreation Commission. The Recreation Commission shall approve all expenditures under this article, or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 20: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for Fiscal Year 2025:

1. Immunization/Emergency Dispensing Clinic; $15,000.
2. Inspectional Services; $140,000.
3. 9-11 Field Maintenance; $100,000.
4. Wetland Protection; $30,000.
5. Hazardous Materials; $75,000.
6. CPR Classes; $6,500.
7. Community Garden; $3,000.

8. Recreation Programs; $500,000.
9. Tobacco Control Program; $4,000.
10. Golf Course Maintenance; $75,000.

, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH, SELECT BOARD, RECREATION COMMISSION, AND CONSERVATION COMMISSION
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This article approves the annual spending limits for revolving funds that are now authorized by Town by-law.*

ARTICLE 21: To see if the Town will vote to accept Massachusetts General Law Ch. 40, Section 3 to allow the Southborough School District to keep monies received from the rental of space in its schools. These monies may be expended by the Southborough School Committee for the purpose of upkeep and maintenance of any and all Southborough Public Schools with no further legislative body approval. The monies may accumulate from year to year, and shall not be considered to be part of the general funds unassigned balance, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 22: To see if the Town will vote to authorize the Northborough-Southborough Regional School District to establish a Stabilization Fund according to Chapter 71, Section 16G 1/2 of the General Laws for the purposes of funding capital items as identified in the Northborough-Southborough Regional School District Capital Plan, or do or act anything in relation thereto.

Proposed by: REGIONAL SCHOOL COMMITTEE
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 23: To see if the Town will vote to authorize the Southborough School District to establish a Special Education Stabilization Fund according to Section 24 of Chapter 218 of the Acts of 2016 for the purposes of establishing a reserve fund that can be used in future years for unanticipated or unbudgeted costs of special education, out of district tuition, transportation, and recovery high school tuition, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 24: To see if the Town will vote to accept the report of the Community Preservation Committee for the FY 2025 Community Preservation Projected Receipts and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as follows:

Estimated Surcharge Receipts (Based on Town Treasurer's Projections) ..... $ 447,844
State Match (Projected FY2024 State Match) ..... $ 64,905

Total Projected Revenue..... ... $ 512,479

Set Aside- Open Space
$51,275 to be set aside, held in the Community Preservation Open Space Reserve Account, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Set Aside – Historic Preservation
$51,275 to be set aside, held in the Community Preservation Historic Reserve Account, and spent in FY2025 or later years for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Set Aside – Community Housing
$51,275 to be set aside, held in the Community Preservation Housing Reserve Account, and spent in FY2025 or later years for the creation, preservation, and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act.

Set Aside Administrative Costs – Community Preservation Committee
$25,637 to defray the administrative and operating expenses of the Community Preservation Committee in FY2025 for the Community Preservation Administration Account

Set Aside – CPA Budgeted Reserve/Discretionary
$ 333,287 Reserved for FY25 Budgeted Reserve/Discretionary Account

, or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *The budget and set-asides are an annual requirement under the Community Preservation Act.*

ARTICLE 25: To see if the Town will vote to accept the report of the Community Preservation Committee for the FY2024 State Match Adjustment and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as follows:

Actual FY24 State Match Receipts..... $86,561
ATM2023 Projected FY24 State Match $82,596
FY24 State Match Adjustment ..... $ 4,035

Set Aside- Open Space
$403 to be set aside, held in the Community Preservation Open Space Reserve Account, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Set Aside – Historic Preservation
$403 to be set aside, held in the Community Preservation Historic Reserve Account, and spent in FY2025 or later years for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Set Aside – Community Housing
$403 to be set aside, held in the Community Preservation Housing Reserve Account, and spent in FY2025 or later years for the creation, preservation, and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act.

Set Aside Administrative Costs

$201– Community Preservation Fund to defray the administrative and operating expenses of the Community Preservation Committee in FY2024 in the FY2024 Community Preservation Administration Account.

$2,625.00 Reserved for FY24 Community Preservation Budgeted Reserve/Discretionary)
Summary: This article is to account for an adjustment to the state match from what was budgeted at 2023 ATM and the FY24 State Match received.

Summary: *This article is the Community Preservation Fund payment towards the FY2025 debt funding for the Restoration of the historic Southborough Town House as approved at ATM 2021.*

ARTICLE 30: To see if the Town will vote to appropriate $46,046 from the CPA Fund FY2024 Budgeted Reserve for the rehabilitation and restoration of historic Town records for historic purposes as requested by Jim Hegarty, Southborough Town Clerk. This consists of $45,046 in project costs and an additional $1,000 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on a project start of July 1, 2024, and to be completed by June 30, 2027 or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Southborough Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *Under the direction of Town Clerk Jim Hegarty said funds will be used for the restoration of historic Town documents dating back to the 1700's.*

ARTICLE 31: To see if the Town will vote to appropriate $211,232 from the CPA Fund FY2024 Budgeted Reserve for the construction of the final segment of Peninsula Trail requested by the Southborough Trails Committee for recreational purposes. This consists of $183,680 in project costs and an additional $27,552 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on a project start date of July 1, 2024, and to be completed by December 1, 2026 or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *Under the direction of Kathryn McKee, Chair of the Southborough Trials Committee (STC), and with Recreation Director Tim Davis as an advisor, said funds will be used for the installation of the boardwalk, footbridge, and other trail construction related tasks for "Bridging the Gap" Phase II of the STC Peninsula Trail Project.*

ARTICLE 32: To see if the Town will vote to appropriate $553,750 for the installation of a new irrigation system at the Southborough Golf Club, with $ 333,287 from the CPA FY25 Budgeted Reserve Account and $220,463 from the CPA Fund, as requested by the Southborough Golf Committee for the purpose of recreation. This consists of $475,000 in project costs and an additional $78,750 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on project completion by December 1, 2026 or funds to be returned to the CPA Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *Under the direction of Tony Schoener, Chair of the Southborough Golf Committee (STC), and with the golf course management company - New England Golf, overseeing the installation, said funds will be used for the installation of the new irrigation system to replace the existing 50+ year old system which is leaky, prone to failure requiring frequent repair, and time consuming to operate. A new system will reduce water consumption, provide improved coverage, and be more cost efficient. This article is the Community Preservation share of funding a total project amount of $603,750 offset by a $50,000 contribution from the Golf Course Revolving fund.*

ARTICLE 33: To see if the Town will vote to appropriate the sum of $96,115.13 for the use of the Board of Health to provide for substance abuse abatement activities following the Town's participation in the Statewide Opioid Settlements negotiated by the Massachusetts Attorney General, and to meet said appropriation the sum of $96,115.13 be transferred from Free Cash.

; or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary:

ARTICLE 34: To see if the Town will vote to authorize the Select Board under Clause (1) of Section 8 of Article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts to submit to the General Court a Home Rule Petition, accompanied by a bill for a special law relating to the Town of Southborough, to the end that legislation be adopted precisely as submitted. The General Court may make clerical or editorial changes of form only to the bill, unless after a public hearing the Select Board approves amendments to the bill before enactment by the General Court. The Select Board is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition. Said submission shall be accompanied by an attested copy of the motion and vote of the Town Meeting on this article.

Said bill shall make the following modifications to Ch. 447 of the acts of 1991: (a) Re-establish the office of Tree Warden as an appointee of the Select Board, supervised by the DPW superintendent; (b) dissolve the Public Works Planning Board of the town of Southborough; (c) replace "board of selectmen" with "select board" throughout.
The form and wording of said submission shall be determined by the Select Board in consultation with Town Counsel and the Town's representatives to General court.

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support (4-0-1)
Advisory Committee Recommendation:
Summary: *The Public Works Planning Board was created in 1991, and does not meet current expectations. The Select Board is officially the town's Tree Warden by the Special Act which has proven inefficient. The office of Tree Warden would be reinstated as an appointed officer of the Town.*

ARTICLE 35: To see if the Town will vote to establish a Public Works Advisory Committee by deleting Article I ("Solid Waste Disposal Committee") of the Town Code in its entirety and inserting the following into the Town Code:

Article XIII Public Works Advisory Committee

§9-52 Purpose

Because the Department of Public Works ("DPW") is a complex organization that consumes a significant portion of the Town's budget and directly impacts the life of every resident: planning, prioritization, coordination and communications with the residents is essential. The PWAC provides a focal point for and assistance with this complex function.

§9-52-A Establishment; Membership; Qualifications

Effective upon the dissolution of the Southborough Public Works Planning Board, there shall be a Public Works Advisory Committee ("PWAC"), which shall consist of five voting members and the non-voting ex-officio members identified below.

Each voting member shall be a resident of the Town and shall not be a Town officer or employee. Preferably at least 3 voting members should have significant relevant work experience and knowledge of activities undertaken by the DPW.

The voting members shall be appointed by the Select Board.

§9-52-B Appointments; Terms; Vacancies; Removal

Voting members shall be appointed for three-year terms. The initial appointments shall be two members for three years, two members for two years, and one member for one year, so as to establish overlapping terms.

Any voting member who shall remove from the Town, resign, or die shall cease to be a member. When notified that any voting member has failed to faithfully discharge his duties, or has failed without good cause to attend at least three quarters of the PWAC meetings held in any six-month interval: the Select Board shall promptly give notice, hold a hearing and determine whether such member shall be removed from the PWAC. In any case of a vacancy in the voting membership, the Select Board shall make every effort to, within thirty days, appoint a replacement for the balance of the unexpired term.

The ex-officio (non-voting) members have terms coincident with their employment and shall be: the Superintendent of Public Works and the Town Planner.

§9-52-C Organization; Meetings

The members shall select, from among themselves, a Chair, vice-Chair, and a Secretary.

The PWAC shall establish a regular schedule of meetings sufficient to complete its duties, but shall meet at least quarterly.

The PWAC shall ordinarily and preferentially meet in the Town, but may conduct meetings, investigations or inspections within the scope of its duties and authority anywhere, subject to standard Town travel budgets and policies.

The PWAC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.

All reports and recommendations of the PWAC made to the Town shall be voted by a majority of the voting members of the PWAC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the non-voting members.

§9-52-D Funding

The PWAC may incur expenses for consultants, communications, minute-takers and other purposes. Such expenses shall be from a separate line item under the DPW's budget, established by the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the PWAC, and be subject to the Town's policies for such expenditures.

§9-53 Functions and Definitions

The duty of the PWAC shall be to respond to requests for support from the Superintendent of Public Works, the Select Board, the Planning Board, the Advisory Committee, the Capital Improvement Planning Committee, and such other Town Entities as may be appropriate.

Further, PWAC shall also proactively evaluate, study, recommend, propose, and/or report on significant projects to be undertaken by the DPW.

The PWAC shall assume the functions of the former Green Technology and Recycling Committee that were assigned to the former Public Works Planning Board.

In this Article XIII, the phase "Town Entities" includes any Town board, committee, or agency of Town government, or subsidiary organization of any of these, whether statutory, elected or appointed.

In this Article XIII, the phase "Public Works Projects" includes projects conducted or planned to be conducted by the DPW, including but not limited to: road and sidewalk construction and maintenance; solid waste disposal (including operation of the transfer station, recycling and fees); cemetery operation; construction and maintenance of the water system (including conservation and fees); tree maintenance, removal, and replacement; public stormwater, and traffic management.

§9-54 Mission and Authority

The PWAC shall assist with establishing priorities and long-term planning for significant Public Works Projects. The PWAC may evaluate and/or develop options to be considered for Public Works Projects that significantly deviate from their plans in scope, expense, and/or schedule. The PWAC may assist in locating and/or evaluating the desirability of external (e.g., grant) funding for Public Works Projects.
The PWAC shall coordinate its work with the Advisory Committee, Capital Improvement Planning Committee, Planning Board, Trails Committee, and Recreation Commission as reasonably necessary.
The PWAC shall not manage or direct the Superintendent of Public Works, DPW employees, or projects.
The PWAC shall assist the Superintendent of Public Works to communicate plans for Public Works Projects and the status of such projects to residents (especially neighbors) at the earliest feasible time. It shall serve as a focal point for citizen concerns with Public Works Projects, and may conduct public hearings.

§9-54-A Other Agencies

The PWAC may meet with other governmental agencies to discuss opportunities for interoperation, efficiencies or other synergies. However, the PWAC does not have the authority to commit the Town to pursue such opportunities, which authority rests with the Superintendent of Public Works, other Town Entities, and/or their designees.

§9-55 Reporting

From time to time, as may be necessary, the PWAC shall report to the Superintendent of Public Works and/or the Select Board on its activities and such reports, studies, evaluations, recommendations, and/or proposals as it has initiated or have been requested of it.
From time to time, as may be necessary, the PWAC shall report to the Town Meeting.

§9-56 Interpretation

The section headings and numbering of this Article XIII are for convenience and shall not be construed to modify the interpretation of the article.
In this Article XIII, the masculine forms (including "his", "he", and "him") are used inclusively to refer to any person regardless of gender or sexual orientation.
In this Article XIII, terms are defined in quotation marks within parenthesis, and their uses are indicated by capitalization. The definition of each such term applies to its use in the entirety of this Article XIII, whether or not the definition appears before such use.
In this Article XIII, the word "will" is to be interpreted as descriptive of an outcome or process and not as an imperative; the word "shall" is to be interpreted in the imperative sense of "must" or "is required to"; while the word "may" is to be interpreted in the permissive sense of "optionally", or "has discretion whether or not to". ADD SUNSET PROVISION?

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *Replaces the Special Act-chartered Public Works Planning Board with a Town standing committee when the PWPB dissolves as initiated by Article 28.*

ARTICLE 36: To see if the Town will vote to add a new **§ 174-10.3** to the Town of Southborough's Zoning Bylaws, amend the zoning map, amend certain other sections to integrate the new section into the current zoning bylaw, and make any minor modifications to the text required for consistency with the existing format of the bylaws.

Add the following definitions to § 174-2. Definitions.
B. Definitions
Add definitions here if the Town would prefer them to be in the main section rather than the MCMOD zoning. The current definition of Lot is similar, so I retained the Town's. The Town's definitions of Dwelling, Multifamily, Dwelling Unit, and Open Space were sufficiently different, so I left those in. See § 174-10.3.C.

Add the following text to: § 174-3. Districts enumerated.
N. MBTA Communities Multi-family Overlay District, referred to as MCMOD.

Add the following text to:§ 174-10. Site plan approval

A. The purpose of the site plan review procedure is to encourage a desirable and compatible character of development within the Town of Southborough and to assure safety, promote logic, imagination and innovation in the design process while complying with all zoning requirements. The requirements of this section shall be applicable to the following:

(6) All multi-family development with more than 10 units within the MCMOD (§174-10.3).

Add the following text to:§ 174-12.1. Outdoor illumination

(3) LZ-2: moderate ambient lighting

(a) Areas of human activity where the vision of human residents and users is adapted to moderate light levels. Lighting may typically be used for safety and convenience, but it is not necessarily uniform or continuous. After curfew, lighting may be extinguished or reduced as activity levels decline.

(b) Zoning District: Business Village, **MCMOD**

Add the following section:

§ 174-10.3: MBTA Communities Multi-family Overlay District

A. Purpose

The purpose of the MBTA Communities Multi-family Overlay District (MCMOD) is to allow multi- family housing as of right in accordance with Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A). This zoning provides for as of right multi-family housing to accomplish the following purposes:

(1) Encourage the production of a variety of housing sizes and typologies to provide equal access to new housing throughout the community for people with a variety of needs and income levels;

(2) Support vibrant neighborhoods by encouraging an appropriate mix and intensity of uses to support an active public space that provides equal access to housing, jobs, gathering spaces, recreational opportunities, goods, and services within a half-mile of a transit station.

(3) Locate housing within walking distance of public transit [and downtowns or town centers] to promote general public health, reduce the number of vehicular miles travelled, support economic development, and meet community-based environmental goals, including reducing greenhouse gases and improving air quality.

(4) Preserve open space in a community by locating new housing within or adjacent to existing developed areas and infrastructure.

(5) Support public investment in public transit and pedestrian- and bike-friendly infrastructure.

(6) Increase the municipal tax base through private investment in new residential developments.

B. Establishment and Applicability

This MCMOD is an overlay district having a land area of approximately 53.9 acres in size that is superimposed over the underlying zoning district (s) and is shown on the Zoning Map.

(1) **Applicability of MCMOD.** An applicant may develop multi-family housing located within a MCMOD in accordance with the provisions of this § 174-10.3.

(2) **Underlying Zoning.** The MCMOD is an overlay district superimposed on underlying zoning districts. The regulations for use, dimensions, and all other provisions of the Town of Southborough's Zoning Bylaw governing the respective underlying zoning district(s) shall remain in full force, except for uses allowed as of right or by special permit in the MCMOD. Uses that are not identified in § 174-10.3 are governed by the requirements of the underlying zoning district(s).

(a) The requirements of § 174-10.13.2 Major residential development do not apply to the MCMOD.

(b) The requirements of § 174-10.13.3 Lower impact development may be used as a component of site plan review under § 174-10.3.J, but the Planning Board may not require a separate special permit for a multifamily use within the MCMOD.

(c) The requirements of § 174-10.13.4 Water resource protection may be used as a component of site plan review under § 174-10.3.J, but the Planning Board may not require a separate special permit for a multifamily use within the MCMOD.

(3) **Sub-districts.** The MCMOD contains the following sub-districts, all of which are shown on the MCMOD Boundary Map: Subdistrict A and Subdistrict B.

C. **Definitions.**
For purposes of this § 174-10.3, the following definitions shall apply.
(1) **Affordable unit.** A multi-family housing unit that is subject to a use restriction recorded in its chain of title limiting the sale price or rent or limiting occupancy to an individual or household of a specified income, or both.

(2) **Affordable housing.** Housing that contains Affordable Units as defined by this § 174-10.3.

(3) **Applicant.** A person, business, or organization that applies for a building permit, Site Plan Review, or Special Permit.

(4) **Area Median Income (AMI).** The median family income for the metropolitan statistical region that includes the Town] of Southborough, as defined by the U.S. Department of Housing and Urban Development (HUD).

(5) **As of right.** Development that may proceed under the Zoning in place at time of application without the need for a special permit, variance, zoning amendment, waiver, or other discretionary zoning approval.

(6) **Development standards.** Provisions of § 174-10.3: G. General Development Standards made applicable to projects within the MCMOD.

(7) **EOHLC.** The Massachusetts Executive Office of Housing and Livable Communities, DHCD's successor agency.
(8) **Multi-family housing.** A building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building.

(9) **Multi-family zoning district.** A zoning district, either a base district or an overlay district, in which multi-family housing is allowed as of right.

(10) **Open space.** Contiguous undeveloped land within a parcel boundary.

(11) **Parking, structured.** A structure in which vehicle parking is accommodated on multiple stories; a vehicle parking area that is underneath all or part of any story of a structure; or a vehicle parking area that is not underneath a structure, but is entirely covered, and has a parking surface at least eight feet below grade. Structured Parking does not include surface parking or carports, including solar carports.
(12) **Parking, surface.** One or more parking spaces without a built structure above the space. A solar panel designed to be installed above a surface parking space does not count as a built structure for the purposes of this definition.
(13) **Residential dwelling unit.** A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking. and sanitation.

(14) **Site plan review authority.** Town of Southborough Planning Board.

(15) **Sub-district.** An area within the MCMOD that is geographically smaller than the MCMOD district and differentiated from the rest of the district by use, dimensional standards, or development standards.

(16) **Subsidized Housing Inventory (SHI).** A list of qualified Affordable Housing Units maintained by EOHLC used to measure a community's stock of low-or moderate- income housing for the purposes of M.G.L. Chapter 40B, the Comprehensive Permit Law.

D. Permitted Uses
(1) **Permitted Uses are as follows:** The following uses are permitted as of right within the MCMOD. (a) Multi-family housing.

(2) **Accessory Uses.** The following uses are considered accessory as of right to any of the permitted uses in Section D.1. (a) Parking, including surface parking and parking within a structure such as an above ground or underground parking garage or other building on the same lot as the principal use.

(b) Customary home occupation.

(3) **Prohibited uses.** All uses which are not listed above, legally nonconforming or otherwise allowable by the provisions of the zoning regulations, are prohibited.

E. Development standards are as follows:

Table of Dimensional Standards. Notwithstanding anything to the contrary in this Zoning, the dimensional requirements applicable in the MCMOD are as follows:	**Subdistrict A** *Area 6A* *Area 6B* *Area 6C*	**Subdistrict B** *Area 7* *Area 21*
Standards		
(a) Minimum lot area	25,000	43,560
(b) Minimum frontage	125	200
(c) Minimum setbacks		
(i) Front	30	Area 7 75* Area 21 50*
(ii) Rear	35	50
(iii) Side	15	50
(d) Maximum height	2.5 stories or 35 feet	3 stories of 45 feet
(e) Maximum floor area ratio	0.3	0.6
(f) Maximum dwelling units per acre	15.0	15.0

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation:
Advisory Committee Recommendation:
Summary:

ARTICLE 37: To see if the Town will vote to amend the Town Code to add Downtown District to Chapter 174 - Zoning as follows:

- Schedule of use regulations – 174-8.C(5) after Business Village District.
- Signs – 174-11 (D) – sign regulations next to Business Village
- Signs-174-11.E [1] [a] after Business Village District.
- Signs-174-11.E [1] [b] after Business Village District.
- Signs-174-11.E [2] [a] after Business Village District.
- Signs-174-11.E [2] [b] after Business Village District.
- Signs-174-11.E (d) [1] after Business Village District.
- Signs-174-11.E (d) [2] after Business Village District.

➢ Outdoor Illumination – 174-12.1.E (3) (b), and Table 1 under LZ-2 add Downtown District below Business Village

➢ Landscaping – 174-13.A(3) as follows:

(3) Exceptions.

The requirements of this section do not apply to developments or renovations in the Business Village District and the Downtown District. However, the Planning Board may require landscaping as part of the site plan or special permit application within the Business Village District and Downtown District.

And anywhere else in the code where the Business Village District is referenced and appropriate.

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary:

ARTICLE 38: To see if the Town will vote to amend Chapter 174 of the Town Code to include an expiration for special permits as required by MGL c. 40A Section 9 as follows:

In Chapter 174 Section 9 – Special Permit Requirements, to add after the sentence ending with "...or destructive of property values therein." the following clause: "Unless otherwise designated by this chapter, if the rights authorized by a special permit are not exercised within two years from the date of grant thereof, they shall lapse, and a new petition, notice, and hearing will be required for their reestablishment. The applicant shall be granted a single one-year extension by applying in writing to the special permit granting authority at least 30 days prior to the date when the special permit is due to lapse. An extension will only be granted for good cause and/or at the discretion of the special permit granting authority."

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD

Advisory Committee Recommendation:
Summary: *This article would amend the Zoning Bylaw to comply with MGL c. 40A Section 9, which requires bylaws to provide a specified period of time in which special permits will lapse.*

ARTICLE 39: To see if the Town will vote to delete in its entirety Chapter § 9-2 of the town code "Meetings prohibited on Election Day, or when Town offices are closed due to weather or other emergency" and replace it with:

§ 9-2 Meetings prohibited on Election Day, or when Town offices are closed due to a weather or other emergency

A. If the Select Board or their designee announce that all Town offices are closed due to a weather or other emergency, any scheduled public meeting shall be cancelled. However, public meetings may be held if the meeting is held in an online format where the public may observe the meeting. A previously scheduled in-person only meeting may be changed to an online format by submitting a revised agenda to the Town Clerk. If a meeting is cancelled, the Town Clerk shall post notice of the cancellation on the Town website.

B. This prohibition will not apply to emergency meetings held to address weather or other emergencies as defined by the Attorney General.

C. No board, committee or commission shall schedule a meeting on the day of any Town, state or federal election.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *This Article modifies the existing town code to allow meetings to be held when town buildings are closed to the public due to a weather or other emergency, if the meeting is held in an online format where the public may observe the meeting*

ARTICLE 40: To see if the Town will vote to accept MGL Ch 41 S 19 K as follows:

"In any town, that accepts this section, a town clerk who has completed the necessary courses of study and training, and has been awarded a certificate by the Massachusetts Town Clerks' Association as a certified Massachusetts municipal clerk, shall receive as compensation from such town, in addition to the regular annual compensation paid by such town for services in such office, an amount equal to 10 per cent of such regular annual compensation, but not more than $1,000 per year. In order to qualify for such additional compensation, a town clerk shall submit to the board of selectmen of such town proof of the award of such certificate. The additional compensation provided in this section shall be prorated for any 12 month period in which an eligible person does not hold the office of town clerk for 12 consecutive months. Such additional compensation shall discontinue when certification is discontinued or withdrawn."

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This Article accepts the Massachusetts General Law that provides an annual $1,000 stipend to a town clerk who obtains certification as a Massachusetts Municipal Clerk. Only 31% of Massachusetts town clerks have the required experience, have taken the required continuing education courses and passed the 250 - question examination required to earn this certification.*

ARTICLE 41: To see if the Town will vote to amend Town Code § 9-25 Meeting minutes, by deleting it in its entirety and replacing it with:

Each board, committee, or commission shall provide minutes for each of its meetings to the Town Clerk within 45 days of the meeting. Minutes shall be kept by the Town Clerk for a period as required by applicable state law.

A. Minutes shall indicate whether they have or have not been approved by the board, committee or commission when submitted to the Town Clerk.
(1) Minutes that have not been approved at the time of their receipt shall be labeled "Draft."
(2) The Town Clerk shall log the receipt of all minutes and the Town Clerk shall post minutes on the Town website.

B. Minutes shall be submitted in a manner consistent with the Open Meeting Law (MGL c. 30A, § 22), and the Attorney General's Open Meeting Law Guide, and must include:
- the date, time and place of the meeting;
- the members present or absent;
- the decisions made and actions taken, including a record of all votes;
- a summary of the discussions on each subject;
- a list of all documents and exhibits used at the meeting; and
- the name of any member who participated in the meeting remotely.

C. Minutes submitted to the Town Clerk shall include, as reasonably possible, copies of all documents, exhibits, and electronic files of any audio or video presentations used at the meeting, including items created by the board members, or by others allowed to make presentations at the meeting.

(1) The term "used at the meeting" shall mean a document, exhibit, audio or video presentation that was (1) identified by name, (2) present at the meeting, and (3) discussed at the meeting.
(2) If copies of documents or other exhibits used at the meeting cannot be provided due to the physical nature of the exhibit (e.g., size of the exhibit, etc.), the specific filing location of the document or exhibit shall be identified.

D. The last page of the minutes shall include a section labelled Documents Used at This Meeting and shall list the names of each document that was used at the meeting.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support (5-0-0)
Advisory Committee Recommendation:
Summary: *This Article clarifies the existing requirements for board, committee, or commission ("the board') meetings to maintain minutes and documents used at meetings. This Article adds the requirement that any audio or video presentation that a board allows to be displayed at a meeting be retained, regardless of who created the presentation. This Article also adds the requirement that the last page of the minutes includes a section labelled "Documents Used at This Meeting" with a list the names of each document that was used at the meeting. A recent review of minutes submitted to the town clerk revealed several instances where no documents were submitted by the board.*

ARTICLE 42: To see if the Town will vote to petition the General Court for the passage of special enabling legislation authorizing the Town to authorize, issue and sell pension obligation bonds to finance the Town's unfunded pension liability to the Worcester Regional Retirement System, fund any necessary reserves, and all other costs associated therewith, which special enabling legislation shall be in such form as the Select Board shall approve; or do or act anything in relation thereto.

Advisory Committee Recommendation:
Summary:

ARTICLE 48: To see if the Town will vote to accept the provisions of M.G.L. c. 59 §5, Clause Twenty-two H (inserted by Chapter 218 of the Acts of 2018, known as An Act Relative to Veterans' Benefits, Rights, Appreciation, Validation, and Enforcement ("BRAVE Act")), signed into law August 28, 2018, which provides for a property tax exemption for real estate as follows: to the full amount of the taxable valuation of the real property of the surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who: (i) during active duty service, suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death; (ii) are missing in action with a presumptive finding of death as a result of active duty service as members of the Armed Forces of the United States; provided, however, that the real estate shall be occupied by the surviving parents or guardians as the surviving parents' or guardians' domicile; and provided further that the surviving parents or guardians shall have been domiciled in the Commonwealth for the 5 consecutive years immediately before the date of filing for an exemption pursuant to this clause or the soldier or sailor, member of the National Guard or veteran was domiciled in the Commonwealth for not less than 6 months before entering service. Surviving parents or guardians eligible for an exemption pursuant to this clause shall be eligible regardless of when the soldier or sailor, member of the National Guard or veteran died or became missing in action with a presumptive finding of death; provided, however, that the exemption shall only apply to tax years beginning on or after January 1, 2019. Such exemption shall be available until such time as the surviving parents or guardians are deceased. No real estate shall be so exempt which has been conveyed to the surviving parents or guardians to evade

taxation. To be effective for exemptions granted for any fiscal year beginning on or after, July 1, 2024; or do or act anything in relation thereto.

Proposed by: BOARD of ASSESSORS
Select Board Recommendation: Support (4-1-0)
Advisory Committee Recommendation:
Summary: *The local adoption of clause 22H will expand the real estate exemption benefits for Gold Star parents or guardians. Gold Star families are those that have lost an immediate family member serving in the United States armed forces during any period of war or hostilities in which the armed forces of the United States were engaged.*

ARTICLE 49: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale of the 21 Highland St. property until January 1, 2028. It is agreed that the sale or transference of the property could be detrimental to the town until the following factors are resolved: There is currently a new school project being contemplated with an unspecified school price tag that could range as high as 60-100 Million dollars at his moment. The process of planning and building a new school could take another 3 or more years to complete. There is currently 300 408 housing units likely to be built in the next 3-5 years, and the MBTA community Act currently threatens the town with another potential 750 units of multifamily zoning by right, so in the next 3+ years to come the town could lose control of housing development in many areas of the town (there are 3800 housing units in the town currently, the total new burden could add a possible 26% population increase). Although it is unrealistic to expect the full number of units, the current school estimates do not take all of these factors into account, nor can we accurately project numbers with confidence having no control over the zoning, unit type, or building process. There is no current organizational model or plan to mitigate the possible cost or space need effects upon town departments, and no current plan for town space needs if this rapid population growth occurs. The current space need plans are dependent upon the premise of building a new school, a historically neutral residential development plan, and turning over one of the current schools to general town use for multiple departments currently inhabiting other buildings, including Recreation, Family and Youth services (both in the 21 Highland property), Building Permit departments, senior center, and Facilities (all in the Cordaville hall building), who have all have been recommended in the space needs plan to vacate their current locations (and to move to Finn currently). If there is a problem with the plan (example: No new school, or other factors as high population growth), selling the 21 Highland St. property could leave the town with little recourse except to sign commercial leases for homeless departments, potentially making the town long term dependent upon the private real estate market fluctuations, and/or possibly build space, adding to town costs. A new school is currently not approved, but selling these properties could be used as financial incentive and space need leverage to coerce support for one, knowing the sale could instigate leases and costs created by a premature property sale and vacating actions by those departments. There is minimal financial risk to delaying a sale of the property for several years. There is a greater financial risk to selling the property prematurely if the building could better serve the short, middle, or long term interests of the town given the current factors facing the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Support (0-5-0)
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

ARTICLE 50: To see if the Town will vote that the Town hereby resolves to own and rehab the current 21 Highland St. property for town, community, and/or rental use, using CPC and other bond allocations to fund the project when needed. The surrounding property will remain open for community use regardless of building use. It is required that the Select Board carry out the will of this resolution, and have a plan in place by the next town Meeting with the understanding that the citizenry will not entertain a proposal to dispose of the property till the year 2033. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Support (0-5-0)
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

ARTICLE 51: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale the 21 Highland St. property until January 1, 2030. It is agreed that the citizenry prefers to tastefully retire use of the building at 21 Highland St., and keep the building at 21 Highland St. property owned by the town if or when departments housed wherein should move to other locations and there is no reason to keep the building in use. At such time, the 21 Highland St. building interior will be "Mothballed", the exterior of the windows protected with tasteful covers, the roof and exterior sealed, so the building will keep in a relatively preserved state til it should be desired for future use again, remodeling or demolition by the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Support (0-5-0)
Advisory Committee Recommendation:
Summary: *This is a citizen's petition.*

ARTICLE 52: To see if the Town of Southborough will vote to raise and appropriate or transfer from available funds a sum of $289,414.00 to the Police Department Budget, #210 for the purpose of hiring four full-time dispatchers to provide coverage 24/7, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation:
Advisory Committee Recommendation:
Summary: *Over the past two and a half years the Town has been exploring joining a Regional Emergency Communications Center (RECC). Now is the time to address the immediate need. This is NOT a clerical job. Dispatchers provide critical emergency communication services to Police, Fire, EMS, Public Health, DPW, School Departments, Building Departments, Youth and Family Services, Senior Services, Recreation, State Police, Court, Commonwealth of Mass. Properties, Dam, MBTA Station,9-11 Field, Reservoir trails, Businesses and private non-profits.*Select Board Packet, March 7, 2023, Office of the Select Board, the original intent of looking at Regional Emergency Communications Center (RECC) was not for financial purposes for Southborough. There has been consensus that maintaining 1 dispatcher per shift is not acceptable. However, there have been questions raised about the costs. Three different scenarios of future dispatch costs with assumptions outlined in memo. * Select Board Meeting Minutes, December 19, 2023, III.i.ii. Chief Achilles & Chief Newell recommendation for maintaining current model Chief Newell and Chief Achilles shared their findings on enhancing the current dispatch operation system. "The Chiefs state that whether or not the Town chooses to regionalize, the immediate need is to add four full-time dispatchers to provide coverage 24/7."*

ARTICLE 53: To see if the Town of Southborough will vote to raise and appropriate, or transfer from available funds a sum of $119,372.00 for the purpose of covering the Employee Benefits for the additional four full-time dispatchers, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation:
Advisory Committee Recommendation:

Summary: *These Employee Benefits funds for the additional four full-time dispatchers will be applied to the Employee Benefits Budget, #910, as standard practice in Southborough.*

ARTICLE 54: The Citizens of Southborough hereby resolve that, any petition to the CPC for funding for a project, asset, or service on private land, or for private benefit and use, being not town owned or operated, should require a 2/3 majority passing vote tally for approval at Town Meeting; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.

Hi Mark,

Here are the two additional warrant articles. Let me know if you have any questions.

Thanks,
Greg

Article: Mold Mitigation Funds for Finn Elementary School
Proposed by: PreK-8 Southborough School Committee

To see if the Town will vote to appropriate the sum of $87,970.01 for the use of the K-8 Southborough School Committee to pay for mitigation related to mold at Finn Elementary School, said appropriation in the sum of $87,970.01 to be transferred from Free Cash.

Article: Lease and Power Purchasing Agreement
Proposed by: PreK-8 Southborough School Committee

To see if the Town will authorize the Select Board to lease all or a portion of the roof of Trottier Middle School located at 49 Parkerville Road for a term of 10-20 years, upon such terms and conditions as are acceptable to the Select Board, to a solar energy provider to construct, maintain, and operate a solar facility on the property and to enter into a power purchase agreement with the solar energy provider; and further, to authorize the Select Board to grant an easement to National Grid to install, maintain, operate, repair, reinstall, or replace any utilities required for interconnection to the solar facility project.

RE: FY25 Budget Status

Please see attached the current summary for FY25 recommended budgets.

The current model indicates a 7.45% estimated tax rate increase. In contrast to the prior two years, most of the residential value shift has run it's course and is no longer a material consideration. This current model carries all the Departmental requests at the high end, meaning any new staff are incorporated into the requests (4 FT Dispatchers, 1 new Lieutenant, 1 new Officer, 1 new DPW engineer).

Levy Capacity Used: $2,445,028 (54%)
Local Revenue Increased: $280,000 (6.7%)
Local Aid Increase: $37,374 (1.1%)

Please see items of note:

REVENUES

- Free cash: Designated to fund opioid aid expenses and an additional six capital and budget articles. The remaining amount is used as a source of funds for the operating budget.

- Ambulance Fund is now utilizing entire revenue capacity. With the recent rate change requested by the Fire Chief and subsequently approved next year there may be additional revenue available for appropriation.
- Projecting out to FY27, levy capacity is fully exhausted and FY27 indicates a shortfall of -$1,123,308

EXPENSES

- Benefits budget: Retirement assessment received and was within $3,040 of estimate. Additionally built into the budget are 4 new plans for additional new Town staff. If any combination of new staff exceeds or is less than four the budget will have to be adjusted. Final health renewal rates may not be available until possibly after Town Meeting.
- The Police Department has potential staffing requests on the table comprising 4 dispatchers, a new Lieutenant, and a new Officer. Additionally the Department of Public Works is seeking an engineer position. The Town had this in the past but through restructuring the position was contracted out.
- The debt service budget for FY25 is approximately $200,000 higher. This is due to some new permanent loans that came online for FY25 for projects previously approved.
- In general most Town Departments are requesting increases between 3-6% year over year. Much of this is salary increases however there has been a general rise in supply and material costs.
- Capital equipment requests did increase approximately one million this year. Although every effort is made to have the capital plan set up to avoid large swings, this year due to several reasons (for example ARPA FY24 funding of several items) the dollar increase was more pronounced.
- No capital items to date have been removed and re-positioned to ARPA funding, however this discussion will likely take place.
- Assabet FY25 Assessment: Southborough has added three additional students and the budget reflects the need to return to pre-COVID-19 staffing and educational service levels. It also brings two grant-funded positions back into the budget.
- K8 has a current increase of 5.18% and the Regional assessment has an increase of 3.97% however they are requesting some needed capital that totals approximately $149,000. Additional lull time equivalent staffing requests are 10.16 for K-8 and 3.36 for the Region. Challenges in this year's budgets are the phaseout of ESSER funding, materials costs, transportation costs, and expected insurance increases.

Should you have any further questions please do not hesitate to contact me by e-mail or phone.

REVCAP
RECAP to FY27

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, January 30, 2024 6:30 PM
Location: Training Room; Public Safety Building; 32 Cordaville Road, Southborough, MA
Present: Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers and Town Administrator Mark Purple, Assistant Town Administrator Vanessa Hale. Kathryn Cook appeared via ZOOM.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:33 PM.

II. Public Comment

Susan and John Crawford, 7 Cottage Street, appeared before the Board to request that the Board address drainage issues caused by the recent road reconstruction near their home. They shared two videos and Mrs. Crawford read a prepared statement for the Board and public.

III. Scheduled Appointments *(Board may vote)*

a. Continued discussion of Warrant articles

Mr. Dennington shared his approach to the review of the Warrant with the Board.

i. Barry Rubenstein, Personnel Board Chair

Mr. Dennington stated that Mr. Rubenstein is unable to attend tonight's meeting and the Board will discuss Article 4 at its February 6th meeting.

ii. Jen Hansen and Tim Davis, Recreation Commission Chair and Recreation Director

Ms. Hansen appeared via ZOOM and Mr. Davis appeared in person before the Board to discuss Articles 14, 17 and 18. Mr. Davis provided background on efforts to construct a dog park at Lundblad Field. He stated Article 14 seeks to repurpose engineering funds to be used as the Town's 10% construction grant match. Mr. Hamilton asked what the original purpose of the funds was. Ms. Hansen stated that the original purpose of the funds was to investigate the feasibility of future use. Ms. Cook asked what is the plan for the field. Mr. Davis stated that 40% of the field would be used for the dog park with the remaining area used as a full-sized field for Town use. Mr. Davis stated that the grant is time-sensitive, as it is no longer available in one year. Mr. Cundiff stated that the Massachusetts Department of Environmental Protection (DEP) contacted him to inform him there are documents missing for the proper closure of the landfill under Lundblad Field and he is working to locate those documents. Mr. Hamilton asked about the balance in the engineering fund. Mr. Davis stated the balance in the account is $46,411. Mr. Dennington suggested a brief summary would be helpful to attendees at Town Meeting for clarity. Mr. Davis stated that Article 17 seeks to establish a Recreation Maintenance Fund of $25,000 for FY 25 for preventative maintenance and resting of fields outside of general maintenance costs.

iii. Paul Cibelli, Principal Assessor

Mr. Cibelli appeared before the Board to discuss Article 44. Mr. Cibelli stated this article relates to the local adoption of a State real estate exemption for Gold Star families. The Board discussed Article 44.

iv. Jim Hegarty, Town Clerk

Mr. Hegarty appeared before the Board to present Articles 15, 33, 34 and 35. Mr. Hegarty stated that Article 15 authorizes funds to be spent to copy documents that cannot be done in house. He

stated the amount of the request had been reduced and he will know that number next week. Mr. Hegarty stated that Article 33 allows for meetings to take place virtually if there is inclement weather or an emergency. Mr. Hegarty stated that Article 34 allows for a stipend for Town Clerks who obtain a certificate from the Massachusetts Town Clerks Association. Mr. Hegarty stated that Article 35 deals withthe Town deadline for minutes and a requirement to include a document list. Mr. Tim Litt (148 Woodland Road) commented that speech to text might be useful for minute takers.

v. Authorize ZBA article for extension of special permits to be sent to Planning Board

The Board discussed the article. Mr. Stivers requested language that describes granting of extensions for Special Permits be changed from "shall" to "may." Mr. Dennington moved that the Select Board send the ZBA Article (**Article 32**) providing for extensions for Special Permits to the Planning Board with the recommendation that the word "shall" in the current draft be changed to "may." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye; Mr. Dennington, aye (5-0-0).

vi. Don Morris, Tricentennial Committee Chair

The Board heard Scheduled Appointments vi. after Scheduled Appointments iii. Mr. Morris and Ms. Hale appeared before the Board to discuss Articles 37 and 38. Ms. Hale stated Article 37 seeks to create a fund to receive monies for the Tricentennial Celebration and Article 38 seeks $30,000 in seed money for the Tricentennial Celebration. Mr. Morris stated the Tricentennial Committee has done extensive research to determine the amount needed for seed money and described various events the Committee is considering. Ms. Cook asked if the Tricentennial Committee would be soliciting funds. Mr. Morris stated that they would. Ms. Cook offered to work with the three private schools to coordinate efforts. Mr. Stivers stated the School Dept. expressed an interest in participating in the Tricentennial Committee. Mr. Litt advised the Board and public that if public art is considered, it is an undertaking that requires considerable time and money.

The Board took a recess at 8:10 PM and resumed meeting at 8:24 PM.

Mr. Dennington moved that the Board support **Articles 1, 2, 3, 9, 10, 11, 13, 16 and 27** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye; Mr. Dennington, aye (5-0-0).

Mr. Dennington moved that the Board support **Article 14** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved that the Board support **Article 44** at Town Meeting. Mr. Hamilton seconded the motion. The motion was approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, no; Ms. Landry, aye; Hamilton, aye (4-1-0).

Mr. Dennington moved to support **Article 34** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 35** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 37** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 36** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 31** at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Mr. Dennington moved to support **Article 28** at Town Meeting. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, abstain; Mr. Hamilton, aye (4-0-1).

The Board discussed Article 29 and decided to include a sunset clause. Mr. Litt stated that he is not supportive of adding a sunset clause for the newly created Public Works Advisory Committee (PWAC). The Board discussed the matter. Mr. Dennington moved to add a 10-year sunset provision to the draft Article 29. Mr. Hamilton seconded the motion. The motion was approved by roll call vote: Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye; Ms. Cook, no (4-1-0).

The Board discussed Mr. Palmer's Citizens' Petitions, Articles 45, 46 and 47. Mr. Dennington stated that Town Counsel's position is that these articles should not be removed from the Warrant, as other individuals have signed the petitions. Mr. Dennington moved to support **Articles 45, 46 and 47** at Town Meeting. Mr. Stivers seconded the motion. The motion unanimously failed by roll call vote: Mr. Dennington, no; Mr. Stivers, no; Ms. Landry, no; Mr. Hamilton, no, Ms. Cook, no (0-5-0).

The Board discussed Articles 48 and 49. The Board agreed to address these articles further at their joint meeting with the Advisory Committee on February 13th. The Board also agreed to send any typographical errors on the Warrant to Mr. Purple for editing the draft Warrant.

IV. Reports

a. Chair's Report

i. Report of MMA Annual Meeting

Mr. Dennington reported that he recently attended the Massachusetts Municipal Association's Annual Meeting. He stated that the proposed Municipal Empowerment Act would provide efficiencies for municipalities. Mr. Purple stated that State Aid has increased approximately $30,000 over FY24. He also stated that he spoke with a representative from Massachusetts Housing Partnership who suggested that having a committee solely focused on affordable housing issues might be a more effective structure for achieving the Town's goals. He also stated he spoke with an arborist who provided timely information regarding tree issues in municipalities.

b. Member's Report

i. Atwood Update

Mr. Hamilton stated that samples have not yet been taken from the site, due to weather conditions, and he expects a decision to be made on the article for Town Meeting within the next two weeks.

ii. Alternative affordable housing sites

Mr. Hamilton stated he is exploring other sites for affordable housing. He stated he remains committed to increasing the Town's affordable housing stock.

c. Town Administrator's Report

i. Regional Dispatch: Update on Westborough RECC

Mr. Purple reported that the Westborough Select Board has chosen the old Harvey Building as the new site for the Regional Emergency Communications Center. He stated they have offered to give a tour of the site and engage with Southborough if the Town is interested. Mr. Hamilton stated it makes sense to explore this new avenue. Mr. Stivers suggested communicating with Hopkinton for informational purposes.

V. Consent Agenda

a. Approve Open Session meeting minutes: January 16, 2024; January 23, 2024

Mr. Stivers requested to hold Consent Agenda item "a." **January 16, 2024 minutes:** Mr. Stivers had scrivener's changes to Lines 134 and 204. Mr. Dennington moved to approve the January 16, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0). **January 23, 2024 minutes:** Mr. Stivers had ten edits to the minutes and sent a written copy to Ms. Hale detailing the edits. Mr. Dennington had an edit to Line 24. Mr. Dennington moved to approve the January 23, 2024 Open Session Meeting Minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

b. Approve Job Description for Junior Civil Engineer

c. Appoint Johanna Sheyner as Recreation Commission representative to 21 Highland Committee, term to expire 6/30/24

d. Appoint Kevin Miller as Historical Commission representative to 21 Highland Committee, term to expire 6/30/24

e. Approval of 2024 Warrant for Presidential Primary; March 5, 2024

f. Accept donation in the amount of $25 to the Library from Bonnie and Brian Rennell

Mr. Dennington moved to approve Consent Agenda items "b", "c", "d", "e" and "f." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

VI. Other Matters *(Board may vote)*

VII. Public Comment

There was no public comment.

VIII. Executive Session

Mr. Dennington moved to enter the Board into Executive Session, per M.G.L. Chapter 30A, Section 21, at 9:15 PM and did not return to Open Session to consider the purchase, exchange, lease or value of National Grid parcel 54-60, as the Chair determined that an open meeting may have a detrimental effect on the Town's position (Exemption 6). Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Ms. Cook, aye; Mr. Dennington, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

Upcoming Meetings

DRAFT

TOWN OF SOUTHBOROUGH
OPERATIONAL POLICIES AND PROCEDURES

Area of Concern: Senior Property Tax Work-Off Program

Policy: Senior Property Tax Work-Off Program

Date Approved: April 29, 2014
Modified: _____, 2024

Policy Statement

Since Fiscal Year 2000, the Town of Southborough has offered a program to senior homeowners to trade volunteer work hours in town departments for a reduction of their property tax bill. Effective July 1, 2024, the maximum amount of the reduction increased from $1,500 to $2,000 per fiscal year. The main purpose of this program is to assist seniors who are having difficulty with increasing property tax bills. The town benefits by providing various town departments with the ability to accomplish tasks for which they lack staff, or to free up full-time employees to focus on other tasks, or to provide needed office coverage. Given the popularity of the program over the past years and the limited number of spaces that can be accommodated, the Town gives preference to those applicants with household incomes under $45,000.

In the past, seniors have worked at the Senior Center, Library, Assessor's Office, Town Clerk's Office, Selectmen's Office, DPW, Building, Conservation, Planning, and in various schools. Examples of the types of work done in the past include: data entry, organizing the swap shop at the transfer station, receptionist at town hall, office assistant in various offices, assisting in classrooms at the schools, and building maintenance. The Town will also try to match any special areas of expertise that a senior might bring to the appropriate department.

Policy Description

1. Responsible Department

The Senior Center is the Town department that manages the Senior Property Tax Work-Off Program. The Senior Center Director coordinates with the Assessors Department to validate information provided by the resident to prove qualifications. Assessors are responsible for making sure there is adequate funding in the town's overlay reserve fund to support this program.

2. Qualifications for Participation

The program year runs from the first week of April to the end of the following February. The applicant may complete a set number of hours, not to exceed a net reduction of $2,000. The maximum number of hours to be worked is calculated by dividing $2,000 by the current Massachusetts minimum wage hourly rate. Each program year is considered separate and

distinct from the prior year, and therefore applicants repeating the program must re-apply annually.

To qualify for the program, an applicant must::

- Be 60 years of age or older at the time of application;
- Be a Southborough resident;
- Own and occupy the property to which the tax credit will be applied

3. Submission requirements and deadlines

Applications will be available in March at the Senior Center, the Assessor's Office, and on the Town of Southborough's website (www.southboroughma.gov). Applications will be accepted at the Senior Center beginning in early April. The individual who will perform the work must either submit his/her own application in person or have another individual who is not applying for the program bring in the application on their behalf.

In addition to a completed application, applicants must provide the following documents:

- a copy of the tax bill for the property to be abated
- *if total household income is under $45,000:* proof of income from Social Security, pensions, and investment income
- a completed W-4 form

This information should be placed in a sealed envelope which will be reviewed by the Assessor's Office for verification of income and residence and will be held in a locked file at that office in complete confidence. The Town urges all interested seniors to apply regardless of income. If less than 30 applications are received, the income requirement will be waived. All applications will be numbered in the order received, with those who have household incomes of under $45,000 being prioritized. Those with a household income of over $45,000 will be considered in the order in which they were received if all 30 slots have not been filled. Applicants must reapply each year in order to be considered. The application process will close two weeks after sign-up so participants can begin work. Applications received after that date will be considered to fill slots as available.

4. Filling of available positions

Several of the Southborough town departments will offer positions requiring varying skills. Participants will be accepted on a first come, first served basis provided the applicants are deemed qualified for the work by the department personnel. If you are placed in one of the 30 available slots, then you will be matched with an available position. If an available match is not found by June 1, then the applicant will be removed from the list and the Town will move to the next available qualified applicant.

If a participant is accepted, but unable to complete the number of hours within the required time period, the Town reserves the right to replace that participant with another applicant from the

waiting list to complete the remaining available hours. Participants will receive a tax reduction consistent with the number of hours they were able to complete.

5. Applicability of Payment/Tax Reduction

The $2,000 tax reduction will not be paid directly to the participant. The $2,000 *(less any federal taxes and Medicare taxes withheld)* will be applied to the last quarterly tax bill in April as a reduction to the real estate tax. This program is not considered regular employment and any work completed is not eligible for unemployment benefits.

Per Massachusetts Law Chapter 184, Section 52 of the Acts of 2002, the property tax reduction earned by the taxpayer under this program is not considered income or wages for the purpose of state tax. However, the amount is subject to federal and Medicare taxes. Upon completion of the program, a check will be issued by the town and applied to real estate taxes. Upon the end of the calendar year, this benefit will be transmitted to the IRS and a W-2 Form will be issued to the participant. It will be the participant's responsibility to report this on their annual tax filing.

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, February 27, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Assistant Town Administrator Vanessa Hale. Present via ZOOM: Al Hamilton. Absent: Town Administrator Mark Purple

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:32 PM.

II. Public Comment

Ms. Bonnie Phaneuf, 179 Middle Road, asked for clarification on how the budget would address the potentially vacant space in the Public Safety Building, given there is an immediate need in Town for dispatch services.

Mr. Robert Warden, 27 Atwood Street, read a prepared statement into the public record on behalf of twenty-five residents near the property. He stated the abutters are opposed to the transfer of the Atwood property to the Affordable Housing Trust Fund (AHTF) and are opposed to the development of the Atwood parcel. He stated there has been no engagement with the abutters by the Town and he urged the Town to abandon its efforts to pursue the Atwood property for affordable housing.

III. Scheduled Appointments *(Board may vote)*

a. Q2 Financial Review – Finance Director, Town Accountant

Mr. Brian Ballantine, Finance Director and Ms. Carla McAuliffe, Town Account appeared before the Board and presented the Q2 Financial Review. Mr. Ballantine discussed revenues in the report and Ms. McAuliffe discussed expenses in the report. Ms. McAuliffe stated there had been one Reserve Fund transfer in the amount of $87,970 for mold mitigation at the Finn School and she noted more Reserve Fund transfers are expected. Mr. Stivers asked if the ARPA-related audits had concluded. Ms. McAuliffe stated there is one final claim that will be submitted after Town Meeting. Ms. Cook stated that public information sessions on the Neary School Building project would be held on February 29th and March 11th and encouraged the public to attend. Mr. Ballantine stated that the outstanding budget issues between the Board and the Advisory Committee are: the golf course, the police budget, the DPW Town Engineer position and DPW road monies. Ms. Phaneuf inquired about the balance in the Cemetery Trust Fund. Ms. McAuliffe stated she would provide that information.

b. Interview/appoint Rajani Kumari to the Cultural Arts Council; term to expire February 27, 2026

Mr. Dennington heard Scheduled Appointments “b” before Scheduled Appointments “a.” Ms. Kumari introduced herself to the Board. The Board interviewed Ms. Kumari. Mr. Dennington moved to appoint Rajani Kumari to the Cultural Arts Council, term to expire February 27, 2026. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

c. Trails Committee request to expend ARPA funds for Peninsula Trail project

Ms. Kathryn McKee, Chair of the Trails Committee appeared before the Board on the matter. Ms. McKee requested that the Trails Committee expend $76,000 of the $144,000 in allocated ARPA funds for engineering services for the Peninsula Trail project. The Board discussed the impact and timing of

work on the project. Ms. Landry asked about the line item for geotechnical services. Ms. McKee stated that Terracon would provide geotechnical services, pro bono, but the amount for geotechnical services was included in the estimate, should any issues arise. Ms. Cook moved to allocate $90,000 in ARPA funds designated for the Peninsula Trail for the Trails Committee to use, per the proposal from Beals & Thomas. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

IV. Reports

a. Chair's Report

Mr. Dennington reported that he and Mr. Stivers attended last night's Planning Board meeting on the MBTA Communities Act. He stated the Planning Board finalized the warrant article language and briefly discussed the recommended overlay districts. He stated the warrant article would be available for the Board's review by the Board's March 4th meeting.

b. Member's Report

There were no Member's Reports.

c. Town Administrator's Report

Assistant Town Administrator Hale provided an update on the Fire Chief search process and stated interviews would begin early next week. She also reminded the public that early voting is taking place on the first floor of the Town House and continues Wednesday, Thursday and Friday from 8 AM-5 PM.

V. Consent Agenda

a. Approve Open Session meeting minutes: February 6, 2024; February 13, 2024

Mr. Stivers requested to hold Consent Agenda item "a." **February 6, 2024:** Mr. Stivers requested the following changes to the minutes: Line 62 and 63: clarification that the total cost of the project was $603,750 and the CPC's portion of the project was $553,750. Lines 88 and 90: clarification as to the correct article numbers. Line 121: Mr. Stivers had scrivener's changes. Line 148: change to "will set water rates"; Line 168: add "water" after tiered. Mr. Dennington moved to approve the February 6, 2024 Open Session Meeting Minutes, as amended and to approve the February 13, 2024 Open Session Meeting Minutes, as written. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

b. Approve Common Victualer license for Braza Pizzeria & Wings LLC; 5 Turnpike Road

Mr. Dennington requested to hold Consent Agenda item "b."

c. Approve Common Victualer license for Eros Gourmet Pizza; 162 Cordaville Road

Mr. Dennington requested to hold Consent Agenda item "c." Mr. Dennington moved to approve Consent Agenda items "b" and "c", contingent upon a successful Board of Heath inspections. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

d. Approve revised job description for Civil Engineer

e. Approve MSBA SOI for Trottier School

Mr. Dennington requested to hold Consent Agenda item "e." Ms. Rebecca Pellegrino appeared before the Board, via ZOOM, to inform the Board that the Massachusetts School Building Authority (MSBA) requires the following specific motion as part of the Statement of Intent (SOI) for Southborough's application for funds to replace the Trottier roof.

Ms. Cook moved the following: Resolved: Having convened in an open meeting on February 27, 2024, prior to the SOI submission closing date, the Select Board of Southborough, in accordance with its charter, by-laws, and ordinances, has voted to authorize the Superintendent to submit to the

Massachusetts School Building Authority the Statement of Interest Form dated February 2024 for the P. Brent Trottier Middle School located at 49 Parkerville Road which describes and explains the following deficiencies and the priority category(s) for which an application may be submitted to the Massachusetts School Building Authority in the future for replacement of the EPDM and shingled roof systems under Priority #5. The replacement of the 90,000 square foot roof system is necessary due to its age, ruptured seams, punctured membrane, and water damage; and hereby further specifically acknowledges that by submitting this Statement of lnterest Form, the Massachusetts School Building Authority in no way guarantees the acceptance or the approval of an application, the awarding of a grant or any other funding commitment from the Massachusetts School Building Authority, or commits the Town of Southborough to filing an application for funding with the Massachusetts School Building Authority. Mr. Stivers seconded the motion. Mr. Hamilton asked if the roof design was flawed. Ms. Pellegrino stated her understanding was that the roof that was installed during the renovation was not a commercial grade roof and led to a host of current issues. The motion was approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

f. Vote to dissolve the Community Center Exploration Committee

g. Approve 2024 Arbor Day Proclamation

h. Approve Executive Session Meeting Minutes: October 24, 2023

Mr. Dennington requested to hold Consent Agenda item "h." He stated he has edits that will be discussed in Executive Session.

i. Approve and release Executive Session Meeting Minutes: October 26, 2023; January 2, 2024

Mr. Dennington moved to approve but not release at this time the Executive Session Meeting Minutes from October 26, 2023. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington moved to approve and release the Executive Session Meeting Minutes from January 2, 2024. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

Mr. Dennington moved to approved Consent Agenda items "d", "f" and "g." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

VI. Other Matters *(Board may vote)*

a. March 23, 2024 Annual Town Meeting

Mr. Dennington heard Other Matters "a" after Reports.

i. Discussion of warrant articles

Article 49 – transfer of the Atwood site (former water tower site) to the Affordable Housing Trust Fund for the purposes of affordable housing. Mr. Dennington acknowledged that this article has not received the robust discussion it deserves and he stated his support for removing the article from the warrant for consideration at Town Meeting. He clarified that the scale of any potential development at the Atwood site was always intended to be small in scope and in keeping with the existing neighborhood. He stated he feels the Board should not abandon its interest in the site for potential affordable housing and should keep the neighborhood and abutters well informed on any progress. Mr. Hamilton stated that efforts have been centered on determining if it is possible to develop the site and stated he recently learned that the site is contaminated with lead paint. He stated he would meet with DPW Superintendent Cundiff to understand the steps necessary for mitigation and he fully supports removing this article from the warrant. He stated that he and Ms. Landry are scheduled to meet with an abutter tomorrow at 2 PM at the site and invited any other interested residents to attend. Mr. Hamilton also stated that the Board did not discuss the Atwood site at its Executive

Meetings referenced by Mr. Warden earlier in the evening. Mr. Stivers and Ms. Landry expressed their support for withdrawing the article from the warrant. Mr. Dennington thanked Mr. Hamilton for his continued efforts to push forward with increasing the Town's affordable housing stock and shared that development of any affordable housing opportunities happens slowly. He acknowledged that the number of potential projects presently under consideration by the Town could be overwhelming for residents to stay abreast of. Mr. Dennington stated he would like the Board to reconsider the structure of the Affordable Housing Trust Fund Committee. He also updated those in attendance and the public that the Town is no longer pursuing the South Union School site for potential affordable housing and that St. Matthew's Church has expressed an interest in purchasing the building for use as a Montessori School and basketball court. He stated that the 21 Highland Street Future Use Committee will be considering potential uses for the 21 Highland Street property, as well. Mr. Dennington discussed the future of the Neary School and the interrelated nature of subsequent decisions for the Town. Ms. Cook described the decision tree relative to the Neary School and the impact on other Town decisions. Ms. Phaneuf shared her involvement in previous affordable housing efforts and stated engagement with the abutters and community is critical to the success of building affordable housing units. She also added that it is important to disclose the number of units intended to create in the warrant, as boards/committees change over time. Dr. Destin Heilman, 7 Harris Drive, stated the importance of sharing the plan prior to any property purchase or transfer. He stated he is concerned that transferring the property into the AHTF eliminates Town Meeting oversight. He also stated that, with regard to the type of project discussed at the Atwood site, there is disconnect between Town boards/committees and it creates a lack of trust among the abutters. Mr. Dennington thanked the audience and public for a thoughtful discussion on the warrant article. He urged the public to read the Community Center Exploration Committee's final report for an understanding of the interrelated nature of future decisions the Town will make. Mr. Carl Alvidi, 22 Atwood Road, asked how the lead issue would be addressed. Mr. Hamilton stated he is meeting with DPW Superintendent Cundiff tomorrow to determine that information and all information will be shared in public and with the abutters. He also noted there were no detectable PCBs found at the site. Mr. Alvidi asked if the water supply had been affected. Ms. Landry stated that PARE testing had concluded that lead was found in the soil between 12-24 inches. Mr. Stivers stated that the Town's water comes from the MWRA so there would have been no impact. Mr. Hamilton stated that he would share the letter regarding the soil testing with Mr. Alvidi and asked that he share it with the neighborhood. Dr. Heilman asked if additional testing downhill from the water tower is necessary. DPW Superintendent Cundiff stated that the full scope of the issue is not known at this time and additional testing would be conducted. He stated that lead was found at the 12-24 inch depth because grading was necessary when the water tower was removed. Mr. Dennington moved to withdraw from the draft warrant Article 49, the transfer of the Atwood Road property to the Affordable Housing Trust Fund. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

The Board took a recess at 8:09 PM and resumed meeting at 8:16 PM. Mr. Dennington heard the Consent Agenda at this time.

ii. Board positions on remaining articles

Ms. Cook stated that Mr. Cundiff and Mr. Jason Malinowski, Chair of the Capital Planning and Improvement Committee, support reducing the Roads budget from $650,000 to $450,000. The Board discussed reducing this line item. Ms. Cook moved to amend the Capital budget to reduce it by $200,000 specifically allocated to the Road funds. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr.

Stivers, aye; Ms. Landry, aye (5-0-0). Ms. Cook stated she does not recommend discussing the Town Engineer position until the Advisory Committee has met with Superintendent Cundiff on the matter and the Board agreed. The Board discussed the Police budget. Ms. Cook stated that the Advisory Committee is recommending a level service funded budget that includes $25,000 to study the staffing impact of adding body-worn cameras. The Board discussed funding and timing for a police staffing study, which would also include a staffing study of dispatch services. Ms. Phaneuf asked for clarification regarding the study. Ms. Cook stated it would be a department-wide study and funding for the study would be included in the police budget. Ms. Phaneuf stated she supports Chief Newell in his determination that the lieutenant position is needed to address the administrative issues created by adding body-worn cameras to the department. She stated that there is a demonstrated, immediate need to add dispatchers and she called on the Board to do as a matter of public safety. Ms. Landry asked why the Advisory Committee does not support adding positions to the Police Department. Mr. Pfaff stated that the Advisory Committee does not feel it has enough information to make an informed decision about adding the positions. He also stated it has been 20 years since a professional study was undertaken on police department staffing and having updated information would allow a decision to be made at Fall Town Meeting. Ms. Cook moved to support the Advisory Committee's recommendation for the Police Department budget for FY25, removing $25,000 from the budget and use previously certified Free Cash so it would be available the next day. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Hamilton, no; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (4-1-0). Ms. Phaneuf asked for clarification as to whether any dispatchers were included in the budget. Ms. Cook stated there are no dispatchers in this budget. She stated if dispatchers were approved at Fall Town Meeting, they would be funded immediately. Mr. Dennington moved that the Board support Articles 6 and 7 at Town Meeting. Mr. Stivers seconded the motion. The motion failed by roll call vote: Mr. Hamilton, aye; Mr. Dennington, no; Ms. Cook, no; Mr. Stivers, no; Ms. Landry, abstain (1-3-1). Mr. Dennington made a motion to move Article 56 for consideration after Article 7 in the Warrant. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). The Board agreed to take a position on this article at Town Meeting after discussion has occurred. Mr. Dennington moved that the Board support Articles 8 and 9 at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington moved that the Board support Articles 10 and 12 at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington moved that the Board remove Article 50 (CPC funds to the AHTF) from the Warrant. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington moved that the Board support Article 25 at Town Meeting. The motion failed by roll call vote: Mr. Hamilton, no; Mr. Dennington, aye; Ms. Cook, no; Mr. Stivers, no; Ms. Landry, aye (2-3-0). Mr. Dennington moved that the Board support Article 41 at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington moved to remove Article 46 (establishing the Tricentennial Fund) from the Warrant. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington stated that CPC Chair Ben Smith had informed him that there were some language changes to the CPC articles, as voted by the CPC on Saturday, but Mr. Dennington stated those changes did not adversely affect the Board's previous votes of support. Mr. Dennington also stated that the CPC had also voted

to include a Memorandum of Understanding (MOU)/guideline for recipients of CPA funds. The Board agreed they would meet with the CPC in April to discuss a host of issues relating to CPA funds.

b. Southborough budget requests for FY25 State budget

Mr. Dennington stated that Rep. Donaghue is seeking budget requests in the range of $25,000-$100,000 for potential funding in the FY25 State budget. The Board listed the following potential requests: Recreation Dept. ADA improvements, updating the McAuliffe Hearing Room and Senior Center for hybrid meeting capabilities and the Willow Street culvert.

c. Discussion of Right of First Refusal for Northboro Road parcels

Mr. Dennington heard Other Matters "c" after Scheduled Appointments "c." Mr. Dennington stated that on February 5, 2024, the Town received notice from Johnson Cambell Realty, Inc. that they intended to sell two parcels and notified the Town of their Right of First Refusal (ROFR) with regard to the parcels. Mr. Dennington also stated he had received a letter from the Planning Board in which they recommended the Board respond to the seller that the offer was not compliant with Chapter 61A and ask the seller to revise its offer using a per parcel price. Town Counsel Jay Talerman appeared before the Board, via ZOOM, on the matter. Atty. Talerman explained the offer, the impacts of Chapter 61A status, timelines for decision-making and potential options for the Board's consideration. Mr. Stivers asked if the Town could exercise its right to purchase a portion of one of the parcels. Atty. Talerman stated that the Town could not make that request and the present offer is the sale of two parcels. He also stated that the Town could purchase a 61A property and then change its use designation. Ms. Cook stated she is not in support of purchasing the parcels, supports exercising the Town's ROFR and supports informing the seller of the Town's decision. Mr. Dennington stated that the price is high and he is concerned how the Town would pay for the acquisition. Mr. Hamilton recused himself from the matter, as a relative is an abutter. Ms. Lisa Braccio, Planning Board member, appeared via ZOOM. She stated the Board has a unique opportunity and requested that prior to making any decisions, the Board engage the opinions of other stakeholders in Town on the matter. She asked that the Board send the letter indicating the offer is not bona fide. Mr. Andrew Pfaff, 50 Oak Hill Road and Chair of the Advisory Committee, stated he is supportive of hearing from stakeholders in Town and suggested adding an article to the Town Meeting warrant to approve the potential purchase in the interest of efficiency. The Board discussed the offer and discussed holding a public hearing on the matter to obtain resident and stakeholder opinions on the matter. Atty. Talerman stated that the Board has 120 days from the date of receipt of the offer to exercise its ROFR. Mr. Frank Flaherty, 17 Leonard Drive, asked if the Board could determine the size of a land required for affordable housing and make an offer based on that information. Mr. Dennington stated that there is a purchase and sale agreement in place and the decision before the Board is whether to exercise its ROFR. Mr. Dennington moved that the Board send the owner the letter drafted by Atty. Talerman that is included in tonight's packet. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Hamilton, abstain; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, no (3-1-1).

VII. Public Comment

Mr. Tim Litt, 146 Woodland Road, reminded the Board of its previous interest in deleting the Consumer Advisory Commission from the Town Code. Ms. Cook stated that could be addressed at Fall Town Meeting.

Ms. Meme Luttrell, Chair of the Planning Board, informed the Board that passage of the MBTA Communities zoning bylaw requires a simple majority vote by Town Meeting and not a two-thirds vote, as was previously thought.

VII. Adjournment

Mr. Dennington moved to adjourn the meeting at 9:19 PM. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

Upcoming Meetings
March 4, 2024 (Monday meeting) *March 19, 2024*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

REVISED AGENDA

I. Call Meeting to Order

II. Public Comment

III. Scheduled Appointments *(Board may vote)*
- a. Q2 Financial Review – Finance Director, Town Accountant
- b. Interview/appoint Rajani Kumari to the Cultural Arts Council; term to expire February 27, 2026
- c. Trails Committee request to expend ARPA funds for Peninsula Trail project

IV. Reports
- a. Chairman's Report
- b. Members' Reports
- c. Town Administrator Report

V. Consent Agenda
- a. Approve Open Session Meeting Minutes: February 6, 2024; February 13, 2024
- b. Approve Common Victualer license for Braza Pizzeria & Wings LLC; 5 Turnpike Road
- c. Approve Common Victualer license for Eros Gourmet Pizza; 162 Cordaville Road
- d. Approve revised job description for Civil Engineer
- e. Approve MSBA SOI for Trottier School
- f. Vote to dissolve the Community Center Exploration Committee
- g. Approve 2024 Arbor Day Proclamation
- h. Approve Executive Session Meeting Minutes: October 24, 2023
- i. Approve and release Executive Session Meeting Minutes: October 26, 2023; January 2, 2024

VI. Other Matters *(Board may vote)*
- a. March 23, 2024 Annual Town Meeting
  - i. Discussion of warrant articles
  - ii. Board positions on remaining articles
- b. Southborough budget requests for FY25 State budget
- c. Discussion of Right of First Refusal for Northboro Road parcels

VII. Public Comment

VIII. Adjournment

Quarter Report BOS
Revenues and Expenses
Quarter 2 FY2024

Dear Honorable Board,

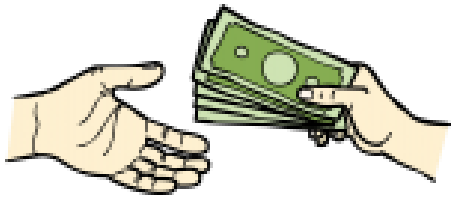
Please see the attached power point which indicates points of interest for the quarter. After discussing the format of these regular quarterly reports, we are trying a new way to present a higher level overview of the quarter and current financial topics to be aware of. We will still send budget detail reporting via email to the Board and Advisory prior to the meeting but due to the volume of these reports we will not make that part of our discussion or include the report in the meeting packet. Any questions on the detailed data is of course welcome.

The amount of reporting we present for each quarter may fluctuate – for example the June 30th report will typically be longer than others. However, there may be quarters where unique events or reporting occur which may expand our report. The Town Accountant and Finance Director will continue to meet with the Advisory Chair and the Select Board financial liaison before each meeting to facilitate questions and address any issues we may have to further focus on.

Of course, we welcome any feedback from the Board or Advisory to improve any issue or to ensure smooth communication.

Brian Ballantine, Finance Director T/C

Carla McAuliffe, Town Accountant



FY24 Q2 Finance Report

FEBRUARY 27, 2024

FY24 Q2 Revenues

- Motor vehicle excise (largest source of revenue): Down $278,392 from FY23 to date. Part of reason is bill timing. Note: 1st bill of the calendar year was $200K higher than last year – stay tuned for Q3 report on this.
- PILOT funds lower year to date: Timing difference (NECC received in January not December).
- Building Fees: Down $85,607. Two large permits were received last year for projects that were not replicated this year.
- Dump sticker revenue – increase of $60,000. The Board will continue to review the level of general fund subsidy to offset expenses annually.
- Investment income: Increase of $128,000. Interest rates have risen this past year. This is general fund only – we also have several other funds that earn interest separately i.e. water, CPA, school lunch, etc.
- All other general fund fees are reasonably in line with prior year – smaller revenue sources such as police detail and ZBA had strong increases.
- Water revenue down $508K (wet summer). Rate adjustment will be voted early March by the Board for FY25 bills.

FY24 Reserve Fund / Transfers

- So far this year one transfer for $87,970 approved 2/13/2024 for Finn mold mitigation

Potential Transfers:

- (145)Treasurer/Collector – Training $TBD (New Employee – may not require any funds but will know better end of Q3).
- (176)ZBA – Additional staff hours required due to 40B projects amount TBD.
- (136)Audit – Additional OPEB audit work $TBD max of $2,000 (Plan changes, the added time to collect the census data & report revisions).
- (220)Fire -SCBA grant matching provision $30,000
- (220)Fire- Tower repair $40,000
- (160)Election/ TC – Additional election costs - TBD. Did receive some funds from the State in February ($1,564 to offset early voting costs).

In FY23 we had a turnback of the full $180,000 - in FY24 that will not be the case.

FY24 Q2 Expenses

- The only line in the budget that is currently over the $15K threshold is Fire replacement equipment which is due to the SCBA matching grant.
- (155) IT - is looking within budget and intends to cover any line overages within their budget through June 30th.
- (192) Operations Support- overall energy costs and maintenance costs are on target. At this time, no transfers are anticipated.
- (210) Police- we are looking at OT which fluctuates from week to week due to staff changes, illness, vacations.
- (220) Fire- we are monitoring OT and expenses. There are many moving parts this year due to staffing changes and equipment costs.
- (400) DPW- will realize some salary savings due to a retirement and currently the non-salary lines are in good shape.
- (400-423) Snow and Ice – So far this season storms have been minimal. Through 2-24-24 have spent 64.6% of the budget. Last year we spent a total of 79.0% of the budget.
- (910) Benefits – Trending at budget & not anticipating any large turnback.

Final Thoughts

- FY25 Budget being formulated – Some ARPA funding recently re-allocated. Town Meeting in approximately 3.5 weeks.
- DOR engaged in financial and policy review. Report and policies to be released May-June 2024.
- Annual audit and OPEB audit being finalized – will be completed later next month. Presentation will occur shortly thereafter.
- Large projects ongoing: Library, Neary/School Project, Community Center.

TOWN OF SOUTHBOROUGH

TRAILS COMMITTEE

17 COMMON ST · SOUTHBOROUGH, MASSACHUSETTS 01772
http://www.southboroughtrails.org

February 22, 2204

To: Select Board (SB)

From: Southborough Trails Committee (STC)

RE: ARPA Funds Spending Request for Peninsula Trail, Engineering Services

STC is requesting the Select Board to take a vote to expend STC ARPA funds for engineering services related to the Peninsula Trail project at the next Select Board meeting, 2/27/24. These funds were previously allocated to the project.

STC requested three (3) quotes from local engineering firms in 2022 and selected Beals and Thomas to do the work. The Beals and Thomas proposal is attached. STC is requesting that a vote include not only the approval to use the funds to cover the proposed cost but will also include the ability for the STC to use additional funds, beyond the proposed amount, to cover any unexpected, but reasonable costs, that may arise throughout the project.

STC is working closely with Tim Davis, Recreation Director, to oversee this project.

We appreciate the Select Board's time with this matter.

Please reach out with any questions.

Kind regards,

Kathryn McKee

Via: E-mail to kmckee@southboroughma.com

Reference: Proposal for Professional Services
Engineering Services for Elevated Boardwalk and Pedestrian Bridge
Near Rt. 30/Stony Brook Road
Southborough, Massachusetts
B+T Project No. M9140.00

Dear Ms. McKee:

Beals and Thomas, Inc. (B+T) is pleased to present this updated proposal for Engineering Services for an approximately 75' long elevated boardwalk and approximately 65' long pedestrian foot bridge as part of the Peninsula Trail (the Project). We are excited by the Town of Southborough's interest and commitment to improving this recreational amenity in the Town of Southborough.

This proposal is based on your RFP dated May 2023, our prior response to the RFP and our subsequent telephone discussions.

Specifically, we propose to provide the following services:

1.0 SCOPE OF SERVICES

1.1 Data Gathering

1.1.1 Regulatory Research

We will perform on-line research and research at the Southborough and Framingham municipal offices to obtain and confirm current local land use regulations. We anticipate that these will include regulations of the Planning Department, Conservation Commission and other relevant local regulations identified during our research.

We will perform an analysis of applicable regulations to identify potential land use and environmental permits/approvals associated with the proposed Project as well as zoning and wetland requirements. We will include local, state and federal regulatory reviews in this analysis. We will prepare a memorandum summarizing this regulatory research.

1.1.2 Topographic Survey

a. Wetland Resource Area Delineation
We will reconnoiter the Project area and identify and flag as applicable the boundary of wetland resource areas in accordance with local, state, and federal criteria as applicable. Based on a review of available information, we anticipate that the resource areas will include the following based on available desktop mapping: Bank and Bordering Vegetated Wetlands.

We will review readily available information, including topographic and historic mapping to evaluate whether the waterway represents a perennial stream with associated Riverfront Area that extends onto the property. If perennial, we will flag the mean annual high water associated with the river.

Vegetated wetlands will be determined by analysis of the plant communities and soils and demarcated with sequentially numbered flags. We will delineate and flag the boundary of bordering vegetated wetland (BVW) in the Project area, as well as other identified resource areas. The BVW will be determined by analysis of the plant communities and soils and located in accordance with the guidelines of the Massachusetts Wetland Protection Act with sequentially numbered flags. We will perform hand soil augers and vegetative transects at select locations within the BVW to document the delineation. At select locations as appropriate, we will also dig test pits by hand with a tile spade to further evaluate/document the soil profile.

For the purposes of this proposal, we have estimated that approximately 500 linear feet of resource area will need to be identified and flagged on the Project Site. We have budgeted for one day of field work to delineate the wetland boundaries. If the area is larger and additional time is needed, a budget extension will be requested.

We will prepare a memorandum summarizing the resource area boundaries identified on the Project Site.

Portions of the site have been identified as a FEMA designated flood hazard zone, elevation determined.

The limit of these various resource areas will be survey located for inclusion on the Topographic Plan.

b. Limited Field Survey
We will perform a limited topographic field survey of the approximately ½-acre Project area in accordance with 250 CMR 6.0. This survey will include the location of site improvements and sufficient spot elevations to establish the contours on the subject property at a one-foot interval. The location of trees (>6" DBH) and features such as stone walls will be located as part of the survey. If the site or portions of the site have been identified as FEMA designated flood hazard zones with elevations established, our mapping will identify these limits. We have budgeted for one day of field survey services.

c. Datum and Benchmarks
The topographic survey will be referenced to an established datum. A minimum of two benchmarks on the subject property will be established and indicated on the Topographic Plan.

d. Limited Topographic Plan
We will prepare a Limited Topographic Plan of the property at a scale of 1 inch = 20 feet. The plan will show the one-foot contour intervals, pertinent spot elevations, and the results of our topographic survey. We will include the location of wetlands and other information collected in accordance with the municipal wetland by-law.

1.2 Design and Permitting

1.2.1 Design Coordination
We will coordinate the final engineering designs and preparation of sitework construction documents with the Town. The sitework documents will incorporate the comments and requirements of reviewing agencies for the construction of the Project including appurtenant site improvements.

1.2.2 Geotechnical Engineering
We understand that the Town has been offered geotechnical services pro bono for this Project. As such, our team will utilize the geotechnical report provided to prepare the design. If it is determined that that the pro bono geotechnical services are not provided, we have included an optional cost for these services in the fee section of this proposal.

1.2.3 Structural Engineering
We will engage the services of a subcontracted structural engineer to prepare the design of helical piles to support the elevated boardwalk and the abutments on each side of the stream to support the pedestrian bridge. At this time, we anticipate that the boardwalk and bridge will be pre-fabricated structures provided by a vendor engaged directly by the Town.

1.2.4 Local Permitting

a. Permit Drawings
We will prepare a set of drawings to accompany the permit application(s) and we anticipate they will represent approximately 75% design completion and will include the following drawings:

- Limited Topographic Plan
- Site Plan
- Sitework Details

b. Notices of Intent
We will prepare and submit separate Notices of Intent for proposed site work to the Southborough and Framingham Conservation Commissions pursuant to the Massachusetts Wetlands Protection Act (the Act) and the applicable municipal wetlands bylaws. The Notices of Intent will address the proposed work within the buffer zone to wetland resource areas. The following services are included as part of the Notices of Intent preparation and submittals:

- Preparation of Notice of Intent and Stormwater Management forms
- Preparation of narratives that describe the Project and the relationship of the proposed work to the interests and performance standards of the Act and the municipal wetlands bylaw
- Coordination of the compilation of certified abutters lists and notification to the abutters for the filing of the Notices of Intent
- Copying and transmittal of submittal materials to the Towns
- Attendance at a site walk with each Conservation Commission or its representative
- Attendance at a public hearing with each Commission. We have provided an allowance of eight (8) hours for hearing preparation and attendance. If additional hearings are required, a budget extension will be requested.

1.3 Construction Documents

1.3.1 Design Coordination
We will coordinate the final engineering designs and preparation of sitework construction documents with the Owner and the remainder of the Project Team. The sitework documents will incorporate the comments and requirements of reviewing agencies for the construction of the Project including appurtenant site improvements.

1.3.2 Site Work Construction Drawings
We will refine the approved project Site Plan into construction level drawings. We anticipate that the Site Work Construction Drawings will be incorporated into the overall Project Construction Document set and will include the following drawings:

a. Limited Topographic Plan

b. Site Plan

c. Sitework Details

1.3.3 Sitework Technical Specifications
We will prepare a set of technical specifications for the site improvements depicted on the drawings prepared by our firm. Specifications will be prepared in CSI format using the AIA MasterSpec® product.

1.3.4 Bidding Assistance
We will assist with the preparation and distribution of Project bid documents as appropriate. We will attend Project pre-bid meetings to review the Project site work if required. We will answer questions and supply additional details and addenda to clarify the site work construction documents if necessary. We will assist in obtaining bids or negotiated proposals and assist in reviewing work packages for Project construction. We have budgeted four hours for Bidding Assistance services.

1.4 Construction Support Services
We assume the Project construction period to be approximately one month. This proposal includes an allowance of 16 hours for field representation and supporting office work as described below. If the Project requires effort in excess of this allowance, a budget extension will be requested.

1.4.1 Compliance with Permit Conditions
We will attend a meeting with the contractor to review applicable permit conditions. We will coordinate with the contractor and regulators as necessary to address conditions that require reports or other information to be provided to the various agencies.

1.4.2 Review of Submittals
We will review and approve or take other appropriate action upon Contractor's submittals such as site work shop drawings, product data, material mock-ups, samples, and other submittals for conformance with the design intent of the site work construction documents. We anticipate that soil or concrete material submittals will be received and reviewed by the Project geotechnical consultant or independent testing firm.

1.4.3 Construction Observations
We will make site visits as requested during important phases of site work construction. During these visits, we will become familiar with the progress and quality of the work and will determine, in general, if the work is proceeding in accordance with the contract documents and governmental approvals. We will issue written Construction Observation Reports to document each visit.

1.4.4 Punch List
As the Project nears completion, we will conduct a site visit to prepare a punch list of site work construction, and a follow-up site visit to determine whether the contractor has completed punch list items.

2.0 EXCLUDED SERVICES

The following are some of the services that are not included in this proposal, in addition to those that may be indicated elsewhere herein. We would be pleased to provide these and other additional services that may become necessary as the Project proceeds.

- Contract Review/Negotiation
- Preparation of quantity or cost estimates
- Substantial revisions to the Project, plans or other documents after initial direction by client including plan revisions necessary to comply with requests from municipal Boards or Commissions or their peer review consultants
- Assistance with appeals arising from issuance or denial of permits
- Additional permitting not described herein
- Compensatory flood storage design/calculations
- Preparation of multiple/sequential construction document packages
- Additional meetings
- Additional construction support services in excess of the hourly allowance
- As-built survey
- Preparation and filing of a Request for a Certificate of Compliance

3.0 SCHEDULE OF SERVICES

3.1 We will commence services upon receipt of an executed copy of this proposal. We anticipate that the services outlined in Section 1.0 through the filing of permit applications in Section 1.2.4 can be completed within six to eight weeks of the commencement date. This proposal is valid for 30 days from issuance.

3.2 Field work is weather dependent, and can be impacted by inclement weather or adverse site conditions that hinder investigations, such as lack of vegetation due to non-growing season, frozen ground, or snow cover.

4.0 FEES FOR SERVICES

All fees will be billed on a time and materials basis in accordance with the attached fee schedule.

4.1 The following is the **not-to-exceed** labor budget for the services outlined in Section 1.0, Scope of Services.

Section 1.1	Data Gathering	$9,500
Section 1.2	Design and Permitting	$37,750
Section 1.3	Construction Documents	$6,250
Section 1.4	Construction Support Services	$8,500
Total Not-to-Exceed Labor Budget		**$62,000**

4.2 Reimbursable expenses of approximately 10 percent of the labor fee should be anticipated.

Optional Services

Geotechnical Engineering Services	$14,000

4.3 External reimbursable expenses such as permit application fees, soil and water testing special consultants or subcontractors, reproduction, if incurred, will be in addition to the estimate of reimbursable expenses described above. We anticipate that you will provide checks to cover filing fees, and will address any peer review related fees directly with the Town.

As authorization to proceed and as approval of the estimated budget, please execute and return one copy of this proposal for our records.

We thank you for the opportunity to submit this proposal and look forward to providing services to the Town of Southborough Trails Committee for this Project.

Sincerely,

BEALS AND THOMAS, INC.

David J. LaPointe, RLA
Principal

BEALS AND THOMAS

FEE SCHEDULE

Effective January 1, 2024

Fees for Beals and Thomas, Inc. are based on the following time charges plus expense schedule. Invoices are due upon receipt. Beals and Thomas, Inc. retains all right, title and ownership interest in any and all plans, maps, charts, diagrams, models, specifications, studies, consultations, technical drawings, electronic files, and any other work products prepared on behalf of its clients ("Instruments of Service"). Beals and Thomas, Inc. grants to its clients a nontransferable and non-exclusive royalty-free license to use the Instruments of Service provided that payment for services rendered and expenses incurred is received in a timely manner. For all accounts remaining unpaid by the first of the month following the invoice date, Beals and Thomas, Inc. reserves the right to add a late charge of 1.50 percent per month or 18 percent per annum to each overdue invoice. This fee schedule may be revised periodically.

Time Charges

Rate Category	Hourly Rate
Senior Professional Staff I	$265.00
Senior Professional Staff II	$245.00
Senior Professional Staff III	$215.00
Senior Professional Staff IV	$200.00
Senior Professional Staff V	$180.00
Senior Professional Staff VI	$165.00
Professional Staff I	$155.00
Professional Staff II	$140.00
Professional Staff III	$125.00
Administrative Staff I	$85.00
Administrative Staff II	$50.00

Expert testimony in support of litigation and court appearances will be billed at a rate of $275.00 per hour.

Projects requiring OSHA trained personnel will be billed with a supplemental rate of $25.00 per hour in addition to the standard rate category.

Reimbursable expenses include transportation, delivery, printing costs, presentation materials, computer and field equipment, permit application fees, soil and water testing, police detail, special consultants, or subcontractors and similar costs directly applicable to the individual project. Reimbursable expenses shall be billed at the cost plus an accounting service fee of 10 percent, unless arranged otherwise. Permit application fees that are paid in advance by Beals and Thomas, Inc. will be billed at cost plus an accounting fee of 20%.

FeeSched-January 2024

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, February 6, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers, Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM.

II. Public Comment

Ms. Cynthia Foster, 3 Aspenwood Lane, commented that she had appeared before the Board on December 19th to discuss her concerns with the Town's new health plan for retirees. She asked about the status of her reimbursement, how often Mr. Lombardi's service contract is renewed for and shared a fellow retiree's negative experience with the Town's health plan.

III. Scheduled Appointments *(Board may vote)*

a. Continued discussion of Warrant articles

i. Personnel Board

Mr. Barry Rubenstein, chair of the Personnel Board, appeared before the Board and shared the Personnel Board's presentation. Mr. Rubenstein stated the Personnel Board is working on an employee handbook. He also stated the Personnel Board is recommending changes to make the Personnel Bylaw and the Town Administrator Bylaw consistent in describing the Personnel Board's authority to provide guidance and oversight to the Personnel Director in the development of all employee policies. He stated the Personnel Board is also recommending changes that allow for Southborough to offer appropriate benefits in a competitive municipal marketplace. He stated the Personnel Board has implemented a STEP system. Ms. Cook asked about the STEP grid and Mr. Rubenstein described how it functions. Mr. Stivers asked about merit-based pay. Mr. Rubenstein stated merit-based pay is not a part of the STEP system and the Personnel Board continues to discuss ways to encourage employee retention and reward. The Board, Mr. Purple and Mr. Rubenstein discussed merit-based pay and impacts of the STEP system on attracting new talent. Mr. Rubenstein noted there is an employee appeal process relative to classifications in the STEP program. He stated the Personnel Board would be discussing other changes at its meeting on February 14th and would have changes available for the Board's review prior to February 27th. Mr. Stivers suggested investigating a streamlined process for presenting the Salary Administration Plan (SAP) article at future Town Meetings.

ii. Community Preservation Committee

Mr. Ben Smith, chair of the Community Preservation Committee (CPC), appeared before the Board. He called the meeting of the CPC to order at 6:57 PM. Members present: Ben Smith, Brett Peters, Kristin LaVault and Grant Farrington. Members present via ZOOM: Ellen Marya and Lisa Braccio. Mr. Smith discussed Articles 23-29 and Article 44 in the draft Warrant. He stated that total receipts for FY25 are approximately $512,479, which includes the State match. Mr. Smith shared the amounts for the CPC warrant artides. **Article 23:** Mr. Smith stated that this article is a reconciliation article in the amount of $4,000. **Article 24:** Mr. Smith stated this is a bond article for 84 Main Street in the

amount of $75,438. **Article 25:** Mr. Smith stated this is a bond article for the Library in the amount of $61,000. **Article 26:** Mr. Smith stated this is a bond article for the Townhouse in the amount of $141,850. **Article 27:** Mr. Smith stated that CPC had allocated $211,232 for the completion of the Peninsula Trail. CPC member Brett Peters informed the Board that the Trails Committee expects the entire project to be completed by the end of 2024. Ms. Cook stated that the Board had allocated $140,000 in ARPA funds for the completion of the Peninsula Trail and any use of those funds must be under contract by December 2024. The Board discussed the project. Mr. Dennington summarized the discussion by stating the proposal is for ARPA funds to be used for the engineering study and Community Preservation Act (CPA) funds to be used to complete the remainder of the engineering study and the project. Mr. Hamilton wondered if this amount of money is a cost effective use, given the current budget climate. Mr. Smith stated that the CPA was established to provide a funding mechanism outside of the Town Budget to pursue projects that enhance the Town and that might otherwise be too costly. Mr. Tim Litt, 148 Woodland Road, suggested the Board ask Kathryn McKee, Chair of the Trails Committee, to appear at a future meeting to determine the status and costs of the Peninsula Trail project. **Article 28:** Mr. Smith and the Board discussed improvements to the Golf Course irrigation system. Mr. Smith stated that the total cost of the project, including a 15% contingency fee, is $553,750. The Board was supportive of a $50,000 contribution to the project by the Golf Revolving Fund. Mr. Hamilton stated the that it must be clear at Town Meeting how the Town will see a return on its investment on the irrigation project and, at this time, he is not supportive of the project until there have been discussions with the golf management company. The Board acknowledged that the golf management company's current contract is up for renewal in 2026. Mr. Grant Farrington, CPC Member stated he voted against approval of funds for the golf course irrigation improvements because of the high cost and because he believed that when the golf course was purchased, it would be self-funding in nature. Mr. Dennington moved that the Board approve a contribution up to $50,000 from the Golf Revolving Fund to support the CPC article for the golf course irrigation system. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **Article 44:** Mr. Dennington stated that the Board remains committed to finding solutions to move CPA monies, dedicated to affordable housing, to the Affordable Housing Trust Fund to achieve the Board's goals to build more affordable housing in Town. Mr. Smith stated that it is time to have the discussion between the Board and CPC regarding how to successfully move funds from the CPA for the purposes of increasing the Town's affordable housing stock. The Board and the Mr. Smith agreed to have the discussion after Town Meeting. Mr. Dennington stated the Board would need final language for the CPC articles in the near future in order to sign the Warrant on February 27th. Mr. Purple stated that today, a Citizen's Petition article has been filed with the Town Clerk that seeks to increase the approval threshold for CPC expenditures on non-municipal properties. Mr. Smith noted that most of the Town's history is in private hands and stated he would be addressing Town Meeting on this matter. Mr. Farrington moved to adjourn the CPC meeting at 7:53 PM. Mr. Peters seconded the motion. The motion was approved by roll call vote: Ms. Braccio, aye; Mr. Peters, aye; Ms LaVault, aye; Mr. Farrington, aye, Mr. Smith, aye.

The Board took a brief recess at 7:54 PM and resumed meeting at 8:02 PM.

iii. Citizen Petitions: Bonnie Phaneuf, Articles 48 & 49

Ms. Phaneuf stated that she would like to understand the direction of the Board regarding the Town's need for dispatchers. She stated she would withdraw Articles 49 and 50 on the floor at Town Meeting if the Board has addressed the need for dispatchers. If the Board has not addressed the issue, Ms. Phaneuf stated she intends to hold the budget at Town Meeting. Mr. Dennington stated the Board would address this matter at its joint meeting with the Advisory Committee on February

13th. Mr. Hamilton stated that the Town's budget could be held and considered when Ms. Phaneuf's articles are considered. The Board discussed how to address Ms. Phaneuf's articles relative to the budget. Ms. Phaneuf asked that the entire summary she provided be included in the warrant.

iv. Select Board may take positions on warrant articles

b. Community Center Exploration Committee update

Mr. Malinowski called the meeting of the Community Center Exploration Committee to order at 8:20 PM. Members present: Jason Malinowski, Janet Maney, William Harrington and Tim Fling. Members present via ZOOM: Jennifer Hansen and Susan Heilman. Absent: Nikki Mauro. Mr. Malinowski delivered the Committee's report to the Board. Mr. Dennington asked about the use of Cordaville Hall, in the event the Community Center project moves forward. Mr. Malinowski described the decisions that would need to be made prior to a determination on Cordaville Hall. He stated that investigation of three potential capital projects is occurring at the same time (Neary, the Library and the Community Center) and will provide the Town with accurate cost information and the ability for public feedback. Mr. Malinowski stated that construction on the Community Center project would not begin before 2028. Ms. Hansen stated that, from a Recreation perspective, this option is preferable to 21 Highland Street. Mr. Dennington asked that a copy of the Committee's report be given to the 21 Highland Street Future Use Committee. Mr. Hamilton asked what would happen if school enrollment unexpectedly increased. Mr. Malinowski stated that question would be answered through the Neary process with the Massachusetts School Building Authority (MSBA). Mr. Hamilton stated he is in favor of selling Town properties to pay for other capital projects like the ones under discussion this evening. Ms. Maney stated the advantage of looking at three projects at once would allow the Town to examine its space needs and avoid over building. Mr. Malinowski stated that the next steps are to wait for more information on the Neary project. Mr. Malinowski moved to adjourn the Community Center Exploration Committee at 9:01 PM. Ms. Maney seconded the motion. The motion was approved by roll call vote: Ms. Maney, aye; Mr. Fling, aye; Mr. Harrington, aye; Ms. Heilman, aye; Ms. Hansen, aye; Mr. Malinowski, aye.

c. CIPC update on ARPA funding for sidewalks

Mr. Malinowski, Chair of the Capital Improvements and Planning Committee, stated that DWP Superintendent Cundiff is conducting a comprehensive review of the Town's sidewalk needs and will provide that information, including cost and available grants, to the Capital Improvement & Planning Committee (CIPC). Mr. Malinowski stated that the Town's residents have appreciated recent forecasting and the transparent review of projects. Mr. Malinowski stated that, today, he received information from DPW Superintendent Cundiff on three potential sidewalk projects that would utilize all of the ARPA funds and Mr. Malinowski stated he would call a meeting of the CIPC next week to review the projects. Mr. Hamilton requested that consideration be given to any potential sidewalk projects on the south side of Town. The Board and Mr. Malinowski discussed a long-term approach to paving and sidewalks, including financing methods.

IV. Reports

a. Chair's Report

Mr. Dennington reported that he, along with Mark Purple, Brian Ballantine, Carla McAuliffe, Paul Cibelli and Andrew Pfaff, participated in the interviews with Department of Revenue (DOR) for the financial management review of the Town. Mr. Dennington stated the DOR will provide recommendations for improvement to the Town's financial policies and may have additional structural recommendations for the Town to consider.

b. Member's Report

i. Neary School project

Ms. Cook stated that public forums would be held on February 29th and March 11th so residents can offer their input on the Neary School project. Ms. Cook also stated that by August, the Neary School Building Committee would make its recommendation to the MSBA.

c. Town Administrator's Report
    i. Early Voting reminder

Mr. Purple reported that he had received the 2024 Vegetation Management Plan from National Grid and that a meeting will be scheduled with the Board and Planning Board to review and approve. Mr. Purple also reported that DPW Superintendent Cundiff is working with Water Consultant Matt Abrams on new rate information. Mr. Purple recommended that the Board set rates in March and notify the public in April.

V. Consent Agenda

a. Approve Open Session meeting minutes: January 6, 2024

Mr. Dennington and Mr. Stivers requested to hold Consent Agenda item "a." Mr. Stivers had scrivener's changes to the minutes. Mr. Dennington requested the following change to Line 18: add "potential" in front of disposition. Mr. Dennington moved to approve Consent Agenda item "a", as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Accept $25.00 donation to be placed in the Library Donation account
c. Appoint Lisa Braccio as the Planning Board Representative to the 21 Highland Future Use Committee; term to expire 6/30/2024

Mr. Dennington moved to approve Consent Agenda items "b" and "c." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

There was no business under Other Matters.

VII. Public Comment

Mr. Tim Fling, 18 Main Street, asked that the Board consider using ARPA funds to purchase trashcans to place around Town. He also asked that the Board consider a way to reflect a tiered rate system for multifamily uses.

Mr. Litt asked if the Board would reconsider its vote to include a sunset clause in the Town Meeting article that creates the Public Works Advisory Committee (PWAC). Mr. Dennington stated that matter would be considered at the Board's February 13th joint meeting with the Advisory Committee.

VIII. Adjournment

Mr. Dennington moved to adjourn the meeting at 9:20 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

Upcoming Meetings	
February 13, 2024 Joint Meeting with Advisory Committee	*March 4, 2024 (Monday meeting)*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

DRAFT

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, February 13, 2024 6:30 PM
Location: Public Safety Training Room, Public Safety Building, 32 Cordaville Road, Southborough, MA
Present: Kathryn Cook, Andrew Dennington, Al Hamilton, Marguerite Landry, Sam Stivers, Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:33 PM.

II. Public Comment

Mr. John Butler, 4 Davis Road, stated he sent a letter to the Board this afternoon asking that the Board invite Town Meeting review prior to signing any Inter Municipal Agreement (IMA) for a Regional Emergency Communications Center (RECC). He stated that, if the Board agrees to hear Town Meeting's comments on the matter, there would be no need to entertain the Citizen's Petition on the Floor of Town Meeting.

Ms. Kristin LaVault, 12 Southwood Drive, asked that discussion of funding for the Peninsula Trail be moved up on the agenda, as it was unclear from the posted Agenda when this item would be discussed.

Mr. Dennington stated discussion of the Peninsula Trail funding would occur in discussion of the budget and warrant.

Mr. Dennington acknowledged and welcomed Interim Fire Chief Paul Fillebrown to tonight's meeting.

Mr. Andrew Pfaff, Chair of the Advisory Committee, called the Advisory Meeting to order at 6:37 PM. Member present: Andrew Pfaff, Marci Jones Salow and Larry Samberg. Members present via ZOOM: Tim Martel.

III. Scheduled Appointments *(Board may vote)*

a. Supt. Ernest Houle – Assabet Valley FY25 budget and warrant article

Mr. Dennington recused himself from this matter, as his law firm represents the Assabet Valley School District. He turned the matter over to Ms. Cook, Vice Chair. Mr. Houle and Mark Pietrewicz, Assabet Valley School District Member from Southborough, appeared before the Board on the matter. Mr. Houle presented the FY25 Assabet Budget. Mr. Houle stated that Southborough's portion of the Assabet FY25 budget is $517,861. Ms. Cook asked if the School Committee had voted on the town assessments. Mr. Houle stated that they had. The Board and Mr. Houle discussed the budget and the creation of a stabilization fund for FY25. Mr. Pfaff asked if accumulated funds in the proposed Stabilization Fund would be used to fund large capital projects and thus, bypass Town Meeting approval. Mr. Houle stated that they would not. He stated that any large capital projects would be funded separately and stated the proposed Stabilization Fund would be used for short to mid-term projects that are $25,000 or larger and have a life of 10 plus years. He also stated the proposed Stabilization Fund would not be used for operating expenses. Mr. Pietrewicz stated that the proposed Stabilization Fund is needed, in part, because the freshman class has no students outside the district and no outside funds to draw upon, as it has done in the past. He stated this

trend is expected to continue. Mr. Hamilton asked about the amount of the assessment for the proposed Stabilization Fund. Mr. Houle stated the School Committee had voted to set the assessment at $250,000. Mr. Butler stated that there is a statutory limit on stabilization fund maximums of 5% of the operating budget. Mr. Butler stated he is supportive of Southborough participating in the creation of this Stabilization Fund.

b. Joint Meeting with School Committee; Supt. Greg Martineau

Mr. Dennington resumed his duties as Chair. Ms. Rebecca Pellegrino, Finance Director for Southborough Public Schools, stated that the meeting of the Southborough School Committee had been called to order at 7:33 PM.

i. FY25 Budget (K-8, Regional); warrant articles 21, 22 and 23

Superintendent Greg Martineau and Ms. Pellegrino appeared before the Board and the Advisory Committee on the matter. **K-8 Budget:** Superintendent Martineau shared the Southborough Public Schools K-8 budget presentation with the Board and Advisory Committee. Superintendent Martineau stated that, last night, the Southborough School Committee voted to approve the budget for Southborough Public Schools K-8 at $24,258,964 million dollars, which represents a 5.18% increase over the FY24 budget. He stated the budget includes a request for one (1) full-time equivalent to maintain and enhance world language programming in grades K-3 and a .2 position for an adaptive physical education teacher. Superintendent Martineau stated that approximately 2.5% of the proposed 5.18% budget increase is due to the rise in special education transportation costs and out of district tuition costs. He noted this budget also includes a reduction in 2.4 full-time equivalents. Superintendent Martineau discussed the impact of inflation on the budget. Ms. Cook asked about the use of SEDP funds. Ms. Pellegrino stated approximately $60,000 of those funds have been used to offset operating expenses for affected categories. Superintendent Martineau stated the School Department may need to request more reserve fund transfers to fund unexpected, extraordinary repairs and capital projects. Mr. Hamilton stated that he would like to see one reserve fund instead of multiple reserve funds. The Board and the Advisory Committee discussed the proposed budget. The Board and Advisory Committee heard information on the School Department warrant articles. **Article 21:** Superintendent Martineau stated Article 21 allows the Southborough School Department to retain monies from space rentals at all Southborough public schools and utilize those funds for upkeep and maintenance at all Southborough public schools. **Article 23:** Superintendent Martineau stated that Article 23 allows the Southborough School Department to create a Special Education Stabilization Fund. He stated that the fund would allow the district to moderate and proactively manage Special Education costs that can be volatile in nature. He also stated that since 2016, Special Education costs have risen, on average, 4.21%. Ms. Cook asked what mechanism would be used to fund the Special Education Stabilization Fund. Superintendent Martineau stated that the School Department is still exploring funding mechanisms but the goal is to fund in a consistent pattern as part of the operational budget. He also stated that the maximum funding amount could be no more than 2% of the budget for each year and that expending funds would require a majority vote of the Select Board and Advisory Committee. Mr. Hamilton asked that the presentation for Town Meeting reflect actual dollars spent rather than percentages. The Board discussed logistics for utilizing proposed Special Education Stabilization Funds in future budgeting. **Reserve Fund Request:** Superintendent Martineau requested a Reserve Fund transfer of $87,970.01 to pay the remainder of costs for mold mitigation at the Finn School that occurred at the beginning of the school year. The Advisory Committee discussed the requested transfer. Mr. Samberg moved to approve a Reserve Fund transfer to the Schools in the amount of $87,970.01. Ms. Jones Salow seconded the motion. The motion was approved by roll call vote: Mr. Martel, aye; Mr. Samberg, aye; Ms. Jones Salow, aye; Mr. Pfaff, aye (4-0-0).

Regional Budget: Superintendent Martineau shared the Regional budget with the Board and Advisory Committee. He stated that the Regional School Committee would meet on February 28th to

consider approving a proposed FY25 budget of $27,871,426, which represents a 4.8% increase over the FY24 budget. **Article 22:** Ms. Pellegrino stated that the Regional District is proposing a Regional Stabilization Fund to fund capital items. She stated that yearly contributions to the proposed fund could not exceed 5% of the aggregate amount assessed to the member towns for the preceding year. She also stated the balance of the proposed fund cannot exceed 5% of the combined equalized valuations for the member municipalities. Ms. Cook asked what mechanism would be used to fund the Regional Stabilization Fund. Superintendent Martineau stated that Excess and Deficiency (E&D) funds would be used. Mr. Hamilton suggested the Regional School Committee consider other means to fund the proposed Regional Stabilization Fund and stated that before the Fund is created, he would like to see additional means of funding considered. The Board and the Advisory Committee discussed Article 22.

ii. Request for warrant articles for Finn School and Trottier School

Mr. Dennington stated the Southborough School Committee has proposed a warrant article that would authorize the Board to lease some or a portion of the Trottier School roof for 10-20 years. Superintendent Martineau stated that the Trottier School needs a new roof. He stated the Massachusetts School Building Authority (MSBA) is partnering with the Governor to create solar-ready projects and that the Southborough School Committee will submit a statement of interest to enter into the MSBA's accelerated repair program for roofs and windows. Mr. Hamilton asked who pays for the necessary roof reinforcement for solar readiness. Superintendent Martineau stated that the chosen partner performs the engineering studies and prepares the roof for readiness. He explained that the Town would lease the roof to the partner and purchase back energy from the grid. Mr. Purple thanked Superintendent Martineau and Ms. Pellegrino for working collaboratively to advance the goals of the Town.

The Board and the Advisory Committee recessed at 8:46 PM and resumed meeting at 8:58 PM.

c. Brian Ballantine, Finance Director – FY25 Budget update

Mr. Ballantine appeared before the Board and Advisory Committee. He shared his budget update, which adds the following staff: one new police lieutenant, one new officer and one new DPW engineer. Mr. Ballantine stated that the revenue side of the budget is set and that the proposed budget as it stands today, is at a 4.75% increase, year over year. He clarified that the present proposed budget does not include any dispatchers in the police department budget and, if they would be added to the budget, benefits would need to be added, as well.

d. Joint Meeting with the Advisory Committee

i. FY25 Budget

The Board, the Advisory Committee and Mr. Purple discussed Mr. Ballantine's presentation, potential issues related to using one-time monies as funding sources and related impacts in future budget cycles, including the potential need for future overrides. Ms. Cook detailed the changes to the budget that resulted in a reduction in the tax rate to its proposed 4.75% increase. Those changes included: 1) utilizing $500,000 worth of ARPA funds for one-time expenditures; 2) reducing the police budget to include adding the lieutenant only; and 3) making the following changes to the Capital budget: removing the stretchers from the list; bonding the trash trailer and the sidewalk tractor and using St. Mark's contribution of $96,467 to purchase PPE ($20,000) and half of the cost of the defibrillators over three years ($50,000). Ms. Cook stated that further achievable reductions in the proposed budget might come from the DPW Road Maintenance line item and the Regional School District budget. Ms. Cook stated that if the dispatchers are added to the budget, the tax rate rises to approximately 5.75%. The Board and Advisory Committee discussed adding dispatchers to the budget, consideration of the matter at Town Meeting and Fall Town Meeting and consideration of if/when to make a decision to join a Regional Emergency Communications Center (RECC). Mr. Pfaff

recommended Town Meeting consider the police budget separately, along with Ms. Phaneuf's citizen's petitions, for a complete overview of the dispatcher issue. Ms. Phaneuf stated that the need for dispatchers is now and is a matter of public safety. She recommended that the four dispatchers be added to the proposed budget and could be reduced at Town Meeting, if that is what Town Meeting votes to do. Mr. Butler suggested investigating the electronic rollover process as a gap filling measure while the Board determines how to move forward with regionalization. The Board and Advisory Committee discussed the added lieutenant position in the proposed budget. Mr. Pfaff moved that the Advisory Committee support the proposed police budget in the amount of $3,040,366 million dollars, which includes one position only for the lieutenant. Ms. Jones Salow seconded the motion. The motion failed by roll call vote: Mr. Martel, no; Mr. Samberg, no; Ms. Jones Salow, no; Mr. Pfaff, aye (1-3-0). Mr. Martel, Mr. Samberg and Ms. Jones indicated they voted "no" because they are not comfortable with the addition of the lieutenant position to the police budget. Mr. Dennington moved to support the proposed police budget in the amount of $3,040,366 million dollars, which includes one position only for the lieutenant. Mr. Hamilton seconded the motion. The motion was approved (3-2-0). Mr. Stivers and Mr. Hamilton voted against the motion. Police Chief Ryan Newell presented information on the lieutenant position to the Board and Advisory Committee. The Board and the Advisory Committee discussed Chief Newell's presentation. Ms. Kathryn McKee, Chair of the Trails Committee, appeared before the Board and Advisory Committee to discuss financing the completion of the Peninsula Trail project. The Board discussed alternative ways to fund the Peninsula Trail project. Mr. Dennington asked if the entire request in Article 31 could be funded by Community Preservation Act (CPA) funds, thus freeing up previously allocated ARPA funds for use in other areas of the proposed FY25 budget. Ms. McKee stated the Community Preservation Committee (CPC) would need to vote for this to occur. Ms. Cook asked Ms. Carla McAuliffe, Town Account appearing via ZOOM, if proposed Article 31 could be worded allowing funds for the Peninsula Trails project to be accessible immediately following Town Meeting, if the funds were allocated from existing CPA funds and not new surtax monies. Ms. McAuliffe stated that she did not know if that was possible but would investigate. Ms. Cook acknowledged that her request was contingent upon CPC approval of funding the entire request in Article 31. Ms. Kristin LaVault, Vice Chair of the CPC, stated that the CPC has not had an opportunity to review this budget development and expressed concern about the time needed to complete the necessary review prior to Town Meeting. Mr. Purple stated that the Capital Planning and Improvement Committee (CIPC) had voted to utilize approximately $350,000 in ARPA funds for the design and engineering of three sidewalk projects and return the remaining half of the ARPA sidewalk allocation. Ms. Cook moved to move all items from column M on the displayed ARPA spreadsheet to the real estate relief category, with the exception that $144,547 allocated for the Trails Committee be taken from the Sidewalks category. Mr. Dennington seconded the motion. The motion was approved (4-1-0). Mr. Hamilton voted against the motion. Ms. Phaneuf requested a copy of the budget worksheet discussed this evening. Mr. Purple stated he would forward that information. The Board and the Advisory Committee discussed approval of the proposed budget. Mr. Dennington moved to approve the budget, as described in Mr. Ballantine's rev/cap worksheet, dated February 13, 2024, excluding line items for Police and Assabet. Mr. Stivers seconded the motion. The motion was approved (5-0-0). Ms. Cook moved to approve the proposed assessment for Assabet, as printed in the rev/cap worksheet dated February 13, 2024, in the amount of $517,861. Mr. Stivers seconded the motion. The motion was approved (4-0-0). Mr. Dennington recused himself from this vote.

ii. March 23, 2024 Town Meeting warrant articles

Mr. Pfaff stated that the Advisory Committee would meet to discuss and vote on the budget. Mr. Pfaff moved to adjourn the Advisory Committee meeting at 10:35 PM. Ms. Jones Salow seconded the motion. The motion was unanimously approved by roll call vote: Mr. Martel, aye; Mr. Samberg, aye; Ms. Jones Salow, aye; Mr. Pfaff, aye (4-0-0).

IV. Reports

a. Chair's Report

Mr. Dennington stated there was no Chair's Report.

b. Member's Report

There were no Member's Reports

c. Town Administrator's Report

Mr. Purple reported that Southborough Youth and Family Services, Friends of the Youth Commission and the Recreation Department would sponsor the International Day of Unplugging with Costume Karaoke on Friday, March 1, at the Finn School. He stated all proceeds would go towards Southborough Recreation camp scholarships.

V. Consent Agenda

a. Approve Open Session meeting minutes: January 30, 2024

Mr. Stivers requested to hold Consent Agenda item "a." Mr. Stivers had scrivener changes to Lines 13 and 15. Mr. Stivers moved to approve Consent Agenda item "a", as amended. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0).

b. Approve updated Senior Tax Work Off Program policy

c. Approve Executive Session minutes: January 30, 2024

Mr. Dennington moved that the Board approved Consent Agenda items "b" and "c." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

Mr. Dennington heard discussion of Other Matters before the Consent Agenda.

a. Select Board positions on warrant articles

Mr. Dennington moved that the Board support the following articles at Town Meeting: Articles 4, 9, 14, 19, 20, 21, 23, 24, 25, 26, 27, 28, 29, 30, 39, 42, 44, 45 and 47. Ms. Cook seconded the motion. The motion was unanimously approved (5-0-0). Mr. Stivers moved that the Board support Article 22 at Town Meeting. Ms. Cook seconded the motion. The motion was approved (4-1-0). Mr. Hamilton voted against the motion. Mr. Dennington moved that the Board support Article 31 at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved that the Board support Article 32 at Town Meeting. Mr. Stivers seconded the motion. The motion was approved (3-2-0). Mr. Hamilton and Ms. Landry voted against the motion. The Board discussed Article 35. Mr. Hamilton moved that the Board support Article 35, as written without the sunset language, at Town Meeting. Mr. Stivers seconded the motion. The motion was approved (5-0-0). Mr. Butler stated he was not in support of the Regional Stabilization Fund or the Special Education Stabilization Fund. The Board discussed Article 54. Mr. Dennington moved that the Board support Article 54 at Town Meeting. Mr. Stivers seconded the motion. The motion failed (2-3-0). Mr. Dennington, Ms. Cook and Mr. Stivers voted against the motion. Mr. Purple stated another article would be added to the warrant that reduces the CIPC from seven members to five members. Mr. Hegarty stated that bylaws should not be created within Town Code because they are laborious to change. He also stated he is not in favor of Article 35 for the same reason and would speak against it at Town Meeting. Mr. Dennington moved that the Board support at Town Meeting a warrant article to reduce the membership size of the CIPC from seven to five. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved that the Board support at Town Meeting the Southborough School Committee's warrant article to authorize the Select Board to lease the roof of the Trottier Middle School based on the language in tonight's packet. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved that the Board support at Town Meeting advancing Citizen's Petition Articles 52

and 53 to immediately follow Article 5, the FY25 Town Budget. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Review of ARPA allocation

Ms. Cook moved to allocate ARPA funds for the following uses: 1) pay for the Town Clerk scanning project ($43,000); 2) to pay for the crew cab for the DPW ($95,000); 3) to pay for the Finn air conditioners ($134,500); 4) to pay for the Woodward air conditioners ($50,000); and 5) to reduce the Road Maintenance article ($177,500) totaling $500,000. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VII. Public Comment

There was no public comment.

VII. Adjournment

Mr. Dennington moved to adjourn the meeting at 11:00 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

TOWN OF SOUTHBOROUGH

OFFICE OF THE PERSONNEL BOARD
TOWN HOUSE · 17 COMMON STREET · SOUTHBOROUGH, MASSACHUSETTS 01772-1662
(508) 485-0710 · FAX (508) 480-0161 · personnel@southboroughma.com

TITLE: Civil Engineer

Department: DPW

SAP Grade: TBD

Bi-weekly Hours: 80

Reports to: DPW Superintendent

Approved by Personnel Board:

Approved by Appointing Authority: January 23, 2024, Revised: [date]

Position Purpose:

The Civil Engineer will participate in multiple aspects of engineering and project management within the Department of Public Works (DPW). The Civil Engineer works under the direct supervision of the Superintendent of Public Works and will provide support to all aspects of the DPW, including but not limited to highway, water, solid waste, stormwater, cemeteries, grounds, and civil construction projects, as well as other departments as assigned. Responsibilities include but are not limited to: Construction monitoring and inspection, preparation of construction bid documents, preparing quantity and cost estimates, monitoring construction projects for quality, review of submittals including pay requisitions, establishing and maintaining a GIS database, preparing periodic progress reports on construction projects, monitor construction budgets and change orders, prepare feasibility studies and cost benefit analyses, drafting policies or protocol for review and similar engineering related duties. May be required to attend occasional night meetings to provide data to boards or obtain permits for projects or represent the department or organization at local and regional events. Errors in judgment could result in department errors, lower standards of service to the community, monetary loss or legal repercussions and possible negative public relations for both the department and the town.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Assists with reviewing and making effective recommendations regarding roadways and utilities, while evaluating issues and options regarding municipal public works projects;
- Develops and recommends departmental policies, protocol, and procedures for review by DPW Superintendent
- Assists the Superintendent with project design including preparation of documents and plans, permitting and presentation to town permitting authorities, process and track invoices and review of deliverables; Assists with the competitive bidding process to ensure compliance with applicable regulations

- Contributes toward the evaluation of transportation and traffic impacts of development proposals, permits, zoning, etc;
- Surveys project sites, including roadway, utility, and other construction activities within the Town; researches town records for engineers and contractors relating to design and construction, such as maps and other engineering data and historical files;
- Updates maps, plans, and statistics associated with Town water and drainage systems;
- Maintains a variety of records, files, GIS base mapping and prepare periodic and special reports as required;
- Reviews and oversees conduit petitions, utility, street opening and driveway permits;
- Oversees, as assigned, crews in repairing water main breaks, drainage problems, water main shut downs, etc.;
- Maintains accurate and current project budgets and schedules; Assists with the preparation of the department operating budget, capital budgets and enterprise budgets
- Oversees consultants and assists with the coordination of various projects; coordinates construction activities with as little disruption to residents as possible; issues proper notification of events as needed;
- Assists department and other peers with the oversight of MS4 stormwater permit including assisting with field sampling, updating GIS mapping in the field, overseeing culvert inspection program, and ensuring best practices in this area are being met;
- Provides information and guidance to contractors, developers, and residents for public engineering projects;
- Prepares design plans and applications for town permits; supports staff in the field with preparing as-built and elevation plans as necessary, utilizing GPS;
- Collaborates with other municipal departments to research short and long range plans that meet needs and items determined by Master Plan
- Prepares reports, drawings, and maps as required utilizing GIS and AutoCAD;
- Keeps abreast of pertinent trends, best practices, and significant events;
- Instructs, oversees, assigns, and inspects work of assigned crews; refers personnel situations to Superintendent or others;
- Maintains positive and harmonious employee and employer relations;
- Has access to department-oriented confidential information including bid proposals, litigation records.
- Performs other similar duties as responsibilities necessitate and/or as assigned or requested by Superintendent.

Recommended Minimum Qualifications

Education, Training, and Experience:

Must have an Bachelor's degree in Civil Engineering, Massachusetts EIT preferred or licensed PE, or more than 5 years of related professional experience; Proficiency in MS Word, Excel, database management, AutoCAD, and ArcGIS is preferred; or any equivalent combination of training and experience.

Special Requirements/Licenses:
Current MA drivers license, MAPPO certification preferred

Knowledge, Ability, and Skill:

Knowledge: Knowledge of drainage, water utility systems, and public infrastructure; knowledge of general engineering concepts; knowledge of civil engineering practices, policies, laws, and regulations applicable to a municipal setting

Ability: Ability to inspect construction projects and communicate effectively both verbally and in writing; effectively prioritize and manage multiple competing priorities; prepare clear and concise reports; maintain positive working relationships with Town employees and officials, outside design and construction professionals, and other stakeholders; operate a computer and standard office and field equipment; maintain organized and accurate records; exercise good judgment; diplomatically deal with challenging situations, while exercising superb customer service

Skill: Strong communication and interpersonal skills, including experience providing public presentations; excellent organizational skills; the skills to prepare reports, drawings, and maps, and conduct research; the ability to analyze data; skills in developing cost estimates as well as comprehension of municipal finance/public procurement regulations.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

The position is frequently required to spend regular periods outside, requiring exposure to extremes in temperatures as well as other environmental and weather conditions while conducting fieldwork; there are frequent periods spent standing and walking; fieldwork requires the ability to access property in various terrains and requires stooping, crouching, reaching, climbing, pushing, pulling, lifting, grasping, talking, hearing/listening, seeing/observing, and may include light physical labor, including carrying work materials, including files, of up to 40 pounds; will be required to withstand industrial noise and fumes associated with outdoor construction projects; candidate will be expected to travel within the Town of Southborough and to neighboring towns.

Supervision:

Supervision Scope: Performs routine duties that are clearly defined by protocol and standard operating procedures. This role requires basic knowledge of departmental operations.

Supervision Received: Works under the direct supervision of the Department Head or Manager.

Supervision Given: May supervise volunteers or senior tax work off participants on occasion.

Job Environment:

- The position is frequently required to spend regular periods outside, requiring exposure to inclement weather as well as other environmental and weather conditions while completing assigned and routine job duties
- Special safety precautions, training, or protective clothing such as coats, gloves, glasses, hats or boots is required.
- Errors in judgment and administration may have negative effects on the town's ability to deliver services and may result in lower standards of service, sub-standard construction and inadequate maintenance programs with potential danger to public safety; errors in financial decisions could have legal and financial repercussions.

- Has considerable contact with contractors, engineers, builders, state or federal officials or other agencies and Town personnel, in addition to vendors and representatives of outside organizations and the general public.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

**External and internal applicants, as well as position incumbents who become disabled as defined under the Americans With Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis. This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.*

MEMORANDUM

To: Kamali Omeally, Southborough School Committee Chair
Mark Purple, Southborough Town Administrator
Andrew Dennington, Southborough Select Board Chair
From: Gregory L. Martineau, Superintendent of Schools
Subject: Massachusetts School Building Authority - Accelerated Repair Program
Date: February 4, 2024

The Massachusetts School Building Authority's (the "MSBA") grant program is a non-entitlement, competitive program, and its grants are distributed by the MSBA Board of Directors, based on need and urgency, as expressed by the district and validated by the MSBA. The MSBA completes a review of available information regarding all districts that submit a Statement of Interest ("SOI") for the Accelerated Repair Program ("ARP") each year.

The Public Schools of Southborough plans to submit an SOI to the MSBA for the P. Brent Trottier Middle School roof. Submitting an SOI to the MSBA does not commit the Town or the District to move forward if invited into the ARP Program. Rather, it places Southborough in the queue for consideration. Furthermore, if MSBA invites Southborough into the feasibility phase, the feasibility study for roof projects will also include an evaluation to make the building solar-ready.

For more information about MSBA's ARP, please visit:
https://www.massschoolbuildings.org/building/SOIs/ARP_Process_Overview

The ARP submission window opened in late January, and the submission deadline is March 1, 2024. As part of the submission, the School Committee and the Select Board must take a vote on the language below. The School Committee will take the vote at its Wednesday, February 12, 2024, meeting. I'm requesting that the Southborough Selectboard add the agenda item to one of its meetings in February to allow the submission to move forward. Please reach out if you have any questions.

Vote Language:

Trottier:
Resolved: Having convened in an open meeting on _____, 2024, prior to the SOI submission closing date, the Board of Selectmen of Southborough, in accordan ce with its charter, by-laws,

The Public Schools of
NORTHBOROUGH and **SOUTHBOROUGH**

Assistant Superintendent of Teaching and Learning

and ordinances, has voted to authorize the Superintendent to submit to the Massachusetts School Building Authority the Statement of Interest Form dated February 2024 for the P. Brent Trottier Middle School located at 49 Parkerville Road which describes and explains the following deficiencies and the priority category(s) for which an application may be submitted to the Massachusetts School Building Authority in the future for replacement of the EPDM and shingled roof systems under Priority #5. The replacement of the 90,000 square foot roof system is necessary due to its age, ruptured seams, punctured membrane, and water damage; and hereby further specifically acknowledges that by submitting this Statement of Interest Form, the Massachusetts School Building Authority in no way guarantees the acceptance or the approval of an application, the awarding of a grant or any other funding commitment from the Massachusetts School Building Authority, or commits the Town of Southborough to filing an application for funding with the Massachusetts School Building Authority.

TOWN OF SOUTHBOROUGH

TOWN HOUSE · 17 COMMON STREET · SOUTHBOROUGH, MASSACHUSETTS 01772-1662

PROCLAMATION

Whereas, In 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas, Arbor Day is now observed throughout the nation and the world, and

Whereas, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce life-giving oxygen, and provide habitat for wildlife, and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

Whereas, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

Whereas, trees, wherever they are planted, are a source of joy and spiritual renewal.

NOW, THEREFORE, WE, THE SOUTHBOROUGH SELECT BOARD, DO HEREBY PROCLAIM APRIL 26, 2024, AS

Arbor Day

In the Town of Southborough, and urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands and

Further, we urge all citizens to plant trees to gladden the heart and promote the well- being of this and future generations.

Signed this _____ day of _____ in the year of our Lord Two Thousand Twenty-Four.

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a non-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Select Board. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless its substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

Introduction to the Rules of Town Meeting (continued)

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none
2. To adjourn	no	yes	limited	majority	amend
3. Point of no quorum	no	no	no	none	none
4. Recess	no	yes	limited	majority	amend
5. Question of privilege	yes	no	no	chair rules	none
SUBSIDIARY MOTIONS					
6. To lay on the table	no	yes	no	2/3	none
7. Previous question	no	yes	no	2/3	none
8. Limit or extend debate	no	yes	no	2/3	amend, reconsider
9. To postpone to time certain	no	yes	limited	majority	amend, reconsider
10. To commit or refer	no	yes	limited	majority	amend, reconsider
11. To amend	no	yes	yes	majority	amend, reconsider
12. To postpone indefinitely	no	yes	yes	majority	reconsider
MAIN MOTIONS					
Main Motions	no	yes	yes	majority*	all
To reconsider or rescind	no	yes	yes	2/3	table previous question postpone definitely
To take from the table	no	yes	no	majority	none
To advance an article	no	yes	yes	majority	amend, reconsider
INCIDENTAL MOTIONS					
Point of order	yes	no	no	chair rules	none
Division of a question	no	yes	no	majority	none
Separate consideration	no	yes	no	majority	none
To withdraw a motion	no	no	no	majority	reconsider
To suspend rules	no	yes	no	2/3	none
Orders of the day	yes	no	no	none	none

*The vote required to pass an affirmative main motion is a matter of substantive law, but is usually a majority.

FORM USED IN MAKING MOTIONS

1. Main Motion	Mr. Moderator, I move that..(statement of the proposal)
2. Adjourn	Mr. Moderator, I move to adjourn to...(state time)
3. Amend	Mr. Moderator, I move to amend by adding...
	Mr. Moderator, I move to amend by inserting...before...

18. Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19. Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS

ANNUAL TOWN MEETING

Worcester, ss. February 27, 2024

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the Trottier School Auditorium, 49 Parkerville Road, in Southborough, MA, on

Saturday, March 23, 2024

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to accept any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in Estimated Receipts Account, and determine what disposition shall be made of the same, if accepted, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *To allow the Select Board to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Select Board, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2024 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 3: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Select Board or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, but no longer than seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Select Board or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Board Recommendation: Support
Summary: *This article allows the Select Board and/or the School Committee to enter into contracts in excess of three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.*

ARTICLE 4: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

PERSONNEL BYLAW
ENTITLED "THE SALARY ADMINISTRATION PLAN"

[revised at March 23, 2024 Annual Town Meeting]

Effective July 1, 2024, this bylaw establishes a Salary Administration Plan for the Town of Southborough that (i) groups position classifications in Town services, (ii) establishes salary schedules and employee benefits and (iii) establishes and authorizes the Personnel Board to administer the bylaw to provide oversight and guidance to the Town Administrator in the development and maintenance of personnel policies and regulations, and to represent the interest of both the taxpayers and the Town employees.

This Salary Administration Plan applies to the positions of all officers and employees in the service of the Town, whether full-time, part-time, temporary, seasonal, special or any other, except those positions filled by popular election, under the direction and control of the School Committee, performed pursuant to a contract approved by the Town, encompassed in any officially recognized labor union and/or association, or exempted by statute. The positions covered by this Salary Administration Plan are hereby classified by titles in the groups listed in Schedule A through E ("Classification Schedule") as set forth in Section 20 of this bylaw.

The classification of positions subject to the Massachusetts Welfare Compensation Plan (as amended) and the scheduled rates therefor, as well as the applicable provisions of the Massachusetts General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

SECTION 1. DEFINITIONS

As used in this bylaw, the following words and phrases shall have the following meanings:

"Administrative Authority" means the elected or appointed official or board having jurisdiction over a function or activity.

"Base Pay" means the compensation paid by the Town of Southborough for the purposes of determining retirement credits and contributions for Town employees.

The Town shall contribute funds as required for each eligible employee in accordance with the procedures and formula established by the Worcester Regional Retirement System and the bylaws of the Town of Southborough. Contributions shall include (i) wages earned during the first eight hours worked in any one day (no contributions shall be made for hours worked in excess of 40 per week,) (ii) any lump sum bonus that is guaranteed by the Salary Administration Plan or the Bylaws of the Town, (e.g., longevity pay); (iii) vacation pay, except when paid in lieu of taking vacation; (iv) sick pay; and (v) holiday pay.

"Class" means a group of positions in the Town service sufficiently similar with respect to duties and responsibilities such that for each position the same (i) descriptive title may be used, (ii) qualifications shall be required, (iii) tests of fitness may be used to choose qualified employees and (iv) scale of compensation can be equitably applied.

"Classification Schedule" means any of Schedules A, B, C, D and E of Section 20 hereof.

"Compensation Grade" means a range of salary/wage rates as may appear in the Classification Schedules.

"Continuous Full-Time Service" means employment requiring a predetermined minimum work period that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Continuous Employment" means full-time or part-time employment that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Department" means a functional unit of Town government.

"Department Head" means the person appointed and responsible to carry out the duties of a Department.

"Exempt employee" means an employee who is not entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"Full-Time Employment" means employment for not less than 20 hours per week for fifty-two weeks per annum, excepting authorized holidays and leave periods.

"Group" means a group of classes as may appear in the Classification Schedules.

"Maximum Rate" means the highest compensation rate to which an Employee is entitled.

"Minimum Rate" means the lowest rate in a Range, and is normally the hiring rate of a new employee.

"Non-exempt employee" means an employee who is entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"On-Call Compensation" refers to additional money paid to an employee who is available to work when the need requires oftentimes in an evening or weekend capacity.

"Part-Time Employment" means employment less than 20 hours per week.

"Position" means an office or post of employment in the Town service with duties and responsibilities calling for the Full-Time or Part-Time employment of one person in the performance and exercise thereof (or of more than one person sharing the same position).

"Position Class" means the same as "Class" (note that a class may include only one position, in which event it is defined as a "single position class").

"Probationary Employee" means a first-time Town employee within his/her first six months of employment, or longer if extended.

"Promotion" means a change from one position to another position in a higher class and/or compensation grade.

"Range" means the difference between minimum and maximum rates of an assigned grade.

"Rate" means the measure of compensation for personal services on an hourly, weekly, monthly, annual or other basis.

"Salary Administration Plan" means the Personnel Bylaw Entitled "The Salary Administration Plan."

"Single Rate" means a rate for a specific position class that is not in a designated range

"Start Date" means the first day of employment with the Town.

SECTION 2. POSITION TITLES

No person shall be appointed, employed or paid in any position under any title other than those of the Classification Schedule for which the duties are actually performed. The position title in the Classification Schedule shall be the official title for all purposes, including payrolls, budgeting and official reports.

SECTION 3. NEW OR CHANGED POSITIONS

No new position shall be established, nor the duties of an existing position so changed that a new level or work demand exists, unless upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall (a) approve an appropriate job description, (b) rate such new or changed position, and (c) allocate it to its appropriate classification grade and establish the rate thereof.

SECTION 4. RECLASSIFICATION OF EMPLOYEES

No position may be reclassified to another grade, whether higher or lower, unless the Personnel Board shall have determined such reclassification is consistent with this Salary Administration Plan.

SECTION 5. JOB DESCRIPTIONS

The Personnel Board shall maintain such criteria as it deems appropriate for the positions and classes in the schedules. Each department or public body (board, committee, commission) with SAP employees shall maintain current job descriptions for such employees. All such job descriptions and any revisions thereto must be submitted to the Personnel Board for approval following review and approval by the Select Board or appropriate public body. The criteria for any class shall not be deemed to limit the duties or responsibilities of any position as set forth in the job description, nor to affect in any way the power of any administrative authority to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 6. COMPENSATION

a. The bi-weekly pay period shall begin at 12:00 a.m. Thursday and shall end at 11:59 p.m. on the following second Wednesday.

b. Non-exempt employees subject to this Salary Administration Plan shall be paid for one and one-half hours worked for any hour worked in the excess of forty in their weekly pay period, provided such extra hours were authorized by the Department Head.

c. The salary schedules set forth in Schedules A, B, C, D and E of Section 20 hereof reflect the maximum and minimum salaries for each grade.

d. The annual salary set forth in Schedule A represents a 40-hour work week and in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated annual salary is pro-rated reflective of the posted salary schedule in Schedule A.

e. Amounts paid to employees in reimbursement for expenses incurred in the performance of their duties (e.g., mileage, meals, dues, etc.) shall be paid in addition to their compensation. Reimbursement shall be based upon the actual documented expenditure made by the employee, or at rates established by the Internal Revenue Service, supported by that agency's requirements for documentation.

f. On-Call Compensation: The on-call member of the Facilities Department shall be eligible to earn a weekly stipend for on-call service if the department head has required them to be available to respond to situations outside of their normal work schedule. This weekly stipend shall be equal to a set rate of $300 per week. If the on-call staff member must report to work outside of their normal work schedule, compensation for this time shall be based on the standard SAP overtime practices. Additionally, if the on-call staff member is faced with a situation that renders them unable to serve as the on-call individual on a particular day that they are scheduled to be on call, said employee may request that another eligible staff member cover their on-call time, with the approval of the department head. In such an event, the regularly scheduled employee's weekly stipend will be reduced by $45.00 per day that they are unable to be on call; this stipend amount will instead be paid to the covering employee per day of coverage. There is no provision to accrue compensation time in lieu of payment for on-call time.

SECTION 7. SALARY ADJUSTMENT & COMPENSATION POLICIES

a. Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible for consideration of a salary increase annually on July 1. Employees hired between April 1 and June 30 will be eligible for a salary increase the July 1st following their twelve-month anniversary. Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Select Board or their designated appointee in the case of departments within the jurisdiction of the Select Board, or the appropriate Commissioners or Trustees in the case of departments outside the jurisdiction of the Select Board.

Retroactive salary increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism.

Unless specifically exempted by Personnel Board policy, requests for salary increases must be accompanied by a certification from an employee's manager that the employee's performance has been "satisfactory" or better and that a written employee performance appraisal, on a form approved by the Personnel Board, has been completed. The

form of this certification will be prescribed by Personnel Board policy promulgated hereunder. Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments.

An employee may appear before the Personnel Board prior to its action on any request for an increase. Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

b. Special Non-Continuous Part-Time employees and employees in Schedule B classifications shall be eligible for consideration for salary increases upon the recommendation of the appropriate department manager or Board and approval of the Personnel Board.

c. Probationary Employees

1. During the probationary period, benefit eligible employee(s) will earn vacation, sick and personal time in accordance with Section 11(b-d) hereof.

2. During the probationary period, paid leave accruals shall be based on the Start Date.

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board, provided the maximum for the job is not exceeded. This is contingent upon the Department Head's recommendation that qualifications and performance warrant it.

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the Personnel Board approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL HIRING; DEPARTURES

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. Probationary period: For new hires, the first six months of employment shall be a probationary period. The probationary period does not apply to Town employees who change positions within the Town. The probationary period is a time during which an employee will be evaluated to ensure that the employee has the requisite knowledge, skills, and abilities to perform the position (with or without reasonable accommodations). Completing the probationary period does not change the employee's relationship with the Town, which will remain one in which either the employee or the Town may terminate the relationship at will. The probationary period may be extended by a Department Head [or Appointing Authority] when deemed necessary.

c. A new employee's hiring rate shall be the minimum of the rate range of the job, unless otherwise authorized by the Personnel Board or Personnel Director. The Personnel Board is cognizant of the need to make timely decisions during the recruitment process, therefore, the Personnel Director is empowered to set starting salaries for new employees with comparable experience up to Step 8 for the appropriate job grade as set forth in Schedule A of the Salary Administration Plan.

d. The Personnel Director or his/her delegatee shall notify the Personnel Board in writing of the hiring of all personnel and their hiring rates. The Personnel Director or his/her delegatee shall also notify the Personnel Board in writing of the departure of any employee.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i(1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees. The benefits listed below are not intended to supersede what State or Federal law may otherwise require. The benefits set forth in this section are applicable to Full-Time employees only, except where noted.

All forms of paid leave set forth in this section are based on a 40 hour work week; in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a. Holidays with Pay

Full-Time employees shall receive one day's pay at their regular rate for the following:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veteran's Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	Day before or after Christmas Day (as set by the Town annually

To be eligible for holiday pay, an employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday. Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval. Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years.

All administrative policies and practices relative to holidays with pay shall be prepared and established under the direction of the Personnel Board.

b. Vacations with Pay

(1) Full-Time employees who have been in the continuous employ of the Town shall earn paid vacation in accordance with the following schedule:

Years of Employment	Hours Earned Per Month	Vacation Earned Per Year (Pro-rata)
0 - 2	6.666	Two weeks
2+ - 7	10.0	Three weeks
7+ - 15	13.333	Four weeks
15+ - or more	16.666	Five weeks

Employees hired prior to July 1, 2005, shall be eligible to earn twenty hours per month after serving twenty years of full-time employment with the Town.

(2) At the recommendation of the hiring authority and upon the approval of the Personnel Board, new employees entering into a position with the Town of Southborough from a similar position will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of four weeks' vacation [pro-rated] for the first year of employment with the Town.

Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the Department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. Employees hired on or after July 1, 2023, shall be permitted to carry over a maximum of two weeks to the following fiscal year. The employee must have the Department Head's approval to take any portion of a prior year's unused vacation in addition to the days earned in the current fiscalyear. Employees commencing employment with three weeks per year will be required to complete two years of service before ascending to the next band (four weeks) in the vacation schedule chart and seven years of service before ascending to the following band. Awarding four weeks should be the exception based on evidence that the employee is leaving another position that already provides this benefit. Employees commencing employment with four weeks per year will be required to complete five years of service before ascending to the next band (five weeks).

(3) If in the opinion of the Department Head there are unusual work-related circumstances that warrant it, a department head may seek approval from the Town Administrator or his/her delegatee to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(4) In the event of termination of employment the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

(5) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

c. Sick Leave

(1) Full-Time employees shall be entitled to accrue 10 sick hours per month, equaling 120 hours annually (15 sick days); employees working less than 40 hours in a weekly pay period will accrue ratably based on hours worked per week. Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave. Employees of the Town of Southborough hired on or after July 1, 2023, will not be subject to any payout of accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

(5) Sick leave administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

d. Personal Days

Full-Time employees shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's Start Date. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the Department Head. Personal days shall not accumulate from year to year.

e. Military Leave

(1) Reserve Duty: An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(2) Active Duty: Pursuant to Article 8 of the April 11, 2005 Annual Town Meeting, an employee in the federal military reserve or a state National Guard who is called to active service shall be entitled to their regular base salary and shall not lose any seniority or paid leave benefits while on military leave; *provided*, however, that such base pay shall be reduced by any amount received from the United States as pay or allowance for military service performed.

f. Jury Duty

Any employee who is called to jury duty shall be paid the difference between their normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

g. Miscellaneous Paid Time Off

Working time lost from regularly scheduled work days for reasons listed below shall be without loss of pay, provided such lost time is authorized by the Department Head. Sections (1) – (3) are applicable to Full-Time employees only; Section (4) is applicable to both Full-Time and Part-Time employees.

(1) Bereavement leave – In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the employee, such employee shall be entitled to receive three days' leave for the purpose of the funeral and services of the deceased. If out-of-state travel is required, the Department Head may authorize up to two additional days of travel time.

(2) Medical examination or inoculation required by the Town.

(3) Blood donation authorized by the Department Head.

(4) Attendance at professional and/or educational programs authorized by the Department Head.

h. Court Time Pay

If the Town requires that an employee appear in Court as a witness or in any other capacity arising from the performance of the employee's duty, or on behalf of the Commonwealth or the Town in any civil or criminal case pending in any Court or other official governmental board or agency, such appearance and related travel time shall constitute work time for purposes of calculating weekly hours worked. If such appearance or related travel time causes a non-exempt employee to exceed forty hours of work in any given work week, the employee shall be eligible for overtime pay in accordance with Section 6(b). This section does not apply to exempt employees.

i. Employee Educational Support/Professional Development

(1) Degree Bonus: All Part-Time and Full-Time employees who, while an employee of the Town, earns a degree in a field applicable to their position from an accredited college or university, shall receive a one-time bonus subject to appropriation, according to the following schedule:

Associates Degree ...$ 800.00
Bachelors Degree ..$1,200.00
Masters Degree $1,500.00

A copy of the completed transcript, diploma or other appropriate evidence of the completed degree must be presented to the Department Head and the Personnel Board, and shall be submitted as documentation for accounts payable.

(2) Tuition reimbursement: the Town may offer tuition reimbursement to eligible Full-Time and Part-Time employees as prescribed by Personnel Board policy enacted under this Bylaw.

j. Group Medical Insurance

Starting July 1, 2009, the Town will contribute fifty percent (50%) of the cost of a medical indemnity plan or seventy-five percent [75%] of the cost of a Health Maintenance Organization plan for Full-Time employees only.

SECTION 12. UNPAID LEAVES OF ABSENCE

a. A leave of absence without compensation may be granted by the Personnel Board.

b. Leaves of absence of over three months' duration (except Military Leave) shall be deemed a break in employment, and on return to work the employee shall have the status of a new employee unless an extension of leave beyond three months was authorized by the Personnel Board.

SECTION 13. PART-TIME EMPLOYEES WORKING FULL-TIME HOURS TEMPORARILY

a. A Part-Time employee may work 20 hours or more per week for no longer than two bi-weekly pay periods, or four bi-weekly pay periods in the case of an Election Worker during an election cycle, if requested by their Department Head due to exigent circumstances, or for longer if recommended by the appointing authority or the Personnel Director, with the authorization of the Finance Director and approval of the Personnel Board. In such cases, the employee will remain a Part-Time employee with no change in status.

b. Department Heads may submit requests for additional compensation for Part-Time employees temporarily working Full-Time hours, subject to available funding as authorized by the Finance Director and approved by the Personnel Board.

SECTION 14. APPOINTMENT OF "ACTING" DEPARTMENT HEADS

a. In the absence or retirement of a Department Head for three consecutive weeks, the Select Board or appropriate board or commission may appoint an "Acting" Department Head to serve for a period ofnot more than three months. Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Select Board or other appropriate board or commission for each such extension. In no case shall an appointment of an "Acting" Department Head exceed one year.

b. Duly appointed "Acting" employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the "Acting" employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation.

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems

necessary, subject to appropriation of funds therefor.

SECTION 16. DUTIES OF THE PERSONNEL BOARD

a. The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of the Plan.

b. The Town Administrator serves as the Town's Personnel Director under the Town Administrator Bylaw [Ch. 27, Art. IX]. As such, the Personnel Director is invested with personnel authority and responsibilities as set forth therein. From time to time, and as may be necessary, the Personnel Board will consult and/or act in concert with the Personnel Director or his/her delegatee on matters of joint responsibility and concern. The Personnel Board shall provide oversight and guidance to the Personnel Director in the development and maintenance of personnel policies and regulations.

c. The Board shall meet annually in July and organize by the choice of a Chair and Vice-Chair. The Board shall meet at least monthly, except when there is no business before the Board. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

d. The Personnel Board shall maintain records of all employees subject to this Plan as it deems desirable, including personnel evaluations. Such records are to be kept by the Personnel Director or his/her delegatee, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the Board.

e. The Personnel Board shall from time to time, but no less often than every federal Election Year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

f. The Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information. Approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.

g. Matters of concern by SAP employees that are communicated in writing to the Chair of the Personnel Board will be scheduled on an agenda at the next available meeting providing all necessary and requested information has been submitted in time to be part of the meeting packet. In addition, notice in writing shall be forwarded to the concerned employee and respective Department Head within seven days of the Board's decision. Notwithstanding the foregoing, if the Personnel Board shall so request and the concerned employee and Department Head shall agree, a reasonable extension of these time periods may be granted.

h. Upon recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, the Board may authorize variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the Town, and to effectuate the basic intent of the Plan.

SECTION 17. EMPLOYEES AND THE PERSONNEL BOARD

a. All employees covered by this Salary Administration Plan shall have the right to request an appointment to confer with the Personnel Board on any matter of interest or concern to them that is covered by the Salary Administration Plan. The employee shall notify the Department Head in writing in advance of the desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

The Salary Administration Plan may be amended in the same manner that Town Bylaws may be amended. However, no amendment to the Plan shall be made until it has been presented to the Personnel Board and the Personnel Board has the opportunity to act on it. The Board of its own motion may propose an amendment to the Plan.

SECTION 19. SEVERABILITY PROVISION

In the event that any provision of this bylaw, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this bylaw.

SCHEDULE D: SPECIAL ADMINISTRATIVE AND SUPERVISORY POSITIONS

Police Lieutenant:

In addition to all the benefits provided employees under the SAP, he/she would be eligible for some additional benefits as provided members of Mass COP Local 167, the police union collective bargaining agreement.

As a result, a separate policy is adopted by the Southborough Select Board and enforced by the Southborough Police Department subject to change in conjunction with future collective bargaining agreements.

*Increases in salary for long term employees will be considered case by case by Personnel Board.

SCHEDULE E: LONGEVITY SCHEDULE: Full-Time Employees of Town of Southborough –Compensated annually on the anniversary of the employee's Start Date

After 5 years $400
After 10 years $600
After 15 years $700
After 20 years $850
After 25 years $1,000
After 30 years $1,200
After 40 years $1,500

, or do or act anything in relation thereto.

Proposed by: PERSONNEL BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: At Town Meeting
Summary: *The Personnel By-Law governs policies and pay structures for non-union employees.*

ARTICLE 5: To see if the Town will vote to raise a sum of money as may be necessary for the Town's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

SEE BUDGETS ON THE FOLLOWING PAGES

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation: At Town Meeting

Summary: *The article includes recommendations from both the Select Board and the Advisory Committee for the FY25 budget. Funding recommendations are noted in the individual recommendation columns for each department.*

ARTICLE 6: To see if the Town of Southborough will vote to raise and appropriate or transfer from available funds a sum of $289,414.00 to the Police Department Budget, #210 for the purpose of hiring four full-time dispatchers to provide coverage 24/7, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation:
Advisory Committee Recommendation: Not Support
Summary: *Over the past two and a half years the Town has been exploring joining a Regional Emergency Communications Center (RECC). Now is the time to address the immediate need. This is NOT a clerical job. Dispatchers provide critical emergency communication services to Police, Fire, EMS, Public Health, DPW, School Departments, Building Departments, Youth and Family Services, Senior Services, Recreation, State Police, Court, Commonwealth of Mass. Properties, Dam, MBTA Station,9-11 Field, Reservoir trails, Businesses and private non-profits.*Select Board Packet, March 7, 2023, Office of the Select Board, the original intent of looking at Regional Emergency Communications Center (RECC) was not for financial purposes for Southborough. There has been consensus that maintaining 1 dispatcher per shift is not acceptable. However, there have been questions raised about the costs. Three different scenarios of future dispatch costs with assumptions outlined in memo. * Select Board Meeting Minutes, December 19, 2023, III.i.ii. Chief Achilles & Chief Newell recommendation for maintaining current model Chief Newell and Chief Achilles shared their findings on enhancing the current dispatch operation system. "The Chiefs state that whether or not the Town chooses to regionalize, the immediate need is to add four full-time dispatchers to provide coverage 24/7."*

ARTICLE 7: To see if the Town of Southborough will vote to raise and appropriate, or transfer from available funds a sum of $119,372.00 for the purpose of covering the Employee Benefits for the additional four full-time dispatchers, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation:
Advisory Committee Recommendation: Not Support
Summary: *These Employee Benefits funds for the additional four full-time dispatchers will be applied to the Employee Benefits Budget, #910, as standard practice in Southborough.*

ARTICLE 8: To see if the Town will vote to raise a sum of money as may be necessary for the Water Enterprise Fund's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

WATER ENTERPRISE	FY 2022 ACTUAL	FY 2023 ACTUAL	FY 2024 BUDGET	FY2025 REQUEST	PERCENT (+) or (-)
DIRECT COSTS					
51000-51990 Total Personal Services	319,953	387,136	399,116	427,159	
52000-58990 Other Charge & Expense	1,705,388	1,425,664	1,660,150	1,562,556	
59100 Principal Long Term Debt Water	344,408	345,000	342,000	380,000	
59150 Interest Long Term Debt Water	111,526	97,890	82,515	102,028	
59250 Interest on Notes	0	10,027	35,819	0	
CAPITAL EQUIPMENT - LEASE					
DPW DIESEL YEAR 4 OF 7	10,622	10,622	10,622	10,622	
DPW HOOK TRUCK YEAR 4 OF 7	9,103	9,264	9,105	9,105	
CAPITAL EQUIPMENT

INDIRECT COSTS					
59510 Indirect Costs	204,695	216,133	249,770	387,187	
TOTAL WATER FUND	2,705,695	2,521,736	2,804,097	3,128,657	11.57%

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation: Support
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates and the fund's retained earnings, which supports all aspects of the department's operation. The funding for those capital items that are being leased/purchased for use by the Water Department, in whole or in part, are included in this budget.*

ARTICLE 9: To see if the Town will vote to transfer $100,000 from Water Retained Earnings for use in the FY24 Water Enterprise Fund budget, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation: Support
Summary: *This article is intended to supplement the water revenue for the current fiscal year in the Water Enterprise Fund. FY24 has seen lower than expected water usage, and the use of retained earnings will complement the revenue from water rates and provide sufficient support for the Water Enterprise Fund.*

ARTICLE 10: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	Request	Levy	Receipts Reserved Ambulance/Other
A.	ROAD MAINT. & MISC STREET REPAIR	$472,500	$472,500	
B.	MOWER ATTACHMENT J DEERE TRACTOR	$ 20,630	$ 20,630	
C.	POLICE CRUISERS (2)	$150,000		$150,000
D.	DEFIBRILLATORS - PARAMEDIC	$ 50,000	$ 50,000	

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD

Select Board Recommendation:
Advisory Committee Recommendation: Support
Summary:
A.
B.
C.
D.

ARTICLE 11: To see if the Town will vote to apply for, accept, and expend Massachusetts Public Library Construction Program ("MPLCP") grant funds if approved, and vote to raise and appropriate or transfer from available funds the sum of $150,000, or any other sum if said MPLCP grant is approved, said sum to be expended by the Town for library assessment, planning, feasibility and/or design, or act in any manner relating thereto, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:

ARTICLE 12: To see if the Town will appropriate $2,186,000, or any other amount, to pay costs of purchasing the following items of capital equipment, including the payment of all costs incidental and related thereto:

Fire Tower Demo Truck	$1,300,000
Ambulance A28	551,000
Trash Trailer	125,000
Sidewalk Tractor w/Attachments	210,000

and to determine whether this amount shall be raised by borrowing or otherwise provided, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation: Support
Summary:

ARTICLE 13: To see if the Town will vote to appropriate a sum of money for the payments of the capital lease agreements as described below:

	Equipment	Authorized Department	Source of Appropriation	FY25 Amount
A.	1 - Horton Type Ambulance	Fire Department	FY25 Capital Budget - Ambulance Fund	$57,191
B.	1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY25 Capital Budget - General Fund	$25,037
C.	1 - Pick Up Diesel F-350	Dept. of Public Works	FY25 Capital Budget - General Fund	$10,622
D.	1 - Fire Dept Chief Vehicle	Fire Department	FY25 Capital Budget - Ambulance Fund	$8,422
E.	Police Taser Program	Police Department	FY25 Capital Budget - General Fund	$19,455

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The lease agreements for these vehicles were authorized by Town Meeting in 2021, and these are the fourth year of the lease payments. With the exception of the Fire Ambulance (5-year lease) and Police Taser (3-year lease), all of the leases are for 7 years.*

ARTICLE 14: To see if the Town will vote to authorize payment from Fund 2261 – 9-11 Field Maintenance Revolving the sum of $45,000 for the FY24 principal and interest payment, and $45,000 for the FY25 principal and interest payment, for the May 2018 bond issuance for the resurfacing of 9-11 Field; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:

ARTICLE 15: To see if the Town will vote to transfer from Free Cash the sum of $5,000 for the purpose of hiring consultants, engineers, water quality specialists, and/or environmental consultants by various Town departments, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows town departments, with the approval of the Select Board, to hire outside expertise when the need arises.*

ARTICLE 16: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article.*

ARTICLE 17: To see if the Town will vote to transfer from Free Cash the sum of $10,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE 18: To see if the Town will modify the intent of Article 18 passed at the Annual Town Meeting on April 9th 2018 which stated "Lundblad Field design & specialty consultant" to re-purpose to "Lundblad Field construction and upgrades", or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The original article was to "fund research and design work including investigation of the membrane and other aspects of the property." As a balance of $46,411.00 remains the Town would like to utilize the residual funds for the construction of facility improvements, including, but not limited to, a community dog park.*

ARTICLE 19: To see if the Town will vote to raise and appropriate, or transfer from available funds the sum of $150,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Capital Improvement and Planning Committee as requested, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE 20: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the ongoing maintenance of capital investments associated with outdoor recreational facilities. The Town's Director of Recreation shall recommend appropriate projects to the Recreation Commission. The Recreation Commission shall approve all expenditures under this article, or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:

ARTICLE 21: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for Fiscal Year 2025 for existing revolving funds:

1. Immunization/Emergency Dispensing Clinic; $15,000.
2. Inspectional Services; $140,000.
3. 9-11 Field Maintenance; $100,000.
4. Wetland Protection; $30,000.
5. Hazardous Materials; $75,000.
6. CPR Classes; $6,500.
7. Community Garden; $3,000.
8. Recreation Programs; $500,000.
9. Tobacco Control Program; $4,000.
10. Golf Course Maintenance; $75,000.

, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH, SELECT BOARD, RECREATION COMMISSION, AND CONSERVATION COMMISSION
Select Board Recommendation: Support

Advisory Committee Recommendation: Support
Summary: *This article approves the annual spending limits for revolving funds that are now authorized by Town by-law.*

ARTICLE 22: To see if the Town will vote to accept Massachusetts General Law Ch. 40, Section 3 to allow the Southborough School District to keep monies received from the rental of space in its schools. These monies may be expended by the Southborough School Committee for the purpose of upkeep and maintenance of any and all Southborough Public Schools with no further legislative body approval. The monies may accumulate from year to year, and shall not be considered to be part of the general funds unassigned balance, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:

ARTICLE 23: To see if the Town will vote to authorize the Southborough School District to establish a Special Education Stabilization Fund according to Section 24 of Chapter 218 of the Acts of 2016 for the purposes of establishing a reserve fund that can be used in future years for unanticipated or unbudgeted costs of special education, out of district tuition, transportation, and recovery high school tuition, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:

ARTICLE 24: To see if the Town will authorize the Select Board to lease all or a portion of the roof of Trottier Middle School located at 49 Parkerville Road for a term of 10-20 years, upon such terms and conditions as are acceptable to the Select Board, to a solar energy provider to construct, maintain, and operate a solar facility on the property and to enter into a power purchase agreement with the solar energy provider; and further, to authorize the Select Board to grant an easement to National Grid to install, maintain, operate, repair, reinstall, or replace any utilities required for interconnection to the solar facility project., or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:

ARTICLE 25: To see if the Town will vote to authorize the Northborough-Southborough Regional School District to establish a Stabilization Fund according to Chapter 71, Section 16G 1/2 of the General Laws for the purposes of funding capital items as identified in the Northborough-Southborough Regional School District Capital Plan, or do or act anything in relation thereto.

Proposed by: REGIONAL SCHOOL COMMITTEE
Select Board Recommendation:
Advisory Committee Recommendation: Not Support
Summary:

ARTICLE 26: To see if the Town will vote to accept the report of the Community Preservation Committee for the FY 2025 Community Preservation Projected Receipts and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as follows:

Estimated Surcharge Receipts (Based on Town Treasurer's Projections) ..... $ 447,844
State Match (Projected FY2024 State Match) ..... $ 64,905
Total Projected Revenue..... $ 512,479

Set Aside- Open Space
$51,275 to be set aside, held in the Community Preservation Open Space Reserve Account, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Set Aside – Historic Preservation
$51,275 to be set aside, held in the Community Preservation Historic Reserve Account, and spent in FY2025 or later years for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Advisory Committee Recommendation: Support
Summary: *Under the direction of Town Clerk Jim Hegarty said funds will be used for the restoration of historic Town documents dating back to the 1700's.*

ARTICLE 33: To see if the Town will vote to appropriate $211,232 from the CPA Fund FY2024 Budgeted Reserve for the construction of the final segment of Peninsula Trail requested by the Southborough Trails Committee for recreational purposes. This consists of $183,680 in project costs and an additional $27,552 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on a project start date of July 1, 2024, and to be completed by December 1, 2026 or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of Kathryn McKee, Chair of the Southborough Trials Committee (STC), and with Recreation Director Tim Davis as an advisor, said funds will be used for the installation of the boardwalk, footbridge, and other trail construction related tasks for "Bridging the Gap" Phase II of the STC Peninsula Trail Project.*

ARTICLE 34: To see if the Town will vote to appropriate $553,750 for the installation of a new irrigation system at the Southborough Golf Club, with $ 333,287 from the CPA FY25 Budgeted Reserve Account and $220,463 from the CPA Fund, as requested by the Southborough Golf Committee for the purpose of recreation. This consists of $475,000 in project costs and an additional $78,750 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on project completion by December 1, 2026 or funds to be returned to the CPA Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and

signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: At Town Meeting
Summary: *Under the direction of Tony Schoener, Chair of the Southborough Golf Committee (STC), and with the golf course management company - New England Golf, overseeing the installation, said funds will be used for the installation of the new irrigation system to replace the existing 50+ year old system which is leaky, prone to failure requiring frequent repair, and time consuming to operate. A new system will reduce water consumption, provide improved coverage, and be more cost efficient. This article is the Community Preservation share of funding a total project amount of $603,750 offset by a $50,000 contribution from the Golf Course Revolving fund.*

ARTICLE 35: To see if the Town will vote to appropriate the sum of $96,115.13 for the use of the Board of Health to provide for substance abuse abatement activities following the Town's participation in the Statewide Opioid Settlements negotiated by the Massachusetts Attorney General, and to meet said appropriation the sum of $96,115.13 be transferred from Free Cash, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:

ARTICLE 36: To see if the Town will vote to authorize the Select Board under Clause (1) of Section 8 of Article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts to submit to the General Court a Home Rule Petition, accompanied by a bill for a special law relating to the Town of Southborough, to the end that legislation be adopted precisely as submitted. The General Court may make clerical or editorial changes of form only to the bill, unless after a public hearing the Select Board approves amendments to the bill before enactment by the General Court. The Select Board is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition. Said submission shall be accompanied by an attested copy of the motion and vote of the Town Meeting on this article.

Said bill shall make the following modifications to Ch. 447 of the acts of 1991: (a) Re-establish the office of Tree Warden as an appointee of the Select Board, supervised by the DPW superintendent; (b) dissolve the Public Works Planning Board of the town of Southborough; (c) replace "board of selectmen" with "select board" throughout.
The form and wording of said submission shall be determined by the Select Board in consultation with Town Counsel and the Town's representatives to General court, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Public Works Planning Board was created in 1991, and does not meet current expectations. The Select Board is officially the town's Tree Warden by the Special Act which has proven inefficient. The office of Tree Warden would be reinstated as an appointed officer of the Town.*

ARTICLE 37: To see if the Town will vote to establish a Public Works Advisory Committee by deleting Article I ("Solid Waste Disposal Committee") of the Town Code in its entirety and inserting the following into the Town Code:

Article XIII Public Works Advisory Committee

§9-52 Purpose
Because the Department of Public Works ("DPW") is a complex organization that consumes a significant portion of the Town's budget and directly impacts the life of every resident: planning, prioritization, coordination and

communications with the residents is essential. The PWAC provides a focal point for and assistance with this complex function.

§9-52-A Establishment; Membership; Qualifications

Effective upon the dissolution of the Southborough Public Works Planning Board, there shall be a Public Works Advisory Committee ("PWAC"), which shall consist of five voting members and the non-voting ex-officio members identified below.

Each voting member shall be a resident of the Town and shall not be a Town officer or employee. Preferably at least 3 voting members should have significant relevant work experience and knowledge of activities undertaken by the DPW.

The voting members shall be appointed by the Select Board.

§9-52-B Appointments; Terms; Vacancies; Removal

Voting members shall be appointed for three-year terms. The initial appointments shall be two members for three years, two members for two years, and one member for one year, so as to establish overlapping terms.

Any voting member who shall remove from the Town, resign, or die shall cease to be a member. When notified that any voting member has failed to faithfully discharge his duties, or has failed without good cause to attend at least three quarters of the PWAC meetings held in any six-month interval: the Select Board shall promptly give notice, hold a hearing and determine whether such member shall be removed from the PWAC. In any case of a vacancy in the voting membership, the Select Board shall make every effort to, within thirty days, appoint a replacement for the balance of the unexpired term.

The ex-officio (non-voting) members have terms coincident with their employment and shall be: the Superintendent of Public Works and the Town Planner.

§9-52-C Organization; Meetings

The members shall select, from among themselves, a Chair, vice-Chair, and a Secretary.

The PWAC shall establish a regular schedule of meetings sufficient to complete its duties, but shall meet at least quarterly.

The PWAC shall ordinarily and preferentially meet in the Town, but may conduct meetings, investigations or inspections within the scope of its duties and authority anywhere, subject to standard Town travel budgets and policies.

The PWAC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.

All reports and recommendations of the PWAC made to the Town shall be voted by a majority of the voting members of the PWAC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the non-voting members.

§9-52-D Funding

The PWAC may incur expenses for consultants, communications, minute-takers and other purposes. Such expenses shall be from a separate line item under the DPW's budget, established by the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the PWAC, and be subject to the Town's policies for such expenditures.

§9-53 Functions and Definitions

The duty of the PWAC shall be to respond to requests for support from the Superintendent of Public Works, the Select Board, the Planning Board, the Advisory Committee, the Capital Improvement Planning Committee, and such other Town Entities as may be appropriate.

Further, PWAC shall also proactively evaluate, study, recommend, propose, and/or report on significant projects to be undertaken by the DPW.

The PWAC shall assume the functions of the former Green Technology and Recycling Committee that were assigned to the former Public Works Planning Board.

In this Article XIII, the phase "Town Entities" includes any Town board, committee, or agency of Town government, or subsidiary organization of any of these, whether statutory, elected or appointed.

In this Article XIII, the phase "Public Works Projects" includes projects conducted or planned to be conducted by the DPW, including but not limited to: road and sidewalk construction and maintenance; solid waste disposal (including operation of the transfer station, recycling and fees); cemetery operation; construction and maintenance of the water system (including conservation and fees); tree maintenance, removal, and replacement; public stormwater, and traffic management.

§9-54 Mission and Authority

The PWAC shall assist with establishing priorities and long-term planning for significant Public Works Projects. The PWAC may evaluate and/or develop options to be considered for Public Works Projects that significantly deviate from

their plans in scope, expense, and/or schedule. The PWAC may assist in locating and/or evaluating the desirability of external (e.g., grant) funding for Public Works Projects.
The PWAC shall coordinate its work with the Advisory Committee, Capital Improvement Planning Committee, Planning Board, Trails Committee, and Recreation Commission as reasonably necessary.
The PWAC shall not manage or direct the Superintendent of Public Works, DPW employees, or projects.
The PWAC shall assist the Superintendent of Public Works to communicate plans for Public Works Projects and the status of such projects to residents (especially neighbors) at the earliest feasible time. It shall serve as a focal point for citizen concerns with Public Works Projects, and may conduct public hearings.

§9-54-A Other Agencies

The PWAC may meet with other governmental agencies to discuss opportunities for interoperation, efficiencies or other synergies. However, the PWAC does not have the authority to commit the Town to pursue such opportunities, which authority rests with the Superintendent of Public Works, other Town Entities, and/or their designees.

§9-55 Reporting

From time to time, as may be necessary, the PWAC shall report to the Superintendent of Public Works and/or the Select Board on its activities and such reports, studies, evaluations, recommendations, and/or proposals as it has initiated or have been requested of it.
From time to time, as may be necessary, the PWAC shall report to the Town Meeting.

§9-56 Interpretation

The section headings and numbering of this Article XIII are for convenience and shall not be construed to modify the interpretation of the article.
In this Article XIII, the masculine forms (including "his", "he", and "him") are used inclusively to refer to any person regardless of gender or sexual orientation.
In this Article XIII, terms are defined in quotation marks within parenthesis, and their uses are indicated by capitalization. The definition of each such term applies to its use in the entirety of this Article XIII, whether or not the definition appears before such use.
In this Article XIII, the word "will" is to be interpreted as descriptive of an outcome or process and not as an imperative; the word "shall" is to be interpreted in the imperative sense of "must" or "is required to"; while the word "may" is to be interpreted in the permissive sense of "optionally", or "has discretion whether or not to".

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Replaces the Special Act-chartered Public Works Planning Board with a Town standing committee when the PWPB dissolves as initiated by the previous article.*

ARTICLE 38: To see if the Town will vote to amend Article XI, Capital Improvement and Planning Committee, of the Town Code by deleting § 9-43(A) in its entirety, and replacing it with the following:

A. There shall be a Capital Improvement and Planning Committee ("CIPC"), which shall consist of five voting members and the two nonvoting ex-officio members identified below.

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Capital Improvement and Planning Committee is seeking to reduce its membership from 7 to 5 members to alleviate issues with getting quorums for meetings.*

ARTICLE 39: To see if the Town will vote to add a new **§ 174-10.3** to the Town of Southborough's Zoning Bylaws, amend the zoning map, amend certain other sections to integrate the new section into the current zoning bylaw, and

make any minor modifications to the text required for consistency with the existing format of the bylaws.

Add the following definitions to § 174-2. Definitions.
B. Definitions
Add definitions here if the Town would prefer them to be in the main section rather than the MCMOD zoning. The current definition of Lot is similar, so I retained the Town's. The Town's definitions of Dwelling, Multifamily, Dwelling Unit, and Open Space were sufficiently different, so I left those in. See § 174-10.3.C.

Add the following text to: § 174-3. Districts enumerated.
N. MBTA Communities Multi-family Overlay District, referred to as MCMOD.

Add the following text to:§ 174-10. Site plan approval
A. The purpose of the site plan review procedure is to encourage a desirable and compatible character of development within the Town of Southborough and to assure safety, promote logic, imagination and innovation in the design process while complying with all zoning requirements. The requirements of this section shall be applicable to the following:

(6) All multi-family development with more than 10 units within the MCMOD (§174-10.3).
Add the following text to:§ 174-12.1. Outdoor illumination
(3) LZ-2: moderate ambient lighting
(a) Areas of human activity where the vision of human residents and users is adapted to moderate light levels. Lighting may typically be used for safety and convenience, but it is not necessarily uniform or continuous. After curfew, lighting may be extinguished or reduced as activity levels decline.
(b) Zoning District: Business Village, **MCMOD**

Add the following section:
§ 174-10.3: MBTA Communities Multi-family Overlay District
A. Purpose

The purpose of the MBTA Communities Multi-family Overlay District (MCMOD) is to allow multi- family housing as of right in accordance with Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A). This zoning provides for as of right multi-family housing to accomplish the following purposes:
(1) Encourage the production of a variety of housing sizes and typologies to provide equal access to new housing throughout the community for people with a variety of needs and income levels;

(2) Support vibrant neighborhoods by encouraging an appropriate mix and intensity of uses to support an active public space that provides equal access to housing, jobs, gathering spaces, recreational opportunities, goods, and services within a half-mile of a transit station.

(3) Locate housing within walking distance of public transit [and downtowns or town centers] to promote general public health, reduce the number of vehicular miles travelled, support economic development, and meet community-based environmental goals, including reducing greenhouse gases and improving air quality.

(4) Preserve open space in a community by locating new housing within or adjacent to existing developed areas and infrastructure.

(5) Support public investment in public transit and pedestrian- and bike-friendly infrastructure.

(6) Increase the municipal tax base through private investment in new residential developments.

B. Establishment and Applicability
This MCMOD is an overlay district having a land area of approximately 53.9 acres in size that is superimposed over the underlying zoning district (s) and is shown on the Zoning Map.
(1) **Applicability of MCMOD.** An applicant may develop multi-family housing located within a MCMOD in accordance with the provisions of this § 174-10.3.

(2) **Underlying Zoning.** The MCMOD is an overlay district superimposed on underlying zoning districts. The regulations for use, dimensions, and all other provisions of the Town of Southborough's Zoning Bylaw governing the

respective underlying zoning district(s) shall remain in full force, except for uses allowed as of right or by special permit in the MCMOD. Uses that are not identified in § 174-10.3 are governed by the requirements of the underlying zoning district(s).

(a) The requirements of § 174-10.13.2 Major residential development do not apply to the MCMOD.

(b) The requirements of § 174-10.13.3 Lower impact development may be used as a component of site plan review under § 174-10.3.J, but the Planning Board may not require a separate special permit for a multifamily use within the MCMOD.

(c) The requirements of § 174-10.13.4 Water resource protection may be used as a component of site plan review under § 174-10.3.J, but the Planning Board may not require a separate special permit for a multifamily use within the MCMOD.

(3) **Sub-districts.** The MCMOD contains the following sub-districts, all of which are shown on the MCMOD Boundary Map: Subdistrict A and Subdistrict B.

C. **Definitions.**
For purposes of this § 174-10.3, the following definitions shall apply.
(1) **Affordable unit.** A multi-family housing unit that is subject to a use restriction recorded in its chain of title limiting the sale price or rent or limiting occupancy to an individual or household of a specified income, or both.

(2) **Affordable housing.** Housing that contains Affordable Units as defined by this § 174-10.3.

(3) **Applicant.** A person, business, or organization that applies for a building permit, Site Plan Review, or Special Permit.

(4) **Area Median Income (AMI).** The median family income for the metropolitan statistical region that includes the Town] of Southborough, as defined by the U.S. Department of Housing and Urban Development (HUD).

(5) **As of right.** Development that may proceed under the Zoning in place at time of application without the need for a special permit, variance, zoning amendment, waiver, or other discretionary zoning approval.

(6) **Development standards.** Provisions of § 174-10.3: G. General Development Standards made applicable to projects within the MCMOD.

(7) **EOHLC.** The Massachusetts Executive Office of Housing and Livable Communities, DHCD's successor agency.
(8) **Multi-family housing.** A building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building.

(9) **Multi-family zoning district.** A zoning district, either a base district or an overlay district, in which multi-family housing is allowed as of right.

(10) **Open space.** Contiguous undeveloped land within a parcel boundary.

(11) **Parking, structured.** A structure in which vehicle parking is accommodated on multiple stories; a vehicle parking area that is underneath all or part of any story of a structure; or a vehicle parking area that is not underneath a structure, but is entirely covered, and has a parking surface at least eight feet below grade. Structured Parking does not include surface parking or carports, including solar carports.
(12) **Parking, surface.** One or more parking spaces without a built structure above the space. A solar panel designed to be installed above a surface parking space does not count as a built structure for the purposes of this definition.
(13) **Residential dwelling unit.** A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking. and sanitation.

(14) **Site plan review authority.** Town of Southborough Planning Board.

(15) **Sub-district.** An area within the MCMOD that is geographically smaller than the MCMOD district and differentiated from the rest of the district by use, dimensional standards, or development standards.

(16) **Subsidized Housing Inventory (SHI).** A list of qualified Affordable Housing Units maintained by EOHLC used to measure a community's stock of low-or moderate- income housing for the purposes of M.G.L. Chapter 40B, the Comprehensive Permit Law.

D. Permitted Uses

(1) **Permitted Uses are as follows:** The following uses are permitted as of right within the MCMOD. (a) Multi-family housing.

(2) **Accessory Uses.** The following uses are considered accessory as of right to any of the permitted uses in Section D.1. (a) Parking, including surface parking and parking within a structure such as an above ground or underground parking garage or other building on the same lot as the principal use.

(b) Customary home occupation.

(3) **Prohibited uses.** All uses which are not listed above, legally nonconforming or otherwise allowable by the provisions of the zoning regulations, are prohibited.

E. Development standards are as follows:

Table of Dimensional Standards. Notwithstanding anything to the contrary in this Zoning, the dimensional requirements applicable in the MCMOD are as follows:	**Subdistrict A** *Area 6A* *Area 6B* *Area 6C*	**Subdistrict B** *Area 7* *Area 21*
Standards		
(a) Minimum lot area	25,000	43,560
(b) Minimum frontage	125	200
(c) Minimum setbacks		
(i) Front	30	Area 7 75* / Area 21 50*
(ii) Rear	35	50
(iii) Side	15	50
(d) Maximum height	2.5 stories or 35 feet	3 stories of 45 feet
(e) Maximum floor area ratio	0.3	0.6
(f) Maximum dwelling units per acre	15.0	15.0

; or do or act anything in relation thereto.

Advisory Committee Recommendation: Support
Summary:

ARTICLE 41: To see if the Town will vote to amend Chapter 174 of the Town Code to include an expiration for special permits as required by MGL c. 40A Section 9 as follows:

In Chapter 174 Section 9 – Special Permit Requirements, to add after the sentence ending with "...or destructive of property values therein." the following clause: "Unless otherwise designated by this chapter, if the rights authorized by a special permit are not exercised within two years from the date of grant thereof, they shall lapse, and a new petition, notice, and hearing will be required for their reestablishment. The applicant shall be granted a single one-year extension by applying in writing to the special permit granting authority at least 30 days prior to the date when the special permit is due to lapse. An extension will only be granted for good cause and/or at the discretion of the special permit granting authority."

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD/ZONING BOARD OF APPEALS
Select Board Recommendation:
Advisory Committee Recommendation: Support
Summary: *This article would amend the Zoning Bylaw to comply with MGL c. 40A Section 9, which requires bylaws to provide a specified period of time after which special permits will lapse.*

ARTICLE 42: To see if the Town will vote to delete in its entirety Chapter § 9-2 of the town code "Meetings prohibited on Election Day, or when Town offices are closed due to weather or other emergency" and replace it with:

§ 9-2 Meetings prohibited on Election Day, or when Town offices are closed due to a weather or other emergency

A. If the Select Board or their designee announce that all Town offices are closed due to a weather or other emergency, any scheduled public meeting shall be cancelled. However, public meetings may be held if the meeting is held in an online format where the public may observe the meeting. A previously scheduled in-person only meeting may be changed to an online format by submitting a revised agenda to the Town Clerk. If a meeting is cancelled, the Town Clerk shall post notice of the cancellation on the Town website.

B. This prohibition will not apply to emergency meetings held to address weather or other emergencies as defined by the Attorney General.

C. No board, committee or commission shall schedule a meeting on the day of any Town, state or federal election.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This Article modifies the existing town code to allow meetings to be held when town buildings are closed to the public due to a weather or other emergency, if the meeting is held in an online format where the public may observe the meeting.*

ARTICLE 43: To see if the Town will vote to accept MGL Ch 41 S 19 K as follows:

"In any town, that accepts this section, a town clerk who has completed the necessary courses of study and training, and has been awarded a certificate by the Massachusetts Town Clerks' Association as a certified Massachusetts municipal clerk, shall receive as compensation from such town, in addition to the regular annual compensation paid by such town for services in such office, an amount equal to 10 per cent of such regular annual compensation, but not more than $1,000 per year. In order to qualify for such additional compensation, a town clerk shall submit to the board of selectmen of such town proof of the award of such certificate. The additional compensation provided in this section shall be prorated for any 12 month period in which an eligible person does not hold the office of town clerk for 12 consecutive months. Such additional compensation shall discontinue when certification is discontinued or withdrawn."

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This Article accepts the Massachusetts General Law that provides an annual $1,000 stipend to a town clerk who obtains certification as a Massachusetts Municipal Clerk. Only 31% of Massachusetts town clerks have the required experience, have taken the required continuing education courses and passed the 250 - question examination required to earn this certification.*

ARTICLE 44: To see if the Town will vote to amend Town Code § 9-25 Meeting minutes, by deleting it in its entirety and replacing it with:

Each board, committee, or commission shall provide minutes for each of its meetings to the Town Clerk within 45 days of the meeting. Minutes shall be kept by the Town Clerk for a period as required by applicable state law.

A. Minutes shall indicate whether they have or have not been approved by the board, committee or commission when submitted to the Town Clerk.
(1) Minutes that have not been approved at the time of their receipt shall be labeled "Draft."
(2) The Town Clerk shall log the receipt of all minutes and the Town Clerk shall post minutes on the Town website.

B. Minutes shall be submitted in a manner consistent with the Open Meeting Law (MGL c. 30A, § 22), and the Attorney General's Open Meeting Law Guide, and must include:

- the date, time and place of the meeting;
- the members present or absent;
- the decisions made and actions taken, including a record of all votes;
- a summary of the discussions on each subject;
- a list of all documents and exhibits used at the meeting; and
- the name of any member who participated in the meeting remotely.

C. Minutes submitted to the Town Clerk shall include, as reasonably possible, copies of all documents, exhibits, and electronic files of any audio or video presentations used at the meeting, including items created by the board members, or by others allowed to make presentations at the meeting.

(1) The term "used at the meeting" shall mean a document, exhibit, audio or video presentation that was (1) identified by name, (2) present at the meeting, and (3) discussed at the meeting.

(2) If copies of documents or other exhibits used at the meeting cannot be provided due to the physical nature of the exhibit (e.g., size of the exhibit, etc.), the specific filing location of the document or exhibit shall be identified.

D. The last page of the minutes shall include a section labelled Documents Used at This Meeting and shall list the names of each document that was used at the meeting.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This Article clarifies the existing requirements for board, committee, or commission ("the board') meetings to maintain minutes and documents used at meetings. This Article adds the requirement that any audio or video presentation that a board allows to be displayed at a meeting be retained, regardless of who created the presentation. This Article also adds the requirement that the last page of the minutes includes a section labelled "Documents Used at This Meeting" with a list the names of each document that was used at the meeting. A recent review of minutes submitted to the town clerk revealed several instances where no documents were submitted by the board.*

ARTICLE 45: To see if the Town will vote to petition the General Court for the passage of special enabling legislation authorizing the Town to authorize, issue and sell pension obligation bonds to finance the Town's unfunded pension liability to the Worcester Regional Retirement System, fund any necessary reserves, and all other costs associated therewith, which special enabling legislation shall be in such form as the Select Board shall approve; or do or act anything in relation thereto.

Summary:

ARTICLE 51: To see if the Town will vote to accept the provisions of M.G.L. c. 59 §5, Clause Twenty-two H (inserted by Chapter 218 of the Acts of 2018, known as An Act Relative to Veterans' Benefits, Rights, Appreciation, Validation, and Enforcement ("BRAVE Act")), signed into law August 28, 2018, which provides for a property tax exemption for real estate as follows: to the full amount of the taxable valuation of the real property of the surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who: (i) during active duty service,

suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death; (ii) are missing in action with a presumptive finding of death as a result of active duty service as members of the Armed Forces of the United States; provided, however, that the real estate shall be occupied by the surviving parents or guardians as the surviving parents' or guardians' domicile; and provided further that the surviving parents or guardians shall have been domiciled in the Commonwealth for the 5 consecutive years immediately before the date of filing for an exemption pursuant to this clause or the soldier or sailor, member of the National Guard or veteran was domiciled in the Commonwealth for not less than 6 months before entering service. Surviving parents or guardians eligible for an exemption pursuant to this clause shall be eligible regardless of when the soldier or sailor, member of the National Guard or veteran died or became missing in action with a presumptive finding of death; provided, however, that the exemption shall only apply to tax years beginning on or after January 1, 2019. Such exemption shall be available until such time as the surviving parents or guardians are deceased. No real estate shall be so exempt which has been conveyed to the surviving parents or guardians to evade taxation. To be effective for exemptions granted for any fiscal year beginning on or after, July 1, 2024; or do or act anything in relation thereto.

Proposed by: BOARD of ASSESSORS
Select Board Recommendation: Support
Advisory Committee Recommendation: At Town Meeting
Summary: *The local adoption of clause 22H will expand the real estate exemption benefits for Gold Star parents or guardians. Gold Star families are those that have lost an immediate family member serving in the United States armed forces during any period of war or hostilities in which the armed forces of the United States were engaged.*

ARTICLE 52: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale of the 21 Highland St. property until January 1, 2028. It is agreed that the sale or transference of the property could be detrimental to the town until the following factors are resolved: There is currently a new school project being contemplated with an unspecified school price tag that could range as high as 60-100 Million dollars at his moment. The process of planning and building a new school could take another 3 or more years to complete. There is currently 300 408 housing units likely to be built in the next 3-5 years, and the MBTA community Act currently threatens the town with another potential 750 units of multifamily zoning by right, so in the next 3+ years to come the town could lose control of housing development in many areas of the town (there are 3800 housing units in the town currently, the total new burden could add a possible 26% population increase). Although it is unrealistic to expect the full number of units, the current school estimates do not take all of these factors into account, nor can we accurately project numbers with confidence having no control over the zoning, unit type, or building process. There is no current organizational model or plan to mitigate the possible cost or space need effects upon town departments, and no current plan for town space needs if this rapid population growth occurs. The current space need plans are dependent upon the premise of building a new school, a historically neutral residential development plan, and turning over one of the current schools to general town use for multiple departments currently inhabiting other buildings, including Recreation, Family and Youth services (both in the 21 Highland property), Building Permit departments, senior center, and Facilities (all in the Cordaville hall building), who have all have been recommended in the space needs plan to vacate their current locations (and to move to Finn currently). If there is a problem with the plan (example: No new school, or other factors as high population growth), selling the 21 Highland St. property could leave the town with little recourse except to sign commercial leases for homeless departments, potentially making the town long term dependent upon the private real estate market fluctuations, and/or possibly build space, adding to town costs. A new school is currently not approved, but selling these properties could be used as financial incentive and space need leverage to coerce support for one, knowing the sale could instigate leases and costs created by a premature property sale and vacating actions by those departments. There is minimal financial risk to delaying a sale of the property for several years. There is a greater financial risk to selling the property prematurely if the building could better serve the short, middle, or long term interests of the town given the current factors facing the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support

Advisory Committee Recommendation: At Town Meeting
Summary: *This is a citizen's petition.*

ARTICLE 53: To see if the Town will vote that the Town hereby resolves to own and rehab the current 21 Highland St. property for town, community, and/or rental use, using CPC and other bond allocations to fund the project when needed. The surrounding property will remain open for community use regardless of building use. It is required that the Select Board carry out the will of this resolution, and have a plan in place by the next town Meeting with the understanding that the citizenry will not entertain a proposal to dispose of the property till the year 2033. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary: *This is a citizen's petition.*

ARTICLE 54: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale the 21 Highland St. property until January 1, 2030. It is agreed that the citizenry prefers to tastefully retire use of the building at 21 Highland St., and keep the building at 21 Highland St. property owned by the town if or when departments housed wherein should move to other locations and there is no reason to keep the building in use. At such time, the 21 Highland St. building interior will be "Mothballed", the exterior of the windows protected with tasteful covers, the roof and exterior sealed, so the building will keep in a relatively preserved state til it should be desired for future use again, remodeling or demolition by the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary: *This is a citizen's petition.*

ARTICLE 55: The Citizens of Southborough hereby resolve that, any petition to the CPC for funding for a project, asset, or service on private land, or for private benefit and use, being not town owned or operated, should require a 2/3 majority passing vote tally for approval at Town Meeting; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary: *This is a citizen's petition.*

ARTICLE 56: To see if the Town of Southborough will vote to

1. Restate the request, approved at Annual Town Meeting 2023, that the Select Board, not enter into any IMA for Regional Dispatch without first presenting the principal terms thereof to Town Meeting for its recommendation thereupon
2. Request that the Select Board not enter into any IMA containing annual budgetary, or debt, approval terms that substantially circumvent, or fail to include, Town Meeting's financial approval requirements as contained in the provisions of the longstanding Regional School Agreement.

3. Request that the Select Board not enter into any IMA for Regional Dispatch before the Technology Committee has reported to Select Board and Town Meeting regarding the feasibility of creating virtual dispatch regions to provide similar coverage redundancy using substantially existing technology, while maintaining a 24 hour per day seven day per week physical presence at the Public Safety Building at no additional cost to the Town.
4. Recommend that Select Board recognize the necessity of full cooperation between Town governing bodies for successful operation of the Town. Advise the Select Board that, while the foregoing are merely requests, and Select Board is not bound to observe these requests, it is noted that the Select Board's annual request for its budget is similarly not binding on Town Meeting, further that Select Board disrespect for recommendation 2, circumventing centuries of taxation control by Town Meeting, may provoke a similar reaction by Town Meeting toward subsequent budgetary requests for Select Board, and that cooperation is far better if observed in both directions.

; or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF and JOHN BUTLER
Select Board Recommendation: Not Support
Advisory Committee Recommendation: Not Support

SELECT BOARD OF THE TOWN OF SOUTHBOROUGH

DRAFT

Mark Purple

From: Donaghue, Kate - Rep. (HOU) <Kate.Donaghue@mahouse.gov>
Sent: Wednesday, February 21, 2024 2:25 PM
To: Mark Purple; Vanessa Hale
Cc: Select Board; Mischley, Michael (HOU)
Subject: Southborough Budget Requests

[EXTERNAL]

Dear Mark:

I hope you are doing well.

The process of creating the FY25 State budget has begun. In March I will be meeting individually with Chair Michelwitz of House Ways and Means to communicate the spending priorities of the districts, including those of the towns I represent.

It is unclear how revenue projections will hold but it is likely there will be less spending on local projects than in prior years. Are there any items in particular that you would like me to advocate for specifically? A list of items would be especially helpful.

If possible, it would be much appreciated if you could please let me know by the close of business on March 10th.

Best,

Rep. Kate Donaghue

AFFIDAVIT

IN SUPPORT OF NOTICE OF INTENT TO SELL FOR OTHER USE UNDER M.G.L. CHAPTER 61A, SECTION 14

NOTICE OF INTENT TO SELL:	Dated 1/29 2024, a copy of which is attached hereto as **Exhibit A** ("Notice of Intent").
MUNICIPALITY:	Town of Southborough, Worcester County, Massachusetts.
LANDOWNER:	Johnson Cambell Realty, Inc.
LANDOWNER PLAN	See Plan attached to the Notice of Intent.
LOCATION AND ACREAGE OF LAND SUBJECT TO NOTICE OF INTENT TO SELL FOR OTHER USE:	Two parcels of land off of Northboro Road in Southborough, Massachusetts shown as Parcels 71-0000-001-A, approximately 10.76 acres, and 71-0000-006-0, approximately 8.76 acres, on the Town of Southborough Assessor Maps (collectively the "Land").

I, Jason Johnson, President of Johnson Cambell Realty, Inc., having been duly sworn, hereby certify under the penalties of perjury that on 2/1, 2024, I mailed by certified mail the attached Notice of Intent to (a) the Southborough Board of Selectmen in care of the Southborough Town Clerk; (b) the Southborough Planning Board; (c) the Southborough Conservation Commission; (d) the Southborough Board of Assessors; and (e) the State Forester, each at the respective addresses set forth on the mailing list attached as **Exhibit B**.

PURCHASE OPTION AGREEMENT

This **PURCHASE OPTION AGREEMENT** (this "Agreement"), dated and effective on 5/19/2023 2023 (the "Effective Date"), is made by and between **JOHNSON CAMBELL REALTY INC.**, a Massachusetts corporation ("Owner"), and **LEEWARD RENEWABLE ENERGY DEVELOPMENT, LLC**, a Delaware limited liability company ("Optionee"). Owner and Optionee are sometimes referred to individually as a "Party" and collectively as the "Parties."

RECITALS

A. Owner is the fee simple title owner of certain real property located in Southborough, Massachusetts, consisting of approximately 19.5 acres, as more particularly described in Exhibit A attached hereto and incorporated herein by this reference (the "Property").

B. Optionee desires to obtain from Owner, and Owner desires to grant to Optionee, an option to purchase the Property upon the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises of the Parties contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

AGREEMENT

1. Grant of Option.

1.1. Option. Owner hereby grants to Optionee the exclusive right and option to purchase the Property upon the terms and conditions of this Agreement (the "Option").

1.2. Option Term. The term of the Option shall commence on the Effective Date and expire on the third (3rd) anniversary of the Effective Date (the "Initial Period"), *provided*, Optionee, in its sole discretion, shall have the right to extend the Initial Period by one additional period of one-year (the "Extended Period", and together with the Initial Period, the "Option Term"), upon written notice to Owner delivered prior to the expiration of the Initial Period, together with payment of the Option Payment as set forth in Section 1.3 below. Optionee shall have the sole and exclusive right to terminate this Agreement at any time during the Option Term upon written notice to Owner, and upon any such termination, neither party shall have any further liability hereunder, *provided, however*, Optionee shall remain liable for any delinquent payment obligations under this Agreement and for any liability that expressly survives said termination.

1.3. Option Payments. As full and sufficient consideration for the Option, Optionee shall pay to Owner the amounts set forth below on or before the respective due dates (each an "Option Payment" and collectively, the "Option Payments"):

Amount	Due Date
$10,000	Within ninety (90) days following Effective Date
$10,000	Six (6) Months following the Effective Date
$10,000	One (1) Year Anniversary of the Effective Date

DocuSign Envelope ID: FF40D1E7-FB41-4614-9812-52977D81721B

$10,000	Eighteen (18) Months following the Effective Date
$10,000	Two (2) Year Anniversary of the Effective Date
$10,000	Thirty (30) Months following the Effective Date
$100,000	Three (3) Year Anniversary of the Effective Date (if applicable)

All Option Payments made during the Option Term shall be nonrefundable and shall not be applied to the Purchase Price (as hereinafter defined).

1.4. Option Exercise. Optionee may exercise the Option by providing written notice of exercise to Owner (the "Notice of Exercise") prior to the expiration of the Option Term. Optionee shall have the sole right to determine whether to issue the Notice of Exercise. The Option shall terminate upon the first to occur of: (i) Optionee's delivery of the Notice of Exercise; (ii) Optionee's delivery of written notice to Owner that Optionee has terminated this Agreement; or (iii) the expiration of the Option Term. Notwithstanding any provision of this Agreement to the contrary, this Agreement shall not terminate under this Section 1.4 if a Notice of Exercise has been delivered prior to the expiration of the Option Term.

1.5. Memorandum of Option. Upon Optionee's written request, Owner and Optionee shall execute a recordable memorandum of this Agreement in the form attached hereto as Exhibit B, which memorandum may be recorded by Optionee in the official records of Worcester County, Massachusetts at any time during the Option Period.

2. **Diligence; Grant of License.** Owner hereby grants to Optionee a continuing license at all times during the Option Term (and, if Owner delivers the Notice of Exercise, continuing until the Closing Date (as hereinafter defined) for Optionee and its agents and invitees to access and enter upon the Property for the purposes of conducting inspections, surveys, designs of improvements, tests (including environmental, biological, and cultural resource assessments, and geotechnical, hazardous materials, and soil tests), and other actions reasonably related to the investigation by Optionee of the suitability of the Property for utility-scale solar energy and energy storage development. Optionee shall also have the exclusive right to enter into any interconnection studies or requests and power purchase agreements that Optionee chooses to pursue and relating to the Property, and Optionee shall have the right to apply for (in Owner's name, if necessary) any zoning changes, permits, or land use entitlements required to use the site for the construction, financing, and operation of solar energy generating and related energy generation, storage, and transmission improvements. All such activities conducted by Optionee under this Section 2 shall be at Optionee's sole cost and expense. Within 15 days after the Effective Date, Owner shall deliver to Optionee, to the extent any of the following are within Owner's possession or control, copies of all: (i) existing surveys of the Property; (ii) reports (including title reports), analyses, studies, appraisals, and documents relating to the title to, or the physical or environmental condition of, the Property; (iii) permits, approvals, and entitlements issued for the Property; (iv) notices of violations with respect to the Property; and (v) documents relating to pending or threatened administrative actions, litigation, or condemnation proceedings affecting the Property. Optionee shall, promptly following the conclusion of Optionee's investigation of the Property, at Optionee's sole cost and expense, restore the Property to as near the condition which existed immediately prior to Optionee's investigations as is reasonably possible, including replacing paving and landscaping disturbed by Optionee. Optionee, its employees, agents, contractors, subcontractors, consultants and other representatives shall take all reasonable precautions to minimize the impact of Optionee's investigations on the Property. Optionee assumes all risks associated with conducting Optionee's investigations of the Property and agrees to

DocuSign Envelope ID: FF40D1E7-FB41-4614-9812-52977D81721B

protect, defend, indemnify and hold harmless Seller and its officers, directors, shareholders, partners, members, managers, employees, successors and assigns from and against any and all costs, losses, claims, demands, damages, liabilities and expenses and other obligations (including, without limitation, attorneys' fees and court costs) arising from, out of, or in connection with or otherwise relating to, the entry by and the activities, studies and tests performed by Optionee or any of Optionee's employees, agents, contractors, subcontractors, consultants and other representatives in or upon the Property, except to the extent the same is caused by Owner's or Owner's invitee's negligence or willful misconduct. Optionee agrees to provide to Seller, and to cause each of Optionee's employees, agents, contractors, subcontractors, consultants and other representatives who enter upon the Property, to provide to Seller, prior to any such entry, evidence of insurance having a minimum limit of not less than one million dollars ($1,000,000.00) (which may be provided as part of a blanket policy covering other properties), and naming Seller as an additional insured, covering the activities to be conducted by Buyer and Optionee's employees, agents, contractors, subcontractors, consultants and other representatives. The provisions of this Section 2 shall survive the Closing (as hereinafter defined) or the earlier termination of this Agreement.

3. **Purchase Price.** If Optionee exercises the Purchase Option, then Optionee shall purchase the Property from Owner for the applicable sum set forth in the chart below (the "Purchase Price"), payable on the Closing Date (as hereinafter defined) by wire transfer of immediately available funds, and subject to all normal and customary closing adjustments.

Closing Date	Purchase Price Per Acre
Effective Date – Month 12	$240,000
Month 13 – Month 24	$250,000
Month 25 – Month 36	$260,000
Month 37 – Month 48	$270,000

In the event the Closing is delayed because of Owner's breach of this Agreement, the Closing Date for purposes of determining the Purchase Price will be deemed to be the date that Closing otherwise could have occurred in accordance with this Agreement but for Owner's breach.

4. **Title and Survey.**

4.1. **Title Insurance.** At any time during the Option Term, Optionee may, at Optionee's sole cost and expense, obtain a commitment of title insurance (a "Commitment") issued by a title insurer of Optionee's choice (the "Title Company"), in form acceptable to Optionee.

4.2. **Survey.** At any time during the Option Term, Optionee may, at Optionee's sole cost and expense, obtain a survey of the Property (a "Survey") to be prepared in accordance with Optionee's requirements. If Optionee elects to obtain a Survey, the Survey shall contain a legal description of the Property, which description may be used in the Deed (as hereinafter defined) and in the Commitment and Optionee's title policy, *provided, however,* Owner may elect to provide no deed covenants on a legal description derived from the Survey.

4.3. **Objections to Title and Survey Matters.** Optionee may furnish to Owner a written statement specifically identifying any liens, encumbrances, encroachments or other objections to the title to the Property identified by Optionee ("Optionee's Title Notice"). A copy of the Commitment

DocuSign Envelope ID: FF40D1E7-FB41-4614-9812-52977D81721B

and the Survey, if applicable, shall accompany Optionee's Title Notice if the same have not been previously provided to Owner. Optionee may not object to the Permitted Exceptions (as hereinafter defined). If Owner does not receive Optionee's Title Notice on or before 5:00 p.m. on or before the day that is eight (8) months following the Effective Date of this Agreement, then Optionee shall be deemed to have waived Optionee's right to object to matters of title or matters of survey that were of record or in existence on the Effective Date. Owner shall remove those objections listed on Optionee's Title Notice that (i) are mortgages or other liens created by, through or under Owner which secure solely the payment of a stated or calculable indebtedness, (ii) were placed on the record title by Owner after the Effective Date, or (iii) may be removed solely by delivery of an affidavit of Owner, reasonably requested by Optionee's title insurer. If objections appear on Optionee's Title Notice that Owner is not obligated to remove pursuant to the prior sentence, then Owner, within thirty (30) days of Owner's receipt of Optionee's Title Notice, shall send written notice to Optionee indicating which, if any, of the remaining objections Owner has elected to eliminate prior to the Closing ("Owner's Title Notice"). Optionee, within thirty (30) days of Optionee's receipt of Owner's Title Notice, shall either (i) elect to terminate this Agreement, or (ii) elect to accept title to the Property subject to the title and survey matters Owner has elected not to remove without any abatement of the Purchase Price. If Owner fails to send Owner's Title Notice within said thirty (30) day period, then Owner shall be deemed to have elected to remove none of the objections listed on Optionee's Title Notice. If Optionee fails to make Optionee's election within said thirty (30) day period, then Optionee shall be deemed to have elected clause (ii) above. The term "Permitted Exceptions" shall mean (a) provisions of existing and future laws, regulations, restrictions, requirements, bylaws, resolutions and orders (including, without limitation, any relating to building, zoning and environmental protection) as to the use, occupancy subdivision or improvement of the Property; (b) such real and personal property taxes for the then current tax period as are not due and payable on the Closing Date; (c) any liens for municipal betterments assessed after the Effective Date on the Property by the municipality in which the Property is located; and (d) those title and survey matters that Optionee agrees, or is obligated to take title subject to, as set forth in this Section.

4.4. **Commitment and Survey Updates**. At any time after its exercise of its Option and until the Closing Date, Optionee shall have the right to have its Commitment and/or Survey updated, and if any such update discloses any new matter adversely affecting title to the Property to which Optionee objects (each, a "New Title Objection"), then Optionee shall notify Owner thereof in which case said matters shall be resolved in the manner set forth in Section 4.3 and, if required, the Closing Date shall be extended to provide the parties with the time periods set forth above; provided, however, that if any New Title Objection arises because of Owner's breach of the terms and covenants set forth in this Agreement, then Optionee shall have the right to pursue the remedies set forth in Section 13 of this Agreement. Optionee shall raise any new qualifying title or survey matters in a new Optionee's Title Notice delivered to Owner within twenty (20) days of Optionee's discovery of the qualifying title or survey matters.

5. **Conditions to Closing**. The parties understand and agree that the obligation of Optionee to purchase the Property following its exercise of the Option is expressly contingent upon the achievement or satisfaction of each of the following conditions, to the satisfaction of Optionee:

5.1. **Title and Survey**. Title to the Property shall be good and marketable, with valid title of record, and insurable at regular rates by the Title Company, subject only to the Permitted Exceptions and such other matters as are approved in writing by Optionee, in its sole discretion, prior to the Closing.

DocuSign Envelope ID: FF40D1E7-FB41-4614-9812-52977D81721B

5.2. **Environmental Matters**. There shall have been no change in the environmental condition of the Property since the date upon which Optionee shall have had a Phase I (and if applicable, Phase II) environmental assessment of the Property performed.

5.3. **Representations and Warranties.** There shall be no breach of the representations and warranties of Owner set forth in this Agreement.

5.4. **Covenants and Agreements**. Owner shall have observed and performed each covenant and agreement to be observed and performed by it under this Agreement.

5.5. **Release**. The parties shall have obtained the Release from the Municipality as described in Section 11.2.1 below.

6. **Closing**. If Optionee exercises the Option, then settlement of the sale and purchase of the Property (the "Closing") shall be held at such location and on such date as Optionee may determine in the Notice of Exercise (the "Closing Date"), subject to the satisfaction of the conditions set forth herein, *provided,* that the Closing Date shall occur no later than forty-five (45) days following the date on which Optionee shall exercise the Option. At Closing, Owner shall grant and convey to Optionee, by quitclaim deed (the "Deed"), free and clear of all liens and encumbrances except for Permitted Exceptions, good and marketable fee simple title to the Property as such will be insurable by a responsible title insurance company at regular rates. Time shall be of the essence with respect to the Closing Date and all other date and time periods set forth in this Agreement.

7. **Proration of Items and Expenses at Closing**. Municipal service fees, including but not limited to water and sewer charges, utility charges, rents and interest, if any, shall be prorated as of the Closing Date. As of the Closing Date, all state and local real estate taxes shall be prorated on the basis of the applicable tax year. Owner shall be responsible for the cost of all matters of title clearance (including the satisfaction and discharge of any liens or encumbrances on the title and the correction of any deficiencies in title), and Owner's attorneys' fees. If as of the Effective Date the Property shall be affected by any assessments or special assessments payable in lump sum or which are, or may become, payable in installments, of which the first installment is then a charge or a lien, or has already been paid, then at the Closing Date such amounts shall be paid in full by Owner. Optionee shall be responsible for any title examination and insurance costs (except for costs associated with remedial actions to clear title), the costs of any surveys, any recording fees for documents relating to the purchase of the Property, and the costs of real estate transfer taxes.

8. **Closing Deliveries**.

8.1. **Deliveries by Owner**. At the Closing, Owner shall deliver to Optionee the following:

8.1.1. the Deed, conveying good and marketable fee simple title in and to the Property, free and clear of all liens and encumbrances (other than the Permitted Exceptions), in form subject to the reasonable approval of Optionee, duly executed and acknowledged by Owner;

8.1.2. a certificate executed by Owner, confirming that each of the representations and warranties of Owner set forth in this Agreement are true and correct as of the Closing Date;

DocuSign Envelope ID: FF40D1E7-FB41-4614-9812-52977D81721B

8.1.3. an affidavit that Owner is not a "foreign person" as such term is defined in Section 1445(b)(2) of the Internal Revenue Code of 1986, as amended, duly executed by Owner;

8.1.4. a HUD-1 settlement statement prepared by the Title Company (or, if none, by Optionee), duly executed by Owner; and

8.1.5. any other document, affidavit, instrument, or agreement reasonably requested by Optionee, Optionee's counsel, or the Title Company to consummate the transactions contemplated hereby or to certify Optionee's title to each parcel of the Property.

8.2. **Deliveries by Optionee**. At the Closing, Optionee shall deliver to Owner the following:

8.2.1. the Purchase Price subject to prorations and other adjustments as provided in Section 7 above;

8.2.2. a certificate executed by an officer of Optionee, confirming that each of the representations and warranties of Optionee set forth in this Agreement are true and correct as of the Closing Date, and that Optionee has fully performed all of the covenants of Optionee set forth in this Agreement;

8.2.3. a HUD-1 settlement statement prepared by the Title Company (or, if none, by Optionee), duly executed by Optionee; and

8.2.4. any other document, affidavit, instrument, or agreement reasonably requested by Owner to consummate the transactions contemplated hereby.

9. **Right to Assign**. Optionee shall have the right to assign or transfer its interest pursuant to this Agreement in full or in part without Owner's consent, *provided* that Optionee shall provide notice of any assignment within a reasonable time following such occurrence (each such transaction, an "Assignment"); and, *provided further* that any such Assignment (excluding any collateral assignments in connection with a financing) shall be expressly made subject to all of the terms, covenants, and conditions of this Agreement. An Assignment shall relieve Optionee of its obligations under this Agreement provided that the transferee of the interest assumes in writing Optionee's obligations hereunder. Optionee shall also have the right to collaterally assign or pledge its rights and interest pursuant this Agreement to a lender without Owner's consent, and Owner agrees to provide any reasonable estoppels or consents in connection with any such financing upon Optionee's request.

10. **Notices**. All notices, demands, or consents required under in this Agreement shall be given in writing, and may be given (i) by certified or registered United States Mail, postage pre-paid, in which case the notice shall be deemed to be effective on the third business day following deposit, (ii) by delivery via a nationally recognized, overnight receipted courier service, in which case the notice shall be deemed to be effective on the next business day following delivery to such courier service, or (iii) by e-mail transmission (with acknowledged receipt), in which case the notice shall be deemed effective on the

DocuSign Envelope ID: FF40D1E7-FB41-4614-9812-52977D81721B

date of such transmission, in each case delivered to the Parties at their respective addresses listed below (or at such other address as either may specify to the other in notice under this section):

Notice to Owner:
Johnson Cambell Realty, Inc.
1770 Wavecrest Ct.
Marco Island, Florida 34145
Attn: Mark Johnson
e-mail: photon_1@msn.com

Notice to Optionee:
Leeward Renewable Energy Development, LLC
6688 N. Central Expressway, Suite 500
Dallas, Texas 75206
Attn: Legal Department
e-mail: legal@LeewardEnergy.com

11. **Representations, Warranties, and Covenants**. Owner hereby makes the following representations and warranties, each of which shall survive the expiration or earlier termination of the Option Period and shall be deemed remade as of the Closing Date:

11.1. No Litigation; Compliance with Law. No litigation is pending, and, to the best of Owner's knowledge, no litigation or administrative actions are proposed, threatened, or anticipated with respect to any matter affecting the Property or this Agreement. If Owner learns of any litigation or administrative action proposed, threatened, or instituted with respect to the Property or this Agreement, Owner shall give Optionee prompt notice thereof, and Owner shall support any efforts by Optionee to intervene in such proceeding. Owner has received no notice that the Property is in violation of any applicable laws, bylaws, rules, statutes, and regulations, including without limitation all local zoning, subdivision, and land use laws, bylaws, rules, statutes, and regulations.

11.2. Title; Right to Grant Option. Owner is the sole owner in fee simple of the Property. Owner has all necessary authority to grant the Option to Optionee and perform all of Owner's obligations under this Agreement without the consent or approval of any other party. Except as set forth in G.L. c. 61A, there are no options, rights of first refusal, contracts to purchase, leases, easements, licenses, mortgages, deeds of trust, reversionary rights, or similar interests that would prevent, restrict, or interfere with Optionee's exercise or enjoyment of its rights under this Agreement, including, without limitation, the right to purchase the Property upon the terms and conditions of this Agreement.

11.2.1. Cooperation with respect to G.L. c. 61A. Promptly following the Effective Date of this Agreement, Owner and Optionee shall work together in good faith to notify the applicable city or town in which the Property is located (the "**Municipality**") of the existence of this Agreement and the Option (which shall be deemed a "notice of intent to sell for other use" as referenced in G.L. c. 61A) and obtain a written and recordable release of the Municipality's right of first refusal as set forth in G.L. c. 61A (the "**Release**"). If Owner and/or Optionee are unable to obtain the Release within eighteen (18) months following the Effective Date, Optionee shall have a right to terminate this Agreement upon written notice to Owner, and upon any such termination, neither party shall have any

DocuSign Envelope ID: FF40D1E7-FB41-4614-9812-52977D81721B

further liability hereunder, provided, however, Optionee shall remain liable for any liability that expressly survives said termination.

11.3. Encumbrances. Until the expiration of the Option Period, Owner will not grant or consent to any leases, liens, zoning restrictions, easements, licenses, mortgages (unless the same are discharged at the Closing), deeds of trust, reversionary rights, or similar interests concerning the Property without obtaining Optionee's prior written consent, which may be withheld in Optionee's sole discretion. To the best of Owner's knowledge, there are no adverse or other parties in possession of the Property.

11.4. Exclusivity. Until the expiration of the Option Period, Owner shall not offer the Property for sale, lease, or option to any party other than Optionee.

11.5. No Physical Alterations. Until the expiration of the Option Term, Owner shall not alter in any material respect the physical condition of the Property (including, without limitation, grading and drainage patterns) without Optionee's prior written consent, which may be granted or withheld in Optionee's sole and absolute discretion.

11.6. Hazardous Materials. To the best of Owner's knowledge, no substances or materials defined as hazardous or toxic under state, federal, or local laws or regulations (collectively, "Hazardous Materials") have been placed, stored, generated, produced, discharged, disposed of, or released on the Property or transported to or from the Property. Owner has not placed, stored, generated, produced, discharged, disposed of, or released Hazardous Materials on the Property, and Owner has not transported any Hazardous Materials to or from the Property. There are no underground storage tanks located under the Property.

11.7. Taxes. Owner shall pay when due all property taxes and assessments assessed against the Property during the Option Period. The Property is not subject to any open space or agricultural property tax deferrals, and neither Optionee's potential development of the Property nor the closing of the transaction contemplated by this Agreement will trigger any type of property tax recapture.

11.8. Foreign Person. Owner is not a "foreign person" as defined in Section 1445 of the United States Internal Revenue Code of 1986, as amended, and any regulations promulgated thereunder.

11.9. No Broker's Commissions. Owner has not entered into any agreement or taken any action that will result in any obligation to pay any brokerage, finder's fee, or similar commission in connection with this Agreement or the potential purchase and sale of the Property as contemplated in this Agreement.

12. **Risk of Loss**. All risk of loss or damage to the Property prior to Closing, including, but not limited to, loss by fire, windstorm, or other casualty, shall rest with Owner. If, prior to the Closing, the Property is damaged as a result of fire or other casualty or if after the exercise of the Purchase Option and before Closing, all or any portion of the Property is condemned by any legally constituted authority, a notice of intent to condemn is issued for any portion of the Property, or any portion of the Property is sold in lieu of condemnation (all of which actions shall generically be referred to as a condemnation), Optionee shall have the option to: (i) accept title to the Property without any abatement of the Purchase Price whatsoever, in which event at the Closing any insurance or condemnation proceeds payable to the Owner shall be assigned by Owner to Optionee, and any monies theretofore received by Owner in connection with such fire or other casualty or condemnation, shall be paid over to Optionee; or (ii) cancel this Agreement, in which event neither party shall have any further liability or obligation to the other

DocuSign Envelope ID: FF40D1E7-FB41-4614-9812-52977D81721B

hereunder except for those liabilities or obligations which survive the termination of this Agreement. Such option shall be exercised by Optionee by delivering to Owner written notice of such exercise on or before the tenth (10th) business day following the date on which Optionee receives notice that such condemnation, fire, or other casualty has occurred, but in no event later than the Closing Date. In the event Optionee shall fail to exercise such option within the ten (10) day period, then Optionee shall be deemed to have elected the alternative set forth above to cancel this Agreement.

13. **Defaults and Remedies.**

13.1. **Default by Optionee.** In the event of a default or breach by Optionee hereunder that continues for thirty (30) days following written notice from Owner, Owner's sole remedy shall be to terminate this Agreement and retain any Option Payments previously due to Owner, which shall constitute Owner's liquidated damages. Owner hereby waives all other rights and remedies, including, without limitation, any right to specific performance, injunctive relief, or other relief to cause Optionee to perform its obligations under this Agreement, and any right to damages occasioned by Optionee's breach of this Agreement that are in excess of such liquidated damages. No notice or cure period shall be applicable with respect to Optionee's failure to perform on the Closing Date.

13.2. **Default by Owner.** In the event of any default or breach by Owner under this Agreement that continues for thirty (30) days following written notice to Owner (provided, however, that there shall be no such cure period for Owner's breach of its obligation to deliver the items described in Section 8.1 on the Closing Date), Optionee may elect, as Optionee's exclusive remedies, to either:

13.2.1. waive any claim for loss of bargain and consequential damages, in which event (A) all Option Payments shall be returned to Optionee, and (B) Optionee may pursue an action for monetary damages (i.e. all direct, out-of-pocket costs and expenses incurred by Optionee, including, but not limited to, costs of title examination, appraisal, surveys, environmental and other property inspections, and attorneys' fees); or

13.2.2. pursue an action for specific performance.

14. **Crop Damages**.

14.1. Crop Damages During the Option Term. The parties anticipate and acknowledge that, in the exercise of Optionee's due diligence investigations of the Property as contemplated herein Optionee may damage or destroy crops on the Property. If any of Owner's or its tenant's growing crops are materially damaged or destroyed as a result of such activities of Optionee during the Option Period, then Optionee shall promptly pay to Owner an amount equal to the greater of (x) the actual out-of-pocket costs theretofore incurred by Owner or its tenant in planting, irrigating, and fertilizing such growing crops in the applicable calendar year (excluding any and all capital expenditures, including, without limitation, the cost of cattle, farm equipment, or machinery), or (y) the fair market value of such growing crops in their condition prior to such damage, destruction, or removal as established by multiple peril crop insurance historic yields for the immediately preceding 10 years. For the avoidance of doubt, it shall be the responsibility of Owner to compensate its tenant(s) for such damage or destruction.

14.2. Crop Payment at the Closing Date. From and after delivery of the Notice of Exercise, Owner shall not, nor shall Owner permit any crop tenant to, commence the cultivation

DocuSign Envelope ID: FF40D1E7-FB41-4614-9812-52977D81721B

of crops on the Property. If Owner or a crop tenant has commenced cultivation of crops on the Property prior to the Notice of Exercise, and harvesting of such crops cannot be completed prior to the Closing Date, Owner shall give Optionee written notice of such fact as soon as reasonably practicable, which notice shall include an estimated date by which such crops could be harvested in the ordinary course of the anticipated growing season for such crop. In such case, Optionee shall have the following options relative to such crops (the election of which option shall be in the sole discretion of the Optionee): (A) the Optionee may elect to extend the Closing Date to a later date to allow for such crops to be harvested; (B) the Optionee may allow Owner or its crop tenant to complete cultivation of the crops on the Property after the Closing Date, subject to terms contained in a separate written agreement acceptable to the Optionee; or (C) Optionee may take ownership and possession of such crops at the Closing Date, and in full settlement for taking such possession and ownership of such crops, Optionee shall pay Owner or its crop tenant an amount equal to the greater of (x) the actual out-of-pocket costs theretofore incurred by Owner or its tenant in planting, irrigating, and fertilizing such growing crops in the applicable calendar year (excluding any and all capital expenditures, including, without limitation, the cost of cattle, farm equipment, or machinery), or (y) the fair market value of such growing crops in their condition prior to the Closing Date as established by multiple peril crop insurance historic yields for the immediately preceding 10 years.

15. **Miscellaneous Provisions**.

15.1. Successors and Assigns. The terms and provisions of this Agreement shall run with the Property and be binding on, and inure to the benefit of, the successors and permitted assigns of the Parties.

15.2. Entire Agreement; Further Assurances. This Agreement constitutes the entire agreement between the Parties and supersedes any other prior understandings and agreements. This Agreement shall not be amended or modified in any way except by an instrument signed by the Parties. The Parties shall at all times hereafter execute any documents and do any further acts which may be necessary or desirable to carry out the purposes of this Agreement and to give full force and effect to each and all of the provisions hereof, so long as the requesting Party bears any financial cost.

15.3. As-Is. Except as expressly stated in this Agreement, Owner makes no representation or warranty as to the truth, accuracy or completeness of any materials, data or information delivered by Owner or its agents to Optionee in connection with the transaction contemplated by this Agreement. Optionee acknowledges and agrees that all materials, data and information delivered by Owner to Optionee in connection with the transaction contemplated by this Agreement are provided to Optionee as a convenience only and that any reliance on or use of such materials, data or information by Optionee shall be at the sole risk of Optionee, except as otherwise expressly stated in this Agreement. Optionee acknowledges and agrees that at the Closing Owner shall sell and convey to Optionee and Optionee shall accept the Property "as is, where is, and with all faults", except to the extent expressly provided otherwise in this Agreement or in the Deed at Closing.

15.4. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the Commonwealth of Massachusetts.

15.5. Confidentiality. Owner shall maintain in the strictest confidence, for the benefit of Optionee, all information pertaining to this Agreement and the terms and conditions of this Agreement.

DocuSign Envelope ID: FF40D1E7-FB41-4614-9812-52977D81721B

15.6. Severability. If any term or provision of this Agreement, or the application thereof to any person or circumstance, shall be determined to be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances, other than those as to which it is held to be invalid, shall be enforced to the fullest extent permitted by law.

15.7. Counterparts; Electronic Signatures. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute a single instrument. Signatures to this Agreement may be delivered by electronic means (e.g., by .pdf or by DocuSign) with the same effect as a physical signature.

Exhibit A

Legal Description of the Property

All that certain property located in Worcester, Massachusetts, being more particularly described as follows:

APNs: 71-0000-001-A and 71-000-006-0

Being a portion of the following land (but being expressly limited to the land in the aforementioned tax parcels as of the Effective Date of this Agreement):

(1) Four (4) parcels of land, three (3) in Southborough and one (1) in Marlborough as described in deed of Hattie M. Brown, et al to James B. Johnson dated March 28, 1903 and recorded at Worcester District Deeds, Book 1750, Page 87 and at Middlesex South District Deeds, Book 3276, Page 261.

(2) Two (2) parcels of land situated in Marlborough as described in deed of Thomas Connors to James B. Johnson dated March 21, 1903 and recorded at Middlesex South District Deeds, Book 2882, Page 453.

(3) Three (3) parcels of land partly in Northborough and partly in Marlborough, two (2) in Marlborough as described in deed of Charles P. Berry to James B. Johnson dated June 26, 1915 and recorded at Worcester District Deeds, Book 2332, Page 264 and Middlesex South District Deeds, Book 3978, Page 21.

(4) Five (5) parcels of land, two (2) in Southborough and three (3) partly in Southborough and Marlborough as described in deed of Harry Beard Spurr to James B. Johnson, dated February 12, 1927 and recorded at Worcester District Deeds, Book 2429, Page 335, and Middlesex South District Deeds, Book 5072, Page 434.

(5) One (1) parcel of land in Southborough as described in deed of Howard S. Palmer, et al to James B. Johnson, dated July 21, 1938 and recorded at Worcester District Deeds, Book 727, Page 124.

(6) One (1) parcel of land in Southborough containing 0.05 of an acre as described in deed of the Commonwealth of Massachusetts, Metropolitan District Commission, Water Division to James B. Johnson, et ux, dated March 31, 1924 and recorded at Worcester District Registry of Deeds, Book 2349, Page 322.

RE: Notice of Intended Sale in accordance with G.L. c. 61A, § 14
Two Parcels on Northboro Road, Southborough, MA 01772
Assessor ID Nos. 71-0000-001-A and 71-0000-006-0

Dear Mr. Johnson,

Reference is made to the above matter. In accordance with G.L. c. 61A, § 14, the Town of Southborough Select Board hereby gives notice that it has received the above referenced Notice of Intended Sale and that it has deemed the notice to be insufficient under the statute. G.L. c. 61A, § 14 requires that an intent to sell must include a certified copy of an executed purchase and sale agreement specifying the purchase price and all terms and conditions of the proposed sale, constituting a bona fide offer. § 14 further defines "bona fide" to mean a good faith offer, not dependent upon specific categories of conditions or contingencies, made by a party unaffiliated with the landowner for a fixed consideration payable upon delivery of the deed. In total, § 14 requires that the purchase and sale agreement specify a fixed purchase price.

The Notice here provides a purchase and sale agreement but does not specify a fixed purchase price for each parcel. While the two parcels are proximate to each other, they are not contiguous and each has its own particular attributes. However, the purchase price is only for the two parcels collectively. As the Town has individual rights of first refusal with respect to each parcel, the Town cannot accurately determine the price per parcel from the collective purchase price. In absence of a specific, fixed or ascertaianable purchase price for each parcel, this Notice of Intent to sell is insufficient and does not comply with the statute. The Town welcomes you to send a reformed Notice and purchase and sale agreement with sufficient prices per parcel, however.

Please do not hesitate to contact me if you have any questions.

On behalf of the Town of Southborough by its Select Board,

_____
Mark J. Purple
Town Administrator

TITLE: Civil Engineer

Department: DPW

SAP Grade: 6

Bi-weekly Hours: 80

Reports to: DPW Superintendent

Approved by Personnel Board: February 26, 2024

Approved by Appointing Authority: January 23, 2024, insert revised date

Position Purpose:

The Civil Engineer will participate in multiple aspects of engineering and project management within the Department of Public Works (DPW). The Civil Engineer works under the direct supervision of the Superintendent of Public Works and will provide support to all aspects of the DPW, including but not limited to highway, water, solid waste, stormwater, cemeteries, grounds, and civil construction projects, as well as other departments as assigned. Responsibilities include but are not limited to: Construction monitoring and inspection, preparation of construction bid documents, preparing quantity and cost estimates, monitoring construction projects for quality, review of submittals including pay requisitions, establishing and maintaining a GIS database, preparing periodic progress reports on construction projects, monitor construction budgets and change orders, prepare feasibility studies and cost benefit analyses, drafting policies or protocol for review and similar engineering related duties. May be required to attend occasional night meetings to provide data to boards or obtain permits for projects or represent the department or organization at local and regional events. Errors in judgment could result in department errors, lower standards of service to the community, monetary loss or legal repercussions and possible negative public relations for both the department and the town.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Assists with reviewing and making effective recommendations regarding roadways and utilities, while evaluating issues and options regarding municipal public works projects;
- Develops and recommends departmental policies, protocol, and procedures for review by DPW Superintendent
- Assists the Superintendent with project design including preparation of documents and plans, permitting and presentation to town permitting authorities, process and track invoices and

review of deliverables; Assists with the competitive bidding process to ensure compliance with applicable regulations

- Contributes toward the evaluation of transportation and traffic impacts of development proposals, permits, zoning, etc;
- Surveys project sites, including roadway, utility, and other construction activities within the Town; researches town records for engineers and contractors relating to design and construction, such as maps and other engineering data and historical files;
- Updates maps, plans, and statistics associated with Town water and drainage systems;
- Maintains a variety of records, files, GIS base mapping and prepare periodic and special reports as required;
- Reviews and oversees conduit petitions, utility, street opening and driveway permits;
- Oversees, as assigned, crews in repairing water main breaks, drainage problems, water main shut downs, etc.;
- Maintains accurate and current project budgets and schedules; Assists with the preparation of the department operating budget, capital budgets and enterprise budgets
- Oversees consultants and assists with the coordination of various projects; coordinates construction activities with as little disruption to residents as possible; issues proper notification of events as needed;
- Assists department and other peers with the oversight of MS4 stormwater permit including assisting with field sampling, updating GIS mapping in the field, overseeing culvert inspection program, and ensuring best practices in this area are being met;
- Provides information and guidance to contractors, developers, and residents for public engineering projects;
- Prepares design plans and applications for town permits; supports staff in the field with preparing as-built and elevation plans as necessary, utilizing GPS;
- Collaborates with other municipal departments to research short and long range plans that meet needs and items determined by Master Plan?
- Prepares reports, drawings, and maps as required utilizing GIS and AutoCAD;
- Keeps abreast of pertinent trends, best practices, and significant events;
- Instructs, oversees, assigns, and inspects work of assigned crews; refers personnel situations to Superintendent or others;
- Maintains positive and harmonious employee and employer relations;
- Has access to department-oriented confidential information including bid proposals, litigation records.
- Performs other similar duties as responsibilities necessitate and/or as assigned or requested by Superintendent.

Recommended Minimum Qualifications

Education, Training, and Experience:

Bachelor's degree in Civil Engineering, Massachusetts EIT preferred or licensed PE, or more than 5 years of related professional experience; Proficiency in MS Word, Excel, database management, AutoCAD, and ArcGIS is preferred; or any equivalent combination of training and experience.

Special Requirements/Licenses:

Current MA drivers license, MCPPO certification preferred

Knowledge, Ability, and Skill:

Knowledge: Knowledge of drainage, water utility systems, and public infrastructure; knowledge of general engineering concepts; knowledge of civil engineering practices, policies, laws, and regulations applicable to a municipal setting

Ability: Ability to: inspect construction projects and communicate effectively both verbally and in writing; effectively prioritize and manage multiple competing priorities; prepare clear and concise reports; maintain positive working relationships with Town employees and officials, outside design and construction professionals, and other stakeholders; operate a computer and standard office and field equipment; maintain organized and accurate records; exercise good judgment; diplomatically deal with challenging situations, while exercising superb customer service

Skill: Strong communication and interpersonal skills, including experience providing public presentations; excellent organizational skills; the skills to prepare reports, drawings, and maps, and conduct research; the ability to analyze data; skills in developing cost estimates as well as comprehension of municipal finance/public procurement regulations.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

The position is frequently required to spend regular periods outside, requiring exposure to extremes in temperatures as well as other environmental and weather conditions while conducting fieldwork; there are frequent periods spent standing and walking; fieldwork requires the ability to access property in various terrains and requires stooping, crouching, reaching, climbing, pushing, pulling, lifting, grasping, talking, hearing/listening, seeing/observing, and may include light physical labor, including carrying work materials, including files, of up to 40 pounds; will be required to withstand industrial noise and fumes associated with outdoor construction projects; candidate will be expected to travel within the Town of Southborough and to neighboring towns.

Supervision*:*

Supervision Scope: Performs routine duties that are clearly defined by protocol and standard operating procedures. This role requires basic knowledge of departmental operations.

Supervision Received: Works under the direct supervision of the Department Head or Manager.

Supervision Given: May supervise volunteers or senior tax work off participants on occasion.

Job Environment:

- The position is frequently required to spend regular periods outside, requiring exposure to inclement weather as well as other environmental and weather conditions while completing assigned and routine job duties

DRAFT

- Special safety precautions, training, or protective clothing such as coats, gloves, glasses, hats or boots is required.
- Errors in judgment and administration may have negative effects on the town's ability to deliver services and may result in lower standards of service, sub-standard construction and inadequate maintenance programs with potential danger to public safety; errors in financial decisions could have legal and financial repercussions.
- Has considerable contact with contractors, engineers, builders, state or federal officials or other agencies and Town personnel, in addition to vendors and representatives of outside organizations and the general public.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

**External and internal applicants, as well as position incumbents who become disabled as defined under the Americans With Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis. This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.*
Pay Equity/Equal Opportunity/Americans with Disabilities Act Employer

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a non-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Select Board. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless its substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

Introduction to the Rules of Town Meeting (continued)

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none
2. To adjourn	no	yes	limited	majority	amend
3. Point of no quorum	no	no	no	none	none
4. Recess	no	yes	limited	majority	amend
5. Question of privilege	yes	no	no	chair rules	none
SUBSIDIARY MOTIONS					
6. To lay on the table	no	yes	no	2/3	none
7. Previous question	no	yes	no	2/3	none
8. Limit or extend debate	no	yes	no	2/3	amend, reconsider
9. To postpone to time certain	no	yes	limited	majority	amend, reconsider
10. To commit or refer	no	yes	limited	majority	amend, reconsider
11. To amend	no	yes	yes	majority	amend, reconsider
12. To postpone indefinitely	no	yes	yes	majority	reconsider
MAIN MOTIONS					
Main Motions	no	yes	yes	majority*	all
To reconsider or rescind	no	yes	yes	2/3	table previous question postpone definitely
To take from the table	no	yes	no	majority	none
To advance an article	no	yes	yes	majority	amend, reconsider
INCIDENTAL MOTIONS					
Point of order	yes	no	no	chair rules	none
Division of a question	no	yes	no	majority	none
Separate consideration	no	yes	no	majority	none
To withdraw a motion	no	no	no	majority	reconsider
To suspend rules	no	yes	no	2/3	none
Orders of the day	yes	no	no	none	none

*The vote required to pass an affirmative main motion is a matter of substantive law, but is usually a majority.

FORM USED IN MAKING MOTIONS

1. Main Motion	Mr. Moderator, I move that..(statement of the proposal)
2. Adjourn	Mr. Moderator, I move to adjourn to...(state time)
3. Amend	Mr. Moderator, I move to amend by adding...
	Mr. Moderator, I move to amend by inserting...before...

18. Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19. Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other "point of order" is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

Voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o'clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

Worcester, ss. February 27, 2024

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the Trottier School Auditorium, 49 Parkerville Road, in Southborough, MA, on

Saturday, March 23, 2024

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to endorse the acceptance of any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in the Town's treasury for use as directed by any such donor, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *To allow the Select Board to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Select Board, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2024 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 3: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Select Board or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, but no longer than seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Select Board or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Board Recommendation: Support
Summary: *This article allows the Select Board and/or the School Committee to enter into contracts in excess of three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.*

ARTICLE 4: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

PERSONNEL BYLAW
ENTITLED "THE SALARY ADMINISTRATION PLAN"

Effective July 1, 2024, this bylaw establishes a Salary Administration Plan for the Town of Southborough that (i) groups position classifications in Town services, (ii) establishes salary schedules and employee benefits and (iii) establishes and authorizes the Personnel Board to administer the bylaw to provide oversight and guidance to the Town Administrator in the development and maintenance of personnel policies and regulations, and to represent the interest of both the taxpayers and the Town employees.

This Salary Administration Plan applies to the positions of all officers and employees in the service of the Town, whether full-time, part-time, temporary, seasonal, special or any other, except those positions filled by popular election, under the direction and control of the School Committee, performed pursuant to a contract approved by the Town, encompassed in any officially recognized labor union and/or association, or exempted by statute. The positions covered by this Salary Administration Plan are hereby classified by titles in the groups listed in Schedule A through E ("Classification Schedule") as set forth in Section 20 of this bylaw.

The classification of positions subject to the Massachusetts Welfare Compensation Plan (as amended) and the scheduled rates therefor, as well as the applicable provisions of the Massachusetts General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

SECTION 1. DEFINITIONS

As used in this bylaw, the following words and phrases shall have the following meanings:

"Administrative Authority" means the elected or appointed official or board having jurisdiction over a function or activity.

"Base Pay" means the compensation paid by the Town of Southborough for the purposes of determining retirement credits and contributions for Town employees.

The Town shall contribute funds as required for each eligible employee in accordance with the procedures and formula established by the Worcester Regional Retirement System and the bylaws of the Town of Southborough. Contributions shall include (i) wages earned during the first eight hours worked in any one day (no contributions shall be made for hours worked in excess of 40 per week,**)** (ii) any lump sum bonus that is guaranteed by the Salary Administration Plan or the Bylaws of the Town, (e.g., longevity pay); (iii) vacation pay, except when paid in lieu of taking vacation; (iv) sick pay; and (v) holiday pay.

"Class" means a group of positions in the Town service sufficiently similar with respect to duties and responsibilities such that for each position the same (i) descriptive title may be used, (ii) qualifications shall be required, (iii) tests of fitness may be used to choose qualified employees and (iv) scale of compensation can be equitably applied.

"Classification Schedule" means any of Schedules A, B, C, D and E of Section 20 hereof.

"Compensation Grade" means a range of salary/wage rates as may appear in the Classification Schedules.

"Continuous Full-Time Service" means employment requiring a predetermined minimum work period that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Continuous Employment" means full-time or part-time employment that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Department" means a functional unit of Town government.

"Department Head" means the person appointed and responsible to carry out the duties of a Department.

"Exempt employee" means an employee who is not entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"Full-Time Employment" means employment for not less than 20 hours per week for fifty-two weeks per annum, excepting authorized holidays and leave periods.

"Group" means a group of classes as may appear in the Classification Schedules.

"Maximum Rate" means the highest compensation rate to which an Employee is entitled.

"Minimum Rate" means the lowest rate in a Range, and is normally the hiring rate of a new employee.

"Non-exempt employee" means an employee who is entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"On-Call Compensation" refers to additional money paid to an employee who is available to work when the need requires oftentimes in an evening or weekend capacity.

"Part-Time Employment" means employment less than 20 hours per week.

"Position" means an office or post of employment in the Town service with duties and responsibilities calling for the Full-Time or Part-Time employment of one person in the performance and exercise thereof (or of more than one person sharing the same position).

"Position Class" means the same as "Class" (note that a class may include only one position, in which event it is defined as a "single position class").

"Probationary Employee" means a first-time Town employee within his/her first six months of employment, or longer if extended.

"Promotion" means a change from one position to another position in a higher class and/or compensation grade.

"Range" means the difference between minimum and maximum rates of an assigned grade.

"Rate" means the measure of compensation for personal services on an hourly, weekly, monthly, annual or other basis.

"Salary Administration Plan" means the Personnel Bylaw Entitled "The Salary Administration Plan."

"Single Rate" means a rate for a specific position class that is not in a designated range

"Start Date" means the first day of employment with the Town.

SECTION 2. POSITION TITLES

No person shall be appointed, employed or paid in any position under any title other than those of the Classification Schedule for which the duties are actually performed. The position title in the Classification Schedule shall be the official title for all purposes, including payrolls, budgeting and official reports.

SECTION 3. NEW OR CHANGED POSITIONS

No new position shall be established, nor the duties of an existing position so changed that a new level or work demand exists, unless upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall (a) approve an appropriate job description, (b) rate such new or changed position, and (c) allocate it to its appropriate classification grade and establish the rate thereof.

SECTION 4. RECLASSIFICATION OF EMPLOYEES

No position may be reclassified to another grade, whether higher or lower, unless the Personnel Board shall have determined such reclassification is consistent with this Salary Administration Plan.

SECTION 5. JOB DESCRIPTIONS

The Personnel Board shall maintain such criteria as it deems appropriate for the positions and classes in the schedules. Each department or public body (board, committee, commission) with SAP employees shall maintain current job descriptions for such employees. All such job descriptions and any revisions thereto must be submitted to the Personnel Board for approval following review and approval by the Select Board or appropriate public body. The criteria for any class shall not be deemed to limit the duties or responsibilities of any position as set forth in the job description, nor to affect in any way the power of any administrative authority to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 6. COMPENSATION

a. The bi-weekly pay period shall begin at 12:00 a.m. Thursday and shall end at 11:59 p.m. on the following second Wednesday.

b. Non-exempt employees subject to this Salary Administration Plan shall be paid for one and one-half hours worked for any hour worked in the excess of forty in their weekly pay period, provided such extra hours were authorized by the Department Head.

c. The salary schedules set forth in Schedules A, B, C, D and E of Section 20 hereof reflect the maximum and minimum salaries for each grade.

d. The annual salary set forth in Schedule A represents a 40-hour work week and in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated annual salary is pro-rated reflective of the posted salary schedule in Schedule A.

e. Amounts paid to employees in reimbursement for expenses incurred in the performance of their duties (e.g., mileage, meals, dues, etc.) shall be paid in addition to their compensation. Reimbursement shall be based upon the actual documented expenditure made by the employee, or at rates established by the Internal Revenue Service, supported by that agency's requirements for documentation.

f. On-Call Compensation: The on-call member of the Facilities Department shall be eligible to earn a weekly stipend for on-call service if the department head has required them to be available to respond to situations outside of their normal work schedule. This weekly stipend shall be equal to a set rate of $300 per week. If the on-call staff member must report to work outside of their normal work schedule, compensation for this time shall be based on the standard SAP overtime practices. Additionally, if the on-call staff member is faced with a situation that renders them unable to serve as the on-call individual on a particular day that they are scheduled to be on call, said employee may request that another eligible staff member cover their on-call time, with the approval of the department head. In such an event, the regularly scheduled employee's weekly stipend will be reduced by $45.00 per day that they are unable to be on call; this stipend amount will instead be paid to the covering employee per day of coverage. There is no provision to accrue compensation time in lieu of payment for on-call time.

SECTION 7. SALARY ADJUSTMENT & COMPENSATION POLICIES

a. Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible for consideration of a salary increase annually on July 1. Employees hired between April 1 and June 30 will be eligible for a salary increase the July 1st following their twelve-month anniversary. Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Select Board or their designated appointee in the case of departments within the jurisdiction of the Select Board, or the appropriate Commissioners or Trustees in the case of departments outside the jurisdiction of the Select Board.

Retroactive salary increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism.

Unless specifically exempted by Personnel Board policy, requests for salary increases must be accompanied by a certification from an employee's manager that the employee's performance has been "satisfactory" or better and that a written employee performance appraisal, on a form approved by the Personnel Board, has been completed. The

form of this certification will be prescribed by Personnel Board policy promulgated hereunder. Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments.

An employee may appear before the Personnel Board prior to its action on any request for an increase. Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

b. Special Non-Continuous Part-Time employees and employees in Schedule B classifications shall be eligible for consideration for salary increases upon the recommendation of the appropriate department manager or Board and approval of the Personnel Board.

c. Probationary Employees

1. During the probationary period, benefit eligible employee(s) will earn vacation, sick and personal time in accordance with Section 11(b-d) hereof.

2. During the probationary period, paid leave accruals shall be based on the Start Date.

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board, provided the maximum for the job is not exceeded. This is contingent upon the Department Head's recommendation that qualifications and performance warrant it.

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the Personnel Board approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL HIRING; DEPARTURES

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. Probationary period: For new hires, the first six months of employment shall be a probationary period. The probationary period does not apply to Town employees who change positions within the Town. The probationary period is a time during which an employee will be evaluated to ensure that the employee has the requisite knowledge, skills, and abilities to perform the position (with or without reasonable accommodations). Completing the probationary period does not change the employee's relationship with the Town, which will remain one in which either the employee or the Town may terminate the relationship at will. The probationary period may be extended by a Department Head [or Appointing Authority] when deemed necessary.

c. A new employee's hiring rate shall be the minimum of the rate range of the job, unless otherwise authorized by the Personnel Board or Personnel Director. The Personnel Board is cognizant of the need to make timely decisions during the recruitment process, therefore, the Personnel Director is empowered to set starting salaries for new employees with comparable experience up to Step 8 for the appropriate job grade as set forth in Schedule A of the Salary Administration Plan.

d. The Personnel Director or his/her delegatee shall notify the Personnel Board in writing of the hiring of all personnel and their hiring rates. The Personnel Director or his/her delegatee shall also notify the Personnel Board in writing of the departure of any employee.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i(1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees. The benefits listed below are not intended to supersede what State or Federal law may otherwise require. The benefits set forth in this section are applicable to Full-Time employees only, except where noted.

All forms of paid leave set forth in this section are based on a 40 hour work week; in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a. Holidays with Pay

Full-Time employees shall receive one day's pay at their regular rate for the following:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veteran's Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	Day before or after Christmas Day (as set by the Town annually

To be eligible for holiday pay, an employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday. Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval**.** Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years.

All administrative policies and practices relative to holidays with pay shall be prepared and established under the direction of the Personnel Board.

b. Vacations with Pay

(1) Full-Time employees who have been in the continuous employ of the Town shall earn paid vacation in accordance with the following schedule:

Years of Employment	Hours Earned Per Month	Vacation Earned Per Year (Pro-rata)
0 - 2	6.666	Two weeks
2+ - 7	10.0	Three weeks
7+ - 15	13.333	Four weeks
15+ - or more	16.666	Five weeks

Employees hired prior to July 1, 2005, shall be eligible to earn twenty hours per month after serving twenty years of full-time employment with the Town.

(2) At the recommendation of the hiring authority and upon the approval of the Personnel Board, new employees entering into a position with the Town of Southborough from a similar position will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of four weeks' vacation [pro-rated] for the first year of employment with the Town.

Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the Department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. Employees hired on or after July 1, 2023, shall be permitted to carry over a maximum of two weeks to the following fiscal year. The employee must have the Department Head's approval to take any portion of a prior year's unused vacation in addition to the days earned in the current fiscal year. Employees commencing employment with three weeks per year will be required to complete two years of service before ascending to the next band (four weeks) in the vacation schedule chart and seven years of service before ascending to the following band. Awarding four weeks should be the exception based on evidence that the employee is leaving another position that already provides this benefit. Employees commencing employment with four weeks per year will be required to complete five years of service before ascending to the next band (five weeks).

(3) If in the opinion of the Department Head there are unusual work-related circumstances that warrant it, a department head may seek approval from the Town Administrator or his/her delegatee to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(4) In the event of termination of employment the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

(5) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

c. Sick Leave

(1) Full-Time employees shall be entitled to accrue 10 sick hours per month, equaling 120 hours annually (15 sick days); employees working less than 40 hours in a weekly pay period will accrue ratably based on hours worked per week. Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave. Employees of the Town of Southborough hired on or after July 1, 2023, will not be subject to any payout of accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

(5) Sick leave administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

d. Personal Days

Full-Time employees shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's Start Date. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the Department Head. Personal days shall not accumulate from year to year.

e. Military Leave

(1) Reserve Duty: An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(2) Active Duty: Pursuant to Article 8 of the April 11, 2005 Annual Town Meeting, an employee in the federal military reserve or a state National Guard who is called to active service shall be entitled to their regular base salary and shall not lose any seniority or paid leave benefits while on military leave; *provided*, however, that such base pay shall be reduced by any amount received from the United States as pay or allowance for military service performed.

f. Jury Duty

Any employee who is called to jury duty shall be paid the difference between their normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

g. Miscellaneous Paid Time Off

Working time lost from regularly scheduled work days for reasons listed below shall be without loss of pay, provided such lost time is authorized by the Department Head. Sections (1) – (3) are applicable to Full-Time employees only; Section (4) is applicable to both Full-Time and Part-Time employees.

(1) Bereavement leave – In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the employee, such employee shall be entitled to receive three days' leave for the purpose of the funeral and services of the deceased. If out-of-state travel is required, the Department Head may authorize up to two additional days of travel time.

(2) Medical examination or inoculation required by the Town.

(3) Blood donation authorized by the Department Head.

(4) Attendance at professional and/or educational programs authorized by the Department Head.

h. Court Time Pay

If the Town requires that an employee appear in Court as a witness or in any other capacity arising from the performance of the employee's duty, or on behalf of the Commonwealth or the Town in any civil or criminal case pending in any Court or other official governmental board or agency, such appearance and related travel time shall constitute work time for purposes of calculating weekly hours worked. If such appearance or related travel time causes a non-exempt employee to exceed forty hours of work in any given work week, the employee shall be eligible for overtime pay in accordance with Section 6(b). This section does not apply to exempt employees.

i. Employee Educational Support/Professional Development

(1) Degree Bonus: All Part-Time and Full-Time employees who, while an employee of the Town, earns a degree in a field applicable to their position from an accredited college or university, shall receive a one-time bonus subject to appropriation, according to the following schedule:

Associates Degree... $ 800.00
Bachelors Degree.. $1,200.00
Masters Degree..... $1,500.00

A copy of the completed transcript, diploma or other appropriate evidence of the completed degree must be presented to the Department Head and the Personnel Board, and shall be submitted as documentation for accounts payable.

(2) Tuition reimbursement: the Town may offer tuition reimbursement to eligible Full-Time and Part-Time employees as prescribed by Personnel Board policy enacted under this Bylaw.

j. Group Medical Insurance

Starting July 1, 2009, the Town will contribute fifty percent (50%) of the cost of a medical indemnity plan or seventy-five percent [75%] of the cost of a Health Maintenance Organization plan for Full-Time employees only.

SECTION 12. UNPAID LEAVES OF ABSENCE

a. A leave of absence without compensation may be granted by the Personnel Board.

b. Leaves of absence of over three months' duration (except Military Leave) shall be deemed a break in employment, and on return to work the employee shall have the status of a new employee unless an extension of leave beyond three months was authorized by the Personnel Board.

SECTION 13. PART-TIME EMPLOYEES WORKING FULL-TIME HOURS TEMPORARILY

a. A Part-Time employee may work 20 hours or more per week for no longer than two bi-weekly pay periods, or four bi-weekly pay periods in the case of an Election Worker during an election cycle, if requested by their Department Head due to exigent circumstances, or for longer if recommended by the appointing authority or the Personnel Director, with the authorization of the Finance Director and approval of the Personnel Board. In such cases, the employee will remain a Part-Time employee with no change in status.

b. Department Heads may submit requests for additional compensation for Part-Time employees temporarily working Full-Time hours, subject to available funding as authorized by the Finance Director and approved by the Personnel Board.

SECTION 14. APPOINTMENT OF “ACTING” DEPARTMENT HEADS

a. In the absence or retirement of a Department Head for three consecutive weeks, the Select Board or appropriate board or commission may appoint an “Acting” Department Head to serve for a period of not more than three months. Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Select Board or other appropriate board or commission for each such extension. In no case shall an appointment of an “Acting” Department Head exceed one year.

b. Duly appointed “Acting” employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the “Acting” employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation.

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems

necessary, subject to appropriation of funds therefor.

SECTION 16. DUTIES OF THE PERSONNEL BOARD

a. The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of the Plan.

b. The Town Administrator serves as the Town's Personnel Director under the Town Administrator Bylaw [Ch. 27, Art. IX]. As such, the Personnel Director is invested with personnel authority and responsibilities as set forth therein. From time to time, and as may be necessary, the Personnel Board will consult and/or act in concert with the Personnel Director or his/her delegatee on matters of joint responsibility and concern. The Personnel Board shall provide oversight and guidance to the Personnel Director in the development and maintenance of personnel policies and regulations.

c. The Board shall meet annually in July and organize by the choice of a Chair and Vice-Chair. The Board shall meet at least monthly, except when there is no business before the Board. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

d. The Personnel Board shall maintain records of all employees subject to this Plan as it deems desirable, including personnel evaluations. Such records are to be kept by the Personnel Director or his/her delegatee, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the Board.

e. The Personnel Board shall from time to time, but no less often than every federal Election Year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

f. The Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information. Approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.

g. Matters of concern by SAP employees that are communicated in writing to the Chair of the Personnel Board will be scheduled on an agenda at the next available meeting providing all necessary and requested information has been submitted in time to be part of the meeting packet. In addition, notice in writing shall be forwarded to the concerned employee and respective Department Head within seven days of the Board's decision. Notwithstanding the foregoing, if the Personnel Board shall so request and the concerned employee and Department Head shall agree, a reasonable extension of these time periods may be granted.

h. Upon recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, the Board may authorize variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the Town, and to effectuate the basic intent of the Plan.

SECTION 17. EMPLOYEES AND THE PERSONNEL BOARD

a. All employees covered by this Salary Administration Plan shall have the right to request an appointment to confer with the Personnel Board on any matter of interest or concern to them that is covered by the Salary Administration Plan. The employee shall notify the Department Head in writing in advance of the desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

The Salary Administration Plan may be amended in the same manner that Town Bylaws may be amended. However, no amendment to the Plan shall be made until it has been presented to the Personnel Board and the Personnel Board has the opportunity to act on it. The Board of its own motion may propose an amendment to the Plan.

SECTION 19. SEVERABILITY PROVISION

In the event that any provision of this bylaw, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this bylaw.

SCHEDULE D: SPECIAL ADMINISTRATIVE AND SUPERVISORY POSITIONS

Police Lieutenant:

In addition to all the benefits provided employees under the SAP, he/she would be eligible for some additional benefits as provided members of Mass COP Local 167, the police union collective bargaining agreement.

As a result, a separate policy is adopted by the Southborough Select Board and enforced by the Southborough Police Department subject to change in conjunction with future collective bargaining agreements.

*Increases in salary for long term employees will be considered case by case by Personnel Board.

SCHEDULE E: LONGEVITY SCHEDULE: Full-Time Employees of Town of Southborough – Compensated annually on the anniversary of the employee's Start Date

After 5 years $400
After 10 years $600
After 15 years $700
After 20 years $850
After 25 years $1,000
After 30 years $1,200
After 40 years $1,500

, or do or act anything in relation thereto.

Proposed by: PERSONNEL BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: At Town Meeting
Summary: *The Personnel By-Law governs policies and pay structures for non-union employees.*

ARTICLE 5: To see if the Town will vote to raise or transfer a sum of money as may be necessary for the Town's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

SEE BUDGETS ON THE FOLLOWING PAGES

Proposed by: SELECT BOARD

Select Board Recommendation:
Advisory Committee Recommendation: At Town Meeting
Summary: *The article includes recommendations from both the Select Board and the Advisory Committee for the FY25 budget. Funding recommendations are noted in the individual recommendation columns for each department.*

ARTICLE 6: To see if the Town of Southborough will vote to raise and appropriate or transfer from available funds a sum of $289,414.00 to the Police Department Budget, #210 for the purpose of hiring four full-time dispatchers to provide coverage 24/7, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation:
Advisory Committee Recommendation: Not Support
Summary: *Over the past two and a half years the Town has been exploring joining a Regional Emergency Communications Center (RECC). Now is the time to address the immediate need. This is NOT a clerical job. Dispatchers provide critical emergency communication services to Police, Fire, EMS, Public Health, DPW, School Departments, Building Departments, Youth and Family Services, Senior Services, Recreation, State Police, Court, Commonwealth of Mass. Properties, Dam, MBTA Station,9-11 Field, Reservoir trails, Businesses and private non-profits.*Select Board Packet, March 7, 2023, Office of the Select Board, the original intent of looking at Regional Emergency Communications Center (RECC) was not for financial purposes for Southborough. There has been consensus that maintaining 1 dispatcher per shift is not acceptable. However, there have been questions raised about the costs. Three different scenarios of future dispatch costs with assumptions outlined in memo. * Select Board Meeting Minutes, December 19, 2023, III.i.ii. Chief Achilles & Chief Newell recommendation for maintaining current model Chief Newell and Chief Achilles shared their findings on enhancing the current dispatch operation system. "The Chiefs state that whether or not the Town chooses to regionalize, the immediate need is to add four full-time dispatchers to provide coverage 24/7."*

ARTICLE 7: To see if the Town of Southborough will vote to raise and appropriate, or transfer from available funds a sum of $119,372.00 for the purpose of covering the Employee Benefits for the additional four full-time dispatchers, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation:
Advisory Committee Recommendation: Not Support
Summary: *These Employee Benefits funds for the additional four full-time dispatchers will be applied to the Employee Benefits Budget, #910, as standard practice in Southborough.*

ARTICLE 8: To see if the Town will vote to raise a sum of money as may be necessary for the Water Enterprise Fund's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

DRAFT

WATER ENTERPRISE	FY 2022 ACTUAL	FY 2023 ACTUAL	FY 2024 BUDGET	FY2025 REQUEST	PERCENT (+) or (-)
DIRECT COSTS					
51000-51990 Total Personal Services	319,953	387,136	399,116	427,159

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation: Support
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates and the fund's retained earnings, which supports all aspects of the department's operation. The funding for those capital items that are being leased/purchased for use by the Water Department, in whole or in part, are included in this budget.*

ARTICLE 9: To see if the Town will vote to transfer $100,000 from Water Retained Earnings for use in the FY24 Water Enterprise Fund budget, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation: Support
Summary: *This article is intended to supplement the water revenue for the current fiscal year in the Water Enterprise Fund. FY24 has seen lower than expected water usage, and the use of retained earnings will complement the revenue from water rates and provide sufficient support for the Water Enterprise Fund.*

ARTICLE 10: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	Request	Levy	Receipts Reserved Ambulance/Other
A.	ROAD MAINT. & MISC STREET REPAIR	$472,500	$472,500	
B.	MOWER ATTACHMENT J DEERE TRACTOR	$ 20,630	$ 20,630	
C.	POLICE CRUISERS (2)	$150,000		$150,000
D.	DEFIBRILLATORS - PARAMEDIC	$ 50,000	$ 50,000	

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD

Select Board Recommendation:
Advisory Committee Recommendation: Support
Summary:

ARTICLE 13: To see if the Town will vote to appropriate a sum of money for the payments under existing capital lease agreements as described below:

	Equipment	Authorized Department	Source of Appropriation	FY25 Amount
A.	1 - Horton Type Ambulance	Fire Department	FY25 Capital Budget - Ambulance Fund	$57,191
B.	1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY25 Capital Budget - General Fund	$25,037
C.	1 - Pick Up Diesel F-350	Dept. of Public Works	FY25 Capital Budget - General Fund	$10,622
D.	1 - Fire Dept Chief Vehicle	Fire Department	FY25 Capital Budget - Ambulance Fund	$8,422
E.	Police Taser Program	Police Department	FY25 Capital Budget - General Fund	$19,455

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The lease agreements for these vehicles were authorized by Town Meeting in 2021, and these are the fourth year of the lease payments. With the exception of the Fire Ambulance (5-year lease) and Police Taser (3-year lease), all of the leases are for 7 years.*

ARTICLE 14: To see if the Town will vote to authorize payment from Fund 2261 – 9-11 Field Maintenance Revolving the sum of $45,000 for the FY24 principal and interest payment, and $45,000 for the FY25 principal and interest payment, for the May 2018 bond issuance for the resurfacing of 9-11 Field; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*:*

ARTICLE 15: To see if the Town will vote to transfer from Free Cash the sum of $5,000 for the purpose of hiring consultants, engineers, water quality specialists, and/or environmental consultants by various Town departments, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows town departments, with the approval of the Select Board, to hire outside expertise when the need arises.*

ARTICLE 16: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article.*

ARTICLE 17: To see if the Town will vote to transfer from Free Cash the sum of $10,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

DRAFT

ARTICLE 18: To see if the Town will modify the purpose of funds appropriated under Article 18 passed at the Annual Town Meeting on April 9, 2018 which stated "Lundblad Field design & specialty consultant" to re-purpose such funds for "Lundblad Field construction and upgrades", or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*:* *The original article was to "fund research and design work including investigation of the membrane and other aspects of the property." As a balance of $46,411.00 remains the Town would like to utilize the residual funds for the construction of facility improvements, including, but not limited to, a community dog park.*

ARTICLE 19: To see if the Town will vote to raise and appropriate, or transfer from available funds the sum of $150,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities. The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Capital Improvement and Planning Committee as requested, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE 20: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the ongoing maintenance of capital investments associated with outdoor recreational facilities. The Town's Director of Recreation shall recommend appropriate projects to the Recreation Commission. The Recreation Commission shall approve all expenditures under this article, or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*:*

ARTICLE 21: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for existing revolving funds for Fiscal Year 2025, as follows:

1. Immunization/Emergency Dispensing Clinic; $15,000.
2. Inspectional Services; $140,000.
3. 9-11 Field Maintenance; $100,000.
4. Wetland Protection; $30,000.
5. Hazardous Materials; $75,000.
6. CPR Classes; $6,500.
7. Community Garden; $3,000.
8. Recreation Programs; $500,000.
9. Tobacco Control Program; $4,000.
10. Golf Course Maintenance; $75,000.

, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH, SELECT BOARD, RECREATION COMMISSION, AND CONSERVATION COMMISSION
Select Board Recommendation: Support

Advisory Committee Recommendation: Support
Summary: *This article approves the annual spending limits for revolving funds that are now authorized by Town by-law.*

ARTICLE 22: To see if the Town will vote to accept provisions of the fourth paragraph of Massachusetts General Law Ch. 40, Section 3 to allow the Southborough School District to keep monies received from the rental of space in its schools. These monies may be expended by the Southborough School Committee for the purpose of upkeep and maintenance of any and all Southborough Public Schools with no further legislative body approval. The monies may accumulate from year to year, and shall not be considered to be part of the general funds unassigned balance, or do or act anything in relation thereto.

Summary*:*

ARTICLE 26: To act on the recommendation of the Community Preservation Committee on the Fiscal Year 2025 Community Preservation Budget and to appropriate or reserve for later appropriation monies from Community Preservation Fund annual revenues or available funds for the administrative expenses of the Community Preservation

Committee, the payment of debt service, the undertaking of Community Preservation projects and all other necessary and proper expenses for the year, or take any other action relative thereto.

PROPOSED FISCAL YEAR 2025 COMMUNITY PRESERVATION BUDGET

Estimated Surcharge Receipts (Based on Town Treasurer's Projections) ……..….	$ 447,844
State Match (Projected FY2024 State Match) ……...…….……	$ 64,905
Total Projected Revenue…… ……	$ 512,749

The Community Preservation Committee recommends that the following amounts be appropriated or reserved from Fiscal Year 2025 Community Preservation Fund revenues with each item considered a separate appropriation.

Set Aside- Open Space
$51,275 to be set aside, held in the Community Preservation Open Space Reserve Account, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Historic Preservation
No set aside required as spent in FY2025 on bonds for historic projects for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Set Aside – Community Housing
$51,275 to be set aside, held in the Community Preservation Housing Reserve Account, and spent in FY2025 or later years for the creation, preservation, and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act.
Set Aside Administrative Costs – Community Preservation Committee
$25,637 to defray the administrative and operating expenses of the Community Preservation Committee in FY2025 for the Community Preservation Administration Account

Set Aside – CPA Budgeted Reserve/Discretionary
$106,274.00 Reserved for FY25 Budgeted Reserve/Discretionary Account

Annual Debt Service: $75,438 to be applied towards the bond for the perpetual Preservation Restriction on 84 Main Street also known as the Burnett House for the purpose of historic preservation as approved at ATM 2016

Annual Debt Service: $61,00.00 to be applied towards the bond for the renovation and restoration of the historic Southborough Library building for the purpose of historic preservation as approved at ATM 2018

Annual Debt Service: $141,850 to be applied towards the bond for the historic restoration of the Southborough Town House for the purpose of historic preservation as approved at ATM 2021
FY24 Annual Debt Service: $52,842 from the CPA FY24 Budgeted Reserve Fund Balance to be applied towards the bond for the historic restoration of the Southborough Town House for the purpose of historic preservation as approved at ATM 2021

Summary: *Summary: This article is to account for an adjustment to the state match from what was budgeted at 2023 ATM and the FY24 State Match received.*

ARTICLE 28: To see if the Town will vote to appropriate $46,046 for the rehabilitation and restoration of historic Town records for historic purposes as requested by Southborough Town Clerk Jim Hegarty, with $21,005.43 from the Historic Reserve Account and $25,040.57 from the Budgeted Reserve Account. This consists of $45,046 in project costs and an additional $1,000 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application.
Funding is contingent on a project start of July 1, 2024, and to be completed by June 30, 2027 or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Southborough Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the
Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of Town Clerk Jim Hegarty said funds will be used for the restoration of historic Town documents dating back to the 1700's.*

ARTICLE 29: To see if the Town will vote to appropriate $211,232 from the CPA Fund Budgeted Reserve for the construction of the final segment of Peninsula Trail requested by the Southborough Trails Committee for recreational purposes. This consists of $183,680 in project costs and an additional $27,552 in contingency funding. Contingency

funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on a project start date of July 1, 2024, and to be completed by December 1, 2026, or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support

Summary: *Under the direction of the Southborough Trials Committee (STC), and with Recreation Director Tim Davis as an advisor, said funds will be used for the installation of the boardwalk, footbridge, and other trail construction related tasks for "Bridging the Gap" Phase II of the STC Peninsula Trail Project.*

ARTICLE 30: To see if the Town will vote to appropriate $553,750 for the installation of a new irrigation system in accordance with the standards of Audubon International, at the Southborough Golf Club from the CPA Fund Balance, as requested by the Southborough Golf Committee for the purpose of recreation. This consists of $475,000 in project costs and an additional $78,750 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on project completion by December 1, 2026, or funds to be returned to the CPA Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: At Town Meeting
Summary: *Under the direction the Southborough Golf Committee (STC), and with the golf course management company - New England Golf, overseeing the installation, said funds will be used for the installation of the new irrigation system to replace the existing 50+ year old system which is leaky, prone to failure requiring frequent repair, and time consuming to operate. This article is the Community Preservation Act share of a total project amount of $603,750 offset by a $50,000 contribution from the Golf Course Revolving Fund.*

ARTICLE 31: To see if the Town will vote to appropriate the sum of $96,115.13 for the use of the Board of Health to provide for substance abuse abatement activities following the Town's participation in the Statewide Opioid Settlements negotiated by the Massachusetts Attorney General, and to meet said appropriation the sum of $96,115.13 be transferred from Free Cash, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*:*

ARTICLE 32: To see if the Town will vote to authorize the Select Board under Clause (1) of Section 8 of Article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts to submit to the General Court a Home Rule Petition, accompanied by a proposed Special Act relating to the Town of Southborough public works. The General Court may make clerical or editorial changes of form only to the proposed, unless after a public hearing the Select Board approves amendments to the bill before enactment by the General Court. The Select Board is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this

petition. Said submission shall be accompanied by an attested copy of the motion and vote of the Town Meeting on this article.

Said proposed Special Act shall make the following modifications to Ch. 447 of the acts of 1991: (a) Re-establish the office of Tree Warden as an appointee of the Select Board, supervised by the DPW superintendent; (b) dissolve the Public Works Planning Board of the town of Southborough; and (c) replace "board of selectmen" with "select board" throughout.
The form and wording of said submission shall be determined by the Select Board in consultation with Town Counsel and the Town's representatives to General court, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The Public Works Planning Board was created in 1991, and does not meet current expectations. The Select Board is officially the town's Tree Warden by the Special Act which has proven inefficient. The office of Tree Warden would be reinstated as an appointed officer of the Town.*

ARTICLE 32: To see if the Town will vote to establish a Public Works Advisory Committee by deleting Article I ("Solid Waste Disposal Committee") of the Town Code in its entirety and inserting the following into the Town Code:

Article XIII Public Works Advisory Committee

§9-52 Purpose
Because the Department of Public Works ("DPW") is a complex organization that consumes a significant portion of the Town's budget and directly impacts the life of every resident: planning, prioritization, coordination and communications with the residents is essential. The Public Works Advisory Committee provides a focal point for and assistance with this complex function.
§9-52-A Establishment; Membership; Qualifications
Effective upon the dissolution of the Southborough Public Works Planning Board, there shall be a Public Works Advisory Committee ("PWAC"), which shall consist of five voting members and the non-voting ex-officio members identified below.
Each voting member shall be a resident of the Town and shall not be a Town officer or employee. Preferably at least 3 voting members should have significant relevant work experience and knowledge of activities undertaken by the DPW.
The voting members shall be appointed by the Select Board.
§9-52-B Appointments; Terms; Vacancies; Removal
Voting members shall be appointed for three-year terms. The initial appointments shall be two members for three years, two members for two years, and one member for one year, so as to establish overlapping terms.
Any voting member who shall remove from the Town, establish residency in another town, resign, or die shall cease to be a member. When notified that any voting member has failed to faithfully discharge his duties, or has failed without good cause to attend at least three quarters of the PWAC meetings held in any six-month interval: the Select Board may promptly give notice, hold a hearing and determine whether such member shall be removed from the PWAC. In any case of a vacancy in the voting membership, the Select Board shall make every effort to, within thirty days, appoint a replacement for the balance of the unexpired term.
The ex-officio (non-voting) members have terms coincident with their employment and shall be: the Superintendent of Public Works and the Town Planner.
§9-52-C Organization; Meetings
The members shall select, from among themselves, a Chair, vice-Chair, and a Secretary.
The PWAC shall establish a regular schedule of meetings sufficient to complete its duties, but shall meet at least quarterly.
The PWAC shall ordinarily and preferentially meet in the Town, but may conduct meetings, investigations or inspections within the scope of its duties and authority anywhere, subject to the Open Meeting Law and standard Town travel budgets and policies.
The PWAC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.

All reports and recommendations of the PWAC made to the Town shall be voted by a majority of the voting members of the PWAC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the non-voting members.

§9-52-D Funding

Subject to appropriation, the PWAC may incur expenses for consultants, communications, minute-takers and other purposes. Such expenses shall be from a separate line item under the DPW's budget, established by the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the PWAC or a designated member thereof, as permitted by law, and be subject to the Town's policies for such expenditures.

§9-53 Functions and Definitions

The duty of the PWAC shall be to respond to requests for support from the Superintendent of Public Works, the Select Board, the Planning Board, the Advisory Committee, the Capital Improvement Planning Committee, and such other Town Entities as may be appropriate.

Further, PWAC shall also proactively evaluate, study, recommend, propose, and/or report on significant projects to be undertaken by the DPW.

The PWAC shall assume the functions of the former Green Technology and Recycling Committee that were assigned to the former Public Works Planning Board.

In this Article XIII, the phase "Town Entities" includes any Town board, committee, or agency of Town government, or subsidiary organization of any of these, whether statutory, elected or appointed.

In this Article XIII, the phase "Public Works Projects" includes projects conducted or planned to be conducted by the DPW, including but not limited to: road and sidewalk construction and maintenance; solid waste disposal (including operation of the transfer station, recycling and fees); cemetery operation; construction and maintenance of the water system (including conservation and fees); tree maintenance, removal, and replacement; public stormwater, and traffic management.

§9-54 Mission and Authority

The PWAC shall assist with establishing priorities and long-term planning for significant Public Works Projects. The PWAC may evaluate and/or develop options to be considered for Public Works Projects that significantly deviate from their plans in scope, expense, and/or schedule. The PWAC may assist in locating and/or evaluating the desirability of external (e.g., grant) funding for Public Works Projects.

The PWAC shall coordinate its work with the Select Board, Advisory Committee, Capital Improvement Planning Committee, Planning Board, Trails Committee, and Recreation Commission as reasonably necessary.

The PWAC shall not manage or direct the Superintendent of Public Works, DPW employees, or projects.

The PWAC shall assist the Superintendent of Public Works to communicate plans for Public Works Projects and the status of such projects to residents (especially neighbors) at the earliest feasible time. It shall serve as a focal point for citizen concerns with Public Works Projects, and may conduct public hearings.

§9-54-A Other Agencies

The PWAC may meet with other governmental agencies to discuss opportunities for interoperation, efficiencies or other synergies. However, the PWAC does not have the authority to commit the Town to pursue such opportunities, which authority rests with the Superintendent of Public Works, other Town Entities, and/or their designees.

§9-55 Reporting

From time to time, as may be necessary, the PWAC shall report to the Superintendent of Public Works and/or the Select Board on its activities and such reports, studies, evaluations, recommendations, and/or proposals as it has initiated or have been requested of it.

From time to time, as may be necessary, the PWAC shall report to the Town Meeting.

§9-56 Interpretation

The section headings and numbering of this Article XIII are for convenience and shall not be construed to modify the interpretation of the article.

In this Article XIII, terms are defined in quotation marks within parenthesis, and their uses are indicated by capitalization. The definition of each such term applies to its use in the entirety of this Article XIII, whether or not the definition appears before such use.

In this Article XIII, the word "will" is to be interpreted as descriptive of an outcome or process and not as an imperative; the word "shall" is to be interpreted in the imperative sense of "must" or "is required to"; while the word "may" is to be interpreted in the permissive sense of "optionally", or "has discretion whether or not to".

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD

DRAFT

Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Replaces the Special Act-chartered Public Works Planning Board with a Town standing committee when the PWPB dissolves as initiated by the previous article.*

ARTICLE 33: To see if the Town will vote to amend Article XI, Capital Improvement and Planning Committee, of the Town Code by deleting § 9-43(A) in its entirety, and replacing it with the following:

A. There shall be a Capital Improvement and Planning Committee ("CIPC"), which shall consist of five voting members and the two nonvoting ex-officio members identified below.

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Capital Improvement and Planning Committee is seeking to reduce its membership from 7 to 5 members to alleviate issues with getting quorums for meetings.*

ARTICLE 34: To see if the Town will vote to add a new **§ 174-10.3** to the Town of Southborough's Zoning Bylaws, amend the zoning map, amend certain other sections to integrate the new section into the current zoning bylaw, and make any minor modifications to the text required for consistency with the existing format of the bylaws.

Add the following definitions to § 174-2. Definitions.
B. Definitions
Add definitions here if the Town would prefer them to be in the main section rather than the MCMOD zoning. The current definition of Lot is similar, so I retained the Town's. The Town's definitions of Dwelling, Multifamily, Dwelling Unit, and Open Space were sufficiently different, so I left those in. See § 174-10.3.C.

Add the following text to: § 174-3. Districts enumerated.
N. MBTA Communities Multi-family Overlay District, referred to as MCMOD.

Add the following text to:§ 174-10. Site plan approval
A. The purpose of the site plan review procedure is to encourage a desirable and compatible character of development within the Town of Southborough and to assure safety, promote logic, imagination and innovation in the design process while complying with all zoning requirements. The requirements of this section shall be applicable to the following:

(6) All multi-family development with more than 10 units within the MCMOD (§174-10.3).
Add the following text to:§ 174-12.1. Outdoor illumination
(3) LZ-2: moderate ambient lighting
(a) Areas of human activity where the vision of human residents and users is adapted to moderate light levels. Lighting may typically be used for safety and convenience, but it is not necessarily uniform or continuous. After curfew, lighting may be extinguished or reduced as activity levels decline.
(b) Zoning District: Business Village, **MCMOD**

Add the following section:
§ 174-10.3: MBTA Communities Multi-family Overlay District
A. Purpose

The purpose of the MBTA Communities Multi-family Overlay District (MCMOD) is to allow multi- family housing as of right in accordance with Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A). This zoning provides for as of right multi-family housing to accomplish the following purposes:

(1) Encourage the production of a variety of housing sizes and typologies to provide equal access to new housing throughout the community for people with a variety of needs and income levels;

(2) Support vibrant neighborhoods by encouraging an appropriate mix and intensity of uses to support an active public space that provides equal access to housing, jobs, gathering spaces, recreational opportunities, goods, and services within a half-mile of a transit station.

(3) Locate housing within walking distance of public transit [and downtowns or town centers] to promote general public health, reduce the number of vehicular miles travelled, support economic development, and meet community-based environmental goals, including reducing greenhouse gases and improving air quality.

(4) Preserve open space in a community by locating new housing within or adjacent to existing developed areas and infrastructure.

(5) Support public investment in public transit and pedestrian- and bike-friendly infrastructure.

(6) Increase the municipal tax base through private investment in new residential developments.

B. Establishment and Applicability
This MCMOD is an overlay district having a land area of approximately 53.9 acres in size that is superimposed over the underlying zoning district (s) and is shown on the Zoning Map.
(1) **Applicability of MCMOD.** An applicant may develop multi-family housing located within a MCMOD in accordance with the provisions of this § 174-10.3.

(2) **Underlying Zoning.** The MCMOD is an overlay district superimposed on underlying zoning districts. The regulations for use, dimensions, and all other provisions of the Town of Southborough's Zoning Bylaw governing the respective underlying zoning district(s) shall remain in full force, except for uses allowed as of right or by special permit in the MCMOD. Uses that are not identified in § 174-10.3 are governed by the requirements of the underlying zoning district(s).

(a) The requirements of § 174-10.13.2 Major residential development do not apply to the MCMOD.

(b) The requirements of § 174-10.13.3 Lower impact development may be used as a component of site plan review under § 174-10.3.J, but the Planning Board may not require a separate special permit for a multifamily use within the MCMOD.

(c) The requirements of § 174-10.13.4 Water resource protection may be used as a component of site plan review under § 174-10.3.J, but the Planning Board may not require a separate special permit for a multifamily use within the MCMOD.

(3) **Sub-districts.** The MCMOD contains the following sub-districts, all of which are shown on the MCMOD Boundary Map: Subdistrict A and Subdistrict B.

C. **Definitions.**
For purposes of this § 174-10.3, the following definitions shall apply.
(1) **Affordable unit.** A multi-family housing unit that is subject to a use restriction recorded in its chain of title limiting the sale price or rent or limiting occupancy to an individual or household of a specified income, or both.

(2) **Affordable housing.** Housing that contains Affordable Units as defined by this § 174-10.3.

(3) **Applicant.** A person, business, or organization that applies for a building permit, Site Plan Review, or Special Permit.

(4) **Area Median Income (AMI).** The median family income for the metropolitan statistical region that includes the Town] of Southborough, as defined by the U.S. Department of Housing and Urban Development (HUD).

(5) **As of right.** Development that may proceed under the Zoning in place at time of application without the need for a special permit, variance, zoning amendment, waiver, or other discretionary zoning approval.

(6) **Development standards.** Provisions of § 174-10.3: G. General Development Standards made applicable to projects within the MCMOD.

(7) **EOHLC.** The Massachusetts Executive Office of Housing and Livable Communities, DHCD's successor agency.

(8) **Multi-family housing.** A building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building.

(9) **Multi-family zoning district.** A zoning district, either a base district or an overlay district, in which multi-family housing is allowed as of right.

(10) **Open space.** Contiguous undeveloped land within a parcel boundary.

(11) **Parking, structured.** A structure in which vehicle parking is accommodated on multiple stories; a vehicle parking area that is underneath all or part of any story of a structure; or a vehicle parking area that is not underneath a structure, but is entirely covered, and has a parking surface at least eight feet below grade. Structured Parking does not include surface parking or carports, including solar carports.

(12) **Parking, surface.** One or more parking spaces without a built structure above the space. A solar panel designed to be installed above a surface parking space does not count as a built structure for the purposes of this definition.

(13) **Residential dwelling unit.** A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking. and sanitation.

(14) **Site plan review authority.** Town of Southborough Planning Board.

(15) **Sub-district.** An area within the MCMOD that is geographically smaller than the MCMOD district and differentiated from the rest of the district by use, dimensional standards, or development standards.

(16) **Subsidized Housing Inventory (SHI).** A list of qualified Affordable Housing Units maintained by EOHLC used to measure a community's stock of low-or moderate- income housing for the purposes of M.G.L. Chapter 40B, the Comprehensive Permit Law.

D. Permitted Uses

(1) **Permitted Uses are as follows:** The following uses are permitted as of right within the MCMOD. (a) Multi-family housing.

(2) **Accessory Uses.** The following uses are considered accessory as of right to any of the permitted uses in Section D.1. (a) Parking, including surface parking and parking within a structure such as an above ground or underground parking garage or other building on the same lot as the principal use.

(b) Customary home occupation.

(3) **Prohibited uses.** All uses which are not listed above, legally nonconforming or otherwise allowable by the provisions of the zoning regulations, are prohibited.

E. Development standards are as follows:

Table of Dimensional Standards. Notwithstanding anything to the contrary in this Zoning, the dimensional requirements applicable in the MCMOD are as follows:	**Subdistrict A** *Area 6A* *Area 6B* *Area 6C*	**Subdistrict B** *Area 7* *Area 21*
Standards		
(a) Minimum lot area	25,000	43,560
(b) Minimum frontage	125	200
(c) Minimum setbacks		
(i) Front	30	Area 7 75*	Area 21 50*
	35	50

(ii) Rear	15	50
(iii) Side	2.5 stories or 35 feet	3 stories of 45 feet
(d) Maximum height	0.3	0.6
(e) Maximum floor area ratio	15.0	15.0
(f) Maximum dwelling units per acre		

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation:
Advisory Committee Recommendation: At Town Meeting
Summary:

ARTICLE 35: To see if the Town will vote to amend the Town Code to add Downtown District to Chapter 174 - Zoning as follows:

- ➢ Schedule of use regulations – 174-8.C(5) after Business Village District.
- ➢ Signs – 174-11 (D) – sign regulations next to Business Village
- ➢ Signs-174-11.E [1] [a] after Business Village District.
- ➢ Signs-174-11.E [1] [b] after Business Village District.
- ➢ Signs-174-11.E [2] [a] after Business Village District.
- ➢ Signs-174-11.E [2] [b] after Business Village District.
- ➢ Signs-174-11.E (d) [1] after Business Village District.
- ➢ Signs-174-11.E (d) [2] after Business Village District.
- ➢ Outdoor Illumination – 174-12.1.E (3) (b), and Table 1 under LZ-2 add Downtown District below Business Village
- ➢ Landscaping – 174-13.A(3) as follows:

  (3) Exceptions.
  The requirements of this section do not apply to developments or renovations in the Business Village District and the Downtown District. However, the Planning Board may require landscaping as part of the site plan or special permit application within the Business Village District and Downtown District.

And anywhere else in the code where the Business Village District is referenced and appropriate.

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:

DRAFT

ARTICLE 36: To see if the Town will vote to amend Chapter 174 of the Town Code to include an expiration for special permits as required by MGL c. 40A Section 9 as follows:

In Chapter 174 Section 9 – Special Permit Requirements, to add after the sentence ending with "...or destructive of property values therein." the following clause: "Unless otherwise designated by this chapter, if the rights authorized by a special permit are not exercised within two years from the date of grant thereof, they shall lapse, and a new petition, notice, and hearing will be required for their reestablishment. The applicant may be granted a single one-year extension by applying in writing to the special permit granting authority at least 30 days prior to the date when the special permit is due to lapse. An extension will only be granted for good cause and/or at the discretion of the special permit granting authority."

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD/ZONING BOARD OF APPEALS
Select Board Recommendation:
Advisory Committee Recommendation: Support
Summary*: This article would amend the Zoning Bylaw to comply with MGL c. 40A Section 9, which requires bylaws to provide a specified period of time after which special permits will lapse.*

ARTICLE 37: To see if the Town will vote to delete in its entirety Chapter § 9-2 of the town code "Meetings prohibited on Election Day, or when Town offices are closed due to weather or other emergency" and replace it with:

§ 9-2 Meetings prohibited on Election Day, or when Town offices are closed due to a weather or other emergency

A. If the Select Board or their designee announce that all Town offices are closed due to a weather or other emergency, any scheduled public meeting shall be cancelled. However, public meetings may be held if the meeting is properly noticed for and held in an online format where the public may observe the meeting. A previously scheduled in-person only meeting may be changed to an online format by submitting a revised agenda to the Town Clerk in a timely fashion. If a meeting is cancelled, the Town Clerk shall post notice of the cancellation on the Town website.

B. This prohibition will not apply to emergency meetings held to address weather or other emergencies as defined by the Attorney General.

C. No board, committee or commission shall schedule a meeting on the day of any Town, state or federal election.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This Article modifies the existing town code to allow meetings to be held when town buildings are closed to the public due to a weather or other emergency, if the meeting is held in an online format where the public may observe the meeting.*

ARTICLE 38: To see if the Town will vote to accept MGL Ch 41 §19 K which states as follows:

"In any town, that accepts this section, a town clerk who has completed the necessary courses of study and training, and has been awarded a certificate by the Massachusetts Town Clerks' Association as a certified Massachusetts municipal clerk, shall receive as compensation from such town, in addition to the regular annual compensation paid by such town for services in such office, an amount equal to 10 per cent of such regular annual compensation, but not more than $1,000 per year. In order to qualify for such additional compensation, a town clerk shall submit to the board of selectmen of such town proof of the award of such certificate. The additional compensation provided in this section shall be prorated for any 12 month period in which an eligible person does not hold the office of town clerk for 12 consecutive months. Such additional compensation shall discontinue when certification is discontinued or withdrawn."

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This Article accepts the Massachusetts General Law that provides an annual $1,000 stipend to a town clerk who obtains certification as a Massachusetts Municipal Clerk. Only 31% of Massachusetts town clerks have the required experience, have taken the required continuing education courses and passed the 250 - question examination required to earn this certification.*

ARTICLE 39: To see if the Town will vote to amend Town Code § 9-25 Meeting minutes, by deleting it in its entirety and replacing it with:

Each board, committee, or commission shall provide minutes for each of its meetings to the Town Clerk within 45 days of the meeting. Minutes shall be kept by the Town Clerk for a period as required by applicable state law. This requirement shall not apply to Executive Session Minutes, which shall only be provided to the Town Clerk within 45 days from the date that they are released for public disclosure.

A. Minutes shall indicate whether they have or have not been approved by the board, committee or commission when submitted to the Town Clerk.
(1) Minutes that have not been approved at the time of their receipt shall be labeled "Draft."
(2) The Town Clerk shall log the receipt of all minutes and the Town Clerk shall post minutes on the Town website.

B. Minutes shall be submitted in a manner consistent with the Open Meeting Law (MGL c. 30A, § 22), and the Attorney General's Open Meeting Law Guide, and must include:
- the date, time and place of the meeting;
- the members present or absent;
- the decisions made and actions taken, including a record of all votes;
- a summary of the discussions on each subject;
- a list of all documents and exhibits used at the meeting; and
- the name of any member who participated in the meeting remotely.

C. Minutes submitted to the Town Clerk shall include, as reasonably possible, copies of all documents, exhibits, and electronic files of any audio or video presentations used at the meeting, including items created by the board members, or by others allowed to make presentations at the meeting.
(1) The term "used at the meeting" shall mean a document, exhibit, audio or video presentation that was (1) identified by name, or (2) presented at the meeting, and (3) discussed at the meeting.
(2) If copies of documents or other exhibits used at the meeting cannot be provided due to the physical nature of the exhibit (e.g., size of the exhibit, etc.), the specific filing location of the document or exhibit shall be identified.

D. The last page of the minutes shall include a section labelled Documents Used at This Meeting and shall list the names of each document that was used at the meeting.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This Article clarifies the existing requirements for board, committee, or commission ("the board') meetings to maintain minutes and documents used at meetings. This Article adds the requirement that any audio or video presentation that a board allows to be displayed at a meeting be retained, regardless of who created the presentation. This Article also adds the requirement that the last page of the minutes includes a section labelled "Documents Used at This Meeting" with a list the names of each document that was used at the meeting. A recent*

review of minutes submitted to the town clerk revealed several instances where no documents were submitted by the board.

ARTICLE 40: To see if the Town will vote to petition the General Court for the passage of special enabling legislation authorizing the Town to authorize, issue and sell pension obligation bonds to finance the Town's unfunded pension liability to the Worcester Regional Retirement System, fund any necessary reserves, and all other costs associated therewith, which special enabling legislation shall be in such form as the Select Board shall approve, and provided further that the Select Board may accept and approve any amendments required in such special act as required by the General Court, provided that such amendments do not materially impact the purpose of the Special Act, as may be approved hereunder; or do or act anything in relation thereto.

Advisory Committee Recommendation: Support
Summary*:*

ARTICLE 41: To see if the Town will vote to establish a Tricentennial Committee Fund as provided for in MGL Ch. 44, §53I for the purpose of receiving funds appropriated by Town Meeting, generated from the sale of merchandise, tickets, or donations, and authorizing the Tricentennial Committee to expend said funds for the purpose of special events or other associated costs related to the 300th Anniversary of the Town of Southborough's incorporation, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*:* *State law allows a Town to establish this type of special fund to offset expenses related to incorporation celebrations. This will ensure that the funds are properly accounted for and included in the Town's independent audit.*

ARTICLE 42: To see if the Town will vote to transfer from Free Cash the sum of Thirty Thousand Dollars ($30,000) or such other amount as Town Meeting may approve for the purpose of funding events [i.e. fireworks, parade, public art, etc.] as authorized by the Tricentennial Committee celebrating the Town of Southborough's incorporation, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This funding will serve as seed money to support the work of the Tricentennial Committee. Expenditures will be approved by the Committee Chair [subject to approval by the Committee] and may include items like patriotic bunting, memorabilia, assistance with digital media or deposits on events such as fireworks, etc.*

ARTICLE 43: To see if the Town will vote to approve the Assabet Valley Regional Vocational Technical School Committee's vote on January 9, 2024, to establish a Stabilization Fund for the Assabet Valley Regional Vocational Technical School District, pursuant to Section 16G ½ of Chapter 71 of the Massachusetts General Laws, said Stabilization Fund, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Not Support
Summary*:*

ARTICLE 44: To see if the Town will vote to authorize the Select Board to transfer a certain parcel located at XX Atwood Street to the Southborough Affordable Housing Trust, said property to be used for affordable housing purposes, and to authorize the Select Board to execute any and all documents and agreements as may be necessary to effectuate such transfer; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation:
Advisory Committee Recommendation: At Town Meeting
Summary*:*

ARTICLE 45: To see if the Town will vote to transfer the sum of $524,826 from the Community Housing Reserve of the Community Preservation Fund to the Affordable Housing Trust Fund; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*:*

ARTICLE 46: To see if the Town will vote to accept the provisions of M.G.L. c. 59 §5, Clause Twenty-two H (inserted by Chapter 218 of the Acts of 2018, known as An Act Relative to Veterans' Benefits, Rights, Appreciation, Validation, and Enforcement ("BRAVE Act")), signed into law August 28, 2018, which provides for a property tax exemption for real estate as follows: to the full amount of the taxable valuation of the real property of the surviving parents or guardians of soldiers and sailors, members of the National Guard and veterans who: (i) during active duty service, suffered an injury or illness documented by the United States Department of Veterans Affairs or a branch of the armed forces that was a proximate cause of their death; (ii) are missing in action with a presumptive finding of death as a result of active duty service as members of the Armed Forces of the United States; provided, however, that the real estate shall be occupied by the surviving parents or guardians as the surviving parents' or guardians' domicile; and provided further that the surviving parents or guardians shall have been domiciled in the Commonwealth for the 5 consecutive years immediately before the date of filing for an exemption pursuant to this clause or the soldier or sailor, member of the National Guard or veteran was domiciled in the Commonwealth for not less than 6 months before entering service. Surviving parents or guardians eligible for an exemption pursuant to this clause shall be eligible regardless of when the soldier or sailor, member of the National Guard or veteran died or became missing in action with a presumptive finding of death; provided, however, that the exemption shall only apply to tax years beginning on or after January 1, 2019. Such exemption shall be available until such time as the surviving parents or guardians are deceased. No real estate shall be so exempt which has been conveyed to the surviving parents or guardians to evade taxation. To be effective for exemptions granted for any fiscal year beginning on or after, July 1, 2024; or do or act anything in relation thereto.

Proposed by: BOARD of ASSESSORS
Select Board Recommendation: Support
Advisory Committee Recommendation: At Town Meeting
Summary*:* *The local adoption of clause 22H will expand the real estate exemption benefits for Gold Star parents or guardians. Gold Star families are those that have lost an immediate family member serving in the United States armed forces during any period of war or hostilities in which the armed forces of the United States were engaged.*

ARTICLE 47: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale of the 21 Highland St. property until January 1, 2028. It is agreed that the sale or transference of the property could be detrimental to the town until the following factors are resolved: There is currently a new school project being contemplated with an unspecified school price tag that could range as high as 60-100 Million dollars at his moment. The process of planning and building a new school could take another 3 or more years to complete. There is currently 300 408 housing units likely to be built in the next 3-5 years, and the MBTA community Act currently threatens the town with another potential 750 units of multifamily zoning by right, so in the next 3+ years to come the town could lose control of housing development in many areas of the town (there are 3800 housing units in the town currently, the

total new burden could add a possible 26% population increase). Although it is unrealistic to expect the full number of units, the current school estimates do not take all of these factors into account, nor can we accurately project numbers with confidence having no control over the zoning, unit type, or building process. There is no current organizational model or plan to mitigate the possible cost or space need effects upon town departments, and no current plan for town space needs if this rapid population growth occurs. The current space need plans are dependent upon the premise of building a new school, a historically neutral residential development plan, and turning over one of the current schools to general town use for multiple departments currently inhabiting other buildings, including Recreation, Family and Youth services (both in the 21 Highland property), Building Permit departments, senior center, and Facilities (all in the Cordaville hall building), who have all have been recommended in the space needs plan to vacate their current locations (and to move to Finn currently). If there is a problem with the plan (example: No new school, or other factors as high population growth), selling the 21 Highland St. property could leave the town with little recourse except to sign commercial leases for homeless departments, potentially making the town long term dependent upon the private real estate market fluctuations, and/or possibly build space, adding to town costs. A new school is currently not approved, but selling these properties could be used as financial incentive and space need leverage to coerce support for one, knowing the sale could instigate leases and costs created by a premature property sale and vacating actions by those departments. There is minimal financial risk to delaying a sale of the property for several years. There is a greater financial risk to selling the property prematurely if the building could better serve the short, middle, or long term interests of the town given the current factors facing the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary*: This is a citizen's petition.*

ARTICLE 48: To see if the Town will vote that the Town hereby resolves to own and rehab the current 21 Highland St. property for town, community, and/or rental use, using CPC and other bond allocations to fund the project when needed. The surrounding property will remain open for community use regardless of building use. It is required that the Select Board carry out the will of this resolution, and have a plan in place by the next town Meeting with the understanding that the citizenry will not entertain a proposal to dispose of the property till the year 2033. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary*: This is a citizen's petition.*

ARTICLE 49: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale the 21 Highland St. property until January 1, 2030. It is agreed that the citizenry prefers to tastefully retire use of the building at 21 Highland St., and keep the building at 21 Highland St. property owned by the town if or when departments housed wherein should move to other locations and there is no reason to keep the building in use. At such time, the 21 Highland St. building interior will be "Mothballed", the exterior of the windows protected with tasteful covers, the roof and exterior sealed, so the building will keep in a relatively preserved state til it should be desired for future use again, remodeling or demolition by the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

DRAFT

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary*: This is a citizen's petition.*

ARTICLE 50: The Citizens of Southborough hereby resolve that, any petition to the CPC for funding for a project, asset, or service on private land, or for private benefit and use, being not town owned or operated, should require a 2/3 majority passing vote tally for approval at Town Meeting; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary*: This is a citizen's petition.*

ARTICLE 51: To see if the Town of Southborough will vote to

1. Restate the request, approved at Annual Town Meeting 2023, that the Select Board, not enter into any IMA for Regional Dispatch without first presenting the principal terms thereof to Town Meeting for its recommendation thereupon
2. Request that the Select Board not enter into any IMA containing annual budgetary, or debt, approval terms that substantially circumvent, or fail to include, Town Meeting's financial approval requirements as contained in the provisions of the longstanding Regional School Agreement.
3. Request that the Select Board not enter into any IMA for Regional Dispatch before the Technology Committee has reported to Select Board and Town Meeting regarding the feasibility of creating virtual dispatch regions to provide similar coverage redundancy using substantially existing technology, while maintaining a 24 hour per day seven day per week physical presence at the Public Safety Building at no additional cost to the Town.
4. Recommend that Select Board recognize the necessity of full cooperation between Town governing bodies for successful operation of the Town. Advise the Select Board that, while the foregoing are merely requests, and Select Board is not bound to observe these requests, it is noted that the Select Board's annual request for its budget is similarly not binding on Town Meeting, further that Select Board disrespect for recommendation 2, circumventing centuries of taxation control by Town Meeting, may provoke a similar reaction by Town Meeting toward subsequent budgetary requests for Select Board, and that cooperation is far better if observed in both directions.

; or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF and JOHN BUTLER
Select Board Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary*: This is a citizen's petition.*

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Monday, March 4, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Al Hamilton, Marguerite Landry, Sam Stivers, Town Manager Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM and turned the meeting over to Vice Chair Cook to run.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. Discussion of FY25 Water Rates; Bill Cundiff, DPW Superintendent; Matt Abrahams, Consultant

DPW Superintendent Bill Cundiff and Mr. Matt Abrahams, Water Consultant from the Abrahams Group, appeared before the Board on the matter. Mr. Cundiff noted that the rate structure was changed last year. He stated that the new system has a base fee, charged to all users, that covers the fixed/operating costs for water. He stated that user consumption fees are based on a tiered rate system. Mr. Cundiff stated that capital projects associated with the Hopkinton Water Project have been put on hold and are not part of this rate analysis. He stated there is a looping project to improve circulation between Presidential Estates and Fisher Road that is scheduled to begin this summer and he anticipates the cost of the project at approximately $600,000. Mr. Abrahams shared the water rate the presentation, using last year's adopted methodology, with the Board. He stated that there is an approximate 25% increase in the service charge this year, largely due to the increase in indirect costs, specifically OPEB costs. He noted that the summer had been a wet one, which contributed to a reduction in usage. The Board discussed the rate increase and water consumption relative to conservation. Mr. Dennington asked about the increase in OPEB costs. Mr. Abrahams stated that the increase represents the inclusion of costs for additional employees that were calculated in the most recent actuarial study of the Town that had been previously excluded. Ms. Cook stated that the increase is a more accurate representation of the current situation and she does not expect the number to decline. The Board discussed timing for the approval of rates and notification to residents. Mr. Cundiff stated that he would return to the Board on March 19th for rate approval and stated the current bill would reference the water rate increase information, available on the Town's website and effective April 1st. Mr. Abrahams stated the decision before the Board is to continue with the same methodology used last year or increase the service charge. He stated that continuing with the same methodology results in a 3% rate increase with an impact to the average resident of approximately $12.50/qtr. He stated that if the service charge is increased, it results in a 4.5% increase in the service charge, a 5% rate increase with an impact to the average resident of approximately $6.50/qtr. Mr. Abrahams stated that, along with the looping project described above, the following capital expenditures were included in the analysis: $250,000 in FY25, $100,000 in FY26 and one piece of equipment costing $80,000 and another piece of equipment costing $55,000. He stated that when the Retained Earnings balance increases, he recommends pursuing additional

capital projects. The Board, Mr. Cundiff and Mr. Abrahams discussed future capital projects. Ms. Cook moved to continue the path pursued last year to cover fixed costs with the base charge and set the variable rate to keep Retained Earnings at 20% of cost. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Hamilton suggested that the rate increase information be shared in Mr. Purple's weekly update.

IV. Reports

a. Chair's Report

Mr. Dennington stated there was no Chair's Report.

b. Member's Report

i. Atwood Street update

Mr. Hamilton updated the Board on the Atwood matter and stated that additional soil testing would take place to determine the path forward for remediation. He stated he would meet with Mr. Cundiff, Mr. Purple and Mr. Ballantine to discuss next steps and how to pay for any remediation. Mr. Hamilton stated the Board is committed to keeping abutters informed of progress in the matter.

c. Town Administrator's Report

i. David Joyner's resignation from Youth Commission

Mr. Purple reported that David Joyner had submitted his resignation from the Youth Commission. Ms. Cook read a portion of Mr. Joyner's resignation letter into the public record.

ii. Details of pre-town meeting – 3/13 at 6 PM – Senior Center

Mr. Purple reported that Town Moderator Cimino would hold a pre-Town Meeting discussion on Wednesday, March 13th, at 6 PM at the Senior Center. He noted this is not a public meeting. He stated that he has suggested approximately 24 articles to Mr. Cimino for inclusion in the Consent Agenda for Town Meeting. Mr. Purple stated that Mr. Tim Davis, Recreation Director, has informed him that Spring/Summer camp registration opened on Saturday, March 2, with priority given to residents. Mr. Purple reported that 723 registrations were received over the weekend and camps are filling up. He stated that camps include options for STEM, the arts and sports-specific offerings. Mr. Purple stated that registration has opened to non-residents and that registrations are up by 24% from the same period last year. Mr. Purple stated there is an appeal to a fine issued by the DPW at the Transfer Station. The Board agreed to continue the process of hearing appeals and Mr. Dennington agreed to hear the appeal on behalf of the Board.

V. Consent Agenda

a. Signing of final Annual Town Meeting warrant for posting

Ms. Cook stated that the Planning Board has voted tonight to remove the MBTA Communities bylaw article from the Town Meeting warrant, due to issues with the density modeling. The Board agreed to execute a signature page for the warrant and attach it to the final printed warrant, once the MBTA Communities article has been removed. Mr. Hamilton informed the Board of a conflict with parking during Town Meeting and agreed to speak to organizers of the other event for a potential resolution.

b. Approve Community Center Exploration Committee Meeting Minutes: January 22, 2024

Mr. Stivers moved to approve Consent Agenda item "b." Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

a. Assignment of Warrant articles to Board members

The Board agreed to wait until it has been decided which articles would be placed on the Consent Agenda before determining this matter.

b. Review of any outstanding issues with any Warrant Articles

Ms. Cook reported that the Board and the Advisory Committee had come to agreement on the budget, which includes the Town Engineer position for the DPW, no new additions to the Police

Department budget and support for the golf course project. She stated that the Advisory Committee had voted not to support the creation of the Assabet Stabilization Fund, while the Board had voted to support it.

c. Discussion of the legality of Article 48 (proposing a 2/3 threshold for CPA projects)

Ms. Cook reported that Town Counsel has opined that this Citizen's Petition is not legal, as it is in conflict with State law. She stated Town Counsel confirmed that, if approved at Town Meeting, the Attorney General would reject the change. Mr. Joseph Palmer, sponsor of the Citizen's Petition, stated he would like Town Meeting to discuss and vote on the article, rather than remove it from the warrant. Ms. Cook moved to keep Article 48 on the warrant. Mr. Dennington seconded the motion. The motion was approved (4-1-0). Mr. Stivers voted against the motion.

d. Review of Article 36 (proposed MBTA zoning bylaw): may join Planning Board to discuss jointly

The Board agreed not to join the Planning Board meeting since the Planning Board had voted in favor of removing the MBTA Communities article from the warrant. The Board discussed the decision timeline for a Special Town Meeting to address the MBTA Communities bylaw and agreed to schedule a meeting with the Planning Board in the near future to discuss the matter. The Board addressed scrivener's changes to the warrant.

VII. Public Comment

There was no public comment.

VII. Adjournment

Ms. Cook moved to adjourn the meeting at 7:43 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

Upcoming Meetings	
March 19, 2024	*April 2, 2024*

Respectfully submitted,

Bridgid Rubin, Recording Secretary

List of Documents referred to at the March 4, 2024 SB Meeting:

- Letter from David Joyner, dated February 3, 2024, RE: Resignation
- Annual Town Meeting Warrant, dated March 23, 2024

David M. Joyner
15 Skylar Drive
Southborough, MA 01772

February 3, 2024

Lauren Richey, Committee Chair
Town of Southborough, MA Youth Commission

Dear Lauren,

It is with regret that I send you my letter of resignation from the Youth Commission/Youth and Family Services Committee for the Town of Southborough, Massachusetts effective as soon as practicable. As we have discussed, I have experienced a profound shift in life priorities and am devoting more of my time to choir singing/rehearsals. As a result, I could not maintain my duties and meeting attendance with the Youth Commission. My term on the Commission expires on June 30, 2024. I appreciated my time with the YFS team and have been fortunate to see firsthand the valuable support that this group provides for the town under great leadership. I wish the commission continued success in its mission and objectives.

Sincerely,

David M. Joyner

David M. Joyner

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a non-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Select Board. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless its substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none
2. To adjourn	no	yes	limited	majority	amend

18. Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19. Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other “point of order” is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

At the Moderator’s discretion, voting may be via electronic devices for some or all of the articles. Instructions and procedures will be made available for all voters attending Town Meeting. If electronic voting is not employed, voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o’clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

ANNUAL TOWN MEETING

Worcester, ss. February 27, 2024

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the Trottier School Auditorium, 49 Parkerville Road, in Southborough, MA, on

Saturday, March 23, 2024

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to endorse the acceptance of any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in the Town's treasury for use as directed by any such donor, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *To allow the Select Board to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Select Board, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2024 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 3: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Select Board or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, but no longer than seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Select Board or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Board Recommendation: Support
Summary: *This article allows the Select Board and/or the School Committee to enter into contracts in excess of three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.*

ARTICLE 4: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

PERSONNEL BYLAW
ENTITLED "THE SALARY ADMINISTRATION PLAN"
[revised at March 23, 2024 Annual Town Meeting]

Effective July 1, 2024, this bylaw establishes a Salary Administration Plan for the Town of Southborough that (i) groups position classifications in Town services, (ii) establishes salary schedules and employee benefits and (iii) establishes and authorizes the Personnel Board to administer the bylaw to provide oversight and guidance to the Town Administrator in the development and maintenance of personnel policies and regulations, and to represent the interest of both the taxpayers and the Town employees.

This Salary Administration Plan applies to the positions of all officers and employees in the service of the Town, whether full-time, part-time, temporary, seasonal, special or any other, except those positions filled by popular election, under the direction and control of the School Committee, performed pursuant to a contract approved by the Town, encompassed in any officially recognized labor union and/or association, or exempted by statute. The positions covered by this Salary Administration Plan are hereby classified by titles in the groups listed in Schedule A through E ("Classification Schedule") as set forth in Section 20 of this bylaw.

The classification of positions subject to the Massachusetts Welfare Compensation Plan (as amended) and the scheduled rates therefor, as well as the applicable provisions of the Massachusetts General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

SECTION 1. DEFINITIONS

As used in this bylaw, the following words and phrases shall have the following meanings:

"Administrative Authority" means the elected or appointed official or board having jurisdiction over a function or activity.

"Base Pay" means the compensation paid by the Town of Southborough for the purposes of determining retirement credits and contributions for Town employees.

The Town shall contribute funds as required for each eligible employee in accordance with the procedures and formula established by the Worcester Regional Retirement System and the bylaws of the Town of Southborough. Contributions shall include (i) wages earned during the first eight hours worked in any one day (no contributions shall be made for hours worked in excess of 40 per week,**)** (ii) any lump sum bonus that is guaranteed by the Salary Administration Plan or the Bylaws of the Town, (e.g., longevity pay); (iii) vacation pay, except when paid in lieu of taking vacation; (iv) sick pay; and (v) holiday pay.

"Class" means a group of positions in the Town service sufficiently similar with respect to duties and responsibilities such that for each position the same (i) descriptive title may be used, (ii) qualifications shall be required, (iii) tests of fitness may be used to choose qualified employees and (iv) scale of compensation can be equitably applied.

"Classification Schedule" means any of Schedules A, B, C, D and E of Section 20 hereof.

"Compensation Grade" means a range of salary/wage rates as may appear in the Classification Schedules.

"Continuous Full-Time Service" means employment requiring a predetermined minimum work period that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Continuous Employment" means full-time or part-time employment that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Department" means a functional unit of Town government.

"Department Head" means the person appointed and responsible to carry out the duties of a Department.

“Exempt employee” means an employee who is not entitled to overtime pay under the Fair Labor Standards Act (FLSA).

“Full-Time Employment” means employment for not less than 20 hours per week for fifty-two weeks per annum, excepting authorized holidays and leave periods.

“Group” means a group of classes as may appear in the Classification Schedules.

“Maximum Rate” means the highest compensation rate to which an Employee is entitled.

“Minimum Rate” means the lowest rate in a Range, and is normally the hiring rate of a new employee.

“Non-exempt employee” means an employee who is entitled to overtime pay under the Fair Labor Standards Act (FLSA).

“On-Call Compensation” refers to additional money paid to an employee who is available to work when the need requires oftentimes in an evening or weekend capacity.

“Part-Time Employment” means employment less than 20 hours per week.

“Position” means an office or post of employment in the Town service with duties and responsibilities calling for the Full-Time or Part-Time employment of one person in the performance and exercise thereof (or of more than one person sharing the same position).

“Position Class” means the same as “Class” (note that a class may include only one position, in which event it is defined as a “single position class”).

“Probationary Employee” means a first-time Town employee within his/her first six months of employment, or longer if extended.

“Promotion” means a change from one position to another position in a higher class and/or compensation grade.

“Range” means the difference between minimum and maximum rates of an assigned grade.

“Rate” means the measure of compensation for personal services on an hourly, weekly, monthly, annual or other basis.

“Salary Administration Plan” means the Personnel Bylaw Entitled “The Salary Administration Plan.”

“Single Rate” means a rate for a specific position class that is not in a designated range

“Start Date” means the first day of employment with the Town.

SECTION 2. POSITION TITLES

No person shall be appointed, employed or paid in any position under any title other than those of the Classification Schedule for which the duties are actually performed. The position title in the Classification Schedule shall be the official title for all purposes, including payrolls, budgeting and official reports.

SECTION 3. NEW OR CHANGED POSITIONS

No new position shall be established, nor the duties of an existing position so changed that a new level or work demand exists, unless upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall (a) approve an appropriate job description, (b) rate such new or changed position, and (c) allocate it to its appropriate classification grade and establish the rate thereof.

SECTION 4. RECLASSIFICATION OF EMPLOYEES

No position may be reclassified to another grade, whether higher or lower, unless the Personnel Board shall have determined such reclassification is consistent with this Salary Administration Plan.

SECTION 5. JOB DESCRIPTIONS

The Personnel Board shall maintain such criteria as it deems appropriate for the positions and classes in the schedules. Each department or public body (board, committee, commission) with SAP employees shall maintain current job descriptions for such employees. All such job descriptions and any revisions thereto must be submitted to the Personnel Board for approval following review and approval by the Select Board or appropriate public body. The criteria for any class shall not be deemed to limit the duties or responsibilities of any position as set forth in the job description, nor to affect in any way the power of any administrative authority to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 6. COMPENSATION

a. The bi-weekly pay period shall begin at 12:00 a.m. Thursday and shall end at 11:59 p.m. on the following second Wednesday.

b. Non-exempt employees subject to this Salary Administration Plan shall be paid for one and one-half hours worked for any hour worked in the excess of forty in their weekly pay period, provided such extra hours were authorized by the Department Head.

c. The salary schedules set forth in Schedules A, B, C, D and E of Section 20 hereof reflect the maximum and minimum salaries for each grade.

d. The annual salary set forth in Schedule A represents a 40-hour work week and in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated annual salary is pro-rated reflective of the posted salary schedule in Schedule A.

e. Amounts paid to employees in reimbursement for expenses incurred in the performance of their duties (e.g., mileage, meals, dues, etc.) shall be paid in addition to their compensation. Reimbursement shall be based upon the actual documented expenditure made by the employee, or at rates established by the Internal Revenue Service, supported by that agency's requirements for documentation.

f. On-Call Compensation: The on-call member of the Facilities Department shall be eligible to earn a weekly stipend for on-call service if the department head has required them to be available to respond to situations outside of their normal work schedule. This weekly stipend shall be equal to a set rate of $300 per week. If the on-call staff member must report to work outside of their normal work schedule, compensation for this time shall be based on the standard SAP overtime practices. Additionally, if the on-call staff member is faced with a situation that renders them unable to serve as the on-call individual on a particular day that they are scheduled to be on call, said employee may request that another eligible staff member cover their on-call time, with the approval of the department head. In such an event, the regularly scheduled employee's weekly stipend will be reduced by $45.00 per day that they are unable to be on call; this stipend amount will instead be paid to the covering employee per day of coverage. There is no provision to accrue compensation time in lieu of payment for on-call time.

SECTION 7. SALARY ADJUSTMENT & COMPENSATION POLICIES

a. Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible for consideration of a salary increase annually on July 1. Employees hired between April 1 and June 30 will be eligible for a salary increase the July 1st following their twelve-month anniversary. Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Select Board or their designated appointee in the case of departments within the jurisdiction of the Select Board, or the appropriate Commissioners or Trustees in the case of departments outside the jurisdiction of the Select Board.

Retroactive salary increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism.

Unless specifically exempted by Personnel Board policy, requests for salary increases must be accompanied by a certification from an employee's manager that the employee's performance has been "satisfactory" or better and that a written employee performance appraisal, on a form approved by the Personnel Board, has been completed. The form of this certification will be prescribed by Personnel Board policy promulgated hereunder. Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments.

An employee may appear before the Personnel Board prior to its action on any request for an increase. Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

b. Special Non-Continuous Part-Time employees and employees in Schedule B classifications shall be eligible for consideration for salary increases upon the recommendation of the appropriate department manager or Board and approval of the Personnel Board.

c. Probationary Employees

1. During the probationary period, benefit eligible employee(s) will earn vacation, sick and personal time in accordance with Section 11(b-d) hereof.

2. During the probationary period, paid leave accruals shall be based on the Start Date.

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board, provided the maximum for the job is not exceeded. This is contingent upon the Department Head's recommendation that qualifications and performance warrant it.

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the Personnel Board approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL HIRING; DEPARTURES

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. Probationary period: For new hires, the first six months of employment shall be a probationary period. The probationary period does not apply to Town employees who change positions within the Town. The probationary period is a time during which an employee will be evaluated to ensure that the employee has the requisite knowledge, skills, and abilities to perform the position (with or without reasonable accommodations). Completing the probationary period does not change the employee's relationship with the Town, which will remain one in which either the employee or the Town may terminate the relationship at will. The probationary period may be extended by a Department Head [or Appointing Authority] when deemed necessary.

c. A new employee's hiring rate shall be the minimum of the rate range of the job, unless otherwise authorized by the Personnel Board or Personnel Director. The Personnel Board is cognizant of the need to make timely decisions during the recruitment process, therefore, the Personnel Director is empowered to set starting salaries for new employees with comparable experience up to Step 8 for the appropriate job grade as set forth in Schedule A of the Salary Administration Plan.

d. The Personnel Director or his/her delegatee shall notify the Personnel Board in writing of the hiring of all personnel and their hiring rates. The Personnel Director or his/her delegatee shall also notify the Personnel Board in writing of the departure of any employee.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i(1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees. The benefits listed below are not intended to supersede what State or Federal law may otherwise require. The benefits set forth in this section are applicable to Full-Time employees only, except where noted.

All forms of paid leave set forth in this section are based on a 40 hour work week; in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a. Holidays with Pay

Full-Time employees shall receive one day's pay at their regular rate for the following:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veteran's Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	Day before or after Christmas Day (as set by the Town annually

To be eligible for holiday pay, an employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday. Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval**.** Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years.

All administrative policies and practices relative to holidays with pay shall be prepared and established under the direction of the Personnel Board.

b. Vacations with Pay

(1) Full-Time employees who have been in the continuous employ of the Town shall earn paid vacation in accordance with the following schedule:

Years of Employment	Hours Earned Per Month	Vacation Earned Per Year (Pro-rata)
0 - 2	6.666	Two weeks
2+ - 7	10.0	Three weeks
7+ - 15	13.333	Four weeks
15+ - or more	16.666	Five weeks

Employees hired prior to July 1, 2005, shall be eligible to earn twenty hours per month after serving twenty years of full-time employment with the Town.

(2) At the recommendation of the hiring authority and upon the approval of the Personnel Board, new employees entering into a position with the Town of Southborough from a similar position will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of four weeks' vacation [pro-rated] for the first year of employment with the Town.

Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the Department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. Employees hired on or after July 1, 2023, shall be permitted to carry over a maximum of two weeks to the following fiscal year. The employee must have the Department Head's approval to take any portion of a prior year's unused vacation in addition to the days earned in the current fiscal year. Employees commencing employment with three weeks per year will be required to complete two years of service before ascending to the next band (four weeks) in the vacation schedule chart and seven years of service before ascending to the following band. Awarding four weeks should be the exception based on evidence that the employee is leaving another position that already provides this benefit. Employees commencing employment with four weeks per year will be required to complete five years of service before ascending to the next band (five weeks).

(3) If in the opinion of the Department Head there are unusual work-related circumstances that warrant it, a department head may seek approval from the Town Administrator or his/her delegatee to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(4) In the event of termination of employment the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

(5) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

c. Sick Leave

(1) Full-Time employees shall be entitled to accrue 10 sick hours per month, equaling 120 hours annually (15 sick days); employees working less than 40 hours in a weekly pay period will accrue ratably based on hours worked per week. Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave. Employees of the Town of Southborough hired on or after July 1, 2023, will not be subject to any payout of accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

(5) Sick leave administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

d. Personal Days

Full-Time employees shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's Start Date. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the Department Head. Personal days shall not accumulate from year to year.

e. Military Leave

(1) Reserve Duty: An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(2) Active Duty: Pursuant to Article 8 of the April 11, 2005 Annual Town Meeting, an employee in the federal military reserve or a state National Guard who is called to active service shall be entitled to their regular base salary and shall not lose any seniority or paid leave benefits while on military leave; *provided*, however, that such base pay shall be reduced by any amount received from the United States as pay or allowance for military service performed.

f. Jury Duty

Any employee who is called to jury duty shall be paid the difference between their normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

g. Miscellaneous Paid Time Off

Working time lost from regularly scheduled work days for reasons listed below shall be without loss of pay, provided such lost time is authorized by the Department Head. Sections (1) – (3) are applicable to Full-Time employees only; Section (4) is applicable to both Full-Time and Part-Time employees.

(1) Bereavement leave – In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the employee, such employee shall be entitled to receive three days' leave for the purpose of the funeral and services of the deceased. If out-of-state travel is required, the Department Head may authorize up to two additional days of travel time.

(2) Medical examination or inoculation required by the Town.

(3) Blood donation authorized by the Department Head.

(4) Attendance at professional and/or educational programs authorized by the Department Head.

h. Court Time Pay

If the Town requires that an employee appear in Court as a witness or in any other capacity arising from the performance of the employee's duty, or on behalf of the Commonwealth or the Town in any civil or criminal case pending in any Court or other official governmental board or agency, such appearance and related travel time shall constitute work time for purposes of calculating weekly hours worked. If such appearance or related travel time causes a non-exempt employee to exceed forty hours of work in any given work week, the employee shall be eligible for overtime pay in accordance with Section 6(b). This section does not apply to exempt employees.

i. Employee Educational Support/Professional Development

(1) Degree Bonus: All Part-Time and Full-Time employees who, while an employee of the Town, earns a degree in a field applicable to their position from an accredited college or university, shall receive a one-time bonus subject to appropriation, according to the following schedule:

Associates Degree... $ 800.00

Bachelors Degree.. $1,200.00
Masters Degree..... $1,500.00

A copy of the completed transcript, diploma or other appropriate evidence of the completed degree must be presented to the Department Head and the Personnel Board, and shall be submitted as documentation for accounts payable.

(2) Tuition reimbursement: the Town may offer tuition reimbursement to eligible Full-Time and Part-Time employees as prescribed by Personnel Board policy enacted under this Bylaw.

j. Group Medical Insurance

Starting July 1, 2009, the Town will contribute fifty percent (50%) of the cost of a medical indemnity plan or seventy-five percent [75%] of the cost of a Health Maintenance Organization plan for Full-Time employees only.

SECTION 12. UNPAID LEAVES OF ABSENCE

a. A leave of absence without compensation may be granted by the Personnel Board.

b. Leaves of absence of over three months' duration (except Military Leave) shall be deemed a break in employment, and on return to work the employee shall have the status of a new employee unless an extension of leave beyond three months was authorized by the Personnel Board.

SECTION 13. PART-TIME EMPLOYEES WORKING FULL-TIME HOURS TEMPORARILY

a. A Part-Time employee may work 20 hours or more per week for no longer than two bi-weekly pay periods, or four bi-weekly pay periods in the case of an Election Worker during an election cycle, if requested by their Department Head due to exigent circumstances, or for longer if recommended by the appointing authority or the Personnel Director, with the authorization of the Finance Director and approval of the Personnel Board. In such cases, the employee will remain a Part-Time employee with no change in status.

b. Department Heads may submit requests for additional compensation for Part-Time employees temporarily working Full-Time hours, subject to available funding as authorized by the Finance Director and approved by the Personnel Board.

SECTION 14. APPOINTMENT OF “ACTING” DEPARTMENT HEADS

a. In the absence or retirement of a Department Head for three consecutive weeks, the Select Board or appropriate board or commission may appoint an “Acting” Department Head to serve for a period of not more than three months. Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Select Board or other appropriate board or commission for each such extension. In no case shall an appointment of an “Acting” Department Head exceed one year.

b. Duly appointed “Acting” employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the “Acting” employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation.

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds therefor.

SECTION 16. DUTIES OF THE PERSONNEL BOARD

a. The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of the Plan.

b. The Town Administrator serves as the Town's Personnel Director under the Town Administrator Bylaw [Ch. 27, Art. IX]. As such, the Personnel Director is invested with personnel authority and responsibilities as set forth therein. From time to time, and as may be necessary, the Personnel Board will consult and/or act in concert with the Personnel Director or his/her delegatee on matters of joint responsibility and concern. The Personnel Board shall provide oversight and guidance to the Personnel Director in the development and maintenance of personnel policies and regulations.

c. The Board shall meet annually in July and organize by the choice of a Chair and Vice-Chair. The Board shall meet at least monthly, except when there is no business before the Board. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

d. The Personnel Board shall maintain records of all employees subject to this Plan as it deems desirable, including personnel evaluations. Such records are to be kept by the Personnel Director or his/her delegatee, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the Board.

e. The Personnel Board shall from time to time, but no less often than every federal Election Year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

f. The Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information. Approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.

g. Matters of concern by SAP employees that are communicated in writing to the Chair of the Personnel Board will be scheduled on an agenda at the next available meeting providing all necessary and requested information has been submitted in time to be part of the meeting packet. In addition, notice in writing shall be forwarded to the concerned employee and respective Department Head within seven days of the Board's decision. Notwithstanding the foregoing, if the Personnel Board shall so request and the concerned employee and Department Head shall agree, a reasonable extension of these time periods may be granted.

h. Upon recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, the Board may authorize variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the Town, and to effectuate the basic intent of the Plan.

SECTION 17. EMPLOYEES AND THE PERSONNEL BOARD

a. All employees covered by this Salary Administration Plan shall have the right to request an appointment to confer with the Personnel Board on any matter of interest or concern to them that is covered by the

Salary Administration Plan. The employee shall notify the Department Head in writing in advance of the desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

The Salary Administration Plan may be amended in the same manner that Town Bylaws may be amended. However, no amendment to the Plan shall be made until it has been presented to the Personnel Board and the Personnel Board has the opportunity to act on it. The Board of its own motion may propose an amendment to the Plan.

SECTION 19. SEVERABILITY PROVISION

In the event that any provision of this bylaw, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this bylaw.

Advisory Committee Recommendation: Support
Summary: *The Personnel By-Law governs policies and pay structures for non-union employees.*

ARTICLE 5: To see if the Town will vote to raise or transfer a sum of money as may be necessary for the Town's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The article includes recommendations from both the Select Board and the Advisory Committee for the FY25 budget. Funding recommendations are noted in the individual recommendation columns for each department.*

ARTICLE 6: To see if the Town of Southborough will vote to raise and appropriate or transfer from available funds a sum of $289,414.00 to the Police Department Budget, #210 for the purpose of hiring four full-time dispatchers to provide coverage 24/7, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation: At Town Meeting
Advisory Committee Recommendation: Not Support
Summary: *Over the past two and a half years the Town has been exploring joining a Regional Emergency Communications Center (RECC). Now is the time to address the immediate need. This is NOT a clerical job. Dispatchers provide critical emergency communication services to Police, Fire, EMS, Public Health, DPW, School Departments, Building Departments, Youth and Family Services, Senior Services, Recreation, State Police, Court, Commonwealth of Mass. Properties, Dam, MBTA Station,9-11 Field, Reservoir trails, Businesses and private non-profits.*Select Board Packet, March 7, 2023, Office of the Select Board, the original intent of looking at Regional Emergency Communications Center (RECC) was not for financial purposes for Southborough. There has been consensus that maintaining 1 dispatcher per shift is not acceptable. However, there have been questions raised about the costs. Three different scenarios of future dispatch costs with assumptions outlined in memo. * Select Board Meeting Minutes, December 19, 2023, III.i.ii. Chief Achilles & Chief Newell recommendation for maintaining current model Chief Newell and Chief Achilles shared their findings on enhancing the current dispatch operation system. "The Chiefs state that whether or not the Town chooses to regionalize, the immediate need is to add four full-time dispatchers to provide coverage 24/7."*

ARTICLE 7: To see if the Town of Southborough will vote to raise and appropriate, or transfer from available funds a sum of $119,372.00 for the purpose of covering the Employee Benefits for the additional four full-time dispatchers, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation: At Town Meeting
Advisory Committee Recommendation: Not Support
Summary: *These Employee Benefits funds for the additional four full-time dispatchers will be applied to the Employee Benefits Budget, #910, as standard practice in Southborough.*

ARTICLE 8: To see if the Town of Southborough will vote to

1. Restate the request, approved at Annual Town Meeting 2023, that the Select Board, not enter into any IMA for Regional Dispatch without first presenting the principal terms thereof to Town Meeting for its recommendation thereupon
2. Request that the Select Board not enter into any IMA containing annual budgetary, or debt, approval terms that substantially circumvent, or fail to include, Town Meeting's financial approval requirements as contained in the provisions of the longstanding Regional School Agreement.
3. Request that the Select Board not enter into any IMA for Regional Dispatch before the Technology Committee has reported to Select Board and Town Meeting regarding the feasibility of creating virtual dispatch regions to provide similar coverage redundancy using substantially existing technology, while maintaining a 24 hour per day seven day per week physical presence at the Public Safety Building at no additional cost to the Town.
4. Recommend that Select Board recognize the necessity of full cooperation between Town governing bodies for successful operation of the Town. Advise the Select Board that, while the foregoing are merely requests, and Select Board is not bound to observe these requests, it is noted that the Select Board's annual request for its budget is similarly not binding on Town Meeting, further that Select Board disrespect for recommendation 2, circumventing centuries of taxation control by Town Meeting, may provoke a similar reaction by Town Meeting toward subsequent budgetary requests for Select Board, and that cooperation is far better if observed in both directions.

; or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF and JOHN BUTLER
Select Board Recommendation: At Town Meeting
Advisory Committee Recommendation: Not Support
Summary: *This is a citizen's petition.*

ARTICLE 9: To see if the Town will vote to raise a sum of money as may be necessary for the Water Enterprise Fund's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

WATER ENTERPRISE	FY 2022 ACTUAL	FY 2023 ACTUAL	FY 2024 BUDGET	FY2025 REQUEST	PERCENT (+) or (-)

TOTAL WATER FUND	2,705,695	2,521,736	2,804,097	3,121,857	11.33%

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates and the fund's retained earnings, which supports all aspects of the department's operation. The funding for those capital items that are being leased/purchased for use by the Water Department, in whole or in part, are included in this budget.*

ARTICLE 10: To see if the Town will vote to transfer $100,000 from Water Retained Earnings for use in the FY24 Water Enterprise Fund budget, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article is intended to supplement the water revenue for the current fiscal year in the Water Enterprise Fund. FY24 has seen lower than expected water usage, and the use of retained earnings will complement the revenue from water rates and provide sufficient support for the Water Enterprise Fund.*

ARTICLE 11: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	Request	Levy	Receipts Reserved Ambulance/Other
A.	ROAD MAINT. & MISC STREET REPAIR	$272,500	$272,500	
B.	MOWER ATTACHMENT J DEERE TRACTOR	$20,630	$20,630	
C.	POLICE CRUISERS (2)	$150,000		$150,000
D.	DEFIBRILLATORS - PARAMEDIC	$50,000	$50,000	

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:
A. *These funds are for public roadway infrastructure and related design, permitting, maintenance, repair and construction throughout town. These are expended in conjunction with Chapter 90 roadway improvement funding from the Commonwealth. Prior to committing any FY25 Road Maintenance Funds, a formal plan for the anticipated use of these funds shall be presented to the Capital Planning Committee in a posted public meeting. The Capital Planning Committee will then vote to support or make suggested changes to the Select Board and the DPW Director.*
B. *This request replaces a 2009 Flail Mowerhead for the John Deere tractor for roadside mowing. This mower head replacement is needed immediately for uninterrupted service this upcoming year.*
C. *This funds the planned replacement of two front-line cruisers with two police utility vehicles. This is a scheduled rotation that would move the older cruisers with higher mileage out of the active rotation of front-line cars to detail vehicles. The new vehicles would replace 2 front line cruisers, both are 2019 Ford Explorers with approx. 100,000 miles each.*
D. *This request is to replace the existing 12-year-old Cardiac Monitor/Defibrillators that are no longer upgradable or repairable with the newest model Monitor/Defibrillators available. This upgrade will improve the Fire Department's ability to continue to provide the latest Advanced Life Support care to the patients we serve.*

ARTICLE 12: To see if the Town will vote to apply for, accept, and expend Massachusetts Public Library Construction Program ("MPLCP") grant funds if approved, and vote to raise and appropriate or transfer from available funds the sum of $150,000, or any other sum if said MPLCP grant is approved, said sum to be expended by the Town for library assessment, planning, feasibility and/or design, or act in any manner relating thereto, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Southborough Library is actively applying this year to the Massachusetts Public Library Construction Program (MPLCP), a state grant administered by the MA Board of Library Commissioners (MBLC). The purpose of the grant is to provide financial support to municipalities for the improvement of library facilities. Municipal votes for approval of support and local funding are required prior to a project moving forward into each phase. The Planning and Design Phase funding is for activities related to the planning and designing of new, renovated, or expanded public library facilities in advance of a whole building project.*

ARTICLE 13: To see if the Town will appropriate $2,186,000, or any other amount, to pay costs of purchasing the following items of capital equipment, including the payment of all costs incidental and related thereto:

A.	Fire Tower Demo Truck	$1,300,000
B.	Ambulance A28	$551,000
C.	Trash Trailer	$125,000
D.	Sidewalk Tractor w/Attachments	$210,000

and to determine whether this amount shall be raised by borrowing or otherwise, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:
A. *The Southborough Fire Department is seeking favorable consideration for funding to replace Tower 21; a 2010 Aerial Platform Truck with a new Aerial Ladder Truck. The current Tower has several costly repairs and improvements to be made if it is retained. The current aerial platform truck has some operational limitations that a shorter wheel-based aerial could reduce or eliminate. These are related to travel restrictions, residential driveway access, and topography. This request will support risk reduction measures to areas identified in the department's 2020 Community Risk Analysis / Standard of Cover Report.*
B. *Fire Department ambulance per the replacement schedule. This replaces a 2018 Ford F-550/Horton 4x4 ambulance (number A28).*
C. *This request would allow the DPW to replace a 1997 Transfer Trailer that has reached the end of its useful life. The replacement will allow the continued and uninterrupted service for the users of the transfer station facility.*
D. *This request is to replace an existing 2001 trackless sidewalk tractor that currently has 9,500 hours of use. It has reached the end of its useful life. Replacement will allow timely removal of snow from the sidewalks – for continuous and uninterrupted service.*

ARTICLE 14: To see if the Town will vote to appropriate a sum of money for the payments under existing capital lease agreements as described below:

	Equipment	Authorized Department	Source of Appropriation	FY25 Amount
A.	1 - Horton Type Ambulance	Fire Department	FY25 Capital Budget - Ambulance Fund	$57,191
B.	1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY25 Capital Budget - General Fund	$25,037
C.	1 - Pick Up Diesel F-350	Dept. of Public Works	FY25 Capital Budget - General Fund	$10,622
D.	1 - Fire Dept Chief Vehicle	Fire Department	FY25 Capital Budget - Ambulance Fund	$8,422
E.	Police Taser Program	Police Department	FY25 Capital Budget - General Fund	$19,455

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The lease agreements for these vehicles were authorized by Town Meeting in 2021, and these are the fourth year of the lease payments. With the exception of the Fire Ambulance (5-year lease) and Police Taser (3-year lease), all of the leases are for 7 years.*

ARTICLE 15: To see if the Town will vote to authorize payment from Fund 2261 – 9-11 Field Maintenance Revolving the sum of $45,000 for the FY24 principal and interest payment, and $45,000 for the FY25 principal and interest payment, for the May 2018 bond issuance for the resurfacing of 9-11 Field; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will authorize the 911 Field maintenance account to pay debt incurred for the turf replacement of 911 Field. The loan term was shorter than anticipated and this will allow the Town to have this paid by the 911 Fund as intended.*

ARTICLE 16: To see if the Town will vote to transfer from Free Cash the sum of $30,000 for the purpose of hiring consultants, engineers, water quality specialists, and/or environmental consultants by various Town departments, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows town departments, with the approval of the Select Board, to hire outside expertise when the need arises.*

ARTICLE 17: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article.*

ARTICLE 18: To see if the Town will vote to transfer from Free Cash the sum of $10,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE 19: To see if the Town will modify the purpose of funds appropriated under Article 18 passed at the Annual Town Meeting on April 9, 2018 which stated "Lundblad Field design & specialty consultant" to re-purpose such funds for "Lundblad Field construction and upgrades", or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The original article was to "fund research and design work including investigation of the membrane and other aspects of the property." As a balance of $46,411.00 remains the Town would like to utilize the residual funds for the construction of facility improvements, including, but not limited to, a community dog park.*

ARTICLE 20: To see if the Town will vote to raise and appropriate, or transfer from available funds the sum of $150,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities.

The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Capital Improvement and Planning Committee as requested, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE 21: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the ongoing maintenance of capital investments associated with outdoor recreational facilities. The Town's Director of Recreation shall recommend appropriate projects to the Recreation Commission. The Recreation Commission shall approve all expenditures under this article, or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: In the last 5 years, the Recreation Department has completed extensive capital improvements across the Town's outdoor facilities, including playgrounds, athletic fields, sport courts, and the Trottier track. Funding of this article will grant financial support for a proactive approach to facility maintenance to improve safety, reduce liability, and promote longevity of the own's outdoor assets.*

ARTICLE 22: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for existing revolving funds for Fiscal Year 2025, as follows:

1. Immunization/Emergency Dispensing Clinic; $15,000.
2. Inspectional Services; $140,000.
3. 9-11 Field Maintenance; $100,000.
4. Wetland Protection; $30,000.
5. Hazardous Materials; $75,000.
6. CPR Classes; $6,500.
7. Community Garden; $3,000.
8. Recreation Programs; $500,000.
9. Tobacco Control Program; $4,000.
10. Golf Course Maintenance; $75,000.

, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH, SELECT BOARD, RECREATION COMMISSION, AND CONSERVATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article approves the annual spending limits for revolving funds that are now authorized by Town by-law.*

ARTICLE 23: To see if the Town will vote to accept provisions of the fourth paragraph of Massachusetts General Law Ch. 40, Section 3 to allow the Southborough School District to keep monies received from the rental of space in its schools. These monies may be expended by the Southborough School Committee for the purpose of upkeep and maintenance of any and all Southborough Public Schools with no further legislative body approval. The monies may accumulate from year to year, and shall not be considered to be part of the general funds unassigned balance, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The purpose of this warrant article is to create a Facility Rental revolving account for the Public Schools of Southborough, which would be governed by the Southborough School Committee. Funds collected through the rental of the four Southborough schools will be deposited into this account. These funds will be used to offset building costs such as building maintenance and utilities.*

ARTICLE 24: To see if the Town will vote to accept the provisions of G.L. c. 40, §13E and authorize the Southborough School District to establish a Special Education Stabilization Fund that can be used in future years for unanticipated or unbudgeted costs of special education, out of district tuition, transportation, and recovery high school tuition, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The purpose of this warrant article is to create a Special Education Stabilization Fund for the Public Schools of Southborough, which would be governed by the Southborough Select Board and the Southborough School Committee. The District will utilize these funds for unexpected or unbudgeted Special Education costs.*

ARTICLE 25: To see if the Town will authorize the Select Board to lease all or a portion of the roof of Trottier Middle School located at 49 Parkerville Road for a term of 10-20 years, upon such terms and conditions as are acceptable to the Select Board, to a solar energy provider to construct, maintain, and operate a solar facility on the property and to enter into a power purchase agreement with the solar energy provider; and further, to authorize the Select Board to grant an easement as may be necessary to install, maintain, operate, repair, reinstall, or replace any utilities required for interconnection to the solar facility project., or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The purpose of this warrant article is to permit the Select Board to lease all or a part of the Trottier Middle School roof for a solar energy project. The lease of the roof would be contingent upon the replacement of the existing roof, for which the school district has applied to the Massachusetts School Building Authority. The solar project is part of the Public Schools of Southborough's strategic plan to implement energy efficiencies.*

ARTICLE 26: To see if the Town will vote to authorize the Northborough-Southborough Regional School District to establish a Stabilization Fund according to Chapter 71, Section 16G 1/2 of the General Laws for the purposes of funding capital items as identified in the Northborough-Southborough Regional School District Capital Plan, or do or act anything in relation thereto.

Proposed by: REGIONAL SCHOOL COMMITTEE
Select Board Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary*: The purpose of this warrant article is to create a Capital Stabilization Fund for the Northborough-Southborough Regional School District, which would be governed by the NSRSD School Committee. The District will utilize these funds for capital improvements at Algonquin Regional High School. Capital projects will be presented to the Southborough Capital Improvement & Planning Committee as part of the annual budget process.*

ARTICLE 27: To act on the recommendation of the Community Preservation Committee on the Fiscal Year 2025 Community Preservation Budget and to appropriate or reserve for later appropriation monies from Community Preservation Fund annual revenues or available funds for the administrative expenses of the Community Preservation Committee, the payment of debt service, the undertaking of Community Preservation projects and all other necessary and proper expenses for the year, or take any other action relative thereto.

PROPOSED FISCAL YEAR 2025 COMMUNITY PRESERVATION BUDGET

Estimated Surcharge Receipts (Based on Town Treasurer's Projections) ……..…. $ 447,844
State Match (Projected FY2024 State Match) ……...…….…… $ 64,905
Total Projected Revenue…….. …… $ 512,749

The Community Preservation Committee recommends that the following amounts be appropriated or reserved from Fiscal Year 2025 Community Preservation Fund revenues with each item considered a separate appropriation.

Set Aside- Open Space
$51,275 to be set aside, held in the Community Preservation Open Space Reserve Account, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Historic Preservation
No set aside required as spent in FY2025 on bonds for historic projects for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Set Aside – Community Housing
$51,275 to be set aside, held in the Community Preservation Housing Reserve Account, and spent in FY2025 or later years for the creation, preservation, and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act.
Set Aside Administrative Costs – Community Preservation Committee
$25,637 to defray the administrative and operating expenses of the Community Preservation Committee in FY2025 for the Community Preservation Administration Account

Set Aside – CPA Budgeted Reserve/Discretionary
$106,274.00 Reserved for FY25 Budgeted Reserve/Discretionary Account

Annual Debt Service: $75,438 to be applied towards the bond for the perpetual Preservation Restriction on 84 Main Street also known as the Burnett House for the purpose of historic preservation as approved at ATM 2016

Annual Debt Service: $61,000 to be applied towards the bond for the renovation and restoration of the historic Southborough Library building for the purpose of historic preservation as approved at ATM 2018

Annual Debt Service: $141,850 to be applied towards the bond for the historic restoration of the Southborough Town House for the purpose of historic preservation as approved at ATM 2021
FY24 Annual Debt Service: $52,842 from the CPA FY24 Budgeted Reserve Fund Balance to be applied towards the bond for the historic restoration of the Southborough Town House for the purpose of historic preservation as approved at ATM 2021

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The budget and set-asides are an annual requirement under the Community Preservation Act.*

ARTICLE 28: To see if the Town will vote to accept the report of the Community Preservation Committee for the FY2024 State Match Adjustment from the CPA Fund Balance and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as follows:
Actual FY24 State Match Receipts……...… $ 86,596
ATM2023 Projected FY24 State Match …… $82,561

FY24 State Match Adjustment …….$4,035

Set Aside- Open Space
$403 to be set aside, held in the Community Preservation Open Space Reserve Account, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Set Aside – Historic Preservation
$403 to be set aside, held in the Community Preservation Historic Reserve Account, and spent in FY2025 or later years for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Set Aside – Community Housing
$403 to be set aside, held in the Community Preservation Housing Reserve Account, and spent in FY2025 or later years for the creation, preservation, and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act.

Set Aside Administrative Costs
$201– Community Preservation Fund to defray the administrative and operating expenses of the Community Preservation Committee in FY2024 in the FY2024 Community Preservation Administration Account.

$2,625.00 Reserved for FY24 Community Preservation Budgeted Reserve/Discretionary)

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Summary: This article is to account for an adjustment to the state match from what was budgeted at 2023 ATM and the FY24 State Match received.*

ARTICLE 29: To see if the Town will vote to appropriate $46,046 for the rehabilitation and restoration of historic Town records for historic purposes as requested by Southborough Town Clerk Jim Hegarty, with $21,005.43 from the Historic Reserve Account and $25,040.57 from the Budgeted Reserve Account. This consists of $45,046 in project costs and an additional $1,000 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application.
Funding is contingent on a project start of July 1, 2024, and to be completed by June 30, 2027 or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Southborough Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the
Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of Town Clerk Jim Hegarty said funds will be used for the restoration of historic Town documents dating back to the 1700's.*

ARTICLE 30: To see if the Town will vote to appropriate $211,232 from the CPA Fund Budgeted Reserve for the construction of the final segment of Peninsula Trail requested by the Southborough Trails Committee for recreational purposes. This consists of $183,680 in project costs and an additional $27,552 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on a project start date of July 1, 2024, and to be completed by December 1, 2026, or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members

of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of the Southborough Trials Committee (STC), and with Recreation Director Tim Davis as an advisor, said funds will be used for the installation of the boardwalk, footbridge, and other trail construction related tasks for "Bridging the Gap" Phase II of the STC Peninsula Trail Project.*

ARTICLE 31: To see if the Town will vote to appropriate $553,750 for the installation of a new irrigation system in accordance with the standards of Audubon International, at the Southborough Golf Club from the CPA Fund Balance, as requested by the Southborough Golf Committee for the purpose of recreation. This consists of $475,000 in project costs and an additional $78,750 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on project completion by December 1, 2026, or funds to be returned to the CPA Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction the Southborough Golf Committee (STC), and with the golf course management company - New England Golf, overseeing the installation, said funds will be used for the installation of the new irrigation system to replace the existing 50+ year old system which is leaky, prone to failure requiring frequent repair, and time consuming to operate. This article is the Community Preservation Act share of a total project amount of $603,750 offset by a $50,000 contribution from the Golf Course Revolving Fund*.

ARTICLE 32: To see if the Town will vote to appropriate the sum of $96,115.13 for the use of the Board of Health to provide for substance abuse abatement activities following the Town's participation in the Statewide Opioid Settlements negotiated by the Massachusetts Attorney General, and to meet said appropriation the sum of $96,115.13 be transferred from Free Cash, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This Article provides funds to supplement and strengthen resources possibly including but not limited to substance abuse prevention, harm reduction, treatment, and recovery funded by direct payments received by the Town of Southborough as a result of signing onto statewide settlements with opioid manufacturers, distributors, and/or pharmacies. In order to comply with settlement reporting requirements, the funds are being segregated from general revenues into a separate article.*

ARTICLE 33: To see if the Town will vote to authorize the Select Board under Clause (1) of Section 8 of Article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts to submit to the General Court a Home Rule Petition, accompanied by a proposed Special Act relating to the Town of Southborough public works. The General Court may make clerical or editorial changes of form only to the proposed, unless after a public hearing the Select Board approves amendments to the bill before enactment by the General Court. The Select Board is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition. Said submission shall be accompanied by an attested copy of the motion and vote of the Town Meeting on this article.

Said proposed Special Act shall make the following modifications to Ch. 447 of the acts of 1991: (a) Re-establish the office of Tree Warden as an appointee of the Select Board, supervised by the DPW superintendent; (b) dissolve the Public Works Planning Board of the town of Southborough; and (c) replace "board of selectmen" with "select board" throughout.
The form and wording of said submission shall be determined by the Select Board in consultation with Town Counsel and the Town's representatives to General court, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The Public Works Planning Board was created in 1991, and does not meet current expectations. The Select Board is officially the town's Tree Warden by the Special Act which has proven inefficient. The office of Tree Warden would be reinstated as an appointed officer of the Town.*

ARTICLE 34: To see if the Town will vote to establish a Public Works Advisory Committee by deleting Article I ("Solid Waste Disposal Committee") of the Town Code in its entirety and inserting the following into the Town Code:

Article XIII Public Works Advisory Committee

§9-52 Purpose
Because the Department of Public Works ("DPW") is a complex organization that consumes a significant portion of the Town's budget and directly impacts the life of every resident: planning, prioritization, coordination and communications with the residents is essential. The Public Works Advisory Committee provides a focal point for and assistance with this complex function.
§9-52-A Establishment; Membership; Qualifications
Effective upon the dissolution of the Southborough Public Works Planning Board, there shall be a Public Works Advisory Committee ("PWAC"), which shall consist of five voting members and the non-voting ex-officio members identified below.
Each voting member shall be a resident of the Town and shall not be a Town officer or employee. Preferably at least 3 voting members should have significant relevant work experience and knowledge of activities undertaken by the DPW.
The voting members shall be appointed by the Select Board.
§9-52-B Appointments; Terms; Vacancies; Removal
Voting members shall be appointed for three-year terms. The initial appointments shall be two members for three years, two members for two years, and one member for one year, so as to establish overlapping terms.
Any voting member who shall remove from the Town, establish residency in another town, resign, or die shall cease to be a member. When notified that any voting member has failed to faithfully discharge his duties, or has failed without good cause to attend at least three quarters of the PWAC meetings held in any six-month interval: the Select Board may promptly give notice, hold a hearing and determine whether such member shall be removed from the PWAC. In any case of a vacancy in the voting membership, the Select Board shall make every effort to, within thirty days, appoint a replacement for the balance of the unexpired term.
The ex-officio (non-voting) members have terms coincident with their employment and shall be: the Superintendent of Public Works and the Town Planner.
§9-52-C Organization; Meetings
The members shall select, from among themselves, a Chair, vice-Chair, and a Secretary.
The PWAC shall establish a regular schedule of meetings sufficient to complete its duties, but shall meet at least quarterly.
The PWAC shall ordinarily and preferentially meet in the Town, but may conduct meetings, investigations or inspections within the scope of its duties and authority anywhere, subject to the Open Meeting Law and standard Town travel budgets and policies.
The PWAC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.
All reports and recommendations of the PWAC made to the Town shall be voted by a majority of the voting members of the PWAC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the non-voting members.

§9-52-D Funding
Subject to appropriation, the PWAC may incur expenses for consultants, communications, minute-takers and other purposes. Such expenses shall be from a separate line item under the DPW's budget, established by the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the PWAC or a designated member thereof, as permitted by law, and be subject to the Town's policies for such expenditures.
§9-53 Functions and Definitions
The duty of the PWAC shall be to respond to requests for support from the Superintendent of Public Works, the Select Board, the Planning Board, the Advisory Committee, the Capital Improvement Planning Committee, and such other Town Entities as may be appropriate.
Further, PWAC shall also proactively evaluate, study, recommend, propose, and/or report on significant projects to be undertaken by the DPW.
The PWAC shall assume the functions of the former Green Technology and Recycling Committee that were assigned to the former Public Works Planning Board.
In this Article XIII, the phase "Town Entities" includes any Town board, committee, or agency of Town government, or subsidiary organization of any of these, whether statutory, elected or appointed.
In this Article XIII, the phase "Public Works Projects" includes projects conducted or planned to be conducted by the DPW, including but not limited to: road and sidewalk construction and maintenance; solid waste disposal (including operation of the transfer station, recycling and fees); cemetery operation; construction and maintenance of the water system (including conservation and fees); tree maintenance, removal, and replacement; public stormwater, and traffic management.
§9-54 Mission and Authority
The PWAC shall assist with establishing priorities and long-term planning for significant Public Works Projects. The PWAC may evaluate and/or develop options to be considered for Public Works Projects that significantly deviate from their plans in scope, expense, and/or schedule. The PWAC may assist in locating and/or evaluating the desirability of external (e.g., grant) funding for Public Works Projects.
The PWAC shall coordinate its work with the Select Board, Advisory Committee, Capital Improvement Planning Committee, Planning Board, Trails Committee, and Recreation Commission as reasonably necessary.
The PWAC shall not manage or direct the Superintendent of Public Works, DPW employees, or projects.
The PWAC shall assist the Superintendent of Public Works to communicate plans for Public Works Projects and the status of such projects to residents (especially neighbors) at the earliest feasible time. It shall serve as a focal point for citizen concerns with Public Works Projects, and may conduct public hearings.
§9-54-A Other Agencies
The PWAC may meet with other governmental agencies to discuss opportunities for interoperation, efficiencies or other synergies. However, the PWAC does not have the authority to commit the Town to pursue such opportunities, which authority rests with the Superintendent of Public Works, other Town Entities, and/or their designees.
§9-55 Reporting
From time to time, as may be necessary, the PWAC shall report to the Superintendent of Public Works and/or the Select Board on its activities and such reports, studies, evaluations, recommendations, and/or proposals as it has initiated or have been requested of it.
From time to time, as may be necessary, the PWAC shall report to the Town Meeting.
§9-56 Interpretation
The section headings and numbering of this Article XIII are for convenience and shall not be construed to modify the interpretation of the article.
In this Article XIII, terms are defined in quotation marks within parenthesis, and their uses are indicated by capitalization. The definition of each such term applies to its use in the entirety of this Article XIII, whether or not the definition appears before such use.
In this Article XIII, the word "will" is to be interpreted as descriptive of an outcome or process and not as an imperative; the word "shall" is to be interpreted in the imperative sense of "must" or "is required to"; while the word "may" is to be interpreted in the permissive sense of "optionally", or "has discretion whether or not to".

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: Replaces the Special Act-chartered Public Works Planning Board with a Town standing committee when the PWPB dissolves as initiated by the previous article.*

ARTICLE 35: To see if the Town will vote to amend Article XI, Capital Improvement and Planning Committee, of the Town Code by deleting § 9-43(A) in its entirety, and replacing it with the following:

A. There shall be a Capital Improvement and Planning Committee ("CIPC"), which shall consist of five voting members and the two nonvoting ex-officio members identified below.

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The Capital Improvement and Planning Committee is seeking to reduce its membership from 7 to 5 members to alleviate issues with getting quorums for meetings.*

ARTICLE 36: To see if the Town will vote to add a new **§174-10.3** to the Town of Southborough's Zoning Bylaws, amend the zoning map to include the MBTA Communities Overly District (MCOD) as shown on the maps prepared by Bohler Engineering in March 2024 as further depicted in the handout, amend certain other sections to integrate the new section into the current zoning bylaw, and make any minor modifications to the text required for consistency with the existing format of the bylaws or do or act anything in relation thereto.

New language shown in **bold**, deleted language shown with ~~strikethrough~~ with the exception of the new §174-10.3.

Add the following definitions to §174-2. Definitions:

B. Definitions

AFFORDABLE UNIT
A multi-family housing unit that is subject to a restriction recorded in its chain of title limiting the sale price or rent or limiting occupancy to an individual or household of a specified income, or both.

AFFORDABLE HOUSING
Housing that contains Affordable Units as defined by §174-2.

AREA MEDIAN INCOME (AMI)
The median family income for the metropolitan statistical region that includes the Town of Southborough, as defined by the U.S. Department of Housing and Urban Development (HUD).

DWELLING, MULTIFAMILY *WITHIN THE* MCOD
A building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building.

Modify the following existing definitions in §174-2. Definitions:

B. Definitions

DWELLING UNIT
~~Living quarters for a single family.~~
A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking, and sanitation.

Add the following text to: §174-3. Districts enumerated:

N. MBTA Communities Overlay District, referred to as MCOD.

Add the following text to Article III. Use Regulations:

§174-8.13 MCOD MBTA Communities Overlay District

A. See §174-10.3

Add the following text to §174-10.A:

(6) All multi-family development within the MCOD (§174-10.3). The provisions of §174-11 Signs, §174-12 Parking and Loading, §174-12.1 Outdoor Illumination, §174-13 Landscaping, §174-13.3 Lower Impact Development, §174-13.4 Water Resource Protection, and §154 Stormwater and Erosion Control shall be included as a part of the MCOD site plan review process.

Add the following text to §174-12.1. Outdoor Illumination:

E. (2) LZ-1 : low ambient lighting
(b) Zoning Districts: Residence A, Residence B, **and MCOD.**

F. Table 1 – under the column LZ-1, add "**MCOD**" below Residential B.

Add the following new section under Article III. Use Regulations:

§174-10.3: MBTA Communities Overlay District.

A. Purpose.

The purpose of the MBTA Communities Overlay District (MCOD) is to allow multi-family housing as of right in accordance with Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A). This zoning provides for as of right multi-family housing to accomplish the following purposes:

(1) Encourage the production of a variety of housing sizes and typologies to provide equal access to new housing throughout the community for people with a variety of needs and income levels;

(2) Support vibrant neighborhoods by encouraging an appropriate mix and intensity of uses to support an active public space that provides equal access to housing, jobs, gathering spaces, recreational opportunities, goods, and services within a half-mile of a transit station.

(3) Locate housing within walking distance of public transit to promote general public health, reduce the number of vehicular miles traveled, support economic development, and meet community-based environmental goals, including reducing greenhouse gases and improving air quality.

(4) Support public investment in public transit and pedestrian- and bike-friendly infrastructure.

B. Establishment and Applicability.

This MCOD is an overlay district having a land area of approximately 53.9 acres in size that is superimposed over the underlying zoning district(s) and is shown on the Zoning Map.

(1) **Applicability of MCOD.** An applicant may develop multi-family housing, a building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building, located within an MCOD in accordance with the provisions of this §174-10.3. The MCOD shall be exempt from §174-8.C.(2) a special permit for 2 buildings on one lot

(2) **Underlying Zoning.** The MCOD is an overlay district superimposed on underlying zoning districts. The regulations for use, dimensions, and all other provisions of the Town of Southborough's Zoning Bylaw governing the respective underlying zoning district(s) shall remain in full force, except for uses allowed as of right in the MCOD. Uses that are not identified in §174-10.3 are governed by the requirements of the underlying zoning district(s).

(a) The requirements of §174-13.2 Major residential development do not apply to the MCOD.

(b) The requirements of §174-13.3.E, Lower Impact Development special permit application and process shall not apply to a multifamily use within the MCOD, but the performance standards of §174-13.3.I, Lower Impact Development, Performance Standards: LID Criteria, may be considered during site plan review.

(c) The requirements of §174-13.4.C, Water Resource Protection special permit process shall not apply to a multifamily use within the MCOD, but compliance with the Massachusetts Surface Water Quality Standards (314 CMR 4.00) may be considered during site plan review.

(d) The requirements of §174-11. Signs also apply.

(e) The requirements of §174-12.1. Outdoor Illumination also apply.

(3) **Subdistricts:** The MCOD contains the following subdistricts, all of which are shown on the Zoning Map:

(a) MCOD Subdistrict #1 (Residence B Dimensional Standards)

(b) MCOD Subdistrict #2 (Industrial Park Dimensional Standards)

(c) MCOD Subdistrict #3 (Industrial Park Dimensional Standards)

For subdistrict dimensional standards, see §174-10.3.E.(1) Table of Dimensional Standards.

C. Definitions.

Terms used in this section but not otherwise defined herein or under §174-2 of the Zoning Bylaw shall be as defined in the Zoning Act.

D. Permitted Uses.

(1) **Permitted Uses are as follows:** The following uses are permitted as of right within the MCOD.

(a) Multi-family housing, as referenced in §174-10.3.B. (1)

(2) **Accessory Uses.** The following uses are considered accessory as of right to any of the permitted uses in Section D.1. above.

(a) Parking, including surface parking and parking within a structure such as an above ground or underground parking garage or other building on the same lot as the principal use.

(3) **Prohibited uses.** All uses which are not listed above, legally nonconforming, or otherwise allowable by the provisions of the underlying zoning regulations, are prohibited.

E. Dimensional standards are as follows:

(1) **Table of Dimensional Standards.** The dimensional requirements applicable in the MCOD are as follows:

Dimensional Standards	***MCOD Subdistrict #1*** **(Residence B Dimensional Standards)**	***MCOD Subdistricts #2 & #3*** **(Industrial Park Dimensional Standards)**
(a) Minimum lot area	**25,000**	**43,560**
(b) Minimum frontage	**125**	**200**

(c) Minimum setbacks			
(i) Front	**30**	**Subdistrict #2** **75***	**Subdistrict #3** **50***
(ii) Rear	**35**	**50**	
(iii) Side	**15**	**50**	
(d) Maximum height	**2.5 stories or 35 feet**	**3 stories or 45 feet**	
(e) Maximum floor area ratio	**0.3**	**0.6**	
(f) Maximum dwelling units per acre	**15.0**	**15.0**	

***A 75-foot setback is required for buildings on Route 9.**

(2) **Multi-Building Lots.** In the MCOD, lots may have more than one principal building. A minimum distance of ten (10) feet is required between principal buildings.

(3) **Exceptions:** (refer to §174-15).

(4) **Exceptions: Renewable Energy Installations.** The Planning Board may waive the height and setbacks in §174-10.3.E.(1) Dimensional Standards to accommodate the installation of solar photovoltaic, solar thermal, living, and other eco-roofs, energy storage, and air-source heat pump equipment. Such installations shall not create a significant detriment to abutters in terms of noise or shadow and must be appropriately integrated into the architecture of the building, as applicable, and the layout of the site. The installations shall not provide additional habitable space within the development.

F. Off-Street Parking.

These parking requirements are applicable to development in the MCOD.

(1) **Number of parking spaces.** The following **minimum** numbers of off-street parking spaces shall be permitted by use, either in surface parking or within garages or other structures:

Use	Minimum Spaces
Multi-family	**1.5 per unit**

(2) **Number of bicycle parking spaces.** The following **minimum** numbers of covered bicycle storage spaces shall be provided by use:

Use	Minimum Spaces
Multi-family	**1 per unit**

(3) **Bicycle storage.** For a multi-family development of 15 units or more, covered parking bicycle parking spaces of no less than 25% of the total required spaces shall be integrated into the structure of the building(s).

G. General Development Standards.

(1) Development standards are applicable to all multi-family development within the MCOD. These standards are components of the Site Plan Review process in §174-10.3.I. Site Plan Review.

(2) **Site Design**.

(a) **Connections.** Sidewalks shall provide a direct connection among building entrances, the public sidewalk (if applicable), bicycle storage, and parking.

(b) **Vehicular access.** Where feasible, curb cuts shall be minimized, and shared driveways encouraged.

(c) **Mechanicals.** Mechanical equipment at ground level shall be screened by a combination of fencing and plantings. Rooftop mechanical equipment shall be screened if visible from a public right-of-way.

(d) **Dumpsters.** Dumpsters shall be screened by a combination of fencing and plantings. Where possible, trash and recycling collection points shall be located within the building.

(e) **Stormwater management.** Stormwater Management shall comply with the most current versions of the Massachusetts Department of Environmental Protection Stormwater Management Standards, the Massachusetts Stormwater Handbook, Massachusetts Erosion Sediment and Control Guidelines, and, the provisions under Town Code §154, Stormwater and Erosion Control. Provisions under Stormwater and Erosion Control shall be included as part of the Site Plan Review process but shall not supersede the requirements of §154.

(f) The following provisions shall be reviewed under site plan approval process:
(1) Screening for Parking (refer to §174-13. Landscaping).
(2) Parking and Loading (refer to §174-12. Parking and Loading, provided the required number of spaces shall be reduced as provided in F, above).
(3) Landscape and Plantings (refer to §174-13. Landscaping).
(4) Lighting (refer to §174-12.1. Outdoor illumination).
(5) Signs (refer to §174-11. Signs).
(6) Lower Impact Development (refer to §174-13.3. Lower Impact Development, provided section E shall not apply).
(7) Water Resource Protections (refer to §174-13.4. Water Resource Protection, provided section C shall not apply).
(8) Stormwater and Erosion Control (refer to §154. Stormwater and Erosion Control of the Town of Southborough Bylaws).

(3) **Buildings: General.**

(a) **Position relative to the principal street.** The primary building shall have its principal façade and entrance facing the principal street. See also §174-10.3.G.6. Buildings: Corner Lots.

(b) **Entries.** Where feasible, entries shall be clearly defined and linked to a paved pedestrian network that includes the public sidewalk.

(c) **Exterior Design.** The building(s) shall have an exterior design that is consistent with the styles of the surrounding residential neighborhood and the Town of Southborough in general.

(4) **Buildings: Multiple buildings on a lot.**

(a) Parking and circulation on the site shall be organized so as to reduce the amount of impervious surface. Where possible, parking and loading areas shall be connected to minimize curb cuts onto public rights-of-way.

(b) A paved pedestrian network shall connect parking to the entries to all buildings and the buildings to each other.

(c) The orientation of multiple buildings on a lot should reinforce the relationships among the buildings. All building façade(s) shall be treated with the same care and attention in terms of entries, fenestration, and materials.

(d) The building(s) adjacent to the public street shall have a pedestrian entry facing the public street.

(5) **Buildings: Shared Outdoor Space.** Multi-family housing shall have common outdoor space that all residents can access. Such space may be located in any combination of ground floor, courtyard, rooftop, or terrace.

(6) **Buildings: Corner Lots.** A building on a corner lot shall indicate a primary entrance either along one of the street-facing façades or on the primary corner as an entrance serving both streets.

(a) Such entries shall be connected by a paved surface to the public sidewalk, if applicable.

(b) All façades visible from a public right-of-way shall be treated with similar care and attention in terms of entries, fenestration, and materials.

(c) Fire exits serving more than one story shall not be located on either of the street-facing façades.

(7) **Buildings: Infill Lots.** If the adjacent buildings are set back at a distance that exceeds the minimum front yard requirements, infill buildings shall meet the requirements of §174-10.3.E.(1) Dimensional Standards. Otherwise, infill buildings may match the setback line of either adjacent building, or an average of the setback of the two buildings to provide consistency along the street.

(8) **Buildings: Principal Façade and Parking.** Parking shall be subordinate in design and location to the principal building façade.

(a) **Surface parking.** Surface parking shall be located to the rear or side of the principal building. Parking shall not be located in the setback between the building and any lot line adjacent to the public right-of-way.

(b) **Integrated garages.** The principal pedestrian entry into the building shall be more prominent in design and placement than the vehicular entry into the garage.

(c) **Parking structures.** Building(s) dedicated to structured parking on the same lot as one or more multi-family buildings shall be subordinate in design and placement to the multi-family building(s) on the lot.

(9) **Waivers.** Upon the request of the Applicant and subject to compliance with the Executive Office of Housing and Livable Communities' (EOHLC's) Compliance Guidelines, the Planning Board may waive the requirements of this §174-10.3.G. General Development Standards, in the interests of design flexibility and overall project quality, and upon a finding of consistency of such variation with the overall purpose and objectives of the MCOD.

H. Affordability Requirements.

(1) **Purpose**.

(a) Promote the public health, safety, and welfare by encouraging a diversity of housing opportunities for people of different income levels;

(b) Provide for a full range of housing choices for households of all incomes, ages, and sizes;

(c) Increase the production of affordable housing units to meet existing and anticipated housing needs; and

(d) Work to overcome economic segregation, allowing the Town of Southborough to be a community of opportunity in which low and moderate-income households have the opportunity

to advance economically.

(2) **Applicability.** This requirement is applicable to all residential developments with ten (10) or more dwelling units, whether new construction, substantial rehabilitation, expansion, reconstruction, or residential conversion (Applicable Projects). No project may be divided or phased to avoid the requirements of this section.

(3) **Subsidized Housing Inventory**. All units affordable to households earning 80% or less of AMI created in the MCOD under this section must be eligible for listing on EOHLC's Subsidized Housing Inventory (SHI).

(4) **Provision of Affordable Housing.** In Applicable Projects, not fewer than ten percent (10%) of housing units constructed shall be Affordable Housing Units. For the purpose of calculating the number of units of Affordable Housing required within a development project, a fractional unit shall be rounded up to the next whole number. The Affordable Units shall be available to households earning income up to eighty percent (80%) of the AMI.

(5) **Alternative Methods.**

(a) As an alternative to the requirements of paragraph (3) of this section, and in certain exceptional circumstances, the Planning Board may, at the formal written request of the developer, consider an alternative method of compliance, as provided for in §174-13.2.E.(5).

(6) **Affordability Development Standards.** Affordable Units shall be:

(a) Integrated with the rest of the development and shall be compatible in design, appearance, construction, and quality of exterior and interior materials with the other units and/or lots;

(b) Dispersed throughout the development;

(c) Located such that the units have equal access to shared amenities, including light and air, and utilities (including any bicycle storage and/or Electric Vehicle charging stations) within the development;

(d) Located such that the units have equal avoidance of any potential nuisances as market-rate units within the development;

(e) Distributed proportionately among unit sizes; and

(f) Distributed proportionately across each phase of a phased development.

(g) Occupancy permits may be issued for market-rate units prior to the end of construction of the entire development provided that occupancy permits for Affordable Units are issued simultaneously on a pro rata basis.

(7) **Administration.**

(a) The Zoning Enforcement Officer shall be responsible for administering and enforcing the requirements in this section.

I. Site Plan Review.

(1) **Applicability.** The requirements of §174.10 Site Plan Approval are applicable to any multi-family development within the MCOD, unless modified herein. An application for Site Plan Review shall be reviewed by the Planning Board for consistency with the purpose and intent of this §174-10.3.

(2) **Site Plan Approval.** Site Plan approval for uses listed in §174-10.3(D) Permitted Uses shall be granted upon determination by the Planning Board that the following requirements have been satisfied. The Planning Board may impose reasonable conditions, at the expense of the applicant, to ensure that these requirements are satisfied.

(a) the Applicant has submitted the required fees and information as set forth in *the Town of Southborough's requirements for a Building Permit and Site Plan Review; and*

(b) the project as described in the application meets the development standards set forth in §174-10.3.G General Development Standards and the requirements of §174-10.3.D.(1) and §174-10 or has received waiver(s) from the requirements therein.

(3) **Project Phasing.** An Applicant may propose, in a Site Plan Review submission, that a project be developed in phases subject to the approval of the Planning Board, provided that the submission shows the full buildout of the project and all associated impacts as of the completion of the final phase. However, no project may be phased solely to avoid the provisions of §174-10.3.H Affordability Requirements.

J. Severability.

If any provision of this §174-10.3 is found to be invalid by a court of competent jurisdiction, the remainder of §174-10.3 shall not be affected but shall remain in full force. The invalidity of any provision of this §174-10.3 shall not affect the validity of the remainder of the Town of Southborough's Zoning Bylaw

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation: At Town Meeting
Advisory Committee Recommendation: At Town Meeting
Summary*: The intent of this article is to comply with Chapter 40A §3A, MBTA Multi-family zoning. The MBTA Communities shall have a zoning ordinance or by-law that provides for at least 1 district of reasonable size in which multi-family housing is permitted as of right; provided, however, that such multi-family housing shall be without age restrictions and shall be suitable for families with children. The proposed MBTA Communities Overlay District (MCOD) is comprised of 3 areas as depicted on the maps prepared by Bohler Engineering dated March 2024, as further depicted in the handouts, and to include all other changes proposed to implement the new MCOD overlay district.*

ARTICLE 37: To see if the Town will vote to amend the Town Code to add Downtown District to Chapter 174 - Zoning as follows:

- ➢ Schedule of use regulations – 174-8.C(5) after Business Village District.
- ➢ Signs – 174-11 (D) – sign regulations next to Business Village
- ➢ Signs-174-11.E [1] [a] after Business Village District.
- ➢ Signs-174-11.E [1] [b] after Business Village District.
- ➢ Signs-174-11.E [2] [a] after Business Village District.
- ➢ Signs-174-11.E [2] [b] after Business Village District.
- ➢ Signs-174-11.E (d) [1] after Business Village District.
- ➢ Signs-174-11.E (d) [2] after Business Village District.
- ➢ Outdoor Illumination – 174-12.1.E (3) (b), and Table 1 under LZ-2 add Downtown District below Business Village
- ➢ Landscaping – 174-13.A(3) as follows:

  (3) Exceptions.
  The requirements of this section do not apply to developments or renovations in the Business Village District **and the Downtown District**. However, the Planning Board may require landscaping as part of the site plan or special permit application within the Business Village District **and Downtown District**.

And anywhere else in the code where the Business Village District is referenced and appropriate.

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The intent of this Article is to add the phrase "Downtown District" where "Business Village District" is referenced, as applicable, throughout the Town Code.*

ARTICLE 38: To see if the Town will vote to amend Chapter 174 of the Town Code to include an expiration for special permits as required by MGL c. 40A Section 9 as follows:

In Chapter 174 Section 9 – Special Permit Requirements, to add after the sentence ending with "...or destructive of property values therein." the following clause: "Unless otherwise designated by this chapter, if the rights authorized by a special permit are not exercised within two years from the date of grant thereof, they shall lapse, and a new petition, notice, and hearing will be required for their reestablishment. The applicant may be granted a single one-year extension by applying in writing to the special permit granting authority at least 30 days prior to the date when the special permit is due to lapse. An extension will only be granted for good cause and/or at the discretion of the special permit granting authority."

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD/ZONING BOARD OF APPEALS
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This article would amend the Zoning Bylaw to comply with MGL c. 40A Section 9, which requires bylaws to provide a specified period of time after which special permits will lapse.*

ARTICLE 39: To see if the Town will vote to delete in its entirety Chapter § 9-2 of the town code "Meetings prohibited on Election Day, or when Town offices are closed due to weather or other emergency" and replace it with:

§ 9-2 Meetings prohibited on Election Day, or when Town offices are closed due to a weather or other emergency

A. If the Select Board or their designee announce that all Town offices are closed due to a weather or other emergency, any scheduled public meeting shall be cancelled. However, public meetings may be held if the meeting is properly noticed for and held in an online format where the public may observe the meeting. A previously scheduled in-person only meeting may be changed to an online format by submitting a revised agenda to the Town Clerk in a timely fashion. If a meeting is cancelled, the Town Clerk shall post notice of the cancellation on the Town website.

B. This prohibition will not apply to emergency meetings held to address weather or other emergencies as defined by the Attorney General.

C. No board, committee or commission shall schedule a meeting on the day of any Town, state or federal election.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This Article modifies the existing town code to allow meetings to be held when town buildings are closed to the public due to a weather or other emergency, if the meeting is held in an online format where the public may observe the meeting.*

ARTICLE 40: To see if the Town will vote to accept MGL Ch 41 §19 K which states as follows:

"In any town, that accepts this section, a town clerk who has completed the necessary courses of study and training, and has been awarded a certificate by the Massachusetts Town Clerks' Association as a certified Massachusetts

municipal clerk, shall receive as compensation from such town, in addition to the regular annual compensation paid by such town for services in such office, an amount equal to 10 per cent of such regular annual compensation, but not more than $1,000 per year. In order to qualify for such additional compensation, a town clerk shall submit to the board of selectmen of such town proof of the award of such certificate. The additional compensation provided in this section shall be prorated for any 12 month period in which an eligible person does not hold the office of town clerk for 12 consecutive months. Such additional compensation shall discontinue when certification is discontinued or withdrawn."

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This Article accepts the Massachusetts General Law that provides an annual $1,000 stipend to a town clerk who obtains certification as a Massachusetts Municipal Clerk. Only 31% of Massachusetts town clerks have the required experience, have taken the required continuing education courses and passed the 250 - question examination required to earn this certification.*

ARTICLE 41: To see if the Town will vote to amend Town Code § 9-25 Meeting minutes, by deleting it in its entirety and replacing it with:

Each board, committee, or commission shall provide minutes for each of its meetings to the Town Clerk within 45 days of the meeting. Minutes shall be kept by the Town Clerk for a period as required by applicable state law. This requirement shall not apply to Executive Session Minutes, which shall only be provided to the Town Clerk within 45 days from the date that they are released for public disclosure.

A. Minutes shall indicate whether they have or have not been approved by the board, committee or commission when submitted to the Town Clerk.
(1) Minutes that have not been approved at the time of their receipt shall be labeled "Draft."
(2) The Town Clerk shall log the receipt of all minutes and the Town Clerk shall post minutes on the Town website.

B. Minutes shall be submitted in a manner consistent with the Open Meeting Law (MGL c. 30A, § 22), and the Attorney General's Open Meeting Law Guide, and must include:
- the date, time and place of the meeting;
- the members present or absent;
- the decisions made and actions taken, including a record of all votes;
- a summary of the discussions on each subject;
- a list of all documents and exhibits used at the meeting; and
- the name of any member who participated in the meeting remotely.

C. Minutes submitted to the Town Clerk shall include, as reasonably possible, copies of all documents, exhibits, and electronic files of any audio or video presentations used at the meeting, including items created by the board members, or by others allowed to make presentations at the meeting.
(1) The term "used at the meeting" shall mean a document, exhibit, audio or video presentation that was (1) identified by name, or (2) presented at the meeting, and (3) discussed at the meeting.
(2) If copies of documents or other exhibits used at the meeting cannot be provided due to the physical nature of the exhibit (e.g., size of the exhibit, etc.), the specific filing location of the document or exhibit shall be identified.

D. The last page of the minutes shall include a section labelled Documents Used at This Meeting and shall list the names of each document that was used at the meeting.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support

Summary: *This Article clarifies the existing requirements for board, committee, or commission ("the board') meetings to maintain minutes and documents used at meetings. This Article adds the requirement that any audio or video presentation that a board allows to be displayed at a meeting be retained, regardless of who created the presentation. This Article also adds the requirement that the last page of the minutes includes a section labelled "Documents Used at This Meeting" with a list the names of each document that was used at the meeting. A recent review of minutes submitted to the town clerk revealed several instances where no documents were submitted by the board.*

ARTICLE 42: To see if the Town will vote to petition the General Court for the passage of special enabling legislation authorizing the Town to authorize, issue and sell pension obligation bonds to finance the Town's unfunded pension liability to the Worcester Regional Retirement System, fund any necessary reserves, and all other costs associated therewith, which special enabling legislation shall be in such form as the Select Board shall approve, and provided further that the Select Board may accept and approve any amendments required in such special act as required by the General Court, provided that such amendments do not materially impact the purpose of the Special Act, as may be approved hereunder; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will authorize the Town to seek special legislation that would allow the Town to retire its portion of the Worcester Retirement System unfunded liability. If market conditions were favorable the Town would seek Town Meeting approval to issue pension obligation bonds for this purpose.*

ARTICLE 43: To see if the Town will vote to transfer from Free Cash the sum of Thirty Thousand Dollars ($30,000) or such other amount as Town Meeting may approve for the purpose of funding events [i.e. fireworks, parade, public art, etc.] as authorized by the Tricentennial Committee celebrating the Town of Southborough's incorporation, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This funding will serve as seed money to support the work of the Tricentennial Committee. Expenditures will be approved by the Committee Chair [subject to approval by the Committee] and may include items like patriotic bunting, memorabilia, assistance with digital media or deposits on events such as fireworks, etc.*

ARTICLE 44: To see if the Town will vote to approve the Assabet Valley Regional Vocational Technical School Committee's vote on January 9, 2024, to establish a Stabilization Fund for the Assabet Valley Regional Vocational Technical School District, pursuant to Section 16G ½ of Chapter 71 of the Massachusetts General Laws, said Stabilization Fund, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Not Support
Summary: *The purpose of this warrant article is to help with the creation and support of a Capital Improvement Fund for the school district which would be governed by the AVRVSD School Committee. Historically, Assabet has been able to accommodate Capital Improvements through the use of Out-of-District Tuition and through grant opportunities, however, neither is a continued sustainable option.*

ARTICLE 45: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale of the 21 Highland St. property until January 1, 2028. It is agreed that the sale or transference of the property could be detrimental to the town until the following factors are resolved: There is currently a new school project being contemplated with an unspecified school price tag that could range as high as 60-100 Million dollars at his moment. The process of planning and building a new school could take another 3 or more years to complete. There is currently

300 408 housing units likely to be built in the next 3-5 years, and the MBTA community Act currently threatens the town with another potential 750 units of multifamily zoning by right, so in the next 3+ years to come the town could lose control of housing development in many areas of the town (there are 3800 housing units in the town currently, the total new burden could add a possible 26% population increase). Although it is unrealistic to expect the full number of units, the current school estimates do not take all of these factors into account, nor can we accurately project numbers with confidence having no control over the zoning, unit type, or building process. There is no current organizational model or plan to mitigate the possible cost or space need effects upon town departments, and no current plan for town space needs if this rapid population growth occurs. The current space need plans are dependent upon the premise of building a new school, a historically neutral residential development plan, and turning over one of the current schools to general town use for multiple departments currently inhabiting other buildings, including Recreation, Family and Youth services (both in the 21 Highland property), Building Permit departments, senior center, and Facilities (all in the Cordaville hall building), who have all have been recommended in the space needs plan to vacate their current locations (and to move to Finn currently). If there is a problem with the plan (example: No new school, or other factors as high population growth), selling the 21 Highland St. property could leave the town with little recourse except to sign commercial leases for homeless departments, potentially making the town long term dependent upon the private real estate market fluctuations, and/or possibly build space, adding to town costs. A new school is currently not approved, but selling these properties could be used as financial incentive and space need leverage to coerce support for one, knowing the sale could instigate leases and costs created by a premature property sale and vacating actions by those departments. There is minimal financial risk to delaying a sale of the property for several years. There is a greater financial risk to selling the property prematurely if the building could better serve the short, middle, or long term interests of the town given the current factors facing the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary*:* *This is a citizen's petition.*

ARTICLE 46: To see if the Town will vote that the Town hereby resolves to own and rehab the current 21 Highland St. property for town, community, and/or rental use, using CPC and other bond allocations to fund the project when needed. The surrounding property will remain open for community use regardless of building use. It is required that the Select Board carry out the will of this resolution, and have a plan in place by the next town Meeting with the understanding that the citizenry will not entertain a proposal to dispose of the property till the year 2033. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary*:* *This is a citizen's petition.*

ARTICLE 47: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale the 21 Highland St. property until January 1, 2030. It is agreed that the citizenry prefers to tastefully retire use of the building at 21 Highland St., and keep the building at 21 Highland St. property owned by the town if or when departments housed wherein should move to other locations and there is no reason to keep the building in use. At such time, the 21 Highland St. building interior will be "Mothballed", the exterior of the windows protected with tasteful covers, the roof and exterior sealed, so the building will keep in a relatively preserved state til it should be desired for future use again, remodeling or demolition by the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary*: This is a citizen's petition.*

ARTICLE 48: The Citizens of Southborough hereby resolve that, any petition to the CPC for funding for a project, asset, or service on private land, or for private benefit and use, being not town owned or operated, should require a 2/3 majority passing vote tally for approval at Town Meeting; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary*: This is a citizen's petition.*

And you are to give notice hereby by posting true and attested copies of the Warrant on the Town website, the Southborough Town House, 17 Common Street, Southborough Senior Center, 9 Cordaville Road, Southborough Library, 25 Main Street, and Southborough Transfer Station, 147 Cordaville Road; seven (7) days at least before the time appointed for such meeting.

Given under our hand this 4th day of March, 2024

SELECT BOARD OF THE TOWN OF SOUTHBOROUGH

Town of Southborough, Massachusetts
Community Center Exploration Committee
Monday January 22nd, 2024
6:00 PM
Virtual Zoom Meeting

Members present: J. Malinowski (Chair), J. Hansen, S. Heilman, J. Maney, N. Mauro, W. Harrington, T. Fling
Ex-officio members present: R. Donovan, T. Davis
Member(s) absent: P. Lefrancois

I. Call Meeting to Order
   a. J. Malinowski called the meeting to order at 6:03 PM.

II. Approval of Meeting Minutes from January 8, 2024
   a. J. Malinowski made a motion to approve meeting minutes from January 8, 2024. Seconded by T. Fling. Roll call vote: J. Hansen yes, S. Heilman yes, J. Maney yes, J. Malinowski yes, N. Mauro yes. T Fling- yes, W. Harrington yes 7-0 vote, motion approved.

III. Chair/Member Updates
   a. Neary Building Committee Update – Jason provided a brief update on the status of the project and timeline.

IV. Review and accept final DRA Report
   a. Added a 1d section to the spreadsheet and will be added as an appendix to the final report- High intensity for Senior Center + low intensity for library and rec
   b. Tim F would like a paragraph citing 1d in the body of the final report
   c. Final copy will say 2028 instead of 2027 for the escalation costs
   d. Add 1d to the Options assessment tab in the spreadsheet- which would be green across the columns, with Library storage being yellow
   e. Jason moves that we accept the report (provided we add 1d to the body of the report) Janet 2nd, Roll call vote: J. Hansen yes, S. Heilman yes, J. Maney yes, J. Malinowski yes, N. Mauro yes. T Fling- yes, W. Harrington yes 7-0 vote, report approved.

V. Review and approval of Committee presentation to Select Board
   a. Do we want to mention Public Private Partnership? Only in so much that we explored it, but we felt it would not suit the needs of the various departments, and therefore decided against suggesting it.
   b. Current recommendation is not to include other municipal offices
   c. Add warm and welcoming feeling for senior center notes
   d. Emphasize importance of storage
   e. Space for SYFS would be available, if they wanted it
   f. We should add a new slide at the beginning (Janet M to work on)
      i. Things we like: separate entrances, but also shared spaces like cafeteria, gym, and intergenerational building
   g. We will be presenting at the Feb 6 select board meeting (hybrid). We should present around 8pm

DRAFT

h. Jason moves that we accept the presentation with the above edits, Bill 2nds Roll call vote: J. Hansen yes, S. Heilman yes, J. Maney yes, J. Malinowski yes, N. Mauro yes. T Fling- yes, W. Harrington yes 7-0 vote, presentation accepted.
i. Jason will give the basics of the presentation and others can weigh in with their specific interests at the select board meeting
j. We will have the select board approve these minutes and the minutes from the select board meetings. And then our committee will be disbanded.

VI. Public Comment - None
VII. Other business that may properly come before the Committee - None
VIII. Adjournment
Jason moves for adjournment at 6:42 pm, Tim 2nd. Roll call vote: J. Hansen yes, S. Heilman yes, J. Maney yes, J. Malinowski yes, N. Mauro yes. T Fling- yes, W. Harrington yes 7-0 vote, motion approved.

Minutes Completed by: Susan Heilman, Clerk

38. Amend Town Code – Zoning – Expiration of Special Permits 51
39. Amend Town Code – Virtual meetings on Election Day 51
40. Accept MGL for Town Clerk Certification Stipend 51
41. Amend Town Code - Minutes 52
42. Authorize Select Board to Petition Legislature – Pension Obligation Bonds 53
43. Appropriation for Tricentennial Committee 53
44. Establish Stabilization Fund for Assabet Valley Regional Vocational Technical School 53
45. Citizen Petition – Prohibit sale of 21 Highland St. Property until 1/1/2028 53
46. Citizen Petition – Prohibit sale of 21 Highland St. Property until 2033 54
47. Citizen Petition – Prohibit sale of 21 Highland St. Property until 1/1/2030 54
48. Citizen Petition – 2/3 Vote Threshold for Non-Municipal CPC Projects 55

Town Finance Terminology

The following terms are frequently used in the Advisory Committee Report and at Town Meeting. For your convenience, we provide the following definitions:

Surplus Revenue: (Often referred to as "Excess and Deficiency")
The fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

Available Funds: (Often referred to as "Free Cash")
The amount of the Unreserved Fund Balance (Surplus Revenue) account over and above uncollected taxes of prior years constitutes "free cash" or "available funds".

Overlay:
The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions as granted.

Overlay Reserve:
This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

Stabilization Fund:
An outside section of Chapter 138 of the Acts of 1991 (the FY92 State budget) modifies limitations on the Stabilization Fund appropriation process by enabling communities to appropriate from this fund for any non-capital, lawful purpose without Emergency Finance Board approval (section 333). Beginning in FY92, the Stabilization Fund will thus become a source of revenue for general operating expenses for communities.

The Stabilization Fund is a mechanism for setting aside money for capital projects. It equalizes the effect of capital expenditures over time, as capital appropriations can change considerably from year to year. The balance in the fund will build up during years when expenditures for capital items are low. During years with high capital expenditures, the community will transfer money from the fund to reduce the project's impact on the tax rate or the amount of borrowing required for the project.

A community may appropriate up to 10% of its tax levy each year, as long as the balance in the Stabilization Fund does not exceed 10% of the community's equalized valuation. Interest earned on any fund balance is retained as part of the fund.

Appropriations into a Stabilization Fund can be made at either an annual or special town or district meeting. Chapter 94 of the Acts of 1985 permits appropriations to be made from a Stabilization fund at a special town or district meeting, not just at the annual meeting. Regardless of the timing, appropriations from the Stabilization Fund require a two-thirds vote by the appropriating authority. Until the FY92 state budget, a community could only appropriate from the Stabilization Fund for a non-capital purpose with the approval of the Emergency Finance Board.

Reserve Fund:
This fund is established by the voters at the Annual Town Meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both. Transfers from the Reserve fund may be made only by the Advisory Committee and are for "extraordinary or unforeseen expenditures" only.

Conservation Fund:
For land purchases and any other conservation use.

Introduction to the Rules of Town Meeting

Southborough's Town Meeting is an open town meeting in which all registered voters may participate. Town Meeting is a deliberative assembly, conducted via a defined process, charged with considering a maximum number of questions of varying complexity in a minimum amount of time and with full regard to the rights of the majority, strong minority, individuals, absentees and all of these together. In other words, we gather for the purpose of conducting the Town's business thoughtfully and efficiently.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of one hundred (100) registered voters or more, the Clerk and the Moderator. Of these three, the quorum is the most important.

The Town Clerk is responsible for voter registration, certification of a quorum, setting up the hall and keeping the record of the proceedings. He may also officiate Town Meeting in the absence of a Moderator.

The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is the Moderator's responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT

All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Select Board. The primary and most important purpose of the Warrant is to notify voters in advance the nature of the business to be taken up at Town Meeting. By state law, Town by-law or custom, several business articles (such as budget appropriations) must be presented in the Town Warrant each year for consideration. Other items are added by warrant articles proposed by Town officials, committees, boards, or groups of ten or more registered voters. The Advisory Committee reviews the Warrant, making recommendations on all the items of business to be presented. In accordance with the Town by-laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes to change the order for reasons that reasonable people would entertain.

PARTICIPATION

Any voter wishing to participate in Town Meeting must go to one of the floor microphones and wait to be recognized by the Moderator. Upon recognition by the Moderator, first state your name and address, and then state your business.

Anyone whose name is not on the list of registered voters requires the approval of either the Moderator or a majority of the Meeting to sit in the voting area.

All remarks shall be limited to the subject then under discussion. It is improper to indulge in references to personalities, and all expressions of approval or disapproval, such as applause or booing, are out of order. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from Town Meeting.

Individuals who have a personal or financial interest with respect to a matter may speak or vote thereon but should frankly disclose their interest. However, no Town Meeting voter should accept compensation for participating without disclosing that fact.

There is no fixed time limit to the debate of any question. However, out of consideration for the others in attendance and the need to give adequate time to all matters coming before Town Meeting, each individual who speaks should make an effort to be as brief as possible and avoid repeating facts, views or opinions already expressed by others.

Anyone wishing to make a presentation with respect to any article must, prior to Town Meeting, obtain the Moderator's approval.

In order to give all a fair opportunity to speak, no one who has addressed any particular motion shall speak again, except to answer questions, until all others wishing to speak to the motion have done so.

HOW ARE MOTIONS CLASSIFIED?

Main Motions
Motions of this group are for the bringing of questions, or propositions, before Town Meeting for consideration. Only one main motion can be considered at a given time, and once introduced such a motion excludes all other main motions until it has been disposed.

Subsidiary Motions
Motions of this group are for the modification or disposition of the main motion that is being considered. Their existence as motions depends entirely upon the principal motion to which they are subordinate. Since they relate to the question then under consideration, it is in order to propose them when a main motion is pending and to vote upon them before voting upon the main motion.

Privileged Motions
Motions of this group have no connection whatsoever with any main motion, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business then before Town Meeting.

Incidental Motions
Motions of this group have few characteristics in common, but for convenience have been grouped into one class. The name "incidental" applies because they arise only incidentally out of the business of Town Meeting.

RULES RELATIVE TO MOTIONS

A motion is the means of bringing a proposal or question for consideration by Town Meeting. When first put forward it is a motion; after it is seconded and acknowledged by the Moderator, it becomes the question or proposal. Except for complimentary resolutions (the presentation of which must be approved in advance by the Moderator), no main motion shall be entertained unless its substance is contained within the scope of a Warrant article. Upon completion of debate, articles will be voted upon.

The Moderator shall determine whether a motion, or any discussion relative to a motion, is within the scope of the Warrant article under consideration. That is, the motion and the debate must be relevant to the article as written in the Warrant, since the purpose of the Warrant is to apprise voters of the actions to be taken at Town Meeting.

Articles only give notice to the voters and do not initiate action; motions do. Motions may be withdrawn; articles may not be withdrawn – articles must be acted upon by Town Meeting.

There are four types of amendments: striking out, inserting, striking out and inserting, and substitution. Motions to amend may be hostile as long as they are germane. An amendment to a motion is an amendment of the first rank; an amendment to an amendment is of the second rank; there can be no amendment beyond that of the second rank.

Some motions do not lead to a final determination by Town Meeting. A motion to commit or to refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to table which only temporarily delays a vote. As previously stated, articles may not be withdrawn; so when the Meeting does not wish to act on a particular article, the proper motion is to postpone consideration indefinitely.

Motions to reconsider shall be entertained when new information is available that is materially different than was presented (or could have been presented) at the time of the original vote on the article. Articles may be reconsidered only once. If a motion to reconsider is passed by the necessary 2/3 vote, it brings the original article back to the floor (which requires a new motion and additional debate); if the motion to reconsider is defeated, then the original article stands as previously voted and may not be reconsidered again. Actions to reconsider can be taken at the same session or any subsequent session of Town Meeting. A notice of reconsideration may be filed in advance with the Town Clerk stating that, at a specific point during the current Town Meeting, a voter will move for reconsideration on a particular article, and the Moderator will inform the hall of said action. Note that such a motion so noticed in advance must still be in order (i.e., must comply with all conditions required of any reconsideration motion).

All motions other than purely procedural motions must be in writing and signed by the sponsor.

CHART OF PRECEDENCE OF MOTIONS AND SUMMARY OF GOVERNING RULES

	May interrupt a speaker	Req. a sec.	Debatable	Vote Required	Motions that may apply
PRIVILEGED MOTIONS					
1. To dissolve	no	yes	no	majority	none

18. Suspend the Rules	Mr. Moderator, I move to suspend the rules which interfere with...
19. Take from the Table	Mr. Moderator, I move to take from the table the motion relating to...

INTERRUPTING A SPEAKER

No one may interrupt a speaker except for a point of order or a question of privilege.

POINT OF ORDER

A point of order if a question of the Moderator about whether the speaker is entitled to be speaking, or whether the current subject under discussion (or what the speaker is saying) is irrelevant, illegal or contrary to proper procedure. No other “point of order” is proper.

PREVIOUS QUESTION

To call or move the question is a request to stop discussion and to take an immediate vote. This requires a 2/3 vote.

VOTING

At the Moderator’s discretion, voting may be via electronic devices for some or all of the articles. Instructions and procedures will be made available for all voters attending Town Meeting. If electronic voting is not employed, voting is by hand vote and the Moderator declares the result of such votes. If seven or more voters immediately question the declared result, the Moderator shall determine the result by a standing count of votes by the Tellers. After the vote counted by the Tellers is presented to the Moderator and announced to the floor, any further motions for recount are out of order.

ADJOURNMENT AND DISSOLUTION

Sessions of Town Meeting normally adjourn at eleven o’clock in the evening but may adjourn at such earlier or later time as vote of the majority may determine. Town Meeting shall not dissolve until all articles in the warrant have been properly considered.

ANNUAL TOWN MEETING

Worcester, ss. March 4, 2024

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the Inhabitants of the Town of Southborough qualified to vote in town affairs, to meet in the Trottier School Auditorium, 49 Parkerville Road, in Southborough, MA, on

Saturday, March 23, 2024

at ***10:00 a.m.***, then and there to take action on the following Articles:

ARTICLE 1: To see if the Town will vote to endorse the acceptance of any sum of money from St. Mark's School, Fay School, Harvard Medical School, L'Abri Fellowship, The New England Center for Children, and any other contributor and deposit same amount in the Town's treasury for use as directed by any such donor, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *To allow the Select Board to accept donations from Tax Exempt organizations and determine the disposition of funds.*

ARTICLE 2: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Select Board, to borrow from time to time in anticipation of revenue of the financial year beginning July 1, 2024 in accordance with the provisions of Massachusetts General Laws, Chapter 44, and to issue a note or notes as may be given for a period of less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17 as amended, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows the Town Treasurer to short-term borrow in anticipation of revenue.*

ARTICLE 3: To see if the Town will vote in accordance with the provisions of Massachusetts General Laws Chapter 30B, Section 12(b), to authorize the Select Board or the Superintendent of Schools to solicit and award contracts for terms exceeding three years, but no longer than seven years, including any renewal, extension or option, provided in each instance the longer term is determined to be in the best interest of the Town by a vote of the Select Board or the School Committee, as appropriate, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Board Recommendation: Support
Summary: *This article allows the Select Board and/or the School Committee to enter into contracts in excess of three years, if deemed in the best interest of the Town to do so. This has been an annual article, and the exemption has been limited to contracts of no more than seven years.*

ARTICLE 4: To see if the Town will vote to accept the Personnel Salary Administration Plan, as specified in Chapter 31 of the Code of the Town of Southborough, entitled: PERSONNEL.

PERSONNEL BYLAW
ENTITLED "THE SALARY ADMINISTRATION PLAN"
[revised at March 23, 2024 Annual Town Meeting]

Effective July 1, 2024, this bylaw establishes a Salary Administration Plan for the Town of Southborough that (i) groups position classifications in Town services, (ii) establishes salary schedules and employee benefits and (iii) establishes and authorizes the Personnel Board to administer the bylaw to provide oversight and guidance to the Town Administrator in the development and maintenance of personnel policies and regulations, and to represent the interest of both the taxpayers and the Town employees.

This Salary Administration Plan applies to the positions of all officers and employees in the service of the Town, whether full-time, part-time, temporary, seasonal, special or any other, except those positions filled by popular election, under the direction and control of the School Committee, performed pursuant to a contract approved by the Town, encompassed in any officially recognized labor union and/or association, or exempted by statute. The positions covered by this Salary Administration Plan are hereby classified by titles in the groups listed in Schedule A through E ("Classification Schedule") as set forth in Section 20 of this bylaw.

The classification of positions subject to the Massachusetts Welfare Compensation Plan (as amended) and the scheduled rates therefor, as well as the applicable provisions of the Massachusetts General Laws relating to the application of rates set forth in the aforementioned Welfare Compensation Plan are hereby incorporated by reference.

SECTION 1. DEFINITIONS

As used in this bylaw, the following words and phrases shall have the following meanings:

"Administrative Authority" means the elected or appointed official or board having jurisdiction over a function or activity.

"Base Pay" means the compensation paid by the Town of Southborough for the purposes of determining retirement credits and contributions for Town employees.

The Town shall contribute funds as required for each eligible employee in accordance with the procedures and formula established by the Worcester Regional Retirement System and the bylaws of the Town of Southborough. Contributions shall include (i) wages earned during the first eight hours worked in any one day (no contributions shall be made for hours worked in excess of 40 per week,**)** (ii) any lump sum bonus that is guaranteed by the Salary Administration Plan or the Bylaws of the Town, (e.g., longevity pay); (iii) vacation pay, except when paid in lieu of taking vacation; (iv) sick pay; and (v) holiday pay.

"Class" means a group of positions in the Town service sufficiently similar with respect to duties and responsibilities such that for each position the same (i) descriptive title may be used, (ii) qualifications shall be required, (iii) tests of fitness may be used to choose qualified employees and (iv) scale of compensation can be equitably applied.

"Classification Schedule" means any of Schedules A, B, C, D and E of Section 20 hereof.

"Compensation Grade" means a range of salary/wage rates as may appear in the Classification Schedules.

"Continuous Full-Time Service" means employment requiring a predetermined minimum work period that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Continuous Employment" means full-time or part-time employment that is uninterrupted except for authorized leaves (e.g., vacation, sick, etc.).

"Department" means a functional unit of Town government.

"Department Head" means the person appointed and responsible to carry out the duties of a Department.

"Exempt employee" means an employee who is not entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"Full-Time Employment" means employment for not less than 20 hours per week for fifty-two weeks per annum, excepting authorized holidays and leave periods.

"Group" means a group of classes as may appear in the Classification Schedules.

"Maximum Rate" means the highest compensation rate to which an Employee is entitled.

"Minimum Rate" means the lowest rate in a Range, and is normally the hiring rate of a new employee.

"Non-exempt employee" means an employee who is entitled to overtime pay under the Fair Labor Standards Act (FLSA).

"On-Call Compensation" refers to additional money paid to an employee who is available to work when the need requires oftentimes in an evening or weekend capacity.

"Part-Time Employment" means employment less than 20 hours per week.

"Position" means an office or post of employment in the Town service with duties and responsibilities calling for the Full-Time or Part-Time employment of one person in the performance and exercise thereof (or of more than one person sharing the same position).

"Position Class" means the same as "Class" (note that a class may include only one position, in which event it is defined as a "single position class").

"Probationary Employee" means a first-time Town employee within his/her first six months of employment, or longer if extended.

"Promotion" means a change from one position to another position in a higher class and/or compensation grade.

"Range" means the difference between minimum and maximum rates of an assigned grade.

"Rate" means the measure of compensation for personal services on an hourly, weekly, monthly, annual or other basis.

"Salary Administration Plan" means the Personnel Bylaw Entitled "The Salary Administration Plan."

"Single Rate" means a rate for a specific position class that is not in a designated range

"Start Date" means the first day of employment with the Town.

SECTION 2. POSITION TITLES

No person shall be appointed, employed or paid in any position under any title other than those of the Classification Schedule for which the duties are actually performed. The position title in the Classification Schedule shall be the official title for all purposes, including payrolls, budgeting and official reports.

SECTION 3. NEW OR CHANGED POSITIONS

No new position shall be established, nor the duties of an existing position so changed that a new level or work demand exists, unless upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall (a) approve an appropriate job description, (b) rate such new or changed position, and (c) allocate it to its appropriate classification grade and establish the rate thereof.

SECTION 4. RECLASSIFICATION OF EMPLOYEES

No position may be reclassified to another grade, whether higher or lower, unless the Personnel Board shall have determined such reclassification is consistent with this Salary Administration Plan.

SECTION 5. JOB DESCRIPTIONS

The Personnel Board shall maintain such criteria as it deems appropriate for the positions and classes in the schedules. Each department or public body (board, committee, commission) with SAP employees shall maintain current job descriptions for such employees. All such job descriptions and any revisions thereto must be submitted to the Personnel Board for approval following review and approval by the Select Board or appropriate public body. The criteria for any class shall not be deemed to limit the duties or responsibilities of any position as set forth in the job description, nor to affect in any way the power of any administrative authority to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 6. COMPENSATION

a. The bi-weekly pay period shall begin at 12:00 a.m. Thursday and shall end at 11:59 p.m. on the following second Wednesday.

b. Non-exempt employees subject to this Salary Administration Plan shall be paid for one and one-half hours worked for any hour worked in the excess of forty in their weekly pay period, provided such extra hours were authorized by the Department Head.

c. The salary schedules set forth in Schedules A, B, C, D and E of Section 20 hereof reflect the maximum and minimum salaries for each grade.

d. The annual salary set forth in Schedule A represents a 40-hour work week and in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated annual salary is pro-rated reflective of the posted salary schedule in Schedule A.

e. Amounts paid to employees in reimbursement for expenses incurred in the performance of their duties (e.g., mileage, meals, dues, etc.) shall be paid in addition to their compensation. Reimbursement shall be based upon the actual documented expenditure made by the employee, or at rates established by the Internal Revenue Service, supported by that agency's requirements for documentation.

f. On-Call Compensation: The on-call member of the Facilities Department shall be eligible to earn a weekly stipend for on-call service if the department head has required them to be available to respond to situations outside of their normal work schedule. This weekly stipend shall be equal to a set rate of $300 per week. If the on-call staff member must report to work outside of their normal work schedule, compensation for this time shall be based on the standard SAP overtime practices. Additionally, if the on-call staff member is faced with a situation that renders them unable to serve as the on-call individual on a particular day that they are scheduled to be on call, said employee may request that another eligible staff member cover their on-call time, with the approval of the department head. In such an event, the regularly scheduled employee's weekly stipend will be reduced by $45.00 per day that they are unable to be on call; this stipend amount will instead be paid to the covering employee per day of coverage. There is no provision to accrue compensation time in lieu of payment for on-call time.

SECTION 7. SALARY ADJUSTMENT & COMPENSATION POLICIES

a. Every employee that is in Continuous Full-Time or Part-Time service of the Town, as computed from the date of their latest employment, shall be eligible for consideration of a salary increase annually on July 1. Employees hired between April 1 and June 30 will be eligible for a salary increase the July 1st following their twelve-month anniversary. Except as may be authorized by the Personnel Board in exceptional circumstances, such increase is not to exceed one increase in any single twelve-month period until the maximum of the grade is obtained, and such increase shall be subject to the recommendation of the Department Head, with the approval of the Select Board or their designated appointee in the case of departments within the jurisdiction of the Select Board, or the appropriate Commissioners or Trustees in the case of departments outside the jurisdiction of the Select Board.

Retroactive salary increases voted by the Personnel Board shall not be compensated beyond July 1 of that fiscal year, regardless of the funding mechanism.

Unless specifically exempted by Personnel Board policy, requests for salary increases must be accompanied by a certification from an employee's manager that the employee's performance has been "satisfactory" or better and that a written employee performance appraisal, on a form approved by the Personnel Board, has been completed. The form of this certification will be prescribed by Personnel Board policy promulgated hereunder. Upon receiving such documentation, the Personnel Board shall have final review and approval of all adjustments.

An employee may appear before the Personnel Board prior to its action on any request for an increase. Any employee denied such an increase may appeal, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

b. Special Non-Continuous Part-Time employees and employees in Schedule B classifications shall be eligible for consideration for salary increases upon the recommendation of the appropriate department manager or Board and approval of the Personnel Board.

c. Probationary Employees

1. During the probationary period, benefit eligible employee(s) will earn vacation, sick and personal time in accordance with Section 11(b-d) hereof.

2. During the probationary period, paid leave accruals shall be based on the Start Date.

SECTION 8. TRANSFERS AND PROMOTIONS

a. An employee who is promoted to a job with a higher range or rate of pay shall enter it at the rate recommended by the Department Head with the approval of the Personnel Board, provided the maximum for the job is not exceeded. This is contingent upon the Department Head's recommendation that qualifications and performance warrant it.

b. An employee transferred to a job with a lower range or rate of pay shall enter it at the rate paid for the previous position or at the maximum rate for the job, whichever is the lower, provided the Personnel Board approves. The employee shall have a right to appeal this decision, in writing, to the Personnel Board, which shall confer with the employee, the Department Head and the Select Board or their designated appointee, or the appropriate Commissioners or Trustees, and shall decide the matter.

SECTION 9. NEW PERSONNEL HIRING; DEPARTURES

a. Pre-employment physical examinations will be required of newly-hired employees consistent with the Town's policies.

b. Probationary period: For new hires, the first six months of employment shall be a probationary period. The probationary period does not apply to Town employees who change positions within the Town. The probationary period is a time during which an employee will be evaluated to ensure that the employee has the requisite knowledge, skills, and abilities to perform the position (with or without reasonable accommodations). Completing the probationary period does not change the employee's relationship with the Town, which will remain one in which either the employee or the Town may terminate the relationship at will. The probationary period may be extended by a Department Head [or Appointing Authority] when deemed necessary.

c. A new employee's hiring rate shall be the minimum of the rate range of the job, unless otherwise authorized by the Personnel Board or Personnel Director. The Personnel Board is cognizant of the need to make timely decisions during the recruitment process, therefore, the Personnel Director is empowered to set starting salaries for new employees with comparable experience up to Step 8 for the appropriate job grade as set forth in Schedule A of the Salary Administration Plan.

d. The Personnel Director or his/her delegatee shall notify the Personnel Board in writing of the hiring

of all personnel and their hiring rates. The Personnel Director or his/her delegatee shall also notify the Personnel Board in writing of the departure of any employee.

SECTION 10. DEPARTMENT BUDGETS

Each Department Head shall include in the annual departmental budget a pay adjustment section to provide funds for anticipated pay adjustments, with expenditures to be made only in accordance with this Salary Administration Plan and with the approval of the Personnel Board. Degree bonus [Sec 11i(1)] funds shall also be budgeted in the departmental budget.

SECTION 11. EMPLOYEE BENEFITS

Employee benefits are a cost to the Town and a form of "indirect pay" to employees. The benefits listed below are not intended to supersede what State or Federal law may otherwise require. The benefits set forth in this section are applicable to Full-Time employees only, except where noted.

All forms of paid leave set forth in this section are based on a 40 hour work week; in the event an employee works less than 40 hours per week but more than 20 hours per week, the indicated benefit shall be pro-rated reflective of the approved hours per week for that position.

a. Holidays with Pay

Full-Time employees shall receive one day's pay at their regular rate for the following:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veteran's Day
Patriot's Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	Day before or after Christmas Day (as set by the Town annually

To be eligible for holiday pay, an employee must work (or be duly excused from working) their regular scheduled days preceding and following the holiday. Employees who do not work 20 hours or more per week on a regular basis shall not be compensated for holidays.

Employees whose regular day off falls on a holiday may have one day off with pay within the ensuing thirty days in lieu of holiday pay, with the specific choice of day subject to Department Head approval**.** Furthermore, the day granted in lieu of holiday pay shall not cross fiscal years.

All administrative policies and practices relative to holidays with pay shall be prepared and established under the direction of the Personnel Board.

b. Vacations with Pay

(1) Full-Time employees who have been in the continuous employ of the Town shall earn paid vacation in accordance with the following schedule:

Years of Employment	Hours Earned Per Month	Vacation Earned Per Year (Pro-rata)
0 - 2	6.666	Two weeks
2+ - 7	10.0	Three weeks
7+ - 15	13.333	Four weeks
15+ - or more	16.666	Five weeks

Employees hired prior to July 1, 2005, shall be eligible to earn twenty hours per month after serving twenty years of full-time employment with the Town.

(2) At the recommendation of the hiring authority and upon the approval of the Personnel Board, new employees entering into a position with the Town of Southborough from a similar position will be allowed to enter into the vacation schedule using their years of service from their prior employment, up to a maximum of four weeks' vacation [pro-rated] for the first year of employment with the Town.

Vacation shall be granted by Department Heads at their discretion subject to the regular work needs of the Department. An employee shall be permitted to carry over to the following year one year's worth of earned vacation. Employees hired on or after July 1, 2023, shall be permitted to carry over a maximum of two weeks to the following fiscal year. The employee must have the Department Head's approval to take any portion of a prior year's unused vacation in addition to the days earned in the current fiscal year. Employees commencing employment with three weeks per year will be required to complete two years of service before ascending to the next band (four weeks) in the vacation schedule chart and seven years of service before ascending to the following band. Awarding four weeks should be the exception based on evidence that the employee is leaving another position that already provides this benefit. Employees commencing employment with four weeks per year will be required to complete five years of service before ascending to the next band (five weeks).

(3) If in the opinion of the Department Head there are unusual work-related circumstances that warrant it, a department head may seek approval from the Town Administrator or his/her delegatee to allow the employee to continue to work and receive vacation pay in lieu of taking vacation. Approval granted in this section may not exceed ten days per fiscal year.

(4) In the event of termination of employment the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation time. Personal and sick leave shall not be compensated at termination.

(5) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

c. Sick Leave

(1) Full-Time employees shall be entitled to accrue 10 sick hours per month, equaling 120 hours annually (15 sick days); employees working less than 40 hours in a weekly pay period will accrue ratably based on hours worked per week. Pay for each day of sick leave shall be at the regular rate. Absences on account of sickness in excess of that authorized shall be charged to vacation or other available paid leave. Sick leave shall be payable only in cases of genuine illness, non-work connected accident, or work connected accidents not covered by Massachusetts General Laws Chapter 152 (Workers' Compensation).

(2) Unused sick leave may be accumulated without limitation for employees hired before July 1, 2007. Employees of the Town of Southborough hired on or after July 1, 2007 may only accrue 120 sick days at any one time. At retirement [or death] only, the Town will pay the employee twenty percent (20%) of the employee's then-accumulated sick leave. Employees of the Town of Southborough hired on or after July 1, 2023, will not be subject to any payout of accumulated sick leave.

(3) Employees who because of genuine illness or a non-work connected accident are absent for a period of more than three days shall be required to present a doctor's certificate to their Department Head before returning to work stating the reason, the period of time the employee was absent and whether there are any physical restrictions or required outpatient services the employee must adhere to in the workplace.

(4) Annually, an employee may use up to seven of the allowed fifteen days of sick leave for the care of a sick family member.

(5) Sick leave administrative policies and practices shall be prepared and established under the direction of the Personnel Board.

d. Personal Days

Full-Time employees shall be entitled to three personal days per year, to be granted annually on the anniversary of the employee's Start Date. New employees shall be granted three personal days which shall be pro-rated based on hours worked per pay period. Requests for personal days shall be approved by the

Department Head. Personal days shall not accumulate from year to year.

e. Military Leave

(1) Reserve Duty: An employee in full-time employment in the military reserve shall be paid the difference between compensation received while on reserve duty and regular compensation rates paid the employee by the Town. Such payment by the Town shall be limited to a period not to exceed two weeks in any twelve-month period.

(2) Active Duty: Pursuant to Article 8 of the April 11, 2005 Annual Town Meeting, an employee in the federal military reserve or a state National Guard who is called to active service shall be entitled to their regular base salary and shall not lose any seniority or paid leave benefits while on military leave; *provided*, however, that such base pay shall be reduced by any amount received from the United States as pay or allowance for military service performed.

f. Jury Duty

Any employee who is called to jury duty shall be paid the difference between their normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

g. Miscellaneous Paid Time Off

Working time lost from regularly scheduled work days for reasons listed below shall be without loss of pay, provided such lost time is authorized by the Department Head. Sections (1) – (3) are applicable to Full-Time employees only; Section (4) is applicable to both Full-Time and Part-Time employees.

(1) Bereavement leave – In the event of the death of a spouse, father, mother, child, father-in-law, mother-in-law, brother, sister, grandparent, or of any other person then residing with the employee, such employee shall be entitled to receive three days' leave for the purpose of the funeral and services of the deceased. If out-of-state travel is required, the Department Head may authorize up to two additional days of travel time.

(2) Medical examination or inoculation required by the Town.

(3) Blood donation authorized by the Department Head.

(4) Attendance at professional and/or educational programs authorized by the Department Head.

h. Court Time Pay

If the Town requires that an employee appear in Court as a witness or in any other capacity arising from the performance of the employee's duty, or on behalf of the Commonwealth or the Town in any civil or criminal case pending in any Court or other official governmental board or agency, such appearance and related travel time shall constitute work time for purposes of calculating weekly hours worked. If such appearance or related travel time causes a non-exempt employee to exceed forty hours of work in any given work week, the employee shall be eligible for overtime pay in accordance with Section 6(b). This section does not apply to exempt employees.

i. Employee Educational Support/Professional Development

(1) Degree Bonus: All Part-Time and Full-Time employees who, while an employee of the Town, earns a degree in a field applicable to their position from an accredited college or university, shall receive a one-time bonus subject to appropriation, according to the following schedule:

Associates Degree... $ 800.00
Bachelors Degree.. $1,200.00
Masters Degree..... $1,500.00

A copy of the completed transcript, diploma or other appropriate evidence of the completed degree must be presented to the Department Head and the Personnel Board, and shall be submitted as documentation for accounts payable.

(2) Tuition reimbursement: the Town may offer tuition reimbursement to eligible Full-Time and Part-Time employees as prescribed by Personnel Board policy enacted under this Bylaw.

j. Group Medical Insurance

Starting July 1, 2009, the Town will contribute fifty percent (50%) of the cost of a medical indemnity plan or seventy-five percent [75%] of the cost of a Health Maintenance Organization plan for Full-Time employees only.

SECTION 12. UNPAID LEAVES OF ABSENCE

a. A leave of absence without compensation may be granted by the Personnel Board.

b. Leaves of absence of over three months' duration (except Military Leave) shall be deemed a break in employment, and on return to work the employee shall have the status of a new employee unless an extension of leave beyond three months was authorized by the Personnel Board.

SECTION 13. PART-TIME EMPLOYEES WORKING FULL-TIME HOURS TEMPORARILY

a. A Part-Time employee may work 20 hours or more per week for no longer than two bi-weekly pay periods, or four bi-weekly pay periods in the case of an Election Worker during an election cycle, if requested by their Department Head due to exigent circumstances, or for longer if recommended by the appointing authority or the Personnel Director, with the authorization of the Finance Director and approval of the Personnel Board. In such cases, the employee will remain a Part-Time employee with no change in status.

b. Department Heads may submit requests for additional compensation for Part-Time employees temporarily working Full-Time hours, subject to available funding as authorized by the Finance Director and approved by the Personnel Board.

SECTION 14. APPOINTMENT OF “ACTING” DEPARTMENT HEADS

a. In the absence or retirement of a Department Head for three consecutive weeks, the Select Board or appropriate board or commission may appoint an “Acting” Department Head to serve for a period of not more than three months. Such three-month period may be extended for up to three additional three-month periods, upon the approval of the Select Board or other appropriate board or commission for each such extension. In no case shall an appointment of an “Acting” Department Head exceed one year.

b. Duly appointed “Acting” employees shall be compensated at an additional 10% per week, payable retroactively only upon the conclusion of three consecutive weeks of service by the “Acting” employee. Such employees shall still be eligible for overtime pay when fulfilling regular duties from the previous job beyond normal working hours.

SECTION 15. PERSONNEL BOARD

a. There shall be a Personnel Board to administer the Salary Administration Plan. Said Board is to be appointed by the Town Moderator. The Board shall consist of five voters other than employees of the Town or those regularly serving the Town in any elective capacity. They shall serve without compensation.

b. Other than as may be needed to fill unexpected vacancies, appointments shall be for three years. The Moderator shall fill any vacancies. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds therefor.

SECTION 16. DUTIES OF THE PERSONNEL BOARD

a. The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of the Plan.

b. The Town Administrator serves as the Town’s Personnel Director under the Town Administrator Bylaw [Ch. 27, Art. IX]. As such, the Personnel Director is invested with personnel authority and responsibilities as set

forth therein. From time to time, and as may be necessary, the Personnel Board will consult and/or act in concert with the Personnel Director or his/her delegatee on matters of joint responsibility and concern. The Personnel Board shall provide oversight and guidance to the Personnel Director in the development and maintenance of personnel policies and regulations.

c. The Board shall meet annually in July and organize by the choice of a Chair and Vice-Chair. The Board shall meet at least monthly, except when there is no business before the Board. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

d. The Personnel Board shall maintain records of all employees subject to this Plan as it deems desirable, including personnel evaluations. Such records are to be kept by the Personnel Director or his/her delegatee, under the direction of the Personnel Board. Department Heads shall furnish such information as requested by the Board.

e. The Personnel Board shall from time to time, but no less often than every federal Election Year, review the Classification Schedule, Salary Schedules, and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the Town, and shall recommend to the Town any action that the Board deems desirable in that regard. The Personnel Board may tentatively add a new class to the Classification Schedule or reallocate an existing class to a different compensation grade, either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting.

f. The Personnel Board may vote an annual adjustment (but shall reserve the right to vote no adjustment) to the Classification Schedule and establish the effective rate for employees of each grade for the next fiscal year, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next Annual Town Meeting. The Personnel Board shall base any annual adjustments upon available relevant information. Approval of the rate for any given employee is not guaranteed and is driven by the annual performance evaluation.

g. Matters of concern by SAP employees that are communicated in writing to the Chair of the Personnel Board will be scheduled on an agenda at the next available meeting providing all necessary and requested information has been submitted in time to be part of the meeting packet. In addition, notice in writing shall be forwarded to the concerned employee and respective Department Head within seven days of the Board's decision. Notwithstanding the foregoing, if the Personnel Board shall so request and the concerned employee and Department Head shall agree, a reasonable extension of these time periods may be granted.

h. Upon recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, the Board may authorize variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the Town, and to effectuate the basic intent of the Plan.

SECTION 17. EMPLOYEES AND THE PERSONNEL BOARD

a. All employees covered by this Salary Administration Plan shall have the right to request an appointment to confer with the Personnel Board on any matter of interest or concern to them that is covered by the Salary Administration Plan. The employee shall notify the Department Head in writing in advance of the desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and good will with the personnel of the Town.

b. To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, the employee shall first discuss the matter with the Department Head, in a mutual effort to clear up any problems or misunderstanding.

c. If two weeks after such a conference a satisfactory understanding and solution of the problem has not been reached, then either the Department Head or the employee may take the matter to the Personnel Board, and the Board shall hear the parties not later than at its next regular meeting. There shall be no discrimination or prejudice by a Department Head against any employee who may take a matter to the Board.

SECTION 18. AMENDMENT OF THE PLAN

The Salary Administration Plan may be amended in the same manner that Town Bylaws may be amended. However, no amendment to the Plan shall be made until it has been presented to the Personnel Board and the Personnel Board has the opportunity to act on it. The Board of its own motion may propose an amendment to the Plan.

SECTION 19. SEVERABILITY PROVISION

In the event that any provision of this bylaw, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this bylaw.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The article includes recommendations from both the Select Board and the Advisory Committee for the FY25 budget. Funding recommendations are noted in the individual recommendation columns for each department.*

ARTICLE 6: To see if the Town of Southborough will vote to raise and appropriate or transfer from available funds a sum of $289,414.00 to the Police Department Budget, #210 for the purpose of hiring four full-time dispatchers to provide coverage 24/7, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation: At Town Meeting
Advisory Committee Recommendation: Not Support
Summary: *Over the past two and a half years the Town has been exploring joining a Regional Emergency Communications Center (RECC). Now is the time to address the immediate need. This is NOT a clerical job. Dispatchers provide critical emergency communication services to Police, Fire, EMS, Public Health, DPW, School Departments, Building Departments, Youth and Family Services, Senior Services, Recreation, State Police, Court, Commonwealth of Mass. Properties, Dam, MBTA Station,9-11 Field, Reservoir trails, Businesses and private non-profits.*Select Board Packet, March 7, 2023, Office of the Select Board, the original intent of looking at Regional Emergency Communications Center (RECC) was not for financial purposes for Southborough. There has been consensus that maintaining 1 dispatcher per shift is not acceptable. However, there have been questions raised about the costs. Three different scenarios of future dispatch costs with assumptions outlined in memo. * Select Board Meeting Minutes, December 19, 2023, III.i.ii. Chief Achilles & Chief Newell recommendation for maintaining current model Chief Newell and Chief Achilles shared their findings on enhancing the current dispatch operation system. "The Chiefs state that whether or not the Town chooses to regionalize, the immediate need is to add four full-time dispatchers to provide coverage 24/7."*

ARTICLE 7: To see if the Town of Southborough will vote to raise and appropriate, or transfer from available funds a sum of $119,372.00 for the purpose of covering the Employee Benefits for the additional four full-time dispatchers, or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF, ET AL.
Select Board Recommendation: At Town Meeting
Advisory Committee Recommendation: Not Support
Summary: *These Employee Benefits funds for the additional four full-time dispatchers will be applied to the Employee Benefits Budget, #910, as standard practice in Southborough.*

ARTICLE 8: To see if the Town of Southborough will vote to

1. Restate the request, approved at Annual Town Meeting 2023, that the Select Board, not enter into any IMA for Regional Dispatch without first presenting the principal terms thereof to Town Meeting for its recommendation thereupon
2. Request that the Select Board not enter into any IMA containing annual budgetary, or debt, approval terms that substantially circumvent, or fail to include, Town Meeting's financial approval requirements as contained in the provisions of the longstanding Regional School Agreement.
3. Request that the Select Board not enter into any IMA for Regional Dispatch before the Technology Committee has reported to Select Board and Town Meeting regarding the feasibility of creating virtual dispatch regions to provide similar coverage redundancy using substantially existing technology, while maintaining a 24 hour per day seven day per week physical presence at the Public Safety Building at no additional cost to the Town.
4. Recommend that Select Board recognize the necessity of full cooperation between Town governing bodies for successful operation of the Town. Advise the Select Board that, while the foregoing are merely requests, and Select Board is not bound to observe these requests, it is noted that the Select Board's annual request for its budget is similarly not binding on Town Meeting, further that Select Board disrespect for recommendation 2, circumventing centuries of taxation control by Town Meeting, may provoke a similar reaction by Town Meeting toward subsequent budgetary requests for Select Board, and that cooperation is far better if observed in both directions.

; or do or act anything in relation thereto.

Proposed by: BONNIE PHANEUF and JOHN BUTLER
Select Board Recommendation: At Town Meeting
Advisory Committee Recommendation: Not Support
Summary: *This is a citizen's petition.*

ARTICLE 9: To see if the Town will vote to raise a sum of money as may be necessary for the Water Enterprise Fund's use for Fiscal Year 2025, and make appropriations of the same, as detailed following, or do or act anything in relation thereto.

WATER ENTERPRISE	FY 2022 ACTUAL	FY 2023 ACTUAL	FY 2024 BUDGET	FY2025 REQUEST	PERCENT (+) or (-)
DIRECT COSTS					
51000-51990 Total Personal Services	319,953	387,136	399,116	435,159

TOTAL WATER FUND	2,705,695	2,521,736	2,804,097	3,121,857	11.33%

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Water budget is funded through an Enterprise Fund that is supported entirely through the water rates and the fund's retained earnings, which supports all aspects of the department's operation. The funding for those capital items that are being leased/purchased for use by the Water Department, in whole or in part, are included in this budget.*

ARTICLE 10: To see if the Town will vote to transfer $100,000 from Water Retained Earnings for use in the FY24 Water Enterprise Fund budget, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article is intended to supplement the water revenue for the current fiscal year in the Water Enterprise Fund. FY24 has seen lower than expected water usage, and the use of retained earnings will complement the revenue from water rates and provide sufficient support for the Water Enterprise Fund.*

ARTICLE 11: To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money for General Government capital items for the following purposes:

	Description	Request	Levy	Receipts Reserved Ambulance/Other
A.	ROAD MAINT. & MISC STREET REPAIR	$272,500	$272,500	
B.	MOWER ATTACHMENT J DEERE TRACTOR	$20,630	$20,630	
C.	POLICE CRUISERS (2)	$150,000		$150,000
D.	DEFIBRILLATORS - PARAMEDIC	$50,000	$50,000	

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:
A. *These funds are for public roadway infrastructure and related design, permitting, maintenance, repair and construction throughout town. These are expended in conjunction with Chapter 90 roadway improvement funding from the Commonwealth. Prior to committing any FY25 Road Maintenance Funds, a formal plan for the anticipated use of these funds shall be presented to the Capital Planning Committee in a posted public meeting. The Capital Planning Committee will then vote to support or make suggested changes to the Select Board and the DPW Director.*
B. *This request replaces a 2009 Flail Mowerhead for the John Deere tractor for roadside mowing. This mower head replacement is needed immediately for uninterrupted service this upcoming year.*
C. *This funds the planned replacement of two front-line cruisers with two police utility vehicles. This is a scheduled rotation that would move the older cruisers with higher mileage out of the active rotation of front-line cars to detail vehicles. The new vehicles would replace 2 front line cruisers, both are 2019 Ford Explorers with approx. 100,000 miles each.*
D. *This request is to replace the existing 12-year-old Cardiac Monitor/Defibrillators that are no longer upgradable or repairable with the newest model Monitor/Defibrillators available. This upgrade will improve the Fire Department's ability to continue to provide the latest Advanced Life Support care to the patients we serve.*

ARTICLE 12: To see if the Town will vote to apply for, accept, and expend Massachusetts Public Library Construction Program ("MPLCP") grant funds if approved, and vote to raise and appropriate or transfer from available funds the sum of $150,000, or any other sum if said MPLCP grant is approved, said sum to be expended by the Town for library assessment, planning, feasibility and/or design, or act in any manner relating thereto, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The Southborough Library is actively applying this year to the Massachusetts Public Library Construction Program (MPLCP), a state grant administered by the MA Board of Library Commissioners (MBLC). The purpose of the grant is to provide financial support to municipalities for the improvement of library facilities. Municipal votes for approval of support and local funding are required prior to a project moving forward into each phase. The Planning and Design Phase funding is for activities related to the planning and designing of new, renovated, or expanded public library facilities in advance of a whole building project.*

ARTICLE 13: To see if the Town will appropriate $2,186,000, or any other amount, to pay costs of purchasing the following items of capital equipment, including the payment of all costs incidental and related thereto:

A.	Fire Tower Demo Truck	$1,300,000
B.	Ambulance A28	$551,000
C.	Trash Trailer	$125,000
D.	Sidewalk Tractor w/Attachments	$210,000

and to determine whether this amount shall be raised by borrowing or otherwise, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary:
A. *The Southborough Fire Department is seeking favorable consideration for funding to replace Tower 21; a 2010 Aerial Platform Truck with a new Aerial Ladder Truck. The current Tower has several costly repairs and improvements to be made if it is retained. The current aerial platform truck has some operational limitations that a shorter wheel-based aerial could reduce or eliminate. These are related to travel restrictions, residential driveway access, and topography. This request will support risk reduction measures to areas identified in the department's 2020 Community Risk Analysis / Standard of Cover Report.*
B. *Fire Department ambulance per the replacement schedule. This replaces a 2018 Ford F-550/Horton 4x4 ambulance (number A28).*
C. *This request would allow the DPW to replace a 1997 Transfer Trailer that has reached the end of its useful life. The replacement will allow the continued and uninterrupted service for the users of the transfer station facility.*
D. *This request is to replace an existing 2001 trackless sidewalk tractor that currently has 9,500 hours of use. It has reached the end of its useful life. Replacement will allow timely removal of snow from the sidewalks – for continuous and uninterrupted service.*

ARTICLE 14: To see if the Town will vote to appropriate a sum of money for the payments under existing capital lease agreements as described below:

	Equipment	Authorized Department	Source of Appropriation	FY25 Amount
A.	1 - Horton Type Ambulance	Fire Department	FY25 Capital Budget - Ambulance Fund	$57,191
B.	1 - Swaploader Hook Lift Truck	Dept. of Public Works	FY25 Capital Budget - General Fund	$25,037
C.	1 - Pick Up Diesel F-350	Dept. of Public Works	FY25 Capital Budget - General Fund	$10,622
D.	1 - Fire Dept Chief Vehicle	Fire Department	FY25 Capital Budget - Ambulance Fund	$8,422
E.	Police Taser Program	Police Department	FY25 Capital Budget - General Fund	$19,455

, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The lease agreements for these vehicles were authorized by Town Meeting in 2021, and these are the fourth year of the lease payments. With the exception of the Fire Ambulance (5-year lease) and Police Taser (3-year lease), all of the leases are for 7 years.*

ARTICLE 15: To see if the Town will vote to authorize payment from Fund 2261 – 9-11 Field Maintenance Revolving the sum of $45,000 for the FY24 principal and interest payment, and $45,000 for the FY25 principal and interest payment, for the May 2018 bond issuance for the resurfacing of 9-11 Field; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will authorize the 9-11 Field maintenance account to pay debt incurred for the turf replacement of 9-11 Field. The loan term was shorter than anticipated and this will allow the Town to have this paid by the 9-11 Fund as intended.*

ARTICLE 16: To see if the Town will vote to transfer from Free Cash the sum of $30,000 for the purpose of hiring consultants, engineers, water quality specialists, and/or environmental consultants by various Town departments, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article allows town departments, with the approval of the Select Board, to hire outside expertise when the need arises.*

ARTICLE 17: To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $250,000 into the Other Post-Employment Benefits Liability Trust Fund (OPEB Fund) as authorized by General Laws, Chapter 32B, Section 20, in order to offset the anticipated future cost of providing post-retirement health and life insurance benefits to current and future retired Town employees, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This is an annual appropriation into the Town's OPEB Trust Fund that began back in 2014. The appropriation was previously done as part of the operating budget, but further guidance from the Dept. of Revenue has recommended that it be done in a separate article.*

ARTICLE 18: To see if the Town will vote to transfer from Free Cash the sum of $10,000 for the purpose of paying the Town's share of casualty and other losses incurred to Town property and equipment which are not covered by insurance policies, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide funds to be used to pay the deductible for property damage which is not covered by insurance.*

ARTICLE 19: To see if the Town will modify the purpose of funds appropriated under Article 18 passed at the Annual Town Meeting on April 9, 2018 which stated "Lundblad Field design & specialty consultant" to re-purpose such funds for "Lundblad Field construction and upgrades", or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The original article was to "fund research and design work including investigation of the membrane and other aspects of the property." As a balance of $46,411.00 remains the Town would like to utilize the residual funds for the construction of facility improvements, including, but not limited to, a community dog park.*

ARTICLE 20: To see if the Town will vote to raise and appropriate, or transfer from available funds the sum of $150,000 for the ongoing maintenance of capital equipment and systems associated with town buildings and facilities.

The Town Facilities Manager shall recommend appropriate projects to the Town Administrator. The Town Administrator shall approve all expenditures under this article. The Town Facilities Manager shall report all funded projects to the Capital Improvement and Planning Committee as requested, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article will provide for the maintenance and repair of capital equipment and systems associated with the Town's buildings and facilities.*

ARTICLE 21: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $25,000 for the ongoing maintenance of capital investments associated with outdoor recreational facilities. The Town's Director of Recreation shall recommend appropriate projects to the Recreation Commission. The Recreation Commission shall approve all expenditures under this article, or do or act anything in relation thereto.

Proposed by: SELECT BOARD/RECREATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: In the last 5 years, the Recreation Department has completed extensive capital improvements across the Town's outdoor facilities, including playgrounds, athletic fields, sport courts, and the Trottier track. Funding of this article will grant financial support for a proactive approach to facility maintenance to improve safety, reduce liability, and promote longevity of the own's outdoor assets.*

ARTICLE 22: To see if the Town will vote pursuant to Massachusetts General Laws, Chapter 44 § 53E ½ to authorize the following spending limits for existing revolving funds for Fiscal Year 2025, as follows:

1. Immunization/Emergency Dispensing Clinic; $15,000.
2. Inspectional Services; $140,000.
3. 9-11 Field Maintenance; $100,000.
4. Wetland Protection; $30,000.
5. Hazardous Materials; $75,000.
6. CPR Classes; $6,500.
7. Community Garden; $3,000.
8. Recreation Programs; $500,000.
9. Tobacco Control Program; $4,000.
10. Golf Course Maintenance; $75,000.

, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH, SELECT BOARD, RECREATION COMMISSION, AND CONSERVATION COMMISSION
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article approves the annual spending limits for revolving funds that are now authorized by Town by-law.*

ARTICLE 23: To see if the Town will vote to accept provisions of the fourth paragraph of Massachusetts General Law Ch. 40, Section 3 to allow the Southborough School District to keep monies received from the rental of space in its schools. These monies may be expended by the Southborough School Committee for the purpose of upkeep and maintenance of any and all Southborough Public Schools with no further legislative body approval. The monies may accumulate from year to year, and shall not be considered to be part of the general funds unassigned balance, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The purpose of this warrant article is to create a Facility Rental revolving account for the Public Schools of Southborough, which would be governed by the Southborough School Committee. Funds collected through the rental of the four Southborough schools will be deposited into this account. These funds will be used to offset building costs such as building maintenance and utilities.*

ARTICLE 24: To see if the Town will vote to accept the provisions of G.L. c. 40, §13E and authorize the Southborough School District to establish a Special Education Stabilization Fund that can be used in future years for unanticipated or unbudgeted costs of special education, out of district tuition, transportation, and recovery high school tuition, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The purpose of this warrant article is to create a Special Education Stabilization Fund for the Public Schools of Southborough, which would be governed by the Southborough Select Board and the Southborough School Committee. The District will utilize these funds for unexpected or unbudgeted Special Education costs.*

ARTICLE 25: To see if the Town will authorize the Select Board to lease all or a portion of the roof of Trottier Middle School located at 49 Parkerville Road for a term of 10-20 years, upon such terms and conditions as are acceptable to the Select Board, to a solar energy provider to construct, maintain, and operate a solar facility on the property and to enter into a power purchase agreement with the solar energy provider; and further, to authorize the Select Board to grant an easement as may be necessary to install, maintain, operate, repair, reinstall, or replace any utilities required for interconnection to the solar facility project, or do or act anything in relation thereto.

Proposed by: SOUTHBOROUGH SCHOOL COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The purpose of this warrant article is to permit the Select Board to lease all or a part of the Trottier Middle School roof for a solar energy project. The lease of the roof would be contingent upon the replacement of the existing roof, for which the school district has applied to the Massachusetts School Building Authority. The solar project is part of the Public Schools of Southborough's strategic plan to implement energy efficiencies.*

ARTICLE 26: To see if the Town will vote to authorize the Northborough-Southborough Regional School District to establish a Stabilization Fund according to Chapter 71, Section 16G 1/2 of the General Laws for the purposes of funding capital items as identified in the Northborough-Southborough Regional School District Capital Plan, or do or act anything in relation thereto.

Proposed by: REGIONAL SCHOOL COMMITTEE
Select Board Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary*: The purpose of this warrant article is to create a Capital Stabilization Fund for the Northborough-Southborough Regional School District, which would be governed by the NSRSD School Committee. The District will utilize these funds for capital improvements at Algonquin Regional High School. Capital projects will be presented to the Southborough Capital Improvement & Planning Committee as part of the annual budget process.*

ARTICLE 27: To act on the recommendation of the Community Preservation Committee on the Fiscal Year 2025 Community Preservation Budget and to appropriate or reserve for later appropriation monies from Community Preservation Fund annual revenues or available funds for the administrative expenses of the Community Preservation Committee, the payment of debt service, the undertaking of Community Preservation projects and all other necessary and proper expenses for the year, or take any other action relative thereto.

PROPOSED FISCAL YEAR 2025 COMMUNITY PRESERVATION BUDGET

Estimated Surcharge Receipts (Based on Town Treasurer's Projections) ……..…. $ 447,844
State Match (Projected FY2024 State Match) ……...…….…… $ 64,905
Total Projected Revenue…….. …… $ 512,749

The Community Preservation Committee recommends that the following amounts be appropriated or reserved from Fiscal Year 2025 Community Preservation Fund revenues with each item considered a separate appropriation.

Set Aside- Open Space
$51,275 to be set aside, held in the Community Preservation Open Space Reserve Account, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Historic Preservation
No set aside required as spent in FY2025 on bonds for historic projects for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Set Aside – Community Housing
$51,275 to be set aside, held in the Community Preservation Housing Reserve Account, and spent in FY2025 or later years for the creation, preservation, and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act. Set Aside Administrative Costs – Community Preservation Committee $25,637 to defray the administrative and operating expenses of the Community Preservation Committee in FY2025 for the Community Preservation Administration Account

Set Aside – CPA Budgeted Reserve/Discretionary
$106,274.00 Reserved for FY25 Budgeted Reserve/Discretionary Account

Annual Debt Service: $75,438 to be applied towards the bond for the perpetual Preservation Restriction on 84 Main Street also known as the Burnett House for the purpose of historic preservation as approved at ATM 2016

Annual Debt Service: $61,000 to be applied towards the bond for the renovation and restoration of the historic Southborough Library building for the purpose of historic preservation as approved at ATM 2018

Annual Debt Service: $141,850 to be applied towards the bond for the historic restoration of the Southborough Town House for the purpose of historic preservation as approved at ATM 2021

FY24 Annual Debt Service: $52,842 from the CPA FY24 Budgeted Reserve Fund Balance to be applied towards the bond for the historic restoration of the Southborough Town House for the purpose of historic preservation as approved at ATM 2021

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *The budget and set-asides are an annual requirement under the Community Preservation Act.*

ARTICLE 28: To see if the Town will vote to accept the report of the Community Preservation Committee for the FY2024 State Match Adjustment from the CPA Fund Balance and act upon the recommendations of the Community Preservation Committee and to set aside for later expenditure, certain sums of money from the Community Preservation Fund established pursuant to Chapter 44B of the General Laws, as follows:
Actual FY24 State Match Receipts……...… $ 86,596
ATM2023 Projected FY24 State Match …… $82,561
FY24 State Match Adjustment ……$4,035

Set Aside- Open Space
$403 to be set aside, held in the Community Preservation Open Space Reserve Account, and spent in FY2025 or later years for acquisition, creation, or preservation of open space, and for the rehabilitation and/or restoration of open space acquired under the Community Preservation Act.

Set Aside – Historic Preservation
$403 to be set aside, held in the Community Preservation Historic Reserve Account, and spent in FY2025 or later years for the acquisition, preservation, rehabilitation, and restoration of historic resources.

Set Aside – Community Housing
$403 to be set aside, held in the Community Preservation Housing Reserve Account, and spent in FY2025 or later years for the creation, preservation, and support of community housing, and for the rehabilitation and/or restoration of community housing acquired under the Community Preservation Act.

Set Aside Administrative Costs
$201– Community Preservation Fund to defray the administrative and operating expenses of the Community Preservation Committee in FY2024 in the FY2024 Community Preservation Administration Account.

$2,625.00 Reserved for FY24 Community Preservation Budgeted Reserve/Discretionary)

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This article is to account for an adjustment to the state match from what was budgeted at 2023 ATM and the FY24 State Match received.*

ARTICLE 29: To see if the Town will vote to appropriate $46,046 for the rehabilitation and restoration of historic Town records for historic purposes as requested by Southborough Town Clerk Jim Hegarty, with $21,005.43 from the Historic Reserve Account and $25,040.57 from the Budgeted Reserve Account. This consists of $45,046 in project costs and an additional $1,000 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application.
Funding is contingent on a project start of July 1, 2024, and to be completed by June 30, 2027 or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Southborough Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the
Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of Town Clerk Jim Hegarty said funds will be used for the restoration of historic Town documents dating back to the 1700's.*

ARTICLE 30: To see if the Town will vote to appropriate $211,232 from the CPA Fund Budgeted Reserve for the construction of the final segment of Peninsula Trail requested by the Southborough Trails Committee for recreational purposes. This consists of $183,680 in project costs and an additional $27,552 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on a project start date of July 1, 2024, and to be completed by December 1, 2026, or funds to be returned to the Southborough Community Preservation Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction of the Southborough Trials Committee (STC), and with Recreation Director Tim Davis as an advisor, said funds will be used for the installation of the boardwalk, footbridge, and other trail construction related tasks for "Bridging the Gap" Phase II of the STC Peninsula Trail Project.*

ARTICLE 31: To see if the Town will vote to appropriate $553,750 for the installation of a new irrigation system in accordance with the standards of Audubon International, at the Southborough Golf Club from the CPA Fund Balance, as requested by the Southborough Golf Committee for the purpose of recreation. This consists of $475,000 in project costs and an additional $78,750 in contingency funding. Contingency funds only available after approval of the Community Preservation Committee for unexpected costs unforeseen at the time of application. Funding is contingent on project completion by December 1, 2026, or funds to be returned to the CPA Fund Balance as directed by the Community Preservation Committee. Project to be completed in conformance with details as presented to the members of the Community Preservation Committee and to be documented in the application and signed Memorandum of Understanding. Said funds to be expended under the direction of the Community Preservation Committee and the Town Treasurer; or do or act anything in relation thereto.

Proposed by: COMMUNITY PRESERVATION COMMITTEE
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *Under the direction the Southborough Golf Committee (STC), and with the golf course management company - New England Golf, overseeing the installation, said funds will be used for the installation of the new irrigation system to replace the existing 50+ year old system which is leaky, prone to failure requiring frequent repair, and time consuming to operate. This article is the Community Preservation Act share of a total project amount of $603,750 offset by a $50,000 contribution from the Golf Course Revolving Fund.*

ARTICLE 32: To see if the Town will vote to appropriate the sum of $96,115.13 for the use of the Board of Health to provide for substance abuse abatement activities following the Town's participation in the Statewide Opioid Settlements negotiated by the Massachusetts Attorney General, and to meet said appropriation the sum of $96,115.13 be transferred from Free Cash, or do or act anything in relation thereto.

Proposed by: BOARD OF HEALTH
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This Article provides funds to supplement and strengthen resources possibly including but not limited to substance abuse prevention, harm reduction, treatment, and recovery funded by direct payments received by the Town of Southborough as a result of signing onto statewide settlements with opioid manufacturers, distributors, and/or pharmacies. In order to comply with settlement reporting requirements, the funds are being segregated from general revenues into a separate article.*

ARTICLE 33: To see if the Town will vote to authorize the Select Board under Clause (1) of Section 8 of Article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts to submit to the General Court a Home Rule Petition, accompanied by a proposed Special Act relating to the Town of Southborough public works. The General Court may make clerical or editorial changes of form only to the proposed, unless after a public hearing the Select Board approves amendments to the bill before enactment by the General Court. The Select Board is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition. Said submission shall be accompanied by an attested copy of the motion and vote of the Town Meeting on this article.

Said proposed Special Act shall make the following modifications to Ch. 447 of the acts of 1991: (a) Re-establish the office of Tree Warden as an appointee of the Select Board, supervised by the DPW superintendent; (b) dissolve the Public Works Planning Board of the town of Southborough; and (c) replace "board of selectmen" with "select board" throughout.

The form and wording of said submission shall be determined by the Select Board in consultation with Town Counsel and the Town's representatives to General court, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The Public Works Planning Board was created in 1991, and does not meet current expectations. The Select Board is officially the town's Tree Warden by the Special Act which has proven inefficient. The office of Tree Warden would be reinstated as an appointed officer of the Town.*

ARTICLE 34: To see if the Town will vote to establish a Public Works Advisory Committee by deleting Article I ("Solid Waste Disposal Committee") of the Town Code in its entirety and inserting the following into the Town Code:

Article XIII Public Works Advisory Committee

§9-52 Purpose
Because the Department of Public Works ("DPW") is a complex organization that consumes a significant portion of the Town's budget and directly impacts the life of every resident: planning, prioritization, coordination and communications with the residents is essential. The Public Works Advisory Committee provides a focal point for and assistance with this complex function.
§9-52-A Establishment; Membership; Qualifications
Effective upon the dissolution of the Southborough Public Works Planning Board, there shall be a Public Works Advisory Committee ("PWAC"), which shall consist of five voting members and the non-voting ex-officio members identified below.
Each voting member shall be a resident of the Town and shall not be a Town officer or employee. Preferably at least 3 voting members should have significant relevant work experience and knowledge of activities undertaken by the DPW.
The voting members shall be appointed by the Select Board.
§9-52-B Appointments; Terms; Vacancies; Removal
Voting members shall be appointed for three-year terms. The initial appointments shall be two members for three years, two members for two years, and one member for one year, so as to establish overlapping terms.
Any voting member who shall remove from the Town, establish residency in another town, resign, or die shall cease to be a member. When notified that any voting member has failed to faithfully discharge his duties, or has failed without good cause to attend at least three quarters of the PWAC meetings held in any six-month interval: the Select Board may promptly give notice, hold a hearing and determine whether such member shall be removed from the PWAC. In any case of a vacancy in the voting membership, the Select Board shall make every effort to, within thirty days, appoint a replacement for the balance of the unexpired term.
The ex-officio (non-voting) members have terms coincident with their employment and shall be: the Superintendent of Public Works and the Town Planner.
§9-52-C Organization; Meetings
The members shall select, from among themselves, a Chair, vice-Chair, and a Secretary.
The PWAC shall establish a regular schedule of meetings sufficient to complete its duties, but shall meet at least quarterly.
The PWAC shall ordinarily and preferentially meet in the Town, but may conduct meetings, investigations or inspections within the scope of its duties and authority anywhere, subject to the Open Meeting Law and standard Town travel budgets and policies.
The PWAC may appoint from its own membership subcommittees and delegate to them such of its powers as it deems expedient.
All reports and recommendations of the PWAC made to the Town shall be voted by a majority of the voting members of the PWAC, but this shall not be construed to prevent recommendations by a minority nor to discourage full participation by the non-voting members.
§9-52-D Funding
Subject to appropriation, the PWAC may incur expenses for consultants, communications, minute-takers and other purposes. Such expenses shall be from a separate line item under the DPW's budget, established by the Town's regular budget process. Any expenditures from its budget shall require a majority vote of the PWAC or a designated member thereof, as permitted by law, and be subject to the Town's policies for such expenditures.

§9-53 Functions and Definitions
The duty of the PWAC shall be to respond to requests for support from the Superintendent of Public Works, the Select Board, the Planning Board, the Advisory Committee, the Capital Improvement Planning Committee, and such other Town Entities as may be appropriate.
Further, PWAC shall also proactively evaluate, study, recommend, propose, and/or report on significant projects to be undertaken by the DPW.
The PWAC shall assume the functions of the former Green Technology and Recycling Committee that were assigned to the former Public Works Planning Board.
In this Article XIII, the phase "Town Entities" includes any Town board, committee, or agency of Town government, or subsidiary organization of any of these, whether statutory, elected or appointed.
In this Article XIII, the phase "Public Works Projects" includes projects conducted or planned to be conducted by the DPW, including but not limited to: road and sidewalk construction and maintenance; solid waste disposal (including operation of the transfer station, recycling and fees); cemetery operation; construction and maintenance of the water system (including conservation and fees); tree maintenance, removal, and replacement; public stormwater, and traffic management.
§9-54 Mission and Authority
The PWAC shall assist with establishing priorities and long-term planning for significant Public Works Projects. The PWAC may evaluate and/or develop options to be considered for Public Works Projects that significantly deviate from their plans in scope, expense, and/or schedule. The PWAC may assist in locating and/or evaluating the desirability of external (e.g., grant) funding for Public Works Projects.
The PWAC shall coordinate its work with the Select Board, Advisory Committee, Capital Improvement Planning Committee, Planning Board, Trails Committee, and Recreation Commission as reasonably necessary.
The PWAC shall not manage or direct the Superintendent of Public Works, DPW employees, or projects.
The PWAC shall assist the Superintendent of Public Works to communicate plans for Public Works Projects and the status of such projects to residents (especially neighbors) at the earliest feasible time. It shall serve as a focal point for citizen concerns with Public Works Projects, and may conduct public hearings.
§9-54-A Other Agencies
The PWAC may meet with other governmental agencies to discuss opportunities for interoperation, efficiencies or other synergies. However, the PWAC does not have the authority to commit the Town to pursue such opportunities, which authority rests with the Superintendent of Public Works, other Town Entities, and/or their designees.
§9-55 Reporting
From time to time, as may be necessary, the PWAC shall report to the Superintendent of Public Works and/or the Select Board on its activities and such reports, studies, evaluations, recommendations, and/or proposals as it has initiated or have been requested of it.
From time to time, as may be necessary, the PWAC shall report to the Town Meeting.
§9-56 Interpretation
The section headings and numbering of this Article XIII are for convenience and shall not be construed to modify the interpretation of the article.
In this Article XIII, terms are defined in quotation marks within parenthesis, and their uses are indicated by capitalization. The definition of each such term applies to its use in the entirety of this Article XIII, whether or not the definition appears before such use.
In this Article XIII, the word "will" is to be interpreted as descriptive of an outcome or process and not as an imperative; the word "shall" is to be interpreted in the imperative sense of "must" or "is required to"; while the word "may" is to be interpreted in the permissive sense of "optionally", or "has discretion whether or not to".

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: Replaces the Special Act-chartered Public Works Planning Board with a Town standing committee when the PWPB dissolves as initiated by the previous article.*

ARTICLE 35: To see if the Town will vote to amend Article XI, Capital Improvement and Planning Committee, of the Town Code by deleting § 9-43(A) in its entirety, and replacing it with the following:

A. There shall be a Capital Improvement and Planning Committee ("CIPC"), which shall consist of five voting members and the two nonvoting ex-officio members identified below.

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The Capital Improvement and Planning Committee is seeking to reduce its membership from 7 to 5 members to alleviate issues with getting quorums for meetings.*

ARTICLE 36: To see if the Town will vote to add a new **§174-10.3** to the Town of Southborough's Zoning Bylaws, amend the zoning map to include the MBTA Communities Overly District (MCOD) as shown on the maps prepared by Bohler Engineering in March 2024 as further depicted in the handout, amend certain other sections to integrate the new section into the current zoning bylaw, and make any minor modifications to the text required for consistency with the existing format of the bylaws or do or act anything in relation thereto.

New language shown in **bold**, deleted language shown with ~~strikethrough~~ with the exception of the new §174-10.3.

Add the following definitions to §174-2. Definitions:

B. Definitions

AFFORDABLE UNIT
A multi-family housing unit that is subject to a restriction recorded in its chain of title limiting the sale price or rent or limiting occupancy to an individual or household of a specified income, or both.

AFFORDABLE HOUSING
Housing that contains Affordable Units as defined by §174-2.

AREA MEDIAN INCOME (AMI)
The median family income for the metropolitan statistical region that includes the Town of Southborough, as defined by the U.S. Department of Housing and Urban Development (HUD).

DWELLING, MULTIFAMILY *WITHIN THE* MCOD
A building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building.

Modify the following existing definitions in §174-2. Definitions:

B. Definitions

DWELLING UNIT
~~Living quarters for a single family.~~
A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking, and sanitation.

Add the following text to: §174-3. Districts enumerated:

N. MBTA Communities Overlay District, referred to as MCOD.

Add the following text to Article III. Use Regulations:

§174-8.13 MCOD MBTA Communities Overlay District

A. See §174-10.3

Add the following text to §174-10.A:

(6) All multi-family development within the MCOD (§174-10.3). The provisions of §174-11 Signs, §174-12 Parking and Loading, §174-12.1 Outdoor Illumination, §174-13 Landscaping, §174-13.3 Lower Impact Development, §174-13.4 Water Resource Protection, and §154 Stormwater and Erosion Control shall be included as a part of the MCOD site plan review process.

Add the following text to §174-12.1. Outdoor Illumination:

E. (2) LZ-1 : low ambient lighting
(b) Zoning Districts: Residence A, Residence B, **and MCOD.**

F. Table 1 – under the column LZ-1, add "**MCOD**" below Residential B.

Add the following new section under Article III. Use Regulations:

§174-10.3: MBTA Communities Overlay District.

A. Purpose.

The purpose of the MBTA Communities Overlay District (MCOD) is to allow multi-family housing as of right in accordance with Section 3A of the Zoning Act (Massachusetts General Laws Chapter 40A). This zoning provides for as of right multi-family housing to accomplish the following purposes:

(1) Encourage the production of a variety of housing sizes and typologies to provide equal access to new housing throughout the community for people with a variety of needs and income levels;

(2) Support vibrant neighborhoods by encouraging an appropriate mix and intensity of uses to support an active public space that provides equal access to housing, jobs, gathering spaces, recreational opportunities, goods, and services within a half-mile of a transit station.

(3) Locate housing within walking distance of public transit to promote general public health, reduce the number of vehicular miles traveled, support economic development, and meet community-based environmental goals, including reducing greenhouse gases and improving air quality.

(4) Support public investment in public transit and pedestrian- and bike-friendly infrastructure.

B. Establishment and Applicability.

This MCOD is an overlay district having a land area of approximately 53.9 acres in size that is superimposed over the underlying zoning district(s) and is shown on the Zoning Map.

(1) **Applicability of MCOD.** An applicant may develop multi-family housing, a building with three or more residential dwelling units or two or more buildings on the same lot with more than one residential dwelling unit in each building, located within an MCOD in accordance with the provisions of this §174-10.3. The MCOD shall be exempt from §174-8.C.(2) a special permit for 2 buildings on one lot

(2) **Underlying Zoning.** The MCOD is an overlay district superimposed on underlying zoning districts. The regulations for use, dimensions, and all other provisions of the Town of Southborough's Zoning Bylaw governing the respective underlying zoning district(s) shall remain in full force, except for uses allowed as of right in the MCOD. Uses that are not identified in §174-10.3 are governed by the requirements of the underlying zoning district(s).

(a) The requirements of §174-13.2 Major residential development do not apply to the MCOD.

(b) The requirements of §174-13.3.E, Lower Impact Development special permit application and

process shall not apply to a multifamily use within the MCOD, but the performance standards of §174-13.3.I, Lower Impact Development, Performance Standards: LID Criteria, may be considered during site plan review.

(c) The requirements of §174-13.4.C, Water Resource Protection special permit process shall not apply to a multifamily use within the MCOD, but compliance with the Massachusetts Surface Water Quality Standards (314 CMR 4.00) may be considered during site plan review.

(d) The requirements of §174-11. Signs also apply.

(e) The requirements of §174-12.1. Outdoor Illumination also apply.

(3) **Subdistricts:** The MCOD contains the following subdistricts, all of which are shown on the Zoning Map:

(a) MCOD Subdistrict #1 (Residence B Dimensional Standards)

(b) MCOD Subdistrict #2 (Industrial Park Dimensional Standards)

(c) MCOD Subdistrict #3 (Industrial Park Dimensional Standards)

For subdistrict dimensional standards, see §174-10.3.E.(1) Table of Dimensional Standards.

C. Definitions.

Terms used in this section but not otherwise defined herein or under §174-2 of the Zoning Bylaw shall be as defined in the Zoning Act.

D. Permitted Uses.

(1) **Permitted Uses are as follows:** The following uses are permitted as of right within the MCOD.

(a) Multi-family housing, as referenced in §174-10.3.B. (1)

(2) **Accessory Uses.** The following uses are considered accessory as of right to any of the permitted uses in Section D.1. above.

(a) Parking, including surface parking and parking within a structure such as an above ground or underground parking garage or other building on the same lot as the principal use.

(3) **Prohibited uses.** All uses which are not listed above, legally nonconforming, or otherwise allowable by the provisions of the underlying zoning regulations, are prohibited.

E. Dimensional standards are as follows:

(1) **Table of Dimensional Standards.** The dimensional requirements applicable in the MCOD are as follows:

Dimensional Standards	***MCOD Subdistrict #1*** **(Residence B Dimensional Standards)**	***MCOD Subdistricts #2 & #3*** **(Industrial Park Dimensional Standards)**
(a) Minimum lot area	**25,000**	**43,560**
(b) Minimum frontage	**125**	**200**
(c) Minimum setbacks		

(i) Front	**30**	**Subdistrict #2** **75***	**Subdistrict #3** **50***
(ii) Rear	**35**	**50**	
(iii) Side	**15**	**50**	
(d) Maximum height	**2.5 stories or 35 feet**	**3 stories or 45 feet**	
(e) Maximum floor area ratio	**0.3**	**0.6**	
(f) Maximum dwelling units per acre	**15.0**	**15.0**	

***A 75-foot setback is required for buildings on Route 9.**

(2) **Multi-Building Lots.** In the MCOD, lots may have more than one principal building. A minimum distance of ten (10) feet is required between principal buildings.

(3) **Exceptions:** (refer to §174-15).

(4) **Exceptions: Renewable Energy Installations.** The Planning Board may waive the height and setbacks in §174-10.3.E.(1) Dimensional Standards to accommodate the installation of solar photovoltaic, solar thermal, living, and other eco-roofs, energy storage, and air-source heat pump equipment. Such installations shall not create a significant detriment to abutters in terms of noise or shadow and must be appropriately integrated into the architecture of the building, as applicable, and the layout of the site. The installations shall not provide additional habitable space within the development.

F. Off-Street Parking.

These parking requirements are applicable to development in the MCOD.

(1) **Number of parking spaces.** The following **minimum** numbers of off-street parking spaces shall be permitted by use, either in surface parking or within garages or other structures:

Use	Minimum Spaces
Multi-family	**1.5 per unit**

(2) **Number of bicycle parking spaces.** The following **minimum** numbers of covered bicycle storage spaces shall be provided by use:

Use	Minimum Spaces
Multi-family	**1 per unit**

(3) **Bicycle storage.** For a multi-family development of 15 units or more, covered parking bicycle parking spaces of no less than 25% of the total required spaces shall be integrated into the structure of the building(s).

G. General Development Standards.

(1) Development standards are applicable to all multi-family development within the MCOD. These standards are components of the Site Plan Review process in §174-10.3.I. Site Plan Review.

(2) **Site Design**.

(a) **Connections.** Sidewalks shall provide a direct connection among building entrances, the public sidewalk (if applicable), bicycle storage, and parking.

(b) **Vehicular access.** Where feasible, curb cuts shall be minimized, and shared driveways encouraged.

(c) **Mechanicals.** Mechanical equipment at ground level shall be screened by a combination of fencing and plantings. Rooftop mechanical equipment shall be screened if visible from a public right-of-way.

(d) **Dumpsters.** Dumpsters shall be screened by a combination of fencing and plantings. Where possible, trash and recycling collection points shall be located within the building.

(e) **Stormwater management.** Stormwater Management shall comply with the most current versions of the Massachusetts Department of Environmental Protection Stormwater Management Standards, the Massachusetts Stormwater Handbook, Massachusetts Erosion Sediment and Control Guidelines, and, the provisions under Town Code §154, Stormwater and Erosion Control. Provisions under Stormwater and Erosion Control shall be included as part of the Site Plan Review process but shall not supersede the requirements of §154.

(f) The following provisions shall be reviewed under site plan approval process:
(1) Screening for Parking (refer to §174-13. Landscaping).
(2) Parking and Loading (refer to §174-12. Parking and Loading, provided the required number of spaces shall be reduced as provided in F, above).
(3) Landscape and Plantings (refer to §174-13. Landscaping).
(4) Lighting (refer to §174-12.1. Outdoor illumination).
(5) Signs (refer to §174-11. Signs).
(6) Lower Impact Development (refer to §174-13.3. Lower Impact Development, provided section E shall not apply).
(7) Water Resource Protections (refer to §174-13.4. Water Resource Protection, provided section C shall not apply).
(8) Stormwater and Erosion Control (refer to §154. Stormwater and Erosion Control of the Town of Southborough Bylaws).

(3) **Buildings: General.**

(a) **Position relative to the principal street.** The primary building shall have its principal façade and entrance facing the principal street. See also §174-10.3.G.6. Buildings: Corner Lots.

(b) **Entries.** Where feasible, entries shall be clearly defined and linked to a paved pedestrian network that includes the public sidewalk.

(c) **Exterior Design.** The building(s) shall have an exterior design that is consistent with the styles of the surrounding residential neighborhood and the Town of Southborough in general.

(4) **Buildings: Multiple buildings on a lot.**

(a) Parking and circulation on the site shall be organized so as to reduce the amount of impervious surface. Where possible, parking and loading areas shall be connected to minimize curb cuts onto public rights-of-way.

(b) A paved pedestrian network shall connect parking to the entries to all buildings and the buildings to each other.

(c) The orientation of multiple buildings on a lot should reinforce the relationships among the buildings. All building façade(s) shall be treated with the same care and attention in terms of entries, fenestration, and materials.

(d) The building(s) adjacent to the public street shall have a pedestrian entry facing the public street.

(5) **Buildings: Shared Outdoor Space.** Multi-family housing shall have common outdoor space that all residents can access. Such space may be located in any combination of ground floor, courtyard, rooftop, or terrace.

(6) **Buildings: Corner Lots.** A building on a corner lot shall indicate a primary entrance either along one of the street-facing façades or on the primary corner as an entrance serving both streets.

(a) Such entries shall be connected by a paved surface to the public sidewalk, if applicable.

(b) All façades visible from a public right-of-way shall be treated with similar care and attention in terms of entries, fenestration, and materials.

(c) Fire exits serving more than one story shall not be located on either of the street-facing façades.

(7) **Buildings: Infill Lots.** If the adjacent buildings are set back at a distance that exceeds the minimum front yard requirements, infill buildings shall meet the requirements of §174-10.3.E.(1) Dimensional Standards. Otherwise, infill buildings may match the setback line of either adjacent building, or an average of the setback of the two buildings to provide consistency along the street.

(8) **Buildings: Principal Façade and Parking.** Parking shall be subordinate in design and location to the principal building façade.

(a) **Surface parking.** Surface parking shall be located to the rear or side of the principal building. Parking shall not be located in the setback between the building and any lot line adjacent to the public right-of-way.

(b) **Integrated garages.** The principal pedestrian entry into the building shall be more prominent in design and placement than the vehicular entry into the garage.

(c) **Parking structures.** Building(s) dedicated to structured parking on the same lot as one or more multi-family buildings shall be subordinate in design and placement to the multi-family building(s) on the lot.

(9) **Waivers.** Upon the request of the Applicant and subject to compliance with the Executive Office of Housing and Livable Communities' (EOHLC's) Compliance Guidelines, the Planning Board may waive the requirements of this §174-10.3.G. General Development Standards, in the interests of design flexibility and overall project quality, and upon a finding of consistency of such variation with the overall purpose and objectives of the MCOD.

H. Affordability Requirements.

(1) **Purpose**.

(a) Promote the public health, safety, and welfare by encouraging a diversity of housing opportunities for people of different income levels;

(b) Provide for a full range of housing choices for households of all incomes, ages, and sizes;

(c) Increase the production of affordable housing units to meet existing and anticipated housing needs; and

(d) Work to overcome economic segregation, allowing the Town of Southborough to be a community of opportunity in which low and moderate-income households have the opportunity to advance economically.

(2) **Applicability.** This requirement is applicable to all residential developments with ten (10) or more dwelling units, whether new construction, substantial rehabilitation, expansion, reconstruction, or residential conversion (Applicable Projects). No project may be divided or phased to avoid the requirements of this section.

(3) **Subsidized Housing Inventory**. All units affordable to households earning 80% or less of AMI created in the MCOD under this section must be eligible for listing on EOHLC's Subsidized Housing Inventory (SHI).

(4) **Provision of Affordable Housing.** In Applicable Projects, not fewer than ten percent (10%) of housing units constructed shall be Affordable Housing Units. For the purpose of calculating the number of units of Affordable Housing required within a development project, a fractional unit shall be rounded up to the next whole number. The Affordable Units shall be available to households earning income up to eighty percent (80%) of the AMI.

(5) **Alternative Methods.**

(a) As an alternative to the requirements of paragraph (3) of this section, and in certain exceptional circumstances, the Planning Board may, at the formal written request of the developer, consider an alternative method of compliance, as provided for in §174-13.2.E.(5).

(6) **Affordability Development Standards.** Affordable Units shall be:

(a) Integrated with the rest of the development and shall be compatible in design, appearance, construction, and quality of exterior and interior materials with the other units and/or lots;

(b) Dispersed throughout the development;

(c) Located such that the units have equal access to shared amenities, including light and air, and utilities (including any bicycle storage and/or Electric Vehicle charging stations) within the development;

(d) Located such that the units have equal avoidance of any potential nuisances as market-rate units within the development;

(e) Distributed proportionately among unit sizes; and

(f) Distributed proportionately across each phase of a phased development.

(g) Occupancy permits may be issued for market-rate units prior to the end of construction of the entire development provided that occupancy permits for Affordable Units are issued simultaneously on a pro rata basis.

(7) **Administration.**

(a) The Zoning Enforcement Officer shall be responsible for administering and enforcing the requirements in this section.

I. Site Plan Review.

(1) **Applicability.** The requirements of §174.10 Site Plan Approval are applicable to any multi-family development within the MCOD, unless modified herein. An application for Site Plan Review shall be reviewed by the Planning Board for consistency with the purpose and intent of this §174-10.3.

(2) **Site Plan Approval.** Site Plan approval for uses listed in §174-10.3(D) Permitted Uses shall be granted upon determination by the Planning Board that the following requirements have been satisfied. The Planning Board may impose reasonable conditions, at the expense of the applicant, to ensure that these requirements are satisfied.

(a) the Applicant has submitted the required fees and information as set forth in *the Town of Southborough's requirements for a Building Permit and Site Plan Review; and*

(b) the project as described in the application meets the development standards set forth in §174-10.3.G General Development Standards and the requirements of §174-10.3.D.(1) and §174-10 or has received waiver(s) from the requirements therein.

(3) **Project Phasing.** An Applicant may propose, in a Site Plan Review submission, that a project be developed in phases subject to the approval of the Planning Board, provided that the submission

shows the full buildout of the project and all associated impacts as of the completion of the final phase. However, no project may be phased solely to avoid the provisions of §174-10.3.H Affordability Requirements.

J. Severability.

If any provision of this §174-10.3 is found to be invalid by a court of competent jurisdiction, the remainder of §174-10.3 shall not be affected but shall remain in full force. The invalidity of any provision of this §174-10.3 shall not affect the validity of the remainder of the Town of Southborough's Zoning Bylaw

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation: At Town Meeting
Advisory Committee Recommendation: At Town Meeting
Summary*: The intent of this article is to comply with Chapter 40A §3A, MBTA Multi-family zoning. The MBTA Communities shall have a zoning ordinance or by-law that provides for at least 1 district of reasonable size in which multi-family housing is permitted as of right; provided, however, that such multi-family housing shall be without age restrictions and shall be suitable for families with children. The proposed MBTA Communities Overlay District (MCOD) is comprised of 3 areas as depicted on the maps prepared by Bohler Engineering dated March 2024, as further depicted in the handouts, and to include all other changes proposed to implement the new MCOD overlay district.*

ARTICLE 37: To see if the Town will vote to amend the Town Code to add Downtown District to Chapter 174 - Zoning as follows:

- ➢ Schedule of use regulations – 174-8.C(5) after Business Village District.
- ➢ Signs – 174-11 (D) – sign regulations next to Business Village
- ➢ Signs-174-11.E [1] [a] after Business Village District.
- ➢ Signs-174-11.E [1] [b] after Business Village District.
- ➢ Signs-174-11.E [2] [a] after Business Village District.
- ➢ Signs-174-11.E [2] [b] after Business Village District.
- ➢ Signs-174-11.E (d) [1] after Business Village District.
- ➢ Signs-174-11.E (d) [2] after Business Village District.
- ➢ Outdoor Illumination – 174-12.1.E (3) (b), and Table 1 under LZ-2 add Downtown District below Business Village
- ➢ Landscaping – 174-13.A(3) as follows:

  (3) Exceptions.
  The requirements of this section do not apply to developments or renovations in the Business Village District **and the Downtown District**. However, the Planning Board may require landscaping as part of the site plan or special permit application within the Business Village District **and Downtown District**.

And anywhere else in the code where the Business Village District is referenced and appropriate.

; or do or act anything in relation thereto.

Proposed by: PLANNING BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: The intent of this Article is to add the phrase "Downtown District" where "Business Village District" is referenced, as applicable, throughout the Town Code.*

ARTICLE 38: To see if the Town will vote to amend Chapter 174 of the Town Code to include an expiration for special permits as required by MGL c. 40A Section 9 as follows:

In Chapter 174 Section 9 – Special Permit Requirements, to add after the sentence ending with "...or destructive of property values therein." the following clause: "Unless otherwise designated by this chapter, if the rights authorized by a special permit are not exercised within two years from the date of grant thereof, they shall lapse, and a new petition, notice, and hearing will be required for their reestablishment. The applicant may be granted a single one-year extension by applying in writing to the special permit granting authority at least 30 days prior to the date when the special permit is due to lapse. An extension will only be granted for good cause and/or at the discretion of the special permit granting authority."

; or do or act anything in relation thereto.

Proposed by: SELECT BOARD/ZONING BOARD OF APPEALS
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This article would amend the Zoning Bylaw to comply with MGL c. 40A Section 9, which requires bylaws to provide a specified period of time after which special permits will lapse.*

ARTICLE 39: To see if the Town will vote to delete in its entirety Chapter § 9-2 of the town code "Meetings prohibited on Election Day, or when Town offices are closed due to weather or other emergency" and replace it with:

§ 9-2 Meetings prohibited on Election Day, or when Town offices are closed due to a weather or other emergency

A. If the Select Board or their designee announce that all Town offices are closed due to a weather or other emergency, any scheduled public meeting shall be cancelled. However, public meetings may be held if the meeting is properly noticed for and held in an online format where the public may observe the meeting. A previously scheduled in-person only meeting may be changed to an online format by submitting a revised agenda to the Town Clerk in a timely fashion. If a meeting is cancelled, the Town Clerk shall post notice of the cancellation on the Town website.

B. This prohibition will not apply to emergency meetings held to address weather or other emergencies as defined by the Attorney General.

C. No board, committee or commission shall schedule a meeting on the day of any Town, state or federal election.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This Article modifies the existing town code to allow meetings to be held when town buildings are closed to the public due to a weather or other emergency, if the meeting is held in an online format where the public may observe the meeting.*

ARTICLE 40: To see if the Town will vote to accept MGL Ch 41 §19 K which states as follows:

"In any town, that accepts this section, a town clerk who has completed the necessary courses of study and training, and has been awarded a certificate by the Massachusetts Town Clerks' Association as a certified Massachusetts municipal clerk, shall receive as compensation from such town, in addition to the regular annual compensation paid by such town for services in such office, an amount equal to 10 per cent of such regular annual compensation, but not more than $1,000 per year. In order to qualify for such additional compensation, a town clerk shall submit to the board of selectmen of such town proof of the award of such certificate. The additional compensation provided in this section shall be prorated for any 12 month period in which an eligible person does not hold the office of town clerk for 12 consecutive months. Such additional compensation shall discontinue when certification is discontinued or withdrawn."

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This Article accepts the Massachusetts General Law that provides an annual $1,000 stipend to a town clerk who obtains certification as a Massachusetts Municipal Clerk. Only 31% of Massachusetts town clerks have the required experience, have taken the required continuing education courses and passed the 250 - question examination required to earn this certification.*

ARTICLE 41: To see if the Town will vote to amend Town Code § 9-25 Meeting minutes, by deleting it in its entirety and replacing it with:

Each board, committee, or commission shall provide minutes for each of its meetings to the Town Clerk within 45 days of the meeting. Minutes shall be kept by the Town Clerk for a period as required by applicable state law. This requirement shall not apply to Executive Session Minutes, which shall only be provided to the Town Clerk within 45 days from the date that they are released for public disclosure.

A. Minutes shall indicate whether they have or have not been approved by the board, committee or commission when submitted to the Town Clerk.
(1) Minutes that have not been approved at the time of their receipt shall be labeled "Draft."
(2) The Town Clerk shall log the receipt of all minutes and the Town Clerk shall post minutes on the Town website.

B. Minutes shall be submitted in a manner consistent with the Open Meeting Law (MGL c. 30A, § 22), and the Attorney General's Open Meeting Law Guide, and must include:
- the date, time and place of the meeting;
- the members present or absent;
- the decisions made and actions taken, including a record of all votes;
- a summary of the discussions on each subject;
- a list of all documents and exhibits used at the meeting; and
- the name of any member who participated in the meeting remotely.

C. Minutes submitted to the Town Clerk shall include, as reasonably possible, copies of all documents, exhibits, and electronic files of any audio or video presentations used at the meeting, including items created by the board members, or by others allowed to make presentations at the meeting.
(1) The term "used at the meeting" shall mean a document, exhibit, audio or video presentation that was (1) identified by name, or (2) presented at the meeting, and (3) discussed at the meeting.
(2) If copies of documents or other exhibits used at the meeting cannot be provided due to the physical nature of the exhibit (e.g., size of the exhibit, etc.), the specific filing location of the document or exhibit shall be identified.

D. The last page of the minutes shall include a section labelled Documents Used at This Meeting and shall list the names of each document that was used at the meeting.

; or do or act anything in relation thereto.

Proposed by: TOWN CLERK
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This Article clarifies the existing requirements for board, committee, or commission ("the board") meetings to maintain minutes and documents used at meetings. This Article adds the requirement that any audio or video presentation that a board allows to be displayed at a meeting be retained, regardless of who created the presentation. This Article also adds the requirement that the last page of the minutes includes a section labelled "Documents Used at This Meeting" with a list the names of each document that was used at the meeting. A recent review of minutes submitted to the town clerk revealed several instances where no documents were submitted by the board.*

ARTICLE 42: To see if the Town will vote to petition the General Court for the passage of special enabling legislation authorizing the Town to authorize, issue and sell pension obligation bonds to finance the Town's unfunded pension liability to the Worcester Regional Retirement System, fund any necessary reserves, and all other costs associated therewith, which special enabling legislation shall be in such form as the Select Board shall approve, and provided further that the Select Board may accept and approve any amendments required in such special act as required by the General Court, provided that such amendments do not materially impact the purpose of the Special Act, as may be approved hereunder; or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary*: This article will authorize the Town to seek special legislation that would allow the Town to retire its portion of the Worcester Retirement System unfunded liability. If market conditions were favorable the Town would seek Town Meeting approval to issue pension obligation bonds for this purpose.*

ARTICLE 43: To see if the Town will vote to transfer from Free Cash the sum of Thirty Thousand Dollars ($30,000) or such other amount as Town Meeting may approve for the purpose of funding events [i.e. fireworks, parade, public art, etc.] as authorized by the Tricentennial Committee celebrating the Town of Southborough's incorporation, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Support
Summary: *This funding will serve as seed money to support the work of the Tricentennial Committee. Expenditures will be approved by the Committee Chair [subject to approval by the Committee] and may include items like patriotic bunting, memorabilia, assistance with digital media or deposits on events such as fireworks, etc.*

ARTICLE 44: To see if the Town will vote to approve the Assabet Valley Regional Vocational Technical School Committee's vote on January 9, 2024, to establish a Stabilization Fund for the Assabet Valley Regional Vocational Technical School District, pursuant to Section 16G ½ of Chapter 71 of the Massachusetts General Laws, said Stabilization Fund, or do or act anything in relation thereto.

Proposed by: SELECT BOARD
Select Board Recommendation: Support
Advisory Committee Recommendation: Not Support
Summary*: The purpose of this warrant article is to help with the creation and support of a Capital Improvement Fund for the school district which would be governed by the AVRVSD School Committee. Historically, Assabet has been able to accommodate Capital Improvements through the use of Out-of-District Tuition and through grant opportunities, however, neither is a continued sustainable option.*

ARTICLE 45: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale of the 21 Highland St. property until January 1, 2028. It is agreed that the sale or transference of the property could be detrimental to the town until the following factors are resolved: There is currently a new school project being contemplated with an unspecified school price tag that could range as high as 60-100 Million dollars at his moment. The process of planning and building a new school could take another 3 or more years to complete. There is currently 300 408 housing units likely to be built in the next 3-5 years, and the MBTA community Act currently threatens the town with another potential 750 units of multifamily zoning by right, so in the next 3+ years to come the town could lose control of housing development in many areas of the town (there are 3800 housing units in the town currently, the total new burden could add a possible 26% population increase). Although it is unrealistic to expect the full number of units, the current school estimates do not take all of these factors into account, nor can we accurately project numbers with confidence having no control over the zoning, unit type, or building process. There is no current organizational model or plan to mitigate the possible cost or space need effects upon town departments, and no current plan for town

space needs if this rapid population growth occurs. The current space need plans are dependent upon the premise of building a new school, a historically neutral residential development plan, and turning over one of the current schools to general town use for multiple departments currently inhabiting other buildings, including Recreation, Family and Youth services (both in the 21 Highland property), Building Permit departments, senior center, and Facilities (all in the Cordaville hall building), who have all have been recommended in the space needs plan to vacate their current locations (and to move to Finn currently). If there is a problem with the plan (example: No new school, or other factors as high population growth), selling the 21 Highland St. property could leave the town with little recourse except to sign commercial leases for homeless departments, potentially making the town long term dependent upon the private real estate market fluctuations, and/or possibly build space, adding to town costs. A new school is currently not approved, but selling these properties could be used as financial incentive and space need leverage to coerce support for one, knowing the sale could instigate leases and costs created by a premature property sale and vacating actions by those departments. There is minimal financial risk to delaying a sale of the property for several years. There is a greater financial risk to selling the property prematurely if the building could better serve the short, middle, or long term interests of the town given the current factors facing the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary*: This is a citizen's petition.*

ARTICLE 46: To see if the Town will vote that the Town hereby resolves to own and rehab the current 21 Highland St. property for town, community, and/or rental use, using CPC and other bond allocations to fund the project when needed. The surrounding property will remain open for community use regardless of building use. It is required that the Select Board carry out the will of this resolution, and have a plan in place by the next town Meeting with the understanding that the citizenry will not entertain a proposal to dispose of the property till the year 2033. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary*: This is a citizen's petition.*

ARTICLE 47: To see if the Town will vote that the Town hereby resolves not to seek to sell, agree to sell, or enter into a sale the 21 Highland St. property until January 1, 2030. It is agreed that the citizenry prefers to tastefully retire use of the building at 21 Highland St., and keep the building at 21 Highland St. property owned by the town if or when departments housed wherein should move to other locations and there is no reason to keep the building in use. At such time, the 21 Highland St. building interior will be "Mothballed", the exterior of the windows protected with tasteful covers, the roof and exterior sealed, so the building will keep in a relatively preserved state til it should be desired for future use again, remodeling or demolition by the town. A vote for this Article shall supersede any prior decision made or entered into by the town without regard to, or for, the legal and financial consequences of violating any and all other agreements and contracts with private parties.

; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: At Town Meeting
Summary*: This is a citizen's petition.*

ARTICLE 48: The Citizens of Southborough hereby resolve that, any petition to the CPC for funding for a project, asset, or service on private land, or for private benefit and use, being not town owned or operated, should require a 2/3 majority passing vote tally for approval at Town Meeting; or do or act anything in relation thereto.

Proposed by: JOSEPH PALMER, et al.
Select Board Recommendation: Not Support
Advisory Committee Recommendation: Not Support
Summary*:* *This is a citizen's petition.*

And you are to give notice hereby by posting true and attested copies of the Warrant on the Town website, the Southborough Town House, 17 Common Street, Southborough Senior Center, 9 Cordaville Road, Southborough Library, 25 Main Street, and Southborough Transfer Station, 147 Cordaville Road; seven (7) days at least before the time appointed for such meeting.

Given under our hand this 4th day of March, 2024

SELECT BOARD OF THE TOWN OF SOUTHBOROUGH

RECEIVED
By Town Clerk/ksb at 2:03 pm, Apr 04, 2024

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Monday, March 19, 2024 6:00 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Al Hamilton, Marguerite Landry, Sam Stivers, Town Administrator Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:00 PM.

II. Public Comment

Mr. Bruce Sturgeon, 40 Atwood Road, requested that his property be tested sooner rather than later for lead contamination and at a depth of at least 24 inches, due to his proximity to the water tower.

III. Scheduled Appointments *(Board may vote)*

Mr. Dennington moved to Scheduled Appointment "b" at this time.

a. Pole Hearings: National Grid/Verizon

i. 6:35 PM; 121 Northboro Road

Mr. Purple read the public hearing notice into the public record. Mr. Dennington opened the public hearing at 6:36 PM. Mr. Hamilton recused himself from the matter, as a relative is an abutter and provides access to National Grid. Mr. Al Galvin, Engineer for National Grid, appeared before the Board on the matter. Mr. Galvin requested that a stabilizing pole holding a feeder monitor be installed to monitor voltages. There were no questions from the Board. Mr. Dennington moved to close the public hearing at 6:38 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (4-0-0). Mr. Dennington moved to approve the pole application for 121 Northboro Road. Mr. Stivers seconded the motion. The motion was unanimously approved (4-0-0).

Mr. Hamilton rejoined the meeting.

ii. 6:40 PM; 154 Northboro Road

Mr. Purple read the public hearing notice into the public record. Mr. Dennington opened the public hearing at 6:38 PM. Mr. Galvin requested that a stabilizing pole holding a feeder monitor be installed to monitor voltages. There were no questions from the Board. Mr. Dennington moved to close the public hearing at 6:39 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to approve the pole application for 154 Northboro Road. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

iii. 6:45 PM; 20 Jericho Hill Road

Mr. Purple read the public hearing notice into the public record. Mr. Dennington opened the public hearing at 6:40 PM. Mr. Galvin requested that a stabilizing pole holding a feeder monitor be installed to monitor voltages. Mr. Stivers asked if communication lines are located on any of the poles in question. Mr. Galvin stated that the application contains crossbars for stability to support adding communication lines but, presently, there are no communication lines. Mr. Dennington moved to close the public hearing at 6:43 PM. Mr. Stivers seconded the motion. The motion was unanimously

approved (5-0-0). Mr. Dennington moved to approve the pole application for 20 Jericho Hill Road. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

iv. 6:50 PM; 33 Turnpike Road

Mr. Purple read the public hearing notice into the public record. Mr. Dennington opened the public hearing at 6:43 PM. Mr. Galvin requested that a pole be installed for a commercial customer to support an EV charger. Mr. Stivers asked who pays for the pole. Mr. Galvin stated that the customer pays for the pole installation. Mr. Dennington moved to close the public hearing at 6:45 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Dennington moved to approve the pole application for 33 Turnpike Road. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Joint meeting with the Planning Board

Planning Board Chair Luttrell called the Planning Board meeting to order at 6:04 PM. Members present: Meme Luttrell, Lisa Braccio, Deb DeMuria and Marnie Hoolahan.

i. Approval of 2024 National Grid Vegetation Management Plan

Mr. Luke Fisk, from National Grid, appeared before the Board, via ZOOM, on the matter. He stated that this year's plan is similar to the 2023 Vegetation Management Plan (VMP). Mr. Hamilton recused himself from the matter, as a relative is an abutter and provides access to National Grid. The Board had no questions. Ms. DeMuria asked if National Grid coordinates with other pole users (i.e. providers). Mr. Fisk stated that National Grid only trims for the electrical assets. Ms. Luttrell asked for clarification that any hazard trees taller than 8 inches would be subject to the hearing process. Mr. Fisk confirmed that is the case. Mr. Tim Litt, 148 Woodland Road, stated he is concerned about the lack of coordination between National Grid and other pole users. He asked why National Grid stopped coordinating with other pole users and how National Grid might begin coordination. Mr. Fisk stated that the cable companies withdrew from prior agreements. Mr. Dennington moved that the Board approve the proposed National Grid Vegetation Management Plan for FY2025. Mr. Stivers seconded the motion. The motion was unanimously approved (4-0-0). Ms. Hoolahan moved that the Planning Board approve the proposed National Grid Vegetation Management Plan for FY2025. Ms. DeMuria seconded the motion. The motion was unanimously approved (4-0-0).

ii. Discussion of MBTA Communities bylaw and Special Town Meeting

Ms. Luttrell updated the Board on the steps the Planning Board and Planning Department have taken on behalf of the Town to comply with the MBTA initiative. Ms. Luttrell stated that the Planning Board only recently learned that the area within the .5-mile radius of the commuter rail station was not incompliance, relative to unit capacity, due to incorrect modeling by Bohler Engineering. She stated the Planning Board recommends that the Town seek relief from the State for the following: 1) a reduction in the unit capacity within the .5-mile radius of the commuter rail station, due to historical and geographical constraints; and 2) an extension of time to obtain compliance, due to the incorrect information from the consultant. The Board discussed how to move forward, given recent developments. Mr. Dennington stated that the Police Department budget/dispatchers matter would be addressed at a Fall Town Meeting and suggested the Planning Board bring forth the MBTA Communities bylaw at that time. The Board and Planning Board discussed timing of the approval of the MBTA Communities bylaw. The Planning Board agreed that a September Town Meeting would be preferable. Ms. Braccio noted that an additional Special Town meeting would need to be scheduled by December 31, 2024, if the bylaw is not approved at a Fall Town Meeting. The Board and Planning Board agreed the Planning Board would draft a letter, with the assistance of Town Counsel, to the State requesting relief for reasons 1 and 2 described above. The Board and Planning Board agreed to move forward with compliance, regardless of the outcome of the Town's request to the State. Ms. Braccio moved to adjourn the Planning Board meeting at 6:33 PM. Ms. DeMuria seconded the motion. The motion was unanimously approved (4-0-0). Mr. Andrew Pfaff, 50 Oak Hill Road and Chair of the Advisory Committee, suggested the Town write a letter to the State Auditor

requesting a determination as to whether or not the MBTA Communities initiative is an unfunded mandate. The Board took no action on the suggestion.

Mr. Dennington moved to Scheduled Appointments "a" at this time.

c. Committee Appointments/Interviews:

i. Destin Heilman – 21 Highland Street Future Use Committee; term to expire 6/30/2024

Destin Heilman appeared before the Board on the matter. The Board interviewed Dr. Heilman. Mr. Dennington moved to appoint Destin Heilman to the 21 Highland Street Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

ii. Albena Philippo – 21 Highland Street Future Use Committee; term to expire 6/30/2024

Albena Philippo appeared before the Board, via Zoom, on the matter. The Board interviewed Ms. Philippo. Mr. Dennington moved to appoint Albena Philippo to the 21 Highland Street Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

iii. Frederica Gillespie – Open Space Preservation Commission Rep. to 21 Highland Future Use Committee; term to expire 6/30/2024

Frederica Gillespie did not appear before the Board on the matter. Mr. Dennington moved to appoint Freddie Gillespie as the Open Space Preservation Commission Rep. to the 21 Highland Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion passed (4-1-0). Mr. Hamilton voted against the motion.

iv. Maria Romero Vagnini-Scholarship Committee, term to expire 6/30/2024

v. Christine Pearson-Scholarship Committee, term to expire 6/30/2024

Maria Romero Vagnini and Christine Pearson appeared jointly before the Board on the matter. The Board interviewed Ms. Romero Vagnini and Ms. Pearson. Mr. Dennington moved to appoint both Maria Romero Vagnini and Christine Pearson to the Scholarship Committee, terms to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Purple announced that Scholarship applications are due on May 9th and further information can be found on the Town's website. He also stated he would place a notice in his weekly newsletter.

vi. Lisa Braccio-Scholarship Committee, term to expire 6/30/2025

Lisa Braccio did not appear before the Board on the matter. Mr. Dennington moved to appoint Lisa Braccio to the Scholarship Committee, term to expire 6/30/2025. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

vii. Appoint Johanna Sheyner as the Recreation Commission Rep. to 21 Highland Future Use Committee; term to expire 6/30/2024

Johanna Sheyner did not appear before the Board on the matter. Mr. Dennington moved to re-appoint Johanna Sheyner as the Recreation Commission Rep. to the 21 Highland Future Use Committee, term to expire 6/30/2024. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. DPW Superintendent Bill Cundiff and water consultant Matt Abrahams: FY25 water rates discussion

Mr. Dennington addressed this matter after the Consent Agenda. Mr. Abrahams and DPW Superintendent Cundiff appeared before the Board on the matter. Mr. Abrahams presented the water rate study, which included recommendations for the Town to consider. The Board discussed how to pay for the Atwood lead issue and agreed that funding could be addressed at a Special Town Meeting. The Board acknowledged that the water rate recommendations do not include addressing payment for the Atwood lead issue. Mr. Abrahams stated that weather patterns play a role in water revenue for the Town. The Board discussed the options presented by Mr. Abrahams, including an increase spread over 3 quarters versus 4 quarters. The Board agreed with the methodology used to determine the rates, which included increases in the base and rate charges. Mr. Dennington moved

to approve the FY25 water rates as reflected on slide 7 of the presentation by Mr. Abrahams. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Superintendent Cundiff stated that he would frequently return to discuss water rates with the Board on a case-by-case basis.

The Board recessed at 8:09 PM and returned at 8:18 PM to discuss Other Matters.

IV. Reports

a. Chair's Report

i. Close-out of MA DLS citation re: Transfer Station

Mr. Dennington reported that the DPW had quickly and successfully resolved issues surrounding the recent incident at the Transfer Station and subsequent citation issued by the Massachusetts Department of Labor Standards.

ii. Update on CPC-Select Board discussion regarding CPC community housing funds

Mr. Dennington reported that the Community Preservation Commission (CPC) has invited the Affordable Housing Trust Fund Committee (AHTFC) to a meeting on April 25th to discuss the direct transfer of Community Preservation Act (CPA) funds to the AHTFC for the purposes of assisting with increasing the Town's affordable housing stock.

iii. Northboro Road 61A parcels

Mr. Dennington reported that the Town has not received a response to the letter sent to the property owner, which stated the Town did not believe the owner's offer was in compliance with State requirements. He also stated that Mr. Purple had requested feedback on potential uses of the parcels by April 12th from the Planning Board, SHOPC, the Open Space Preservation Commission and the Recreation Commission. Mr. Dennington stated that the feedback would be discussed at the Board's April 23rd meeting. He noted that the Board would need to choose whether or not to exercise its right of first refusal before June 4, 2024.

b. Member's Report

i. Update on Neary Building project

Ms. Cook reported that the Neary School Building Committee (NSBC) would hold another informational session on April 11th to provide information and obtain public feedback on the project. She stated that on May 14th, the NSBC would submit the scope of potential solutions to the Massachusetts School Building Authority (MSBA) and, over the summer, Arrowstreet would evaluate the options and make a recommendation to the MSBA on August 29th. Ms. Cook stated the MSBA would make a determination on the recommendation in October.

ii. Regional Dispatch

Mr. Hamilton stated that he and Mr. Stivers met with the Police Chief, sergeants and lieutenants to understand the requirements of a successful regional dispatch system and will meet with similar representatives of the Fire Department in the next two weeks. He reported that he and Mr. Stivers met with representatives from Westborough and learned they are 28-30 months away from opening their Regional Emergency Communications Center (RECC). He stated that the Town Administrator from Grafton has experience with regional dispatch and would share that information. Mr. Stivers stated that the Police Staffing Study would provide important information regarding regional dispatch prior to the Fall Town Meeting.

iii. ATM/Easter Egg Hunt parking

Mr. Hamilton stated he had coordinated with the group hosting the Easter Egg Hunt and reported that the Police Department had created a parking and overflow-parking plan for Saturday, March 23rd to accommodate both events. Ms. Cook stated she does not think any events should be scheduled on Town property on Town Meeting Day.

iv. Atwood lead update

Mr. Hamilton reported that the secondary report had been received confirming there is a lead issue at the site and may be potential leaching. He stated that the next step would include testing in a grid fashion. He suggested the testing consultant appear before the Board to discuss the matter. He also stated that he is forwarding information to abutters. Mr. Dennington asked about the cost of testing. Mr. Hamilton stated that the estimate for comprehensive testing is approximately $80,000. DPW Superintendent Cundiff described the comprehensive testing process and noted that there were no PCBs found and PFAs are not associated with this matter. The Board discussed potential funding for the testing.

c. Town Administrator's Report

There was no Town Administrator's report.

V. Consent Agenda

a. Approve Open Session Meeting Minutes: February 27, 2024; March 4, 2024

Mr. Dennington requested to hold Consent Agenda item "a." **February 27, 2024, minutes:** Mr. Dennington and Mr. Stivers had scrivener's changes to the minutes. Mr. Dennington moved to approve the February 27, 2024, minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). **March 4, 2024, minutes:** Mr. Stivers had scrivener's changes to the minutes. Mr. Dennington moved to approve the March 4, 2024, minutes, as amended. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

b. Approve Community Center Exploration Committee Meeting Minutes: January 22, 2024

c. Approve request to exchange cemetery graves in the Rural Cemetery

Ms. Cook requested to hold Consent Agenda item "c." Ms. Cook asked about the procedure when a request occurs. Mr. Purple stated that requests are rare but, historically, the Board has approved such requests. Mr. Dennington moved to approve Consent Agenda item "c." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

d. Approval of job descriptions:

i. IT Manager
ii. Senior IT Specialist
iii. Accountant
iv. Assistant Accountant

Mr. Dennington moved to approve Consent Agenda items "b" and "d." Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

a. Town Meeting preparation

ii. Assignment of motions/presentation for Warrant articles

The Board agreed Mr. Dennington would present Article #33 – to amend the Special Act, Mr. Stivers would present Article #34 –the creation of the Public Works Advisory Committee (PWAC) and Ms. Cook would present Article #35 – amending the membership requirement for the Capital Improvement and Planning Committee (CIPC). The Board also agreed to be prepared to discuss any split votes that occurred. The Board discussed how to present Article #5 – the Town Budget – relative to Article #6 and Article #7. The Board agreed to discuss the process the Board will take prior to a Fall Town Meeting where the Town would be asked to decide the dispatch/regionalization matter. Mr. Hamilton moved that it be the policy of the Town of Southborough that the Select Board, in the event it desires to enter into a RECC, will make a presentation to Town Meeting to seek its advice, understanding that the ultimate decision resides with the Select Board. Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0). Mr. John Butler, 4 Davis Road, stated he would move to indefinitely postpone Article #8 at Town Meeting after the Board described their vote taken regarding Mr. Hamilton's motion this evening. Ms. Cook agreed to present the

Board's position at Town Meeting as to why it voted 3-2 not to support Articles #6 and #7. Mr. Litt stated that the slides for Articles #33 and #34 describe the process for both Articles and must be sent to the IT Department for display at Town Meeting. Mr. Cimino requested that the slides be submitted soon, as the deadline for submission of such materials for Town Meeting was March 18th. The Board agreed not to hand out the FAQs for Articles #33 and #34 at Town Meeting. Mr. Purple will submit the materials for Articles #33 and #34 to the Town Clerk tomorrow.

iii. Discussion of Select Board report to Town Meeting

Mr. Hamilton suggested that the Board deliver a brief report at Town Meeting, which provides an overview of the issues facing the Town for the next 3-4 years. The Board discussed the lack of time to prepare the report and discussed other vehicles to deliver this type of information from the Board, including Southborough Access Media (SAM), the Town website and mailers. Mr. Paul Cimino, Town Moderator, clarified that reports unrelated to specific articles would take place prior to the start of Town Meeting and there would be opportunities for the Board to speak as sponsors of specific articles. The Board agreed not to move forward with Mr. Hamilton's suggestion at this time but consider other opportunities to communicate the information.

iv. Discussion of FY25 recommended Police and Communications budget and future of dispatch operations

See Other Matters a. ii. above.

b. Amend charge to the 21 Highland Street Future Use Committee

The Board discussed the matter and agreed to the following changes to the 21 Highland Street Future Use Committee: 1) extend the charge's expiration date to December 31, 2024; change the interim report due date to no later than November 30, 2024; and 2) change the final report due date to no later than January 1, 2025. Mr. Dennington moved that the Board approve the amendments to the 21 Highland Street Future Use Committee, as described above. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

c. Approve Select Board meeting calendar from April 1, 2024 through June 30, 2024

The Board agreed with the meeting schedule through June 30, 2024, as presented in tonight's packet. The Board agreed to hold Office Hours on the following dates from 6-7 PM: April 9th – Ms. Cook and Mr. Dennington and June 11th – Ms. Landry and Mr. Hamilton.

d. Discussion of Special Town Meeting dates

The Board discussed potential Fall Town Meeting Dates and agreed that Monday, September 23rd, is a strong possibility but will make a final decision at a later date. Mr. Purple will investigate logistics for a September 23rd meeting.

VII. Public Comment

There was no public comment.

VII. Adjournment

Mr. Dennington moved to enter Executive Session per M.G.L. Chapter 30A, Section 21, and not return to Open Session at 9:24 PM for the following purpose: (1) to review and approve Executive Session minutes from October 24, 2023. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye; Mr. Hamilton, aye (5-0-0).

PETITION FOR JOINT OR IDENTICAL POLE LOCATIONS

To the Board of Selectmen
Of Southborough, Massachusetts

Massachusetts Electric Company d/b/a NATIONAL GRID and Verizon New England, Inc requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Northborough Road - Install one JO Pole on Northborough Road. Beginning at a point approximately 919 feet West of the centerline of the intersection of Jericho Hill Road. Install midspan: 46-50, 45'Cl.2 between Poles 47 and 46. Install feeder monitor, comm unit, and three lighting arrestors.

Location approximately as shown on plan attached.

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Northborough Road - Southborough, Massachusetts.

No.# 30852982

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

ORDER FOR JOINT OR IDENTICAL POLE LOCATIONS

To the Board of Selectmen
Southborough, Massachusetts

Notice having been given and public hearing held, as provided by law,
IT IS HEREBY ORDERED: that Massachusetts Electric Company d/b/a NATIONAL GRID and VERIZON NEW ENGLAND INC. (formerly known as NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY) be and they are hereby granted joint or identical locations for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining and protecting fixtures as said Companies may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said Companies dated the 7th day of December 2023.

All construction under this order shall be in accordance with the following conditions:
Poles shall be of sound timber, and reasonable straight, and shall be set substantially at the points indicated upon the plan marked – Northborough Road - Southborough, Massachusetts.

No.# 30852982

Filed with this order:

There may be attached to said poles by Massachusetts Electric Company d/b/a NATIONAL GRID and Verizon New England Inc. such wires, cables, and fixtures as needed in their business and all of said wires and cables shall be placed at a height of not less than twenty (20) feet from the ground.

The following are the public ways or part of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this order:

Northborough Road - Install one JO Pole on Northborough Road. Beginning at a point approximately 919 feet West of the centerline of the intersection of Jericho Hill Road. Install midspan: 46-50, 45'Cl.2 between Poles 47 and 46. Install feeder monitor, comm unit, and three lighting arrestors.

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

PETITION FOR JOINT OR IDENTICAL POLE LOCATIONS

To the Board of Selectmen
Of Southborough, Massachusetts

Massachusetts Electric Company d/b/a NATIONAL GRID and Verizon New England, Inc requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Jericho Hill Road - Install one JO Pole on Jericho Hill Road. Beginning at a point approximately 23 feet Southwest of the centerline. Install P5-50, 45 CL2. Install FM on P5-50, extend secondary from P4.

Location approximately as shown on plan attached.

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Jericho Hill Road - Southborough, Massachusetts.

No.# 30853123

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

Select Board

Vegetation Management Plan Approval FY 25
(April 1st 2024 to March 31st 2025)

This vegetation management plan is hereby approved in accordance with Massachusetts General Laws, Chapter 87, Public Shade Tree Law, Section 14 (Vegetation Management Plan). The Applicant is National Grid, Forestry Department, c/o David Donoghue, 245 South Main Street, Hopedale MA 01747

Requested conditions & modifications to standards agreed to by National Grid Forestry Department:

Condition: Locations with number of crews will be provided to the Tree Warden Designee (Chris Leroy) daily by the contractor supervisor via email.

Condition: A list of circuits and maps will be provided at the beginning of this fiscal year.

Condition: Tree Warden Designee (Chris Leroy) will be present on first day of trimming with crews to observe work and provide insight and preferences on work style. Spot checks will occur throughout the duration of the project; feedback from these checks will be reviewed with the crews.

Condition: Trees will not be "topped" in the course of trimming and maintenance.

APPROVAL:

National Grid Utility Vegetation Management Annual Plan: Southborough, MA FY 25 (April 1st 2024 to March 31st 2025)

- National Grid Prunes on a fiscal year basis; April 1st to March 31st. The end date may fluctuate due to lost time responding to storm events.
- This Vegetation Management Annual Plan for FY 25 covers work on the following roads, listed by feeder/circuit:
  - 317w1 – Ward Road, Johnson Road, Bigelow Road, Brigham Street, Granuaile Road, High Street, Main Street, Coslin Drive
  - 317w3 – Northboro Road, Main Street, Parkerville Road, Turnpike Road, Middle Road, Breakneck Hill Road, Mount Vickery Road, View Hill Road, Woodland Road, Gilmore Road, Summit Road, Fairview Drive, High Ridge Road
- Locations with number of crews will be provided to the Tree Warden Designee (Chris Leroy) daily by the contractor supervisor via email.
- The equipment the crews will be utilizing are as follows: 45ft, 60ft & 70ft bucket trucks with disk chippers. Equipment used for trimming will vary from hydraulic stick saws, pruning chain saws and hand saws.
- A list of circuits and maps will be provided at the beginning of this fiscal year.
- Police details will be utilized for traffic control for the safety of the public and tree crews. School zones will be prioritized to possibly be done during non-school times.
- David Donoghue, National Grid Forestry Supervisor, will be the first point of contact. The name and number of the General Foreman managing the tree crews will also be made available.
- We do not have any hazard tree removal work planned currently for these circuits. Hazard tree removals will be handled through a public hearing as needs arise based on requests from residents or needs of electrical equipment upgrades arise.

Scope of work:

-4.1 Pruning Standards: All pruning shall be performed in accordance with ANSI A300 standards as well as the Best Management Practices – Tree Pruning publication. All cuts shall be made at a parent branch or limb, so that no stub shall remain. In cutting back a branch, the cut shall be made at a crotch or node where the branch being removed is at least one-third the diameter of the parent limb. All pruning cuts shall be made in accordance with proper collar cutting methods, utilizing drop crotch principles to minimize the number of pruning cuts, promote natural growth patterns, and maintain tree health and vigor (ANSI A300). Climbing irons or spurs shall not be used in pruning a shade/ornamental tree to be saved. Tree wound dressings shall not be applied.

-4.2 Line Clearance within Maintained Areas: All overhead primary lines shall be pruned to provide a minimum of ten (10) feet of overhead clearance, a minimum of six (6) feet of side clearance from the outermost phase and a minimum of ten (10) feet of clearance below the wires. The contractor

David Donoghue, Southeast Forestry Supervisor, 245 South Main Street, Hopedale MA 01747

shall recognize that the use of ANSI A300 standards and techniques will result in clearances beyond the dimensions noted above.

-4.2.1 The main trunk of the tree or major leads which are structurally sound and healthy may be left growing within these distances as long as none of the smaller diameter end branches are within the clearance dimensions. In that case the lead must be removed.

-4.2.3 The contractor shall ground cut any new volunteer growth capable of growing into the wires from around poles, guys, fences, etc. within the maintained yard areas after notifying the property owner.

-4.2.5 Contractor shall exercise extreme care when pruning ornamental plantings. Species, growth rates and growth characteristics should be taken into account and may require differing clearances.

-4.2.6 All slash from pruning in maintained areas shall be disposed of through chipping.

-4.3 Line Clearance Outside of Maintained Areas: All overhead lines shall be pruned to provide a minimum of fifteen (15) feet of overhead clearance and six (6) feet of side clearance from the outermost phase.

-4.3.3 The contractor shall ground cut all trees and shrubs which have the ability to interfere with the conductor out to the limits of the existing maintenance corridor. Ground cutting shall include stems of eight (8) inches d.b.h. or less.

-4.3.6 All slash along the roadway or near residences shall be disposed of by chipping.

-4.4 All dead or damaged overhead limbs, branches or leads that are capable of falling onto overhead primary wires from above or alongside the right-of-way and potentially causing a tree outage, shall be removed at the time of pruning.

-4.6 Pruning Clearance for Secondary and Service Lines:

-4.6.1 All secondary wire (triplex and open wire), other than that serving streetlights only, shall be pruned to provide a minimum of eighteen inches of clearance from wire to vegetation.

-4.6.2 All service wires (triplex or open wire) and street light secondary on the circuit shall be inspected at the time of scheduled vegetation maintenance. For branches that are either making hard contact with the service wire, pushing on or creating tension enough to force the wire out of a natural arc, or redirecting the wire out of a straight-

nationalgrid

line run, the vendor shall do whatever pruning is necessary to correct that situation. The entire service drop need not be pruned, only the point of conflict.

-4.6.3 For open wire services, pruning is required for all the situations noted in 4.6.2 as well as anytime vegetative growth is forcing the three wires out of their normal configuration. The vendor must take extra care when pruning around open wire services so not to cause a service interruption to our customers.

-4.10 Vine Control: All vines growing on poles, guy wires, stub poles or towers shall be cut so as to create a "growth gap" of 4 feet. Contactors should not attempt to remove vines from any structure.

Feeder Number	Voltage (KV)	Circuit Miles (not all in Southborough)
317w1	13.8	8.77
317w3	13.8	11.5

David Donoghue, Southeast Forestry Supervisor, 245 South Main Street, Hopedale MA 01747

FOREWORD

This specification documents the objectives, practices and procedures for vegetation management on National Grid companies' distribution circuits in **Massachusetts only**. The specification also defines the responsibilities of National Grid vegetation management personnel and contractors, identifies procedures to be followed by contractors performing all work and defines the requirements to maintain vegetation acceptable to the Company.

Questions or inquiries regarding information provided in this document should be referred to the National Grid's Manager of Vegetation Strategy.

Bert Stewart III

2	July 2, 2019	Edited section regarding service drops
3	May 14, 2020	Added Seth as Manager of NE Forestry
4	May 24, 2021	Updates for FY23 RFP
5	July 5, 2022	Updates for FY24 RFP

nationalgrid

I. Scope/Intent

1.1 These specifications cover the cutting, clearing, pruning, tree removal and herbicide treatment of vegetation along overhead electric distribution lines and the corresponding substations. The intent is to define the minimum clearances to be obtained between the overhead conductors and vegetation that will be acceptable to National Grid. These specifications are strictly for use on overhead line maintenance pruning projects. This is not a specification to be used for enhanced hazard tree removal, new construction clearing or rebuild construction clearing.

II. Program Objectives:

2.1 The goals and objectives of the NGRID Distribution Line Clearance program are to provide safe, reliable, electric service through a cost effective, integrated vegetation management program. NGRID acknowledges differences in the manner in which various landowners respond to the need for routine line clearance activities, together with occasional differences in easement rights. Therefore, these specifications are designed to address:

- the minimum clearance requirements necessary to sustain safe, reliable electric service while striving to satisfy the concerns of sensitive customers,
- and the optimum clearance requirements necessary to sustain an appropriate level of safety and reliability.

III. Definitions:

Maintained Area: Generally defined as an area where the landowner or occupant is mowing the lawn and/or caring for gardens, ornamental shrubs or trees in the area under and immediately adjacent to the distribution poles. It includes commercial land uses such as business areas, parking lot edges and the tree lawn areas along urban and suburban streets. Un-maintained areas, of course, hold the opposite of these characteristics. It should be noted that within residential (maintained) areas there may be small sections of un-maintained property between yards or along the roadside of residential front lawns, etc. These small sections shall be treated as maintained areas for the purposes of this specification.

Mature Tree Line: A generally straight and contiguous line of trees nine (9) inches d.b.h. or greater, that mark the boundary between the forested edge and the maintenance corridor. In the case of an existing mature tree line, there may be individual mature trees that are rooted closer to the pole centerline than the common mature tree line. In these instances the mature tree line continues behind those individual trees.

Maintenance Corridor: The area physically located under and alongside the overhead distribution feeder bounded by the mature tree line when one exists. In the absence of a mature tree line the maintenance corridor is defined as the area that is at least ten (10) feet either side of the pole centerline or equal to the previously maintained dimensions if greater than ten (10) feet.

Service Drop or Service Line: The last span of triplex or open three wire extending to the building or meter pole or a multi-span run of either triplex or open three wire that serves a single customer. This does not include street light services.

Secondary: The conductor, either triplex or open wire, which extends from the transformer to the Service Drop. Secondary spans may run along under primary spans or separately.

Street Light Secondary: The conductor, either triplex or open wire, which leaves the primary pole to pole configuration and extends out to service a street light or lights.

IV. Scope of Work:

4.1 Pruning Standards: All pruning shall be performed in accordance with ANSI A300 standards as well as the Best Management Practices – Tree Pruning publication. All cuts shall be made at a parent branch or limb, so that no stub shall remain. In pruning back a branch, the cut shall be made at a crotch or node where the branch being removed is at least one-third the diameter of the parent limb. All pruning cuts shall be made in accordance with proper collar cutting methods, utilizing drop crotch principles to minimize the number of pruning cuts, promote natural growth patterns, and maintain tree health and vigor (ANSI A300). Climbing irons or spurs shall not be used in pruning a shade/ornamental tree to be saved. Tree wound dressings shall not be applied.

4.2 Line Clearance within Maintained Areas: All overhead primary lines shall be pruned to provide a minimum of ten (10) feet of overhead clearance, a minimum of six (6) feet of side clearance from the outermost phase and a minimum of ten (10) feet of clearance below the wires. The contractor shall recognize that the use of ANSI A300 standards and techniques will result in clearances beyond the dimensions noted above.

4.2.1 The main trunk of the tree or major leads which are structurally sound and healthy may be left growing within these distances as long as none of the smaller diameter end branches are within the clearance dimensions. In that case the lead must be removed.

4.2.2 Where greater clearances have been achieved in previous cycles, the pruning shall be completed so as to re-establish the clearances in a manner that equals or exceeds the previous clearance conditions.

4.2.3 All ground cutting shall be treated with approved/appropriate herbicide, any new volunteer growth capable of growing into the wires from around

poles, guys, fences, etc. within the maintained yard areas after notifying the property owner.

4.2.4 It is an objective of National Grid's program to continually strive to reduce the number of under-wire tree and branch growth that will continually require pruning, by removing as many stems and growth as possible on each cycle. The Contractor is expected to emphasize this type of removal through the landowner contacts made by their customer contact personnel.

4.2.5 Tree workers shall exercise extreme care when pruning ornamental plantings. Species, growth rates and growth characteristics should be taken into account and may require differing clearances.

4.2.6 All slash from pruning in maintained areas shall be disposed of through chipping. Large diameter wood may remain on site provided it is cut into manageable lengths and piled neatly. Smaller debris shall be raked up and removed so as to leave the property in a condition equal to the start of work.

4.3 Line Clearance Outside of Maintained Areas: All overhead lines shall be pruned to provide a minimum of fifteen (15) feet of overhead clearance and six (6) feet of side clearance from the outermost phase.

4.3.1 Along off-road sections tree workers shall completely remove all side branches that extend into the maintenance corridor from below and beside the lines in order to "box out" the maintenance corridor. This practice will minimize future pruning efforts as well as improve storm restoration and line inspection efficiencies.

4.3.2 Where greater clearances have been achieved in previous cycles, the pruning shall be completed so as to re-establish the clearances in a manner that equals or exceeds the previous clearance conditions.

4.3.3 The contractor shall ground cut all trees and shrubs which have the ability to interfere with the conductor out to the limits of the existing maintenance corridor. Where a maintenance corridor does not already exist, ground cutting shall be performed for a minimum distance of ten (10) feet either side of centerline. Ground cutting shall include stems of eight (8) inches d.b.h. or less, all as part of the fixed price bid. Along individual spans that have been previously maintained using National Grid's past eight (8) foot targeted ground cutting specification (trimming and removal) the same approach shall be utilized.

4.3.4 Where trees beyond the limits of the maintenance corridor are extending into the corridor, the contractor shall either prune those limbs back or have the option to remove the tree as part of the fixed price bid. For trees, eight (8) inches d.b.h. or less, where the top of the tree is leaning out into the corridor so that topping would be the only possible correction, the tree shall be ground cut and treated as part of the fixed price bid.

4.3.5 Stumps shall be cut flat and as close to grade as possible.

4.3.6 All slash along the roadway or near residences shall be disposed of by chipping or mowing/mulching. Where practical, chips may be blown back onto the site without creating large chip piles. On off-road, un-maintained sites, slash shall be mowed/mulched or neatly windrowed to the edge of the maintenance corridor and cut to lie close to the ground, away from sensitive locations. No debris shall be left anywhere that will potentially block access, significantly alter any drainage or water resource, or create any unsafe condition for the public. Alternatives to these practices must be approved by National Grid's Forestry representative and by the current landowner.

4.4 All dead or damaged overhead limbs, branches or leads that are capable of falling onto overhead primary wires from above or along side the right-of-way and potentially causing a tree outage, shall be removed at the time of pruning, and included in the fixed price bid.

4.5 For all pine species growing above the overhead clearance limits with boughs overhanging primary conductor - All overhanging boughs shall be shortened so to reduce the length of the branch by approximately 1/3 without removing all needle growth from the entire branch. This shall be done in a progressive manner beginning at the upper clearance dimension (10 or 15 feet) and working upwards generally two (2) whorls in the tree as necessary to reduce the likelihood of a long pine bough loaded with ice or wet snow, drooping down or breaking onto the conductors.

4.6 Pruning Clearance for Secondary and Service Lines:

4.6.1 All secondary wire (triplex and open wire), other than that serving streetlights only, shall be pruned to provide a minimum of eighteen inches of clearance from wire to vegetation.

4.6.2 All service wires (triplex or open wire) and streetlight secondary on the circuit shall be inspected at the time of scheduled vegetation maintenance. For branches that are either making hard contact with the service wire, pushing on or creating tension enough to force the wire out of a natural arc, or redirecting the wire out of a straight-line run, the vendor shall do whatever pruning is necessary to correct that situation. The entire service drop need not be pruned, only the point of conflict.

4.6.3 For open wire services, pruning is required for all the situations noted in 4.6.2 as well as anytime vegetative growth is forcing the three wires out of their normal configuration. Extra care must be taken when pruning around open wire services so not to cause a service interruption to our customers.

4.7 Multiple Circuits and Under-builds: All distribution circuits on a pole, unless otherwise called out on the bid documents, shall be pruned. Where a distribution circuit is under-built below a sub-transmission line the contactor is responsible for

the pruning of both the distribution circuit as well as the over-built circuit utilizing the specification of the higher voltage circuit unless otherwise directed in the bid documents. The contractor is also responsible for work on any primary, secondary or service tap running off the sub-transmission pole line along that specific distribution circuit. Any exceptions to the above will be explained at the time of bidding. Reference the appropriate sections of either National Grid's Sub-T IVM and/or Sideline specifications depending on the under-built situation.

4.8 Circuits along Transmission Rights-of-Way: The same specifications shall be employed on all sections of distribution circuits that run along segments of transmission rights-of-way except for areas where the distribution circuit is actually under-built on the same pole. In those cases, the above section will apply. Any exceptions to the above will be explained at the time of bidding.

4.9 Substation Clearances: All vegetation within 10' of the substation fence shall be pruned, from ground to sky, removed and chipped and no overhanging branches shall be allowed to remain. Where shrubs and trees have been planted for screening purposes and are rooted within the 10' distance, only the fence side branches shall be removed. Any volunteer growth (natural regeneration) rooted within the 10' distance shall be removed.

4.10 Vine Control: All vines growing on poles, guy wires, stub poles or towers shall be cut so as to create a "growth gap" of 4 feet and treated (where appropriate) with a herbicide approved by the company. Do not attempt to remove vines from any structure.

4.11 Hazard Tree Inspection and Removal: Other than work required in previous sections, the removal of any tree over 8 inches d.b.h. within the maintenance corridor or outside the maintenance corridor shall be considered a hazard tree removal and is outside the fixed price bid.

4.11.1 While pruning the circuit, the contractor's personnel shall perform a visual inspection of each tree along the circuit in order to identify potential defects and determine the potential risk for the tree to cause an interruption over the length of the pruning cycle. The crew shall work closely with National Grid Forestry representative to determine potential hazard trees, preparing a list of trees in accordance with National Grid's Hazard Tree Reporting Form. The completed lists of potential hazard trees shall be regularly provided to the Forestry representative for review and approval prior to removing any of those specific trees. Exceptions to this procedure may be approved to enable removals of trees that have been pre-identified as hazard trees by National Grid representatives, trees that pose an imminent risk, or to authorize hazard tree removals in off-road areas where a skidder bucket is already on site.

4.11.2 Once a crew completes the removals on an approved list they shall note the completion details on the Hazard Tree Reporting Form. This form shall be submitted to the Forestry representative on a timely basis. Once the list is audited the contractor may submit an invoice for that specific work.

V. Contractor Requirements

5.1 The Contractor shall do all work and furnish all labor including supervision, tools, machinery and transportation necessary for the pruning, removal and herbicide treatment of trees to provide acceptable vegetation clearance for overhead lines of National Grid. Work at the fixed price rates will be designated on the distribution circuit maps and identified in the pre-bid documents. Work at the fixed price is based on overhead primary miles of line, and includes pruning, tree and lead removal and herbicide treatment to all primary, secondary, service drops, and substation fence areas as clarified in the Work Scope section of this specification. Work at unit prices and/or hourly rates as also defined in the Work Scope section will be designated at the pre-bid meeting or by a National Grid Forestry representative as required.

VI. Contractor's Responsibility

6.1 The Contractor shall provide all necessary supervision, labor, material, tools and equipment for the safe execution of all work covered by these specifications.

6.2 The Contractor shall employ a competent field supervisor and customer contact person(s) acceptable to the Corporation, in addition to the crew Foreman and senior Company management. Notification personnel shall be qualified in tree identification including identification of "proper under powerline trees". The supervisor shall be available to the Corporation at all reasonable times during the entire extent of the project and/or contract. In addition, at least one member of each stand-alone crew or unit of crews shall be fluent in the English language and on-site.

6.3 The Contractor shall comply with all building and sanitary laws and all Federal, State, County, Town and Municipal laws, ordinances and regulations pertaining to the work. The contractor shall be responsible for obtaining all permits necessary to perform the work unless otherwise provided by National Grid.

6.4 The Contractor shall notify each landowner and inform them of the clearing, removal, pruning and herbicide work to be done, and where appropriate, agree on access point(s), before crossing the property and then abide by the same. The

Contractor shall designate a Customer Contact Person(s) for each project they are awarded and communicate that name and phone contact information for that person to the National Grid forestry representative for that project.

6.5 In the event that the Contractor cannot locate the landowner after using all reasonable measures, or upon locating them is aware of an objection to the work to be performed, the Contractor shall document the landowners concern and then notify the National Grid's forestry representative within 24 hours in order to obtain specific instructions and/or their permission prior to commencing work on that property.

6.6 In addition to the above notifications, where herbicide applications will be made, the Contractor must follow any and all current notification requirements of any applicable regulations.

6.7 The Contractor shall be held solely liable and indemnify National Grid fully for any and all claims and legal expenses for damage to crops, land, trees or otherwise resulting from such violations, failure or damages arising out of the Contractor's negligence. The Contractor shall not be liable for claims or suits for damage to property if the work causing such damage is done under specific direction from NGRID.

6.8 The Contractor shall replace or make necessary repairs to all property destroyed or damaged in the course of the work and exercise due care and diligence in adequately protecting all properties, both real and personal, from damage of whatsoever nature whenever crossed over, on, or in the vicinity of the work. If the contractor neglects or fails to promptly make said repairs or make good of said destruction, the Corporation may make any and all necessary repairs to the satisfaction of the property owner and the Contractor agrees to promptly reimburse the Corporation the amount of its incurred cost and expenses.

6.9 The contractor shall inform the National Grid Forestry representative of their intent to start work at least two weeks prior to the start of any action on a feeder.

6.10 The Contractor shall implement and provide the required training and certification programs necessary to provide fully qualified Line Clearance Tree Trimmers or Line Clearance Tree Trimmer Trainees. A single Foreman may supervise multiple bucket trucks on the same project. In that case however, the minimum qualifications for the "lead" person on each of the other trucks shall be a certified qualified Line Clearance Tree Trimmer. At least one other employee on the truck shall be at least a qualifying Line Clearance Tree Trimmer Trainee, in accordance with all applicable OSHA requirements.

6.11 The Contractor shall submit a weekly time report to the National Grid Forestry representative, indicating the labor and equipment assigned to the project, amount of work accomplished, quantities and location of herbicide applications and location of the work.

6.12 The Contractor shall provide a monthly summary report to Distribution Forestry, identifying crew staffing and equipment by area as of the first of each month, to be submitted by the 5th of each month or the following Monday should the 5th fall on the weekend. The report shall also identify work type (e.g., such as hourly, new construction, danger trees, mowing; lump sum or unit price) by project, percentage complete for all fixed price projects, and anticipated completion dates.

6.13 The Contractor shall provide a monthly OSHA injury summary report in a format supplied by National Grid for the previous month, no later than the 10th of the month or the following Monday should the 10th fall on the weekend. The data in the report shall be separated by state as well as reported for the overall Contractor Company for any and all United States operations.

6.14 By April 10th of each year, the contractor shall provide a list of employees and Aerial lifts that could reasonably be expected to work on National Grid's property to Distribution Forestry. This listing shall include:

Employees:

- identify the current pay classification of each employee, together with their union certification level,
- the date of their progression to their current pay level,
- the dates each employee completed their required OSHA safety and other training, or retraining, including any annual refreshers,
- the date each employee last demonstrated their tree rescue and climbing proficiency
- the date each employee completed first aid and CPR training,
- identify each certified pesticide applicator and their certification number.

Aerial Lifts:

- The truck number and date of dielectric testing
- The next scheduled dielectric test date

6.15 The contractor shall provide a unit cost per tree for the removal of potential hazard trees from the three phase portions of the circuit, as well as "high risk target" hazard trees from the single-phase portions. See the attached Addendum # 1, Hazard Tree Tree Removal, Unit Price Schedule to be bid separately from the fixed price project. National Grid reserves the right to award, in whole or in part, the removal of hazard trees for each bid package on the basis of these unit price costs, or to do the work at the contractor's current hourly rates.

VII. Acceptance of Work

7.1 At appropriate intervals, the Contractor shall report and review the work completed to date with National Grid's Forestry representative. The Contractor may then invoice for the percentage of the work completed and approved by National Grid.

7.2 Near completion of the work, the Contractor shall notify the National Grid Forestry representative that the entire project has been reviewed by the contractor's supervision and is now ready for inspection. Upon review and acceptance of all required work including the resolution of any and all required corrective actions as well as any outstanding damage claims, the NGRID Forestry representative will give the Contractor permission to submit a final invoice for payment.

7.2.1 Traffic detail costs associated with re-work or corrective action shall be borne by the Contractor.

7.2.2 Police detail costs for any work not completed by the end of the fiscal year (March 31st) shall be borne by the Contractor. National Grid has the discretion to make allowances for circumstances outside of the Contractor's control. (Storms, requested outages, etc.)

7.3 The contractor shall understand, per their signed Master Purchase order with NGRID that time is of the essence with respect to the performance of this work. The contractor shall take all appropriate actions necessary to complete the work on schedule. Those actions shall include among other things, the use of overtime, the use of supplemental labor crew resources from outside areas, and the use of subcontractors, notwithstanding the NGRID requirement for advanced approval of all subcontractors. All actions employed by the contractor to meet schedules are at their cost and shall not affect the lump sum contract amount. In the event of extenuating circumstances defined by NGRID, the company reserves the right to extend project completion dates.

TOWN OF SOUTHBOROUGH
Planning Board
Application for a
Scenic Road Stonewall or Tree Removal

In accordance with Massachusetts General Laws Chapter 40, §15C permit from the Planning Board of the Southborough Zoning Code.

Name of Applicant(s): National Grid- (David Donoghue,Forestry Supervisor)

Address of Applicant(s): 245 South Main street , Hopedale , MA 01747

Telephone No: 508-482-1242 Cell No: 401-255-7767

Email Address:

Location of Stonewall/Tree to be Removed N/A

Describe the reasons a Stonewall/Tree should be removed and benefit to the Town

N/A

Zoning District:

Plan Prepared by: David Donoghue

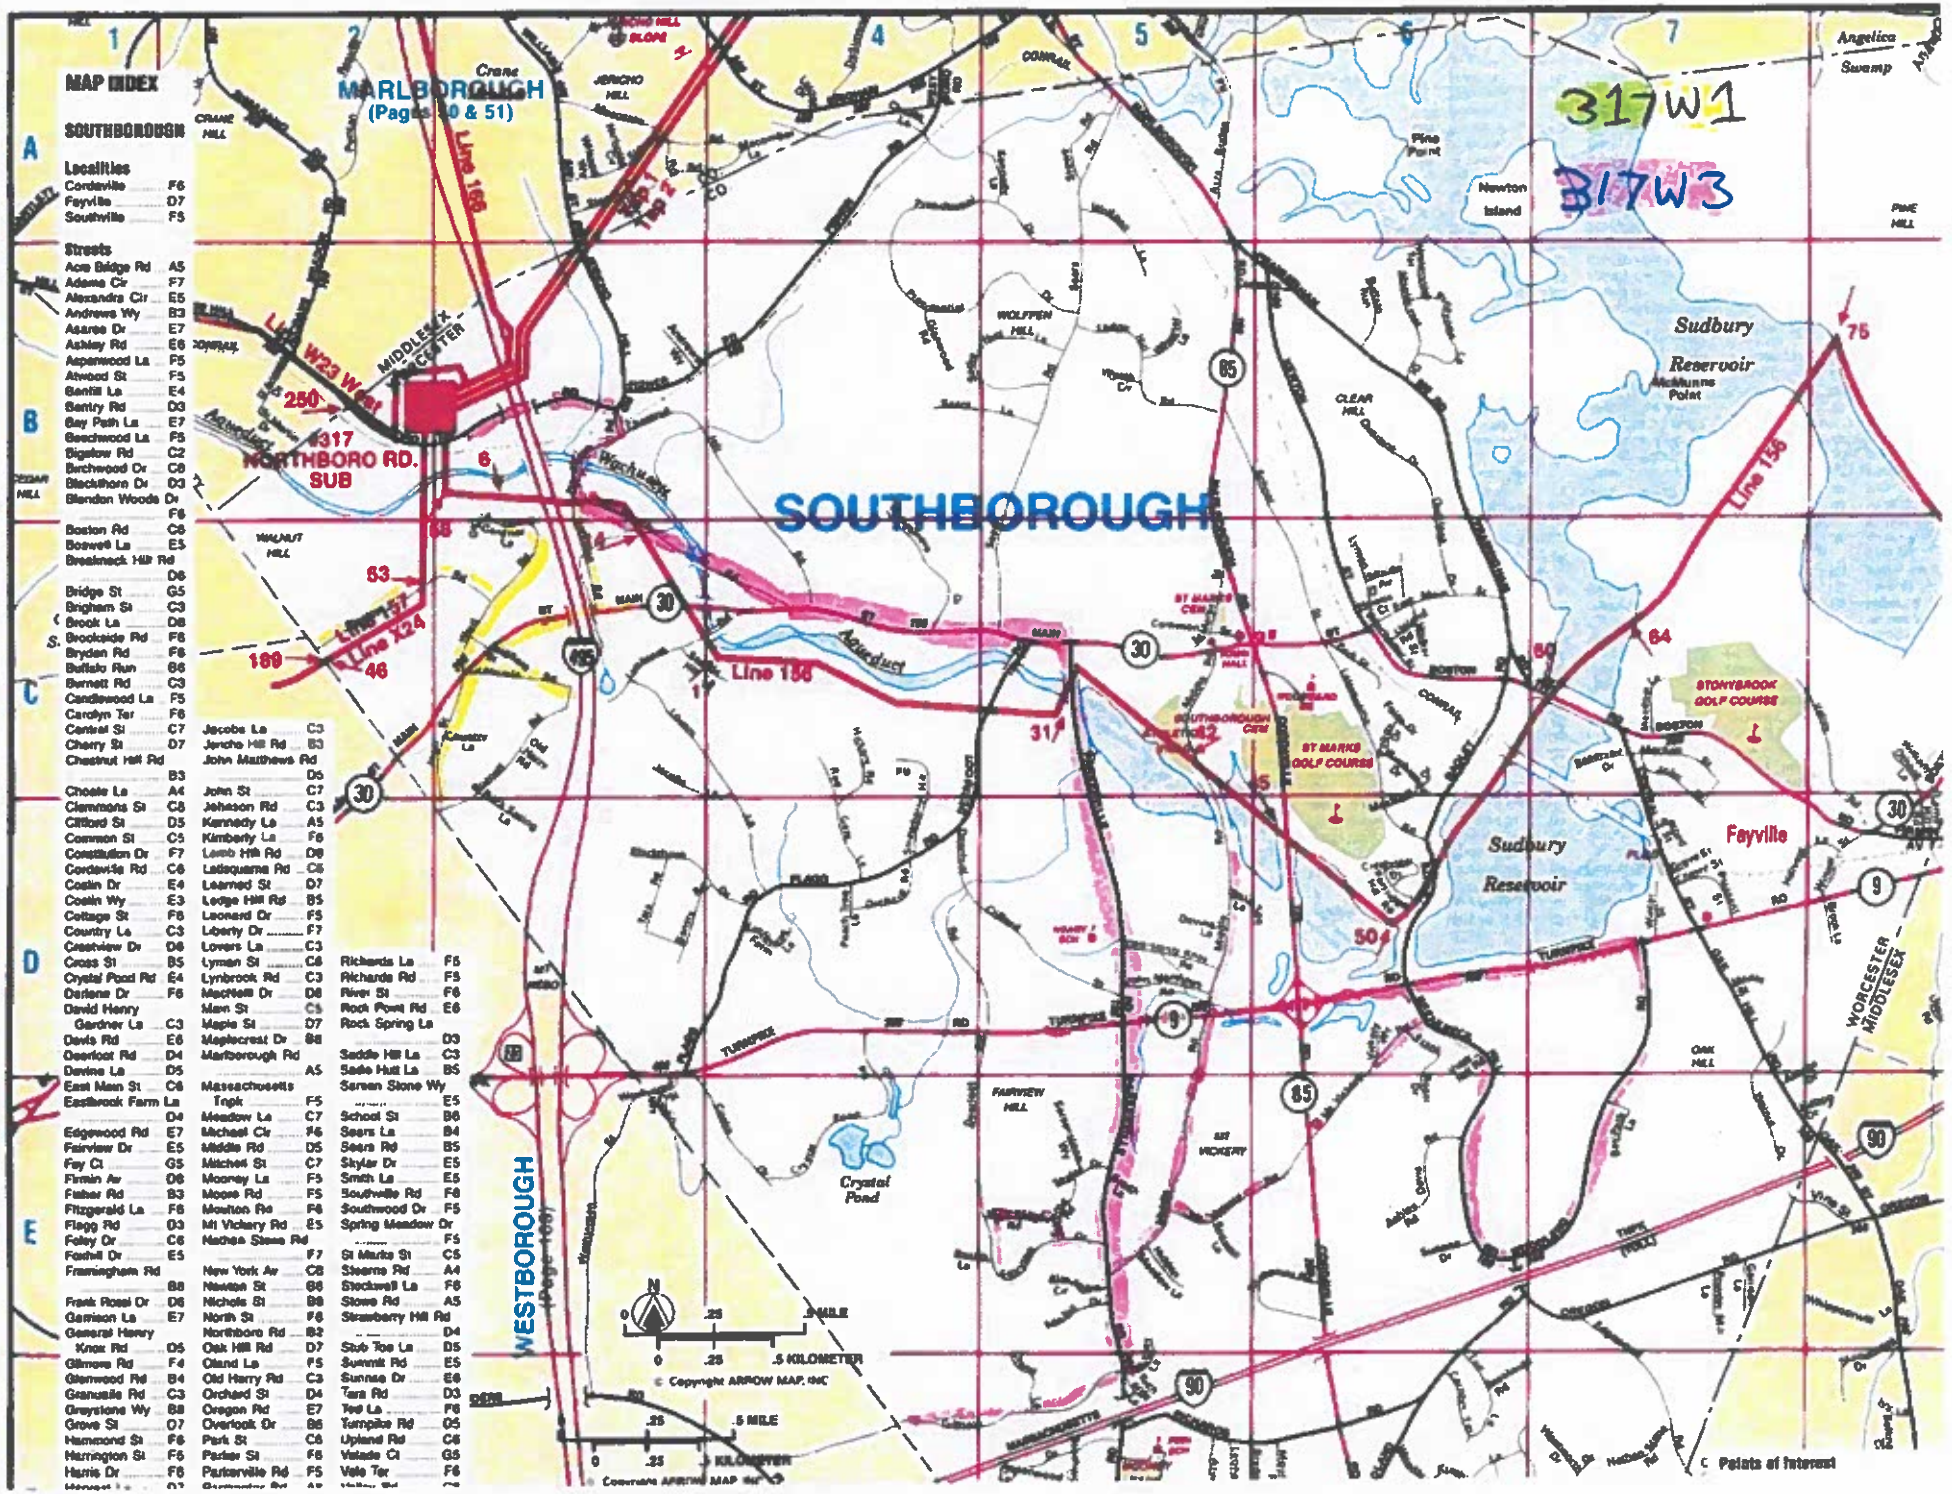
Address: National Grid, 245 South Main St, Hopedale, MA 01747

Telephone No" 508-482-1242 Cell No: 401-255-7767

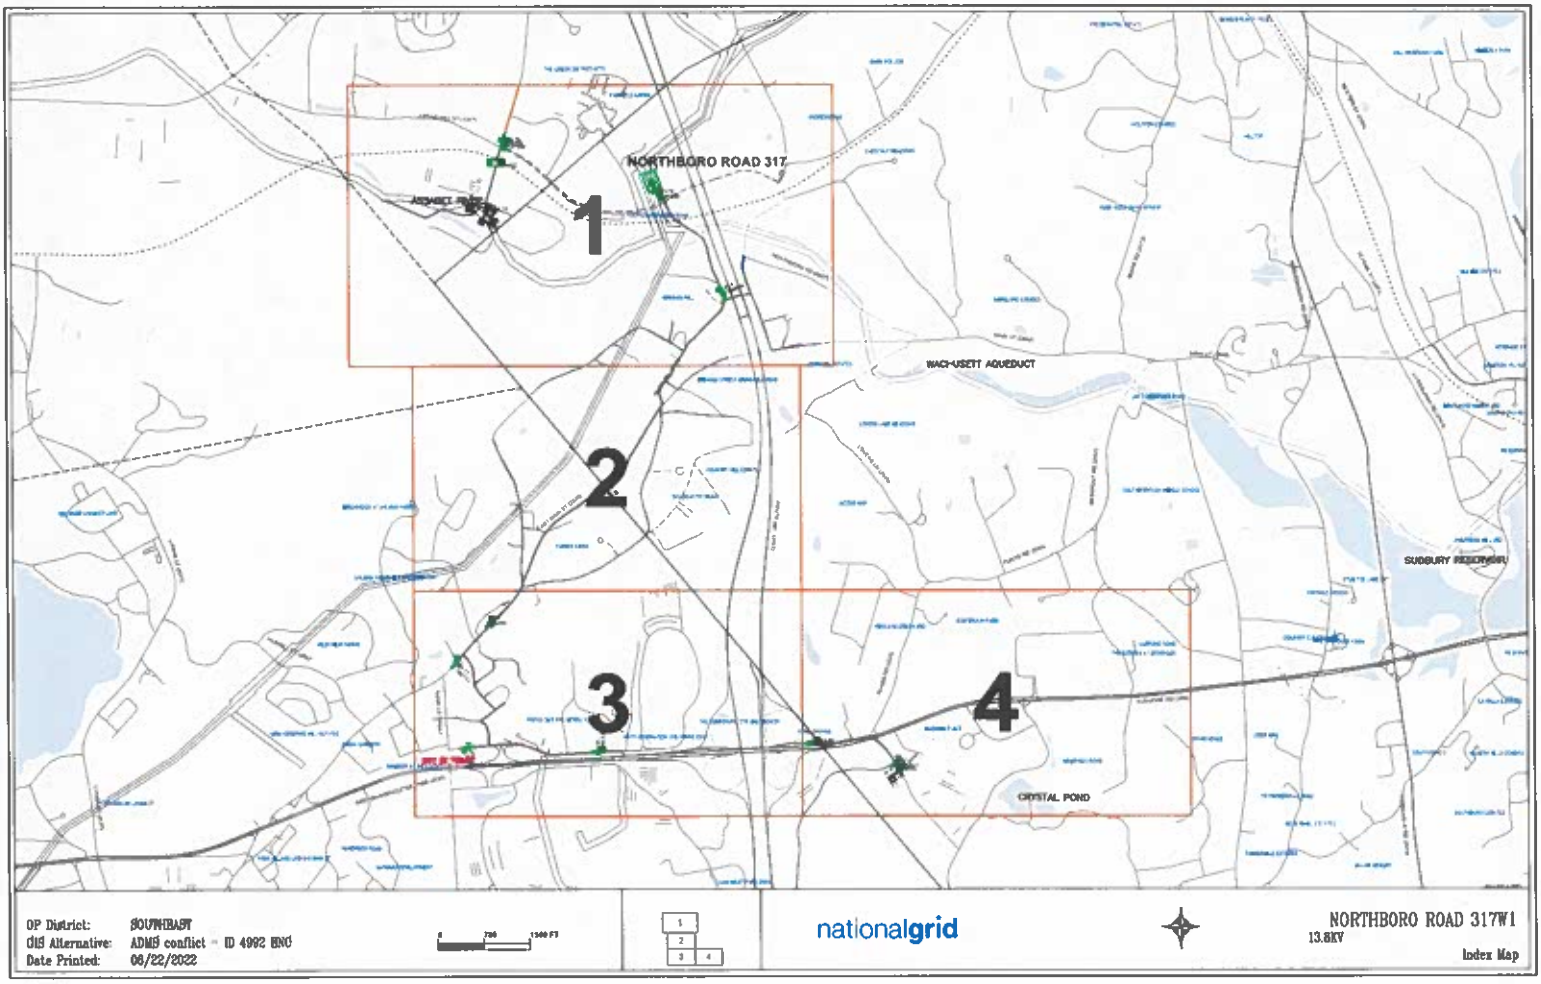
Email Address: david.donoghue@nationalgrid.com

Date of Plan: January 31, 2024

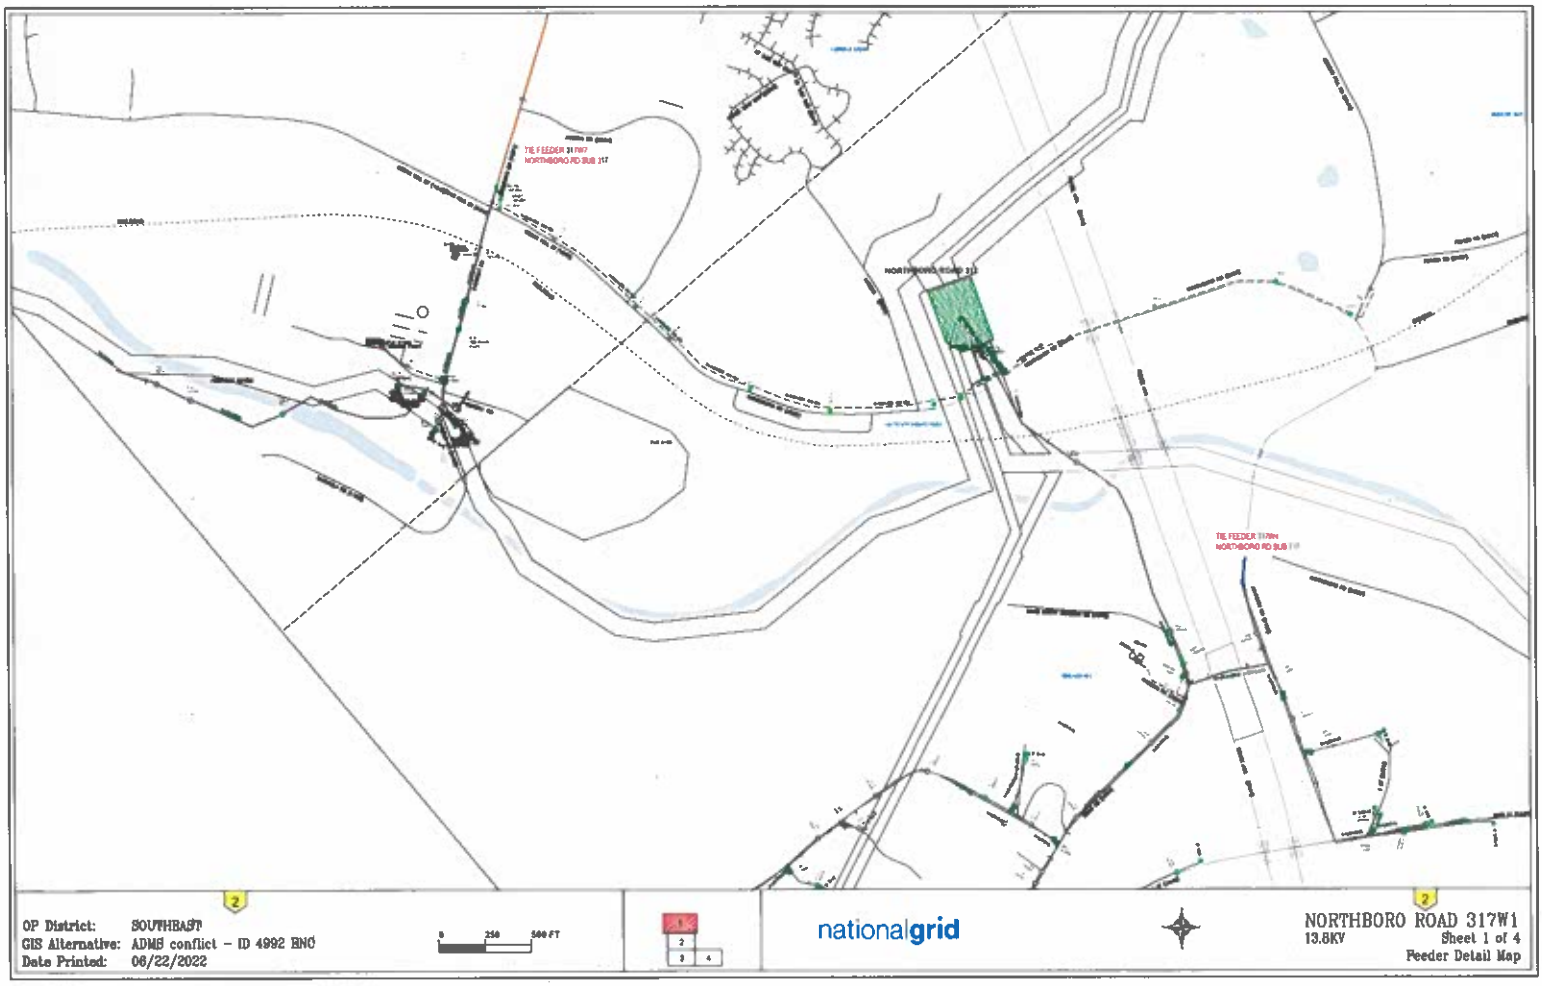
Submittal Requirements



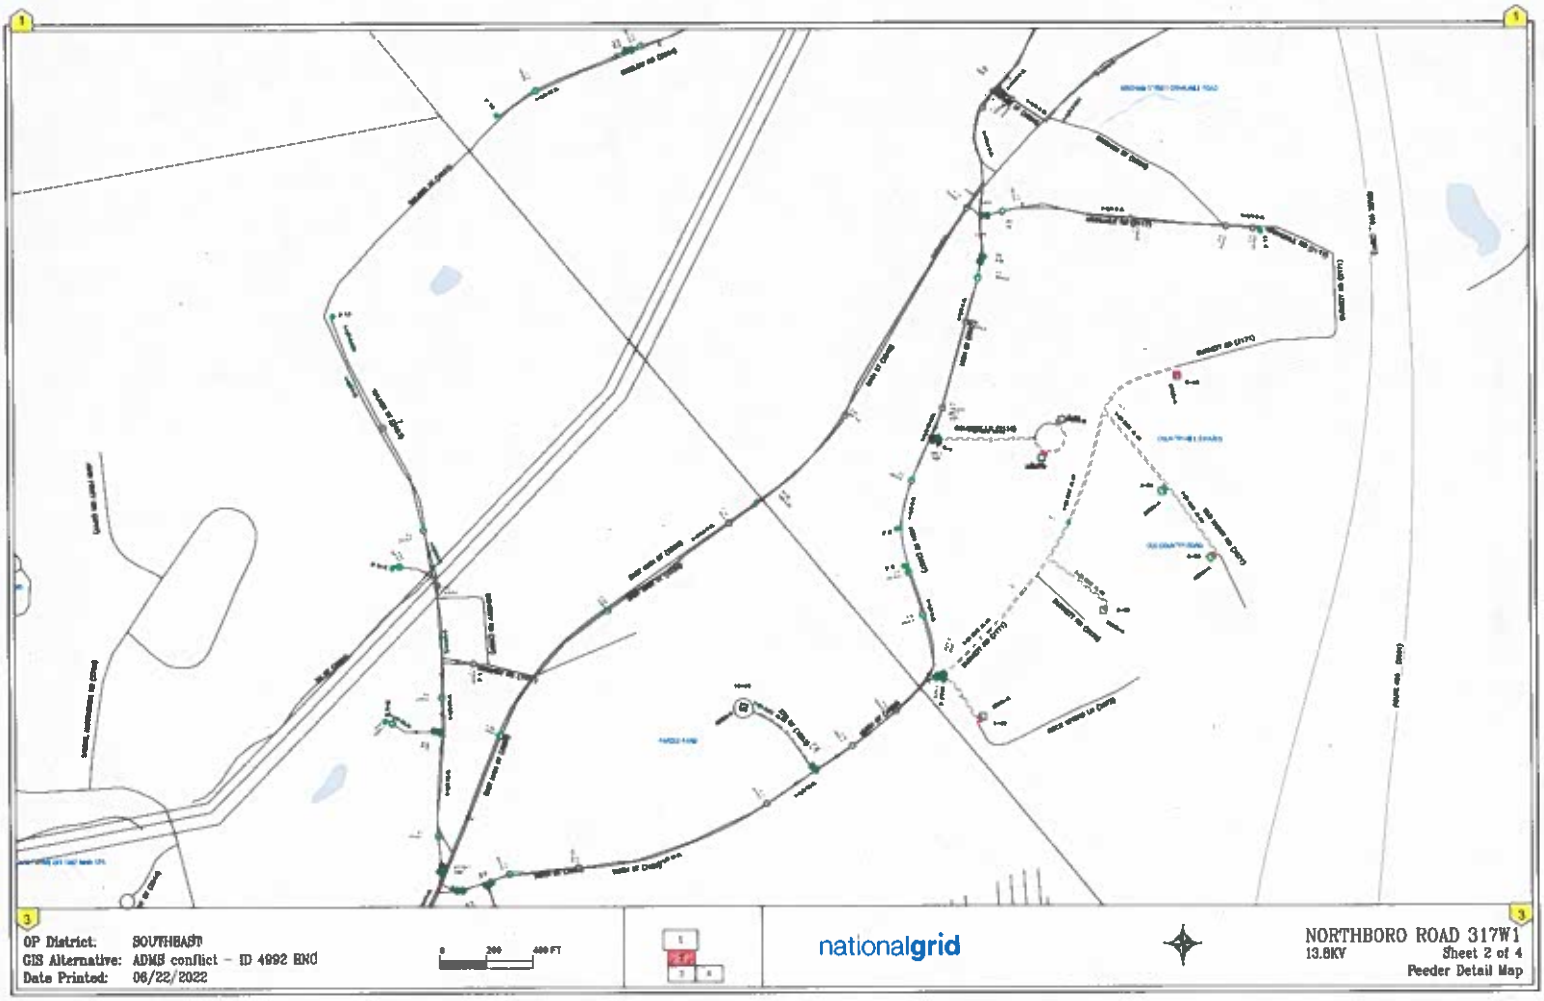
- 10 copies of the plan indicating the Stonewall/Tree to be removed
- An application fee (See Fee Schedule). Should the Planning Board require the plan be reviewed by the Town's consulting engineer, the applicant will be required to pay this cost.



This application is submitted on January 31, 2024



Signature: David Donoghue



Title: FORESTRY SUPERVISOR

Any material (in addition to that included with the Application Form) that will be referred to by the Applicant (or the Applicant's representatives) at any public hearing or public meeting must be submitted to the Planning Department at least 7 days prior to such hearing or meeting to ensure adequate and proper review by the Board and accessibility to the public. Any material submitted later than this deadline may, at the Board's discretion, constitute a constructive request by the Applicant for a continuation of the hearing if, in the opinion of the Board, the Board, Town staff, or the public have not had adequate time to appropriately consider such material. ***Applicants should note that this additional material includes amended plans, renderings, visual displays, models, etc., that may have been prepared after the Application Form was filed and are expected to be used by the Applicant during a public hearing presentation.***

Subject: Recreation Commission - new Member

Select Board,

I am writing to request that you appoint Johanna Sheyner to the Recreation Commission. She reached out about a month or so ago and has spent time with me to learn more about our Commission and the projects we have upcoming. Her experience with volunteer roles in town and passion to invest in the betterment of Southborough come through loud and clear.

She would be an excellent addition to the Commission and we look forward to working with her.

Thanks,
Jen

Town of Southborough
FY 2025 Water Rate Study

The Abrahams Group

March 2024

Recent Results

The following table shows recent changes to water rates/tiers and the base charge, with "N/A" meaning no change:

	FY16	FY17	FY18	FY19	FY20	FY21	FY22	FY23	FY24
Rates	Tiers & 3.25%	3.25%	N/A	N/A	N/A	Tiers & 17.0%	N/A	7.5%	Tiers & 3.1%
Base Charge	6.5%	N/A	N/A	N/A	N/A	17.0%	5.0%	2.0%	Change & 12.6%

No rate changes from FY11-16. The Abrahams Group assisted with rate-setting for FY16, FY17, FY21, FY22, FY23, and FY24.
The FY16 tier change was to lower tier breaks in the upper tiers. The tiers remained at 5 tiers.
The FY21 tier change was from 5 tiers to 4 tiers, merging the lowest three tiers into two and setting up a large third tier.
The FY24 changes were to lower tier breaks in all tiers, replace minimum in Tier 1 with rate, and update the base charge.
Also, 50+ monthly accounts were converted to quarterly accounts.

The Town established its Water Enterprise Fund as of the start of FY20. The following table shows results since then.

	FY20	FY21	FY22	FY23	FY24*
Total Revenues	$1,852,570	$2,916,047	$2,259,713	$2,868,330	$2,476,210
Total Expenditures	$2,408,280	$2,362,497	$2,706,880	$2,467,589	$3,037,853
Surplus/(Deficit)	$(555,710)	$553,550	$(447,167)	$400,741	$(561,643)
Retained Earnings Certification	$828,663	$1,447,975	$676,993	$953,550	$625,663
Retained Earnings %	34.4%	61.3%	25.0%	38.6%	20.6%

FY24* = Projected

RE % Target = 20.0%

Projections for FY25 to FY29

Expenditure Notes:

- MWRA Assessment
  - Based on prior calendar year's usage
    - For example, calendar year 2023 impacts FY25 assessment. 2023 had very wet warmer months.
  - MWRA's budget document indicates an anticipated 3.9% increase in expenses annually.
    - Actual FY19 to FY25 averaged 3.6% increase.
  - Southborough's assessment determined by taking its flow share % of MWRA's systemwide expenses.
    - Average flow share for FY18 to FY25 is 0.38%.
  - Preliminary FY25 assessment is $1.09 million, based on 0.35% flow share, down due to wet summer in 2023.
  - Use 0.38% flow share average for projections FY26 to FY29.
    - Assessment projected to increase greater than average in FY26 and increase 3.9% each year FY27 to FY29.
- Debt Service Summary (* = FY25 to FY29 is projected):

	FY20	FY21	FY22	FY23	FY24	FY25*	FY26*	FY27*	FY28*	FY29*
Debt	$545,977	$474,010	$455,934	$442,890	$460,810	$482,028	$357,628	$395,153	$343,023	$334,968

  - Debt service for Lovers Lane mains project expected to start in FY27.
- Other capital purchases:
  - Equipment: $80,000 in FY26, $55,000 in FY28
  - Engineering: $250,000 in FY25, $100,000 in FY26-FY29
- Salaries and indirect costs projected to increase 4.5% annually, other expenses by 3.0% annually

Baseline Projections for FY25 to FY29 (cont.)

With the expenditure projections detailed on the prior slide, combined with conservative revenue projections*, the following table and graph show "bottom line" and retained earnings projections for FY25 to FY29:

	FY25	FY26	FY27	FY28	FY29
Surplus/(Deficit)	$(294,692)	$(388,742)	$(446,348)	$(553,299)	$(599,080)
Retained Earnings Certification	192,229	$(254,119)	$(807,418)	$(1,406,498)	$(1,905,578)
Retained Earnings %	6.2%	-8.2%	-25.5%	-43.0%	-57.5%

* = Revenue projections do not include any rate changes for the Baseline Scenario.

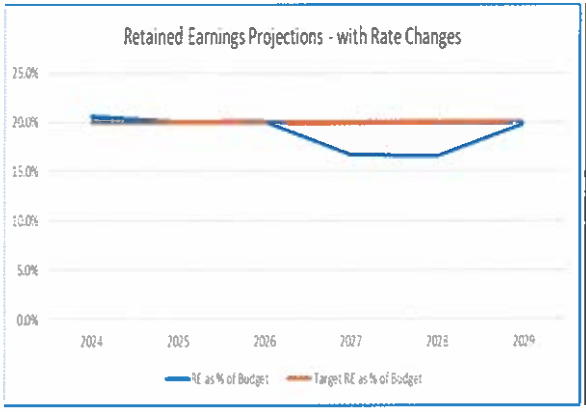
Base Charge

For FY 2024, the Town updated its base charge to:

- Recover identified fixed costs the Water Department has annually.
  - Salaries, not including overtime
  - Indirect Costs
- Use the AWWA-supported equivalent meters methodology to set updated base charges.

For FY 2025:

- Salaries have increased 8.6%.
- Indirect Costs have increased 49.1%, mainly due to a large increase in the OPEB contribution.
- Total costs increase of 24.8%.



Updated Base Charges:

Meter Size	FY24 Base Charge	FY25 Base Charge
5/8"	$37.94	$47.35
5/8" Senior	$28.46	$35.52
3/4"	$56.92	$71.04

Questions/Comments

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Tuesday, February 27, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Marguerite Landry, Sam Stivers and Assistant Town Administrator Vanessa Hale. Present via ZOOM: Al Hamilton. Absent: Town Administrator Mark Purple

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:32 PM.

II. Public Comment

Ms. Bonnie Phaneuf, 179 Middle Road, asked for clarification on how the budget would address the potentially vacant space in the Public Safety Building, given there is an immediate need in Town for dispatch services.

Mr. Robert Orden, 27 Atwood Street, read a prepared statement into the public record on behalf of twenty-five residents near the property. He stated the abutters are opposed to the transfer of the Atwood property to the Affordable Housing Trust Fund (AHTF) and are opposed to the development of the Atwood parcel. He stated there has been no engagement with the abutters by the Town and he urged the Town to abandon its efforts to pursue the Atwood property for affordable housing.

III. Scheduled Appointments *(Board may vote)*

a. Q2 Financial Review – Finance Director, Town Accountant

Mr. Brian Ballantine, Finance Director and Ms. Carla McAuliffe, Town Account appeared before the Board and presented the Q2 Financial Review. Mr. Ballantine discussed revenues in the report and Ms. McAuliffe discussed expenses in the report. Ms. McAuliffe stated there had been one Reserve Fund transfer in the amount of $87,970 for mold mitigation at the Finn School and she noted more Reserve Fund transfers are expected. Mr. Stivers asked if the ARPA-related audits had concluded. Ms. McAuliffe stated there is one final claim that will be submitted after Town Meeting. Ms. Cook stated that public information sessions on the Neary School Building project would be held on February 29th and March 11th and encouraged the public to attend. Mr. Ballantine stated that the outstanding budget issues between the Board and the Advisory Committee are: the golf course, the police budget, the DPW Town Engineer position and DPW road monies. Ms. Phaneuf inquired about the balance in the Cemetery Trust Fund. Ms. McAuliffe stated she would provide that information.

b. Interview/appoint Rajani Kumari to the Cultural Arts Council; term to expire February 27, 2026

Mr. Dennington heard Scheduled Appointments "b" before Scheduled Appointments "a." Ms. Kumari introduced herself to the Board. The Board interviewed Ms. Kumari. Mr. Dennington moved to appoint Rajani Kumari to the Cultural Arts Council, term to expire February 27, 2026. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

c. Trails Committee request to expend ARPA funds for Peninsula Trail project

Ms. Kathryn McKee, Chair of the Trails Committee appeared before the Board on the matter. Ms. McKee requested that the Trails Committee expend $76,000 of the $144,000 in allocated ARPA funds for engineering services for the Peninsula Trail project. The Board discussed the impact and timing of

work on the project. Ms. Landry asked about the line item for geotechnical services. Ms. McKee stated that Terracon would provide geotechnical services, pro bono, but the amount for geotechnical services was included in the estimate, should any issues arise. Ms. Cook moved to allocate $90,000 in ARPA funds designated for the Peninsula Trail for the Trails Committee to use, per the proposal from Beals & Thomas. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

IV. Reports

a. Chair's Report

Mr. Dennington reported that he and Mr. Stivers attended last night's Planning Board meeting on the MBTA Communities Act. He stated the Planning Board finalized the warrant article language and briefly discussed the recommended overlay districts. He stated the warrant article would be available for the Board's review by the Board's March 4th meeting.

b. Member's Report

There were no Member's Reports.

c. Town Administrator's Report

Assistant Town Administrator Hale provided an update on the Fire Chief search process and stated interviews would begin early next week. She also reminded the public that early voting is taking place on the first floor of the Town House and continues Wednesday, Thursday and Friday from 8 AM-5 PM.

V. Consent Agenda

a. Approve Open Session meeting minutes: February 6, 2024; February 13, 2024

Mr. Stivers requested to hold Consent Agenda item "a." **February 6, 2024:** Mr. Stivers requested the following changes to the minutes: Line 62 and 63: clarification that the total cost of the project was $603,750 and the CPC's portion of the project was $553,750. Lines 88 and 90: clarification as to the correct article numbers. Line 121: Mr. Stivers had scrivener's changes. Line 148: change to "will set water rates"; Line 168: add "water" after tiered. Mr. Dennington moved to approve the February 6, 2024 Open Session Meeting Minutes, as amended and to approve the February 13, 2024 Open Session Meeting Minutes, as written. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

b. Approve Common Victualer license for Braza Pizzeria & Wings LLC; 5 Turnpike Road

Mr. Dennington requested to hold Consent Agenda item "b."

c. Approve Common Victualer license for Eros Gourmet Pizza; 162 Cordaville Road

Mr. Dennington requested to hold Consent Agenda item "c." Mr. Dennington moved to approve Consent Agenda items "b" and "c", contingent upon successful Board of Heath inspections. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

d. Approve revised job description for Civil Engineer

e. Approve MSBA SOI for Trottier School

Mr. Dennington requested to hold Consent Agenda item "e." Ms. Rebecca Pellegrino appeared before the Board, via ZOOM, to inform the Board that the Massachusetts School Building Authority (MSBA) requires the following specific motion as part of the Statement of Intent (SOI) for Southborough's application for funds to replace the Trottier roof.

Ms. Cook moved the following: Resolved: Having convened in an open meeting on February 27, 2024, prior to the SOI submission closing date, the Select Board of Southborough, in accordance with

its charter, by-laws, and ordinances, has voted to authorize the Superintendent to submit to the Massachusetts School Building Authority the Statement of Interest Form dated February 2024 for the P. Brent Trottier Middle School located at 49 Parkerville Road which describes and explains the following deficiencies and the priority category(s) for which an application may be submitted to the Massachusetts School Building Authority in the future for replacement of the EPDM and shingled roof systems under Priority #5. The replacement of the 90,000 square foot roof system is necessary due to its age, ruptured seams, punctured membrane, and water damage; and hereby further specifically acknowledges that by submitting this Statement of Interest Form, the Massachusetts School Building Authority in no way guarantees the acceptance or the approval of an application, the awarding of a grant or any other funding commitment from the Massachusetts School Building Authority, or commits the Town of Southborough to filing an application for funding with the Massachusetts School Building Authority. Mr. Stivers seconded the motion. Mr. Hamilton asked if the roof design was flawed. Ms. Pellegrino stated her understanding was that the roof that was installed during the renovation was not a commercial grade roof and led to a host of current issues. The motion was approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

f. Vote to dissolve the Community Center Exploration Committee

g. Approve 2024 Arbor Day Proclamation

h. Approve Executive Session Meeting Minutes: October 24, 2023

Mr. Dennington requested to hold Consent Agenda item "h." He stated he has edits that will be discussed in Executive Session.

i. Approve and release Executive Session Meeting Minutes: October 26, 2023; January 2, 2024

Mr. Dennington moved to approve but not release at this time the Executive Session Meeting Minutes from October 26, 2023. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington moved to approve and release the Executive Session Meeting Minutes from January 2, 2024. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

Mr. Dennington moved to approved Consent Agenda items "d", "f" and "g." Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

VI. Other Matters *(Board may vote)*

a. March 23, 2024 Annual Town Meeting

Mr. Dennington heard Other Matters "a" after Reports.

i. Discussion of warrant articles

Article 49 – transfer of the Atwood site (former water tower site) to the Affordable Housing Trust Fund for the purposes of affordable housing. Mr. Dennington acknowledged that this article has not received the robust discussion it deserves and he stated his support for removing the article from the warrant for consideration at Town Meeting. He clarified that the scale of any potential development at the Atwood site was always intended to be small in scope and in keeping with the existing neighborhood. He stated he feels the Board should not abandon its interest in the site for potential affordable housing and should keep the neighborhood and abutters well informed on any progress. Mr. Hamilton stated that efforts have been centered on determining if it is possible to develop the site and stated he recently learned that the site is contaminated with lead paint. He stated he would meet with DPW Superintendent Cundiff to understand the steps necessary for mitigation and he fully supports removing this article from the warrant. He stated that he and Ms. Landry are scheduled to

meet with an abutter tomorrow at 2 PM at the site and invited any other interested residents to attend. Mr. Hamilton also stated that the Board did not discuss the Atwood site at its Executive Meetings referenced by Mr. Orden earlier in the evening. Mr. Stivers and Ms. Landry expressed their support for withdrawing the article from the warrant. Mr. Dennington thanked Mr. Hamilton for his continued efforts to push forward with increasing the Town's affordable housing stock and shared that development of any affordable housing opportunities happens slowly. He acknowledged that the number of potential projects presently under consideration by the Town could be overwhelming for residents to stay abreast of. Mr. Dennington stated he would like the Board to reconsider the structure of the Affordable Housing Trust Fund Committee. He also updated those in attendance and the public that the Town is no longer pursuing the South Union School site for potential affordable housing and that St. Matthew's Church has express an interest in purchasing the building for use as a Montessori School and basketball court. He stated that the 21 Highland Street Future Use Committee will be considering potential uses for the 21 Highland Street property, as well. Mr. Dennington discussed the future of the Neary School and the interrelated nature of subsequent decisions for the Town. Ms. Cook described the decision tree relative to the Neary School and the impact on other Town decisions. Ms. Phaneuf shared her involvement in previous affordable housing efforts and stated engagement with the abutters and community is critical to the success of building affordable housing units. She also added that it is important to disclose the number of units intended to create in the warrant, as boards/committees change over time. Dr. Destin Heilman, 7 Harris Drive, stated the importance of sharing the plan prior to any property purchase or transfer. He stated he is concerned that transferring the property into the AHTF eliminates Town Meeting oversight. He also stated that, with regard to the type of project discussed at the Atwood site, there is disconnect between Town boards/committees and it creates a lack of trust among the abutters. Mr. Dennington thanked the audience and public for a thoughtful discussion on the warrant article. He urged the public to read the Community Center Exploration Committee's final report for an understanding of the interrelated nature of future decisions the Town will make. Mr. Carl Alvidi, 22 Atwood Road, asked how the lead issue would be addressed. Mr. Hamilton stated he is meeting with DPW Superintendent Cundiff tomorrow to determine that information and all information will be shared in public and with the abutters. He also noted there were no detectable PCBs found at the site. Mr. Alvidi asked if the water supply had been affected. Ms. Landry stated that PARE testing had concluded that lead was found in the soil between 12-24 inches. Mr. Stivers stated that the Town's water comes from the MWRA so there would have been no impact. Mr. Hamilton stated that he would share the letter regarding the soil testing with Mr. Alvidi and asked that he share it with the neighborhood. Dr. Heilman asked if additional testing downhill from the water tower is necessary. DPW Superintendent Cundiff stated that the full scope of the issue is not known at this time and additional testing would be conducted. He stated that lead was found at the 12-24 inch depth because grading was necessary when the water tower was removed. Mr. Dennington moved to withdraw from the draft warrant Article 49, the transfer of the Atwood Road property to the Affordable Housing Trust Fund. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

The Board took a recess at 8:09 PM and resumed meeting at 8:16 PM. Mr. Dennington heard the Consent Agenda at this time.

ii. Board positions on remaining articles

Ms. Cook stated that Mr. Cundiff and Mr. Jason Malinowski, Chair of the Capital Planning and Improvement Committee, support reducing the Roads budget from $650,000 to $450,000. The

Board discussed reducing this line item. Ms. Cook moved to amend the Capital budget to reduce it by $200,000 specifically allocated to the Road funds. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Ms. Cook stated she does not recommend discussing the Town Engineer position until the Advisory Committee has met with Superintendent Cundiff on the matter and the Board agreed. The Board discussed the Police budget. Ms. Cook stated that the Advisory Committee is recommending a level service funded budget that includes $25,000 to study the staffing impact of adding body-worn cameras. The Board discussed funding and timing for a police staffing study, which would also include a staffing study of dispatch services. Ms. Phaneuf asked for clarification regarding the study. Ms. Cook stated it would be a department-wide study and funding for the study would be included in the police budget. Ms. Phaneuf stated she supports Chief Newell in his determination that the lieutenant position is needed to address the administrative issues created by adding body-worn cameras to the department. She stated that there is a demonstrated, immediate need to add dispatchers and she called on the Board to do as a matter of public safety. Ms. Landry asked why the Advisory Committee does not support adding positions to the Police Department. Mr. Pfaff stated that the Advisory Committee does not feel it has enough information to make an informed decision about adding the positions. He also stated it has been 20 years since a professional study was undertaken on police department staffing and having updated information would allow a decision to be made at Fall Town Meeting. Ms. Cook moved to support the Advisory Committee's recommendation for the Police Department budget for FY25, removing $25,000 from the budget and use previously certified Free Cash so it would be available the next day. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Hamilton, no; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (4-1-0). Ms. Phaneuf asked for clarification as to whether any dispatchers were included in the budget. Ms. Cook stated there are no dispatchers in this budget. She stated if dispatchers were approved at Fall Town Meeting, they would be funded immediately. Mr. Dennington moved that the Board support Articles 6 and 7 at Town Meeting. Mr. Stivers seconded the motion. The motion failed by roll call vote: Mr. Hamilton, aye; Mr. Dennington, no; Ms. Cook, no; Mr. Stivers, no; Ms. Landry, abstain (1-3-1). Mr. Dennington made a motion to move Article 56 for consideration after Article 7 in the Warrant. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). The Board agreed to take a position on this article at Town Meeting after discussion has occurred. Mr. Dennington moved that the Board support Articles 8 and 9 at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington moved that the Board support Articles 10 and 12 at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington moved that the Board remove Article 50 (CPC funds to the AHTF) from the Warrant. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington moved that the Board support Article 25 at Town Meeting. The motion failed by roll call vote: Mr. Hamilton, no; Mr. Dennington, aye; Ms. Cook, no; Mr. Stivers, no; Ms. Landry, aye (2-3-0). Mr. Dennington moved that the Board support Article 41 at Town Meeting. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington moved to remove Article 46 (establishing the Tricentennial Fund) from the Warrant. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0). Mr. Dennington stated

that CPC Chair Ben Smith had informed him that there were some language changes to the CPC articles, as voted by the CPC on Saturday, but Mr. Dennington stated those changes did not adversely affect the Board's previous votes of support. Mr. Dennington also stated that the CPC had also voted to include a Memorandum of Understanding (MOU)/guideline for recipients of CPA funds. The Board agreed they would meet with the CPC in April to discuss a host of issues relating to CPA funds.

b. Southborough budget requests for FY25 State budget

Mr. Dennington stated that Rep. Donaghue is seeking budget requests in the range of $25,000-$100,000 for potential funding in the FY25 State budget. The Board listed the following potential requests: Recreation Dept. ADA improvements, updating the McAuliffe Hearing Room and Senior Center for hybrid meeting capabilities and the Little Street culvert.

c. Discussion of Right of First Refusal for Northboro Road parcels

Mr. Dennington heard Other Matters "c" after Scheduled Appointments "c." Mr. Dennington stated that on February 5, 2024, the Town received notice from Johnson Cambell Realty, Inc. that they intended to sell two parcels and notified the Town of their Right of First Refusal (ROFR) with regard to the parcels. Mr. Dennington also stated he had received a letter from the Planning Board in which they recommended the Board respond to the seller that the offer was not compliant with Chapter 61A and ask the seller to revise its offer using a per parcel price. Town Counsel Jay Talerman appeared before the Board, via ZOOM, on the matter. Atty. Talerman explained the offer, the impacts of Chapter 61A status, timelines for decision-making and potential options for the Board's consideration. Mr. Stivers asked if the Town could exercise its right to purchase a portion of one of the parcels. Atty. Talerman stated that the Town could not make that request and the present offer is the sale of two parcels. He also stated that the Town could purchase a 61A property and then change its use designation. Ms. Cook stated she is not in support of purchasing the parcels, supports exercising the Town's ROFR and supports informing the seller of the Town's decision. Mr. Dennington stated that the price is high and he is concerned how the Town would pay for the acquisition. Mr. Hamilton recused himself from the matter, as a relative is an abutter. Ms. Lisa Braccio, Planning Board member, appeared via ZOOM. She stated the Board has a unique opportunity and requested that prior to making any decisions, the Board engage the opinions of other stakeholders on the matter. She asked that the Board send the letter indicating the offer is not bona fide. Mr. Andrew Pfaff, 50 Oak Hill Road and Chair of the Advisory Committee, stated he is supportive of hearing from stakeholders in Town and suggested adding an article to the Town Meeting warrant to approve the potential purchase in the interest of efficiency. The Board discussed the offer and discussed holding a public hearing on the matter to obtain resident and stakeholder opinions on the matter. Atty. Talerman stated that the Board has 120 days from the date of receipt of the offer to exercise its ROFR. Mr. Frank Flaherty, 17 Leonard Drive, asked if the Board could determine the size of a land required for affordable housing and make an offer based on that information. Mr. Dennington stated that there is a purchase and sale agreement in place and the decision before the Board is whether to exercise its ROFR. Mr. Dennington moved that the Board send the owner the letter drafted by Atty. Talerman that is included in tonight's packet. Mr. Stivers seconded the motion. The motion was approved by roll call vote: Mr. Hamilton, abstain; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, no (3-1-1).

VII. Public Comment

Mr. Tim Litt, 146 Woodland Road, reminded the Board of its previous interest in deleting the Consumer Advisory Commission from the Town Code. Ms. Cook stated that could be addressed at Fall Town Meeting.

Ms. Meme Luttrell, Chair of the Planning Board, informed the Board that passage of the MBTA Communities zoning bylaw requires a simple majority vote by Town Meeting and not a two-thirds vote, as was previously thought.

VII. Adjournment

Mr. Dennington moved to adjourn the meeting at 9:19 PM. Mr. Stivers seconded the motion. The motion was unanimously approved by roll call vote: Mr. Hamilton, aye; Mr. Dennington, aye; Ms. Cook, aye; Mr. Stivers, aye; Ms. Landry, aye (5-0-0).

Upcoming Meetings

TOWN OF SOUTHBOROUGH

SELECT BOARD Meeting Minutes

Meeting Date: Monday, March 4, 2024 6:30 PM
Location: McAuliffe Hearing Room, Town House, 17 Common Street, Southborough, MA
Present: Andrew Dennington, Kathryn Cook, Al Hamilton, Marguerite Landry, Sam Stivers, Town Manager Mark Purple and Assistant Town Administrator Vanessa Hale.

Those wishing to watch or participate remotely can do so by accessing the meeting link at:
https://www.southboroughtown.com/remotemeetings

I. Call Meeting to Order

Mr. Dennington called the meeting to order at 6:30 PM and turned the meeting over to Vice Chair Cook to run.

II. Public Comment

There was no public comment.

III. Scheduled Appointments *(Board may vote)*

a. Discussion of FY25 Water Rates; Bill Cundiff, DPW Superintendent; Matt Abrahams, Consultant

DPW Superintendent Bill Cundiff and Mr. Matt Abrahams, Water Consultant from the Abrahams Group, appeared before the Board on the matter. Mr. Cundiff noted that the rate structure was changed last year. He stated that the new system has a base fee, charged to all users, that covers the fixed/operating costs for water. He stated that user consumption fees are based on a tiered rate system. Mr. Cundiff stated that capital projects associated with the Hopkinton Water Project have been put on hold and are not part of this rate analysis. He stated there is a looping project to improve circulation between Presidential Estates and Fisher Road that is scheduled to begin this summer and he anticipates the cost of the project at approximately $600,000. Mr. Abrahams shared the water rate the presentation, using last year's adopted methodology, with the Board. He stated that there is an approximate 25% increase in the service charge this year, largely due to the increase in indirect costs, specifically OPEB costs. He noted that the summer had been a wet one, which contributed to a reduction in usage. The Board discussed the rate increase and water consumption relative to conservation. Mr. Dennington asked about the increase in OPEB costs. Mr. Abrahams stated that the increase represents the inclusion of costs for additional employees that were calculated in the most recent actuarial study of the Town that had been previously excluded. Ms. Cook stated that the increase is a more accurate representation of the current situation and she does not expect the number to decline. The Board discussed timing for the approval of rates and notification to residents. Mr. Cundiff stated that he would return to the Board on March 19th for rate approval and stated the current bill would reference the water rate increase information, available on the Town's website and effective April 1st. Mr. Abrahams stated the decision before the Board is to continue with the same methodology used last year or increase the service charge. He stated that continuing with the same methodology results in a 3% rate increase with an impact to the average resident of approximately $12.50/qtr. He stated that if the service charge is increased, it results in a 4.5% increase in the service charge, a 5% rate increase with an impact to the average resident of approximately $6.50/qtr. Mr. Abrahams stated that, along with the looping project described above, the following capital expenditures were included in the analysis: $250,000 in FY25, $100,000 in FY26 and one piece of equipment costing $80,000 and another piece of equipment costing $55,000. He stated that when the Retained Earnings balance increases, he recommends pursuing additional

capital projects. The Board, Mr. Cundiff and Mr. Abrahams discussed future capital projects. Ms. Cook moved to continue the path pursued last year to cover fixed costs with the base charge and set the variable rate to keep Retained Earnings at 20% of cost. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0). Mr. Hamilton suggested that the rate increase information be shared in Mr. Purple's weekly update.

IV. Reports

a. Chair's Report

Mr. Dennington stated there was no Chair's Report.

b. Member's Report

i. Atwood Street update

Mr. Hamilton updated the Board on the Atwood matter and stated that additional soil testing would take place to determine the path forward for remediation. He stated he would meet with Mr. Cundiff, Mr. Purple and Mr. Ballantine to discuss next steps and how to pay for any remediation. Mr. Hamilton stated the Board is committed to keeping abutters informed of progress in the matter.

c. Town Administrator's Report

i. David Joyner's resignation from Youth Commission

Mr. Purple reported that David Joyner had submitted his resignation from the Youth Commission. Ms. Cook read a portion of Mr. Joyner's resignation letter into the public record.

ii. Details of pre-town meeting – 3/13 at 6 PM – Senior Center

Mr. Purple reported that Town Moderator Cimino would hold a pre-Town Meeting discussion on Wednesday, March 13th, at 6 PM at the Senior Center. He noted this is not a public meeting. He stated that he has suggested approximately 24 articles to Mr. Cimino for inclusion in the Consent Agenda for Town Meeting. Mr. Purple stated that Mr. Tim Davis, Recreation Director, has informed him that Spring/Summer camp registration opened on Saturday, March 2, with priority given to residents. Mr. Purple reported that 723 registrations were received over the weekend and camps are filling up. He stated that camps include options for STEM, the arts and sports-specific offerings. Mr. Purple stated that registration has opened to non-residents and that registrations are up by 24% from the same period last year. Mr. Purple stated there is an appeal to a fine issued by the DPW at the Transfer Station. The Board agreed to continue the process of hearing appeals and Mr. Dennington agreed to hear the appeal on behalf of the Board.

V. Consent Agenda

a. Signing of final Annual Town Meeting warrant for posting

Ms. Cook stated that the Planning Board has voted tonight to remove the MBTA Communities bylaw article from the Town Meeting warrant, due to issues with the density modeling. The Board agreed to execute a signature page for the warrant and attach it to the final printed warrant, once the MBTA Communities article has been removed. Mr. Hamilton informed the Board of a conflict with parking during Town Meeting and agreed to speak to organizers of the other event for a potential resolution.

b. Approve Community Center Exploration Committee Meeting Minutes: January 22, 2024

Mr. Stivers moved to approve Consent Agenda item "b." Mr. Dennington seconded the motion. The motion was unanimously approved (5-0-0).

VI. Other Matters *(Board may vote)*

a. Assignment of Warrant articles to Board members

The Board agreed to wait until it has been decided which articles would be placed on the Consent Agenda before determining this matter.

b. Review of any outstanding issues with any Warrant Articles

Ms. Cook reported that the Board and the Advisory Committee had come to agreement on the budget, which includes the Town Engineer position for the DPW, no new additions to the Police Department budget and support for the golf course project. She stated that the Advisory Committee had voted not to support the creation of the Assabet Stabilization Fund, while the Board had voted to support it.

c. Discussion of the legality of Article 48 (proposing a 2/3 threshold for CPA projects)

Ms. Cook reported that Town Counsel has opined that this Citizen's Petition is not legal, as it is in conflict with State law. She stated Town Counsel confirmed that, if approved at Town Meeting, the Attorney General would reject the change. Mr. Joseph Palmer, sponsor of the Citizen's Petition, stated he would like Town Meeting to discuss and vote on the article, rather than remove it from the warrant. Ms. Cook moved to keep Article 48 on the warrant. Mr. Dennington seconded the motion. The motion was approved (4-1-0). Mr. Stivers voted against the motion.

d. Review of Article 36 (proposed MBTA zoning bylaw): may join Planning Board to discuss jointly

The Board agreed not to join the Planning Board meeting since the Planning Board had voted in favor of removing the MBTA Communities article from the warrant. The Board discussed the decision timeline for a Special Town Meeting to address the MBTA Communities bylaw and agreed to schedule a meeting with the Planning Board in the near future to discuss the matter. The Board addressed scrivener's changes to the warrant.

VII. Public Comment

There was no public comment.

VII. Adjournment

Ms. Cook moved to adjourn the meeting at 7:43 PM. Mr. Stivers seconded the motion. The motion was unanimously approved (5-0-0).

Upcoming Meetings

Beverly Poole
46 Gilmore Road
Southborough, MA 01772

October 12, 1990

Dear Beverly,

Enclosed you will find a deed (# 0459) for 2 graves that the Southborough Cemetery Commissioners have granted you in exchange for the 2 non-usable graves (7 & 8) in section B-East, Lot 16.

I have revised all of the necessary Cemetery records to show this exchange, and copys have been made of both deeds (#'s 096 & 0459) and this letter, they will be kept on file here at that Cemetery.

Should you have any questions please let me know, the telephone number here at the Cemetery is 485-1618 and our hours are monday through friday 7:00 AM - 3:30 PM.

Sincerely,

Bridget A. Gilleney

Superintendent of Cemeteries

Know All Men By These Presents

an exchange for 2 non-useable graves

that the Town of Southborough, in consideration of (7&8) in B-East, Lot 16 Dollars, the receipt of which is hereby acknowledged, do hereby grant, bargain, sell and convey to Beverly Poole, grantee, of 46 Gilmore Road, Southborough, MA the exclusive right of burial of human dead in a certain lot of land in Rural Cemetery in said Town of Southborough, and of placing and maintaining on said lot, tombs, cenotaphs, and monuments authorized by the Cemetery Commissioners or any other board or officer having charge of the cemetery at the time of placing the same, said lot of land being Graves numbered 33 & 34, in Range G, on the plan of said cemetery, on file in the office of the Cemetery Commissioners of said Town of Southborough.

TO HAVE AND TO HOLD the said right unto said grantee, and her heirs and assigns forever, to be used only for the purposes above set forth, and subject to the covenants herein contained and such regulations and restrictions relating to said cemetery, or the lots therein, as are now or shall from time to time be established by said Cemetery Commissioners or such board or officer having charge of said cemetery.

The said grantee, for himself, his heirs and assigns hereby agrees:

1. That the said lot herein conveyed shall be kept and maintained in a condition satisfactory to the Cemetery Commissioners of said Town of Southborough, and that in the event of his or their neglect or failure properly to keep or maintain the said lot or any tomb, cenotaph or monument erected or placed thereon, said Cemetery Commissioners or their duly authorized agents or servants may enter upon said lot to care for, repair and maintain said lot, tomb, cenotaph or monument, and said Commissioners may charge the actual cost of such care, repair and maintenance to him or his heirs or assigns.

2. That no trees, shrubbery shall be planted upon said lot without first obtaining the written approval of the Cemetery Commissioners or their successors; and that no trees or shrubs shall be cut or removed from the said lot except upon the written approval of the Cemetery Commissioners.

3. That the Cemetery Commissioners or their successors in office may at any time remove any trees and shrubs planted and growing on said lot if in their opinion such trees or shrubs are inconvenient or dangerous to persons using other parts of said cemetery, or if said trees and shrubs interfere with the free use of other lots, avenues or pathways in said cemetery.

4. That no earth shall be removed from the said lot, or from the pathways or avenues, contiguous or adjacent thereto, without the written consent of the Cemetery Commissioners.

5. That the said lot shall be graded only in the manner prescribed by regulation of the Cemetery Commissioners for grading lots.

6. That if the above described lot is situated in ranges A, B, C, D, and G of said Rural Cemetery, he will forthwith deposit with the treasurer of said Town of Southborough a sum of not less than ***SEE FIRST SENTENCE***), for the perpetual care of said lot; and upon his failure to so deposit the aforesaid sum for such perpetual care, he will relinquish all rights and privileges in said lot.

7. The said lot shall not be transferred without the consent of the Cemetery Commissioners and said transfer shall be recorded on the plans and books of the town.

IN WITNESS WHEREOF said Town of Southborough has caused these presents to be signed in its name and behalf by the Cemetery Commissioners this 12th day of October 1990

TITLE: Assistant Town Accountant

Department: Town Accountant | **SAP Grade:**

Bi-weekly Hours: 80 | **Reports to: Town Accountant**

Approved by Personnel Board: | **Approved by Appointing Authority:**

Position Purpose:

In the absence of the Town Accountant, the Assistant Town Accountant is responsible for the overall operation of the Accounting Department and shall have the powers and be subject to the requirements and penalties applicable to the Town Accountant. The Assistant Town Accountant is directly involved in maintaining the financial records of the Town Accountant, reporting periodically to various agencies of the Town, State and Federal government as to the financial status of these records as required by laws and regulations. Liaison to town departments and officials regarding budgets, town meeting preparation and follow-up and research into regulations as to procedures of finances. Attend seminars annually to keep up with changes in general accepted accounting principles (GAAP) and Governmental Accounting Standards Board (GASB) statements.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Audits all accounts payable and payroll requests by all Town departments including the school department to ensure that payments are not fraudulent, unlawful, or excessive in compliance with Massachusetts General Laws, Chapter 41, Section 56.
- Reviews and processes weekly warrant and bills payables, checking for fiscal year compliance, sales tax, mathematical accuracy, vendor and account numbers, and invoices

for all town and school payables; contacts departments to resolve incomplete or missing information issues; prepares final warrant for Town Accountant and Town Administrator review and signatures;

- Reviews and approves payroll rates; works closely with Treasurer/Collector's office to resolve issues;
- Reviews school payables further to identify and correct vendor inconsistencies that occur as a result of importing school software to town software; works closely with the school Budget Officer and Southborough Financial Coordinator to communicate and resolve school payable issues, import file issues, and warrant changes;
- Serves as liason to vendors in need of payment inquiry, address changes, requests for 1099 purposes, certificates of insurance or check validation; researches and resolves misapplied or missing payments;
- Audits monthly cash book to ensure that all cash receipts are submitted and are reported accurately; records all cash receipts into the general ledger;
- Prepares monthly financial reports and reconciles with Town departments as needed;
- Prepares custom reports of payments and balances as requested for funds and grants;
- Enters journal entries as needed into the general ledger and subsidiary ledgers requiring knowledge of fund accounting and accounting principles;
- Statutory backup for Town Accountant in her absence in accordance with Massachusetts General Laws, Chapter 41, Section 49A. This includes, but is not limited to, processing and signing purchase orders, verifying payrolls, monitoring contracts, review applications and change orders, respond to inquiries directed to the Town Accountant by various employees, officials or vendors;
- Assumes statutory power and duties of the Town Accountant in her absence including signing warrants. Responsible for operation of the department in accordance with Mass. General Laws;
- Trains and oversees all users including remote users of the accounting software. May be responsible for the management of computer software as it relates to accounting and data processing functions;
- Maintains contract list and files, certificates of insurance files, notify departments of expirations, de-activate vendors in software to prevent payment to vendors with expired insurance;
- Processes purchase orders; verifies and processes vendor transactions for annual 1099 filing with State and Federal agencies; prepares a set of 1099 copies to be used in the annual workers' compensation audit;
- Maintains W-9 files including requesting updated forms as business changes are not in payables process; maintains vendor database;
- Maintains Annual Signature Authorization book for departments and committees;
- Works closely with Treasurer/Collector's office to schedule and resolve issues in importing payroll files, payroll-related payables, and refund batches;

- Compiles, researches, and analyzes annual capital expenditures to prepare reports and back-up to use for Capital Asset reporting;
- Maintains audit ready files and provide support on other departmental projects as assigned.

Recommended Minimum Qualifications

Education, Training, and Experience:

Associates degree in accounting or business administration or related field, with four to six years of progressively responsible experience in professional, municipal accounting; or an equivalent combination of education and experience; or bachelor's degree in accounting with one to three years of progressively responsible experience in professional, municipal accounting or an equivalent combination of education and experience.

Knowledge, Ability, and Skill:

Knowledge: Thorough knowledge of the principles and practices of municipal accounting and of applicable provisions of the Massachusetts General Laws. Thorough knowledge of computer applications for accounting and financial management.

Ability: Ability to: analyze and interpret financial data and to present findings clearly in written and oral form; establish and maintain cooperative relationships with town officials and governmental representatives.

Skill: Excellent skill in working with numbers and detail. Excellent financial computer skills including spreadsheet and data processing applications in a business environment.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.

Minimal physical effort required to perform functions under typical office conditions. Position requires the ability to operate a keyboard and standard office equipment at an efficient speed. The employee is required to use hands to finger, handle, or feel objects, tools, or controls, and to reach with hands and arms. The employee is frequently required to sit, talk, listen, and hear. Occasionally may be required to lift objects up to 30 pounds. Normal vision requirements.

Supervision:

Works under the general supervision of the Town Accountant. Primarily functions independently, referring specific problems to the Town Accountant when clarification or interpretation of department policy or procedure is required.

Job Environment:

- Performs highly responsible functions of a complex and technical nature, requiring the significant exercise of judgment and initiative to ensure that all municipal financial transactions conform to law and to professional standards.
- The work environment involves everyday discomforts typical of offices. Noise or physical surroundings may be distracting, but conditions are generally not unpleasant.
- Operates computer, printer, and general office equipment, such as calculator, copier, and facsimile machine.
- Work requires frequent contact with co-workers, all town departments, state, and federal agencies, and/or vendors or others doing business with the Town.
- Employee has access to confidential information, such as bid proposals, legal issues, personnel records, and financial records of the town.
- Errors are difficult to detect and could result in financial losses from unauthorized expenditures, failure to receive funds due, or deterioration of the town's financial position; errors may also result in legal repercussions to the town. The nature of work assures that errors are usually detected in succeeding operations however overpayments or delayed payments would have already occurred.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

**External and internal applicants, as well as position incumbents who become disabled as defined under the Americans With Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis.*

This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

TITLE: Town Accountant

Department: Town Accountant | **SAP Grade: 8**

Bi-weekly Hours: 80 | **Reports to: Town Administrator**

Approved by Personnel Board: | **Approved by Appointing Authority:**

DRAFT

Position Purpose:

Administrative, supervisory and technical work in monitoring, directing and auditing the municipal accounting system; performs technical accounting, financial, and computerized functions in maintaining the fiscal records and systems of the town; administers all internal and external financial reporting requirements; performs similar or related work as required or as situation dictates.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Develops and implements the town's accounting system and procedures; provides timely and accurate financial information and ensures the integrity of the financial data by instituting proper internal controls; ensures that no claim or payable against the town is fraudulent, unlawful, or excessive, as prescribed by Massachusetts General Laws and the Government Accounting Standards Board (GASB);
- Develops and prepares monthly reports to track all financial activity within the town's many funds, to include special revenue funds, revolving funds, state and federal grants, capital projects, enterprise funds, trust funds, and the general appropriations of the town; ensures that funds are reconciled on a monthly basis with the department authorized to expend said funds;

- Reviews all revenues; calculates, and assigns pro-rated indirect charges to Enterprise, and/or School Funds;
- Works collaboratively with the School Department financial staff to reconcile activity on general fund, grants, and special program funds on a monthly basis.
- Develops and prepares monthly reports to track all financial activity within the town's receivable accounts, to include property taxes, motor vehicle excise, tax title accounts, tax deferrals, taxes in litigation, tax foreclosures, and other town accounts; ensures that funds are reconciled on a monthly basis with both the department responsible and with applicable service bureaus;
- Is responsible for the fiscal year-end close-out, general ledger roll-over, and the development and filing of quarterly and year-end financial reports through the DLS gateway. The reports include balance sheet, Schedule A, various recap sheets, and revenue and expense statements for the audit process and for the State Department of Revenue for certification of free cash and tax rate certification;
- Serves as a resource of financial information to the Board of Selectmen, Advisory Committee, other elected officials, town departments, committees, and boards as required;
- Maintains original town and school service contracts and certificates of insurance for service; employment contracts, as well as private entities doing business with the town;
- Maintains files for federal, state, departmental, and private grants; monitors grants for compliance and completeness. Files reports as necessary;
- In conjunction with the Finance Director and Town Administrator, assists in the operating and capital budget document and facilitates its review and approval with the Advisory Committee and the Board of Selectmen; assists all town departments in budget development;
- Participates as a member of the Town's finance team to develop, modify, and/or review revenue and budget projections and financial policies and procedures; assists in the preparation and presentation of the quarterly report to the Select Board and Advisory Board;
- Develops and maintains accounting of all fixed assets and depreciation;
- Serves as the town liaison with the independent auditors of the Town;
- Maintains internal controls over expenditures through the examination of school and town Accounts Payable and Payrolls and pay rates to ensure accuracy and that they are properly approved;
- Is responsible for the management of computer software as it relates to general ledger set-up, maintenance, user permissions, and data processing functions;
- Oversees certain aspects of the town's bylaws which pertain to personnel administration, monitors all union and non-union benefits;;

DRAFT

- Maintains the town's purchase order system and in conjunction with the Town Administrator authorizes purchase order requests; serves as custodian of Town contracts.
- Monitors the Community Preservation Committeee's reservations, articles, spending, and acts as the Town's liaison. Prepares and submits all annual CPC reports via the DLS gateway.

Recommended Minimum Qualifications

Education, Training and Experience:

Bachelor's Degree in accounting or business administration or related field; five- (5) to seven- (7) years of progressively responsible experience in professional, municipal accounting; or an equivalent combination of education and experience. Master's degree in accounting is preferred and certification with the Massachusetts Municipal Auditors' and Accountants' Association is highly desirable.

Knowledge, Ability and Skill:

Knowledge: Thorough knowledge of the principles and practices of municipal accounting, Governmental Accounting Standards Board practices, and of applicable provisions of the Massachusetts General Laws. Thorough knowledge of computer applications for accounting and financial management.

Ability: Ability to: analyze and interpret financial data and to present findings clearly in written and oral form; establish and maintain cooperative relationships with department heads, town and school officials, and governmental representatives.

Skill: Excellent skill in working with numbers and detail. Excellent analytical and communication skills. Excellent financial computer skills including thorough knowledge of the MS Office suite, specifically spread sheet applications in a business environment. Knowledge of the VADAR financial package and DLS gateway are essential.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Minimal physical effort required to perform functions under typical office conditions. Position requires the ability to operate a keyboard and standard office equipment at an efficient speed. The employee is required to use hands to finger, handle, or feel objects, tools, or controls, and to reach with hands and arms. The employee is frequently required to sit, talk, listen, and hear. Occasionally may be required to lift objects up to 30 pounds. Normal vision requirements.

Supervision:

Supervision Scope: Performs highly responsible functions of a complex, technical nature requiring the significant exercise of judgment and initiative to ensure that all municipal financial transactions conform to law and to professional standards; works independently within established policies and procedures; assumes direct accountability for departmental results. The work consists of employing many different concepts, theories, principles, techniques, and practices relating to the accounting field.

Supervision Received: The position is appointed by the Board of Selectmen, and works under the administrative direction of the Town Administrator. Responsible for the overall operation of the accounting department in accordance with Massachusetts General Laws Chapter 41, Section 55, 56, and 57 according to the UMAS method of accounting and local bylaws. Functions independently, referring specific problems to State Department of Revenue and Audit Compliance where clarification or interpretation, or exception to municipal policy may be required. The employee exercises control in the development of departmental policies, goals, objectives, and budgets. The employee is expected to resolve all conflicts that arise, and coordinate with others when necessary.

Supervision Given: Employee exercises departmental level of supervision over one- (1) full-time employee. Staff size is well-established and relatively stable. Employee works at the same location and on the same work shift.

Job Environment:

- The work environment involves everyday discomforts typical of offices. Noise or physical surroundings may be distracting, but conditions are generally not unpleasant.
- Operates computer, and general office equipment, such as calculator, copier, and facsimile machine.
- Work requires frequent contact with co-workers, all town departments, state, federal agencies, and/or individuals such as peers from other organizations, representatives of professional organizations. Required to work beyond normal business hours to attend board/committee and town meetings.
- Employee has access to town-wide confidential information, such as bid proposals, collective bargaining, legal issues, personnel records, and financial records of the town.
- Errors are difficult to detect and could result in financial losses from unauthorized expenditures, failure to receive funds due, or deterioration of the town's financial position; errors may also result in legal repercussions to the town.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

TITLE: IT MANAGER

Department: MIS

SAP Grade: 8

Bi-weekly Hours: 80

Reports to: Town Administrator

Approved by Personnel Board:

Approved by Appointing Authority:

Position Purpose: Professional, technical and administrative management and supervisory work in planning, directing, managing and overseeing the Information Technology (IT) network and infrastructure for the Town; all other related work as required.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Is responsible for overseeing all strategic, organizational and tactical IT needs for the Town; delivers services in a secured, effective and efficient environment;
- Provides strategic leadership and vision to the Town, and works in collaboration with all municipal departments on all matters related to IT; leads the development and planning of strategic IT initiatives; provides direction in integrating and aligning technology to meet the community's needs;
- Plans, organizes, evaluates and directs IT operations to ensure the effective and efficient operation of the Department in accord with defined objectives; recommends a combination of staff and managed services to meet the needs of the town infrastructure; oversees the implementation of strategic IT initiatives to accomplish stated goals; monitors and reports on progress of initiatives;
- Investigates tools for civic engagement such as open data, geographic information systems (GIS), social networking and mobile device strategies, and collaboration software;

- Establishes policies and procedures for system-wide IT operations; educates the user community on compliance with policies and procedures; monitors activities to ensure conformity;
- Establishes, oversees and enforces Town security policies and protocols; ensures the security of information stored within the system or within the cloud; evaluates and provides for adequate firewall and perimeter testing to include virus protection and patch management protocols; sets forth appropriate disaster recovery and back-up programs. Oversees security training and prevention education for town employees;
- Identifies needs and recommends equipment purchases, hardware and software installations, user training and user community support for the Town;
- Develops management strategy for all infrastructure, fiber network, hardware, networking and storage matters pertaining to IT; oversees all Town-wide computer operations, database administration and technical support; oversees all outsourced service providers and vendors to maximize efficiencies and productivity;
- Provides leadership to departments on alignment and integration of technologies; consults and meets with the user community; prepares evaluations and cost-benefit analysis of alternative technologies; coordinates and evaluates shared technologies amongst departments; makes recommendations on improving efficiencies;
- Is responsible for the maintenance and upgrade of the physical inventory; schedules and plans equipment replacement; upgrades software as appropriate while maintaining required licensing;
- Ensures adequate IT system storage capacity to meet growth requirements;
- Provides an effective "Help Desk" model to address user problems; establishes protocols for IT Customer Service expectations;
- Manages all Town communication systems; Including Public Safety.
- Annually prepares, recommends, and submits both operational and capital budgets to the Town Administrator and Finance Director for review and subsequent recommendation and presentation to pertinent committees, manages approved budgets to ensure expenditures are within guidelines; periodically advises the Town Administrator on the status of budgetary overages/shortages; develops, implements and monitors IT fiscal controls;
- Keeps abreast of industry trends and best practices for both operations and security;
- Performs similar or related work as required.
- Manage IT department staff on training, coaching and communicating job expectations and appraising their performance.

Recommended Minimum Qualifications:

Education, Training and Experience:

Bachelor's Degree in Information Systems, Computer Engineering or related field preferred. Over 7 years of related professional experience; experience in managing large, public-facing voice and data networks with a wide variety of technical skills preferred. Knowledge of local government will be considered an asset. An equivalent combination of education and experience may be considered.

Special Requirements/Licenses:

Industry certifications in IT governance, project management, or industry products is desirable.

Knowledge, Ability and Skill:

Knowledge: Thorough knowledge and demonstrated, progressive leadership in managing technical and analytical resources. Knowledge of current leading IT service delivery methodologies to include virtualized environments and automated patch management.

Ability: Ability to: develop, implement and direct an IT Risk Management Program. Ability to articulate specific and measurable IT goals; establish accountable IT service support; develop and implement secure networks aligned with the leading industry practices; manage a diverse workstation environment to include automation efforts for service patch releases; communicate effectively in both a technical and non-technical manner; work with all levels of the organization, i.e., appointed and elected boards, department heads, front-line staff, and the general public; identify goals and objectives and organize workload; prepare, manage, and review budgets; administer and interpret regulations, policies, and procedures firmly, tactfully, and impartially; maintain the confidentiality of information and handle sensitive issues discreetly; manage IT staff.

Skill: Skill and experience in developing and implementing policies and procedures for information security and infrastructure operations. Excellent organizational and budgetary skills. Excellent interpersonal skills. Skill in developing policies and procedures to ensure equity within the organization.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Light physical effort required to perform duties under typical office conditions.
Frequently required to sit, communicate, and move around the town buildings.
Occasionally required to move, push or pull items weighing up to 40 pounds.
Occasionally required to visit employee worksites outside of the IT department.

Supervision:

Supervision Scope: Performs highly responsible functions requiring the exercise of broad discretion and considerable independent judgment. Works independently and receives administrative and policy direction as needed.

Supervision Received: Appointed by the Board of Selectmen and works under the general direction of the Town Administrator.

Supervision Given: The IT Manager, as a regular and continuing part of the job, is accountable for the quality and quantity of work done by subordinates and assures the accomplishment of the assigned work in the prescribed manner. The employee gives advice and instruction on both

administrative and work matters; informs subordinates of organizational policies, goals and procedures; resolves employee complaints and effects disciplinary actions, such as oral warnings and reprimands; has substantial responsibility for technical soundness of subordinates' work.

Job Environment:

- Work is generally performed in typical office conditions, with frequent interruptions and requests for information; attends Board of Selectmen and other committee meetings as required; must be available 24/7 for public safety emergencies, and for all town meetings and other evening events as needed.
- Operates current and cutting edge workstations, mobile devices as well as standard office equipment.
- Makes regular contact with Town boards and committees, employees, department heads, consultants, vendors, municipal colleagues and the general public; contacts involve a wide-variety of complex issues; contacts require considerable judgment, persuasion, strategy, patience, courtesy, discretion and the ability to handle sensitive and confidential information in a professional manner.
- Has access to Town-wide confidential information as stored in IT system.
- Errors in judgment could affect the town's ability to deliver services and could result in substantial monetary and/or legal repercussions, could expose the town to certain legal liabilities, and could affect the public's confidence.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

**External and internal applicants, as well as position incumbents who become disabled as defined under the Americans With Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis.*

Recommended Minimum Qualifications

Education, Training, and Experience:

High School Diploma / GED Required. A bachelor's degree or higher is strongly preferred, as are relevant certifications. Five years or more of responsible experience in an information technology environment; or an equivalent combination of education and experience.

Special Requirements/Licenses:

Network+, Security+, or Cisco certification a plus; Microsoft Server Certification MCSA; Current driver's license

Knowledge, Ability, and Skill:

Knowledge: Comprehensive knowledge of Windows operating systems; networking fundamentals; comprehensive knowledge of Windows Servers, Office 365 & Azure.
Ability: Ability to: manage multiple projects with time-related constraints in a fast-paced environment; establish and maintain cooperative relationships with town officials, employees, community partners, and vendors; influence others with supporting documentation and relevant research; provide excellent judgment when reviewing potential cyber-security areas of concern; provide cost analysis for procurement of technology-related supplies and services; research and delivery of employee training for various applications to a wide variety of end-users.
Skill: Must be well organized, an effective communicator at multiple levels and able to grasp system concepts and communicate their applications; must be capable of quickly learning new systems and associated software applications for proficient execution of tasks; liaise I.T. initiatives between disparate groups of internal and/or external customers, appointed/elected officials or employees; high level of integrity and accountability; diagnostic and problem-solving skills

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work is performed mostly in an office setting; hand-eye coordination is necessary to operate computers and various pieces of office equipment. Specific vision abilities required by this job include close vision, prolonged visual concentration, and the ability to adjust focus.

While performing the duties of this job, the employee is frequently required to sit, stand, walk, talk and hear; use hands and fingers to handle, feel, or operate objects, tools, or controls and reach with hands and arms.

The employee is occasionally required to climb, balance, stoop, kneel, crouch, or crawl.

The employee is occasionally exposed to unpleasant conditions, such as heat, cold; dim or bright lights, dust, and noise. The employee must occasionally lift and/or move up to 50 pounds.

Supervision:

Supervision Scope:

Supervision Received: IT Manager

Supervision Given: None

Job Environment:

- Work is generally performed in typical office conditions, with frequent interruptions and requests for information; must be available 24/7 for public safety emergencies, and for all town meetings and other evening events as needed;
- Operates current and cutting edge workstations, mobile devices as well as standard office equipment.
- Makes regular contact with Town boards and committees, employees, department heads; contacts involve a wide-variety of complex issues;
- Has access to Town-wide confidential information as stored in IT system;
- Errors in judgment could affect the town's ability to deliver services and could result in substantial monetary and/or legal repercussions, could expose the town to certain legal liabilities, and could affect the public's confidence.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

**External and internal applicants, as well as position incumbents who become disabled as defined under the Americans With Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis.*

This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

TITLE: Town Accountant

Department: Town Accountant | **SAP Grade: 8**

Bi-weekly Hours: 80 | **Reports to: Town Administrator**

Approved by Personnel Board: | **Approved by Appointing Authority:**

DRAFT

Position Purpose:

Administrative, supervisory and technical work in monitoring, directing and auditing the municipal accounting system; performs technical accounting, financial, and computerized functions in maintaining the fiscal records and systems of the town; administers all internal and external financial reporting requirements; performs similar or related work as required or as situation dictates.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Develops and implements the town's accounting system and procedures; provides timely and accurate financial information and ensures the integrity of the financial data by instituting proper internal controls; ensures that no claim or payable against the town is fraudulent, unlawful, or excessive, as prescribed by Massachusetts General Laws and the Government Accounting Standards Board (GASB);
- Develops and prepares monthly reports to track all financial activity within the town's many funds, to include special revenue funds, revolving funds, state and federal grants, capital projects, enterprise funds, trust funds, and the general appropriations of the town; ensures that funds are reconciled on a monthly basis with the department authorized to expend said funds;

- Reviews all revenues; calculates, and assigns pro-rated indirect charges to Enterprise, and/or School Funds;
- Works collaboratively with the School Department financial staff to reconcile activity on general fund, grants, and special program funds on a monthly basis.
- Develops and prepares monthly reports to track all financial activity within the town's receivable accounts, to include property taxes, motor vehicle excise, tax title accounts, tax deferrals, taxes in litigation, tax foreclosures, and other town accounts; ensures that funds are reconciled on a monthly basis with both the department responsible and with applicable service bureaus;
- Is responsible for the fiscal year-end close-out, general ledger roll-over, and the development and filing of quarterly and year-end financial reports through the DLS gateway. The reports include balance sheet, Schedule A, various recap sheets, and revenue and expense statements for the audit process and for the State Department of Revenue for certification of free cash and tax rate certification;
- Serves as a resource of financial information to the Board of Selectmen, Advisory Committee, other elected officials, town departments, committees, and boards as required;
- Maintains original town and school service contracts and certificates of insurance for service; employment contracts, as well as private entities doing business with the town;
- Maintains files for federal, state, departmental, and private grants; monitors grants for compliance and completeness. Files reports as necessary;
- In conjunction with the Finance Director and Town Administrator, assists in the operating and capital budget document and facilitates its review and approval with the Advisory Committee and the Board of Selectmen; assists all town departments in budget development;
- Participates as a member of the Town's finance team to develop, modify, and/or review revenue and budget projections and financial policies and procedures; assists in the preparation and presentation of the quarterly report to the Select Board and Advisory Board;
- Develops and maintains accounting of all fixed assets and depreciation;
- Serves as the town liaison with the independent auditors of the Town;
- Maintains internal controls over expenditures through the examination of school and town Accounts Payable and Payrolls and pay rates to ensure accuracy and that they are properly approved;
- Is responsible for the management of computer software as it relates to general ledger set-up, maintenance, user permissions, and data processing functions;
- Oversees certain aspects of the town's bylaws which pertain to personnel administration, monitors all union and non-union benefits;;

DRAFT

- Maintains the town's purchase order system and in conjunction with the Town Administrator authorizes purchase order requests; serves as custodian of Town contracts.
- Monitors the Community Preservation Committeee's reservations, articles, spending, and acts as the Town's liaison. Prepares and submits all annual CPC reports via the DLS gateway.

Recommended Minimum Qualifications

Education, Training and Experience:

Bachelor's Degree in accounting or business administration or related field; five- (5) to seven- (7) years of progressively responsible experience in professional, municipal accounting; or an equivalent combination of education and experience. Master's degree in accounting is preferred and certification with the Massachusetts Municipal Auditors' and Accountants' Association is highly desirable.

Knowledge, Ability and Skill:

Knowledge: Thorough knowledge of the principles and practices of municipal accounting, Governmental Accounting Standards Board practices, and of applicable provisions of the Massachusetts General Laws. Thorough knowledge of computer applications for accounting and financial management.

Ability: Ability to: analyze and interpret financial data and to present findings clearly in written and oral form; establish and maintain cooperative relationships with department heads, town and school officials, and governmental representatives.

Skill: Excellent skill in working with numbers and detail. Excellent analytical and communication skills. Excellent financial computer skills including thorough knowledge of the MS Office suite, specifically spread sheet applications in a business environment. Knowledge of the VADAR financial package and DLS gateway are essential.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Minimal physical effort required to perform functions under typical office conditions. Position requires the ability to operate a keyboard and standard office equipment at an efficient speed. The employee is required to use hands to finger, handle, or feel objects, tools, or controls, and to reach with hands and arms. The employee is frequently required to sit, talk, listen, and hear. Occasionally may be required to lift objects up to 30 pounds. Normal vision requirements.

Supervision:

Supervision Scope: Performs highly responsible functions of a complex, technical nature requiring the significant exercise of judgment and initiative to ensure that all municipal financial transactions conform to law and to professional standards; works independently within established policies and procedures; assumes direct accountability for departmental results. The work consists of employing many different concepts, theories, principles, techniques, and practices relating to the accounting field.

Supervision Received: The position is appointed by the Board of Selectmen, and works under the administrative direction of the Town Administrator. Responsible for the overall operation of the accounting department in accordance with Massachusetts General Laws Chapter 41, Section 55, 56, and 57 according to the UMAS method of accounting and local bylaws. Functions independently, referring specific problems to State Department of Revenue and Audit Compliance where clarification or interpretation, or exception to municipal policy may be required. The employee exercises control in the development of departmental policies, goals, objectives, and budgets. The employee is expected to resolve all conflicts that arise, and coordinate with others when necessary.

Supervision Given: Employee exercises departmental level of supervision over one- (1) full-time employee. Staff size is well-established and relatively stable. Employee works at the same location and on the same work shift.

Job Environment:

- The work environment involves everyday discomforts typical of offices. Noise or physical surroundings may be distracting, but conditions are generally not unpleasant.
- Operates computer, and general office equipment, such as calculator, copier, and facsimile machine.
- Work requires frequent contact with co-workers, all town departments, state, federal agencies, and/or individuals such as peers from other organizations, representatives of professional organizations. Required to work beyond normal business hours to attend board/committee and town meetings.
- Employee has access to town-wide confidential information, such as bid proposals, collective bargaining, legal issues, personnel records, and financial records of the town.
- Errors are difficult to detect and could result in financial losses from unauthorized expenditures, failure to receive funds due, or deterioration of the town's financial position; errors may also result in legal repercussions to the town.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

TITLE: Assistant Town Accountant

Department: Town Accountant | **SAP Grade:**

Bi-weekly Hours: 80 | **Reports to: Town Accountant**

Approved by Personnel Board: | **Approved by Appointing Authority:**

DRAFT

Position Purpose:

In the absence of the Town Accountant, the Assistant Town Accountant is responsible for the overall operation of the Accounting Department and shall have the powers and be subject to the requirements and penalties applicable to the Town Accountant. The Assistant Town Accountant is directly involved in maintaining the financial records of the Town Accountant, reporting periodically to various agencies of the Town, State and Federal government as to the financial status of these records as required by laws and regulations. Liaison to town departments and officials regarding budgets, town meeting preparation and follow-up and research into regulations as to procedures of finances. Attend seminars annually to keep up with changes in general accepted accounting principles (GAAP) and Governmental Accounting Standards Board (GASB) statements.

Essential Functions:

(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Audits all accounts payable and payroll requests by all Town departments including the school department to ensure that payments are not fraudulent, unlawful, or excessive in compliance with Massachusetts General Laws, Chapter 41, Section 56.
- Reviews and processes weekly warrant and bills payables, checking for fiscal year compliance, sales tax, mathematical accuracy, vendor and account numbers, and invoices

for all town and school payables; contacts departments to resolve incomplete or missing information issues; prepares final warrant for Town Accountant and Town Administrator review and signatures;

- Reviews and approves payroll rates; works closely with Treasurer/Collector's office to resolve issues;
- Reviews school payables further to identify and correct vendor inconsistencies that occur as a result of importing school software to town software; works closely with the school Budget Officer and Southborough Financial Coordinator to communicate and resolve school payable issues, import file issues, and warrant changes;
- Serves as liason to vendors in need of payment inquiry, address changes, requests for 1099 purposes, certificates of insurance or check validation; researches and resolves misapplied or missing payments;
- Audits monthly cash book to ensure that all cash receipts are submitted and are reported accurately; records all cash receipts into the general ledger;
- Prepares monthly financial reports and reconciles with Town departments as needed;
- Prepares custom reports of payments and balances as requested for funds and grants;
- Enters journal entries as needed into the general ledger and subsidiary ledgers requiring knowledge of fund accounting and accounting principles;
- Statutory backup for Town Accountant in her absence in accordance with Massachusetts General Laws, Chapter 41, Section 49A. This includes, but is not limited to, processing and signing purchase orders, verifying payrolls, monitoring contracts, review applications and change orders, respond to inquiries directed to the Town Accountant by various employees, officials or vendors;
- Assumes statutory power and duties of the Town Accountant in her absence including signing warrants. Responsible for operation of the department in accordance with Mass. General Laws;
- Trains and oversees all users including remote users of the accounting software. May be responsible for the management of computer software as it relates to accounting and data processing functions;
- Maintains contract list and files, certificates of insurance files, notify departments of expirations, de-activate vendors in software to prevent payment to vendors with expired insurance;
- Processes purchase orders; verifies and processes vendor transactions for annual 1099 filing with State and Federal agencies; prepares a set of 1099 copies to be used in the annual workers' compensation audit;
- Maintains W-9 files including requesting updated forms as business changes are not in payables process; maintains vendor database;
- Maintains Annual Signature Authorization book for departments and committees;
- Works closely with Treasurer/Collector's office to schedule and resolve issues in importing payroll files, payroll-related payables, and refund batches;

- Compiles, researches, and analyzes annual capital expenditures to prepare reports and back-up to use for Capital Asset reporting;
- Maintains audit ready files and provide support on other departmental projects as assigned.

Recommended Minimum Qualifications

Education, Training, and Experience:

Associates degree in accounting or business administration or related field, with four to six years of progressively responsible experience in professional, municipal accounting; or an equivalent combination of education and experience; or bachelor's degree in accounting with one to three years of progressively responsible experience in professional, municipal accounting or an equivalent combination of education and experience.

Knowledge, Ability, and Skill:

Knowledge: Thorough knowledge of the principles and practices of municipal accounting and of applicable provisions of the Massachusetts General Laws. Thorough knowledge of computer applications for accounting and financial management.

Ability: Ability to: analyze and interpret financial data and to present findings clearly in written and oral form; establish and maintain cooperative relationships with town officials and governmental representatives.

Skill: Excellent skill in working with numbers and detail. Excellent financial computer skills including spreadsheet and data processing applications in a business environment.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.

Minimal physical effort required to perform functions under typical office conditions. Position requires the ability to operate a keyboard and standard office equipment at an efficient speed. The employee is required to use hands to finger, handle, or feel objects, tools, or controls, and to reach with hands and arms. The employee is frequently required to sit, talk, listen, and hear. Occasionally may be required to lift objects up to 30 pounds. Normal vision requirements.

Supervision:

Works under the general supervision of the Town Accountant. Primarily functions independently, referring specific problems to the Town Accountant when clarification or interpretation of department policy or procedure is required.

Job Environment:

- Performs highly responsible functions of a complex and technical nature, requiring the significant exercise of judgment and initiative to ensure that all municipal financial transactions conform to law and to professional standards.
- The work environment involves everyday discomforts typical of offices. Noise or physical surroundings may be distracting, but conditions are generally not unpleasant.
- Operates computer, printer, and general office equipment, such as calculator, copier, and facsimile machine.
- Work requires frequent contact with co-workers, all town departments, state, and federal agencies, and/or vendors or others doing business with the Town.
- Employee has access to confidential information, such as bid proposals, legal issues, personnel records, and financial records of the town.
- Errors are difficult to detect and could result in financial losses from unauthorized expenditures, failure to receive funds due, or deterioration of the town's financial position; errors may also result in legal repercussions to the town. The nature of work assures that errors are usually detected in succeeding operations however overpayments or delayed payments would have already occurred.

The above statements are intended to describe the general nature and level of work being performed by people assigned to do this job. The above is not intended to be an exhaustive list of all responsibilities and duties required. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

* * * FROM THE MODERATOR * * *

Article "Consent" List
for Enactment Under By-Law §41-6(C)

As many of you know, under our Town By-laws the Moderator may propose a group of Warrant Articles to be taken up and resolved together, so that several routine Articles may be enacted in a single vote. Note that the Moderator only proposes this group; Town Meeting must approve it. Thus, prior to asking for the "consent" vote, I will ask if any voter wishes to hold any Article from the list and, if anyone does, that Article will be removed.

Below and continuing on the back side of this sheet is a summary list of the Articles that I propose to group together this year. Please review the actual Articles in the Warrant, and consider whether you wish to hold any of them. If you have any doubt whether a particular Article should be held from the list, I encourage you to hold it.

This process will take place soon after the start of the Meeting (at the beginning of the Warrant review), so please take time now to review the listed Articles. If you have any questions at all, there will be a chance to ask before we complete this process. Thank you for your participation today!

Paul Cimino
Moderator

No.	Subject Matter	Summary Description
1	Acceptance of PILOT	*Annual acceptance of payments from tax-exempt entities*
2	Short-term borrowing	*Annual Treasurer authorization for short-term borrowing*
